Coke County Fields Produce 4,859,965 Barrels Oil with Value of \$15,596,818

Coke County's petroleum industry produces 4,859,965 barrels of crude oil valued at \$15,596,818 and 18,347,502 thousand cubic feet of natural gas valued at \$2,513,607 for an annual economic value of \$18,110,425.

These figures, just released by the Texas Mid-Continent Oil & Gas Association, show that Coke County ranked 70th among Texas' 254 counties in oil and gas production during 1969.

Texas production which has registered an increase over each previous year during the past decade hit another all time high in 1969 with 1,151,775,000 barrels, according to U. S. Bureau of Mines statistics. This is a production increase of 24.2% since 1960.

"Production from Coke County helped meet this record demand," said Kenneth E. Montague, Association president. "We are now calling on it and the rest of Texas to meet an even greater demand as events in the Middle East have again forced us to dip into our declining reserves. Unfortunately, the price for Texas oil is inadequate to stimulate enough exploratory drilling to replace reserves."

Coke County land owners and others with mineral interests received \$2,263,803 in royalty payments last year. Texas received \$717,454 from crude oil production taxes and \$178,466 from natural gas production taxes.

Estimated drilling expenditures totaled \$2,237,672 with \$713,712 of that amount spent on dry holes yielding nothing for the driller. Ira Rinehart's Yearbook showed drillers completed 18 oil wells, 2 gas wells and 16 dry holes. Thirteen wildcats were

Lunchroom Policy Statement Issued

New policies for the Bronte School lunchroom are set forth in an article on another page of this newspaper. The new policies were adopted to comply with federal guidelines recently issued by the government, which specify that no child shall be deprived of a hot lunch because he is not able to pay for it.

The new policies state that some children will be eligible for free lunches while others may be eligible for reduced-price lunches. The policies state strongly that there will be no discrimination against children who are eligible for the reduced prices.

Patrons of the lunchroom are invited to study the policies and anyone who has further questions about them should call or go by the superintendent's office.

Mr. and Mrs. John Roy Harris of Lawton, Okla., arrived Tuesday to spend the Thanksgiving holidays with their son and family, Dr. and Mrs. John R. Harris.

drilled with 12 of them dry. The county's oil and gas processing plants also added to the economy. The Oil and Gas Journal listed 2 natural gasoline plants with a capacity of 130 million cubic feet daily.

Reports from the Texas Employment Commission show some 47 persons were directly employed by the oil and gas industry in the county with an annual payroll of \$282,212.

Last Rites Held For Percy Myers

Funeral services for Percy Myers, 79, were held Tuesday at 2 p.m. in Quemado. The graveside rites were conducted by the Rev. Harry K. Morris, pastor of First Baptist Church of Bronte. Burial was in Quemado Valley Cemetery.

Mr. Myers died at 3:50 a.m. Monday in West Coke County Hospital after a long illness.

Mr. Myers was born Dec. 20, 1890, in Bosque County and came to Coke County in 1908. He had lived in Robert Lee and Bronte, and had moved back to Bronte a few years ago. He was a retired trucking contractor and was a member of the Baptist Church.

Survivors include a grandson, John Roger Myers of St. Louis, Mo., and two sisters-in-law, Mrs. Mabel Myers of Bronte and Mrs. Kathleen Turner of Lampasas.

Youth Clubs Sets Mexican Supper

Members of the Coke County Catholic Youth Club will sponsor a Mexican Supper next Sunday. The supper will be served in St. James Catholic Church in Bronte. Serving will begin at 12:30 p.m. and continue through the afternoon.

A spokesman for the youth group said everyone in Coke County and surrounding area is invited to attend and enjoy the authentic Mexican foods which will be served.

Price per plate for adults will be \$1.25, while children of 12 and under will be served for 75 cents.

Money derived from the food sale will be used to carry on activities of the young people.

Everyone in the area is invited to attend the Community-Wide Thanksgiving Service scheduled for 7 p.m. Wednesday in the Bronte First United Methodist Church.

Preacher for the special service will be the Rev. M. E. (Pete)

Bobby Earl Seltz New Gulf Veep

B. E. Seltz has been named vice president of Finance and Services for Gulf Oil Chemicals Company, the newly organized division of Gulf Oil Corporation. He is the son of Mr. and Mrs. Francis Seltz of Bronte and formerly of Robert Lee.

The announcement was made recently by Z. D. Bonner, president of the new company, which is responsible for the management of Gulf's worldwide chemicals operations.

Seltz will be in charge of preparing and interpreting the company's management reports and the final preparation of its profit plan and expense and capital budgets. He will be located in Pittsburgh, Pa.

A native of Robert Lee, Seltz attended Draughon's Business College and Hardin-Simmons University in Abilene. He received his certified public accountants certificate in 1961 and was graduated from Hardin-Simmons in 1963 with a B.B.A. degree. He joined Gulf in the same year at Houston as an auditor in the Accounting and Services Department. In 1965, he was transferred to the Pittsburgh executive

Patterson, pastor of Central Baptist Church.

Three congregational hymns will be led by Dale Ellis, choir director of First Baptist Church. The Bronte Community Youth Choir will sing two specials, under direction of Louis Thornton, choir director for the Methodist Church.

The opening prayer will be given by the Rev. Harry K. Morris, pastor of First Baptist Church; the Scripture reading will be by the Rev. Fred H. Brown, Methodist pastor; and the benediction will be given by Eddie Alexander of Central Baptist Church.

A special offering will be taken for use in beautification of Fairview Cemetery. This is a custom of several years' standing and will be continued this year.

Organist for the service will be Mrs. Martin Lee and pianist will be Mrs. I. M. Cumbie. Ushers will be Donnie Thompson, Gene Glenn, Stephen Patterson and Rance Brunson. Pledge to the Flag will be led by Bub Waldrop.

The Community-Wide Thanksgiving Service has become a traditional affair in Bronte, and is meant for everyone in the community.

Rev. Brown, whose church is host for this year's gathering, said, "This Thanksgiving service is one of the inspirational worship services you can attend. All of us, from various churches, can meet with thankful hearts for the many blessings which are ours. I want to extend to every person in this community a most cordial invitation to attend."

Margaret to Have Christmas Showing

Margaret's Flowers & Gifts of Bronte is planning a big party for Saturday, Nov. 28. The occasion will be Margaret's Annual Christmas Open House.

Mrs. Margaret Brunson, owner of the firm, said that she will have hundreds of beautiful gift and decorative items on display, and she is inviting everyone in the area to come by and look.

In addition to having many new Christmas items on display, Mrs. Brunson will serve free refreshments all day and have a free gift for all her visitors. A door prize will be given at a drawing at the close of the day.

An ad in this week's Enterprise lists some of the gift and other items which will be on display.

In addition to her gift line, Mrs. Brunson offers floral service the year-round, with FTD service anywhere in the world.

COMMUNITY NEWS WILL BE INCLUDED NEXT WEEK

Due to the extremely short time available for getting together and printing this week's Enterprise, we were forced to omit the news of our correspondents in Blackwell, Tennyson and Brookshire. Their news will be carried next week.

Austin — Heads of the Texas Education Agency have set priority goals for public schools during the next two years. They estimate additional state and local costs at more than \$362 million.

Highest priority must be assigned to implementing those major educational acts of the 1969 Legislature, says Dr. J. W. Edgar, Commissioner of Education.

He listed these acts as the 1969 salary compensation (long range teacher pay raise) plan, a kindergarten program for five-year-olds, comprehensive special education programs, expansion of technical-vocational programs over a three to seven year period.

As desirable as new or accelerated programs may be, says Edgar, the State Board of Education feels more experience is needed with the 1969 acts and more opportunity should be allowed to invest available resources in presently authorized goals.

"Next priority," says the Commissioner, "goes to carrying out recommendations of a committee studying changes in school finance formulas, with a view to equalizing funds assigned as the local share of foundation costs."

More than \$2 billion will be spent for public elementary and secondary education this year. Estimate for next year is \$2.6 billion.

About 2,728,000 pupils now are enrolled, and 2,760,000 will be in classes next year.

Cost of existing programs for next year alone will increase \$156 million, while new programs will require an estimated \$25 million more.

COURTS SPEAK — Texas Supreme Court will hear arguments Jan. 13 as to whether a narcotic case can be under joint jurisdiction of criminal and probate courts through the mental health code. In the case at point, a mother tried to commit her daughter who had been convicted of a narcotics violation to a hospital for addiction treatment.

In other recent cases the High Court:

* Stated arguments for Jan. 20 in a \$35,000 damage lawsuit brought by parents of a young Houston boy struck by a car on Galveston Beach four and a half years ago.

* Directed retrial of a Wheeler County case involving whether a Texas Tech student received "general injury" in an oil rig job accident.

* Ruled that Maverick County Water Control and Improvement District No. 1 (or other political subdivisions) are without power to levy a special assessment against veterans land tract forfeited to the state by the buyer.

* Found that an Arizona carpet firm which did business with a Texas manufacturer on building projects in the state can be sued in state courts for debt.

LAWMAKER AID, CURBS URGED — Subcommittees of a blue ribbon committee studying legislators' duties, responsibilities, compensation and ethics are beginning to formulate recommendations.

One proposed an expanded pub-

licity staff for lawmakers and a health or first aid station for the capital. Another urged an end to the practice of legislators' lending their names to clients or defendants in legal cases just to delay trial.

On Dec. 9, all subpanel findings will go to the full committee of 150 named by House Speaker Gus Mutscher.

OIL ALLOWABLE CUT — State Railroad Commission ordered a cut in December statewide oil allowable to 83.5 per cent of potential, from the high 87.3 per cent factor.

Action followed four consecutive monthly increases. December limit would allow a maximum production of 3,815,992 barrels of crude daily. That is a reduction from this month's 3,954,193 barrel maximum.

Three of the 14 big crude buyers requested additional allowable for December. Ten wanted the same figure and one less. U. S. Bureau of Mines forecast a 3,525,000 barrel daily demand for December. Written nominations by major purchasers totaled 3,425,531 barrels.

CRUDE PRICE HIKE EN-DORSED — Lt. Gov. Ben Barnes told the Federal Office of Emergency Preparedness that an announcement by two major oil companies of intention to raise crude oil price 25 cents a barrel is "completely justified."

Lieutenant Governor said reserves of petroleum are lower than during wartime, and a price increase is mandatory if they are to be increased.

ALTERATION TAX POSSIBLE — You can be taxed for alteration charges on clothing where the charge is made at time of purchase, Comptroller Robert S. Calvert has held.

However, Calvert said, charges are not subject to sales tax when they are not part of the sale.

"If the alteration is made on a garment prior to acceptance by the customer, the alteration charge is considered a service which is part of the sale and the charge for such alteration is taxable to the customer," said Calvert in an interpretation of sales tax provisions. "Alteration charges on clothing are not taxable when not a part of the sale."

New auto insurance rates effective in January have been posted by the State Board of Insurance after Monday (Nov. 23) hearing.

Atty. Gen. Crawford C. Martin said Mafia tentacles are reaching into Texas, and restated his view that a wire tapping law is needed to fight organized crime.

Second annual governor's public support conference on traffic safety drew statewide participation here.

German measles doubled this year over 1969, and there have been 20 cases of paralytic polio in 1970 compared with six in 1969, reports state Health Department.

Attorney General held that the Agriculture Department could pay a monthly consulting fee to a person doing marketing study in Europe.

State cotton harvest is 45 per cent complete, 19 per cent ahead of last year's schedule.

How's Your Advertising?

By S. S. Talbert
Department of Journalism
University of Mississippi

Every retailer from Peanut Hill, Ala., to Redtree, Ore., could learn something about selling from occasional perusal of the advertising in the New York Times.

One readily apparent fact is that the world's largest and most experienced advertisers are thoroughly sold on newspaper advertising.

A second fact which could be noted is that the great stores, even those with the fanciest reputation, never rest on past success. The retail advertising in the Times is highly competitive.

A third and most important fact: Even the highest quality goods are described in detail. The price and descriptive details are given in full when a department store features a ten dollar dress. The price and descriptive details are given in full when an exclusive shop features a 5,000 dollar fur coat.

The Times advertisers know that the problems of selling a ten dollar dress and a 5,000 dollar fur coat are practically identical. In each case the potential customer is looking for value. In each case advertising answers question concerning quality as related to price. Or, more pre-

cisely, newspaper advertising provides essential buying information.

The major difference between New York retailers and the merchants of smaller communities, is a tendency in the smaller cities for some merchants to forget that the consumer is constantly looking for values in the newspaper.

Light Bulb Sale Reset for Dec. 3

Due to various conflicts and unfavorable weather, the Light Bulb Sale scheduled by Bronte Firemen for last Thursday was postponed until next Thursday, Dec. 3.

The firemen again are requesting the patronage of everyone in the community in making their sale a success. The sale of light bulbs is their principal method of raising funds for department activities.

The firemen will make a house to house canvass of the city and anyone who is missed is requested to call any member of the Fire Department for delivery of any size bulbs needed.

Shorthorns Shock Dogies Team, 43-8

The Bronte Shorthorns shocked the Robert Lee Dogies Monday night with a 43-8 victory. The junior high girls also won their game from the Robert Lee lassies, 24-20.

In the boys game Jim Dan Raughton was high pointer with 16; Alan Barbee had 8; Wayne Alexander made 6; Randy Scott and Dave Chapman, 4 each; Marvin Ensor 3; and Bobby Bailey 2.

Sherrie Coalson was leading scorer in the girls game with 15.

Jan Coffman of Anchorage, Alaska, will spend Thanksgiving holidays in the home of Mrs. Pat Bryan and girls. Miss Coffman is a student at Dallas Baptist College and is a former schoolmate of Cathy Bryan.

PATROLMAN HART SPEAKS TO SOROSIS CLUB MEMBERS

Highway Patrolman Bobby Hart was guest speaker for the Sorosis Club when members met Nov. 19 in the home of Mrs. Clyde Lee. He spoke on crime prevention and safety, followed by a question and answer session.

In a brief business meeting, club members voted to send \$2 per member to the Abilene State School, in lieu of exchanging Christmas gifts at the Christmas social Dec. 3 in the Methodist Church.

Mrs. Lee served cake topped with whipped cream, cracker snacks, coffee and cold drinks.

Present were Mr. Hart and Mmes. C. B. Barbee, C. C. Boecking, Fred Brown, Pat Bryan, Royce Fancher, Clark Glenn, E. F. Glenn, Royce Lee, Noah Pruitt Jr., C. O. Richards and the hostess.

Vandals Slash 34 Tires in Robert Lee

(From Robert Lee Observer)

Several thousand dollars damage was done some time Saturday night when vandals ripped 34 tires in Robert Lee. No concrete figure was released on the amount of the damage, but it will be heavy, said Sheriff Melvin Childress.

Heaviest loss was sustained by Robert Lee Independent School District. A total of 22 tires were cut on school buses which were parked at the school. Two tires were cut on the fire truck which was parked under the driveway of the old Brown & Clark service station.

Another heavy loss was sustained by Bryan's Concrete Co. which had a tire cut on one of their big concrete transport

trucks.

Also having tires cut on vehicles at their homes were Willie Abalos, O. B. Jacobs, John Heck, Miss Thelma Thomas, Pat Patterson, Bill Green and Mrs. G. C. Slone.

Sheriff said the evidence points to the vandalism being committed some time about midnight Saturday. He said Abalos was the first to report the crime to him. The sheriff said apparently the vandals used a hunting knife to do the damage.

The school replaced tires on the buses Sunday, so they could roll Monday morning.

School Lunchroom Policies Explained

In compliance with Public Law 91-248 concerning the National School Lunch Program and in the belief that meeting nutritional needs of students is a part of the Bronte Independent School District's educational responsibility, the school sets forth below a statement of policies.

I. It shall be the responsibility of the Superintendent of Schools to determine which students qualify for free or reduced-price lunches. It shall be the responsibility of the High School Principal, the Elementary Principal, the school secretaries, and the classroom teachers to refer students' names for consideration. Students' names may be referred by the parent in response to the public announcement through the school and through the news media.

II. A student shall be considered eligible for a free or reduced-price lunch only if (a) he qualifies through the eligibility standards and/or meets the additional criteria, (b) files a written application, (c) has proper investigation by school officials, (d) has approval by the Super-

intendent of Schools.

III. Printed copies of the Lunchroom Policy regulating free and reduced-price lunches, printed copies of the eligibility standards and blank application forms will be released through the school, and the written policy and written standards will be released through the news media. The procedure for making application for free or reduced-price lunches will be clearly defined.

IV. The receiving of applications, the processing of them and the listing of the names of the students qualifying for free or reduced-price lunches will be done in such a business like way that only the proper school officials and the respective family will have knowledge of the transactions. The school district will accept applications any time of the year and the application should be submitted to the office of the superintendent. The applicant will be notified of the school officials' decision in person or by sealed mail.

MRS. TIMMONS SEES PICS OF EUROPEAN TOUR

Mrs. Twala Timmons has been spending several days in San Angelo with her son-in-law and daughter, Mr. and Mrs. Ross McSwain.

McSwain has just returned from a month long business trip to Ireland, England and Western Europe where he conducted a mohair market survey with three other men.

While in San Angelo Mrs. Timmons saw the many color pictures made by her son-in-law during his trip through England, Belgium, West Germany, Switzerland, Italy and Spain.

McSwain is information director for the Mohair Council of America.

Mrs. Timmons said McSwain is now working on the survey report which he and the other men will present Dec. 3 at a special meet of the Mohair Council to be held at San Angelo's Town House Hotel.

Mrs. McSwain is the former Jean Timmons.

BARBEE ATTENDING ASU ON ACADEMIC SCHOLARSHIP

Randy Nelson Barbee, son of Mr. and Mrs. C. B. Barbee, is attending Angelo State University this fall on an academic scholarship awarded by the university.

A freshman at ASU, Barbee is a 1970 graduate of Bronte High School. The scholarship was awarded because of his outstanding four year average of 94.281.

V. Students eating free or reduced-price lunches will be integrated in the serving line and eating in the same dining room and at the same tables with other eaters. Even the procedure for those who pay for their lunches is such that most of the business transactions occur in one of the offices and there is no possible way for an observer to determine who eats free and who pays.

VI. Any composite lists of those students who are participating in the free or reduced-price lunch program will remain in the confines of the office records and will be released only to auditors who request permission to see the list.

VII. The total enrollment of grades K-12 eat in a single lunchroom on a staggered schedule that begins with kindergarten and goes through grade five, with grades 6, 7, 8 eating as one group and grades 9-12 as another group. Lunchroom prices for the month are printed in the Weekly Newsletter, a copy of which is made available to each student as well as an annual schedule of prices, which is provided to the student at the beginning of the school year. Some pay in advance by the month, some pay by the week, some by the year and some never pay. Payment is sometimes made inconspicuously in the lunchroom. Most payments are made directly in the office by either the parent or the student, and, on occasion, payment is made to some school official off the campus.

Up the Ladder

The first rung on the ladder of success for many a farmer or rancher is often a Land Bank loan. Perhaps we can help you take that first step — come in and talk it over. Success is the crop we cultivate at the Land Bank Association.

prayer or make a prayer "a part of its curricula activity" but no where in its decision was there any prohibition against voluntary praying. The specific case referred to a local school board. The Court's ruling was directed against the doctrine of compulsion—the idea of a prescribed prayer which the students had to accept. The Court did not, and has not, ruled illegal the opportunity to participate in prayers for those who wish to do so.

The important question in the New Jersey case, soon to be decided, is whether the decision means that no prayer of any kind is to be permitted in a school building even if it is entirely voluntary.

Should the High Court uphold such a case as the one in New Jersey, it is interesting to ponder what could be done to prohibit the Senate and House of Representatives from opening each session with prayer.

The military services provide chaplains from different religions and, of course, attendance is voluntary. And, what would become of the phrase "One Nation Under God" in the pledge of allegiance to the flag? Should a decision like that of the New Jersey Court be upheld, will the people bringing the suit also attack the inscriptions of the Deity on many Government buildings and demand the removal of "In God We Trust" from our coins? Would they attack "In God We Trust" carved on the Speaker's stand in the House of Representatives?

It is difficult to imagine that a Nation founded on Christian concepts would stand for nonsense of this nature. We call ourselves a Christian Country. It is not likely we are going to stand by and see a deterioration of our voluntary worship.

**BLACKWELL MAN ABOARD
 USS BON HOMME RICHARD**

Navy Petty Officer Third Class Hopkins R. Sedberry, son of Mr. and Mrs. Peyton H. Sedberry of Route 1, Blackwell, has returned to San Diego aboard the attack aircraft carrier USS Bon Homme Richard.

The 43,000 ton warship completed her sixth and final Vietnam combat deployment when she returned to her home port Nov. 12, after seven and one half months in the Western Pacific.

During the 26 years since commissioning, Bon Homme Richard distinguished herself in three major conflicts: World War II, Korea and Vietnam—the only Navy attack carrier to claim that record.

LAWMEN COMING HERE FOR DEC. 2 MEETING

Coke County will host a meeting of the West Central Texas Law Enforcement Officers Association on Dec. 2. The meeting will be held at the Recreation Hall in Robert Lee.

Sheriff Melvin Childress said he expects 75 to 100 officers here for the session. A number of out of town speakers will be on hand to appear on the program.

In Wool Contest

Two members of the Bronte HE classes entered the Make-It-Yourself-with Wool Contest last Saturday in San Angelo. Sally Reyes, daughter of Mr. and Mrs. Robert Reyes, entered the senior division for girls 17-22, and Nell Champion, daughter of Mr. and Mrs. E. L. Champion, entered the junior division for girls 13-17.

Mrs. Fancher accompanied the pair to the San Angelo show which was held on the campus of Angelo State University.

HIGHWAY DEPARTMENT ISSUES HOLIDAY MESSAGE

"Thanksgiving Day... is the one day that is purely American," O. Henry (William Sydney Porter) wrote in 1907.

The Texas Highway Department urges you to make this a safe Thanksgiving for motorists!

The Department works constantly to make travel on the Texas Highway System as safe and convenient as possible. Yet, construction areas this time of year call for extra caution.

Many Texans will be traveling during the holidays and the department urges special caution in the areas where construction is underway. They remind everyone to observe the warning signs.
