Subscription Special Going

Annual July subscription special on The Bronte Enterprise began Wednesday with a 50 cents saving offered on all one-year subscriptions, either new, renewal or extensions. The sale will continue through the month of July.

Subscriptions in Coke and adjoining counties are priced at \$3.00. They usually sell for \$3.50. Outside of this area they are

Strickland Rites Held at Cisco

Funeral services for Edgar Strickland, 92, were held at 3 p.m. Saturday in the First United Methodist Church in Cisco. Dr. Bob Evans officiated. Burial was in Oakwood Cemetery under direction of Rust-Martin-Rhyme Funeral Home.

Mr. Strickland died at 2:20 p.m. Thursday in the E. L. Graham Memorial Hospital there.

He was born Aug. 9, 1878, in Austin and moved to Breckenridge as an infant with his parents. He had lived in the Cisco area for 90 years.

A prominent rancher, he married Artha Jenkins Dec. 10, 1902, in Cisco. She preceded him in death. He was a long time member of the Methodist Church.

Survivors include two sons, Earl of Cisco and Guy of Bronte; one daughter, Mrs. Bill Johnson of Brownwood; one sister, Mrs. Hiram McCanlies of Cisco; three grandchildren and three great grandchildren.

MEN'S SOFTBALL TEAM TO PLAY BLACKWELL

Bronte men's softball team has a game scheduled here Friday night with Blackwell. The game will begin at 8 o'clock and the public is invited to be present. A concession stand will also be in operation during the game.

now selling for \$4.00, compared with the regular price of \$4.50.

Everyone is invited to come by The Enterprise office or mail subscriptions to P. O. Drawer O. Enterprise correspondents are also authorized to accept subscriptions. They are: Mrs. Rocky Thompson, Blackwell; Mrs. Herbert Holland, Brookshire; and Mrs. Tom Green and Susan Arrott, Tennyson.

Ben Oglesby, publisher, said subscription rates may have to be increased in the near future due to rising costs, but invited everyone to take advantage of the saving this month.

SENIOR LITTLE LEAGUE TIED WITH ROBERT LEE

Bronte's Senior Little League team lost to Robert Lee Monday night, 8-4, in a game here that went eight innings. They had won seven games in succession until the Monday night defeat, which leaves the Bronte and Robert Lee teams in a tie for first place.

In a game last Thursday night, Bronte downed the Winters Angels 9-5.

Next game for the team is with Wingate here Monday night at 7:30 p.m.

Most Bronte businesses will remain closed on Monday, July 5, in observance of Independence Day, which falls on Sunday this year.

Daulong Buys Wrinkle's Sta.

A business change took place here yesterday when Mr. and Mrs. Stanley Daulong took over the Gulf service station from Mr. and Mrs. Bob Wrinkle. It will be known in the future as Stan's Gulf Service.

The Wrinkles, who have operated the station for almost three years, will be moving soon to Robert Lee where they will open a Western Auto Store. They are constructing a new building there and expect to have it open for business in the near future.

Daulong said he will continue to "give the kind of service our customers are used to receiving." He said he will continue to handle a full line of Gulf petroleum products, along with other well known brands of oils and car needs. He will also carry a big stock of tires, batteries and accessories. The new owner invited everyone in the area to come by and visit him.

Wrinkle said he and his family hate to give up the station, but added they are looking forward to getting started in their new business. He thanked their many customers for their patronage while he operated the station.

An advertisement in this week's paper announces the changeover and contains statements from both the present and past owners.

Firemen to Have Light Bulb Sale

Bronte firemen will conduct their annual light bulb sale on Thursday evening of next week, July 8, beginning at 6 p.m. A house to house canvass will be made. They will also have fire extinguisher for sale.

The firemen invite everyone to patronize them. The profit from the sale is about all the financing they have available for department activities.

Robert Lee to Host Little League Tilts

Robert Lee will host the area All-Star Little League baseball games July 19-20.

In the first night's game, the Colorado River All-Stars will play the Winters All-Stars at 7:30 p.m.

On Tuesday night, July 20, the Ballinger All-Stars will play the winner of the previous night's game.

DRUG EDUCATION PROGRAMS ON KCTV

Supt. C. B. Barbee this week announced that three important drug education programs will be shown soon on KCTV, San Angelo. The programs, entitled "11:59—Last Minute to Choose," will be the same but will be shown at different times so that as many persons as possible may see them.

Programs are scheduled from 9:30 until 10 p.m. on Tuesday, July 6; 5-5:30 p.m., Monday, July 12; and 12 noon until 12:30 p.m. on Friday, July 16.

Barbee said a drug education program will be taught in Bronte Schools this fall.

office and city offices will be closed as well as county courthouse offices in Robert Lee.

Other businesses which have indicated they will be closed include White Auto Store, Hurley Pharmacy, West Texas Utilities, Cumbie & Mackey, Sims Food Store, Margaret's Flowers & Gifts, Highway Garage.

No special observance has been planned for this area.

This year's observance will mark the 195th anniversary of the independence of the United States.

New Management Starts for P. O.

Thursday, July 1, was the date for a monumental change in a government service that probably comes nearer affecting the daily lives of all Americans than any other. On Thursday, the Post Office Department of the United States faded into history after almost 200 years of service.

Taking the place of the Post Office Department is the new United States Postal Service. It will be an independent organization, formed to meet the need of a changing society and presumably to give Americans better mail service.

Initial plans of the new organization call for a major mechanization program to streamline mail processing and delivery. Even before the new organization took over, postal rates were increased a few weeks ago. The 6 cent rate for mailing a first class letter was increased to 8 cents, for the time being.

Postmaster Noah Pruitt Jr. said a limited number of souvenir envelopes were available free of charge. Also, for stamp collectors, a limited number of cancelled first day covers were available for the cost of an 8 cent stamp.

The new stamp was officially issued at Washington. It carries the emblem of the United Postal Service—a stylized eagle poised for flight.

4-H Dress Revue Set for July 7

The Coke County 4-H Club Dress Revue will be held Wednesday, July 7, in the County Courtroom in Robert Lee. The Revue will begin at 3:30 p.m. The public is invited to attend.

Judging of the garments made by the 4-H girls will be done earlier in the day.

Commentators for the Revue will be Sheri Pitcock and Cheri Baker.

PEE WEE GAME SLATED

Coke County Pee Wee Baseball All Stars have challenged the Sterling City champion Pee Wees to a contest which will be played Thursday, July 1, at 8 p.m. in Sterling City.

Robert Lee Red Birds and Bronte lads will join in with the Robert Lee Blue Birds to make up a team to take on the Sterling County lads.

Taxes Going Up All Over Texas

Along with other Texans, local residents will be paying more Thursday, July 1, for items ranging from cars to cigarettes because of new state taxes passed by the 1971 Texas Legislature.

The general sales tax will increase from 3 1/4 to 4 per cent. The city sales tax, in effect in Robert Lee, will remain at 1 per cent.

Other tax increases include: Motor vehicle sales tax increase from 3 to 4 per cent.

Cigarette tax hike from 15 1/2 to 18 1/2 cents per pack.

New 4 per cent tax on motor vehicle rentals.

Beer tax increase from \$4.30 to \$5 per barrel.

Liquor tax rises from \$1.68 to \$2 per gallon, or about 6 cents a fifth.

Corporation franchise tax increases from \$3.25 to \$4.50 per \$1,000 of capital.

More Drouth Aid Available

Coke County is one of 18 Texas counties eligible for assistance in repairing damage caused by drought and wind erosion. Congressman Omar Bureson announced this week that the U. S. Department of Agriculture is offering emergency conservation assistance in 18 Texas counties to help repair drought damage.

Counties eligible besides Coke are Bandera, Caldwell, Concho, Duval, Fayette, Gonzales, Karnes, Lavaca, Mason, McCul-

loch, Nueces, Palo Pinto, Starr, Sterling, Webb, Wilson and Zapata.

An allocation of \$360,000 has been made to the Texas Agricultural Stabilization and Conservation (ASC) State Committee for use in sharing with farmers in the 18 counties the cost of drilling wells and constructing pipelines and other facilities to provide water for livestock and to permit grazing where pasture forage exists.

This week's allocation brings to \$6,810,000 the amount allocated during 1971 to the Texas ASC State Committee for use in sharing with farmers the cost of carrying out practices to combat the drought.

Emergency conservation assistance is designed to enable the Secretary of Agriculture to alleviate conditions resulting from a natural disaster and to restore agricultural lands to productive capacity.

Austin — Gov. Preston Smith, in an unprecedented veto action, turned the job of rewriting the entire 1973 state budget to a special legislative session next year. Smith took the axe to a \$3.1 billion in state spending which he found "unnecessary and unwarranted" for the second half of the biennium. He announced his decision on a statewide television program, and said that he will submit to the lawmakers, before September 1972, a new 1973 budget proposal which will require no new taxes.

Smith made it clear that a 1972 special session is inevitable, anyway, because the Legislature did not appropriate welfare funds for the second year.

Governor's action may accomplish the following regardless of whether a new tax bill can be avoided next year (Texas Research League estimates a \$474 million biennial tax bill will be required in the 1972 special session):

—Legislators will have to take a sober second look at spending items in an election year when many are faced with general election contests.

—Fact that little federal aid is available for welfare spending in spite of predictions by Smith, Lt. Gov. Ben Barnes and others, will be partially obscured, since the special session will not be confined to welfare alone but opened to the entire area of government spending for 1973.

Smith declined to reveal his future political plans but left dangling the prospect of a third term race.

Governor claims the public response has been almost 100 per cent favorable to his historic veto. Lieutenant Governor and House Speaker Gus Mutscher pledged cooperation.

COURTS SPEAK—State Supreme Court, in a five-four decision, held that an insurance company can't fight its policyholders in suits against uninsured motorists except in unusual situations.

A man fired by an oil company for not getting enough new business in the Beaumont-Houston area was granted a new trial through a Supreme Court order.

High Court upheld the county court at law finding that a San Antonio woman could collect damages from the City of San Antonio for condemnation of her land and for damage to property due to erosion.

Supreme Court heard argu-

ments in the Braniff and Texas International Airways effort to ground the new Southwest Airlines (Dallas, Houston, San Antonio routes).

Court of Criminal Appeals reversed the death penalty of a man convicted of a 1967 knife murder of a Baylor University coed and ordered a new trial.

Trial of former San Marcos Police Chief Waymon Dial, for burglary, has been transferred to Harris County.

AG OPINION — Texas Water Quality Board may contract for the state with the federal government for federal grants or loans under the federal water pollution control act — subject to a 60 day limitation and the governor's approval—Atty. Gen. Crawford C. Martin has held.

APPOINTMENT — James L. Lindsey of College Station, longtime newspaperman in Midland, San Angelo and San Antonio, was named by Governor Smith to succeed Dr. Elmer Baum of Austin on the State Banking Board.

CITIES COLLECT \$35.5 MILLION — Texas cities which levy a one per cent local option sales tax received nearly \$35.5 million from January-March collections on sales within their boundaries.

Collection for the first quarter of 1971 compared with \$39.6 million for the final quarter of 1970 and \$36.5 million for the third quarter of 1970.

More than 400 cities levy local option sales tax.

Money goes to the state comptroller and is handed back to cities of origin. During the quarter ending March 31, the state retained \$719,756 as its service fee.

INSURANCE RATE HIKE ASKED AGAIN — Auto insurance companies were expected to request rate increases of more than 25 per cent at a hearing before the State Insurance Board June 30.

Companies six months ago were granted a 14 per cent increase, but were far from happy and insisted on more. They wanted a 27 per cent boost.

A new law permits motorists to purchase deductible liability insurance if they are willing to assume the risk of the first \$250 damage their car may do to property. Another new act gives the State Insurance Board direction to promulgate rules for cancellation and non-renewal of policies.

Short Shorts

Construction of a million dollars worth of new ward buildings has been started at Rusk State Hospital.

After Sept. 1, Texas Department of Public Safety law officer recruits must have a semester's college training or agree to get it within two years after enlistment.

Texas Parent-Teachers Association board of managers went on record as opposing busing to achieve school racial balance.

Construction in the state declined four per cent in May after a rise during the last three months.

A total of 162 Texans have lost their lives in water accidents during the last six months, Texas Safety Association noted in warning that the most dangerous months for such accidents are just ahead.

State Banking Department has applications for new state banks in Richardson, Waco and Longview.

Lieutenant Governor Barnes announced cancellation of the trip of 1,300 Texans to Paris, Stockholm and Moscow to plead for release of American prisoners of war in Indochina, since there was little hope of the trip's success.

WASHINGTON
 "As it looks
 from here"
OMAR BURLESON
 Congressman
 17th District

Washington — Those who have a son, husband or other loved one in Vietnam are doubly concerned by reports on the use of dope. The dope problem among servicemen is indeed sad but the percentage of those on narcotics is not as great as might be expected from reports. The fact remains that one is too many. In a way it can be rationalized but, of course, not condoned.

When fighting was at its height and boys were busy, there was little use of drugs. When

things let down, boredom arose. You would have to be there to understand but there is need for understanding.

"In Flanders field the poppies grow, between the crosses, row on row..."

Written during World War I by John McCrea, an English poet-soldier, who died in the conflict, these lines have a bitter meaning today.

Poppies, in that "God and Country" generation, were the symbol of an honorable death. They remain the respected badge of the fund drive for disabled veterans but a newer and more sinister connotation now infuses the flower, as young Americans return from Vietnam addicted to heroin of which the poppy is the source.

A few days ago the President called for a "new all out offensive against drug abuse" which he described as "America's public enemy number one."

In a special message to Congress, the President asked for \$155 million in new funds to help finance the anti-drug offensive.

He said it is a "world-wide offensive" dealing with sources of supply abroad, and particularly as it involves Americans stationed overseas.

For too long the matter of discharging several thousand servicemen each month from Vietnam, some of whom are drug addicted, was largely ignored. The military and the Veterans Administration too long failed to recognize and prepare to come to grips with the situation. They are barely beginning to do so at the present time.

Action has now been instituted which attempts to identify the soldier who is an addict and

try to provide treatment and rehabilitation. Of the 25,000 men a month now returning from Vietnam, an estimated 10 per cent have a history of heroin use. Under the plan now being inaugurated, each soldier is given a test for detection of drug use before being cleared to return home. If he is free of drug detection, he proceeds without delay. If not, he is quarantined for a few days for further tests.

Servicemen heretofore discharged with a narcotic habit may not be qualified for veterans benefits but this is expected to be corrected. In the first place, only five of all the veterans hospitals are really equipped and qualified to give treatment. Much more is needed and it is pretty safe to speculate that more will be provided. The problem is qualified people to give much needed rehabilitation in this highly specialized field of treatment.

At the moment, there are proposed cuts in Veterans Administration medical funding but this is likely to be reversed since the dimensions of the problem are just now really surfacing.

For many in the service, who must serve additional time in Vietnam and in other areas of the world, more efforts are being made to control the source of drugs but, like in this country, it is impossible to completely dry up the supply. Greater and more expert detection is needed. It is not exclusively a problem in South Vietnam. It exists every place but the cheaper drugs and a ready supply are peculiar to Southeast Asia. The lack of co-operation with the governments involved is a serious problem. It should and is being pressed upon these governments to lend their official efforts to reduce the cheap supply. The trouble is that the horse has been too long out of the barn.

The greatest sympathy and understanding, as well as rehabilitation and treatment, must be provided for returning servicemen who have become victims of the narcotic habit.

WATCH FOR TOMMY

he'll be watching out for you

This July 4th week-end many Texas families will be out enjoying themselves. But Department of Public Safety Officer Tom May and hundreds of other patrolmen will be working. They'll be watching out for you, trying to make your week-end safer. It's a tough job . . . and you can help make Tommy's job easier. How? By DRIVING FRIENDLY. That means getting on and off expressways cautiously . . . not driving and drinking . . . keeping within speed limits (particularly on rural roads) . . . observing all warning signs on roads under construction and getting plenty of rest before travelling.

Officers Attend Teletype School

Training for operators of the Concho Valley Council of Governments Regional Law Enforcement Teletypewriter Network was held June 22 at the San Angelo Police Station.

The CVOG developed the network under the direction of Albert V. Bush, Criminal Justice Planning Coordinator.

Nineteen operators from the 14 law enforcement agencies in the region participating in the network received instruction as well as practical experience with a teletype machine set up in the classroom for practice.

Included in the group were Mrs. W. E. (Opal) Jacoby, office deputy, and Sheriff Melvin Childress of Robert Lee. Coke County is a member of the network.

The teletype network speeds up the law enforcement communications process. For example, in only a couple of minutes a complete check of a vehicle's registration and identification can be done. Record and wanted checks of individuals can be completed in seconds or minutes by teletype message to Austin from a local unit.

J. W. Martin is a patient in Ballinger Memorial Hospital. He was admitted Tuesday.

W. S. EVANS OBSERVES 20 YEARS WITH HUMBLE

William S. (Billy Sid) Evans has observed his 20 year service anniversary with Humble Oil & Refining Co. He is assigned as pumper gas processor at Spearman in the Oklahoma City District, Midcontinent Production Division. In recognition of his years of service, Evans was presented a service emblem by Field Foreman F. J. Largent.

In 1951, he joined Humble as a roustabout in his hometown of Bronte. Prior to his move to Spearman, Evans was assigned to the Ft. Chadbourne field.

Evans is married to the former Felma Joyce Brunson, also from Bronte. They are the parents of one son, Kerry. Evans is the son of Mr. and Mrs. Sid Evans of Bronte.
