## Homecoming 'the Greatest'

**BEST FLOAT** — The float made by the FHA and FFA Chapters of Bronte High School was judged best in the parade.

Riding the winning float are Willie Zuniga, FHA Beau, and Susan Cumble, FFA Sweetheart.

### Lone Star Gas Asks Rate Raise in Bronte

Lone Star Gas has asked the City of Bronte to increase local residential and commercial natural gas rates. The company's request says it was made "to enable the company to earn a rea-

sonable rate of return on the fair value of properties used in rendering public service in the city.

The application for rate increase, the first major request since 1953 based on an income deficiency in the Bronte distribution system, listed increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rates on borrowed money and increased taxes as primary reasons for the deficiency.

The company said it had used every means available to avoid a request for rate increase, but "inflationary pressures not under the company's control necessitated the application.

"Obviously our wish to keep gas rates low must be balanced with the economic pressures we face," R. E. Day, regional manager of the Bronte operation, said. "These pressures can no longer be offset in any other way," he added.

Approval of the company's application would increase the average monthly residential gas bill by approximately \$1.58.

Lone Star Gas serves approximately 370 customers in Bronte.

The request probably will be considered at the next meeting of the city council on Nov. 6.

### AD-LIB-BEN

The homecoming was great. One of the largest crowds we have seen in Bronte was on hand for the festivities and everything went off like clockwork. Some very capable persons were in charge of various facets of the program, so the smooth performance really was no surprise.

Mrs. Jack Belcher of Odessa, the former Savannah Ruth Caperton left word with us that she would like to thank everyone who worked for the success of the homecoming. She said she could speak for herself and a great many other exes, in saying she had a wonderful time and enjoyed every minute of the activities.

A worthy cause is coming up next week when Bronte firemen have a light bulb and pepper sale.

**BAND SWEETHEART**-Donna Sowell had Kenneth Stroebel to do the honors for her when she was crowned Band Sweetheart.

Her flower bearer was Kathy Ensor and crown bearer was Donnie Jackson.

Nothing but praise has been heard about the 1969 homecoming which was held here Saturday. Dozens of comments indicated that both local residents and visitors were more than pleased with every phase of the gathering.

A large crowd was on hand for the parade Saturday afternoon which was led by the large Bronte

Longhorn Band and flag bearers from the local Boy Scout Troop.

The floats were beautiful and impressed the many viewers who lined Highway 277 and Main Street. Noah Pruitt Jr. was in charge of the parade. Floats were entered by all four of the high school classes, the FHA and FFA, the Lions Clubs, '69 Study Club

and Sorosis Study Club.

Other contingents of the parade included members of the Bronte Riding Club and dozens of youngsters on bicycles. Justice of the Peace Pete Nutter rode a donkey while wearing a stovepipe hat, following a sign which said "Here come da judge." His sponsors were Cactus Cafe and First National Bank. Band Sweetheart Donna Sowell, Football Sweetheart Dee Ann Percifull and Homecoming Queen Cynthia Robinson all were in the parade, as well as the Bronte cheerleaders and twirlers. Margarets Flowers & Gifts also had a float.

First place was awarded the float made by the FFA and FHA and runnerup was the junior class float.

After the parade, at 3:30 p.m., a program was held in the school auditorium. The Rev. Johnny Smith, Bronte ex and associate secretary of church stewardship of the Baptist General Convention of Texas, was principal speaker. Musical selections were given by Kathy Kiker, Dee Ann Percifull, Melissa Lee and Susan Cumble, with Norma Pruitt accompanying them at the piano.

Mrs. Royce Fancher, president of the Ex-Students Association, recognized three members of the class of 1915 as the oldest graduates present: Mrs. Emma Gene Jackson of Amarillo, Marvin Prewitz of Lubbock and Mrs. Willie Mae Glenn of Bronte.

Coming from the greatest distance to the Homecoming were Mr. and Mrs. Tim Magee of Bakersfield, Calif. Others who tra-

### Horns to Meet Lorraine Friday

The Bronte Longhorns will play their first out of town district game Friday night when they travel to Lorraine for a tilt with the Bulldogs. The Horns are feeling pretty good this week after their 39-6 win Saturday night over Jim Ned. The Bulldogs also had a win last weekend, slipping by Trent with a 6-0 score.

Last week's games gave both teams a 1-0 in district play, but the local lads have a considerably better season record than the Bulldogs. With a 5-1 for the season compared to Lorraine's 2-3-1, the Longhorns have scored 156 points to their opponents' 53. During their 1969 season so far the Bulldogs have scored 110 points while their opposition has racked up 213.

Game time is 7:30 p.m.

#### Last Week's Results

In addition to the big 39-6 win of Bronte over Jim Ned, District 7-B teams fared as follows last weekend: Forsan barely outdistanced Hawley, 13-12, and Lorraine downed Trent 6-0.

#### This Week's Games

Bronte will play at Lorraine, Jim Ned will go to Hawley, and Forsan will travel to Trent.

### Firemen to Have Pepper, Bulb Sale

Members of Bronte Volunteer Fire Department will have a black pepper and light bulb sale next Wednesday, Nov. 5. The firemen will begin their canvass of the town at 5:30 p.m.

They urged everyone who wishes to patronize them to leave his porch light on.

The firemen use the money derived from sales of this kind to further their program of providing fire protection for residents of Bronte and the surrounding area.

### Band to Perform Saturday in Angelo

The Bronte Longhorn Band has a busy week ahead with an invitation to participate in activities at Angelo State University Saturday and a University Interscholastic League marching contest next Wednesday in Abilene. Band Director Louis Thornton will be in charge of both outings.

The 70-member Longhorn Band is the only Class B school group to receive an invitation to the activities in San Angelo. Awards will be presented, including a trophy and a \$100 award plus a \$100 scholarship for a senior band member.

The band will leave Bronte about 8:30 a.m. and participate in a downtown parade at 10. The members will be guests at the Angelo State - Tarleton football game in the afternoon and will participate in halftime activities, along with the 12 other bands which will be on hand.

The band will go to Abilene next Wednesday for the marching contest at 10:30 a.m. in Rose Park Stadium, located at South Eighth and Barrow Streets. Twirlers Brendi Glascock, Susan Cumble and Sallie Richards will perform at 9:30 a.m. Anyone who wants to go to Abilene to witness the performance is welcome, Director Thornton said.

**Sparkling Glassware**

Daily care can give glassware a brilliant, sparkling look. This includes pre-washing, proper washing and adequate storage.

Two main rules for proper washing are: handle gently and wash immediately after use.

Glasses that held milk, tea or coffee should be rinsed soon after use since these often leave rings which are difficult to remove by normal washing. Remove stains, such as lipstick, with a paper towel before washing.

For easier cleaning, scrape and rinse away all loose food.

Soak glass cookware with burned-on food: cold water for utensils with egg or starchy mixtures and hot water for other foods. A little detergent helps loosen the food.

Wash glassware with mild soap or detergent and hot water. Glass has more sparkle after drying if detergent is used.

A few drops of ammonia or bluing in the wash water adds luster to glassware.

Do not suddenly douse glasses in hot water if they have held iced drinks. Sudden temperature changes break some glasses.

Handle stemware carefully; hold by the base of the bowl, not the stem.

Rinse in extremely hot water for sparkle. For a high polish, dry with a lint free absorbent towel.

For proper storage, line shelves with felt, rubber mats or paper to cushion glasses. Store with rims up. Do not crowd or stack.

**New Footwear Fabric**

Dorzan footwear and accessory material adds a new fashion look plus easy care and long life to shoes, handbags, luggage, golf bags, belts and small personal goods.

The new material can look dainty, glittery, shimmery, straw-like, multi-colored in an endless number of woven patterns and effects.

Dorzan is made of nylon in a variety of weaves. It is light weight, moisture and scuff resistant and easy to care for.

It lets shoe uppers breathe; air and moisture pass through. It will not crack or absorb water as will some woven materials.

An occasional sponging with warm water and detergent will remove dirt from Dorzan. Household spot remover will remove stubborn stains. And the luster and color remain because they are built into the material.

Shoes with Dorzan uppers have been worn for two years with excellent shape retention.

**Market Report**

Some of the better meat buys for food shoppers are in beef, now that prices are down from the highs of about six weeks ago.

The best bargains are in fore-quarter cuts. Chuck roasts and boneless pot roasts are especially attractive.

If the home menu is to feature pork, prices for loins have leveled off during the past few weeks. Boston butt roasts are good economy choices. Other good pork values are shoulder steaks, end-cut loin roasts, chops and picnics.

Poultry counters continue to be well stocked, with all items carrying attractive price tags.

In the fresh fruit and vegetable department, there are good supplies of apples, bananas, grapes, avocados, oranges, cabbage, eggplant, cauliflower cooking greens, celery, green onions, radishes, dry yellow onions, sweet potatoes and red and Russett potatoes.

# Horns Down Jim Ned In Homecoming Game, 39-6

A packed stadium of Bronte Longhorn fans and homecomers enjoyed a real crowd-pleaser Saturday night when the Jim Ned Indians visited here in the first District 7-B competition of the season for the two teams. The Horns did just about everything right and when the final minutes ticked by, the scoreboard read 39-6 in their favor. The game was pretty well nailed down before the half and with the teams playing after the clock ran out, Nicky Arrott intercepted an Indian pass and ran almost the length of the football field. The spectacular interception and run gave the Horns a 25-0 lead at halftime. Exceptionally fine passing by Keith McCutchen and receiving by Randy Barbee added real balance to the Longhorn attack and helped make the win possible.

Statistics showed that the Indians outdid the Horns on the ground but the Bronte defense came through in the clinches and held the visitors to only one TD. The passing situation was a different story, with Bronte dominating that side of the game.

### First Quarter

The game didn't start off too well, as Bronte received the kickoff and ran only one play before Terry Vaughn intercepted a Longhorn pass and was downed on the 50. The Indians, with Vaughn, Teddy Herron and Rex Miller doing the ball carrying went for a 1st on the Bronte 40, then moved on to the 29 for another. On the third play of the next series, however, a fumble was recovered by Roger Graves and Bronte took over.

Arrott carried twice and an incomplete pass brought up a 4th and 8 situation, so Barbee punted to the 32 with no return. Likewise, Jim Ned was unable to make 10 yards, so Miller punted and it went out on the Longhorn 43 yard line.

The Horns started grinding, with McCutchen keeping for 3 and Arrott making 2 more. A penalty against the Indians added 5 more and McCutchen sneaked the ball the short distance needed for a 1st down. A pass to Bobby Skelton was good for 11 yards and a 1st on the 34. Arrott then went for 4 and a pass to Barbee was good for a 1st down on the 12. Arrott knocked off 8 more yards and Barbee added 1. McCutchen backed up to pass, couldn't find a receiver, so he just ran it over for the first counter of the night. Willie Zuniga kicked the EP and the score was 7-0.

Zuniga's kick went to Herron who was pulled down on the 28 by

Roger Graves and Danny Parker. With the help of a 5 yard fine against the Longhorns, the Indians made a 1st on their 46 and with Vaughn doing most of the ball carrying moved up to the Bronte 43 for another 1st.

### Second Quarter

The hopes of the Indians were short lived, for after they moved on down to the Bronte 32, a fumble was recovered for the Horns by Barbee.

McCutchen went to the air for most of the gains on the march down field. He completed good gainers to Zuniga, Barbee and Arrott and moved the ball down to the 2 yard line, making three 1st downs in the process. Working from around the 2 yard line, a pitchout went to Arrott who outran his pursuers as he went around the left end for another TD. A pass to Barbee for the extras was good but was called back and the next try failed, leaving the score at 13-0.

Zuniga kicked the ball and Herron brought it up to the 25. The hapless Indians were out of luck again, as on the first play from scrimmage, Donnie Thompson did a beautiful job of intercepting a pass and it looked as if he would go all the way, but a Jim Ned defender finally pulled him down on the Indian 6 yard line to bring up a 1st and goal.

Arrott tried a run but got nailed for a 6 yard loss. This was followed by an incomplete pass and a second pass, this time to Thompson in the end zone, was good for a touchdown. It wasn't the right time, however, for the ball was called back and the Horns were penalized 5 yards, bringing up a 3rd and 17 situation. On the next try, McCutchen and Barbee connected beautifully for the third counter of the game. Try for extra points failed and the scoreboard read 19-0.

Zuniga kicked off and Jim Ned took over on their 30. Vaughn and Herron made a 1st on the 44, then Miller carried twice for 8, with Vaughn going the remaining distance for another 1st on the Bronte 45. A loss of 8 yards was followed by a pass interception by Barbee to give the Horns the ball on their 43. McCutchen threw two incomplete passes, then Jim Ned Quarterback Stanley Egger returned the favor and intercepted a long pass to give the Indians possession on the 10. Herron and Vaughn took turns toting the ball and moved it to the Bronte 40, making three 1st downs. It was from the 40 that Egger tossed the ball to Vaughn who drew back and let go a long pass just as the first half was ending. It went incomplete but pass interference was called against the Longhorns and another play was necessary after time ran out. Accepting the penalty proved a big mistake, as the Indians threw a pass in a final effort to get on the scoreboard. The floating ball was intercepted by Arrott who went 90 yards for another Longhorn counter. A pass try was no good and the score was 25-0 at halftime.

### Third Quarter

Zuniga's kick went to Herron who was pulled down on the 24. The next play was rather unusual in that the Indians centered the ball to Vaughn without benefit of huddle, took the Horns by surprise, going all the way to the Longhorn 30 before he was tackled. The razzle dazzle did set up the only TD of the night for the visitors. A personal foul penalty against Bronte gave the Indians a 1st and 10 on the 15, and Herron made most of the yardage

down to the 3 for another 1st. The defense tightened and the first two downs netted little or no gain. However on the third try Vaughn went through the middle into the end zone for the counter. Skelton broke up a pass try for extras and the score was 25-6.

Skelton took the kickoff and ran it out to the 37. Arrott picked up 11 yards in two carries for a 1st on the 48. McCutchen kept for another 1st on the Indian 37, a 15 yard gain. The next play saw an Indian recovery of a Bronte fumble on the 36. The visitors couldn't make the needed 10 yards and a punt went out on the Bronte 45. McCutchen kept the ball to gain 3, then passed to Barbee for 10 more and a 1st on the Indian 42. McCutchen pitched out to Arrott who got behind some excellent blocking to go all the way for another touchdown. A pass try for PAT was no good and the Horns were out in the lead, 31-6.

The Indians put the ball in play on the 38 and with the help of a major penalty against Bronte moved the ball to the Bronte 38. From that point a pass was intercepted by Thompson to give Bronte the ball on the 45. The Horns faced a 4th and 3 situation at the end of the third period.

### Fourth Quarter

A punt was called for and Barbee booted it out on the Indian 16. The lads from Jim Ned made one 1st but stalled on the 2nd series and had to kick. Arrott took it and ran back to the Bronte 48, but a clip was called and the ball was moved back to the 23. A pass went to Zuniga for 3 yards and a short toss to Arrott, followed by some nice running took the ball to the Indian 46. Once again a flag was down to bring up a 3rd and 9. A short pass was sent to Jerry Graves who ran it to the 48 for a 1st down. McCutchen went to the Indian 40 and a penalty against the visitors moved it to the 25 for a 1st down. The next play was a long pass to Barbee in the end zone. Another pass to Arrott for extras made the scoreboard read 39-6.

This tally completed scoring for the night, and both teams had possession of the ball twice before the final whistle sounded.

Game notes indicate outstanding defense work by just about everybody on the team, including David Scott, Bobby Skelton, Randy Barbee, Danny Parker, James Vaughn, Roger Graves, Dana Sowell, Donnie Thompson, Nicky Arrott, Willie Zuniga, Jake Golsen and Keith McCutchen.

## ★ Star ★ Winners

Coach Cecil Toliver said this week he had so many fine performances Saturday night it was difficult to make star awards for back and lineman of the week. The coach said, after much careful study and evaluation, Nicky Arrott nosed out Randy Barbee for the back of the week award. Likewise, Dana Sowell barely beat out Danny Copper and Donny Thompson for the linemen of the week star.

Stars were awarded to three Longhorns for outstanding defensive play in the game with Jim Ned. They were Cooper, Thompson and Bobby Skelton. Pass interception stars went to Arrott, Thompson (2) and Barbee. Fumble recovery stars went to Roger Graves and Barbee, and Thompson was awarded another star for creating a fumble.

### Coke Committee Receives Honor

WACO — Coke was one of 39 of Texas' 254 County Historical Survey Committees who were named recipients of the Distinguished Service Award for 1969 at the annual meeting of the Texas State Historical Survey Committee, held in Waco Oct. 24-25.

Charles R. Woodburn, president of the Survey Committee, remarked that these awards are given to County Committees which have consistently presented a high-level program in each of the five phases of Committee activity: in the recording, appreciation, marking, preservation, and surveying of Texas history.

Among the rigorous requirements for DSA are that the County Survey Committee:

—Sponsor at least four official markers or spend at least \$600 on markers during the year.

—Present at least six programs to civic groups on the various aspects of Survey Committee work.

—Sponsor or help plan at least three tours of local historic sites.

—Publish an historical pamphlet, brochure, map, or place mat.

—Sponsor at least one history appreciation observance.

—Make significant progress in the organization of an historical museum, the restoration of an old structure, the compilation of written or living history, or the establishment of an archives.

Mrs. Bryan Yarbrough of Robert Lee is chairman of the Coke Committee.

AUSTIN, Tex. — A new 50-member governor's committee has launched an historic effort to improve relations among Texas ethnic and racial groups.

Gov. Preston Smith sailed on Governor's Committee on Human Relations at its initial meeting last week to document the problem of discrimination "warts and all" and recommend a solution.

Secretary of State Martin Dies Jr. of Lufkin is chairman of widely-representative panel, that includes whites, blacks and Mexican-Americans and a diverse economic cross-section. Former Secretary of State Roy Barnera of

San Antonio was named vice chairman and Mrs. M. J. Anderson of Austin, secretary.

"Racial blindness and intolerance in state government, local government, private industry and business and in every other place in which people come in contact with people must be overcome," Smith told the Committee. "Human relations problems do exist in Texas. That is why this committee is necessary."

Smith pledged "any reasonable step" to help bring about "real and measurable improvements," and he called on all state agencies to "re-examine their employment practices, with a view to this worthy end."

Governor identified as obvious problem areas education, housing, employment, administration of justice, public facilities and services and consumer protection. Special sub-committees will be set up in most of these categories to begin study and investigation soon.

NEW STATE PARK AUTHORIZED — A sales contract was signed last week for a scenic new

Parks and Wildlife Commission agreed to pay \$200 an acre — \$955,000 — for land it once was offered free by Mr. and Mrs. C. A. Wheatley of San Antonio. Legislature in 1963 did not provide \$250,000, which the Wheatleys specified should be spent for development of the beautiful area, and state lost title to land.

Money for development now will come from the \$75 million parks bond issue and federal aid. Park is the second financed under the bond program. First was Dinosaur Valley in Somerville County. New area probably won't be open for a year, PWC indicated.

ATTORNEY GENERAL OPINIONS — In giving notice of meetings of school boards and all other public agencies as required under the open sessions law passed by the 61st Legislature, commissioners courts should itemize agenda topics, Atty. Gen. Crawford Martin has held.

In related opinion, Martin said county clerks may charge "a reasonable fee" to school districts for posting the required notices of their meetings.

In other recent opinions Martin held that:

School districts cannot legally pay more to a teacher who is head of a household than to an identically-qualified teacher who is not. State's basic law against speed-

ing is constitutional.

A judge lacks the power to probate or suspend the automatic suspension of a driver's license following a conviction for driving-while-intoxicated unless the entire judgment of conviction and sentence are probated.

**Barley Diversion Rules Announced**

Minimum diversion for barley in the 1970 feed grain program will be 20 percent of the farm's barley base acreage, Daniel F. Percifull reported. He is chairman of the Coke County Agricultural Stabilization and Conservation ASC Committee. This is the same minimum diversion that was required in the 1969 program.

The 20 percent diversion also will be required of producers of malting barley who participate in the feed grain program, as it was in 1969.

Participants in the 1970 program who substitute wheat for oats-rye will also be required to divert 20 percent of their oats-rye base. In 1969 the diversion requirement was 15 percent.

Percifull said these provisions of the 1970 feed grain program were being announced now to aid producers of winter barley in their farm planning. Other provisions of the 1970 feed grain program, relating to corn, grain sorghum, and barley, will be announced soon.
