Bronte's Masonic Hall To Be Dedicated Monday

Bronte's newly remodeled and redecorated Masonic Hall will be dedicated Monday night at 7:30 o'clock, when the Grand Master of the Grand Lodge of Texas will be here to participate in the program.

Hal Burnett of Alpine, who heads all Masonic Lodges in the state, is a past Grand Commander, Grand Commandery, Knights Templar; past Grand Patron Grand Chapter of Texas Order of the Eastern Star; Deputy Prior of Texas Priory, Knights York Cross of Honor and a 33rd

degree Mason. He is a rancher.

A short program will begin with the singing of one verse of America. It will be followed by the Pledge of Allegiance; a prayer by the Rev. Austin Master-son, former member of the local lodge and pastor of First United Methodist Church; The Lord's Prayer, sung by Melissa Lee; Battle Hymn of the Republic, sung by Miss Lee and Susan Cumbie; a word of thanks to everyone who has helped in providing the new hall, by H. O. Whitt; and the dedication.

Refreshments will be served by members of the Bronte Chapter, Order of the Eastern Star, and will consist of sandwiches, cookies, coffee and cold drinks.

A great deal of work and money have gone into redoing the building which was the Santa Fe depot here for many years. Paneling was installed over all the lattice work in the building and in the back part which formerly served as a freight room. A gold carpet was laid on the floor of the room, and floor in the front part was painted. A new ceiling was installed throughout the building, and all walls which were not paneled were painted. Officials of the lodge said they were extremely proud of the results of the work which has been done during the last two years.

Bronte Lodge, No. 962, was chartered Dec. 6, 1907. It presently has 89 members. The Masons formerly met in a hall which was located in the upstairs part of First National Bank Building.

Officers of the lodge are Royce Lee, Worshipful Master; E. G. Collins, Senior Warden; Billy Joe Luckett, Junior Warden; Royce Fancher, Treasurer; H. O. Whitt, Secretary; C. R. Blake, Chaplain; Charles Ragsdale, Senior Deacon; Jack Glascock, Junior Deacon; C. E. Clark, Senior Steward; Jesse Parker, Junior Steward; T. O. Spiller, Tiler.

The public is invited to attend the dedication ceremony, as it will be an open meeting.

Santa Fe Railway made the old depot available to the Masons for an annual rent of \$50. Negotiations were carried through by H. O. Whitt, who was Santa Fe agent here for many years.

Services Held Here Saturday For H. M. Stevens

Funeral services for Henry Marvin Stevens, 87, were held Saturday afternoon in First United Methodist Church of Bronte. The pastor, the Rev. Fred Brown, officiated. Burial was in Hayrick Cemetery under direction of Newby Funeral Home.

Mr. Stevens died in West Coke County Hospital Friday afternoon after a long illness.

He was born Sept. 12, 1882, in Milam County and had lived in Coke County 76 years, having come here with his parents at the age of 11. He was a retired rancher. He sold his place and moved into Bronte in 1952.

Survivors include four sisters, Mrs. C. F. Barger of San Angelo, Mrs. J. W. Robbins and Mrs. Will Stephens, both of Rankin, and Mrs. G. A. Sumrall of Brownwood; and several nieces, including Mrs. George Thomas of Bronte.

AD-LIB-BEN

Doug and Davis looked mighty good Saturday night as they played almost the entire game when Texas Tech met the Green Waves of Tulane University.

Davis got in on a number of tackles, knocked down one pass and caught the QB away back one time. He started and was called out for a little talk very few times.

It was reported that he had a six-foot butterfly in his stomach before the game started.

McCutchen was the leading ground gainer for the Raiders, covering 68 yards in 22 carries. We kept hoping he would break loose for one of those long runs like we used to see here, but he had to be content to grind it out a few yards at a time.

Anyway, Tech won the ball game, and it was a real thrill to see the two former Longhorns in their first action in Southwest Conference football.

Rites Held for Caperton Brothers

Two brothers of E. L. Caperton and Mrs. Genie Fort, both of Bronte, have died within the last week. They were Wallace Caperton, 79, of Clyde, and Willie Estel Caperton, 85, of Abilene. Both were former Bronte residents.

Funeral services for Wallace Caperton were held Sunday at First Baptist Church in Clyde, with burial in Clyde Cemetery. He died last Thursday at the home of a friend, suffering an apparent heart attack.

W. E. Caperton died Saturday in Hendrick Hospital, Abilene, after an illness of several weeks. Funeral was Monday in Elliott's Chapel of Memories in Abilene, with burial in Cedar Hill Cemetery.

The brothers were born in Travis County, the sons of the late Mr. and Mrs. Milton G. Caperton. They moved to this area with their parents when they were children.

Wallace Caperton is survived by his wife; two sons and seven daughters. W. E. Caperton is survived by one son. Both are survived by three brothers and three sisters.

The Bronte Longhorns will meet their old rivals the Robert Lee Steers, Friday night in a game at Robert Lee. The traditional game for the Coke County championship will begin at 8 p.m.

A "Spirit Caravan" will travel from Bronte High school to the county capital and everyone is urged to decorate his car with maroon and white crepe paper

Shorthorns Meet Robt. Lee Steers In Season Opener

The Bronte Shorthorns were all set Thursday afternoon for their first contest of the 1970 football season. They were going to Robert Lee to meet their traditional rivals, the Dogies. Game time was 7:30.

Coaches Gerald Sandusky and Bob Shields released a roster of the junior high players this week, as follows:

Chris Ward, E; Alan Barbee, QB; Kevin Gibbs, B; Eliseo Sanchez, B; Marvin Ensor, B; James Versyp, B; Wayne Alexander, B; Paul Cervenka, B; Donald Butler, E; Louis Martinez, B; Wayne Coalson, E; Joe Bob Ragsdale, B; Nelson Coulter, B; Joe Rivera, T; Billy Ren Lee, C; Kit Carlton, C; Jimmy Rivera, T; Timmy Scott, G; Kerwin Denton, G; Mike Gonzales, G; Randy Scott, T; James Brunson, T; Mark Lee, T; Jim Dan Raughton, E; Bobby Bailey, E; David Chapman, B.

Cheerleaders for the junior high outfit are Shalon Cooper, Debbie Capner, Barbara Versyp, Sherrie Coalson and Janie Raughton. Twirlers are Debbie Sowell and Kelly Lawhon.

Next Thursday the Shorthorns will have their first home game. They will host a junior high team from Wall with kickoff time at 6 p.m.

Reserved Seat Tickets on Sale

Reserved seats for Bronte home football games are on sale in the office of Supt. C. B. Barbee. The tickets are good for the four home games and cost \$6.00, which is the same prices as general admission tickets of \$1.50 per game.

Persons who had reserved seats last year will have an opportunity to buy the same seats if they want them.

The reserved seat ticket sale will continue through next Friday, Sept. 25.

and participate in the caravan.

The caravan will include the band bus and cheerleader bus. Those going in the group are requested to gather in front of the school at 6:45 p.m.

Bronte has a long record of wins over the Steers, but did lose to them in 1968.

Both schools opened their 1970 seasons last Friday night, and both lost the opener. Bronte was downed by Forsan, 17-6, and Robert Lee was defeated by Wall, 20-6. So—both the Longhorns and the Steers will be looking hard for their first win of the season.

The two schools have continued sharp rivalry, even though Robert Lee is now a Class A school and they no longer battle in a district contest.

Coach Gerald Sandusky said he hopes there will be a large crowd of fans go to Robert Lee, adding that the Longhorns need all the support they can get.

Services Held for Mrs. Alice C. Holt

Graveside services were held Monday in Fairview Cemetery for Mrs. Alice C. Holt, 69. The services were conducted by the Rev. Harry Morris, pastor of First Baptist Church. Newby Funeral Home was in charge of arrangements.

Mrs. Holt was found dead at her home here about 1 p.m. Sunday.

She was born Dec. 22, 1900, in Taylor and had lived in Bronte for about a year. She was a member of the Baptist Church.

Survivors include one daughter, Mrs. Ted Baalstrine of Milwaukee, Wis.; one son, Weldon Shelton of Santa Ana, Calif.; four sisters, Mrs. Sam Seay of Bronte, Mrs. H. R. Arrant of Abilene, Mrs. M. P. Turner of Wingate and Mrs. U. J. Cope of Miles; two brothers, Bill Landers of Bronte and Arthur Landers of El Centro, Calif.; and five grandchildren.

Progress Made On Nursing Home

Progress is being made toward getting the nursing home of the East Coke County Hospital District off the ground. The site has been secured on the south edge of town and elevation surveys have been made.

Plans have been approved by the State Board of Health and the board is now waiting on final approval before they advertise for bids.

Board Chairman C. R. Blake said things are moving along nicely now, and they hope to have the project underway before too long.

NEW RESIDENTS

Mr. and Mrs. Elroy Chapman have moved to Bronte from Ringwood, Okla. Chapman is employed by Union Texas Petroleum. The Chapmans have three children: David, 13, an eighth grader; Tamara, 11, a sixth grader; and Robbie Jill, 4.

Ivey Showing New Fords in RL

New 1971 editions of Ford and Mercury motor cars will go on display Friday at Ivey Motor Co. in Robert Lee. Cumbie Ivey Jr. said he expects to have about 15 of the new models on hand. He invited everyone in the area to come by and inspect them and enjoy free refreshments.

Ivey said he was extremely proud of this year's new Ford and Mercury line. He especially in-

ited everyone to come and see Ford's new Pinto, the newest and smallest of the Ford line.

Ford's 46 models in six lines for 1971 range from the all-new Pinto and hot selling Maverick in the economy market to the restyled Ford and elegant Thunderbird. And the most completely changed Mustang since this car started it all in 1964 will kindle anew the interest of spor-

ty compact buyers.

"1971 stacks up as nothing short of a vintage hardware year in the auto business," Ivey said. "Our product line-up not only includes a new entry in a new size for us, but exciting changes in Mustang and Ford as well. This significant investment in new design and engineering changes should add momentum

Austin — Just when highway construction in the state is at an all-time high, the Texas Highway Commission has cancelled the regular December lettings of highway contracts.

Commission blames the contract moratorium on the recent holdback of part of Texas' apportionment from the Federal Highway Trust Fund. Action came at a time when, because of favorable weather, highway construction was at its highest.

Contractors were paid \$42.6 million in July for work completed in June and \$46.3 million in August for work completed in July. Payments represented work on 501 contracts in June and 593 contracts in July.

Federal Aid Highway Act of 1968, as approved by Congress, provides that states should receive \$5.4 billion for the 1971 fiscal year from the Highway Trust Fund. Amount allocated, however, was reduced by the Administration, Highway Commission Chairman Dewitt Greer said, to \$4.6 billion nationally and resulted in a reduction of the Texas share from \$275 million to \$210 million—\$65 million less than was expected.

Proceeds in the Federal Highway Trust Fund are derived from special taxes levied on motor vehicle users. Fund was set up in 1956 to provide a stable source of revenue for the construction

of National System of Interstate and Defense Highways.

Cancellation of the December bid letting is the first since World War II, Greer said. The Commission Chairman said the reduction has come because the condition of the finances of the Federal Government has required that it borrow money from the Federal Highway Trust Fund for government operation even though the trust fund was established for the specific purpose of building the highway system from highway user revenues.

Greer said the "motor vehicle users of this country, who pay these dedicated taxes, have every right to expect the Federal Government return to the highway system these revenues, in accordance with agreements made 14 years ago."

HOSPITAL TROUBLES IN TEXAS — State Rep. R. H. "Dick" Cory and House Speaker Gus Mutscher made a trip to Washington seeking better interpretation of recent Social Security regulations which threaten to close 158 of the state's hospitals.

Most are in rural areas and are having extreme difficulty complying with new regulations such as the one requiring them to have registered nurses on duty around the clock. A Texas nursing shortage of 10,000, plus the difficulty of finding nurses willing to live in smaller communities, contribute to the problem.

Hospitals which do not comply

with the regulations are in danger of having Medicare payments terminated, which would in turn force them to close their doors. Representative Cory, who is chairman of a special Speaker's Committee on Texas Health Care, noted that Texas, because of sparse population in wide areas of the state, has 40 per cent of the nation's Class 7C hospitals.

Another fear of the Committee is that if the small hospitals close their doors many physicians will move away due to lack of hospital facilities.

IMMUNIZATION LEGISLATION UPCOMING — Gov. Preston Smith says he'll ask the 62nd Legislature, which convenes in January, to pass legislation requiring immunization against several communicable diseases before a child may enter Texas schools.

Governor proposes compulsory immunization against measles, polio, whooping cough, tetanus and—in the wake of the epidemic in San Antonio—protection against diphtheria.

Smith said figures available to him for 1968, the latest year for which complete data is available, indicate that Texas has the highest incidence rate in the nation for measles and polio, the second highest for diphtheria and the fourth highest for whooping cough. Tetanus is not an epidemic disease, but a single injection generally immunizes against diphtheria, whooping cough and tetanus.

ATTORNEY GENERAL OPINIONS — A non-profit, charitable organization which conducts a driver training program must be licensed to do so by the Texas Department of Public Safety, says Atty. Gen. Crawford Martin. The exceptions are training or classes conducted by colleges, universities, high schools and junior high schools for regularly enrolled students.

In other recent opinions, Martin concluded that:

* Justice of the Peace is not entitled to collect a fee for actions transferred or dismissed without trial from his court.

* Commissioners Court may authorize travel expenses of an expert witness to appear at an HEW Committee hearing in Washington, D. C., to give evidence of the need of federal funds in certain poverty areas in the county. Commissioners Court may also authorize travel expenses for Chairman of a County Historical Survey Committee necessary to the performance of his duties in that capacity; and Court has power to create a Museum Board to manage a County Museum and pay travel expenses of the board members in carrying out their duties in those capacities.

DRAFT QUOTA DOWN — October draft call for Texas is 674—down from 704 in September, says Col. Charles M. Duncan, acting state Selective Service Director.

October quota for pre-induction physical and mental examinations is 4,285, a decrease from 7,171 in September. Texas' induction quota of 674 is the state's share of a national call for 12,000 men for the Army.

Short Snorts

Dr. David Wade, Commissioner, Texas Department Mental Health and Mental Retardation, predicts that high hospital room rates, not enough doctors and the high cost of advanced medical technology will result in some form of national health insurance within two to five years.

Texas Parks and Wildlife Department warns hunters that it not only is illegal to discharge firearms from public roads, it also is unlawful to use firearms in road rights-of-way.

Last Rites Held For Green Preslar

Funeral services were held at 2 p.m. Wednesday for Green Preslar, 81, Coke County pioneer stock farmer. The last rites were conducted in the First United Methodist Church of Robert Lee, with burial in Sanco Cemetery, under direction of Newby Funeral Home.

Mr. Preslar died at 5:30 p.m. Monday at Clinic-Hospital in San Angelo after an illness of eight days.

Born Dec. 15, 1888, at Carlton in Hamilton County, Mr. Preslar came to Coke County in 1889, the year the county was organized. He was the son of the late Mr. and Mrs. W. R. Preslar. He lived in the Sanco Community most of his life, except for about three years he lived in San Angelo. He was a stock-farmer and moved to Robert Lee about a year ago after selling his farm.

Mr. Preslar was one of the last survivors of 13 children in the pioneer family. He married Buena Alice Gartman at Robert Lee Dec. 25, 1907. They celebrated their golden wedding anniversary in 1957. He was a longtime member of the Methodist Church.

Survivors include his wife; a son, Howard D. Preslar of Borger; two daughters, Mrs. T. K. (Louise) Whiteside of Robert Lee and Mrs. J. B. (Floryne) Evans of Rising Star; seven grandchildren and eight great-grandchildren.

Pallbearers were Nolan Pentecost, Henry Carwile, J. L. Carwile, Otis Campbell, Teddy Pitcock and Douglas Gartman.

FIRST BAPTIST NOTES

A service in Spanish was scheduled for Thursday night at First Baptist Church at 7:30 p.m. Everyone in the community was invited to attend.

DIVERSITY CLUB OPENS NEW YEAR OF ACTIVITY

Members of the Diversity Club met in the home of Mrs. D. K. Glenn last Thursday for their first meeting of the new club year. Hostesses were members of the yearbook committee, Mrs. Leslie Rolls, Mrs. J. W. Martin and Mrs. Glenn.

Mrs. Cecil Kemp, president, in a message emphasized the theme for the year, "Effectiveness Through Commitment."

"To be effective as a club," she said, "each member must participate. Participate by using your time and energy in making our new club year a successful one. We must participate in helping to solve our local, state and national problems. I believe that as a club we have unlimited opportunities to serve our city, state and nation."

"Failure to participate and become effective can be costly. If we fail to use our influence to aid others in forming good basic concepts, it forms a vacuum. It has been said that we all know that service is the rent we pay for the space we occupy," Mrs. Kemp said.

Chicken salad, molded tomato soup salad, pineapple and cottage cheese salad, sandwiches, chips, pickles, cracker tart pie with whipped cream and iced tea were served to guests at foursome tables.

Attending were a guest, Mrs. Ruby Houston of Houston, and members: Mmes. James Allen, F.

P. Brown, W. H. Dismore, Glenn, J. T. Henry, Kemp, H. M. Kirkland, R. C. Lasswell, Martin, O. R. McQueen, Charles Ragsdale, Collins Sayner and Otis Smith.

Forsan Drops Longhorns In 1970 Season Opener

The Bronte Longhorns looked good for a young team last Friday night, even though they did lose the ball game to the Forsan Buffaloes, 17-6. The defense looked especially good and it was a few costly mistakes which gave the long end of the score to the Buffs.

Danny Cooper kicked off to the host team to start the ball game and the line of scrimmage was set at the 31. Jacky Willis was the big ball carrier for Forsan and with some help from James Ditmore and Quarterback Jeff Williams moved the ball for two 1st downs, and then the Buffs bogged down at the Bronte 46 and had to punt. It went out on the 24.

Mike Arrott, Jerry Graves and Bobby Skelton tried their hands at carrying, but wound up about a yard short and a punt was called for. The kick went to Tommy Bromley, who was downed on his 39.

Willis and Williams carried to the 50 for a 1st. A pass in the next series was intercepted by Donnie Thompson on the 35 and he scooted 30 yards to the Buff 35 before being pulled down. Arrott carried for 2, Graves for 5, and a pitch from Skelton to Arrott set up a 1st on the 22.

Skelton tossed an aerial to the 7 but it was incomplete. However, pass interference was called on the Buffs and the Horns had a 1st and goal. Arrott went for 5 yards to the 2, and then Thompson went around left end for pay dirt. Try for extra point failed and the score was 6-0.

Cooper kicked off to Willis and the ball was put on the 45 of Forsan. A couple of plays later Dana Sowell recovered a fumble on his 44 and the Horns took over. Skelton made a nice dash to the Buff 44 for 12 yards and a 1st down. The Buffs tight-

ened up and the Horns quick kicked on 3rd down, giving the ball to Forsan on the 20.

The Buffaloes made a 1st on their 49, and then threw three incomplete passes, thanks to good defending by Eugene Scott, Kim Barrett, Willie Sanchez, Skelton, Cooper and Thompson. A fine punt put the Horns back to their 5 yard line.

The Bronte boys got to rolling but a penalty for clipping put them back in the hole. A pass was intercepted by Steve Yeats on the Longhorn 20. On the next play Williams went around right end for a TD. EP try was no good and the score stood at 6-6.

Thompson took the kick and made a nice runback to the 36. Then Arrott went 14 yards for a 1st on the 50. Skelton made 2 and time caught up with the moving Horns.

SCOTCH TOURNAMENT

A scotch tourney will be held at the local golf course Sunday beginning at 1:30 p.m. All golfers are invited to participate.

Final Rummage Sale Saturday

Final rummage sale of the season will be held Saturday by the Band Boosters Club. The sale will be held from 9 a.m. to 5 p.m. in the building between Carlton's Barber Shop and Lester Webb's Chevron Station.

The Band Boosters have some school desks on sale for \$1 each and lots of other items which are going for 10 cents each. They said they did not want any more items donated, as this sale is being held as a final effort to get rid of what they already have.

Second Half

Arrott was pulled down on the 34 after taking the kickoff. Graves took the 1st down play and broke through for a beautiful gain, but fumbled the ball on the tackle and Forsan recovered on their 36.

The Buffs started a hard driving push against the Longhorn defense and pushed the ball to the 10 yard line, making four 1st downs in the process. Then the Longhorns tightened up and the Buffs were faced with a 4th and 13 on the 13 yard line. Darrow Cobb was called on to try a field goal and it was good, making the score 9-6, Forsan.

The Horns took the kickoff but lost the ball on a pass interception. The Buffs ran three plays and punted out on the Bronte 15 yard line. Then Forsan recovered a Bronte fumble on the 20. The Horn defense held them four times and the ball went over on the 20.

A clipping penalty moved it back to the 10 and the next catastrophe was a pass interception by Vard Griffith who got loose and went all the way to the double stripe. The Buffs ran the extra points and made the score 17-6.

Thompson brought the kickoff out to the 36. Arrott carried three times for a 1st on the 50. Time was growing short and the Horns were unable to make the next 1st down. The ball went over on the Buff 45.

The Buffaloes made a 1st and then had to punt. Bronte took over on their 34 and Skelton was able to get off one play before the final whistle.

In addition to those already mentioned, notes on the game show that good defending was done by Steve Clark, Dana Sowell, Gary Skelton and Lynn Lawhon.

LETTERS TO THE EDITOR

Dear Sir:

I am wondering how the Board of Equalization are chosen.

I have never had the opportunity to vote on a member of the Board of Equalization. Are they appointed by the School Board? If so, or if not, do you allow School Faculty members' wives and/or husbands to assess our taxes?

In my opinion we have a little bit of communist orientated tax structure.

I do not think any person whose spouse is drawing a salary should be allowed to assess our school taxes.

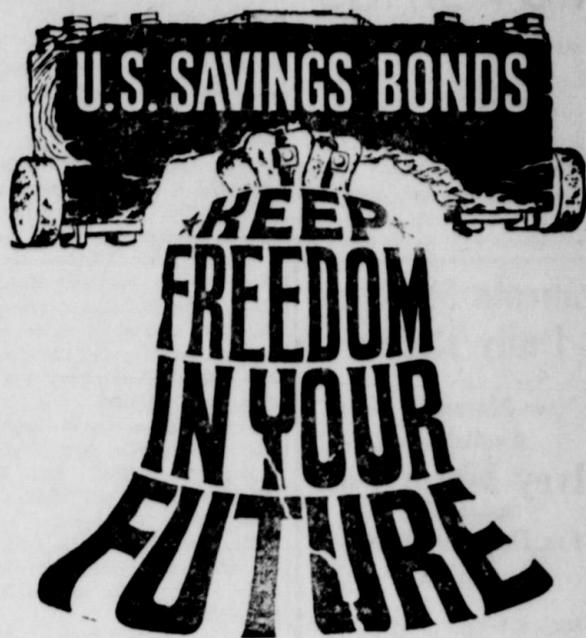

Yours truly,

Mr. Loy Wrinkle

Mrs. Loy Wrinkle

Dear Mr. and Mrs. Wrinkle:

The equalization board is appointed by the board of trustees. It has no function in setting the tax rate or in making a blanket increase in valuations, as was recently done by Bronte School District. These are functions of the school board. The equalization board serves to equalize valuations as they see them, and to try to make each property owner pay his equitable share of the tax load, according to the value of the taxable property he owns. The school board is not allowed to amend decisions made by the equalization board, just as the equalization board has no say in determining the amount of money needed by the school district and the tax rate.—Editor

Food Budget

To be a wise food buyer and have a well fed family — start with a plan and a budget. As the family food buyer, you have a responsibility to yourself, to your family and to other consumers. Wise food shopping begins at home—with a spending plan—a budget. In America, about 18 per cent of a family's spendable income goes for food—so a food plan is important in planning how you spend your money.

A plan must be tailor made to suit your family, its needs, its ways of living and the things it considers important, and its values. The amount you spend on food cannot be determined on how much the Jones spend, or Uncle Henry or an imaginary family. The amount you spend for food varies with your husband's job and if you work outside the home... the number and ages of children and their interests.

Your family's likes and dislikes in food and special food needs. The way your family spends its leisure time, family customs, food storage facilities, the section

of the state you live in, the season of the year it is, the types of stores you shop in. All these things affect food prices and therefore how much you spend for food. That's a lot to consider.

It takes time and effort to be a good money manager. With practice, though, it becomes easier to control your food bill, and to cut down on your food expenses. Here are some cost-cutting pointers: check weekly specials in food store advertisements and keep informed. An alert informed shopper can save \$1 to \$2 out of every \$10 she spends on food. So you can see it pays to watch for specials and to keep informed on new products and services and new legislation and regulations. Prepare a grocery list before you go to the store. Keep non food items such as light bulbs, stationery, kitchen tools and toothpaste off the list. These items can mount up quickly and add 20 per cent to your food bill. Compare costs and buy food in the form that gives the most servings for the money you spend—compare fresh, frozen and canned items. Limit perishable food purchases to amount that can be used while they are in top quality. And prevent food waste by storing them correctly and cooking them to retain nutrients.

Consider family likes and dislikes when food shopping. After all, a 10 pound stack of turnips for a dollar isn't a good buy if your family won't eat turnips. What you do as a food shopper makes a difference—a difference to you and your family, to the manufacturer, to the retailer and ultimately to the economic life of the country.

Each time you buy a product, you cast a vote in favor of it. So you and every other consumer influence the kind and quality of products on the market, the

kind and quality of food advertisements, and kind and amount of protection you have. As a responsible consumer, be informed, report preferences and wants, likes and dislikes; inform proper agencies of dishonesty, fraud and law violations and deal fairly and not abuse services.

And now, with a plan, with information and with awareness on your side, you are on the right aisle to becoming a wise food buyer.

Marker Dedication To Honor Pioneer, Dr. P. D. Coulson

Dedication of a historical marker erected in Sterling County will be held Sunday at 3 p.m. in First Methodist Church of Sterling City. The marker was erected in memory of Dr. P. D. Coulson, Confederate soldier and early day judge in both Sterling and Coke Counties.

Since Sterling County has no active historical survey committee, the Coke County committee asked permission to erect a marker at Dr. Coulson's grave in Montvale Cemetery four miles east of Sterling City.

Following the program in the church, the audience will move to the cemetery where the marker will be unveiled by grandchildren of Dr. Coulson.

Garland Davis, principal of Robert Lee High School and member of the Coke County Historical Survey Committee, will serve as master of ceremonies.

The program will be as follows:

Organ prelude by Mrs. Reynolds Foster; presentation of the flag, Carl Bagwell and Jeff Eubanks, members of Troop 461, Boy Scouts of America; America the Beautiful, led by Mrs. C. E. Arrott, member of Coke County HSC, with Mrs. Foster at the organ; invocation, Ulmer Bird of Sango, member of Coke County HSC; introduction of special guests; history of Dr. Coulson, Mrs. Bryan Yarbrough, chairman of Coke County HSC; Memories of Dr. Coulson, Gerald Allen, president of Robert Lee State Bank and former employee of Dr. Coulson; dedication of marker, Elton T. Mims of Water Valley,

member of Coke County HSC. The remainder of the program will be at the cemetery and will consist of the unveiling of the marker and the benediction.

Funds for the marker were provided by Dr. Coulson's grandchildren.

The inscription reads:

Dr. P. D. Coulson

(October 4, 1839-December 10, 1925)

Born near Morganton, Tenn. He enlisted May 22, 1861, as Private in 3rd Tenn. Inf., Confederate Army. Promoted to Surgeon with rank of Major, 1862, he saw much action—First Manassas, Shiloh, Corinth, Vicksburg, Atlanta, other battles. Was twice wounded.

Came to Texas after Civil War. Served as first County Judge of Sterling County in 1890s. County Judge of Coke County 1907-1910.

Married Etheldra Ann Johnson. Had four sons, four daughters. Recorded—1970.

The public is invited to attend the dedication program.

TEACHERS ATTEND BROWNWOOD MEETING

Five Bronte teachers were among the 195 officers and committeemen who attended the District XV TSTA workshop in Brownwood Monday night. Mrs. Blanche Byrd, president, presided at the general assembly.

Guest speaker for the event was Archie Roberts, president-elect of TSTA. He spoke on the TSTA theme, "Communication... Understanding... Unity." In addition, he discussed briefly House Bill 32 and Constitutional Amendment No. 3.

Following the general session the teachers attended sessions conducted by TSTA representatives from Austin.

Coke County was represented from Bronte by the County TSTA President Louis Thornton, Secretary Mrs. Mary Lawhon, and Committee Chairmen Mrs. Zula Sweeten, Miss Linda Jones and Mrs. Vera Thomas; and from Robert Lee by Vice President Mrs. Thelma Thomas, Treasurer Mrs. Melba Mauldin and Committee Chairmen Jimmy Bickley and Mrs. Virginia Walling.

The 1971 Ford LTD is highlighted by this new front end treatment featuring a forward-thrusting center grille section and dual exposed headlamps. This LTD two-door Brougham includes a new, standard high back bench seat which eliminates the need for separate headrests. Ford's new side impact protection system, flush door handles, concealed windshield wipers and a new two-tiered, coved instrument panel also are standard features of the 1971 Ford.

to recent indications of an upturn in auto sales.

"The action in '71 is bound to be in the small car arena," Ivey said, "and our little Pinto is going to be right in the thick of the battle for this market. Combined with Maverick in both the two-door and new four-door ver-

sion, we've got a one-two small car punch that gives us the strongest entry in the industry in this important market."

New Ford models include the Pinto, Maverick, Torino, Mustang, Ford and Thunderbird.

Ivey also pointed out that for those who want a little more elegance he will have some versions of the new Mercurys on his floor.
