NO. 32.

### OF OLEOMARGARINE

MR. HATCH CALLS UP A BILL FOR ACTION,

Proposing to Extend the Original Pack age Law to Oleomargarine-A Far Reaching Resolution Introduced in the House Regarding Behring Sea.

Washington, Jan. 14.—Mr. Hatch, chairman of the committee on agriculture, called up a bill to extend the provisions of the Wilson original package liquor law to oleomargarine in original packages Saturday. The bill precipitated a discussion regard-ing the merits of the oleomargarine and its constitutionality. Mr. Hoo to which the bill would be entimittee is again called granted at this but his request was refused. He then tried to have the previous question ordered, but filibustering by Mr. Bynum consumed the time till the morning hour expired, and the bill went over.

The house then took up the bill tocodify the pension laws and the bill

### (a ilsie's Currency Scheme Dea L.

WASHINGTON, Jan. 8. - By a vote of 81 to 53 the Democratic house caucus voted sesterday to indorse the Car-not recognize the free coinage of sil-lisle substitute currency bill now be-ver at the ratio of 16 to 1 could pass. fore the house. Speaker Crisp took the lead in presenting the resolution and in vigorously urging the necessity of its adoption. The committee on good authority that the Jones bill on rules was instructed to bring in a is the last hope of action at this session. If it fails there will be no sion. If it fails there will be no last on rule to close the debate. Efforts to amend Mr. Crisp's resolution were financial legislation before March 4 James Bower. Secretary to the voted down, one of the adnext. voted down, one of the adverse votes showing only thirteen members of the caucus favorable to an issue of bonds to retire the greenbacks. The result of the caucus is accepted with considerable apprehension by friends of the bill, notwithstanding the passage of the bate, which stood 124 years to 129 nays. With the single exception of votes which the measure commanded Chairman Springer the members of notwithstanding the passage of the resolution of indorsement. The 81 in caucus is far short of the number the committee on banking and curnecessary to pass it in the house. It is believed, however, that many of rule that the bill was killed. They the 59 votes against the measure will also agreed that no further currency be changed. But there were several prominent leaders who asserted at the session. ose of the caucus that the vote showed conclusively that the bill could not pass,

The Rise of the en can scarcely lift it, also pads nine ches wide and fifteen inches long.

The giant fell in 1867.

The winter days in Sweden are **Buckwheat Cake** trophy which old Bennett delights to tell, says the Chicago Times. Years ago he served under Sam Houston in the Lone Star state, drifting out to California later on and was the commade up for, however, by the sunny The leaven of yesterday ruins the cake of to-day. California later on, and was the comsummer. In the north the sun does Don't spoil good buckwheat with dying raisingpanion of Pioneer Sutter when gold not set for weeks and weeks, an endnuggets were discovered and the East less day. The most glorious sight of Scrofulous Taints batter—fresh cakes want Royal Baking Powder. was attacked by the gold fever which all the northland is the midnight sun. even yet lurks in the veins of many who came to the Pacific coast in '49. Grandma used to raise to-day's buckwheats Dover, N. H., one of the presticate of the smaller cities of New England, is one of the largest consumers of It is now well established, as a rewith the souring left over of yesterday! Dear Bennett soon abandoned mining for ranching, and secured his present beautiful home.

California was a wild country when Bennett built his ranchhouse. Grizzly ennett soon abandoned mining for rsaparilla

country. The population is something like 10,000, and last year more than five tons in this form of tobacco
parilla

country. The population is something like 10,000, and last year more than five tons in this form of tobacco
parilla

country. The population is something like 10,000, and last year more than five tons in this form of tobacco
beautiful home.

California was a wild country when shape of circular coral islands, or atolic. In the case of plants, besides the action of gravity and of light old lady, she was up to the good old times. But these are days of Royal Baking Powder-freshpartilla was used there. The habit of shall dipping is not usual in New England, and it was brought to Dover, so it is said, by soldiers just after the war, and has increased to its present pro
dian rancheria, he would hunt eagles for their feathers, which he sold to for their feathers, which he sold to who was poor to their feathers, which he sold to for their feathers, which he sold to who was poor to their feathers, which he sold to for their feathers, which he sold to who was poor to their feathers, which he sold to fixed animals, like sponges, polyps ness into freshness raises freshness. And this is the way the buckwheat cake of to-day is made: Two cups of Buckwheat, one cup of wheat flour, two tablespoons of Royal and all animals whose symmetry underbrush of a creek bottom, he had Baking Powder, one half teaspoonful of salt, A man at Contra, Costa county, Cal., has a farm where he raises frogs, just shot an eagle and was reloading his rife. By chance he did a thing all sifted well together. Mix with milk into a and has at present 1,000,000 of them. He started ranching a few months ago with a herd of 2000 frogs, and is fore loading it. The rifle was charged ago with a herd of 2000 frogs, and is already making money out of it, as it costs little or nothing to raise them, and they bring a good price in the San Francisco markets. The farmer says there is infilitions in it, and he wouldn't exchange his ranch for a gold mine.

The rifle was charged with piece before loading it. The rifle was charged with powder, and, as Bennett was ramming home the bullet, the rustle of the bushes startled him. There was not a second to lose Twenty paces off was a monstrous grizzly, charging directly at him. Without withdrawing the ramped or almine. thin batter and bake at once on a hot griddle. Do not forget that no baking powder can be substituted for the "Royal" in making pure, sweet, delicious, wholesome food. 3.50 POLICE, 3 SOLES, withdrawing the ramrod or aiming carefully. Bennett made a snap shot The transsiberian Railway, which is to be the longest in the world, has now been opened as far as Omsk, and one may go there from the careas of the careas. distinctly observed. When the moon is full, it simply looks like a blur, or ROYAL BAKING POWDER CO., 106 WALL ST., NEW-YORK been opened as far as Omsk, and pulling the careass of the dead may go there from St. Peters-bear away from him.
