## AD-LIB-BEN

The Senior Citizens organization of Bronte has undertaken a very worthwhile project which deserves the support and cooperation of all of us. We suspect the group has an ulterior motive, but nevertheless, it appears to be a worthy project.

The young old folks, who meet for a luncheon and program once a month, would like to have a piano in the Community Center, and they have set out to acquire one. They're not too proud to accept an outright donation of someone who has a good piano and would like to donate it. But since they think this is pretty unlikely, they are accepting donations for the purchase of a good second hand piano.

These folks don't plan to be selfish with the piano, if they can arrange to acquire it; they plan to make it available to any or

Bob, his wife, Sharon and their children had lived in Fort Worth until several months ago when they returned to Bronte. He is the son of Mr. and Mrs. Guy Strickland and she is the daughter of Mr. and Mrs. Elmer Hurley. Both are graduates of Bronte High School.

Strickland said he intends to sell only the best of petroleum products and accessories, and to give prompt, courteous service to his customers.

## Volleyball Girls Capture Regional Championship

For the second year in a row, the Bronte girls volleyball team has taken regional championship honors. Coach Zula Sweeten carried her girls to Stephenville this week for the regional tourney and came out with a bid to compete in the state tournament Dec. 5 and 6.

The local lassies took two straight games from Harrold to sew up the regional championship. Earlier they had taken two straight from Abbott and two out of three from Alvord to earn their berth in the state contest at Austin.

The girls won their first game in the finals with Harrold 7 to 15. Marla Thompson accounted for 5

points; Shelene Tidwell 4; Sherri Coalson 3; Leah Barbee 2; Kim Glascock 1. In the second game it was 15-2 Tidwell, Cumbie and Thompson with 4 each; Cooper 2; Barbee 1; Coalson 1.

In their opening game the girls had to confront Alvord three

## Girls Win Three Out of Four Games

Bronte High School's girls A basketball team won one and lost one during the past week to maintain a record of seven wins and two losses thus far this season. The B team won both their games this week and still have a clean season record of 6-0.

Loraine came here Thursday night, Nov. 13, and the A girls took a 69-59 win from them. Scoring for the Longhorn girls were Sherrie Coalson with 28; Shelley Cumbie was close behind with 24; Leah Barbe hit 13; and Kim Glascock had 4.

The B team won by a whopping 58-15 score. Karen Arrott was the top scorer with 25; Shelene Tidwell had 14; Debra Frazee 7; Gay Mansfield 6; Suzie Collins 6.

Wylie came here Monday night and handed the A girls an 83-71 loss. Scoring were Sherrie Coal with a big 40; Cumbie 13; Barbee 12; Glascock 6.

The B team took a 44-34 win over the Wylie team. Tidwell hit for 24, to lead the scoring; Arrott had 13; and Frazee made 7.

times before they won the match. The locals took the first game 15-1, with Barbee making 5 points; Cumbie 4; Glascock 3; Tidwell 2; and Coalson 1.

Bronte lost the second game 15-11, with Sherri Cooper scoring 5, and Laura Glenn, Suzie Collins and Lana Webb making 2 each.

However, the Bronte girls bounced back to take the third game 15-6 and win the match. Tidwell made a big 6; Cooper had 5; Cumbie 2; Glascock 1; and Barbee 1.

In the second round Bronte took two straight from Abbott. In the first game, the score was 15-5. Barbee had a whopping big 10; Cooper 3 and Glascock 2.

## Evening Lions Host Area Clubs

The Bronte Evening Lions Club members were hosts to the boss Lions and secretaries from Norton, Winters, Sweetwater, Robert Lee and Bronte Noon Lions Clubs Tuesday evening at a dinner served by the Methodist women.

Dr. Thomas Russell of Winters, zone chairman, was a special guest.

The business meeting was presided over by local Boss Lion James Tidwell, and related to organizing new club, registering new members and attendance improvement. Also, exchange student programs and inter-club visitation matters were talked over.

Local projects discussed were the annual quail hunt, a snake round-up and a raffle to aid in the purchase of an electric powered wheel chair for Jim Dunnam, a student at the University of Texas at Austin.

One visitor, Leroy Reeves, was present.

## Longhorns Nip Forsan; Finish With 9-1 Record

The Bronte Longhorns, of 1975 closed out the season last Friday night in grand fashion when they slipped by the Forsan Buffaloes 16-14. The win was the ninth of the season for the Horns against one loss. That defeat came at the hands of the Jayton Jaybirds, District 3-B champs, and left the local eleven in second place in the final loop standings.

The Longhorns fared much better than most fans thought they would. Their 9-1 season record is the same as Jayton's and one of the best in the state of teams that did not make the playoffs. The Horns amassed a total of 236 points while giving up an even 100. With several key players playing their final game last week, the Longhorns will once again be faced with finding new people to fill these positions in 1976.

In last Friday's win over Forsan

the Longhorns scored two quick touchdowns in the third quarter and then held off Forsan to take the win. The first half ended in a scoreless deadlock with both teams displaying good defenses.

### First Quarter

Eddie Angel kicked off for the Horns to start the ball game and Forsan put the ball in play at the 36. Following one 1st down, the Buffs were forced to punt with Wayne Coalson returning it to the Horns 12.

Quarterback Nelson Coulter, Billy Ren Lee and Coalson alternated carrying the ball for 1sts at the Bronte 36, 46 and the Forsan 40. The drive bogged down here with the Horns facing 4th and 24 at their own 46. Coalson's punt carried to the 20 where Forsan took over.

Forsan couldn't go and following their punt the Horns took over at the Bronte 45. Kerwin Denton

carried for 7 before a delay of the game penalty brought up 2nd and 12. Coulter got 11 and Denton picked up the 1st at the Forsan 43, as the quarter ended.

### Second Quarter

The Horns once again faced a 4th down at the 37 and got off a good punt which went out of bounds at the 5. Forsan again had to punt with the kick being killed at the Horns 46. On 2nd down Denton broke loose for 35 yards before being brought down at the Buffs 19. Forsan got tough and held the Horns at the 20. The Buffs picked up 1st downs at the 31 and 48 before being forced to punt. The Horns couldn't move and Coalson kicked out of bounds at the Forsan 33. The Buffs ran two plays before the half ended with a 0-0 score.

Tips for Your

DISHWASHER

★ Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

★ Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.

★ A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

famous sons came home last weekend to receive the accolades which are due him. David Guion, who was born and raised in Ballinger, was honored at a big celebration last Saturday night, sponsored by the Ballinger Bicentennial Commission. Guion, now 83 years old, lives in Dallas.

Probably more than anyone else he put Texas on the map in the world of music. He has written more than 200 compositions which have been played around the world. Of course, his most famous composition which will be played and sung for all time to come, is "Home on the Range." He wrote it when he was 16 years old. Others which have become classics include "Turkey in the Straw," "Yellow Rose of Texas" and his orchestral suite "Texas."

Guion's works have been featured in concert all the way from Carnegie Hall to Broadway musicals to humming by cowboys all over the country. His music was featured on many early day radio programs and later on television. Guion said he doesn't compose much any more, but he expressed delight at being honored by his hometown folks of Ballinger.

**Third Quarter**

Coulter returned the kickoff out to the Horns 46 to open the second half. The Horns went to work with Coulter picking up a 1st at the Forsan 41. Facing a 4th and 2, Denton again broke loose for 20 yards to move the ball to the 14. Denton picked up 3 more before Mark Lee got the 1st at the 3. Billy Ren Lee then got the TD when he fell on a fumble in the end zone to make the score 6-0. Coalson carried the 2 extra points to bring the tally to 8-0.

Angel's kickoff was fumbled and the Horns recovered at the Forsan 25. On an option play run to perfection Coulter pitched out to B. Lee who covered the final yards to quickly bring the score to 14-0. A pass to M. Lee, who had centered the ball, was good for the EP's to make it 16-0.

Following Angel's kickoff, Forsan picked two 1st downs before punting out on the Horns 5. On the first play following the kick the Horns fumbled and Forsan recovered on the 1. Two plays later the Buffs had their first score of the night. The extra point try failed to leave the score 16-6.

Three plays after the kickoff the third quarter came to an end.

## Coke Gold Star Award Winners Honored

The Coke County 4-H Gold Star selections for 1975 were honored at a district banquet held in San Angelo last week. Winning the high 4-H awards in Coke County were Mary Elaine Lackey, daughter of Mr. and Mrs. Kenneth Lackey of Robert Lee, and Lynn Gulley, son of Mr. and Mrs. Bob Gulley of Sanco Route, Robert Lee. The statements read as the Gold Star recipients were recognized are as follows:

Lynn Gulley, Coke County Gold Star Boy of 1975, is active in all phases of 4-H Club work, conducting 17 projects in five years. He was junior club president in 1974, and Future Leaders 4-H Club Council Delegate in 1975. Lynn is a very active member of the livestock judging teams in 1973 and 1975. Mary Elaine has been an active 4-H'er for eight years. She has carried a varied field of projects including clothing, foods, grooming, home improvement, recreation, judging, money management and junior leadership. A few of the learning skills she considers as important are tailoring collars and lapels, using decorative trims, how to make patch and set in pockets, to finish a hem, model garments, match plaids, to use interfacings and linings and to make bound buttonholes. Among her honors in clothing have been blue awards in 1968 through 1974. She has won one trip to the State Dress Revue as well as six to District Shows. Besides sewing for herself she helps her mother with some of her clothes. She was a Junior Leader for 14 younger girls.

She has won honors in foods including three blue ribbons and trips to District and she was high point award winner in the Meat Group in 1972.

Among the other accomplishments of Mary Elaine have been recreation leader at Fun Day, she has helped judge clothing record books, attended District 4-H Leadership Camp, served as Junior Leader for 12 youths in foods, exhibited at County Fair, served as club secretary, assisted with Pancake Supper, Polio Drive, raised funds for 4-H Center and served on the County 4-H Council.

In school and community she has been very active. She has spent many hours reading to a blind resident in the Nursing Home,

playing the piano, and playing games with the elderly. Mary Elaine has served in many ways in the Robert Lee Baptist Church, and in school activities.

Her parents have cooperated in 4-H activities. Mrs. Lackey was recognized in 1974 as the outstanding adult leader for Coke County. The Lackeys have one son, David.
