Trent Due Here For Friday Game

The Bronte Longhorns expect to trip merrily on their way to the District 7-B championship Friday night when they host the Trent Gorillas. The Longhorns apparently have district sewed up after

AD-LIB-BEN

We believe the mayor has come close to 100 per cent accuracy in his judgement which prompted him to send the following telegram this week:

To the President of the United States of America:

The citizens of Bronte, Texas, support your stand and position as stated in your Nov. 3 speech, to bring the war to an end through a just and honorable peace.

(Signed) M. Royce Lee Mayor

We would like to be counted as one who appreciates the mayor's sending the message to President Nixon, for we feel it does reflect the belief of a vast majority of Bronte area residents.

The President in his recent speech mentioned the "silent majority" of Americans who are behind him. We think, also, he was correct in his estimate that his backers on this issue are in the majority.

The big question in our mind is: Why must we be silent? Surely we have as much to gain by making our thoughts and opinions known as do those who are planning another protest for Saturday. Why can't we do our part to take some of the edge off the actions of the loud-mouthed minority?

We are not against orderly protests, but we are against allowing the protestors to hog the whole show. We ought to do something to show our support, as they plan to do something to show their opposition.

It would certainly be a good show of our feeling if every business house (and residences too) would fly the colors of the United States Saturday. We have checked with a dealer in San Angelo and he has a good supply of flags on hand, and they are available at a very nominal price.

If enough Bronte citizens would like to have a flag to fly Saturday, we would be happy to volunteer to go to San Angelo Friday morning and pick them up. This would give everybody time enough to get brackets put up and have the flags ready to wave Saturday morning.

Anyone who is interested is invited to call us Thursday afternoon or night, or early Friday morning.

Don't you think it's a good idea?

Had you ever thought that more diets begin in dress shops than in doctors' offices?

last week's win over Forsan with a 33-0 score. In addition to this Friday's game, the Horns have one more home game with Hawley to finish out the season play.

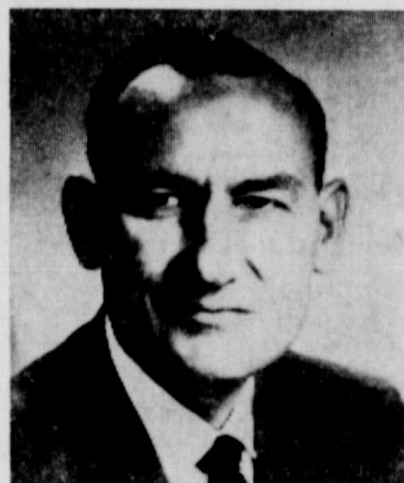

A vast difference in season records is apparent when one compares Bronte's 7-1 with Trent's 1-7. The district won-lost for the Longhorns is 3-0 while the Gorillas have a 0-3. In scoring Bronte has made 238 points to their opponents' 53, while the Gorillas have scored 93 while their opponents were making 229. Eldorado, Wall and Jim Ned are the only teams which have scored against the Longhorns.

Last Week's Results

The Longhorns topped the Forsan lads, 33-0; Jim Ned smothered Loraine, 55-0 and Hawley whipped Trent, 31-14.

This Week's Schedule

In addition to the visit to Bronte by the Trent Gorillas, District 7-B play will find Jim Ned at Forsan and Loraine at Hawley.

Thomas J. Kennedy

Runnels Baptist Group To Hear Missionary

Runnels Baptist Association will meet Monday at Seventh Street Baptist Church in Ballinger. A group from First Baptist Church in Bronte will attend.

The Rev. Thomas J. Kennedy, a missionary working with the Southern Baptist Convention, will be the main speaker at the program scheduled for 7:15 p.m.

A WMU and board meeting will be held at 5:30 and supper will be served at 6:30 pm.

Services Held for Mrs. Irene Morrow

Funeral services were held Monday at 2 p.m. in First United Methodist Church in Bronte for Mrs. J. J. Morrow, 84. A Coke County pioneer, Mrs. Morrow died a few minutes after midnight Sunday at the West Coke County Nursing Home in Robert Lee, after a long illness.

Officiating at the funeral was the Methodist pastor, the Rev. Fred Brown, and assisting was the Rev. Wayne Stout. Burial was in the Old Fort Chadbourne Cemetery under direction of Newby Funeral Home.

Mrs. Morrow was born Irene Clift on Feb. 5, 1885, in Soddy, Tenn., and came to Coke County in 1900. She was married to J. J. Morrow in 1914 in Robert Lee. Mr. Morrow died April 1,

1958. The couple lived in Robert Lee until 1915, when they moved to her father's home, the William Clift place, seven miles north of Bronte. They ranched there until Mr. Morrow's death, and Mrs. Morrow continued to live there until she required nursing care.

Mrs. Morrow was a member of the Presbyterian Church.

Survivors include a daughter, Mrs. H. A. (Willie) Woodward of Sinton; two sisters, Mrs. J. Madera of Robert Lee and Mrs. Inez Cobb of Brady; five grandchildren and six great grandchildren. Two sons, Jacob Bruce and Dean Morrow, preceded her in death.

Pallbearers were Jesse Parker, Floyd Fancher, Charlie Boecking, Conda Richards, Royce Lee, and Jerry Lawhon, all of Bronte, and W. D. McDonald and Glendon Westbrook, both of San Angelo.

Mullis Named Nightwatchman

Perry Mullis of Robert Lee was employed as temporary nightwatchman by Bronte city council at a meeting held last Thursday night. He will fill in Hiram Brooks' job while Brock is hospitalized.

Ken Russ of San Angelo and Clifford Daniel of Miles, employees of Lone Star Gas Co., met with the council in regard to the company's request for a rate raise in Bronte. The council deferred any action on the matter and decided further study is needed.

A public hearing was set up for Dec. 4 at 7 p.m. when the public will be invited to attend a discussion of the gas rate raise.

Douglas McCutchen of Texas Tech in Lubbock was home for a weekend visit with his parents, Mr. and Mrs. C. M. McCutchen.

The Bronte Longhorn Band received a Division II rating at the University Interscholastic League marching contest held Wednesday in Abilene. A Division II rating is equivalent of excellent.

Susan Cumble received a Division I, or superior, rating for her twirling solo performance,

which is the highest rating given. Sallie Richards and Brendi Glascock both received Division II ratings for their twirling solo performances.

Band Director Louis Thornton said he was well pleased with the band's performance, adding "it was a good contest."

The Bronte band was the largest among the Class B school entries and was composed of 65 members attending the contest.

Other Class B schools entered were Jim Ned, Rochester and Jayton.

The next UIL contest for the band will be solo and ensemble competition and is scheduled for some time in March.

Services Held for Mrs. Lucy Bivins

Funeral services for Mrs. Lucy Lowry Bivins, 59 of Iraan were held at 11 a.m. Monday in the First Baptist Church there. Burial was at 4 p.m. in the Fairview cemetery at Bronte.

The Rev. Odis O. Carruth, pastor, officiated at the services.

Mrs. Bivins died at 5 a.m. Friday at the home of her sister-in-law, Mrs. Robert Lowry after a long illness.

She was born Nov. 10, 1909 in Blair, Okla. She lived in Bronte from the time she was one year of age until her marriage in 1942 to George Bivins in Iraan. She was a past Matron of the Eastern Star at Iraan.

Survivors include her husband; a daughter, Mrs. Nelda Walls of San Marcos; a son, Jerry Bivins of Gonzales; five sisters, Mrs. Charlie Keeney of Bronte; Mrs. Cecil Shults of Rising Star; Mrs. Vetal Flores of San Angelo, Mrs. Vess Sandusky of Bromide, Okla. and Mrs. James Conger of Fort Stockton; and four grandchildren.

Final Shorthorn Game Cancelled

What was to have been the final game of the season for the Bronte Shorthorns was called off this week. The junior lads were scheduled to play the Wall team Thursday night but a conflict of activities at Wall prompted the cancellation.

The Shorthorns were especially disappointed because of the cancellation since they suffered their only defeat of the season at the hands of the Wall team.

In addition to their one loss, the Shorthorns finished the season with three wins and one tie.

Tips Given On Christmas Mail

Postmaster Noah Pruitt Jr. urged this week that residents of the area take note of deadlines for Christmas mailing, in order to assure delivery by Dec. 25.

Shopping for overseas gift packages should be completed right away, since deadlines for such mailings are approaching. SAM mail should be in the post office by Nov. 22 and PAL mail should be sent by Nov. 29. Air mail deadline is Dec. 13.

Domestic mail should be sent early in December, with the following deadlines announced:

packages to distant states should be mailed before Dec. 13; cards to distant states should be in the post office by Dec. 10, and local cards should be mailed by Dec. 15.

The postmaster said the Christmas season would be a good time for everybody to get a Zip Code list and use it on all mailings. He also said that any piece of mail should include the sender's return address. Another point brought out is that first class mail is no higher than third class and will speed delivery of Christmas cards.

Arrott Leading In Area Scoring

Nicky Arrott maintained his spot as leading Class B scorer in the area with his single touchdown in the game against Forsan last Friday. Arrott has made a total of 94 points during this season.

Tony Long of Rising Star approached him with his 30 points last Friday, night, but still had only 91 points to his credit, three shy of the high-scoring Longhorn.

The information was released in a story in Thursday's Abilene Reporter News.

Coke Voters Must Register by Jan. 1

Citizens of Coke County are reminded that they must register in the office of Tax Assessor-Collector O. B. Jacobs in order to be eligible to vote in the elections held on or after March 1, 1970.

Everyone who wants to vote in any election which may come up during the voting year after this date must register not later than Jan. 31, 1970. However, the registration period began Oct. 1 and eligible persons may register any time. The only major exception to the requirement for registration is for persons who are absent from the county in active military service.

A prospective voter may request an application by mail or he may appear in person in the assessor's office. Application may be made through the following agents of a voter: husband, wife, father, mother, son or daughter, provided the agent also is a qualified voter in the same county.

MRS. SPENCER HONORED ON 92ND BIRTHDAY

Mrs. Ruth Spencer was honored Sunday, Nov. 2 on her 92nd birthday with a dinner in the home of her son and daughter-in-law, Mr. and Mrs. Garland Spencer.

Also present were her three daughters, Myrtle Morrow of Dallas, Mrs. Leamon Walters and Mr. Walters, Mrs. Joe Walter and Mr. Walter, all of San Angelo.

Also Della Edwards of Dallas, Mr. and Mrs. Richard Spencer and Ricky of Roby, Mrs. Zell Moore, Mrs. Vera Thomas, Ida Lee Parker, Dale Ellis, Emma Fenwick and Rev. and Mrs. Wayne Stout, all of Bronte.

Safety Should Accompany Hunters

One of the biggest armies of hunters in Texas history — some 700,000 — will be in the field this year, and safety should accompany them.

The gun-toting brigade will be in search of game ranging from mourning doves to javelinas on a battleground stretching throughout the length and breadth of Texas.

Many of these hunters won't return from the hunt — victims of their own mistakes or the mistakes of other trigger-happy hunters. Many will die of heart attacks, brought on by strenuous exercise to which their bodies have become unaccustomed during the past year of inactivity. Thousands will come home with head colds and flu, the result of a variety of conditions including wind, rain and cold weather and and over-exposure to the elements.

Thousands of hunters will get away with mistakes, but about a hundred a year don't survive these mental errors.

For example, who would ever

climb an unfamiliar tree in the dark, carrying a loaded gun — except on the first morning of deer season?

Or, who would ever snake his way through a barbed wire fence, wagging a loaded rifle behind him — except during deer season?

Who would ever put a loaded gun in the hands of an untrained teenager, admonish him to be careful and turn him loose in the woods — except during deer season?

When would you ever choose a loaded rifle or shotgun for a companion around the campfire or over a hot cup of coffee — except during deer season?

And, who would put a loaded weapon into a car filled with others — except some careless hunter during a hunt?

Planning preparedness and thoughtfulness would eliminate many unnecessary hunting fatalities. Unloading your rifle before you climb up or down a tree takes only a few seconds, so why gamble a few seconds against your life?

It's playing with pretty high stakes when you carry a loaded weapon through a fence instead of first putting it through the fence — and laying it on the ground — before you go over or through the fence. Never lean a gun against a fence; it might fall and discharge.

Never point a gun at anyone — even if you know it's unloaded. You might forget another time. And when you shoot, be sure of your target. If a youngster wants to hunt, prepare him before you take him out. When you take that coffee break or a meal, unload your gun. A loaded gun is a dangerous companion.

Longhorns Stampede Buffaloes, 33-0

The Bronte Longhorns had little difficulty handling the Buffaloes of Forsan in a District 7-B football game Friday night at Forsan. The Horns finished the game on the long end of a 33-0 score. The first counter for the local lads came on a 68 yard run by Randy Barbee and then Barbee went over right tackle on a 2 yard plunge for the second TD. The third counter came in the second period on a 15 yard pass from Keith McCutchen to Willie Zuniga. Nicky Arrott went over tackle from the 2 for the next touchdown early in the third quarter. Scoring was completed in the third period on a 10 yard pass from McCutchen to Dennie Thompson. Zuniga kicked 3 extra points to account for the 33 on the scoreboard.

First Quarter

Zuniga kicked off to Forsan to start the ball game with Leon Hobbs getting a nice runback to the 42. The Buffs pushed for a 1st on the Bronte 45, then another on the 33. They advanced to the Bronte 26 before a loss of 4 gave the ball to the Longhorns on their 30.

Arrott carried first time the Bronte team had the ball, then Barbee was called on to give it a try. The big Bronte back fought his way through the Forsan defense into the clear and went the 68 yards to the double stripe, without having a Buffalo touch him for the last 50 yards. Zuniga kicked the extra and the score was 7-0.

Forsan put the ball in play on the 20 after Zuniga's kick went into the end zone. Hobbs moved for a 1st on the 30, then Bobby Davis made three tries but came out with a 4th and 11. Darrow Cobb punted to Arrott who made a good return, but was stacked on the Forsan 40. Arrott went for a couple of yards, then added 18 more for a 1st on the 20. Barbee went to the 13 with a 7 yard gain and Arrott made it a 1st on the 5. The Buffs held Arrott to 3 yard on his next carry, and it was from the 2 that Barbee went over for his second TD of the night. Zuniga's kick went between the post to make the score 14-0.

Hobbs took Zuniga's kick and was pulled down on his 25. Davis went a long 9 and Hobbs went the distance needed for a 1st on

the 35. Hobbs added another 3 and Williams on a keeper went to the 47 for the 1st down. Williams, on the keeper, went for 7 in two tries and then tossed an incomplete pass to bring up 4th and 3. Roger Graves blocked the punt and Bronte had the ball on the Forsan 32. Barbee ran for 3 yards to end the quarter.

Second Quarter

McCutchen picked up 3 yards and a long pass intended for Zuniga went incomplete. McCutchen then passed to Arrott who went all the way into the end zone. A flag was on the ground, and the apparent counter was called back for having an ineligible receiver down field. The penalty brought up a 4th and 19 on the 40, so Barbee kicked into the end zone, and Forsan had the ball on the 20.

The next series came up short for the Buffs, so they punted. Four downs later the Horns were in the same shape and had to punt. Taking over on the 20, Davis went for 3 and Whetsel made 7 for a 1st on the 30. The following series of downs was a disaster for the host team, with Cobb having to punt on 4th and 25. Arrott took it back to the Forsan 41.

McCutchen went 12 yards for a 1st on the 29. Barbee made 9 yards and Arrott went 5 more for another 1st on the 15. The next play gave McCutchen a free hand to hit Zuniga in the end zone for another TD, as he was all alone across the double stripe. The running conversion try failed and the Longhorns were ahead 20-0.

The Buffs took over on the 20 yard line following Zuniga's kick into the end zone. They gave up the ball on the Bronte 48 just before the half ended.

Third Quarter

Jerry Graves took the kickoff which opened the second half and ran it back to the Forsan 39. Bobby Skelton went for 4 yards and McCutchen made the 1st on the Buffaloes' 27. Skelton added 2 more and McCutchen added 9 more on two carries for a 1st on the 13. With the help of a penalty, the Horns were faced with a 3rd and 14 when Arrott took the ball down to the 2 for

a 1st down. The next play gave Arrott the ball again and he went over right tackle to another Bronte counter. Zuniga made a good kick and the scoreboard read 27-0.

The kick was taken by Davis who was racked on the 30, but it took only two plays before a Forsan fumble was recovered by Zuniga to give the ball to Bronte at that point.

A pass to Thompson was good for a 1st on the 20, and another to Arrott moved the ball to the 10 for another 1st. Arrott carried for 5 but a delay of the game penalty moved the ball back to make a 3rd and 10. McCutchen then tossed another aerial to Thompson who was in the end zone for the counter. Zuniga's kick was blocked and the score was 33-0.

Once again Davis took Zuniga's kick and once again he was stopped on the 30. The Buffaloes moved the ball well and made 1st downs on their 35, the Bronte 43 and the 33, before James Vaughn recovered a fumble on the 30 to give the ball back to the Horns.

Skelton was in at quarterback and kept for 3 yards, with Reyes and Sanchez going for 2 each. Barbee punted to the Forsan 26 as the third quarter ended.

Fourth Quarter

After three tries, the Forsan lads were faced with a 4th and 12 and had to punt. Arrott took it and was stopped on his 48. The Sanchez and Reyes combination failed to make the 1st and Barbee punted out on the 29.

Whetsel did most of the ball carrying for the Buffs, with some help from Hobbs and Davis. They made 1st downs on their 38, the Bronte 35, 24 and 9. The Buffaloes were in the process of putting on their biggest

threat of the night. Whetsel tried but couldn't go. Davis carried and lost 2, then Williams tried a pass but couldn't find a receiver but picked up the lost 2 yards. Davis carried down to the 1 on the 4th down and there the Longhorn defense held. This last effort spoiled any chance for a Buffalo touchdown and gave the Longhorns the ball, just a yard away from their own goal line.

Arrott moved out a couple of

yards to give a little more running room, and Barbee went 15 yards for a 1st on the 18. A long pass intended for Zuniga went awry, and Arrott carried for a short gain as the final whistle blew.

Game notes show credits for tackles going to McCutchen, Arrott, Cooper, Barbee, Roger Graves, Vaughn, Dana Sowell, Danny Parker, Skelton, David Scott, Zuniga and Thompson.

AUSTIN, Tex. — Prospects of whopping new tax bills may face Texans in 1971, 1973 and 1975 and a critical housing shortage within the next decade is likely.

Texas Research League heard the bad news at its 17th annual meeting here.

James W. McGrew, new Executive Director of the League and one of the state's top fiscal authorities, warned of the coming "decade of tax crises" like that of the 1950's.

McGrew sized up the 1971 tax bill as at least \$270 million and maybe as much as \$400 million. Furthermore, he predicted, a bigger one will be in store two years later and one not quite so big in 1975.

Standby sales tax (now at four and a quarter per cent in many areas) may be near its "political limitation." Implication was clear that new tax trails will have to be blazed.

Gov. Preston Smith said half the state's 2,803,000 housing units are "inadequate or substandard." He requested the League to study the problem and come up with recommendations as to the state's role in the housing field.

Housing shortage may reach "crisis proportions" in two years, Smith told League members. Needs over the next decade, he forecast, will demand \$1.5 billion worth of construction a year in Texas. Within the same period, he said, housing will have to be found for 875,000 new Texas families, and slums and overcrowding must be eliminated.

Greatest prospect for solving problems of slums, contended the governor, lies in "effective programs of governments to assist slum residents in becoming home owners." Public housing and rent supplements, he maintained, "tend to isolate, segregate and spotlight the poor, while providing no long-range changes in their situations."

Smith suggested a statewide building code may be needed and State Housing Authority may be helpful to coordinate efforts of the U. S. Department of Housing and Urban Development with local governmental units.

BALLOT SPOTS PICKED — Proposed constitutional amendment to legalize the sale of liquor

by the drink will be in the second spot on the Nov. 3, 1970, general election ballot.

Here's how drawings for other ballot places by Secretary of State Martin Dies Jr. came out last week:

No. 1 — Provision for removal, censure or retirement of appellate court judges and justices of the peace by a new Judicial Qualifications Commission.

No. 3 — Uniform methods for assessing farm, ranch and forest lands on a capability to produce basis.

No. 4 — Making the State Building Commission a three-member appointive agency.

No. 5 — Authorizing counties to issue road bonds up to a fourth of assessed valuation on vote of taxpayers.

No. 6 — Increasing value of homesteads exempt from froced sale.

No. 7 — Providing for consolidation of local government functions and interagency contracts for performance of governmental services.

COURTS SPEAK — Supreme Court split six to three in upholding the constitutionality of the controversial Saturday-Sunday closing laws. Chief Justice Robert W. Calvert wrote the dissenting opinion, contending that the statute prohibiting the sale of 46 items on consecutive days of weekends should be knocked out.

Traveling Cookies

Cookies travel best when packed well; mailable kinds include soft drop cookies, filled cookies and chewy bar cookies.

Use a strong cardboard box or metal container for mailing cookies.

Cookies with honey and fruit improve flavor with age. Applesauce, molasses, oatmeal and mincemeat cookies are good packers.

Bake bar cookies in foil pie pans and mail them in the pans.

Line the mailing container with aluminum foil and put a cushion of crumpled paper towels or wax paper on the bottom.

Wrap cookies in pairs, back to back, with foil or plastic wrapping to seal in flavor.

Pack snugly in rows with heavy cookies at the bottom. Cover each layer with a cushion of paper towels and top with a thick layer.

Wrap the filled box in foil and heavy brown paper and tie securely.

For recipes for cookies that will pack well see the new Coke County Home Demonstration Cookbook and Christmas Time at Home. The booklets are available from my office for a small charge.

Who Develops Diabetes?

Who develops diabetes? The diabetes control section of the United States Department of Health Education and Welfare answers the question.

Diabetes is most likely to be found in those more than 40 years old, obese, blood relatives of diabetics, mothers who have given birth to babies that weigh nine pounds or more at birth, wo-

men who have shown carbohydrate intolerance during pregnancy, persons with other related chronic diseases and anyone who has demonstrated hyperglycemia on previous testing.

These seven groups are "high risk" people and are in the greatest danger of becoming diabetic.

The disease can be detected in its early stages by a good screening program and diagnosis. A program also can help discover these "high risk" persons before they become diabetics. Your doctor can help!

Save on the Grocery Bill

Cooler weather increases appetites and squeezes the family food budget. Here are some suggestions to help get the most for the food dollar this week.

Pomegranites, tangerines, persimmons and pineapples are now in markets. Texas citrus have debuted and their supplies will increase in the weeks ahead.

Fresh fruit and vegetable items in good supply at the most economical prices include apples, bananas, oranges, Tokay grapes, cranberries, potatoes, turnips, cabbage, carrots, cauliflower, tomatoes, hard shell squash and dry yellow onions.

Grapefruit, avacados and cantaloupes are moderately priced.

The beef market is irregular.

The features are a real value, with an eye on beef specials, comparative shopping can result in real values.

Attractive prices may be found on round steak, blade chuck and standing rib roasts.

Turkeys, 16 pounds and up, are the big protein value. Check the poultry counters for good buys in whole and cut-up fryers and chicken hens.

In most markets, pork is a good value. Featured specials may include bacon, roll sausage, fresh picnic, canned hams and semi-boneless hams.

Impala's hidden persuaders:

① **350-cu.-in. engine**

A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.

⑤ **Inner fenders**

Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.

② **Anti-theft column lock**

A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.

⑥ **Flush and dry**

We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.

③ **Aluminized exhaust system**

It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to.

Fair enough?

④ **Side guard beams**

They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact.

Not too many cars have them.

⑦ **Full Coil suspension**

Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

On the move.

Pentecost to Head Hereford Assn.

Nolan C. Pentecost, Coke County ranchman and Hereford breeder, was re-elected president of the Concho Hereford Association Nov. 2 at their annual membership meeting held at Rio Concho Manor in San Angelo.

Association members also re-elected Dawson Coleman of Miles vice president; Ed S. Hyman, secretary; and X. B. Cox Jr., treasurer.

Two new directors elected were C. T. McClathrey of Bangs and Frank Jordan of Mason. Other directors are W. F. Edmiston of Eldorado; Rollin Campbell of Ballinger; Fred Case of Eldorado and Leland Wallace of Big Spring.

The 80 members of the association and their wives attended a banquet and heard a travelogue description and viewed pictures by Henry Elder, executive-secretary of the Texas Hereford Association at Fort Worth.

Mr. and Mrs. Bobby Clark and girls of Little Rock, Ark., were here for a weekend visit with their parents, Mr. and Mrs. Clifford Clark and Mrs. Willie B. Millikin. Also visiting in the Millikin home were Mr. and Mrs. R. J. Millikin and family of Abilene.

Mr. and Mrs. Wayman Percifull are in Houpsston where their son, Waymon (Pet) Percifull is receiving treatment at Methodist Hospital for burns sustained recently in an explosion at the El Paso Products Co. near Odessa. He is still in serious condition. They were accompanied by the younger Percifulls' daughter, Jacque, who has been staying with them.
