Austin — Organized labor leaders of Texas have set as political priorities for 1972 the defeat of President Nixon and support of former U. S. Senator Ralph Yarborough for any office he seeks.

AFL-CIO State President Roy R. Evans announced the goals were adopted by his organization's executive board and the COPE administrative committee in a recent meeting here.

It is "quite possible," Evans said, the AFL-CIO will make no endorsements in next year's governor's race unless Yarborough is a candidate. He noted a two-thirds majority of delegate strength is necessary for endorsement in a COPE convention.

Lt. Gov. Ben Barnes and Dolph Briscoe of Uvalde are announced gubernatorial candidates.

Evans listed the lieutenant governor's race as the No. 3 priority of labor; the House Speaker's race No. 4 and congressional state Senate and House contests No. 5.

He unveiled a voter registration goal of six million by the 1972 general election.

In a September poll of AFL-CIO convention delegates, Evans reported 201 felt Yarborough should run for the U. S. Senate, while 120 preferred that he run for governor and 26 for neither office.

He said 298 labor delegates would prefer Yarborough to 33 for Barnes in a governor's race between the two, while 294 would pick Yarborough to 47 for Briscoe.

The labor delegates liked Sen. Hubert Humphrey for president, giving him 313 straw votes to two for Alabama Gov. George Wallace and none for President Richard Nixon. A random poll of rank and file union members showed 87 for Humphrey to 51 for Wallace and 38 for Nixon. AFL-CIO convention delegates gave Yarborough 350 votes for senator to three for Sen. John Tower, and the former senator 316 to 14 for Democratic senatorial hopeful Harold (Barefoot) Sanders of Dallas in the poll.

NEWSPAPER BOY HONORED — State newspapers honored the 1971 "Carrier of the Year" at the state capital Friday. Joseph Gamble, 15, Bridge City, who delivers the Orange Leader was named the first annual "Carrier of the Year" by the Texas Circulation Managers Association.

Gamble was taken on an official tour of the state capitol, visited Gov. Preston Smith, Secretary of State Bob Bullock and

other state officials.

Friday noon he was guest at a picnic given at the LBJ Park by Lady Bird Johnson for the outstanding highway beautification winners of the year.

The young newspaper boy was given an autographed book, "A White House Diary" by Mrs. Johnson.

He was a guest of the Texas Press Association for that day.

AG OPINIONS — Texas' nepotism laws are applicable to regional planning commissions and their employees, Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded:

County commissioners may purchase or lease and maintain two-way radio equipment for the sheriff and his deputies, but not for a Parks and Wildlife Department game management officer.

* New law did not change the duty of the Upshur County clerk to write warrants in payment of the salaries of county employees and county bills authorized by law and approved by the commissioners court.

* A bill providing that county commissioners courts of each county shall fix the amount of compensation, office expenses, travel expenses and all other allowances for county and precinct officials and employees paid wholly from county funds is valid.

FEED LOT SHUT DOWN — Texas Water Quality Board ordered a cattle feeding operation near San Marcos shut down when it found a "constant threat of pollution" to underground water in the Edwards Aquifer.

The Edwards Aquifer is a major source of water for a large area of South Central Texas.

Attorneys for the feedlot, Hill Country Feeders, said the decision will be appealed to state district court.

COURTS SPEAK — The widow and mother of a Mexico air crash victim are entitled to collect \$36,579 on his life insurance policy though he had requested it to be discontinued five days before his death, the State Supreme Court held.

Court of Criminal Appeals held a 1967 U. S. Supreme Court decision guaranteeing defendants the right to subpoena accomplice witnesses to testify for them can be applied retroactively. The finding may provide a new way to freedom for prisoners convicted before 1967 and denied testimony of accomplices to the offense for which they were charged.

Criminal Appeals Court upheld a 1,000 year prison sentence for a repeated offender convicted in Dallas of robbery by assault, but the Court suggested such sentences are "impossible" and should not be assessed.

Same Court credited a prisoner with time he did not serve behind bars when he was earlier released by mistake.

OYSTERING REOPENED — A large part of Lavaca Bay which was closed last year to oyster harvesting due to mercury contamination has been reopened.

However, the State Department of Health said blue crab should not be taken for human consumption until further notice.

Excessive mercury densities are still found in some blue crab collected from the bay, the Health Department reported.

There has been a steady reduction in mercury densities found in oysters (which can cleanse themselves as the quality of their environment improves), according to the Department.

SCHOOL FOOD PROGRAM CURBED — A free breakfast program for school children faces insufficient funding, a Texas Education Agency spokesman reports.

TEA has been unable to add

schools to the breakfast program this year due to lack of money. About 115 schools have had to be turned down. Schools participating last year increased from 298 in September to 474 in May. Schools receive 15 cents per breakfast or the cost of each meal, whichever is less, through U. S. Department of Agriculture allocations.

DRAFT CALL SET — The Texas draft call for the rest of 1971 is 588 men. State Selective Service Director Col. Melvin N. Glantz announced.

None will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups.

Glantz said the RSN cut off for 1971 would be 125 men in the first priority group.

Orders for induction for the call were mailed by local boards throughout Texas, with 30 days notice required in all cases. A-

bout 6,400 men will be ordered for pre-induction physical examinations in October and November.

Short Snorts

Dr. Elmer Baum of Austin resigned as State Democratic Executive Committee chairman, and SDEC set a Wednesday (Oct. 20) meeting in Dallas to pick a successor. Latest reports indicate that Roy Orr of DeSoto is favored for the spot.

Legislative Redistricting Board, after coming up with a Senate redistricting scheme, is racing to beat the clock and complete House of Representatives reapportionment by Oct. 23 deadline.

Governor Smith declined to call a special legislative session "for any purpose" after a telephone poll of House members.

Jim Kane, state Republican party executive director, said the GOP expects to pick up 20 to 30 Texas House seats next year if redistricting lines are "drawn right."

Rule Bobcats Top Longhorns, 27-6

The Bronte Longhorns looked pretty good Friday night, even with a 27-6 loss to the Rule Bobcats. The Rule bunch had a well balanced machine and were heavier and more experienced than the Longhorns. They exploded early in the 1st quarter with a touchdown and made another counter with 3:15 left in the initial period, to put the local lads in a big hole from the start. Bronte's lone tally came in the 4th quarter on an 85 yard pass and run play from Alan Barbee to Jim Dan Raughton.

The Bobcats received the opening kickoff and Rob Kittley was downed on his 31. Steve Anders and Don Hisey were the big guns. Hisey carried almost 40 yards to the Bronte 30 before Bobby Skelton headed him off. They then moved for 1st downs at the 20 and the 7. Anders was stopped after making 3 yards and Hisey carried it 4 for the 1st TD of the game, with 9:21 still on the clock. Anders' kick was good and the score was 7-0.

Larry Barbee kicked to B. Skelton who got a fine runback to the Rule 49. Mike Arrott gained 6 on two carries, but the 3rd down was flubbed and Arrott had to punt. It was a good one and Gary Skelton killed it on the Rule 8.

Hisey, a very slick customer, went 30 yards for a 1st on the 28. Kittley and Anders joined him in carrying for 1st downs on the Bronte 43, the 30 and the 16. From the 16 they went 4 yards on two plays and then Hisey went the remaining 12 for the 2nd touchdown. Anders kicked between the posts and the score was 14-0.

Arrott was tripped up on his 39 after taking the kickoff. After being penalized 5 yards, B. Skelton was elected to carry a couple of times. His efforts, along with an incomplete pass, were short, so Arrott punted to the Rule 28.

A couple of plays on the ground, and then QB Ricky Lehrmann tossed a long one to Eddie Briles who was stopped at the Bronte 15, as the quarter ended.

Second Quarter

The Longhorns got tough after the pass and held the Cats to 1 yard in 4 tries, taking over on their own 14 on downs. Arrott carried twice, but a procedure penalty brought up a 2nd and 13. Barbee threw a pass to Raughton for a 1st on the 28. The next series of downs failed to yield the needed 10 yards and Arrott punted to Jesse Macias who was hit on his 28 by G. Skelton, Jerry Graves and Tony Mackey.

A 15 yard penalty against Rule helped and they failed to make a first down. Rule's Barbee punted to the Bronte 35. Kim Barrett made a yard and B. Skelton added 4, but it was not enough. Arrott punted to Kittley who was stopped in his tracks by G. Skelton on the Rule 22. The Bobcats moved for a 1st at the 36. Then on 1st down B. Skelton intercepted a pass and ran it to the Rule 36. Arrott plowed through three times in a row for a total of 12 yards and a 1st down on the 24. The situation looked good but the Bobcats tightened up and kept the Longhorns from completing last minute passes, as time was running out. The Cats took over and got off one play before the half ended.

Third Quarter

Arrott took the kickoff and ran

back 30 yards to the Rule 48. He then made 7 yards in 2 carries and Rule was penalized to give the Horns a 1st on the 36. Arrott ran twice more for 5 yards and a pass to Raughton was completed at the 15. However, a fumble gave the ball to the Bobcats.

Hisey carried for a 1st at the 37, Rule drew a 15 yard fine and Hisey went 8 more, bringing up a 2nd and 12 on the 35. On 3rd down, Hisey took the ball, broke several tackles and streaked 65 yards for another Rule TD. PAT try was no good. Score: 20-0.

Barbee kicked to Lynn Lawhon who was pulled in on his 46. Arrott went for 5, then a 16 yard pass from Barbee to Raughton made it a 1st on the Rule 34. A pass, Barbee to Barrett, was good for 6 yards, but then a mix up lost 4. The Horns couldn't make it and the ball went over on the 29.

Rule was penalized 15 for holding, then Hisey traveled 23 yards and again 16 yards for a 1st on the Bronte 48. Anders made 4, then a fumble was picked up by Tony Mackey on the Bronte 47.

After losing 4 yards, a Barbee to Raughton pass was good for 17 yards and a 1st on the Rule 43. Barbee then passed to Lawhon for 8, B. Skelton gained 1 and Arrott went for 4 and the 1st on the 27, as the quarter ended.

Fourth Quarter

Barbee passed to Raughton for a 1st on the 13, but then the Bobcats held and took over the ball on their 10 yard line. Anders and Hisey went for a 1st on the 23, Anders picked up 8 more and a 15 yarder against Bronte made it a 1st on the Rule 49. Hisey made 8, and Anders hit the 39 for a 1st down. A pass to Kittley was good for 19 yards and a 1st on the 20. Three pretty fruitless tries brought up a 4th and 9 situation, on the 19. From there Lehrmann threw the ball to Briles in the end zone for a touchdown. Anders' kick was no good, but Bronte was offside so he got a second try and made it: Score: 27-0.

Barrett returned the kickoff 15 yards to the Bronte 47. First play, Hisey intercepted for the Bobcats and was downed on the Bronte 46. Rule moved to the 33 for a 1st, but then received a 15 yard penalty for a clip to make it 1st and 25. The defense really got with it and pushed the Cats back. Three plays later they were facing a 4th and 40 situation. Barbee kicked the ball and it rolled dead on the Bronte 30. A clipping penalty against Bronte moved it back to the 15. It was from the 15 that Barbee threw a long pass to Raughton who went every one of the 85 yards to the goal line. A conversion pass try failed and the score was 27-6.

After taking the kickoff the Cats couldn't make a 1st, so they punted to B. Skelton who was downed on the 12. Hisey intercepted a pass and moved down to the 6 for a 1st and goal. Even with the hindrance of a penalty, the Longhorns held and time ran out with the Bobcats very close to making another counter. Final score: 27-6.

Game notes indicate that the Longhorn defense was aided by Brad Reed, Louis Martinez, Graves, Danny Carper, Arrott, Lawhon, B. Skelton, Mackey, G. Skelton, Raughton and Barbee.
