Extra Hour Sleep Coming Sat. Night

Coke County residents will be able this weekend to make up for the hour of sleep they lost last spring when the country went on Daylight Saving Time.

The official time for making the change is 2 a.m. on the last Sunday in October. However, it will probably be all right if readers set back their clocks one hour before they go to bed Saturday night, even though it may be before the official 2 a.m. time.

The change back to Central Standard Time will give earlier morning light to early risers, but they will have to give up an hour of daylight in the evening.

of the most successful carnivals ever held at Bronte Schools. A huge crowd attended the affair and it was pronounced a financial success by the sponsors, Bronte Evening Lions Club and Band Boosters Club.

Three queens were crowned for having the most money turned in by their classes. Jolene Vaughn was high school queen, and was escorted by Dana Sowell. They are members of the junior class. Junior high queen was Kim Arrott, and she was escorted by Jim Dan Raughton. They are seventh graders. Elementary school queen was second grader Lindie Butler, who was escorted by Brian Champion.

Booths were set up in the old gymnasium and were generously patronized by the crowd. A Mexican supper was served in the school cafeteria from 6 until 8 and also was well supported.

So many outstanding activities are planned for the 1969 Homecoming of Bronte ex-students and teachers, it is difficult to say what the highlight of the day will be. There will be a parade in the early afternoon, a program and business

meeting later, a catered dinner at 5:30 p.m. and then the all-important Jim-Ned - Bronte football game at night, with important half-time activities.

A full afternoon and evening of activities awaits local exes as well

as those who come back home for the occasion.

Parade is First

A number of classes and organizations in town have been busy working on floats for the parade. Noah Pruitt Jr., parade master, said the parade would start forming at 1 p.m. on the two streets south of Bronte Hospital and west of Highway 277. The big Bronte Longhorn Band will be a part of the parade and will add much color to the procession.

The parade will come down Highway 277 to Main Street where it will turn west. A number of horseback riders also are expected to participate in the procession, and anyone who wishes to ride with the Bronte Riding Club is invited to do so.

Exes may register in the foyer of the elementary school building, beginning at 1 p.m.

Following the parade, at 3:30 p.m., there will be a program and business meeting in the school auditorium. Featured speaker for the program will be the Rev. Johnny Smith, Grand Prairie, who is associate secretary of church stewardship of the Baptist General Convention of Texas. Smith is the son of Mr. and Mrs. C. R. Smith and is a graduate of Bronte High School. He was pastor of several West Texas Baptist Churches before accepting the position in the state office.

Other numbers on the program include the invocation by Edward M. Cumbie; pledge to the flag, led by a member of Boy Scout Troop 452 of Bronte; welcome by Supt. C. B. Barbee. Musical elections will include a medley from "The Sound of Music" by Susan Cumbie and Melissa Lee, "Fly Me to the Moon" by Kathy Kiker and Dee Ann Percifull and "Battle Hymn of the Republic" by all four girls.

1959 Longhorn Team to Be Honored During Halftime Activities Saturday

The 1959 football team which will be honored during halftime ceremonies Saturday night was the second Bronte Longhorn team in the history of the school to go through the regular season with no defeats.

In spite of their winning ways during the regular season, the 1959 Longhorns were taken for a 40-14 bi-district defeat at the

hands of the powerful Wink Wildcats.

This great team was tutored by Coaches Bob Howard, Joe Simpson and Mike Anderson, none of whom still teach in the Bronte Schools. The 1959 season was Howard's first year to serve at Bronte.

School Secretary Mrs. Clark Glenn said Thursday morning that confirmations have been received from 15 members of the 1959 squad stating they would be here Saturday. Also Coach Howard has made plans to be in Bronte. Other confirmations are expected.

The Sept. 3, 1959, edition of The Bronte Enterprise carried a story about the first game of the season which gave Coach Howard's probable starting lineup as follows:

Ends, Jerry McCutchen and Neil Black; tackles, Bob Wrinkle and Mike Luttrell; guards, Rudy Phillips and Stanley Daulong; center, Donald Hester; backs, Kenneth McCutchen, Benny Corley, Mickey Black and Dee Arrott.

Other members of the team included Kenneth Caulder, Don Andrews, Joe Davis, Larry Robinson, Kenneth Shaver, Lanny Denman, Reyes Olivas, Jack Corley, Eddie Glenn, Charles Lee, Rudy Olivas, Douglas Rogers, Eddie Spiller, Buddy Walker, Leslie Brice, Russell Brown, Victor Ivey, Malcolm Johnson, Douglas Phillips, Joe Shamp and Greg Whalen.

Mrs. Mills Named State LVNA Secy.

One Bronte woman was elected to succeed another at the annual convention of the Texas Licensed Vocational Nurses Association held Oct. 16-19 in San Antonio. Mrs. Brady (Marie) Mills was elected to the state office to succeed Mrs. H. C. (Christine) Mur-tishaw.

Both nurses are members of Division 58 of LVNA, and attended the convention, along with Mrs. Martha McAlister and Mrs. Lottie Farris, both of Ballinger, also members of the division.

The Bronte women have been active in LVNA work for many years and have served in many capacities on local and state levels.

Mrs. Mills was installed as state secretary at a banquet held Saturday night.

Members of Division 58 include nurses from Bronte, Robert Lee, Ballinger, Winters and Wingate.

FB Convention Set For Tuesday Night

Coke County Farm Bureau will have its annual convention Tuesday, Oct. 28, at 7 p.m. in the Bronte School lunchroom. Refreshments will be served and a business meeting will be held.

All Farm Bureau members are urged to attend as well as any other persons who are interested in Farm Bureau work.

SCHOOL BOARD WOULD LIKE RECOMMENDATIONS

Supt. C. B. Barbee said this week that Bronte School's Board of trustees would like to have recommendations from citizens of the district on selection of two new trustees to take the place of Harold Moon and Conda Richards who resigned at the last meeting.

Barbee said probably selections would be made at the board's regular November meeting. Anyone who has a suggestion may contact the superintendent's office or any member of the board, he said.

Bronte, Jim Ned Start 7-B Play

The two giants of District 7-B will tangle here Saturday night when Jim Ned comes here for a Homecoming battle with the Bronte Longhorns. The two teams have been rated close together all season, with Jim Ned taking a slight edge in Big Country ratings.

The two teams have season records which are very similar. The Indians have 108 points to the Longhorns' 103. The Indians have given up 45 points to the opposition while the Horns have given up 47. Also both teams have lost only one game this season.

Coach Cecil Toliver said this week that there is no doubt the Indians have a good football team, and added that his Longhorns have no illusions about an easy night's work. The coach said, too, that the team will be without the services of David Scott in the line.

Scott's absence will not help, but the team is especially anxious to play a homecoming game to the long end of the scoreboard.

The Longhorns were idle last week, and most of them should be in good shape for the homecoming game. Other teams in District 7-B did well last week with all of them taking wins except one. Jim Ned tripped Early, 27-20; Forsan downed Miles, 34-12; Trent whipped Hermligh, 36-6; Hawley fell to Jayton, 35-14.

Besides the clash of the Longhorns and Jim Ned Indians here Saturday night, other 7-B games will see Trent playing at Lorraine and Hawley traveling to Forsan.

Incidentally, games this week mark the beginning of district play and all the contests will begin at 7:30 p.m. The change in time will continue through the remainder of the season.

Good News About Guarantees
Although a guarantee or warranty may insure repairs and services, it often provides little protection for the consumer.

But warranty conditions seem to be changing for the better.

Manufacturers have been simplifying guarantees by eliminating legal jargon and making them easier to read. Government pressure and consumer complaint caused this.

The new warranties do not necessarily provide more protection. Many warranties cover only parts or a selected group of parts. Some precautions to follow for self-protection are:

1. Insist upon seeing a copy of the warranty before you buy the product.
2. Check the warranty carefully to determine how much protection you have.
3. Find out who will service the product.
4. If the product has been purchased on a 30 day charge account, you will be in a better bargaining position to receive service before you make the payment.
5. Keep the warranty in a safe place, record date of purchase and store on it.
6. Do not be afraid to take action in getting proper service. If necessary, take your complaint to the president of the manufacturing company.

Sewing Fall Fabrics

A number of fall fabrics woven with heavy yarns ravel easily. The sewing machine can help prevent raveling in several ways.

Some machines have special patterns for overcasting or edging. A blind hemming pattern may be used to let the stitch overcast the seam edges.

For this, reverse the usual procedure for holding fabric under the machine. Put the edge to be finished to the left of the needle and pressure foot instead of to the right side. Stitch one fourth inch from the edge of seam.

Adjust the machine for easy tension so the edge of the fabric is not curled from too tight tension.

For a straight stitching machine, shorten stitch to 15 stitches an inch and sew a fourth inch from the seam edge. To slow the raveling process hand overcast or pink the seam.

Whatever the finish, remember that seams should be flexible and not bulky.

Re-potting House Plants

It's time to re-pot house plants, and here is the recipe for soil mixture for potting:

Mix two parts good garden loam, two parts of peat moss and one part sand. Well rotten manure or shredded leaf mold may substitute for peat moss.

Garden soil usually is not suitable for potting plants. It is usually too low in organic matter. The homemade mixture provides the three things most needed by potted plants; support, good soil aeration, and ability to hold adequate moisture and nutrients.

To kill disease organisms, insects and weed seeds, pasteurize the soil mixture by placing it in a shallow pan for 30 minutes in an oven preheated to 200 degrees. The soil should be moistened before placing in the oven.

Always use clean tools and new pots or soil may be reinfected with harmful organisms. Used clay pots should be given the same pasteurization treatment as the soil. Plastic pots should be washed thoroughly in hot soapy water.

A simpler and much easier way to handle pot plants in the home is to purchase the prepared mixes available in your nursery or garden supply center.

Coke Clubs Host District Workshop

About 100 persons representing clubs from 19 towns in the Heart of Texas District of Texas Federation of Women's Clubs registered for the annual fall workshop Friday at the First Baptist Church in Ballinger. Theme for the meeting was Efficient Leadership: The Key to Successful Achievement.

The luncheon was held in the Ivy Room of the Texas Grill and was hosted by the Sorosis Diversity Club of Bronte and the '64 Study Club of Robert Lee.

Guest speaker for the luncheon was Sen. David Ratliff of Stamford, representative from the 24th Texas District. His topic was "Fine Arts in Texas." Ratliff sponsored a bill in the 60th Legislature which made the Texas Fine Arts Commission permanent and eligible for support from state appropriations. He was also a supporter of the first recommendation made by Governor John Connally to create the commission. Ratliff was introduced by Mrs. Royce Fancher, president of the Sorosis Club.

Mrs. D. K. Glenn, president of the Diversity Club gave the welcome to luncheon guests. Mrs. Ben Bessent, president of the '64 Club, gave the invocation. Vocal numbers were presented by Misses Melissa Lee and Susan Cumbie, accompanied by Miss Norma Pruitt. Mrs. A. A. Stewart of San Saba, president of the Heart of Texas District, presided.

Mrs. H. B. Bratton of Waco, third vice president of TFWC, was workshop director.

During the morning session, Mrs. Stewart heard reports and read two TFWC resolutions — calling for acclaim to the men who walked on the moon and commending them for reading scriptures in space. She encouraged club women to write letters to NASA officials commending the Astronauts for expressing their belief in God.

1st Baptist to Show Graham Movie

"The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown in Bronte at 8 p.m. on Tuesday, Oct. 28, at First Baptist Church. The Rev. Harry Morris, pastor, made the announcement of the showing, and said that everyone is invited to see the movie and young people have a special invitation.

With the accent on youth, this feature-length film deals imaginatively and dramatically with the so-called teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "The Restless Ones" is a hard hitting, bold approach to social problems.

The film is billed as one which dares to be different, a story which will stir the heart and mind. Having seen "The Restless Ones," viewers will never be the same.

As one reviewer said, "Here is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us." This answer will satisfy, challenge and inspire young and old alike and will appeal to churchgoers and non-churchgoers. The Christian message comes through in the midst of a realistic teenage situation, clearly and without cloying. Swift-moving plot episodes highlight the opportunities facing the church.

Screen writer James Collier has skillfully brought into focus the contemporary plight of both teenagers and parents. A sensitive script, produced by World Wide Pictures under the direction of Dick Ross, has resulted in a "break-through" in "The Restless Ones."

There will be no admission charge but a free-will offering will be received.

WASHINGTON

"As it looks from here"

OMAR BURLESON

Congressman
17th District

WASHINGTON, D. C. — THE SO-CALLED "VIETNAM MORATORIUM" started last week, and reportedly to continue until the middle of November, can have no other effect than grave damage to the United States. At the minimum, the publicity these activities are receiving will encourage the communist North Vietnamese to continue and intensify their intransigence already demonstrated in the months of futile talks in Paris.

MANY TIMES IN OUR HISTORY AS A NATION, we have had to decide between the easy way and the honorable way.

WHILE OUR DECISIONS TO STAND FIRM in behalf of freedom and justice have not always been universally popular, they have always been supported by the great majority of the American people.

AS HAS BEEN SAID HERE NUMEROUS TIMES, it is one thing as to whether we should have gotten involved in Southeast Asia in the first place and another to face the fact that we ARE involved.

THE WAR IN VIETNAM HAS NEVER BEEN a popular undertaking and, in fact, it has taken us quite a time to realize it is actually a war. As a result, it becomes vague to many people as to what we are fighting for and, hence, the increased desire of many people with an honest opinion to get out. This attitude has doubtless motivated many people to support the so-called Moratorium.

ON THE OTHER HAND, IT HAS PROVIDED a vehicle for those with a traitorous intent. If it were not the Vietnam conflict, it would be something else.

THE MORATORIUM DEMONSTRATION STARTED last week and continuing to the middle of next month, involves more than just simply the immediate withdrawal of troops from an anti-communist struggle. It also involves the defeat and humiliation of the United States, carrying with it the hope of total disruption within our Country. These are the people who have wanted the communist to win on the battlefield but since they can not, they want to confuse and trick Americans into accepting a peace that amounts to victory for communism in all of Asia. They would shatter the morale and resolve of the American people which, if deep enough, could lay the groundwork for a real revolution in America.

ACTUALLY, THOSE SUPPORTING THE LEFTIST CAUSES are a small minority but it has been small groups which have overthrown other nations. The loud, militant and superbly organized groups with their propaganda, have been able to enlist the support of some who mistakenly think they are promoting peace when they join in these protests. It is cause to wonder if patriotism in our Nation is on its sickbed but there are mountains of evidence to indicate that this vocal minority does not speak for the tens of millions of silent Americans whose deep desire for peace burns as brightly as the fires of our fighting men's camps but who know that a peace without honor and justice is no peace at all.

WHILE MANY COLLEGE CAMPUSES AND THE streets echo the rabble of the dissenters, there are the voices of the quiet and the rational to give encouragement.

PUBLICITY HAS BEEN GIVEN TO ACTION of a representative group of college students in Abilene but it deserves to be repeated.

THE FOLLOWING TELEGRAM WAS SENT to President Nixon on October 14:

"DEAR MR. PRESIDENT: As

world citizens who are directly a part of the struggle for the control of men's minds, and more particularly as concerned Collegians who are attempting to interpret the world events which are shaping our destiny, we have become increasingly aware of the awesome responsibility which you share in making decisions which directly affect literally millions of lives. Naturally, we are concerned; indeed deeply troubled at the loss of lives on both sides of the present conflict, as this sense of human concern is acutely heightened by our unique Christian commitment. We, the undersigned represent a significant portion

of the 6,000 college students in Abilene, Texas, who are convinced that there is a better way in prayer and we have covenanted ourselves together especially for this day October 15, in a concerted day of prayer in your behalf. Please know that we are continually praying for your wisdom, insight, and perception and ask the Creator that He aid you in bringing peace on earth once again. Respectfully, Christian Collegians Praying for Peace."

THIS MESSAGE, WITH ACCOMPANYING REMARKS, is being placed in the Congressional Record.

HILL COUNTRY ANGUS BULL SALE TO BE HELD NOV. 1

The Hill Country Angus Association Bull Sale will be held Saturday, Nov. 1, at the Gillespie Livestock Auction Co. at Fredericksburg. The sale barn is located off the San Antonio Highway. Judging of sale animals will begin at 9 a.m. and the sale will start at 1 p.m.

Ninety-four bulls will be sold, including 42 which were selected from an offering of 500 bulls for the production gain program. These animals were weighed and fed together in a large pen on a high roughage ration formulated by Texas A&M University for 140 days. Hence, each bull was on his own merits from the start.

There will be half brothers or closer kin to the San Antonio 1969 Grand Champion Steer; one-fourth brothers to the State Fair 1968 Reserve Champion steer, and half brothers to the 1969 West Texas Fair Grand Champion Bull. Other top blood lines are included in the offering.

Nineteen of the bulls are sons of one of the first certified meat sires in the state, and over 80 per cent of the animals offered have certified performance records on a 140 day gain test.

Everyone will have an opportunity to judge the cattle before the sale.

Further information and catalogs may be obtained from the Texas Angus Association, 104 Livestock Exchange Building, Fort Worth; or from George Garretson, president, Hill Country Angus Assn., Box 422, Fredericksburg; or from Audrey Schuch, at Box 431, Fredericksburg.

They also witnessed the moratorium in Bryant Park when Sen. Eugene McCarthy was one of many speakers. They reported that New York went wild Thursday when the Mets won the series and said that people left their offices and homes and danced in the streets on top of their cars. Fifth Ave. was ankle deep in ticker tape and paper thrown from buildings, they said.

Homecoming Activities Set Saturday

Continued from Page 1

Norma Pruitt will accompany at the piano for all three selections. Martin Lee will introduce the speaker. After Smith's speech recognition will be given to the oldest Bronte High School graduate and the one who came the longest distance. Last item on the program will be a business meeting.

Dinner Deadline Friday

Mrs. Royce Fancher, president of the Bronte Ex-Students Association, said this week that noon Friday is positively the deadline for making reservations for the dinner which will be held at 5:30 p.m. in the old gymnasium. She urged local residents who plan to attend the dinner to make their reservations before that time. The meal will be catered and the number to be fed will have to be determined so she can call the caterer at 12. She said tickets which have been reserved may be picked up before the dinner at a desk near the entrance to the gym.

Football Next

Following the dinner, at 7:30 p.m., the Bronte Longhorns will tangle with the Jim Ned Indians in the first District 7-B game for both teams. More details about the game can be found in another story in this week's Enterprise.

A full slate of halftime activities is in store for those who attend the game. Queens will be

crowned and members of the 1959 Bronte Longhorns football team will be honored. A story about that team appears elsewhere in this newspaper.

Cynthia Robinson, daughter of Mr. and Mrs. Roy Robinson, will be crowned Homecoming Queen, while Dee Ann Percifull will be honored as Football Sweetheart. She is the daughter of Mr. and Mrs. Wayman Percifull. Donna Sowell, daughter of Mr. and Mrs. Roland R. Sowell, will be crowned Band Sweetheart.

Officers of Bronte Ex-Student Association for this year include Mrs. Fancher, president; Billy Joe Luckett, first vice president; Martin Lee, second vice president; Mrs. Tom Luttrell, secretary; Mrs. Jerry Parker, treasurer.

A committee, headed by Mrs. Marvin Landers, has put in a great deal of time and work in compiling a mailing list of ex-students.
