PRE-KINDERGARTEN DAY SCHEDULED FOR MAY 9

All children who will be in kindergarten next fall are invited to attend Pre-Kindergarten Day on May 9.

Mrs. Bob Shields, kindergarten teacher, asked that parents who have children involved contact her, as she needs the names of all those who will attend.

Mrs. Royce Fancher's homemaking students will take the present kindergarten class during the day as one of their projects.

Golf Teams Qualify For Regional Meet

The Bronte Longhorn golf teams completely dominated the District 19-B tournament held Wednesday at Maxwell Municipal Golf Course in Abilene. The Horns qualified both teams for the regional meet by capturing first and second. It was the third straight year for a Longhorn team to take the district title.

In Wednesday's play the No. 1 Longhorn team took first place shooting a fine 319 score. Members of this team and their scores were: Wayne Alexander, 76; Wayne Coalson, 76; Jim Dan Raughton, 81; Bobby Bailey, 86; Nelson Coulter, 90. This will make the fourth straight year for Alexander and Raughton to participate in the regional tournament.

The No. 2 Horn team finished second Wednesday, shooting a team score of 384. Randy Parker led this team with a 90. Mario Gonzales had a 92, Johnny Hibbs 100 and Randy Leigh 102. Hawley finished third with 413 and Blackwell had a team score of 419.

In individual play Alexander and Coalson shared medalist honors with their 76s. Raughton was next in line, then Bailey, Coulter and Parker. Alexander has now won or shared the district title three years in a row. He is also the defending regional champion and finished second in the state last year.

The Longhorns have been moved to a different region this year and will compete at Brownwood instead of Lubbock. The regional tourney will be held April 24 and 25.

REGION BOUND — Bronte High School will send five girls tennis players to the regional UIL meet Thursday and Friday in Brownwood. Two doubles teams and one singles entrant will take part in the meet. Pictured from left to right are Sherrie Coalson, Sherri Cooper and Kim Glascock. At the right is Shalon Cooper. Not pictured is Janie Raughton, whose picture is being run above with regional literary entrants.

Tennis Teams Take District 19-B Title

Just as the local girls had done the week before the Longhorn tennis players won almost everything in sight when District 19-B held its meet Monday. The tournament was held at Rose Park in Abilene.

The boys qualified both high school doubles teams and one individual for the regional tournament April 24 and 25 in Brownwood. Jim Dan Raughton and Wayne Alexander captured the doubles title by downing another Bronte duo, Wayne Coalson and Randy Parker. Bobby Bailey also qualified for the regional meet by finishing second in singles. He was beaten by a boy from Trent. Johnny Hibbs finished fourth in singles play.

In the High School Jr. Division Bronte again finished first and second in doubles. Randy Leigh and Bobby Taylor captured the title while Robert Teschendorf and Keith Eubanks were runnerup.

Jimmy Tidwell and Darron Koenig won the grade school doubles title. Bruce Vaughn and Kyle James also competed in this division.

Jay Schoenfield captured the grade school singles title winning four matches in the process. Robert Taylor was the other singles player from Bronte.

Girls Finals

In playoffs held last Friday Bronte girls captured two more first places. One match was already a cinch Bronte win as only Bronte players participated. In that match Sherrie Cooper and Shalon Cooper downed Sherrie Coalson and Janie Raughton for the title. In a playoff held

To Washington Meet

Finis Harmon, vice president and membership chairman of the Coke-Sterling County Farm Bureau, will attend the Texas Farm Bureau Presidents' Conference April 22-24 in Washington, D. C.

In order to send a representative, the local Farm Bureau was required to have had 55 per cent of the total new members signed in 1974 and 55 per cent of the total 1974 membership by March 31. In addition, TFB was required to have 85,000 members enrolled and 100 qualified counties by the same date.

Coke-Sterling County Farm Bureau qualified with 39 new members and a total membership of 179. Coke-Sterling FB contributed the required fee of \$50 to the cost of the trip for Harmon.

The two day trip is designed as a practical object lesson in federal government operations. According to Carrol Chaloupka, TFB president, county leaders can gain a better understanding of how Congress works and enable Farm Bureau leaders to get to know members of the Texas Congressional delegation.

FB Secretary Mrs. C. E. Arrott said Tuesday that work on the new Farm Bureau building in Robert Lee is progressing nicely. Windows and doors were being installed and partitions erected. The building is located at the site of the old FB office building, next door to the post office in Robert Lee.

The cost of not saving keeps going up.

If you need cash and you haven't saved it, you have to borrow. And that means paying through the nose to use someone else's money.

So it makes sense to put away a few dollars of your own. One great way to do just that is by purchasing U. S. Savings Bonds through the Payroll Savings Plan where you work. It's an easy way to build a nest egg.

Now there's a bonus interest rate on all U. S. Savings Bonds — for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with comparable improvement for all older Bonds.

Buy U. S. Savings Bonds. It's a lot better to be receiving interest on your own money than paying it out on someone else's.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a good way to save.

Take stock in America.
Now Bonds pay a bonus at maturity.

After high school, will your kid go to work, or to college?

High school is the end of Free Education.

If your child decides to go on to college it'll take money. Lots of money. Money that you should probably be saving right now.

And there's no better way to start a college savings fund than by joining the Payroll Savings Plan where you work. That way an amount you specify will be set aside from each paycheck and used to buy U. S. Savings Bonds. Before you know it you'll have a nice little college fund on hand.

Now there's a bonus interest rate on all U. S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra

1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.

Join the Payroll Savings Plan. And, if your child keeps studying and you keep saving, you'll both be ready for college.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a smart way to save.
