City moves toward assessment paving

The Dimmitt City Council voted Monday night to move toward setting up an assessment paving program for city streets.

City Manager Reeford Burrous told the council that all of the property holders except one along NE Eighth Street are in favor of refused to pay her portion.

Burrous told the council that the assessment program would be the next step in getting the street paved.

property holders on other unpaved streets in the city might also be interested in the assessment program, and voted to allow Burrous to draw up a list of proposed streets for the program to be presented at the next meeting of the council.

Burrous noted that any property holders wanting paving along their streets should contact him at the city hall. The next meeting of the council will be Nov. 12, rather than the regular date of Nov. 5, to allow the council to canvass the results of the Nov. 6 election.

Mayor Wayne Collins noted that once the assessment program has begun, streets can be dropped from the program, but none may be added.

In a final adjustment to the 1989-90 fiscal year budget, Burrous recommended several amendments to the budget to make the accounts in each department balance. The overall revenue and disbursements remained the same.

\$9,071 was transferred out of the sewer department to the general fund to help cover unbudgeted legal expenses due to the election lawsuit filed by Larry Gonzales and for attorney fees in connection with the adoption of the new city char-

"It cost the city around \$15,000 to settle that suit and it could have been settled for 15 cents if Gonzales had come to the charter commission first," Councilman Don Sheffy commented.

paid to Gonzales' lawyers in the settlement.

Another budget amendment transferred \$33,225.86 from the water department, \$174.97 from the warehouse department and \$843.98 from the sewer department, and placed those amounts in the sanitation department.

The budget amendments were

Burrous told the council that the Dimmitt Volunteer Fire Dept. did not spend all of its alloted funds for the past fiscal year, so the \$4,700 remainder was placed in a certificate of deposit to go toward the future purchase of a new fire truck.

Councilman Harold Hyman said paving the street, but that one has the city should encourage other departments to try to come in under budget, and commended Burrous and the fire department for the new program to encourage thriftiness.

The police department came in Council members noted that \$9,906.60 under budget. Sheffy suggested that some of those funds be expended for a new camera for the department to use in recording evidence.

> In other business, the council voted to reduce the lien against a local woman's property because of a misunderstanding in communication. The woman owed \$374 from a 1964 assessment paving project, but had vowed to not pay it because she did not want the paving. In the meantime, over \$700 in interest has accrued, and the assessment certificate is currently held by the city.

> Collins said the woman had tried to clear up the matter several years back, but was informed by then city secretary Garnett Holland that he didn't know anything about it.

> The council voted to charge only half of the accrued interest, making the total bili \$665.72 if it is paid within the next 60 days. If not paid within the specified time, the bill will revert to full amount.

In preparation for the Nov. 6 election, Ysleta Ball was named election judge and 25 ballots were set aside for absentee voting in each city district. Pay for the election judge was set at \$4.50 per hour, with the clerks to be paid \$4 per hour. Ball will select her clerks, and Burrous noted that she plans to get at least two who are bilingual.

The council approved the first reading of an ordinance for annexation of 3.488 acres on Northwest Fifth Street adjacent to the senior citizen rental housing. S&S Burrous noted that \$10,529 was Properties is petitioning for the annexation for construction of additional senior citizen units. The ordinance must pass a second reading before it goes into effect.

Approval was given for retaining Charles L. Rhodes of Amarillo as appraiser and Kenneth Hagar of Hereford as surveyor for the project to expand the runway at the city airport. Both are FAA and TAC

In the federal budget and deficitreduction crisis, everyone in the Senate and House of Representagame:

As the original budget deadline neared, the Democratic leadership held its cards until it forced President Bush's hand. Finally, he reneged on his "no new taxes" pledge and admitted that new taxes would be necessary to attack the staggering deficit. Now the Republicans can't lay all the blame for "taxing and spending" on the Democrats.

Chalk up one for the Democrats. As soon as they had re-read Bush's lips, the right-wingers in Congress screamed. Bush had gone back on his main pledge—one they thought they had him locked into, a pledge which was devised by Reaganites at the GOP national convention and written not by Bush but by one of President Reagan's

speech writers. Now the right-wing and moderate Republicans both in and out of Congress are split — perhaps irreparably this time - over the entire matter of tax policy, economics and government services.

Chalk up another one for the Democrats.

Then, in throwing out the recommendations of the "budget summit," both houses of Congress made the point that the constitutional responsibility for the federal budget belonged to the full Congress and not to a "summit" committee.

Porras hurt in accident, undergoing skin grafts

Ernesto Porras, 39, of Dimmitt was to undergo skin grafts Wednesday in Deaf Smith General Hospital in Hereford to repair injuries he received in a farm accident Saturday morning on the Kenneth Frye farm west of Dimmitt.

Porres reportedly was greasing a beet digger machine when part of his clothing apparently became entangled in the drive shaft. He was discovered sometime later by Ray Arias, another farm worker, who

summoned help. Investigating officer Sheriff's Deputy Rick McClain said Arias reported that he was driving a tractor, looked up and saw Porras down on the ground, waving at

Porras was transported by ambulance to DSGH, where he was treated by Dr. Nadir Kahuri, staff surgeon, for third-degree type skin loss on the left arm and shoulder and upper right leg. The victim also suffered six broken ribs on his left side and a fractured left clavicle (collar bone).

Absentee ballots for the city election may be cast at the Dimmitt City Hall.

County officials seeking election include all incumbents: County Judge Mrs. M.L. Simpson Jr., Pct. 2 Commissioner Dale Winders, Pct. 4 Commissioner Vincent Guggemos, County/District Clerk Joy Jones, County Treasurer Oleta Raper, Justice of the Peace Marshall Young, and County Surveyor John Alldredge.

Also making bids as official write - in candidates are Harold Broadstreet for the position of County Judge, and the late Tomas Falcon for the office of Pct. 4 Commissioner.

County/District Clerk Joy Jones noted that official write-in candidates are included on a list posted at all polling places eligible to vote for that candidate. She said that state policy requires the inclusion of Falcon's name, since he registered before his death Sept. 16.

the majority of votes, the Commissioners' Court would appoint a candidate to fill the post until the next regular election or a special election could be called to fill the vacancy.

Jones noted that those voting absentee by personal appearance in the state and county election must present their voters' registration card when they come to cast their ballot in her office. The last day the clerk's office may receive application to vote absentee by mail is Oct.

GOLD STAR HONOREES — Kalina Pohlmeier (left) and Mac Annen (right), both Nazareth 4-H'ers, were presented the 4-H Gold Star Award by Polly Simpson, (center) Castro County Judge, during the Castro County 4-H awards banquet Satur-

day night in Dimmitt. The banquet was the last of the activities county 4-H'ers participated in during National 4-H Week, Oct. 7 to 13. The Gold Star Award is the highest award presented to 4-H'ers on the county level each year. Photo by Sheila Acker

Mable Brock flew to Palestine and celebrated her birthday with her son and family, Dr. Bob and Pat Brock and daughter, Ramona. They treated her to a delicious dinner at the country club, then went back to their home for birthday cake and ice cream. They drove around to see all the pretty scenery. Mable went on to Dallas to visit the grandchildren, Brock and Susan Merritt and boys, Derick and Bryan, Steve and Deannea Tanner, and Shea Brock, who is in the seminary in Dallas.

The Plains Memorial Hospital Auxiliary met on Wednesday morning with Betty Freeman presiding, and committee reports were given. Plans were made for the annual bazaar and dinner to be held at the Expo building on Friday, Oct. 26.

Jackie McLeroy gave a report of the district meeting that was held in Plainview. There were 121 present, and 17 auxiliaries were represented. A delicious luncheon and style show for all ages was enjoyed by the guests. They reported that the Methodist Hospital in Lubbock is the largest between Dallas and Los Angeles.

Plainview's own "Erma Bombeck," Mary Frank Owen, entertained the group, and the Johnny Masons' daughter, Donna, modeled in the style show. Members from Dimmitt attending were Betty Freeman, Mattie Seale, Barbara Sava, Bea Hawkins, Lucille Drerup, and Jackie McLeroy.

The Dimmitt Book Club met at Rhoads Memorial Library on Wednesday afternoon with Susie Bradford presiding. Becky Webb read the minutes and called the roll.

Diane Townsend gave an inspirational review of the book I Want to Grow Hair, I Want to Grow Up, I Want to Go to Boise by Erma Bombeck. This is a very touching story of children with cancer. Diane's family made some clever posters for her to illustrate her review.

Murna Miller and Marie Perrin were hostesses for the social hour, and they served party sandwiches, cookies and hot apple cider. The serving table was pretty with colorful leaves, miniature pumpkins and red peppers in a large basket.

Alma Kenmore was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Louise Mears won high score and Johnnie Vannoy won second high. Others playing were Ina Rae Cates, Elizabeth Huckabay, Dude McLauren, Cleo Forson, Helen Braafladt, Neva Hickey, Ferne Dickey, Bernice Hill and Dugan Butler.

A bridge tournament will be held at the Senior Citizens' Center Saturday from 10 a.m. to 3 p.m. All bridge players are welcome, but bring your own partner. This will be party bridge, and it is a fundraising event to benefit the Senior Citizens' Center. The charge is \$5 per person, which includes lunch and snacks.

Ysleta Ball brought the devotional at Canterbury Villa on Thursday morning, based on Philippians 1:9 and Ephesians 6:23. Love flows through us like a stream that feeds into a river. Renise Blair sang Worship the Lord, and God and Man at Table are Sat Down. Richard Young sang In the Garden, accompanied by Phyllis Mooney. Others participating were Oma Dee Heard, Bobbie Baldridge, Beral Hance, Mauzee Youts, Dorothy Hopson, Gladys Benson, and Mary Edna Hendrix. The dining room was decorated for Halloween with scarecrows, pumpkins and black and orange paper streamers.

Out of town visitors at the museum included: Mario and Sylvia Tavella of Sauvella, Italy, who were guests of Clara Vick; W.G. Keen of Silver Springs, Fla.; Earl and Lorene Burns of Irving; Wesley Layman of Hereford; Ruby Oler of Tulia, mother of Emma Jean King; and Kenneth and Peggy Fulfer of San Antonio, who were in Dimmitt visiting Peggy's mother, Faye Cline and Dub.

The Castro County Farm Bureau annual meeting and dinner was held at the Dimmitt High School cafeteria on Saturday night, with Joe Lust presiding. The delicious steak meal was catered by K-Bob's. The board members served homemade ice cream.

Paul Axtell of Dimmitt and Eric Bennett of Hart gave reports on their trips to San Angelo State University, where they attended the Summer Citizenship Seminar. Cindy Albracht from Nazareth was unable to attend the meeting Saturday night.

Clay Cogburn showed some slides of his activities in the FFA student exchange program. He spent some time in England and Scotland living with several families and working on farms. The group sang "Happy Birthday" to Tommy Stanton.

Sunday night following the evening worship service at the First Baptist Church, the Acteens sponsored a Rice Dinner. This is "World Hunger Week," and if another is hungry, can a Christian be unconcerned? Barbara Kenley is the director of Acteens, and the girls who presented a skit on "World Hunger" were Nikki Kenley, Alice Young, Sharla Jackson, Holly Wise and Beth Simmons.

Geneva Dennis and Jauvada Curtis drove to Hedley for the "Cotton Festival." They visited with their nieces, Pauline Kaufman and Dorothy Crawford. There was a parade with many beautiful floats, gift shops and lots of food. There were many blue grass and country music bands performing. A barbecue dinner was served on Saturday.

Wanda Murdock and his sister, Barbara Godfrey of Plainview, took their parents, Mr. and Mrs. W.H. Felder of Hart, to Iowa Park to visit Mrs. Felder's brother and sister-inlaw, Milton and Ruby Anderson and their son and daughter-in-law, Charles and Mary Anderson and daughter, who had prepared a meal for them. They drove on to Bowie to spend the night, then on to Montague to visit and to DyMond just to look around where Mr. Felder had lived. He was disappointed that things didn't look as they did when he left many years ago. The DyMond Community was a wooded area now and there was just one church left. They drove on to Hollis, Okla. to visit old time friends, Mr. and Mrs. Orville Orr.

Flo Nichols and my sister, Lynna

Cloer of Tulia, invited me to go to Tulia for all the activities that were being held on Saturday. The club women were sponsoring the activities at the old Santa Fe Depot to save and restore it. While there, I heard many stories about the depot and trains.

Mrs. Little said when she was a first grade teacher she took her students for a train ride to Plainview. My sister rode the train to Canyon nearly every weekend when she was attending West Texas State College. On Sunday afternoons, many parked at the depot to watch the train come in and leave. I rode the train from Tulia to Lubbock, where I was married, then on to Wichita Falls for our honeymoon. (This was during the Depression.)

Mr. and Mrs. Will Owen drove down from Amarillo, since he was a telegraph operator with the Santa Fe in Emporia, Kan. in 1948. I visited with many old friends while I was at the depot-Bayard and Mable Sadler, Lula Marjorie Conner Miller, Daphne Hale, Kenneth and Veda Wyatt and their daughter, Jill, Mary Evelyn Edwards, Marie Harris, Doyle and Ethel Hooten, Mr. and Mrs. Don Sanderson, Ollie Nichols of Happy, and Roger and Millie Otwell and little daughter, Rachel Elizabeth.

Roger and Millie and David and Leslie Otwell are back in Tulia. They are managers of the Love Oil Company since their brother - in law, Dennis Love, died. The Otwell Twins were on the Lawrence Welk Show several years ago.

Juanita Schacher of Nazareth won the big train set and Dustin Huckabay won the small train set. Hamburgers, cookies and homemade ice cream were served at Conner Park at noon.

Omega Johnson has been on a small vacation recently. First, she went to Lawton, Okla. on a Thursday to join her daughter and son-inlaw, Carol and Jim McCullough. On Friday they left Lawton and went to Joplin, Mo. The country was pretty and green, with lots of pretty scenery. Saturday, they left Joplin for St. Louis, Mo. Some of the foliage was beginning to show some color.

They saw the Mississippi River -the first time for Omega, who was a little disappointed in it, though she said she didn't know what she expected. They went by the Arch in St. Louis. Omega said it was interesting.

They spent the night in Vandalia, then Sunday they went on to Indianapolis, Ind., enjoying the beautiful country, old houses, big old barns and lots of trees. They went on to Fort Wayne, Ind., then Monday, they cut across country. This was the area where Jim was raised and he knew all the roads. They went to Toledo, Ohio to visit Jim's parents, Jim amd Elinor Flanagan. They met his sister, Barbara, and her family, and his brother, Mike, and his family, and stayed in Toledo until Wednesday, with excursions into Michigan and to Lake Erie. Omega said it was lovely, and different from anything she has ever seen before, with so much water, different industry, and all the fascinating shipping vessels. She said they also saw the old Erie Canal, which is unused for shipping any more on the portion they saw.

They left Toledo on a Wednesday and headed south to Cincinnati, Ohio, then on to Louisville, Key., and spent some time there. Jim had been stationed at Fort Knox and knew the interesting places to see. They went down by the river, where it had been renovated with pretty new buildings. They saw the paddlewheeler Belle of St. Louis, which was dry - docked for the winter. They also saw the Dixie Queen, which was taking on passengers on a trip up the Ohio River to Cincinnati. The barges and floating fountain were all pretty interesting to "the flatlander from the dry country," Omega said. They had lunch at the Kingfisher's, then were on their way again, heading to Nashville, Tenn.

They spent Thursday night in Nashville and took a bus tour of the Nashville homes, along with Ryman Auditorium and several more places of interest on Friday. They couldn't get tickets for the Grand Ole Opry, so Omega said she'll have to go back again some time for that. They did have some good entertainment at the KOA where they were parked. One of the entertainers was Keith Longbotham of Plainview. Omega said she talked to him and found out he had been to the First Baptist Church in Dimmitt and knew Richard Young, the song leader. He also said Jolene from K-Bob's is his cousin.

They left Nashville Saturday on their way west, and got to see the Mississippi again at Memphis, Tenn. They went on through Little Rock, Ark., then to Russellville, where they spent the night. They went on to Lawton on Sunday, three tired, but happy people.

Jim and Carol had to go to work on Monday, so Omega left Lawton and went to McKinney to visit her son, Russell, and Eileen and grandchildren, Melissa, Michelle and Jill. She went to a football game with

them on a Tuesday night, where Melissa and Michelle served as cheerleaders.

On Wednesday, Omega went back to Laton and visited her son and daughter - in - law, Keith and Joyce, for a few hours, then headed home on Thursday.

Omega said she had a wonderful time, had traveled a bunch of miles and was "one tired gal."

The Tony Sandler Trio will be presented in concert Saturday at 8 p.m. at the Hereford High School Auditorium.

We Salute

Our 4-H'ers

It may have been under less than ideal conditions that the county's 4-H'ers held their annual Awards Banquet Saturday night at the Expo Building. The 4-H program here is currently having to do without two county Extension agents, who are vital to the program.

But to their credit, the County Extension Office staff, the 4-H adult leaders and the 4-H'ers themselves got things organized and the banquet came off as scheduled.

Costs for the banquet were held to a minimum, thanks to the generosity of Deaf Smith Electric Cooperative, which donated the meat, and Walt Hansen of Dimmitt Thriftway and IGA Foodliner, who provided the vegetables for the banquet meal.

It was fitting that Walt Hansen was named the "Friend of 4-H" winner at this year's banquet. Walt still believes in helping wherever and whenever he can through his stores, and in doing all those helpful things which already have earned him the Citizen of the Year Award.

Congratulations also to our top 4-H winners this year-Kalina Pohlmeier, Gold Star 4-H Girl, and Mac Annen, Gold Star 4-H Boy. We think our Castro County 4-H'ers and their adult leaders are something special. They've proven it by winning state awards and championships through the years in such fields as public speaking, trap shooting, livestock showmanship, clothing, method demonstrations and others.

4-H is an All-American program—one of the best we have for our youngsters. It offers our youngsters a whole catalog of programs in which they learn by doing-a time-tested methodunder the supervision of Extension agents, parents and other interested adult volunteers.

We're proud that Castro County has such a strong, active involvement in this wholesome program. When you see our 4-H'ers busy with their projects, you realize that if every youngster in the country had the opportunity to be involved in 4-H, our nation wouldn't be so plagued by teen drug abuse and other problems.

If you are 9 years of age or older, 4-H has a place for you. If you'd like to have fun and meet new friends while learning by doing, just call the County Extension Office at 647-4115. They'd be glad to hear from you.

4-H'ers and 4-H leaders, we're proud of you, and we salute you. We're glad you're part of Castro County!

Debbie Freeman of Earth, daughter of Hershel and Retha Wilson, was admitted to Methodist Hospital Monday for surgery. She was dismissed Saturday and will recuperate with the Wilsons. Renee Wilson stayed with Debbie in the hospital.

Hershel Wilson was admitted to Methodist Hospital in Lubbock Wednesday morning for an angiogram, which revealed some blockage. He was told it can be controlled with medicine, and he was dismissed Thursday, but they stayed with Debbie until she was dismissed. Emma Jean King visited with them Wednesday afternoon, and so did Rev. David and Debra Fletcher.

Rev. David Fletcher preached the Doctrinal Sermon Friday at the Llanos Altos Baptist Associational Annual Meeting in the Trinity Baptist Church at Muleshoe. He was accompanied by Debra Fletcher, Willie Mae Sadler and Teeny Bowden. Lunch was served by the church at noon.

Mark Bail of Dimmitt came out Monday morning to Teeny Bowden's to take the stories and articles for the Castro County History Book off of the hard drive and transfer them to fifteen floppy disks to send to Taylor Publishing at Dallas. He was accompanied by Randy Smithson and Robert Jones. Rev. David Fletcher was also present to watch the rather complicated process. It took about two hours. Stacy Norman got home from South Plains College in time to see the last part of it.

Monday .30 of an inch of rain was recorded, with another .30 for Monday night and .10 for Tuesday morning. It was 32 degrees both Tuesday and Wednesday mornings with frost on the ground Wednesday morning.

Stacy Norman entered articles into the computer Monday and Tuesday afternoons. Emma Jean King and Teeny Bowden worked at home all week on the ranching and farming sections and events for the celebration section.

OM problems are designed for

Bess and R.V. Bills returned four divisions including: * Kindergarten through Grade 5.

* Grade 7 through Grade 8 * Grade 9 through Grade 12.

Teams are judged in effectiveness of the solution to the longterm problem, style, and a solution to the spontaneous problem, which is given to the team on the spot.

A group of teachers and partents from Hart have attended a training session on OM competition and they will organize and coach the Hart OM teams. They are Deb Clinton, Aletha Jeske, Karen Black, Judy Dotson, Debbie Emery, Danny and Elodia Rodriguez, Leticia Carrasco, Nelda Ethridge and Letha

Anyone interested in being an OM coach should contact Black at 938-2141.

Armed Forces Hometown News

Marine PFC Gregory B. Malone of Dimmitt has completed recruit training at Marine Corps Recruit Depot in San Diego, Calif.

During the 13-week training cycle, Malone was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drills. Teamwork and self - discipline were emphasized throughout the training cycle.

A 1988 graduate of Dimmitt High School, Malone joined the Marine Corps Reserves in May.

In a special meeting last week,

VA announces new toll-free phone number

A change in telephone service has resulted in a new, toll-free number for the Dept. of Veterans Affairs' national hotline for veterans seeking information about their government insurance.

By calling 1 - 800 - 669 - 8477, insurance holders and beneficiaries can obtain immediate service on address or policy changes, dividend information and general insurance information.

Not only is calling the VA Insurance Center faster than communicating by mail, it also is more personal and allows the policy holder to raise additional questions based on the response to the original inquiry or request.

Established in 1988, the Philadelphia VA Regional Office and Insurance Center Hotline answered 1.3 million calls in its first two years. In recent months, some 2,-500 calls were answered daily. An overnight message service, which began in May, allows callers to leave messages after 5:30 p.m. (EST) and on weekends. Insurance specialists return those calls within two working days.

OCTOBER EMPLOYEE OF THE MONTH

Janie Najar

The Plains Memorial Hospital Employee of the month for October, 1990 is Janie Najar. She is a mother and L.V.N., currently pursing her Associate Degree in nursing at Amarillo College. She is employed as a floor nurse at Plains Memorial Hospital.

Janie graduated from Amarillo College Vocational Nursing School, Dimmitt Extension in 1987 and has worked Hereford's King's Manor for a short period and then returned to work at PMH. She will graduate from Amarillo College in December, 1990, and will be eligible to write the R.N. exam for the State of Texas in February, 1991.

junior at Dimmitt High School. He maintains an A-B average and is a football star. If you don't believe us, just go to the football game this Friday and watch #48. Marlene is an eighth grader at Dimmitt Middle School. She was Spirit Queen for homecoming 1990 and is also an A student. She has recently been nominated for Olympic's of the Mind.

Janie likes to read for pleasure, especially if not required for "homework." She is an avid sport's fan and can be readily found on the side-lines at most all Dimmitt sports events. When Janie was asked, "Why nursing?", she replied, "I have always wanted to be a nurse." She feels that nursing is her "calling." She expresses that nursing is a continuing process, continually changing advancing. It is a career that you have to keep on top of in order to do your best and it is a challenge to be a part of this constant

Janie would like to thank her fellow employees as well as all Dimmitt residents who have supported her and encouraged her to continue with her education and strive to better herself.

Janie is very conscientious, friendly employee who delivers quality care to each of her patients. We are proud to announce her as our Employee of Her children are Lincoln, 16 the Month for October, 1990. She and Marlene, 13. Lincoln is a certainly deserves the honor.

Gas. It's A Natural Way To Protect Our World.

Leading scientists tell us that increased use of natural gas could dramatically improve the quality of our environment. Gas is the cleanest burning of all fossil fuels. So, unlike other fuels such as oil and coal, natural gas doesn't emit high levels of carbon dioxide into the atmosphere. These pollutants are believed to be a major cause of many of the environmental problems facing us today.

One way in which natural gas is now being used to help reduce air pollution involves the injection of gas into coal burning facilities. This procedure can result in reducing nitrogen oxide emissions by as much as 60%.

So, when it comes to heating your home this winter - or cooking your food or heating your water – natural gas is the way to go.

Natural gas. It's clean. Dependable. And environmentally friendly. That's why, gas is a natural.

Gas. It's a natural.

Formal ceremony joins Underwood and Baggett

Darla Underwood of Hart and Lee Baggett of Plainview exchanged wedding vows Aug. 31 in a formal, double-ring ceremony at the First United Methodist Church in Hart with Rev. Perry Hunsaker, pastor, officiating.

The bride is the daughter of Doyl Underwood and Rubie Lee, both of Dimmitt. The groom is the son of H.O. Baggett of Cisco.

A mauve and blue floral arrangement atop a brass pedestal and double candelabras with greenery and mauve bow accents decorated the church.

Music was provided by Brenda and James Campbell and Nelson Dotson on trumpets and the piano as Deborah Clinton sang To Me. Tommy Stewart also performed.

Given in marriage by her father, the bride wore a tea-length gown of ivory satin and lace featuring a dropped waistline and pearl accents. She carried a bouquet of white roses.

Maid of honor was Michelle Schumacher of Dimmitt, niece of the bride. She wore a tea-length pastel pink gown and carried two long-stemmed white roses.

Best man was Don Baggett of Georgetown, son of the groom.

Vandon Jeter and Heather Jeter, both of Dimmitt, niece and nephew of the bride, lit candles. Ring bearer was Kris Lindsey of Dimmitt, the bride's nephew.

Registering guests was Jenny Baggett of Plainview, niece of the

Ushers were Doug Baggett of Plainview, nephew of the groom; and Tucker Schumacher of Dimmitt, nephew of the bride.

Following the wedding, the couple was honored with a reception in the church's fellowship hall.

A floral centerpiece and the bride's two-tiered ivory wedding cake with fresh flower accents decorated the table. An antique tulip punch bowl, gold tableware completed the decor.

The couple enjoyed a wedding trip to Taos, N.M. and are now home in Hart.

For her traveling attire, the bride wore a black pant suit with gold jewelry. An orchid corsage completed her outfit.

County ACS unit urges public to watch for look-alike groups

Residents of Castro County who want to be certain that the money they donate to cancer research is used in the most effective way, should be aware of look-alike cancer organizations.

"When you contribute to a charity, it makes good sense to find out exactly where your money is going and how it will be spent," said Gwen Bryant, president of the American Cancer Society's Castro County unity. "Contributors have the right to know if their donations are being spent in an efficient

way." The term look - alike is used because some organizations may include words such as "national, society, institute, research or foundation" in their names in an attempt to be mistaken for organizations like the American Cancer Society (ACS) or the federal government's National Cancer Institute. Lookalikes may actually spend an overwhelming portion of the donations they receive on their fund-raising and administrative expenses, Bryant said. ACS relies primarily on volunteer-run fundraising.

According to Bryant, ACS distributes over 90% of its income in Texas to actual cancer control pro-

ACS urges all donors to ask questions before writing a check to a charity. The American Cancer Society and National Charitable Information Bureau, a charity-rating agency in New York, have developed a set of guidelines for donors

* Check to see if the organization's fundraising efforts are cost effective. The NCIB stipulates that a charity should not spend any more than 30% of one dollar on fundraising. The American Cancer Society spends 15%.

* Check to see if the organiza-

* Find out what are the organization's administrative costs. The NCIB recommends that these costs should not exceed 15% of the budget. The American Cancer Society's administrative costs are among the most effective at 3%.

Calvert is honored

Stanton Calvert, former Dimmitt resident, was honored Oct. 1-4 by the College of Education at the University of Texas at Austin as a graduate of the school's Community College Leadership Program during Distinguished Graduates Week.

The leadership program, the oldest graduate program of its kind in the nation, is designed to prepare administrators to assume key leadership roles among the nation's 1,300 community colleges. The Community College Leadership Program has graduated several hundred individuals who now serve as presidents, vice presidents and deans of American and Canadian community colleges, as well as leading state and national professional organizations. The distinguished accomplishments of the 16 men and women to be honored document the success of the CCLP.

Calvert, who is executive director of the Texas Public Community-Junior College Association in Austin, earned a bachelor's degree from Abilene Christian College, his master's from the University of Texas at Austin, and his PhD from UT in 1974. He has served as an educational consultant with particular interestes in state higher education policy development and consensus building.

Seven Cat Card Club Winners for this week have been named at Dimmitt Middle School.

Fourth grader Derek Buckley turned in a lost item, and lost money was turned in by fourth graders Lezly Martin and Sebastian Rosalez.

Fifth grader Jose Villareal turned in a lost item, and fifth grader Juary Cavazos was cited for "exceptional manners."

Seventh grader Christy Thomas notified teachers of a problem in the hall, and eighth grader Mirella Cordona helped tutor other students.

Winners of Cat Card privileges get to attend school - sponsored functions free during the week of their selection, and get to go to the head of the cafeteria line. Coupons for redemption are also offered by local merchants.

Students are nominated by teachers, with final selection made by DMS Assistant Principal T.J. Parks.

Sports Bobcats edge stubborn Mules, 14-13

Don't those Muleshoe guys read the papers?

Didn't they know Dimmitt was supposed to win by 18?

Evidently not. The Mules outplayed the Bobcats three quarters here Friday night before begrudging Dimmitt a 14-13 victory in the District 2-AAA opener for both teams.

The Mules took a 7-0 lead on their first possession and held onto it until the Bobcats ignited for 14 points in the third quarter.

The Mules marched 68 yards for another TD in the fourth, but fumbled on a two-point conversion play. Then they came back with another drive late in the game which the Bobcats finally stopped at their own 25 to preserve a onepoint victory.

"They were fired up and ready to play, and we weren't-not the first 24 minutes, anyway," Bobcat Coach Army Salinas said. "We played Bobcat football only eight minutes, and we won it during that eight minutes (in the two-touchdown third). We played just hard enough to win."

He added, "We'd better be ready to play four quarters of Bobcat football every game from here on in, because it won't get any easier."

The ground-oriented Mules outdistanced the Bobcats in rushing

Orozco carried on 12 of Muleshoe's 16 plays in its first scoring drive before quarterback Galin Latham sneaked over from a yard out for the touchdown with 2:07 remaining in the first quarter. Junior Olivarez booted the extra point. The scoring drive consumed 80 yards and most of the first period.

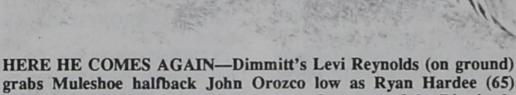

The Mules allowed the Bobcats across midfield only twice in the first half, killing the first drive at the Muleshoe 22 early in the second quarter. The Bobcats only tiptoed across the midfield stripe later, before time ran out with the ball on the Muleshoe 40.

But after Coach Salinas imparted a philosophy lesson at halftime, the Bobcats came out and blitzed 34 yards in four plays for their first TD. Aiding the Dimmitt cause were a shanked punt by Muleshoe's Juan Perez that netted only seven yards after a backward bounce, and two Muleshoe penalties for 20 yards.

Junior back Lincoln Stewart plowed over left guard, knocked his way 15 yards through the Muleshoe secondary and went into the end zone standing up for the touchdown with the third quarter less than four minutes along. It was the Bobcats' longest run of the night. Robert Ruiz booted the extra point to knot

After holding the Mules to three plays and a punt, the Bobcats drove for their game-winning TD, going 66 yards in 11 plays. The big gainers were an 18-yard pass from Martinez to Ruiz, an 11-yard burst over right tackle by Armando Arce and a nine-yard pass from Martinez to Stewart.

But the highlight was the touchdown play—a beautiful seven-yard loft from Martinez to Jeromy Casey, who was wide open as he raced toward the left corner of the end zone. Ruiz's extra-point kick

would turn out to be the gamewinner as the Bobcats took the lead for the first time at 14-7 with 1:52 remaining in the third.

That TD jolted the Mules into another stampede. They took the ensuing kickoff and drove 68 yards in 14 plays-all of them on the ground—to score again in the first minute of the fourth. Orozco got the TD over left tackle from five yards out.

The Mules tried a pass play for a two-point conversion, but Latham collided with Orozco on the fake handoff and fumbled. Bobcat linemen swarmed the Muleshoe quarterback as he tried to pick up the

Neither team was ready to call it a night, though.

Arce almost broke through for a TD on the Muleshoe kickoff before the final defender tripped him up at the Dimmitt 45.

But then the stubborn Muleshoe defense held and the Mules went on the march again, driving from their own 28 to the Dimmitt 29 in eight plays. That's where the Bobcat defense made a game-saving stand, killing the threat a yard short of a first down at the Dimmitt 25.

After Stewart picked up a crucial Dimmitt first down with 1:42 remaining, Arce spun around right end and raced 63 yards to glory land. But a downfield blocker screened off the last Muleshoe de-

Naz defense withstands last-second scoring drive to defeat Kress, 22-15

By CINDY ALBRACHT

The Nazareth defense held off a last-minute Kress goal-line effort to escape with a 22-15 victory Friday night in Kress.

The victory boosted the Swifts to 4-2 on the year, 1-0 in District 2-A play. The win tied the Swifts for first place in district with the stateranked Farwell Steers.

The Swifts might have won the game, but the statistics were in Kress' favor all the way. Nazareth's offense recorded 243 yards including 130 through the air and 113 on the ground, but Kress compiled 342 total yards including 265 on the ground. The Roos also bested the Swifts in first downs, 19-11.

"If we're going to become a playoff-caliber team, we need to become more consistent on offense and defense," said Nazareth Coach Rick Price. "Our offense had an average night. We were able to move the ball, but not consistently. Our passing is still improving."

quarterback, completed seven of 20 passes for 130 yards and two touchdowns in the district one. He completed a 30-yard scoring strike to Nick Johnson and a 15-yarder to Bryce Hatla in the third quarter to give the Swifts their final points in the game.

Kress took the opening kickoff at its own 15, but hit hard time searly when Chris Jackson fumbled on the second play of the game and Nazareth recovered.

Hatla fell on the ball at the Kress 20-yard line, but the Swifts were unable to gain any yardage and were forced to punt after four plays.

Kress took the kick and started the long trek upfield, but were stopped short of the first down on the minus side of the 50 and were forced to punt.

Casey Reese dropped back to punt for the Roos, but he bobbled the snap and was tackled by Nazareth on his own 23-yard line.

A Kress offsides penalty and carries by Lynn Nelson and T.J. Garza propelled the Swifts toward the goal line. Facing a second-andgoal situation from the one-yard line, Schmucker handed off to Garza, who stretched into the end zone for the first score of the game. Johnson kicked the extra point to give the Swifts a 7-0 lead with 5:43

Punt, pass and kick contest set

The men's Holy Cross Society of the Immaculate Conception Catholic Church in Dimmitt will hold its second annual punt, pass and kick contest for all youth in Castro County at 1 p.m. Saturday, Oct. 27, at Bobcat Stadium in Dimmitt.

Youngsters wishing to participate must be between the ages of 6 and 12.

This year awards will be given to a top passer, top punter and top kicker as well as a best all-around in each division. The three divisions include Division I: Ages 6-8; Division II, Ages 9-10; and Division 3, Ages 11-12.

The contest will be sponsored by local merchants and trophies and prizes will be awarded in each

The Holy Cross Society hopes to have 150 youths entered this year. For more information contact Sal Ortiz or Paul Garcia.

left in the first quarter.

Nazareth's first offensive drive in the second quarter started at its own 2-yard line. Schmucker worked his team downfield by completing passes to Wade Hoelting and Hatla along the way, and eventually the Swifts offense lined up at the Kress 14. Hatla tried to find a little ground room, but was tackled for a loss of four yards and the Swifts were faced with a fourthand-four. Johnson attempted a field goal, but the kick fell short.

Kress wasn't about to let the Swifts go into the locker room with a half time lead, though, and scored before the buzzer sounded.

Kress started the scoring drive on its own 20 and worked down to inside the Nazareth 1-yard line with the help of carries by Scott McKelvy and Reese. With 1:42 left in the first half, Reese pushed throught he middle for the score. He added the extra point to tie the score at 7.

Nelson took the third quarter Michael Schmucker, Nazareth's kickoff for the Swifts and returned it to the Nazareth 39 before Kress stopped him. He picked up another seven yards on the ground before Schmucker's aerial attack got on

A complete pass to Brandon Schilling moved the Swifts to the Kress 30 yard-line. On the next play, Schmucker found Johnson in the end zone for a 30-yard scoring completion. Johnson's PAT was blocked, but Garza fell on the loose ball and raced into the end zone for a two-point conversion, giving the Swifts a 15-7 lead.

On the next play, Schmucker found Hatla in the end zone for a 15-yard TD. Johnson's kick was good, and the Swifts expanded their lead to 22-7.

At the start of the final stanza, Garza punted the ball and it rolled to the Kress 5-yard line.

Mac Annen dropped Reese in the Kress end zone and it appeared Nazareth had scored a safety, but it was declared null and void because of a facemask penalty on Nazareth.

On the next play, McKelvy broke loose and sprinted around the right side, running 80 yards for the score. Reagan Sisemore raced into the end zone for a successful twopoint conversion to narrow the Swifts' lead to 22-15 with 11:29 left in the game.

The teams exchanged possessions before Kress started its threatening drive on the Swifts' 48-yard line with 4:12 left in the game.

Nine carries moved Kress to the Nazareth'3, but with 25 seconds left in the game, the Swift defense pushed the Roos back to the 7. On fourth-and-seven, Sisemore tried to

Hart remains perfect in District 3-AA play

By TERRY PITTMAN

Hart's Longhorns strolled into Springlake-Earth Friday night, destroyed the host team 28-0, then strolled back out with sole possession of first place in District 3-AA.

With four weeks remaining in the regular season, Hart is undefeated in district play with a 3-0 record. They've already beaten two of the pre-season district favorites, Abernathy and Lockney, and the other favorite pick for a playoff berth is Shallowater, a team which Hart will tangle with Friday night.

It didn't take long for Hart to jump on Springlake-Earth Friday night. Early in the game the Longhorn defense stymied the Wolverines first offensive drive, and forced a fumble to take over pos-

Two plays after Rene Mata recovered the loose ball on Hart's 12 yard line, Hart put its first points on the scoreboard.

Danny Reyna pushed his way in from four yards out and Brian Welps added a point - after - try (PAT) to give the Horns a 7-0 lead early in the first quarter.

The Hart defense also was in top form on the next Springlake-Earth drive, holding the home team deep in its own territory. When Hart's offense took the field again, it was in excellent position and they made it work.

Roger Avila got the call this time, waltzing in, untouched, from two yards out. Welps kick split the uprights and Hart took a 14-0 lead in the first quarter.

The Horns' offense continued to roll down the field in the second quarter. Quarterback Jay Davis guided the offense while the line opened up holes for the backs to eat up yardage enroute to the end zone. The drive was culminated when Andres Marin dove in from the three-yard line. Welps third extra point was on the money and Hart ok a 21-0 lead into the end zone at half time.

"Gilbert Galan, Jeremy Hawkins, Bryan Welps, Rene Mata and Adam Gonzales all did a great job," said Alan Cherry, Hart coach.

The second half was a repeat of the first, with Springlake-Earth's offense running into the unyielding wall of Hart's defense. The Wolverines were held to a minus-five yards rushing and 48 yards passing in the secod half.

Hart's offense, on the other hand, had few problems moving the ball. It chewed up the clock with several first downs.

The Horns scored their final TD in the third quarter when Robert Garcia barrelled in from a yard out and Welps nailed another PAT to extend the lead to 28-0.

That's the way the final score would stand, although Hart could have added a few more points, if yellow flags wouldn't have drifted to the turf.

A 92-yard run by Danny Reyna was called back for clipping in the fourth quarter, or the Horns would have added another six pointsmaybe seven—to their score. Marin had a good fourth quarter, picking up 45 yards off of one rushing play before the second string took the field to run out the clock.

Buffalo Lake to award permits for hunting pheasants on refuge

Buffalo Lake National Wildlife Refuge at Umbarger will open approximately 2,000 acres to the hunting of ring-necked pheasants by permit only.

Twenty permits will be issued for each hunt day, Dec. 8, Dec. 10, Dec. 12, Dec. 14 and Dec. 16, by computer drawing. Each permit will be for the hunter selected and one guest. Only one entry per name will be accepted and there is no choice of hunt days.

Individuals wishing to enter the drawing for permits should send their name, address and a daytime phone number to Buffalo Lake National Wildlife Refuge, P.O. Box 228, Umbarger, TX 79091. All applications must be received by Nov. 9, and the drawing will be held Nov. 13. Hunters will be notified of their

hunt day when selected. Permits must be in the hunter's posession while he is hunting and they are not transferable. Persons drawn will be notified by mail and will be required to check in at refuge headquarters to pick up their permit on the day of their hunt. Persons not drawn will also be notified by mail.

Permits of no-show hunters will be issued at 1 p.m. the same day on a first come-first serve basis. All Texas state hunting regulations will apply and a valid Texas hunting license is required along with the refuge permit.

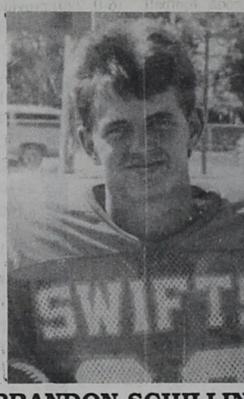

A Texas Hunter Education certificate is required for persons whose birthday falls between Sept. 2, 1971 and Aug. 31, 1974. Licenses are not available at the refuge and there are also special refuge regulations which apply.

Dimmitt at Floydada

The next four Friday nights are fraught with crucial games in the well-balanced District 2-AAA race. One of them is Dimmitt at

Floydada Friday night.

Remember last year, when the Whirlwinds struck early and often to turn Bobcat Stadium into a nightmare zone? When it was over, the Whirlwinds had a 35-6 victory and a lock on the district championship en route to a 10-0 regularseason mark. It was Dimmitt's worst defeat of the year.

This year's Whirlwinds come into Friday night's game with a 3-2-1 mark. After opening with a scoreless tie against Crane, they downed Roosevelt 28 - 7, edged Lockney 14-7, lost to Canyon 9-7 and lost to Slaton 26-20. They started the district race last week

Lions to serve pancakes before Littlefield game

As if they didn't get enough practice by flipping hamburger patties during their recent Beef Appreciation Day, Dimmitt's Lions are getting ready to flip and serve pancakes to the public.

The Lions will hold their annual Pancake Supper before the Dimmitt-Littlefield game here Oct. 26.

From 5 to 7:30 p.m., Lions will serve pancakes, bacon, iced tea, coffee and milk in the high school cafeteria. Prices are \$3 for adults and \$2 for students for "all you can eat," and children under 6 will be served free.

Both regular and sugar-free syrup will be available, chairman Chuck Braafladt said.

Advance tickets are being sold by Lions Club members, and also will be available at the door.

Potato bake set Friday in Floydada

Dimmitt residents attending the Bobcat's football game with Floydada Friday are welcome to attend a "tater bake" at the junior high cafeteria (close to the football stadium) in Floydada.

Baked potatoes and all the trimmings including ham, cheese, sour cream, chili, salad, bread sticks and homemade pies will be served from 5 to 7 p.m. Cost is \$3.50 for adults and \$2 for children under 12.

with a 40-0 romp over Friona.

Fourteen lettermen (including seven offensive and eight defensive starters) are back from Floydada's district championship squad. One of them is senior split end/free safety Kenneth Collins (6-0, 190

"Collins leads them offensively and defensively," Bobcat Coach Army Salinas said. "Besides playing at skill positions on both offense and defense, he's their punter and place kicker and their punt and kickoff returner. A lot of people will remember him from last year."

Yeah. He zig-zagged 71 yards on a punt return against the Bobcats last year, only to have the touchdown nullified by a clipping call. Then he got the touchdown back 11 plays later when he made an "immaculate reception" of a batted pass and raced the final 10 yards to give Floydada a 28-0 halftime lead.

From his tight end position, Collins caught 21 passes for 416 yards and eight TDs last season, and was named to the All-South Plains Team. He and Dimmitt guard Ryan Hardee both were picked for the Lubbock Avalanche-Journal's Preseason Super Team this year.

Another starter back from last year's championship team is Ruben Chavarria (5-8, 180 Jr.), who has been moved from fullback to right halfback. Occupying the fullback spot now is Tracy Johnson, a 5-8, 160-lb. newcomer who Coach Salinas says is "kinda like the one we saw last Friday night (Muleshoe's John Orozco).

At left halfback is Michael Henderson (6-0, 160 Soph.), who is "very fast," according to Coach Salinas.

The Whirlwinds will run a wishbone offense, quarterbacked by Brian Teeple (5-10, 155 Sr.).

"I'd call it a multiple - bone," Coach Salinas said. "They run a lot of formations out of it. Teeple runs the option very well, and throws

On defense, Floydada "is very solid," Salinas reported. "They run a 5-9 defense, and they run it very well. They haven't been allowing much scoring against them. They're very quick, and they're well coached."

Overall, Whirlwind Coach Dean Bates has "a very good football team, and Collins makes them an outstanding team," Salinas said.

Shallowater at Hart

The Hart Longhorns are on a roll in District 3-AA, boasting an undefeated record and sitting at the top of the heap with a couple of the toughest games already behind

But another tough challenge

awaits the Horns Friday night when they host Shallowater — another challenger at 7:30 p.m. at Longhorn

Shallowater, 2-3 overall and 2-1 in district, is currently tied with Abernathy, Lockney and Olton for second place in District 3-AA. The Mustangs qualified for the playoffs last year, winning the District 4-AA title, but losing to Panhandle, 25-7,

The Mustangs were moved to District 3-AA during the UIL's realignment this year, and experts picked them to finish near the top of the heap.

Abernathy was ranked first by most experts, with Lockney or Shallowater drawing the nod for second or third place honors. Hart was picked to finish a distant fourth or fifth, with some forecasters picking Olton ahead of the Horns.

Hart set out to prove the forecasters' picks were wrong and they've had a good head start on

Hart has trounced Abernathy and Lockney already and is working toward a District 3-AA title and playoff berth in November.

So far this year the Horns have proven the experts wrong, but if they want to hold on to their first place lead, they will have to contain Shallowater's offense, which has racked up 108 points so far this

Shallowater's only district loss came Friday night at the hands of Lockney, 20-28. They have posted wins over Hale Center (14-7) and Morton (35-6).

Quarterback Josh Keeney (5-9, 150) pilots the Mustang's I-formation offense, with senior fullback Mark Caraveo (5-10, 160), junior slot back Nick Powell (5-8, 140) and junior tail back Arthur Contreras (5-9, 170) filling in the backfield holes.

The only returning starters in Shallowater's offensive lineup are senior end Blade Koinzan (6-0, 150) and senior center Casey Walker (5-10, 165). While Koinzan and Walker don't sport a lot of size, the rest of the line outweighs the Horns' linemen. Guards Joe Estrada (6-1, 215) and Wesley Richardson (5-10, 195), tackles Scott Hurley (5-10, 200) and Justin Foraker (6-0, 220) provide a strong front on the line, averaging more than 207

The Mustangs' defense is a little more experienced than its' offense, and it has only allowed 95 points in five outings this year.

Powell and Contreras are veteran cornerbacks, 200 - pound senior Bradley Boozer returns at linebacker and Hurley is a starting defensive tackle. Richardson joins Hurley on the interior line, with Foraker and Estrada outside at the defensive end positions.

938-2178

Farwell at Nazareth

It'll be a battle of District 2-A undefeated teams Friday night when Nazareth hosts the state ranked Farwell Steers at 7:30 p.m. at Swift Field.

Nazareth, 4-2 on the year and Farwell, 5-0, both post undefeated district marks of 1-0 after Friday night's contests. Nazareth upended Kress while Farwell trounced Bovina. Vega and Happy are tied for second place in the district race after battling to a tie in the district

Farwell's Steers are ranked in the top 10 in the state in Class A this season after qualifying for the area round in Class AA last season.

And the bad news the Swifts have to face is that Farwell's got just about everybody back, especially its skill players, and if the Swifts want to win they're going to offense and control the line of scrimmage, according to Nazareth Coach Rick Price.

top of our game to beat Farwell. We're going to have to play the best game we've played all year on Friday night," Price said.

Farwell's offense averaged 361 yards and 32.8 points per game during the 1989 regular seasonboth area bests.

Greg Actkinson is the main gun in the Steer's I-formation offense. The 6-3, 180-pound senior quarterback threw for 1,141 yards and 12 touchdowns in nine outings during regular season last year.

Actkinson's favorite targets are running back Shawn Stewart (5-11, 170), who rushed for 1,102 yards and caught 20 passes for another 210 yards last year while leading South Plains Class AA teams in scoring with 158 points; and tight end Darren Haseloff (5-10, 165), who led all area squads in receiving

have stop the Mustang's powerful with 32 receptions for 507 yards and four TDs.

"We've got to control Stewart. He's got super speed. If he gets "We're going to have to be at the open, we're not going to be able to catch him," Price said.

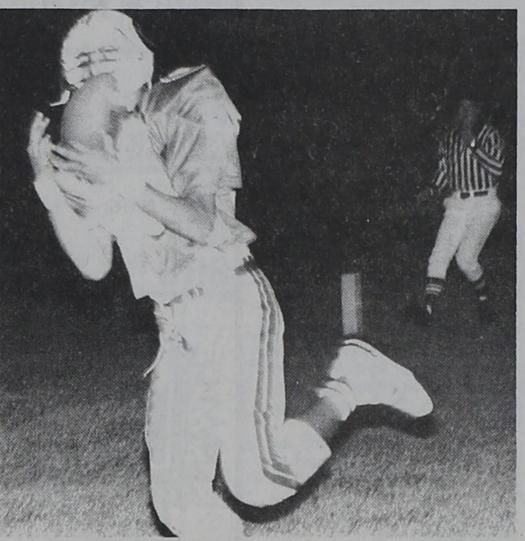

Price said he feels Farwell's defense is its strength and it helps to create the offense.

Farwell's only allowed opponents a total of 21 points this season and have recorded three straight shutouts over Hart (46-0), Sudan (35-0) and Bovina, 36-0. The only teams who've managed to score against the Steers defense are Plains, who compiled 13 points in the first game of the season, and Olton, who scored eight in the second week.

The leaders in Farwell's Split-6 defensive lineup are cornerback Atkinson and linebacker Haseloff, according to Price.

"To beat Farwell, we've got to whip them at the line of scrimmage. If we can control the line, I feel like our offense can make things happen," Price said.

TOUCHDOWN CATCH—Dimmitt split end Jeromy Casey gathers in a Freddy Martinez pass in the end zone for the Bobcats' second touchdown against Muleshoe in the second quarter of the District 2-AAA opener here Friday night. This seven-yard pass play and an extra-point kick by Robert Ruiz gave the Bobcats a 14-7 lead en route to a 14-13 victory.

Bobbies and Swiftettes to defend district titles

The Bobbies and Swiftettes are the favorites to repeat as district champions, while the Bobcats and Swifts hope to qualify for regional at their respective district cross country meets Saturday at Mae Simmons Park in Lubbock.

The Bobbies and Swiftettes also are hoping to earn a return trip to the state cross country meet at Georgetown in November.

The Hart Lady Horns and Longhorns won't compete in their district meet until Oct. 27, but it also will be held at Mae Simmons Park.

On Saturday, the Swiftettes' run first, with their race scheduled to begin at 10 a.m. It will be followed by the Swifts' race at 10:20. Dimmitt's junior varsity girls will run at 11 a.m., the varsity girls will take off at the 11:30 gun and the boys' race is slated to start at 12 noon.

"We should win it (the girls' District 2-AAA race)," said Dimmitt's head girls' coach, Richard Wood. "Floydada, Friona and Muleshoe could have decent teams, but hopefully we'll place five runners in the Top 10 finishers.

Wood said he will run Halley Bradley, who has led the Bobbies all season; Renea Harman, Amanda Flores, Monica Garcia and Rosie Enriguez on the varsity, but he's not sure who will fill the other two open spots.

"We've got some younger kids beating the older kids' times right now and they may run on varsity. I've told the girls whoever has the best times will run," Wood said.

The District 2-AAA boys' threemile race will be a tough one, according to Gus Ortiz, Dimmitt boys' cross county coach.

"Muleshoe's definitely the front runner and Floydada has a pretty good team," Ortiz said.

For Dimmitt's boys, Roger Gauna, the only veteran runner, is expected to lead the pack. Other Bobcats running Saturday will be Fabian Longoria, Scott Atchley, Shawn Ballew, Michael Velasquez, Ben Perez, Julian Gil, Roy Salazar, Leo Mendoza and Johnny Levario.

"Roger's been working very hard the last couple of weeks. I think he has a good chance to do well and maybe qualify for regional," Ortiz

The Swiftettes, are defending their district championship in Class A, but the district has changed this year, according to head coach Leslie Storer.

"They've really changed our district up this year. We'll be running against Farwell, Turkey, Valley and Kress as well as regulars like Happy. We should come out on top again, and I think Happy will probably finish second," Storer said. She added that the Swiftettes haven't competed against a lot of the teams in district, so she's not sure how they will run.

The Swiftettes will be led by Jill Pohlmeier and Janay Johnson, who have been running a close race for first place among their teammates all season. Monica Kleman, Noel Johnson, Stephanie Farris, Christy Birkenfeld, Peggy Huseman, Mary Ellen Ramaekers, Lynette Kleman and Kristen Brockman also will compete for the Swiftettes.

B.J. Klein and Andre Maukisch lead the Swifts, with teammates Adrian Farris, Bill Hochstein, B.J. Klein and Bobby Wilhelm also looking strong.

"B.J. and Andre have finished one and two for us all year long," Storer said.

She feels like Valley is the team to beat in the Class A boys race Saturday.

Hart's district cross county meet is scheduled a week later than the A and AAA races, Oct. 27 at Mae Simmons Park.

The Lady Horns' race will begin at 8 a.m. while the boys' race starts 20 minutes later.

Hart Coach Joe Welps feels like he can send at least one of his Longhorns to the Region 1-AA meet and that's Harvey Robledo.

"I really think Robledo has a shot at a regional berth. We might have a chance as a team. Abernathy is really tough. They're the team to beat," Welps said.

In addition to Robledo, the Longhorns will be represented by Eric Bennett, Pablo Espinosa, Ty Waller, Jason Ethridge, Charles Maldonado, Rudy Ramirez and Johnny Barrero.

Although the Lady Horns are young, Welps said he feels like they can compete.

"Abernathy's probably the favorite and Lockney looks good. We've never had a full team when we've run against them before," Welps

The Lady Horns' team includes Ruth Rodriguez, Bonny Samples, Connie Rodriguez, Antonio Beanes and Lisa Reyna.

7th, 8th grade teams record big victories over Muleshoe

Dimmitt's 7th Grade Purple team downed their Muleshoe counterparts 36-6 here last Thursday, and the 8th Grade team followed suit in the third and Bobby Rodriquez with a 34-6 win.

In the seventh grade game, Dwayne Espinosa got Dimmitt's scoring barrage started with a kickoff return for a TD in the first quarter. He also ran a two-point conversion to make it 8-0.

Gabriel Rodriquez and Jason Wooten both scored touchdowns in the second period, and Muleshoe

Nazareth seniors get seats on Tulia bank's junior board

Cindy Albracht and Marcia Hoelting, both of Nazareth, have been named to the 1990-91 Junior Board of Directors of the First National Bank of Tulia.

Twelve students from four area high schools including Nazareth, Happy, Tulia and Kress, were chosen by their school's personnel to sit on the board.

First National Bank President Luther Robinson introduced the new program and said it "is planned to serve as an educational experience for area youth. We want to help the area students to learn business and financial skills for use as they enter the adult world. Texas farmers begin looking at pintos as alternate crop

A fourth of the approximately 930 million pounds of pinto beans grown annually in the US are sold south of I-10, mostly in Texas, New Mexico, California and Old

Now, Texas producers are beginning to cash in on that staple of the increasingly popular "Tex - Mex" and barbecue cuisines, according to information from the Texas Agricultural Extension Service.

Experts estimate that Texans wolf down about 150 million pounds of pintos a year.

This year, 18,000 acres of pintos were grown in Texas, with about 90% of that number raised on the High Plains, said Dr. Roland Roberts, vegetable specialist with the Texas Agricultural Extension Service. With yields averaging 1,-500 pounds per acre, Texas is harvesting 27 million pounds of pintos this fall.

That will make a lot of refried or barbecued beans, but it is still only about 16% of the demand in Texas alone, according to Texas Dept. of

Agriculture reports. Colorado, Idaho, North Dakota and Nebraska produce about 81% of the nation's pinto supply. A large part of the Texas acreage is grown under contract to Colorado packers, Roberts said. Pintos harvested in the Texas Panhandle under such contracts are hauled to Colorado, packaged with locallygrown beans, and often shipped right back through the Panhandle to Texas markets, he added.

A few pinto beans have been grown in the Texas Panhandle since the 1970s. Usually they were a "catch crop" after a more traditional crop had been lost to weather or other problems. Acreage ranged from 200 to 1,000 acres per year.

creasing demand and more attractive prices for the farmer have prompted increased interest and

as low as nine cents per pound. For the past two years, however, the price farmers receive has been about 31 cents a pound.

From less than 1,000 growers in 1980, Texas production climbed to 9,000 acres in 1989, doubling this

The pinto bean is an excellent crop for the High Plains and many other parts of Texas, Roberts says. They are successfully cultivated as far south as the Rio Grande Valley.

The fertile soils, low humidity and bright sunlight of the Texas High Plains produce an excellent quality pinto, Roberts said.

"Beans are very susceptible to foliage diseases," Roberts said. "Our semi-arid climate and high light intensity—with day after day of sunlight-keep diseases down.

"And we have extended periods without significant rainfall, so we can get the (bean) crop to mature and the pods to dry so they can be harvested without disease."

Educational programs conducted for the past several years by Roberts and county agents of the Texas Agricultural Extension Service have helped Texas farmers understand how the crop can benefit them in many ways.

One advantage to farmers is the short time the crop is in the field, about 75 days.

"When we can finish out a cash crop in 75 to 80 days, from seeding to harvest, we can fit that into a time slot between other crops," Roberts said.

Pinto beans can be planted after wheat harvest in early summer for a second crop, and are harvested in time to plant winter wheat, for example.

Vases are being stolen from graves at cemetery

Dear Editor:

Since you mentionedthe flag stealing, I'll tell you something else that is missing—that is vases on the graves at the Castro Memorial Gardens cemetery.

I put five big brown porcelain insulator vases out at the cemetery to put flowers in and some body got every one of them.

Also, the caretakers have to clean up beer cans and bottles after a drinking party out there. Of all places to have a party, they have to go to the cemetery.

When I went out there on Memorial Day, my vases were all gone. There's no need to put any more out there.

Nazareth

Family and friends recently attended the wedding of Scott Book, son of George and Rita Book, formerly of Nazareth, and Karin Hardee, in San Angelo. The ceremony was performed with a lovely mass and impressive service at Goodfellow Air Force Base. All of George and Rita's family were able to attend (31 in number). Scott's nieces, Cassie Birkenfeld and Susan and Melanie Book were flower girl attendants in the wedding. Family members attending from Nazareth were Nick Book, Sid and Peggy Birkenfeld and family, Chris and Becky Book and family, James and Irene Wilhelm, Regina Steffens, May Hochstein, Charlotte Acker, and Francis and Nini Kern and son. A reception was held at the Officer's Club on base.

Allen and Stevie Dobmeier recently flew to Houston to visit with their son, Wesley, who is employed at Koeter Fire Protection.

LeRoy and Dorothy Pohlmeier enjoyed a drive to Colorado last weekend. They visited with Tom and Brenda Conrad and family in Colorado Springs and with Lyn and Pam Bogle and family in Center, Colo.

Kyle Birkenfeld, infant son of Keith and Kim Birkenfeld, was baptized Thursday evening in Holy Family Church with Rev. Darryl Birkenfeld, officiating. Kyle's sponsors were Kent and Teresa Birkenfeld, Kim's parents, Neil and Judy Harmon of Springfield, Colo., and her sister, D'Neil Harmon of Amarillo were present. Also attending were Herman and Marilyn Birkenfeld and Glenda Birkenfeld.

Sister Jane Frances Brockman of New Blaine, Ark., and Vic Brockman of Midland have been visiting in Nazareth this weekend with Ernie and Florene Brockman, Arnold and Katie Brockman, and Marie Brockman. Mattie, another sister, and her husband, Ray Swirczyski of Muenster, came on Thursday to visit with the Brockman families. On Sunday another brother, George and Mary Brockman, who reside at the nursing home in Canyon, were brought here to the home of Arnold and Katie Brockman for dinner with the family. Gerald and Sheila Brockman of Midland also enjoyed the day with the family.

ardson Elementary and struck the back left of Maureen Foskey's 1986 Audi. Damage to both vehicles was light and no injuries were reported.

A hit and run was reported Saturday morning, when a 1986 Ford pickup owned by Guadalupe Lopez Rodriguez was apparently struck by an unknown vehicle while the pickup was parked on the northeast side of the Thriftway parking lot in Dimmitt.

Rita Prieto of Dimmitt reported a missing wallet, containing identification and cash. She told police that she had put the wallet on top of her car while entering the car, then had forgotten about it and driven home. The incident happened in the Thriftway parking lot Saturday.

Pauline Porter, 28, of Dimmitt told police that someone had cut the screen on a back window at her apartment, but apparently nothing had been taken. She noticed the damaged screen the afternoon of Oct. 10.

Three more cases of shoplifting were filed by Perry's, and Town and Country reported a case of someone driving off without paying for \$8.92-worth of gas.

Three cases of public intoxication were reported.

THIS 1969 CHEVROLET PICKUP driven by Kristie Kinser, 16, of Dimmitt, sustained heavy damage at 5 p.m. Monday afternoon after it collided with a 1981 Ford pickup pulling a trailer hauling grain. The pickup, driven by John H. Webb, 33, of Hart, also sustained heavy damage. Kinser was driving her vehicle north in the 600

block of SE Second when it failed to yield the right of way at a stop sign to Webb's pickup, which had been proceeding south on the 600 block of SH 385. The accident caused the grain to spill onto the highway. Kinser was ticketed for failure to yield the right of way at a stop sign. Photo by Anne Acker

says he'll close down the government rather than sign another extension. Congressional leaders are saying they can't make the Friday deadline.

During all this, Americans have gotten pretty surly.

A well-to-do retired man in the Midwest got fed up with the national debt, and with the congressional dithering over it. He formed a nonprofit corporation called "Throw the Hypocrites Out." The purpose is to defeat every single US representative and senator now in office.

He risked something like \$50,-000 of his own money for printing and postage, and sent out a mailing that solicited money for a campaign fund to support challenger candi-

The response to his appeal already is running in the millions of dollars.

A picketer outside Congress last week was quoted as saying that he "wouldn't hire any of those wimps to mow my lawn."

In the latest Time magazine poll, 56% of those questioned said President Bush is doing a "poor" job of

handling the economy and of working with Congress on the budget. Fifty-two percent gave the President and Congress a grade of D or F on their efforts to work out a deficit reduction plan. Sixty-one percent put the blame on Congress, and said both major parties are equally responsible.

It's a tough, tough job that Congress is trying to do. Getting that awesome federal deficit down and balancing the budget is about as impossible a task as any Congress has ever been called upon to tackle.

Much of the infighting and vacillating in Congress, obviously, has to do with getting re-elected next month.

But let's translate that out. How does a congressman go about getting re-elected?

By representing the views of his or her constituents.

You can be a team player in Washington only up to a point. If you represent an agricultural area, you'd better fight for target and loan rates. If you represent a district with a military base, you'd better fight to keep it. If you represent a poor district, you'd better fight for the federal assistance programs.

We've all demanded more and more from our federal government during the last 20 years. And where has the bill been sent?

Many of us kick in to pay lobbyists to look after our special interests. And if our special-interest

group gets special consideration, who gets the bill for the difference? Some of us, probably, have even

been on the "give" or the "take" side of the deregulation that allowed savings-and-loan institutions to destroy themselves. And who got the bill for that? Rep. Dan Rostenkowski (D-Illin-

ois), chairman of the House Ways and Means Committee, has been one of the few with enough guts to call a spade a spade. "For years and years the Ameri-

can public has demanded more and more services," he said Monday, "but they haven't been willing to pay the taxes necessary to pay for

Now, one more time, let's ask ourselves:

Who is to blame for this mess?

Looking for a great gift idea? Consider giving a one-year gift subscription to Texas Parks and Wildlife magazine—at \$10 it is a real bargain.

The October edition is a "Special High Plains Issue" and it's full of magnificent pictures and great information about our part of Texas. You can call toll-free at 1-800-937-9393 and ask them to start with the October issue.

The robins are migrating south through our area and quail hunting season is only weeks away. Now is a good time for adults to take a hunter's safety course. It is a new state law that all younger hunters between the ages of 16 and 18 must take the hunter safety course before hunting. Call 1-800-792-1112 in order to find the name of a local safety instructor. Safer hunting is a goal of all hunters and this program will save lives. Don't wait until the last minute, because it will take some 10 hours of instruction before

Rhynes endorses Gramm for senate

Castro County Sheriff Lonny Rhynes has endorsed US Sen. Phil Gramm for re-election.

Rhynes joins a list of law enforcement officials and organizations that have endorsed Sen. Gramm's re-election to a second six-year term, including the chiefs of police in more than 150 Texas cities, the sheriffs in more than 80 counties, and the Combined Law Enforcement Associations of

Quail season opens statewide on Saturday, Nov. 3. The bird populations are up. The CRP program has really increased the grassy habitat for game birds and sufficient rains fell to help the younger birds. It is time for the bird dogs to start earning their keep.

Speaking of bird dogs and getting in shape, my chunky black lab is in better condition than his master. It has been some two months and 20 pounds since I quit smoking my pipe. I remember the sore legs of opening day last year and have vowed to not repeat that experience in 1990. So, if you see two pleasantly plump hunters taking their morning and evening walks, give them a wave and an encouraging word. Funny, I don't remember needing to get into shape when I was in my 20s and 30s.

Deer hunters in the southern part of Texas can start their quest on Nov. 10 while the hunters in our northern region must wait until Nov. 17 for both whitetail and mule deer season to open.

The archery hunters are halfway through their season and we are waiting for some good pictures. Send them to Southwest Outdoors in care of the Castro County News, Box 67, Dimmitt, Texas 79027. We will try to print them if you will mail us a print with your name on
