Contest for Naming Diamond Jubilee

The Executive Committee of the Castro County Diamond Jubilee announces a contest for the naming of the Historical Spectacular Pageant to be presented five nights during the Celebration Week this summer, beginning on

August 11, 1966. The Spectacular will present the complete history of Castro County on a stage 250 feet in length located on the football field at Bobcat Stadium. The cast will be of hundreds of Castro County resi-

dents with a participation of all organizations in the County.

Rules of the contest are as follows:

- (1) Contestant must reside in Castro County;
- (2) Contestants may enter as

many names as they desire;

(3) To participate for prize, contestant must be not over 16 years of age;

- (4) No entries will be judged if received after May 20, 1966. Prizes will be awarded at the

opening night of the Spectacle. The announcement of the winners will be made on June 1, 1966.

Entries should be mailed to Castro County Diamond Jubilee, at 114 W. Bedford, in Dimmitt, Texas.

May Vote To Be Held On Cotton Allotment Transfers

Cotton farmers in Castro County will vote this month to decide whether they want to be able to sell or lease their cotton allotments outside the county, Jim Elder, Chairman, Agricultural Stabilization and Conservation County Committee has announced. The referendum on the question will be conducted by mail during the period May 16 through May 25. Ballots may also be delivered by hand to the ASCS county office.

The only question to be decided by the balloting is whether upland cotton allotments may be transferred during the next three years to other farms outside the county which are owned or controlled by someone else. Such transfers may be made by sale or by lease. In no case may transfers be made outside the State. An affirmative vote by at least two-thirds of the county's cotton farmers who vote will permit such transfers for the next three upland cotton crops, 1967-69.

A referendum on the same question was conducted last fall throughout the Cotton Belt, and growers in 349 counties at that time approved the allotment transfers. The vote this May will be held only in counties which disapproved such transfers in last fall's

vote. The upcoming vote marks a first in program administration, according to Mr. Elder. Farmers previously have been able to vote by mail in annual ASCS Committee elections, but the method has never before been used in a commodity program referendum.

Mr. Elder said, "It's easy to vote by mail, and we hope all producers will vote. The vote should be fully representative of the wishes of cotton farmers in our county."

The Chairman said that copies of the ballot are being sent to all cotton producers of record in the county, together with information describing the program's purpose and operation. Any cotton producer who has a question about the referendum or about who is eligible to vote, is urged to get in touch with the ASCS county office.

Garland Jarvis To Represent DHS At U. of T. Science Symposium

Garland Jarvis, Dimmitt High School junior and son of Mr. and Mrs. A. G. Jarvis, and science instructor W. W. Cooper will attend the Sixth Texas Nuclear Science Symposium at the University of Texas on June 12th to 15th, under the sponsorship of the Southwestern Public Service Company. Randy Hasley was named as alternate for Jarvis.

500 selected high school students and instructors from throughout Texas have been selected to attend the symposium, which is presented by the University of Texas and the Texas Atomic Energy Research Foundation, of which the electric company is a member. The students are selected for their abilities in scientific fields.

The nation's leading nuclear scientists will deliver the lectures and lead the discussion at the symposium. Among the subjects to be covered are nuclear physics, the atom and electric power, science and man's future and other fields related to thermonuclear

AMERICAN HERITAGE WINNERS — Winners in the American Heritage contests from Dimmitt junior and senior high schools were recognized at the annual Plains American Heritage Banquet at Wayland Baptist College recently. At-

tending the banquet were (front) Jan Willis, Andrea Davis, Linda Bennett, and Paralyn Render; and (back) Penny Hays, Gary Moss, Kent Bradford, Jay Nelson and Eva Giles.

American Herit'ge Winners Named

Junior and senior high students from Dimmitt were named winners at the annual American Heritage Awards dinner May 3 at Wayland Baptist College.

The awards are a part of the Plains American Heritage Program, directed by Charles Ogilvie assistant professor of history at Wayland. Senior high students entered poster or essay contests and those at the junior high level submitted projects.

General topic for all entries was the founding of America.

In the junior high project contest Linda Bennett was named winner. Andrea Davis was second and Kent Bradford placed third.

Jay Nelson won first place honors in the poster contest for senior high students. Second place went to Gary Moss and Penny Hays placed third.

In the essay contest Paralyn Render was first and Eva Giles was second. Jan Willis took third place.

A \$25 bond went to first place winners and cash prizes were awarded to second and third place winners. Winners from Cotton Center, Kress, Plainview, Clon, Tulia and Silverton were also recognized.

Castro County Democratic Voters Follow Trend Set By State Balloting

Approximately sixty percent of Castro County voters went to the polls Saturday to cast votes in the Democratic Primary. Without exception county voters followed the state trend, in voting for the team candidates, with an overwhelming vote going to incumbents.

In the contested races, and earning the right to represent the Democratic Party on the general election ballot in November, were: for Governor, John Connally; for Lieutenant Governor, Preston Smith; for United States Senator, Waggoner Carr; for Commissioner of General Land Office, Jerry Sadler; for Railroad Commissioner, Byron Tunnell, and for State Senator, Jack Hightower.

Although Crawford Martin, endorsed by Governor Connally and other team members, held a statewide commanding lead in the race for States Attorney General he was forced into a run-off with Senator Franklin Spears of San Antonio.

Although defeated in his bid for

re-election in the enlarged 30th Senatorial District, Andy Rogers carried Castro County by a vote of better than two to one, over his nearest opponent, Jack Hightower of Vernon.

In races for Castro County offices, all incumbents were re-elected and in the race for County Treasurer Mrs. Florene Leinen led Mrs. Irene Carpenter by a vote of 722 to 629. In the race for Commissioner of Precinct 2, Dale Winders outdistanced Raymond Hance by the vote of 321 to 158. Alfons Maurer and Bill Simpson were top men in a four candidate race for the office of Commissioner of Precinct 4. The voting that race was Maurer, 164; Simpson, 98; Eddie Drerup, 84; and C. M. Burt, 35. Maurer will be pitted against Simpson in the second primary.

For Party offices, Joe Cowen was elected County Democratic Chairman, and Dick Reinhardt, L. G. Manning, Sid Sheffy, Jim Elder, Leo Dobmeier, Dean Sanders, (Continued on page 14)

Local Ag Teacher And Student Win National Contest

J. O. Seale, vocational agriculture instructor at Nazareth, and one of his students, Gerald Brockman, had the top scores in a national dairy cattle judging contest in which 103,466 competed. The contest is sponsored by Hoard's Dairyman, national dairy farm magazine published at Fort Atkinson, Wisconsin.

Seale, a veteran teacher of 24 years, had a score of 496 out of a possible 500. He taught at Dimmitt, 20 years before coming to (Continued on page 14)

Last Rites For Mrs. Ada Sinclair

Funeral services were held Monday, May 2 at 2 p.m. in the First Baptist Church, Dimmitt for Mrs. Ada Sinclair, 72, who died Sunday, May 1. Services were conducted by the pastor, the Rev. Frank Pollard. Interment was in Rose Hill Cemetery, Tulia.

Mrs. Sinclair came to Dimmitt a year ago from Plainview. She was born August 13, 1876 in Alabama. She is survived by two sons, B. E. of Dimmitt, Harry of Plainview; three daughters, Mrs. R. F. Markham, Hereford, Mrs. K. E. Edmonds, Mrs. Hoyt Crow and Mrs. Bessie Atkinson of Kerrville.

Airport Bond Issue Defeated

The \$100,000 airport bond issue election held Tuesday was defeated by Dimmitt voters by a vote of 301 to 235. This is the third consecutive bond issue to be defeated in Dimmitt and Castro County in recent years. First to be defeated was a county bond issue to build a County Fair and general purpose building, and more recently a city bond election for the purpose of building a community building, Little League Ball Parks, golf course, etc., was defeated.

The airport bond election would have provided \$100,000 to be matched by a like amount in federal funds, to purchase the present Dimmitt airport facilities, the land it is located on, and to build runways and other facilities.

Miss Dimmitt Contest Set For June 4

The third annual Miss Dimmitt Contest will be held June 4 in the Dimmitt High School Auditorium. Girls who have never been married or had a marriage annulled and are between the ages of 16 and 24 on the day of the contest are eligible for entry. The deadline for entries is at noon, May 30. Any young lady who wants to enter the Miss Dimmitt Contest will be required to furnish a glossy 5 X 7 print of her in her bathing suit. Entrants will be furnished a sponsor if they do not have one when they enter. Anyone desiring to enter is asked to contact Jimmy Presley at 647-3248 or Mrs. Wade Maynard at 647-3402 for entry blanks.

Jaycees Plan Sale of Trash Barrel Covers

The Dimmitt Jaycees announced today plans to conduct a city-wide sale of covers for 55-gallon barrels used throughout the city for trash cans. The sale will take place starting May 19 and will be made on a house-to-house basis. "We have studied results of the 1965 Community Survey conducted by the organization," states Rayphard Smithson, president of the Jaycees, "and based on these results, we feel that this project needs to be carried out in our community." Over 80 percent of the people contacted on the survey stated that control of flies and the control of trash in the business and residential sections of the (Continued on page 14)

Soil Stewardship Week May 15-22, Theme, Crisis In The Countryside

Sunday, May 15 marks the beginning of the twelfth annual observance of Soil Stewardship Week in churches throughout the nation. This observance is a week set aside nationally for the purpose of reminding men that soil and water are precious gifts of God and that they warrant their best Christian Stewardship.

Local services in various churches in the county are being planned by local pastors. In encouraging these observances the Running Water Soil Conservation District has encouraged local pastors to bring the subject of Soil Stewardship into their sermons. The District has also furnished bulletin inserts and booklets to aid pastors in carrying out these observances. Wade Mills, Chairman of the Board of the Running Water Soil Conservation District states "It is our sincere hope that this observance will not only serve as an inspiration to laymen, but also serve as a reminder to pastors of one of their many responsibilities." Nationwide services of Soil Stewardship Week will begin Sunday, May 22. The Soil Conservation District Board of Supervisors encourage everyone to attend Soil Stewardship services at the church of their choice on either of these two Sundays.

DEFENDANTS: Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Court-house thereof in Dimmitt, Texas, at or before 10:00 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 13th day of June, 1966, then and there to answer in writing Plaintiff's petition filed in said court on the 25th day of April, 1966, in this cause numbered 2984 on the docket of said court and styled, F. U. JACKSON, ET UX, VS. M. L. MORRISON, ET AL, a brief statement of the nature of said suit being as follows:

Suit in statutory form of trespass to try title, and for costs by F. U. Jackson, et ux, Plaintiffs, against those persons who are first named in this Citation and to whom it is directed, as Defendants, and the unknown spouses

Saving Bond Sales Total \$10,816 For First Quarter

Savings Bond sales for the first three months of 1966 in Castro county totaled \$10,816.00. Of this amount \$2,191.00 were purchased during March according to a report released by Mr. Raymond Wilson, Chairman of the Castro County Savings Bonds Committee.

Sales in Texas for the first quarter of 1966 amounted to \$38,640,779 which represents 26 percent of the state's goal of \$147.5 million.

"We are delighted to report that Series E and H Bond sales during the month of March were 12.5 percent greater than March 1965. This fine sales increase can be attributed to the fact that the interest rate on Savings Bonds was raised recently to 4.15 percent, compounded semi-annually when held to maturity. Also, more American citizens are putting part of their savings in Savings Bonds to help support our fighting men in Vietnam," Chairman Wilson pointed out.

and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiffs, the Plaintiffs suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

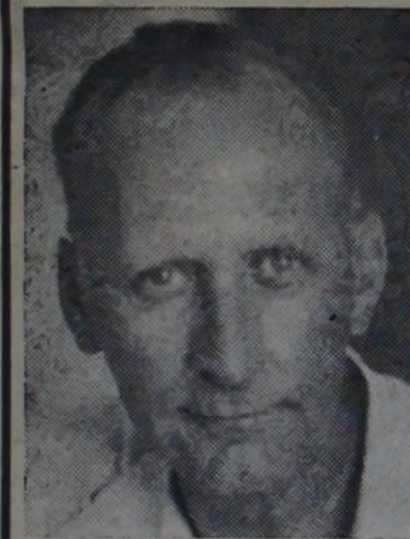

The West Fifty feet (W50 feet) of Lot Number Nine (9), in Block Number One Hundred and Twenty-seven (127) Original Town of Dimmitt in Castro County, Texas, as shown by recorded map and plat thereof.

Plaintiffs allege that they are entitled to the title and the possession of said property, claiming under the five, the ten and the twenty-five year Statutes of Limitations, and Plaintiffs further pray that the cloud cast on the title to the property above described by Defendants be removed and said title vested in the Plaintiffs, all as is more fully shown by Plaintiff's Petition on file in this suit.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Texas, this 25th day of April, 1966.

READY FOR *New* CARGO

This ship has been emptied of its cargo, and now stands ready to take on fuel and more cargo for further service. If this ship were to remain empty, it would be of no value and would be failing in the one thing that it was built for.

Man was created to be a companion to God, and when he does not join in worship with God, he is failing in the reason for his creation. Make your life mean something for God . . .

★ ATTEND CHURCH SUNDAY ★

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Thanks For The Memories

For the next two weeks, we will have an article written by a senior girl or boy. This person will express his or her thanks for the many memories that Dimmitt High School has given him. The senior will remain unknown. THANKS FOR THE MEMORIES

Thank you Dimmitt High School for all the wonderful memories I will treasure throughout my life. I will have many to look back on, some sad, and some happy. In future years I will be pleased and honored to say, "I was a student and I graduated from Dimmitt High School."

My deepest appreciation goes to the wonderful and understanding teachers who make this school what it is. To Mr. Fuquay goes my respect for every principle he has taught me through my four years of high school. In years to come, I will stop and think of the many things my teachers taught me and how I have put these learnings into good use.

One of the most outstanding memories that D. H. S. holds for me, is my membership in the Dimmitt Bobcat Band. Just as basketball means a great deal to most people, band means more to me than any other activity in school. Thanks to the wonderful man who shares his time and talents, so that his students may learn to appreciate good music. This man teaches his students more than just music. He sets high ideals for these students to work and live by. These ideals are not cast aside after graduation, they are carried with them through their lives. Thank you "Smith" and the Bobcat Band for the four most meaningful years of my life. I shall never forget all of the fun and work I had helping to make it the best band in this part of Texas.

Thank you Dimmitt High School for everything. What I have learned as a student, I will take with me to use in life's many problems. Once more, "Thanks for the memories I will cherish the rest of my life."

Smart Test

"My head is about to break off, it's so tired." "I hope the next test won't be as hard as that first one." "Me too, my eyes are bulging." "I never felt this dumb before."

This was the type of conversation that went on all day Monday and all morning Tuesday from the senior class. They were involved in an achievement test that contained nine divisions — ranging from science to English.

It was a relief in a way, to take this test, since this intelligent, lovely senior class has been going to classes, day after day, for almost a year. But, I think everyone was glad to return to the old routine.

American Heritage Winners Announced May 3

Each year the History Department of Wayland Baptist College in Plainview, sponsors a number of American Heritage contests throughout the area. There are contests on the junior high and high school levels. The students participate in any one of three categories — projects, posters, and essays. The junior high students compete in both theme writing and poster making.

Tuesday, May 3, 1966, the Awards Banquet was held at Wayland to honor the area winners. The guest speaker was Dr. Jerry Dawson, head of the Wayland History Department.

Those teachers attending from Dimmitt were Mr. and Mrs. S. T. Newman, Mr. W. T. Elliott, and Mr. and Mrs. Bill Reisdorph.

Dimmitt's winners were:

POSTER:
 First — Jay Nelson
 Second — Gary Moss
 Third — Penny Hays

ESSAY:
 First — Paralynd Rander
 Second — Eva Giles
 Third — Jan Willis

PROJECTS:
 First — Linda Bennett
 Second — Andrea Davis
 Third — Kent Bradford

The first place winners received twenty-five dollar savings bond; the second place winners received ten dollars; and the third place winners received five dollars.

Lyre Clubs Holds Meeting May 2

The Lyre Club met at 6:30 p.m. Monday, May 2, to discuss the band banquet and to elect the Best Bandsmen from each class. The banquet will be on Saturday, May 21, in the South Grade School cafeteria. Ginger Kemp, president of the organization, appointed several committees to work out the details of the banquet. Members appointed to the food committee are: Gary Moss, Benny Hill, Debra Summers, and Mary Lynn Hays. The decorations will be planned by Connie Sheffy, Irene Thornton, Elaine Davis, Shirley Leinen, and Carolyn Simpson. Bob Bradford, Eva Giles, Ann Scarborough, Paralynd Rander, and Kent Lindsey are the members of the program committee.

After some discussion, the members voted to have no dates outside the band; however all parents and other Band Boosters are invited to attend the banquet. The awards for the Best Bandsmen will be presented at the banquet as well as several other awards and the seniors' blankets. After the meeting was adjourned by Ginger Kemp, several of the committees had short meetings.

Points To Ponder

Economizing for the purpose of being independent is one of the soundest indications of character.

There is no greater failure than he who never tries.

Six precepts for success are:
 1. Guard your health
 2. Always be friendly
 3. Keep your temper
 4. Radiate enthusiasm
 5. Be a good loser
 6. Never give up.

DHS Seniors Make Plans For After Graduation Day

Graduation — the day that always creates excitement, confusion, and a little sadness at the thought of leaving — is almost here. It is always a time of mixed emotions; there is laughter for some, and apathy for others. And, there is also the question, "What am I going to do with my life?" Graduating seniors either rush off to get married, start worrying about where to go to college, or go into some type of work. The boys are usually more careful in their decisions, for there is always the fear of the Selective Service (the draft board).

We, the Bobcat Tales Staff, have collected some information on DHS seniors' plans for next year. We have been unable to contact some of them, but here is a partial coverage. Many plan to continue their education:

Charlotte Allison plans to attend Amarillo business school.
 Gary Winkle will attend Tech and major in business.
 Ida Nance will attend Texas Women's and major in library science.

Ken Campbell will be going to New Mexico State University and majoring in mechanical engineering.
 Ginger Kemp will go to Baylor. Tommy Coleman plans to attend West Texas and major in agriculture.
 Peggy Ott will be going to Baylor and plans to major in English.

Some seniors have plans other than education. Helen Nance plans to enter the Waacs; Ronnie Brown will enter the armed forces preferably the Navy. Claudio Bendazzi will return to Italy after a short tour of the United States; he will finish high school in Vercelli and then major in nuclear physics at Turin University. Freida Winkle will work, and Kay Kirby plans to stay home and look for Anthony. Donna Dehtan also will work.

These are the seniors' plans; we wish them the best of luck in whatever they do. The remaining seniors will be done next week.

Sport News

Terry Hill ran the 880 yard run in an all comers track meet at Lubbock on Saturday, April 30. Terry came in fourth in the race.

Terry said the conditions were a little better than the week before when he qualified for the state meet by finishing second in Regional. When Terry qualified for state, the race was run on a rain soaked track.

Terry, along with Coach Anderson, left Wednesday at noon to go to Austin. Terry will run at 8:00 Friday night. A. D. Schreck and Tommy Coleman, the other two senior members of the track team, left Thursday, after school to join Terry and Coach Anderson.

We would like to wish Terry the best of luck and we hope he wins state for Dimmitt High School.

Coach Erown L. Smith, along with the other coaches, is now holding spring training in football. The coaches are putting the boys through different drills and working them on their plays and different defenses.

An Interscholastic League rule says that pads cannot be worn in the spring practice, so the boys are getting a few skinned knees and a few bruises but the coaches just keep telling them that it won't hurt and that it will make them tough.

Five boys will leave the football team this year. They are Tony Young, Gene Carson, Robby Lindsey, and Tommy Coleman, and Emilio Nino. The managers leaving will be Jay Nelson, Joe Lust, and Bobby Ebeling.

All coaches are looking for a fine season from the boys next year.

The most valuable player awards were handed out at the Athletic Banquet on April 23. Tony Young received the most valuable football player award. Bob Bradford received the award for boys basketball and Donna Summers won for girls basketball. Terry Hill won the award in track.

If we plan to be successful, we must be success conscious. If not, we will not be successful. A little sweat, sacrifice, and dedication can spell the difference between a champion and just a runner. Success is progress toward the accomplishment of a worthy goal.

More Honors For Bobcat Band

"Six Flags, here we come!" This was the cry which resounded throughout the halls of DHS, Thursday, April 28, as the ratings for the class AA bands were announced. The Bobcat band was the only AA band to win Sweepstakes. In order to win Sweepstakes, a band must receive a first division in marching, concert, and sight reading competition. Since the marching competition was held in November, that first division was assured for the Bobcat Band. In concert competition, the band played, "Seventeen Come Sunday," from R. Vaughn Williams, "Folk Song Suite," "Festival Prelude," and "Chant and Jubilo." All the AA bands played the same number in sight-reading competition.

The Sweepstakes assured the band of a trip to Six Flags to compete in a concert contest with some of the best bands in Texas. The Bobcat Band will leave at one o'clock on Thursday, May 5, from the Band Hall. They will stay at Six Flags Inn, where the contest is to be held. After they play at nine o'clock Friday morning, the band members will be free to do as they please the rest of the time. At nine o'clock Sunday morning, the mighty Bobcat Band will load up to come home. We'll sure the band members will do their best to bring home more honors for DHS.

Elizabeth Muniz plans to attend Kalamazoo College.
 Sherlon Petty plans to attend West Texas and major in business education.
 Jay Nelson plans to attend East Texas.

Mary Lou Salcido will attend Amarillo Business College.
 Carla Ward plans to attend South Plains and major in business.
 Bob Bradford plans to attend either Stanford, Colorado, Kansas, Houston, or Tech and major in math.

Bernard Bossett will be going to West Texas and majoring in journalism.
 Penny Hays plans to attend West Texas and major in business.

The Road To The Top Is Never Easy

Sports? A funny business. An athlete with little natural ability will work like a horse and become great. Another athlete with talent to burn will refuse to work at it and wind up nowhere. One athlete will live a clean upright life and never make it. Another athlete will burn the candle at both ends and wind up in the Hall of Fame.

The teenage world is one of the most important times in a person's life. In a way a teenager is much like an athlete. There are many roads that lead to the top, but the surest path is paved with perspiration and inspiration. This is the time when most of us are going to be determining what kind of person we really want to be. We will be making decisions such as whether we will smoke, drink, go to school, and etc. We must prepare ourselves and remember that the things we do now are going to have important bearing on our future. The journey is more important than the arrival.

If we plan to be successful, we must be success conscious. If not, we will not be successful. A little sweat, sacrifice, and dedication can spell the difference between a champion and just a runner. Success is progress toward the accomplishment of a worthy goal.

Penny Hays Is "Senior Of Week"

Penny! Penny! Don't leave me! Smith would have a fit if you got to Six Flags and discovered that your horn was still in Dimmitt. That's a good firi; pick me up and take me with you.

Penny is such a good master. She takes very good care of me, and can make me sound so pretty when the band is playing. I certainly will miss her and all the fun next year.

Although one of her main interests is band, Penny also likes basketball. To illustrate her ability in this field, she made the All District Team this year, and has the honor of being chosen Basketball Queen.

During her senior year, Penny's favorite subjects have been basketball and homemaking. She must have really enjoyed her years as a high school student, because she says, "I am sure going to miss it next year."

After graduation and a summer of work, Penny is going to attend West Texas State. She plans to major in business.

Her ambition is to finish school and someday get married.
 Thank you, Penny Hays, for being our Senior of the Week.

The Bobcat Is A North American Wildcat With A Short, Bobbed Tail

The Bobcat, the Dimmitt High School mascot, is a very spirited, wild animal. Since we students in D. H. S. are fittingly called "Bobcats", we should be interested in some of the facts concerning this animal. The following tells a few things about this creature.

The bobcat is a North American wildcat that got its name because of its short, bobbed tail. This animal has yellowish-brown fur, streaked with dark brown, and black spots on its undersides; it also has tufted ears and a black or white tip on its tail. Bobcats, which are larger than true wildcats from twelve to thirty-nine pounds. Because of the Bobcat's long legs, it stands about

fifteen inches high at the shoulders. The babies, two to four in a litter, are born in the spring in caves or hollow trees, and they remain with their mothers until autumn.

Bobcats are usually found in the dense forests or wooded, brushy lands of Canada and the northwestern United States, and southward to Mexico. These cats hunt alone after dark for small rodents, rabbits, birds, reptiles, and other animal life. Larger bobcats also prey on deer and sheep. Bobcats are somewhat unsocial and can seldom be tamed, even when taken young. This animal provides a good sport for hunters even though its fur is of little value; nevertheless, bobcat fur is often used for coats.

Junior High and Sixth Grade Bands Enter Contest May 14

The Dimmitt Junior High School Band will compete in a Concert and Sight Reading Contest Saturday, May 14 at 3:30 p.m. at the Springlake High School. The sixth grade band will compete in the contest in a different classification at 11:20 a.m. This is the first

year for the sixth grade to be in a contest of this type and the second year for the Junior High Band, who received a first division rating last year.

The Junior High Band will play "Stateside March", "Belmont Overture," and "Balladair." The pieces played by the sixth grade band will be "Junior Varsity March" "Festival Overture" and "Little Irish Suite."

Also in the program will be solos and ensembles, which include: three flute trics, two trombone trics, a clarinet quartet, a clarinet quintet, a saxophone quartet, a cornet trio, two clarinet solos, three flute solos, two French horn solos, a saxophone solo, a tuba solo, and an oboe solo. This is also the first year for solos and ensembles to be included in the program.

Disaster Preparation

The storm season is upon us. We are under threat of tornadoes and other destructive elements. The citizens of Dimmitt must be prepared for such an emergency.

The Castro County Ministerial Association in cooperation with the Plains Memorial Hospital is sponsoring the establishment of a "walking blood bank." The plan is to get the blood type of every adult between the ages of 18 and 50. The records of the blood type will be kept at the hospital as well as each church having a list of the blood type of their own members. In case of emergency, such as happened at Hale Center last year, the hospital personnel would have at their immediate disposal the blood types of most of the adults of our community and thus save precious time in obtaining needed blood at any given time.

To carry out the project, the technicians at the hospital will be set up at the various churches on different dates to do the blood typing. The hospital will furnish all material, labor, etc. and will give each person a card stating their name and type of blood. This possibly be scheduled there again one's person.

The schedule calls for them to be in Fellowship Hall of the First Methodist Church this coming Sunday afternoon, May 15th, 2:00 p.m. to 5:00 p.m. All the members of the Methodist Church, Assembly of God Church, Presbyterian Church, and First Christian Church are asked to come by any time during the afternoon to have your blood typed.

On May 22nd, the blood typing will be done at the Bedford Street Church of Christ and all members of the various Churches of Christ in Dimmitt are asked to come there.

This has already been done at the First Baptist Church and will possibly be scheduled there again later.

Please do not neglect this project. It can be the means of saving precious lives if our town should be struck by an emergency. WHO KNOWS — THE LIFE YOU SAVE MIGHT BE IN YOUR OWN FAMILY.

Ralph Yarborough's

Dear Fellow Texan:

This past week I introduced amendments to the Cold War GI Bill. As I reported to you when the Cold War GI Bill was passed in February, several important items were omitted from the bill in the House which have traditionally been a part of the GI educational program. I agreed to this scaled-down GI Bill in order

to get a law on the books as soon as possible. Now that the educational parts of the GI Bill became effective June 1st, I have introduced these amendments to bring this GI Bill up to par with previous GI Bills.

First, these new amendments would include on-the-job training, on-the-farm training and flight training among the educational benefits which a veteran could receive. These benefits were in the Korean GI Bill but not in the Cold War Bill.

We have seen the great need for on-the-job training in our Manpower Development Training programs and our War on Poverty programs which are presently giving on-the-job training to thousands of men yet we deny this on-the-job training to the veterans of the Cold War.

On-the-job training is also needed to insure that we maintain qualified people in our rural areas.

There are thousands of veterans who will be returning to farm life and we should allow them the same opportunity for training that we allow the rest of our veterans. We need all the food we can produce for a starving and hungry world whose population is going up 2 percent every year while the production goes up only one percent.

There is also a great need for flight-training in this Nation, as there is a shortage of airplane pilots and the military is not training and releasing enough pilots to keep up with the demand. At the present time the commercial airline industry has 22,000 pilots, but by 1970 they will need 12,000 new commercial airline pilots — an increase of more than one-third. Since the military is no longer training enough pilots for commercial airlines, there is a great need to have flight training included in the GI Bill.

My amendments would also increase the rate of assistance to the level of the Korean GI Bill and raise the period of assistance to 1½ days of educational benefits for every day of active duty — just as it was under the Korean GI Bill.

Under the Cold War GI Bill which has just been signed into law, a veteran will receive less than a veteran received back in 1952 under the Korean GI Bill. All of this is despite the fact that college cost have nearly doubled since 1952. While a single veteran received \$110 a month under the Korean GI Bill, a single Cold War veteran will now receive only \$100 a month. Yet, with the increase in college costs, it would

now take \$153 to equal the \$110 that a veteran received back in 1952.

This shows the tremendous need for raising these educational allowances. It now costs an average of \$1600 a year to attend public college and an average of \$2400 to attend a private college. For that reason my bill would raise the allowances to \$110 for a single veteran; \$135 for a married veteran; and \$160 for a veteran with more than one dependent.

These changes are necessary if we are going to bring justice to the veterans of the Cold War period and give them the readjustment assistance they deserve. This only brings them up to the level of the Korean GI Bill.

IN RECITAL AT HEREFORD

Sherry, Sheila and Shelly Barton and Sharon Stone will be in the Keith Taylor Dance Workshop recital at Hereford High School Auditorium Saturday evening at 8:30. Everyone is invited to attend. Admission is free.

The president, Mrs. Charles Burk installed the new officers, Mrs. A. E. Cogburn, president; Mrs. G. E. McFarland, vice president; Mrs. C. D. Zachry, secretary; Mrs. Wallie Gravit, treasurer; Mrs. Jack Dempsey, reporter.

Luncheon was served to twenty-two members and two guests. The guests were Mrs. Louise Wilkowski and Ozetta Wilhelm. They are residents of Hereford but were longtime members of the Arney Club.

The meeting was adjourned by Mrs. Cogburn. The next meeting will be the first Wednesday in September.

Members attending from Dimmitt were: Hazel Merritt, outgoing president, Genevieve Howe, Koma Ratcliff, Eunice Thornton, Alice Cowen, Cleo Forson, Helen Richardson, and Bea Hawkins.

SHARRON MORGAN

GARY LYNN MOSS

Morgan - Howell Engagement Told

Mr. and Mrs. Arnold Morgan announce the engagement and approaching marriage of their daughter, Sharron to Ronnie Howell, son of Mrs. Wyneth Howell of Lubbock.

The couple will exchange vows June 10 at the Northside Baptist Mission of Dimmitt.

The bride-elect has attended Dimmitt High School.

The prospective groom is a graduate of Roosevelt High School of Lubbock. He has served three years in the United States Army, and is now employed at Southwestern Public Service Company.

The couple plan to make their home in Lubbock.

Friends of the couple are invited to attend.

Gary Moss Gets Music Scholarship

Gary Lyn Moss, son of Mr. and Mrs. William Moss, has accepted an applied music scholarship at West Texas State University. He plans to major in music and minor in math. Gary will attend W.T.S.U. Band Camp this summer on a tuition scholarship. He will attend the Interscholastic League Band Solo Contest to be held in Austin, June 6-7, 1966. He will solo on both trombone and baritone. Gary plays the cornet in his spare time.

Pink Lady Party Line

by Helen Braafadt

It's just not normal for people to be that lucky with the crazy spring weather we're having. But last Thursday morning was salubrious and we were entertained in Courtenay's garden by the waterfall, beautiful flowers, beautiful food and beautiful people combined to make it a morning coffee to remember. And some of those beautiful people, became new members of the Auxiliary. It was so good to have Jerry Butler with us again after a long illness. Be sure you get your "Druthers" in for working hours. The new list is being made up now and should be out soon.

OKLAHOMA VISITORS

Mr. and Mrs. E. A. Barker and Pamela visited his mother, Mrs. Ida Barker in Erick, Okla. and her parents, Mr. and Mrs. Jack Lamm in Sayre, Okla. over the Mother's Day weekend.

Exhibit will be selected twenty-five paintings of Castro County Art Guild members to be shown at the Chaparral Inn in Ruidoso the last two weeks in June.

LITTLE LEAGUE AUXILIARY was organized last week with the ladies pictured above attending the organizational meeting. (l. to r.) Mrs. Marshall Langford, Mrs. Sandy Parsons, Mrs. J. R. Hays, Mrs. John Gray, President; Mrs. Ray Chambliss, Telephone Committee; Mrs. Joe Carver, Vice

President; and Mrs. Mackey Oldfield, Secretary-Treasurer. Team Mothers, Mrs. Vandiver, Mrs. Langford, Mrs. Floyd, Mrs. Parsons and Mrs. Hays will be in charge of the concession stand during games. The ladies plan a fund raising campaign later in the season.

ATTENDS MEMORIAL SERVICES

Mr. and Mrs. Floyd Reynolds and Mr. and Mrs. E. S. Umberson attended memorial services for

Mr. Carlos Reynolds in Lubbock Tuesday. They also visited their sister, Mrs. C. B. Harris and family.

RETURN FROM MISSOURI

Mrs. Earl Brock returned home Tuesday from Kansas City, Mo., where she had spent a week with her son Bob Brock and family.

She was accompanied home by her grandson, Raymond Earl Brock for a visit.

OUTING AT BUFFALO LAKE

Mr. and Mrs. Floyd Reynolds spent three days with friends from Amarillo at Buffalo Lake last week.

THANKS TO THE VOTERS OF PRECINCT 2

I appreciate very much your support and vote of confidence for me in the Primary Election held Saturday, May 7.

I would ask your continued support in the General Election in November. If elected as Commissioner of Precinct 2 at that time I will serve you honestly and impartially.

Thank you again for your support.

Art Gallery Perspective

by Alice Cowen

Eddie Lee Smith spent last Thursday and Friday during shopping hours doing on-the-spot painting of florals in the mall at Sunset Center and selling the pictures to onlookers who watched her paint. She and Barbara Beason, Amarillo artist who did quick portraits, were there on the invitation of Melba Schimpf of the Palette Rouge Art Shop.

Dimmitt Art students will bring to a close this week their year of study with an exhibit Saturday and Sunday, May 14 and 15 at the Gallery. Students should have their paintings at the Gallery by 6:00 Friday, May 13. The show will be open from 9:00 till 6:00 Saturday and from 1:00 till 6:00 Sunday. Each student is limited to three pictures each.

The preliminary exhibit for the Ruidoso showing will be held June 10, 11, and 12. From this

Sheffy's Chatter

"My Fair Lady," was the theme of the luncheon, I attended as guest of the Milady Garden Club ladies Thursday.

Guests were greeted by Alice Gamblin, Judy Mobley, Sue Boozer dressed in beautiful old-time dresses. The tables had a strip of antique lace down the center, with flirty little dills with fancy hats; pretty flower arrangements in high-top lady's shoes decorated the tables.

Carolyn Sides presided and made an arrangement of Iris, as she installed the new officers for the new year. They will tell you all about this in their report. The Club plans to plant flowers at the Rest Home.

Courtney Armstrong served coffee to a group of the hospital Pink Ladies, Thursday morning. These girls need some "working" new members to help them. Helen Braafadt will tell you all about the party in her news. So if you have a free day call Mrs. Charles Armstrong.

Mrs. E. B. Wright served ice cream and cake to some friends Thursday afternoon. Bridge was the game played by Mesdames P. L. Cunningham, Sid Sheffy, Ruth Wilson, Cletha George, Jack Cowser, Clarence Bearden, Will Wright, Ann Singer.

Jimmy and Floyce George and children, James and Joyce Autry of Rocky Ford, Colorado were here this week end to visit the girl's mother, Irene Carpenter and Mrs. Cletha George, mother of Jim and the Autrys.

Beverly Newman and Nancy Jackson were by here Sunday. Bev. told me that their Sunday guests were Mrs. H. E. Newman and Terry Newman of Hart, Mr. and Mrs. C. L. Rich of Plainview, (visiting Mr. and Mrs. Don Newman.)

Mr. and Mrs. Ozro Stephens and granddaughter, Kristi of Amarillo were visiting their son, Harold and Shirley Stephens Sunday.

John and Margaret Womack and children of Nazareth were Sunday dinner guests of his mother Ethel Womack.

John R. Howell of Leonard died Saturday. Funeral will be Monday at the Church of Christ there. He was the brother of Mrs. Hattie Fuller and is known to several Dimmitt people.

A-C Richard L. Popchoke of Grand Forks AFB, North Dakota is here for a few days visit with his aunt and uncle, Mr. and Mrs. E. L. Bleaker. Richard finished school at Dimmitt High.

Mrs. Homer Hyatt and her bro-wife of Hereford are with their father, F. M. Wright at Sea graves. Mr. Wright is quite ill.

I talked with some of the parents who went to Six Flags with the Band — said they were extra good students. Rode all of the rides twice — came out second in their Band Concert. So many Dimmitt folks went to Ft. Worth that we don't have much chatter, the Merritts, Vandivers, Sheffys, (Ted) and several others called on the A. J. Kemps.

Mr. and Mrs. Roy Cluck and Billie were hosts to the family on Eunday, Joy and Rodney Smith of Canyon, Jerry and Carol, Jimmy and Mary and their children and Mrs. Grace Monzingo of Memphis.

Shorty and Pat Barlow and son Claude Richard visited last week-end with her parents in Wichita Falls, Mr. and Mrs. Braudway and his aunt Mrs. Bertha Lynch. They did some fishing.

Mrs. Burl Bradford is visiting a few days in Paris and Blossom, Texas with her mother Mrs. Watson and her brother Thomas Watson and family.

Mr. and Mrs. Bryan Sinclair and her brother and his wife, T. B. England of Houston are home from an extended trip to Arizona.

Jo Miller (has let me know) that she and James Shearer of Texline will be married at the First Baptist Church here, May 26th at 7:30 p.m. All friends are invited. Jo has been with Dimmitt Wheat Growers for several

years and has a daughter, Sharon. Mr. Shearer is a farmer at Texline, but will move here and will be employed by Dimmitt Wheat Growers. Ollene Williams says she will be "best woman at the ceremony."

VISITS PARENTS

Mr. and Mrs. Bob Lindsey and children, Kim and Jeff visited their parents, Mr. and Mrs. H. Lindsey and Mr. and Mrs. L. A. Stilwell in Memphis Sunday. They were enroute home from Six Flags.

Cardinals Defeated By Halfway Parrots

Dimmitt is still in its bad woe. Again it came out losing in its own home with a team with nothing in its files.

The Parrots of Halfway is not a team to beat the Cardinals, but in this occasion the Red Birds played a bad game in their positions.

Chago Barrios, team manager of the Cardinals will have to discharge some of the players, who are completely and badly playing their positions.

The Big Red Bird tells us that

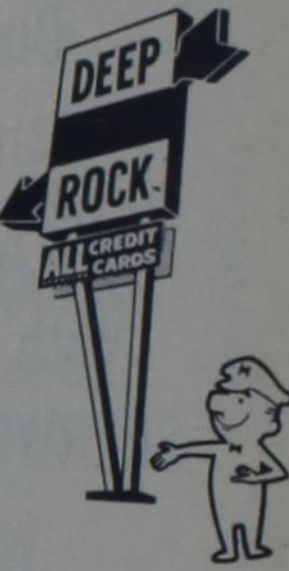

it is necessary for three or four elements to be omitted from the files since they have not been able to give what the Cardinals need.

For the Cardinals pitchers were Lalo Barrera, John Nino, and Eddie Junior. The losing pitcher was Lalo Barrera.

Fernando Rodriguez batted a home run to push Louis Wilbright who was in base for a hit he made. These being the only two runs for the Cardinals.

Next Sunday we will have a visit from Hereford to Dimmitt. By the Cardenal Reporter

If you have the water and the soil to shoot for the ultimate in grain yields, Dimmitt 66, Inc at 501 N. Broadway has the grain sorghum hybrid for you. DeKalb F-65 was made possible by DeKalb's exclusive new Kaleidoscopic Sorghum Breeding. F-65 is truly a Breakthru hybrid.

New F-65 is later than F-63—a maturity which should be just right for our irrigated area. Breakthru F-65 has short stalks for improved standability. F-65 produces dark-red seed in fairly compact, club-shaped heads. F-65 has bred-in tolerance to head smut. F-65 has what it takes to be a tremendous yielder.

Put New, Full-season Breakthru DeKalb F-36 on your best land. Plant it early, and pour on the fater and fertilizer. F-65 is bred to help you realize the maximum in profitable yields. See . . .

Nickel Cadmium Battery Sparks Cordless Boom
Progress is cutting the electric cord. Before the end of this century, scientists predict, electric cords in the home will virtually disappear. Instead of wires, compact rechargeable nickel-cadmium batteries will take over as a major source of completely portable electric energy.
Tiny rechargeable nickel-cadmium batteries have become the backbone of a multi-million-dollar boom in the cordless appliance industry. Today, the rechargeable cells power hundreds of appliances and have opened the way to development of an infinite variety of new cordless products.
Although nickel-cadmium batteries were invented more than 30 years ago, they did not gain commercial importance until the space age. The greatly improved rechargeable batteries, because they remain unaffected by extremes in temperature, are used as a power source in practically all equipment probing outer space.

Mother's Day At First Christian

Mrs. Bill (Bobby) Keller was chosen as the 1966 Christian Church Mother of the Year by ballots cast by all present at services on Sunday, May 1st.

The vote was canvassed by Mrs. George Gabel and Mrs. Othele Fry, the 196 and 1961 Christian Church Mothers of the year respectively. Mrs. Muriel Bussy was the youngest mother present while Mrs. Othele (Ethel) Fry was honored by being the mother who had been a Christian the most years as well as the one with the most descendants present at Morning Worship, Mother's Day, May 8th. Each received books of interest to commemorate the occasion.

At the Family Night Service at 6:00 p.m., Mr. and Mrs. Roy Baylets also received a book to honor them for having the largest family group present. It was a good day at First Christian Church on Western Circle, Mother's Day.

GUESTS FOR MOTHER'S DAY
Mr. and Mrs. Buck Word were dinner guests of their son, Willie John, at a steak dinner in Hereford for Mother's Day, Sunday.

One of Texas' earliest sawmills started operating around 1819 at San Augustine.

Bible Thoughts

"Here am I; send me!"

By Ronnie Parker

In our world, unbelievers are crying, "God is dead". Believers are placing their confidence in the great eternal God. It is true, however, that believers need a fresh vision of God and his power that we might be better servants in a world of sin.

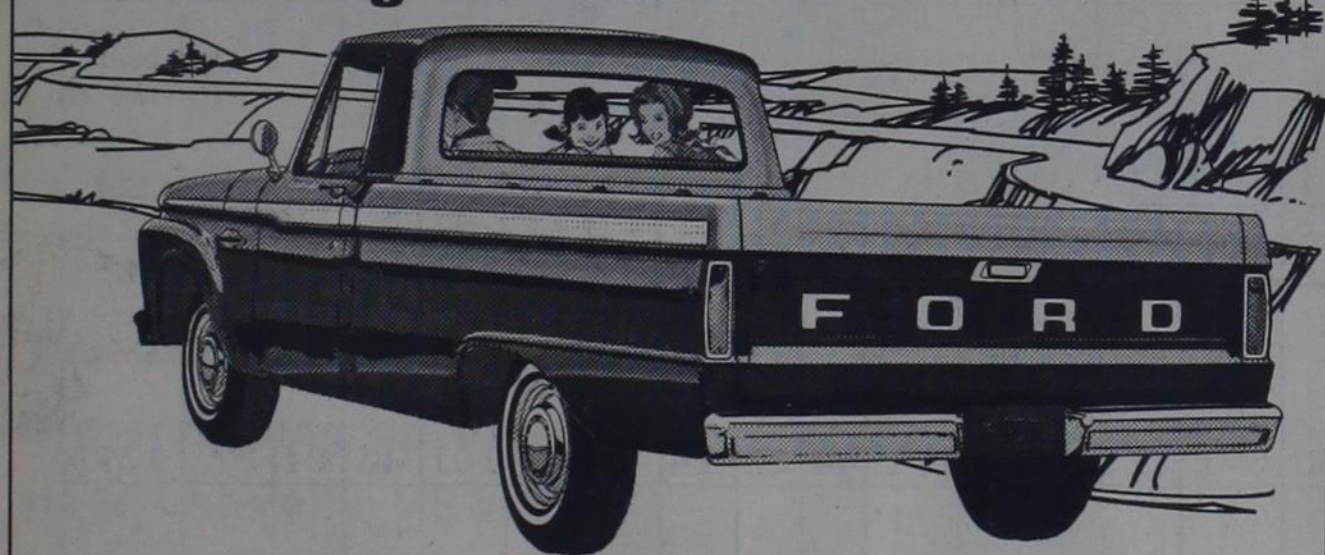

It was a vision of God that spurred Isaiah to action. In Isaiah 6:1-8 the story is recorded that the Lord appeared to Isaiah "sitting upon a throne, high and lifted up, with his glory filling the temple". There were the seraphims which cried, "Holy, holy, holy, is the Lord of hosts". The very post of the door moved at the voice of Him that cried, and the house was filled with smoke.

Small wonder then that when the voice of the Lord said, "whom shall I send, and who will go for us?" that Isaiah answered, "Here am I; send me". It is that same sort of vision that we need of God today. God's glory and power must move BELIEVERS TO

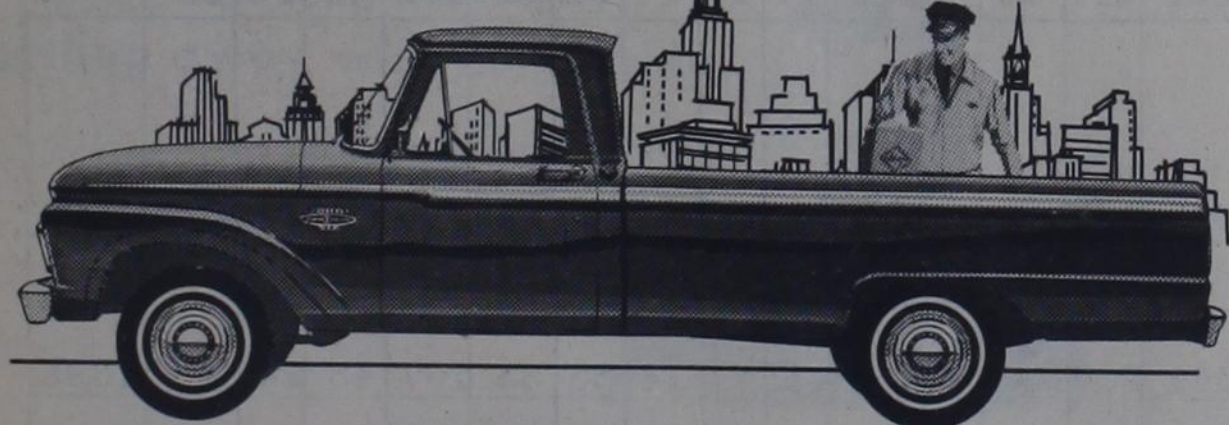

ACTION; testifying to the world that "God is" and preaching by word and life that Christ is the saviour.

Congressman Rogers Favors Inclusion Of West Texas, State Water Program

Congressman Walter Rogers, chairman of the House Subcommittee on Irrigation and Reclamation, said today he will offer an amendment to lower Colorado River Basin Project Legislation to include West Texas. In studies to be made of future water requirements in the West and Southwest, Congressman Rogers, who is presiding as Lower Colorado Project Chairman said, "Water short areas must think now about their future and consider all poss-

ible means to alleviate problems, including importation of water from water surplus areas elsewhere in the United States or neighboring countries."

Congressman Rogers continued, "There is simply not enough room for all of us to live on the banks of the creek, but all of us must have water." Congressman Rogers said state responsibilities "cannot be avoided simply because the federal government is willing to help," adding, "the Texas Panhandle and High Plains should be included in the Texas state water plan."

Walter Rogers' NEWSLETTER WASHINGTON

I'm very pleased that the House of Representatives has supported a long standing objective of mine — that of augmenting research laboratory facilities at the Bushland Agricultural Experiment Station. As it approved agricultural appropriations for the coming fiscal year, the House voted \$325,000 to construct the additional laboratory facilities and thereby complete a program begun several years ago to step up soil and water research aimed specifically at solving problems in our High Plains area. With solid backing from home, I had worked to obtain the initial authorization of \$600,000 to provide new facilities at the Bushland station, an action of Congress that was followed by a \$250,000 appropriation in 1961 and a \$25,000 appropriation last year with which to plan completion of the project.

By late summer, the planning will be completed and the project is expected to go out for bids. False economy moves had threatened to curtail progress in and, with them, any augmentation of the work at Bushland. However, I am glad to say that the action of the House, with the Senate's agreement, insure that research can be continued at a proper rate into such areas as soil and water problems (at the Bushland station), grain marketing, cereal rust, sedimentation, range livestock (at Miles City, Montana), meat animal research (at Clay Center, Nebraska), nutrition and consumer use research, pasture research, and barley research.

Experience shows the need for continuing research. The House, by its action, supported the conviction that it would be a serious mistake to risk reducing the ability of our agricultural system to assure an adequate supply of food and fiber to a constantly increasing number of consumers in the United States and abroad. Agricultural scientists make the point that our research efforts must be at least five years ahead of the constant threat from existing pests and their hybridized descendants. For example, a new

Dimmitt Teachers To Attend Art Workshop

Forty-five teachers from Dimmitt Independent School District will attend an Art Workshop on May 17, 18, 19, 1966, at the South Elementary School, it was announced recently by Mr. Paul Hillburn, Superintendent of Schools.

A free educational service provided by Binney & Smith Inc., manufacturers of Crayola Crayons and other school art supplies, the Workshop will be conducted by Mrs. Jewel Bishop, who has taught extensively and holds a master's degree from George Peabody College.

The teachers will spend fifteen hours of their own time learning about modern creative art education and some of its materials and tools. They will "learn by doing" — the theme of the Workshop. Rolling up their sleeves,

they will try out the techniques presented by Mrs. Bishop.

These techniques will include some of the uses of crayons, water colors, poster paints, finger paints, colored chalks, and modeling clay. Simple craft techniques will also be shown, giving teachers an opportunity to work with paper, paste and other materials to gain three-dimensional effects. All of the Art Workshop activities will be experiences which the teachers can relate to their own classroom teaching.

School officials responsible for the Workshop arrangements, in addition to Superintendent Hillburn include Mr. W. A. Skinner.

DIMITT GARDEN CLUB

Members of the Dimmitt Garden Club will go to Lubbock Friday, May 20th for their luncheon at the Villa Inn. They also plan to visit some of the outstanding gardens in Lubbock.

Members and their guests will meet at the north parking lot of the Dimmitt First Methodist Church at 10 a.m. Friday to leave for Lubbock. Those planning to go are requested to call or see Mrs. George Bradford or Mrs. Raymond Wilson.

DAVID SMITH
1966 Lone Star Farmer

At the Area 1 Convention held in Lubbock on Saturday, May 7, David Smith was selected Star Lone Star Farmer of Area I. Earlier he had been named Star Lone Star Farmer of the Plainview District. This enables him to compete with the winners from the other five districts for Area Star.

The State Farmer Degree is awarded to only 2 percent of the active members each year. It is the highest FFA degree that can be awarded on a state basis. David is now eligible to compete with the winners of the other nine FFA Chapters in Texas. This check will come in June.

David has an outstanding supervised farm program that includes: cotton, milo, potatoes, corn, layout ground, commercial steers, sows, gilts, and a boar.

He has been active in all phases of the FFA, serving as Chapter president, on many committees, leadership teams, judging teams, church and school activities.

Six other members of the Chapter met all qualifications and passed the Area check for the State Farm Degree: Billy Bob Bell, Doug Martin, Bob Crick, Jerry Smith, George Bennett and Darryl McLain all met the necessary requirements.

Congratulations are in order for David and these other six boys for a job well done.

David is the son of Mr and Mrs Harold Smith and is a senior at Hart High School. He has played football four years; basketball three years and has been in track for three years. He is a member of the First Baptist Church. He has one brother Danny and a sister, Patricia. David plans to attend West Texas University in Canyon this fall.

LETTER TO THE EDITOR:
Mr. Nelson:

When I think you are tired of the reports on the camper trip to California I will give you some more on the Hill Country.

This one concerns the much publicized "Hells Angels." The first ones I saw arrested my analyzing mind. A few days later I asked some questions. This I heard. They were raised by babysitters. Still living in idleness. When the father gets off from his well paying job early in the afternoon he picks up their mother and before midnight they are a hundred miles from home where they raise hell till two thirty in the morning, get back home and go to bed about getting up time. School time? They manage to get off but how. Like a ship in stormy seas with out rudder. In Texas we call them Youth Rallies like the recent report from Galveston.

California people are pretty smart. In L. A. they have built a three million dollar "Youth Center" to take care of that situation. The chandeliers in the breathtaking edifice cost five thousand dollars. It is a good place to send the kids when you don't want to be bothered with them yourself.

Castigate the kids? No me. I am standing by the kids. They are doing well and good.

APPRECIATION

I wish to take this means of expressing my appreciation to the people who supported my candidacy, in any way, for the office of Commissioner of Precinct 4.

I enjoyed the experience of making the race for commissioner, and appreciated the cordial reception given me, in every instance, in my solicitations of support.

Federal Land Bank Association

Mr. Farmer - Mr. Rancher:

Too many short-term debts can cripple your total credit program, tie up operating capital and cause you to miss opportunities that require immediate funds. For these reasons, it can pay you to consolidate your short-term obligations with a long-term, low cost Land Bank loan on your farm or on your ranch.

handy

in the kitchen, workshop or anywhere. Wall-mounted extension telephones are great space-savers (save you time and steps, too). And they come in delightful colors to compliment any decor. Cost a lot? No. Nowadays you can have two phones for just a fraction more than one.
