### Marker Dedication, Program Honor Pioneer Coke County Sheriff Murray

Forty persons will present Tuesday for the BCD noon luncheon and the dedication of the Locklin Bartholomew Murray grave marker. The event was held in the Robert Lee Recreation Center with the marker to be erected at the cemetery later.

Murray was an early day Coke County sheriff and tax collector, being elected in 1894 and serving from 1895 until 1903. He was named as an outstanding lawman by Ira A. Bird and the late Hawley Allen and others.

Following the meal, BCD president S. E. Adams welcomed everyone and then turned the program to Sterling Lindsey who was master of ceremonies for the dedication program.

Rev. A. A. Kerrill gave the invocation. The colors were presented by Boy Scouts Kevin Roe and Billy Matlock as Mrs. Wilson

Bryan played the National Anthem at the piano. Scout Wadd Davis led the audience in the pledge of allegiance and Mrs. C. E. Arnett led "America."

Mrs. Bryan Yarbrough introduced members of the Historical Survey Committee that were present. Among special guests were Wm. L. (Bill) Barnett of Robert Lee, grandson of Mr. Murray; Mr. and Mrs. Bill Culvert of Robert Lee and Mrs. O. D. (Velma) Culvert of Billinger, the ladies being granddaughters of Mr. Murray; a great-granddaughter, Mrs. Melvin Allison of Odessa and two great-grandchildren, Sandy and Loye Dawn Allison of Odessa.

A special thanks was given to G. C. Allen for his donation toward purchasing the marker.

Ulmer Bird, in giving reflections of Sheriff Murray, cited him as a man who valued the law, had the knack, ability and determination to enforce it, yet had a deep understanding of the people.

Judge Thetford introduced the guest speaker, Highway Patrolman Bobby Hart, who spoke on some of the problems of present day law enforcement.

Mrs. Yarbrough asked that all present pause and give reverence to all lawmen of the past and present time.

Mrs. Bill Culvert, Mrs. Vernie Culvert and Bill Barnett unveiled the marker and Sterling Lindsey read the inscription on it.

The song, "Battle Hymn of the Republic," was led by Fern Havins.

Since the United States Senate passed a resolution proclaiming Tuesday as a National Day of Prayer, in observance of the occasion, Ulmer Bird directed a special prayer followed by singing of "God Bless America," led by Mrs. Yarbrough with Mrs. Bryan at the piano.

Kenneth Green, minister of the Northside Church of Christ, gave the benediction.

**In 32 years,  
Congressman O.C. Fisher  
has endorsed  
only one man.  
Nelson Wolff.**

**"Nelson Wolff knows how to get things done."**

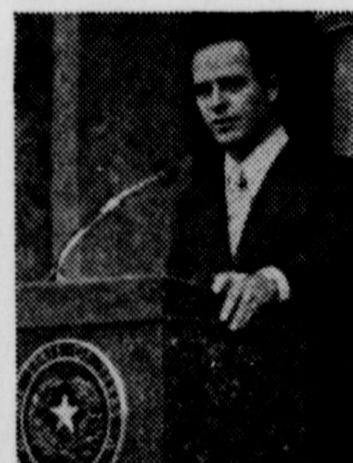

Congressman Fisher knows Nelson Wolff. He knows that he is an experienced and effective legislator. A man of action, Nelson Wolff has four years experience in Austin. Working for his constituents. Learning how to write a bill, get it through committee and passed. And his record of legislative accomplishments is impressive. Strengthening law enforcement and improving the judiciary. The first "No-New-Taxes" budget in 25 years. Action on the energy crisis. Congressman Fisher has endorsed Nelson Wolff because Nelson Wolff is not a talker. He is a doer.

**"Nelson Wolff has an urban-rural outlook."**

As a rancher, Nelson Wolff knows the needs of the agricultural industry. As the owner and co-founder, along with his father and two brothers, of a lumber business, he knows the needs of the city, too. More than any other candidate Nelson Wolff is ideally suited to serve the diverse 21st Congressional District.

**"Nelson Wolff stands for high political ethics."**

Nelson Wolff is a conservative minded man who believes in honesty and fair play in government. He was elected to the State Legislature on a pledge of ethics and integrity in government. He kept his promise. With support for the strongest ethics bill in the nation. And legislation requiring full financial disclosure. In his own campaign Nelson Wolff has adopted guidelines more stringent than those required by Federal Law. Nelson Wolff is running for Congress, now. But on the same pledge. To restore integrity and ethics to government. He'll keep this promise, also.

Stroebel, graduate of Bronte High School and Texas Lutheran College, recently presented a seminar to organic chemistry faculty and graduate students of the University of Utah. Stroebel's topic was "Phase Transfer Catalysis - Dichlorocarbenes in Aqueous Media." Making this campaign has been a pleasure for me, as I have had the opportunity to visit with many old friends and to meet some of the new folks in the precinct.
