BEST OF THE BEST — The golf team of Bronte High School will compete this weekend in the state UIL golf tournament at Austin. The competition will be held Friday and Saturday at the Jimmy Clay Municipal Golf Course. The local golfers earned their chance to play

in the state meet by taking first place in the regional tournament at Brownwood. From left, team members are Wayne Alexander, Nelson Coulter, Jim Dan Raughton, Bobby Bailey and Wayne Coalson. Coulter will not be playing with the team at state, since he

is a member of the BHS mile relay team, which also will be competing at the state level. Coulter will be replaced on the golf team by Randy Parker who was the top player on the No. 2 team of Bronte and also competed at the Region II tournament.

Two Students State Winners

Two Bronte High students took first place honors last weekend at the state UIL literary meet held at the University of Texas in Austin.

John Heaner, son of Mrs. Dorothy Heaner, was a double winner, as he took first place in ready writing and was second place winner in Science.

Bobby Hamilton, son of Mr. and Mrs. Pat Hamilton, was the first place winner in the Science Division.

A couple of other Bronte students, Billy Hamilton and Janie Raughton also participated in the state meet.

Janie, the daughter of Mr. and Mrs. James M. Raughton, won regional honors and represented Region II in Typewriting and Spelling.

Billy, also the son of the Pat Hamiltons, competed in Number Sense.

Other entrants from Bronte who will compete at state include the golf team and the mile relay team, both of who are going to Austin for activities this weekend.

Light Rain, High Winds Hit Sunday

About a half inch of rain fell in the Bronte area Sunday afternoon, accompanied by high winds. A tornadoic type wind hit on the Humlong Ranch southwest of Bronte and blew a barn into the house of Mr. and Mrs. Jerry Landers, causing major damage.

A number of utility poles were clipped off by the high wind.

Unsettled weather continued into Thursday and farmers and ranchers were hoping for more rain, but felt they could get along without hail or high winds.

4-Hers Do Well At District Meet

The Extension District 7 4-H elimination contests were held in San Angelo Saturday with several Coke 4-H members involved.

Kelye Percifull, Amy Percifull and Shawn Marshall placed second in the junior division of the Family Life Education Activity contest. AD-LIB-BEN

The band concert Tuesday night was superb. We extend our congratulations to Director Louis Thornton and to everyone of the bandmen from the lowly fourth graders who toot their flutophones, to the highly sophisticated and trained members of the Swingers, who would be able to make a fine showing in a New York or L. A. high class night club. Golly, those kids play so pretty—like real professionals.

We're not in the habit of singling out anyone of a group and paying special recognition, but we find it impossible not to give special mention to Craig Lee, the drummer for the Swingers. That guy has got the rhythm or whatever it is to pound out the drum accompaniment for all those other superb musicians. Director Thornton told us that every one of the Swingers are exceptionally fine musicians. That talent is one the kids have to have in order to get to be a member of the Swingers.

A very dear friend of most all of us Bronte folks has run into some real problems lately. Jerry Proctor is critically ill in a San Angelo hospital. She underwent emergency surgery Thursday night of last week at Shannon Hospital in San Angelo. This sort of treatment doesn't come very inexpensively, and reports say that Jerry will be hospitalized for at least three weeks, which will have to be followed by a long recovery period.

Jerry's friends in Bronte are trying to help her with the financing of this long treatment period. Jars, boxes and other containers have been placed in most Bronte business firms to give everyone of Jerry's friends an opportunity to help her.

Every dime that is contributed, I think, will be appreciated. Jerry Proctor is a very nice lady (a good old gal) and we should come to her aid now while we have the opportunity.

There's a box at The Enterprise office, in case you miss them in other businesses.

Awards Presented at Spring Band Concert

Residents of the city and surrounding area jammed the Bronte School auditorium Tuesday night to hear the annual spring concert of the Bronte School bands.

Kim Arrott, daughter of Mr. and Mrs. LeDrew Arrott, was announced the winner of the coveted John Phillip Sousa Award, the highest award that can be attained by a Longhorn Band member.

Band Director Louis Thornton made the awards.

The Director's Award, presented each year to the outstanding Junior Band member, went to Brian Champion, son of Mr. and Mrs. E. L. Champion.

The program was started off by a couple of numbers by the Swingers, the outstanding stage band of BHS. The fourth grade flutophone band played several numbers and

Thornton presented awards to Dennis Koenig and Shelly Jackson for their outstanding work in this group.

The Fifth Grade Band presented five numbers and awards for outstanding work went to Connie Bryan and Camille Badgett.

After their performance of several numbers, Thornton made awards to Junior High Bandsmen. He recognized Twirlers Marty Dunn, Tanya Lee and Kathy Ensor; and Drum Major Melinda Barrett. Selected as outstanding bandsmen for the group were Marty Dunn, sixth grade, and Lindy Butler, seventh grade. Thornton's presentation of Director's Award to Brian Champion concluded the elementary school's part of the program.

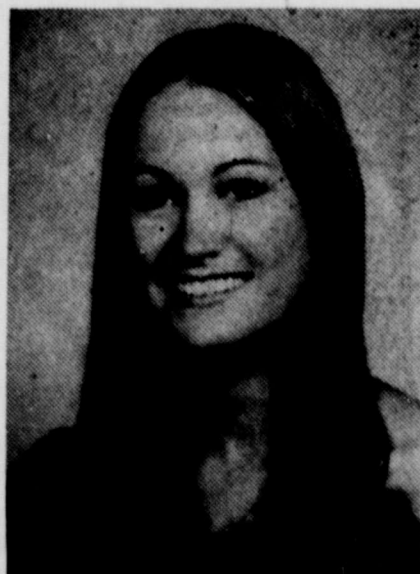

Members of the band who are seniors were recognized, including Kim Arrott, Karen Blair, Donna Butler, Debbie Carper, Sharon Cooper, Debbie Geist, Viva Scott and Debra Sowell.

Thornton then recognized the following members of the Band Council: Sherrie Coalson, Bob Taylor, John Heaner, Pat Lewis and Debbie Carper.

Officers recognized included Tonya Teschendorf, secretary-treasurer; Laura Glenn, vice president; and Karen Blair, president.

Also receiving special recognition were Twirlers Gina Deans and Leah Barbee and Miss Barbee also was recognized as the piano accompanist for various members of the Longhorn Band. Also receiving recognition as an accompanist was Kim Arrott. Kim Caperton received special honors for her job as the band's drum major.

Solo and ensemble personnel were honored and Director Thornton presented a special award to Mike Dyess, stating that "he was my right hand man, and when we needed something done I knew I could count on Mike to do it."

SOUSA AWARD WINNER — Kim Arrott was the winner of the John Phillip Sousa Award this year, the top recognition to be given to a member of the Bronte Longhorn Band. The daughter of Mr. and Mrs. LeDrew Arrott, Kim is a senior and has been a long time member of the band.

BALLINGER, TEXAS

OFFICIAL MEMORANDUM

By Dolph Briscoe
Governor of Texas

GREETINGS:

May is traditionally Senior Citizens Month, a time for honoring those who have built our State and Nation upon the foundation of our heritage.

The year 1975 ushers in the celebration of the Bicentennial of the American Revolution, an appropriate time for commending those stewards of our national heritage, the elder citizens of our State and Nation who have preserved this legacy for their children.

THEREFORE, I, as Governor of Texas, do hereby designate the month of May, 1975, as

OLDER TEXANS MONTH

and urge all citizens of the State of Texas to honor their fellow citizens who have contributed so much to the preservation of the American heritage, and to provide opportunities for older Texans to draw upon the vast reservoir of their talent and experience to make the unique and valuable contributions which only they can give to the Bicentennial effort of Texas.

In official recognition whereof, I hereby affix my signature this 25th day of April, 1975.

DOLPH BRISCOE
Governor of Texas

Finis Harmon of Coke County was among the approximately 240 Texans who recently went to Washington to call on congressmen, senators and others who might help in bringing an end to high costs of production and low returns on agricultural products.

Harmon and the other members of the Texas delegation met with Congressman Robert Krueger, Sens. Lloyd Bentsen and John Tower and Secy. of Agriculture Earl Butz.

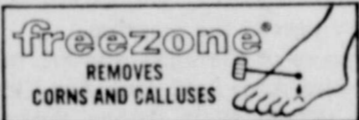

Harmon reported to the local Farm Bureau that the Texas FB leaders feels the meeting in Washington was a success. He said he felt congressmen with whom the group met were trying to help the farmers and ranchers of Texas.

Reddy's helpful tips for your Dishwasher

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

HAPPY MOTHER'S DAY

Hitchin' Post

Now that you've retired, put your savings to work.

Trade your E Bonds for H Bonds

Bought a lot of Series E Savings Bonds over the years? Well, you probably want to keep your nest egg intact. But retirement is the time when you need some extra income.

Here's how to get that income. Just exchange your E Bonds (in cash value amounts of \$500 or more) for Series H Bonds. H Bonds pay out interest every six months by Treasury check mailed right to your door, and at a rate averaging 6% annually when held to 10-year maturity.

Just the thing for retirement, when you need steady income coming in.

You'll get a tax break on the exchange, too

When you exchange your E Bonds for H Bonds, your tax liability on your accumulated E Bond interest continues to be deferred. Right up until the H Bonds are cashed or reach final maturity (there's an optional 10-year extension privilege after original maturity).

The result? You get more for your money in the exchange. And when your H Bonds are redeemed, and you finally pay your deferred E Bond tax, it's at your lower post-retirement rate.

Get income as it's earned

Steady, dependable income. Twice a year. Or, if you prefer, get interest checks every month. Just buy an H Bond a month for six consecutive months. That way, you've got a regular income guaranteed.

Purchase \$500 to \$5,000

Your banker has exchange (as well as new purchase) applications for H Bonds. At face values of \$500, \$1,000 and \$5,000. There's an annual purchase limit of \$10,000 (\$20,000 with a co-owner), but this won't apply if you're trading in E Bonds.

H Bonds. A good way to make sure your money won't retire when you do.

Take stock in America.

Buy Series H Bonds—now averaging 6% when held to maturity of 10 years.
