## Longhorns, Steers to Tangle

Mrs. Jimmy Lee Helps Kit Carlton Find Material

### New Learning Center In Use At School

Bronte High School now has a new learning center similar to the one which has been in use in the elementary school for the last couple of years.

What was formerly the high school library is much more than that now, as new equipment has been added to make learning easier and more of a challenge to the young people who use the center.

The learning center is under the direction of Mrs. Jimmy (Carolyn) Lee. Her job is to dispense the hundreds of pieces of material used by the students and to assist them, when needed, in the operation of equipment. She also checks books in and out, just like

### Council Passes Loitering Law

Bronte City Council meeting last Thursday night, adopted an ordinance against loitering in the city limits of Bronte. City and county peace officers have been having some difficulties lately with groups of young people gathering and creating disturbances. Hence, the need for the new city law.

There also have been problems with persons gathering outside the Upper Room who are not eligible to participate in its activities. It was reported that some of the youngsters who attend activities at the youth center are afraid to leave and go to their homes.

Deputy Sheriff Don Thorpe said he felt passage of the ordinance would give officers sufficient authority to cope with such situations.

The ordinance is being published in this week's Enterprise and everyone is invited to read it.

The council also passed a resolution asking Coke County Commissioners Court to check carefully the work which has been done on city streets before the commissioners buy the job.

Mayor Martin Lee said he was pleased with the quality of the actual sealcoating, stating that

Mr. and Mrs. J. W. Labenske

Friday is the big night when the Bronte Longhorns will take on the Robert Lee Steers for the football championship of Coke County. The traditional battle will kickoff at 8 p.m. in the Robert Lee stadium.

The Longhorns, fresh from a 27-0 victory over the Newcastle Bobcats last Friday night, are looking forward with confidence to taking on their neighbors on the gridiron.

Robert Lee had an open date last week and Friday's contest will be their season opener.

The game between the two Coke County schools is almost always a good battle, and anything can

happen. Dopesters this week give Robert Lee an edge over the Longhorns for the contest.

#### Last Week's Results

In District 3-B last week Hawley had an open date; Jayton went by Class A Roscoe 15-14; Loraine downed New Home 21-16; Roby swamped Sweetwater B 42-6; Forsan took Stanton B 32-14; Lubbock Christian downed Sands 53-6.

In other games this week Hawley will host Rochester; Forsan will host Roscoe; Sands will be at home for Ropes; Jayton will host Spur; Loraine will host Lubbock Christian; and Roby will travel to Jim Ned.

## County Fair Set For Sept. 22, 23

Weekend after this one, Sept. 22 and 23, is the date for the First Annual Coke County Fair. Things are shaping up well and a large number of entries are expected. Mrs. Fay C. Roe, County Extension Agent, said this week.

The fair will be held in the old gymnasium at Robert Lee School. Admission will be free and anyone may enter an exhibit free of charge, except for those who want to sell items or take orders.

The fair will be open to the public from 1 to 6 p.m. on Sept. 22 and from 10 a.m. to 4 p.m. on Sept. 23.

It is expected that most of the entries will be put up in competition; however, if a person wants to exhibit an item, he does not have to compete with others in the same division.

#### Deadline Friday

Friday, Sept. 15, is the deadline for all entries in all divisions. Entry blanks may be turned in personally at the County Extension office or they may be mailed in. Anything which has

been made in the last three years is eligible for entry, except canned goods and baked items.

Mrs. Roe said there was an error in assembling the pages of the Fair catalogs in the Youth Section. The green sheet which is behind the pink sheet should have followed the blue sheet, making the section continue from cookies to pastry, canned fruits and vegetables, etc.

A special feature of the fair will be a pet show and youth parade. All children up to 12 years of age are eligible to enter. The parade will assemble at the rear of the courthouse at 9 a.m. on Saturday, Sept. 23, and will proceed from there to the front of Robert Lee School.

A huge assortment of entries

### J. W. Labenskies To Be Honored On Anniversary

Mr. and Mrs. J. W. Labenske will celebrate their 50th wedding anniversary Saturday, Sept. 23. Mr. and Mrs. Bill Labenske and Debbie of Houston will host the occasion and invite all friends to an open house from 5:30 to 9 p.m. in the Labenske home at Hayrick.

Mr. and Mrs. Labenske were married Sept. 25, 1922, in the home of her parents, the late Mr. and Mrs. W. A. Robbins. They are living on the same place where they started housekeeping 50 years ago. They are members of the First United Methodist Church at Bronte.

Mr. Labenske is from Travis County where he had lived until joining the service in World War I. He was stationed in France for two years after receiving his training at Camp Bowie in Fort Worth.

Mrs. Labenske is a native of the Hayrick community, and has always lived there except for four years they lived at Snyder.

The Labenskies are active in church and civic work and still operate their place northwest of Bronte.

The couple said, "No gifts, please."

Austin — About 20,000 on Texas welfare rolls may lose their eligibility next month due to increased federal Social Security benefits.

Probably 110,000 more may get a cut in state Old Age Assistance as the federal benefit goes up.

However, Department of Public Welfare Commissioner Raymond W. Vowell emphasized that total income will still be higher even where state benefits drop.

Federal law requires the state welfare agencies to count Social Security income in figuring financial need for welfare grants.

Vowell said the Welfare Department is trying not to lower or deny welfare grants wherever possible.

He advised welfare recipients to notify their local aid offices of any recent changes in their need or other income.

Budgetary revisions in welfare procedures will permit continued assistance to about 4,700 old folks who otherwise would have had their welfare grants denied, Vowell said.

**DEATH SENTENCES COMMUTED** — Some 28 prisoners sentenced to death have had their sentences commuted to life imprisonment following a high court decision that capital punishment as now applied in Texas is unconstitutional.

Atty. Gen. Crawford Martin Aug. 2 held the U. S. Supreme Court decision (now on appeal) meant sentences must either be commuted or prisoners given new trials.

A Board of Pardons and Paroles member said he did not know when inmates whose sentences have been commuted by Gov. Preston Smith actually will get the official news. He said there are 45 on death row in Texas prison and that the Board may wait until all sentences are commuted before informing either prisoners or the public.

Before action can be taken on commutations, prosecutors who do not want to start new trials must make formal written requests to the Board. In nearly all cases, local prosecutors are expected to request commutation rather than retrial.

The Board plans a meeting within the next month to take formal action.

**DRAFT NUMBER AT 95** — Young Texans whose draft lottery number is 95 can relax for the rest of 1972.

State Director of Selective Service Col. Melvin N. Glantz said 95 is the lottery number cut-off for induction of non-volunteers for the rest of the year. Lottery cut-off for September is 75.

**RATE CUTS TAKE EFFECT** — That 11 per cent average state-wide auto insurance rate cut

An additional 10 per cent cut is possible after passing a National Safety Council-prescribed defensive driving course. Total reductions amount to about \$70 million.

**AG OPINIONS** — Attorney General Martin held constitutional a 1971 act to prevent insurance holding companies from draining off assets of insurance companies they control. The act was an outgrowth of the National Bankers Life Insurance Co. scandals.

In other recent opinions Martin concluded:

\* Independent school districts are barred from collecting delinquent ad valorem taxes incurred before Dec. 30, 1939.

\* A commissioners court does not have authority to compensate justices of the peace on an hourly basis.

\* A district clerk is legally authorized to retain as a fee of office compensation for accounting and administrative expenses in handling trust funds paid into court during litigation and invested at interest.

**TEXAS SIXTH** — Texas is sixth among destinations of vacationing American families, according to a national survey cited by Texas Tourist Development Agency.

Texas also ranks fifth in visitor spending, as well as sixth in family visits last year, according to the study commissioned by Better Homes and Gardens magazine.

With 2.8 million family vacation visits credited to the state last year, Texas was exceeded by California, 5.6 million; Florida, 5.5 million; New York, 4 million; Pennsylvania, 3.5 million; and Tennessee, 3 million.

Visiting families spent \$474 million in Texas, compared with \$1.9 billion in Florida; \$1.5 billion in California; \$684 million in New York; and \$650 million in Hawaii.

**WASHINGTON**

"As it looks from here"

**OMAR BURLESON**

Congressman  
17th District

Washington — In January of 1799 the Congress passed what is known as the Logan Act. In essence the law forbids private citizens from engaging in diplomatic negotiations with foreign governments without official sanction. It carries a maximum of three years imprisonment and a \$5,000 fine for violation. At intervals in our history some prominent and well known people have been accused of violating the Act but it turns out that, although frequently cited, it is one of the least used laws on the books.

The law came about in a rather curious way.

Ordinarily, legislation bears the name of the Congressman or Senator who authored it. In this case, George Logan, a wealthy Philadelphia Quaker and physician, was an early leader of conscientious objectors. In 1798 he was worried about the outbreak of war between the United States and France.

The French were angry over American reluctance to support her as repayment for her help in the American Revolution against England. In 1789 France had placed an embargo on U. S. shipping and seized several merchant ships and crewmen.

With a letter of introduction from Thomas Jefferson, then Vice President, Mr. Logan went to France to confer with her Foreign Minister Maurice d Talleyrand, and obtained the release of the ships and crews. Even Federalist President Adams was impressed with Logan's success but the Congress was not and passed the law bearing Logan's name since his acts were resented by the Legislative Branch.

Logan became popular in Pennsylvania and was elected to the United States Senate in 1801.

Undaunted by the law named for (or against) him, Logan left the Senate in 1807 and three years later went to England in an effort to negotiate better relations and try to avoid the War of 1812. In this effort, obviously, he failed. The Act was not invoked against him.

Apparently the only indictment ever returned under the law was against Francis Flournoy. Mr. Flournoy was a Kentucky farmer with a great interest in foreign affairs. In 1803 he wrote an article urging that a separate country be established in the American West, allied with France. Officials in Washington directed the U. S. Attorney for Kentucky to seek a Grand Jury indictment. Flournoy was indicted but charges were dropped when the United States made its Louisiana Purchase from France and the separation issue faded.

In more recent years such nationally prominent people as Henry Ford, Senator Joseph McCarthy, Vice President Wallace, Harold Stassen and Cyrus Eaton have been verbally cited as being in violation of the Federal law. I is now being questioned in some quarters as to whether Ramsey Clark, Pierre Salinger and Jano Fonda violated the Act by their talks with the North Vietnamese communist in Hanoi and Paris.

It seems that the lawyers in the Justice Department are saying that if any action is to be taken, it should be recommended by the State Department. The State Department says that it is the Justice Department who should act if there were law violations.

Probably the best explanation

at this time is that neither wants to pick up a hot potato because (1) they would be accused of political sledge hammering, which the law has seemingly always been; (2) they seem to think it would be difficult to prove "negotiations" and (3) prosecution would tend to make a martyr out of the defendants.

So, as it has always been, the Logan Act is something more to talk about than to prosecute under. But in reviewing the Logan Act's history, Harvard law professor, Dellew F. Vagts, wrote

In the American Journal of International Law: "Who can tell when a new administration, thinner skinned or harder pressed than its predecessors, may in its irritation, call into play this sleeping giant?"

# Horns Down Newcastle In Season Opener, 27-0

The 1972 Bronte Longhorns started their season off with a big bang last Friday night when they defeated the Newcastle Bobcats 27-0 in the season opener. Scoring started early when Alan Barbee tossed a 60 yard pass play to Gary Skelton and there was 5:15 on the clock. Kim Barrett kicked the conversion.

The second TD came later in the first quarter when Danny Carper went over from the 2 with 1:15 left on the clock. Third TD of the game came in the third quarter when Barbee kept and went over from the 2. The fourth counter came in the fourth quarter when Barbee tossed a pass to Randy Gibbs which was good for 35 yards and a counter.

### First Quarter

Newcastle kicked off to the Horns and Gibbs returned it to the Bronte 30. Barbee threw to Duncan for 8, Carper picked up 5 and Barrett added another 5. Following two unsuccessful plays, Barbee kicked to the Newcastle 20.

Newcastle made a 1st down but failed on the second try and punted. Barrett lost a yard on the initial try, but on 2nd down, things were different as Barbee broke the game open and tossed a pass to Skelton for 60 yards and a touchdown. Barrett kicked the conversion and the score was 7-0 with 5:15 left in the initial quarter.

Barbee kicked off and Edwards was downed on the Newcastle 30. Chambers got 2 and fumbled on the next play, which was recovered by Duncan on the Bobcat 30. Carper carried for 12 to the Newcastle 18, then Barrett got 7, then 4. Carper carried for 2, 3 and 2 and a touchdown. Barrett converted and the score was 14-0, with 1:15 remaining in the first quarter.

Barbee's kickoff was downed on the Newcastle 33. Chambers picked up 15 and a 1st down, but gains of 4, 3 and 2 on the next series required a punt, to the Bronte 10 as the quarter ended.

### Second Quarter

First series of the second stanza was unsuccessful as the Horns were penalized 5 and a few plays later Barbee had to kick. It went to the Bobcat 28.

Newcastle lost 4 yards in three plays and punted to the Bronte 42 where it was fumbled and recovered by the Newcastle lads. Three plays netted only 6 yards and Pitt's punted to the Bronte 12.

Barrett picked up 2 yards and a Barbee to Duncan pass was

nullified by a penalty, so Bronte had to kick. Newcastle pushed for two 1st downs before half-time.

### Third Quarter

Barbee kicked off to Pitts who nearly broke through for a Cat score before Skelton dropped him on the Bronte 30. Following, Newcastle lost 17 yards on four plays. After the ball went over, Barrett got 1, Barbee gained 7 and Duncan added 6 for a 1st. On the next series, Carper lost 3, but the next play was a Barbee to Carper pass which netted 5 plus a late hitting penalty for 15 more. Duncan added another yard, Barbee went for 6 and Barrett added 3 for a 1st on the Newcastle 12.

Duncan ran twice for 7 and 3 and a 1st down. Duncan added

### SHORTHORNS DOWN ROBY LADS IN CLOSE ONE

The Bronte Junior High Shorthorns traveled to Roby last Thursday and brought home an 8-6 win from the lads from Fisher County. Bronte's lone touchdown came on a pass interception and run for 55 yards by Turney Coulter.

The other two points came on a safety.

Roby's score came on a reverse that went for almost 100 yards.

The Shorthorns travel to Forsan this Thursday night. They will host Roby Tuesday night of next week.

### BOYS INVITED TO ENTER PUNT, PASS & KICK CONTEST

Boys in this area are invited to enter the Punt, Pass & Kick competition being sponsored by Ivey Motor Co., Robert Lee Ford and Mercury dealer. Ages eligible are 8-13.

Deadline for entering the contest is Friday, Sept. 29.

A total of 18 trophies will be awarded in the local contest. The competition is fair for every age boy, since he competes only against boys his own age.

Ivey Motor Co. personnel invite all boys, 8-13, to bring their parents, come in and sign up.

### LVN'S HAVE MEETING HERE LAST THURSDAY

Division 58 of the Licensed and Vocational Nurses of Texas met last Thursday night at First Baptist Church in Bronte. Highway Patrolman Bobby Hart presented the program, discussing Breath-a-Lyzer tests, used to measure alcohol content of the blood.

### State Convention

The state convention for LVN's will be held Sept. 19-22 at the Starlite Inn in Abilene. A large crowd from the local division is expected to attend.

Mrs. Brady (Marie) Mills is a candidate for state president of the organization. She is also state coordinator for the convention and is being assisted by Mrs. Martha McAlister of Ballinger.

Mrs. George Wrinkle returned Sunday from a two weeks' stay with her daughter and family, Mr. and Mrs. John Riley of Hubbard. While Mrs. Wrinkle was with the Rileys, Mrs. Riley had surgery and is recovering satisfactorily.

Visiting the Ernest Seays this week were Mr. and Mrs. Elmer LaGrone of Grady, N. M. The ladies are sisters. Other visitors were Mrs. Vesta Evatt of Mansfield, Mo., Mrs. Frank Jones of Graham and Mr. and Mrs. Sam Seay of San Angelo, all children of Mr. Seay.

another 2 and Barbee kept to go over from the 2 for another Bronte counter. Barrett's kick was wide, and the score was 20-0 with 4:51 on the clock.

Barbee's kickoff was returned to the Newcastle 40. Three plays later the Bobcats punted to the Bronte 20. Gibbs made no gain and two incomplete passes, Barbee to Skelton and Carper only led to a punt to the Newcastle 40. A penalty gave Bronte possession of the ball. It wasn't a good series, however, and after 3 tries at ground gaining, Barbee punted to the Newcastle 22.

### Fourth Quarter

Newcastle gained 3 yards and punted. Duncan got 3 but two incompletions later the Horns punted. A Newcastle run and pass project netted 10 yards. Next play, a pass, was intercepted by Duncan at the Bronte 20.

Carper was chosen for the ball carrier and he made 6 yards and another 6 yards for a 1st down. Bobby Reyes made 3, Duncan added 3 and Barbee made 5 for another 1st. Barrett received the handoff for 11 and another 1st. Carper picked up a yard and a Barbee to Gibbs pass netted 35 yards and the final touchdown of the night. Barrett converted to make the final score 27-0.

The game was nearly over but after the kickoff Newcastle had an incompleting and a 15 yard loss on 2nd down; next play was a pass which Barbee intercepted and returned it to the Newcastle 30.

On the final series of downs, Barrett added 5 yards, Carper went for 7, Barrett 1, Carper 0, and Barbee and Ward wound it up with an incomplete pass.

Sharp blocking and good defensive play was turned in by Bobby Reyes, Brad Reed, Louis Martinez, Kit Carlton, Davy Chapman, Mark Lee, Kirwin Denton, Nelson Coulter, Kyle Lee, Chris Ward and Gary Skelton.

## Nurse's Aide Course Possible

Another nurse's aide course in Coke County is a possibility if sufficient interest is shown by women of the county.

Mrs. J. W. Martin, a representative of Bradford Center, Tom Green County Community Action Council, said this week she will take applications for the course next week. She will be at Bronte City Hall Thursday, Sept. 21, and at the Courthouse in Robert Lee Friday, Sept. 22.

Courses were held in Robert Lee and Bronte several months ago. Number from Robert Lee who finished the course and received certificates was 31, while 24 Bronte women completed the instruction.

### CORRECTION

In the story about the meeting of the Evening Lions Club in last week's Enterprise, it was reported that Royce Dyess won the \$5 drawing. This was in error, as the winner was Clifford Barrett.

**HELP YOURSELF AND YOUR COUNTRY BUY SAVINGS BONDS**

# How to make saving as easy as spending.

Getting rid of the good old American Green is about the easiest thing in the world.

Everywhere you turn there's somebody ready and willing to help you. So you keep making it, and you keep spending it.

But, saving money is another matter.

That's why you should know about the Payroll Savings Plan. It makes saving about as easy as it's ever going to get. When you sign up for the Plan where you work, the amount you specify is set aside from each paycheck. That money is used to buy U.S. Savings Bonds.

The beautiful thing about the Payroll Savings Plan is that your money is saved for you before you, or anybody else, can get his hands on it.

And, now there's a bonus

interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds. Join the Payroll Savings Plan where you work. Make saving as easy as spending.

# Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources  
Of The Texas Department of Agriculture  
John C. White, Commissioner

**Farm Prices Show Slight Drop**  
...Turkey Production Declines  
...Five Counties Added to Fire Ant Control area... Food and Fiber Pavilion Readied...

Prices received by farmers and ranchers as of the middle of August showed a seven point drop from a year ago. But prices are 18 per cent above 1971.

All meat animals were down from a month ago, but were at higher levels compared to a year ago. Poultry and eggs were below a year ago. Milk prices were up; wool and mohair were unchanged from last month, but showed some increase from a year ago.

The all-crops index was up four per cent from a year ago. The majority of field crops were down from last year with the exception of wheat, rice, potatoes and cotton which were above last year.

Only one farm commodity — calves — was above full effective parity. Cotton, for example, had a parity of 55.16 cents per pound. The price average was 30 cents per pound. Grain sorghum price averaged \$2.08, but the parity is \$3.33 per hundredweight.

Wheat averaged \$1.55 compared with \$1.38 a year ago.

**LIVESTOCK** prices included: hogs averaged \$27.70 with full parity at \$30.60. Beef cattle parity is \$36.80; average price was \$33.20. Calf parity is \$44.20; average price received by farmers was \$44.20.

Parity price for eggs is 44.9 cents per dozen; average price to Texas producers was 34 cents per dozen.

**TURKEY** production in Texas is expected to be four per cent under the 1971 levels, the Texas Crop and Livestock Reporting Service reports. The current crop is estimated at 8,015,000 birds compared with 8,378,000 raised last year. Texas is now the sixth ranked state in turkey production.

Nationwide, turkey production is expected to be higher by seven per cent this year compared to last year. Minnesota is the number one turkey producing state in the nation with an expected 20,700,000 birds this season.

FIVE Texas counties have been added to federal regulations relating to the imported fire ant control program. The counties are Nueces, Smith, Trinity, Victoria and Walker.

A total of 36 counties in Texas are now under federal regulations relating to fire ant control. They are located primarily in the coastal bend area of the state.

**RED MEAT** production in Texas and the nation has shown declines from a year ago. In Texas commercial slaughtering plants reported a one per cent decline in red meat production; nationwide, commercial production of red meat is down 11 per cent. Commercial meat production includes slaughter in federally inspected and other slaughter plants, but excludes animals slaughtered on farms.

**FOOD** and Fiber Pavilion at the State Fair of Texas will highlight Texas agricultural production as well as acquainting Texans with the quality of these products. The pavilion is under the direction of the Texas Department of Agriculture personnel. About 1,500,000 Texans are expected to visit the pavilion this year.

The Women's Society of First United Methodist Church met Monday afternoon in the home of Mrs. Stan Cosby with 10 women and one child attending.

Mrs. Juanita Rogers presided and Mrs. Lee Alderman gave the opening prayer. A short business session was held and Mrs. Savannah Thompson read the minutes of the last meeting.

A new study, "A New Generation in Africa," was begun and Mrs. Josie Hipp gave the program entitled "Cry Sorrow, Cry Joy." Mrs. Bobby Sanderson gave the closing prayer.

A refreshment plate of cake, nuts, punch and coffee was served to Mmes. T. A. Carlisle, Austin Jordan, Terry Barrett, Fannie Mae Wilson, Alderman, Sanderson, Thompson, Hipp, Cosby and Rogers and Linda Kaye Garvin.

### Baptist WMU Meets

The Women's Missionary Union of Blackwell Baptist Church met Thursday, Sept. 7, at 2:30 p.m. with four members present.

Mrs. James L. Clark, president, presided for the meeting. Mrs. Vera Bryant gave the call to prayer and Mrs. Ninnie Kinard gave the prayer for missionaries. Mrs. Willie Burwick gave the closing prayer.

Mr. and Mrs. Harley Waggoner, James, Gary and Robert of Garland visited over the weekend with her mother, Mrs. Josie Hipp.

Mrs. Alma George of Phoenix, Ariz., visited recently with her mother, Mrs. Mayme George.

### ENDANGERED SPECIES TO BE STUDIED AT MEET

A statewide conference to discuss rare or endangered species of plants and animals will be held in Austin Sept. 20.

The meeting is being called by the Texas Organization for Endangered Species, a coalition of state, federal and private groups.

Rex Brand, with the Soil Conservation Service here, said he hopes somebody from Coke County will be able to attend.

Bronte Elementary School was a pioneer in this type of educational facilities in this area. Much of the equipment in it was supplied by the state for development and evaluation. The project was so successful that school officials decided students in grades 7-12 should have the same opportunities at learning.

The new equipment was installed during summer vacation and was ready for use when this school term started.

Supt. C. B. Barbee said he was happy that Bronte School can provide this type of program and equipment for all its students.
