In 1944, following assignments in various field locations of that area, Smith transferred to Paradise, La. He returned to Texas in 1947 and served at Katy for a six year period. Subsequent moves with Humble took him to Ft. Chadbourne, Rule and to Bronte in 1964.

Another healthy increase in bank deposits was posted by First National Bank in Bronte on Oct. 10 when the comptroller of the currency called for a statement of condition.

The Oct. 10 report showed \$4,269,844.36 on deposit. This figure is \$761,782.79 over the \$3,508,061.57 on deposit a year ago; \$314,393.19 over the \$3,955,451.17 reported in early July.

The \$4,239,844.36, when added to the \$3,939,458.92 on deposit in Robert Lee State Bank, gives Coke County a total of \$8,209,303.28 on Oct. 10.

Hornets Play Divide

The Hornets will meet Divide on the football field for the highlight of the day's activities. The Hornets will be trying hard for a win, especially to please the big homecoming crowd expected.

Things are taking definite shape for the homecoming to be held in Bronte Saturday, Oct. 28. Apparently it is going to be one of the biggest and most successful of the "big" homecomings in several years.

A schedule of the events of the afternoon and night was released this week by Delbert Coalson, president of the Bronte Ex-Students Association.

The program for the day will begin at 4 p.m. with a parade in downtown Bronte. An hour has been set aside for the parade and Parade Master Glenn Sims said Thursday morning that a number of floats are under construction. Several other features for the parade are expected, also.

The Longhorn Band will be one of the featured participants in the parade and Coke County Saddle Club expects to have some of its members on hand with their horses. Sims said other groups have been contacted and he felt sure at least some of them would take part. He urged any person or group who wants to participate in the parade to contact him as soon as possible.

Following the parade, from 5 to 5:30, there will be a pep rally in the school gym.

A program is scheduled in the school from 5:30 till 6 p.m. Roy Wayne Stout will preside and Don Hageman ('68) will be the featured speaker.

Hanging Victim Found Wednesday

A ruling of suicide was made Thursday in the death of Noel Dwayne Oswalt, 41. His body was discovered Wednesday morning hanging from a large oak tree northeast of Bronte.

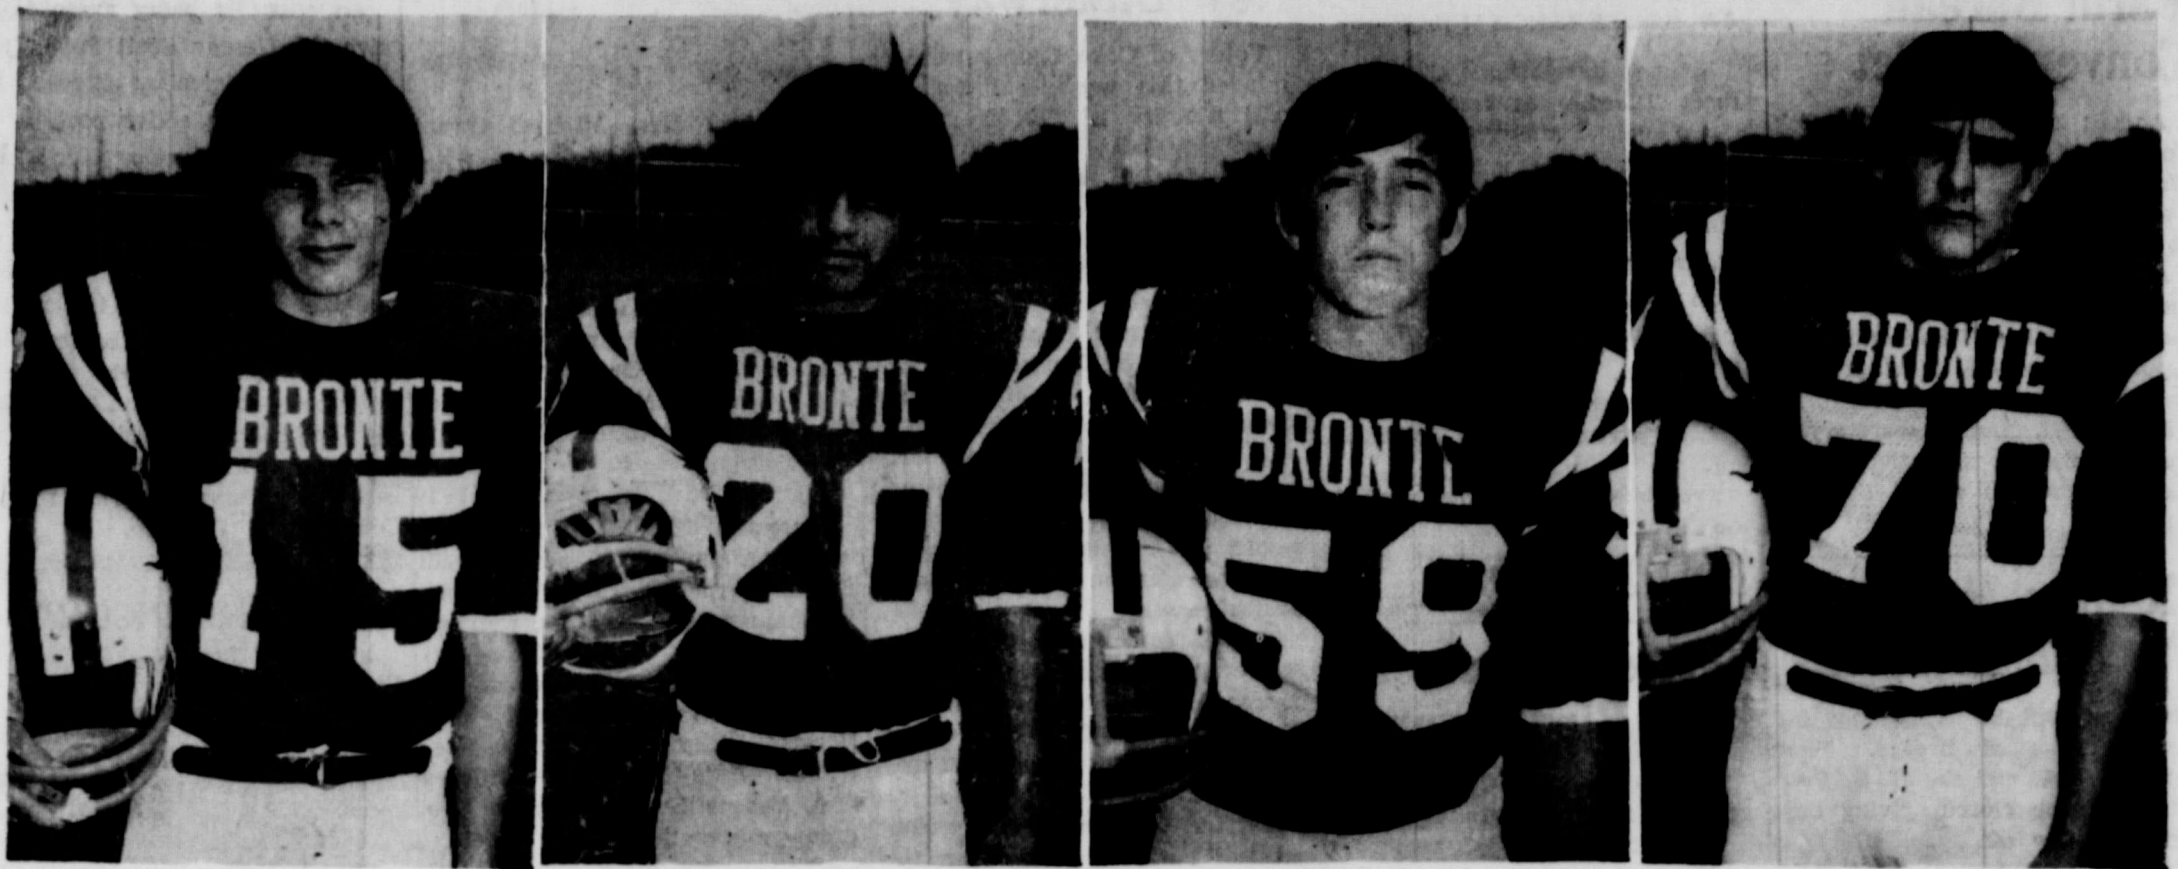

Justice of the Peace Cecil Kemp said Thursday afternoon that the investigation indicated that death was from suicide by hanging.

Kemp said Oswalt's body was hanging by the neck from a small nylon rope.

Site of the incident was about 1 1/2 miles down Morrow Lane, northeast of Bronte, about a mile from the home of Mr. and Mrs. Jim Morrow. Judge Kemp said as best law officers could determine, death occurred a day or more before discovery.

Oswalt's body was picked up at Robert Lee Wednesday afternoon by a plane sent by the dead man's brother, Paul Oswalt, of Lamesa.

Deputy Sheriff Don Thorpe was the first law officer called to the scene. Sheriff Melvin Childress and Thorpe conducted the investigation.

Austin — Gov. Preston Smith kept legislators guessing whether he would call them to work in another special session immediately after the conclusion of the fourth called session.

Regardless of the outcome of deliberations on competitive rates for auto and home insurance, the session did pass a respectable number of the nearly 30 pieces of legislation submitted by the Governor.

Nearly a week before the adjournment deadline, lawmakers handed the Governor bills he sought to restore some of his fiscal-budgetary authority. They gave him an emergency fund, authority to use it to head off fiscal crises and provided for some gubernatorial power to review need for budgeted spending. These additional bills were among those finally passed and sent to the Governor:

* A \$13.5 million appropriation for medical school buildings at Texas Tech in Lubbock and the University of Texas medical school at Houston.

* An \$8 million appropriation for a new school for the mentally retarded at Fort Worth.

* A \$317,000 appropriation to pay leftover costs of May-June primary elections.

* Exemption of aviation schools regulated by the Federal Aviation Agency from control by the Texas Education Agency under the new proprietary (private trade) school act.

* Authority for Midland to disunex from the Odessa junior college district.

* Establishment of Texas Film Commission as a statutory permanent agency.

AG OPINIONS — Third parties except the state and its agencies, whether individuals, associations or corporations, may legally contract for dental care of citizens only by complying with the non-profit corporation act, Atty. Gen. Crawford C. Martin held. Martin's opinion said the Department of Public Welfare and other state agencies can so contract under the medical assistance act.

In other recent opinions, Martin held:

* House members cannot buy their old desk chairs, since state property must be disposed of according to statute.

* A Fort Worth ordinance regulating and licensing bail bondsmen in municipal courts does not conflict with the constitution or statutes.

* Nepotism law exemptions (for those with two years' state service prior to election of relatives) apply to year round legislative employees but not to those who work only during legislative sessions.

AWARDS PRESENTED — Cullen Luttrell of Sonora, maintenance supervisor for Sutton and Schleicher counties, received the third annual Lady Bird Johnson award for Highway beautification. Luttrell's prize was \$1,000—presented by the former first lady.

Television personality Arthur Godfrey participated in the awards ceremony.

TEACHERS COMMISSION NAMED — Twenty-four persons

were named to the new State Commission for Professional Competencies.

The commission will serve through Sept. 30, 1974, and will include the presidents of six professional organizations to be named later.

It will recommend statewide guidelines for teacher competency to the State Board of Examiners during a two year period. The commission will try to identify skills, personality and qualifications which will make school teachers effective in the classroom.

YOUNG OFFENDERS MAY BE FREED — An Austin district judge's ruling may lead to freedom for several hundred reform school inmates who had no attorneys when they were committed.

Judge Charles Mathews told the attorney general's office to find out by Nov. 8 which of the juvenile offenders waived right to counsel.

Mathews said a 1967 U. S. Supreme Court decision would require release of juveniles who had no lawyers and did not waive right to counsel. A Travis County legal aid officials seeks release of 514 youngsters.

FIRE ANT PROGRAM STARTS — A joint federal, state and local program designed to control imported fire ants in Fort Bend County is set to begin this month. Agriculture Commissioner John White said.

About 495,000 acres will be treated with Mirex ant bait which has approval of the Environmental Protection Agency.

Mirex is a slow acting compound and takes 10 to 14 days to kill the ants. It is not toxic to fish, fowl, animal or humans, White said. The program is expected to last about three weeks.

Short Snorts

Texas Civil Judicial Council announced approval of a constitutional amendment to abolish the fee system for Justices of the Peace and require payment of salaries to JPs.

The House told Texas Highway Department by resolution it shouldn't build the controversial new departmental headquarters across the street from the governor's mansion and capitol.

Revenue from cigarette taxes dropped \$106,729 from September 1971 to September 1972—to \$15.34 million.

The Legislature called on Congress to order Veterans Administration hospitals to treat drug addiction among servicemen returning from southeast Asia.

Oct. 15-21 has been designated Cleaner Air Week for Texas.

Luttrell Receives Lady Bird Award

Mrs. Lyndon B. Johnson last week presented the third annual Lady Bird Johnson Award for Highway Beautification to Cullen Luttrell of Sonora, Texas Highway Department maintenance construction supervisor for Sutton and Schleicher counties, and former resident of Bronte.

An audience of nationally known conservationists, including Texas Highway Department officials and maintenance men, and representatives of the press from all sections of Texas gathered in the Lyndon B. Johnson State Park near Stonewall to witness the presentation as Mrs. Johnson's guests for the special program and luncheon.

Luttrell, a Bronte native, grew up here and served several years as maintenance foreman for the Highway Department in Coke County. He is married to the former Pauline Bell, daughter of Mrs. B. A. Bell of Bronte.

Among the special guests was Arthur Godfrey, environmental leader and well known radio and television personality.

Luttrell received a handsome plaque which cited him for "his contribution to the beauty of Texas highways through landscaping, preservation of wild flowers, and maintenance of rest areas." He also received Mrs. Johnson's personal check for \$1,000.

Absentee Voting Now Underway

Voters of Coke County were reminded this week that the General Election of 1972 is drawing near. Absentee voting started Wednesday to elect public officials from the President of the United States on down to the officials on the precinct level.

Persons who wish to vote absentee will have to go to or write to the office of County Clerk Mrs. Winnie Waldrop for ballots and absentee forms. Those eligible to vote absentee are persons who are going to be out of the county on election day and those who would be unable to get to the polls on election day because of health reasons.

Ballots for the election were delivered this week and mailing of requested ballots was planned Wednesday. Deadline for requesting an absentee ballot is Thursday, Nov. 2.

Candidates nominated by four political parties are listed on this year's ballot. They are Democratic, Republican, Raza Unida and Socialist Workers parties.

In addition, this year's ballot in all Texas counties will carry 14 amendments to the state constitution, which will be decided by voters.

The only races which might be called local and in which the Democratic nominees have opposition are for U. S. Congressman where veteran Democrat O. C. Fisher is opposed by Republican Doug Harland, and the state representative race where Rep. Renal Rosson of Snyder is opposed by Rich Anderson of Big Spring.

Other races on the ballot are nationwide or statewide. One of them is particularly interesting, as it puts Richard M. Nixon, the Republican incumbent, up against George McGovern.

Horns Whip Sands, 48-0

A double tough defense led by the entire front line and linebackers Louis Martinz and Danny Carper, plus an alert secondary that picked off five interceptions, three by Jim Dan Raughton, and the quick thrusts of Mark Duncan and the power running of Alan Barbee led the Longhorns past the Mustangs of Sands to an easy 48-0 win last Friday night. It was the second game and the second victory for the Horns in District 3-B competition.

First Quarter

Barbee kicked off to Schuelte who returned to his 12. Sands gathered only 4 yards in three tries and Floyd's punt was blocked and recovered on the 6. Barbee carried it in on the first try. Barbee's conversion run was nullified by a penalty and the second attempt, a Coulter to Raughton pass, fell incomplete, so it was Bronte 6, Sands 0.

Barbee kicked off to Schuelte who returned to his 41. An incomplete pass and two unsuccessful runs, one a 5 yard loss, thanks to tackle Brad Reed, required Floyd to punt. Gary Skelton returned the punt to the Bronte 40. Duncan burst for 14 and Carper for 12 before Coulter threw incomplete to Raughton. Barbee lost 7 on a bad pitch but redeemed himself by roaring for 45 yards and six points on the next play. His conversion kick was no good and the score was 12-0.

Barbee kicked off to Schuelte who returned to the Sands 48. Zant got 2 to move the ball to the midfield stripe, Sands' deepest penetration. Two running plays collapsed and a bad snap gave the ball to the Longhorns on Sands' 20.

Coulter picked up 1 and Duncan got 10, 1, 6 and 1, the last good for 6 points with 4:12 still on the clock. Barbee's conversion kick was nullified by a penalty and the second attempt was no good. Bronte 18, Sands 0.

Barbee kicked off to Floyd who returned to the Sands 30. Sands ran four plays, assisted by a 5 yard penalty against Bronte and a triple reverse to pick up its first 1st down. On the next play, Duncan intercepted a pass and returned to the Sands 47. Barbee rambled for 25 to the Sands 22.

Second Quarter

Duncan got a 1st on the 12. After Carper made 6, Barbee carried the last 6 for another TD. Barbee's conversion try was no good. Score was 24-0.

Barbee's kick off bounced off a lineman to give the Mustangs good field position at their 47.

Raughton got his first interception on the next play and returned to the Sands 15. Four unsuccessful plays gave the ball to Sands on the 12. Sands couldn't move it and punted to Skelton on the 39. Four plays netted only 9 so the Longhorns gave up the ball to the Mustangs.

When Sands took to the air, Raughton intercepted and this time carried it back to the 12. A 5 yard penalty placed the ball at the 17 and when Carper picked up 8, Duncan had to get 9 for the TD. Bobby Reyes conversion kick failed and the scoreboard said Bronte 30, Sands 0.

Barbee's kick off again went to a forward lineman who returned to the Bronte 48. After a 5 yard offside penalty against Sands, the runner was jarred loose from the ball by Louis Martinez, who recovered it at the Sands 42.

Duncan got a 1st on two carries and Coulter hit Raughton for 20 at the 12. Coulter's next pass, an incompleteness, ended the first half of play.

Third Quarter

Skelton returned the second half kick off to the Bronte 42. Carper became the workhorse in the backfield on consecutive runs of 5, 8, 7, 10 and 4. After Reyes and Duncan had moved the ball to the 15, Duncan carried it in. Barbee's conversion kick was

blocked and it was 36-0.

From their 37 Sands completed a 3 yard pass but the receiver was jolted by Barbee and the fumble recovered on the 29. A 15 yarder moved the ball to the 14. Carper again was called on to deliver the mail and, after runs of 4, 6 and 2, he scored from the 2. Coulter tried to hit Raughton for the extra points, incomplete. Bronte 42, Sands 0, and 5:00 on the clock.

Skelton's kick off was returned to the Sands 44. Sands got its second 1st down on a 4th down fake punt to the Bronte 25. A couple of plays and Bronte was charged with piling on. Sands then attempted a pass which was intercepted by Barbee at the 10 and returned to the 33.

Duncan provided most of the punch with runs of 5, 7, 4 and 4, to end the 3rd quarter.

Fourth Quarter

Carper picked up a 1st down but three incompleteness turned the ball over. Three attempts and Sands punted to Raughton on the 31.

Carper moved the ball along with Reyes, who had a good 2 yard run. A Bronte 5 yarder had slowed progress to the 2 from where Reyes carried it in. Reyes conversion attempt failed. It was 48-0 with 7:00 on the clock.

Reyes provided most of the spark in the fading minutes with runs of 6, 2, 8 and 9 yards. But the scoring was over and the Horns had won handily with their 48-0 score.

Leading rushers for Bronte were: Barbee 5 for 80 yards; Carper, 19 for 63; Duncan, 19 for 131; Reyes, 9 for 68.

Outstanding line play was given by Kit Carlton, Davy Chapman, Kerwin Denton, Mark Lee and Randy Gibbs. Good back up play was provided by Chris Ward and Kyle Lee.

Score by quarters:
Bronte 18 12 12 6-48
Sands 0 0 0 0-0

Rich Anderson is sure the two-party system can do better.

Rich Anderson knows the two-party system can provide checks and balances in state government. One reason we've had "crisis-to-crisis government" in Texas is that one party has been calling all the shots for nearly a century.

Lots of folks around here plan to

give President Nixon and Senator Tower another chance. It would certainly be worth giving state government a boost by giving the two-party system a chance.

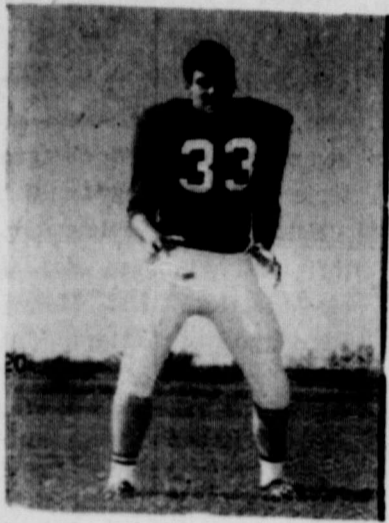

You can have a strong, effective, independent representative in this district if you'll elect a man who

doesn't spend all his time worrying about pleasing his party leaders, the lobbies or special interest groups.

Rich Anderson is making just one campaign promise. He'll be a representative you'll be proud of.

Registration of the exes coming home will begin at 5 p.m. and continue as long as necessary.

The school building will remain open during the football game for those who prefer to visit instead of seeing the game.

Reservations Necessary

Persons who wish to attend the dinner should make reservations, by sending their names and addresses, along with \$2.50 for each person, to Mrs. Kay Daulong, Treasurer, Bronte, Texas 76933. The \$2.50 charges does more than cover the cost of the dinner, association officials pointed out. Any excess over the cost of the dinner goes into the association treasury and provides a small amount of money to meet any small expenses which may come up during the year.

Association officials have mailed out 1500 invitations to ex-students and teachers, and a big crowd is expected in Bronte on Oct. 28.
