## THIS COUNTY WILL AID IN WAR WORK

REPRESENTATIVES FROM EVERY COMMUNITY IN TEXAS WILL ATTEND CONFERENCE AT DALLAS OCT. 22

## YMCA RAISING \$35,000,000

Big Men on Program—L. A. Coulter, State Campaign Manager, Will Appoint Executive Secretary For This County

This county, along with other counties in the state, will be represented at a conference of the Texas War Work Council of the Young Men's Christian Association to be held in Dallas Oct. 22. The State is being organized to secure its share of the \$35,000,000 national Y. M. C. A. war work fund to be raised within the next month to continue the work among U. S. troops, both in America and in France, and among prisoners of war of other countries.

L. A. Coulter, state campaign director, Dallas, is arranging for an executive secretary for this county. Others who are interested in attending are asked to let him know.

Among the big men of the state who will be present for the conference are H. H. Simmons of Hillsboro, who will act as chairman; H. L. Kokernot, A. L. Burge, Rhodes S. Baker, T. W. Currie, W. C. Paige, W. W. Woodson, E. R. Brown, W. S. Mosher, S. J. Briant and W. A. Scott.

### Speaker Direct From War Front

G. Sherwood Eddy, world traveler, direct from the front, where he viewed the destruction of famous Meuse Hill, who, next to John R. Mott has spoken to more men in more nations than any other living man, will be the chief speaker. He has been personally engaged in war work among the American troops in France and with the French, Russian and Italian soldiers along the battle front and will bring a vivid story of conditions existing there.

### Big Men on Program

Some of the strongest men of the country will attend the meeting. L. A. Crossett, millionaire president of the Crossett Shoe Co., who is giving practically his full time to the Y. M. C. A. war work, and Cyrus H. McCormick of the Harvester Co., chairman of the budget committee, are two of the representative leaders who are giving their time and influence helping the "men who are to save the world for democracy."

On the program for the day's conference are the following:

"Enlarged Program National War Work Council," G. Sherwood Eddy. Message from the chairman of the Southern Department, E. Roger Kemp, president of the Sinclair Oil Co. of Oklahoma.

"Enlisting the Boys of the Nation," F. M. Cheley.

"American Students on the War Appeal," H. L. Heinzman.

"Why Texas Must and Will Respond," Rhodes S. Baker.

"Achieving the Seeming Impossible," George W. Truett.

Report from County group meetings.

### Brother Disappears.

Mrs. Rambin, a prominent and wealthy ranch owner of this county, is in receipt of a message stating that her son, Lee Weathers, had suddenly disappeared from his home in Savage, Mont. Mr. Weathers, had been missing for three weeks and up to date no clue to his whereabouts can be found. He left home to attend to some business, going horseback, and in a few hours his horse returned riderless. Large searching parties were formed and began a search immediately, but have found no trace of him. It is feared by his relatives that he has either met with foul play or been drowned. This is the second member of Mrs. Rambin's family to mysteriously disappear. Two or three years ago her husband, Eli Rambin, disappeared and has not since been heard of.—San Angelo Standard

If your child starts in its sleep, grins its teeth while sleeping, picks at the nose, has a bad breath, fickle appetite, pale complexion, and dark rings under the eyes; it has worms; and as long as they remain in the intestines that child will be sickly. White's Cream Vermifuge clears out the worms, strengthens the stomach and bowels and puts the little one on the road to health and cheerfulness. Price 25c per bottle. Sold by P. D. Coulson, Adv.

### How to Win the War.

The question of who wins this war is the question of who can endure the longest, and the problem of endurance, in a large degree, is a problem of food supply and the ships to carry it. If, therefore, we can arrange our economies in consumption and our increase in production so as to provide a full supply to the allies, and thus to get the best use of the shipping, we can contribute to the defeat of the submarine as surely as do our Navy and our shipbuilders. The farmer of the United States who works overtime and the consumer who economizes in his consumption are fighting the submarine with a positive and sure weapon.

### GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

### WAR WORK HELPS MORALE OF MEN

TEXAS ORGANIZED TO AID IN  
RAISING \$35,000,000 WAR  
WORK FUND

Greater Good Than Red Cross, Says  
One Worker, Because Makes  
Men Better in Spirit

What the Red Cross is to the imperiled bodies of our soldiers the Y. M. C. A. war work is to their endangered morals.

In every training camp, at every post, along the front line trenches, the Young Men's Christian Association has its workers. Its buildings, its equipment for varied wholesome amusements and its uplifting spiritual influence.

Texas is being organized to secure its allotment of the \$35,000,000 national war work fund of the association. Under the direction of L. A. Coulter, Dallas, representative men are being secured for departmental conferences to be held in every section of the state, following the state gathering at Dallas on Oct. 11-13. The campaign will continue through Nov. 11-13, and the budget planned will maintain the war work to July 1st, 1918.

### Raising Morale of Men

Napoleon used to say that morale is to other factors in war as three to one. The Y. M. C. A. War Work Council proposes to devote itself exclusively to raising, strengthening and preserving the morale of our men and of the Allied countries.

An outstanding leader of the Red Cross said: "One reason why I believe your Y. M. C. A. work is even more important than ours is that you are not only supplementing what we do here and there for the bodies of men, but you are dealing also with that more vital factor, the morale, the spirit of the troops."

It is stated that the Russian soldiers receive only one cent a day for their services. And yet we wonder at their lack of enthusiasm.

We are told the Russians are the most remarkable linguists in the world, and after listening to their lingo for a short time we believe every word of it.

Mr. and Mrs. W. A. Day entertained the young people Saturday night after the picture show with an enjoyable social.

### A FAMILY AFFAIR

If your father and your son were in trouble, struggling for their lives, and doing it in defense of your home and your business, would you supply them with food and clothing, or would you refuse them?

This is a straight question. Yet it is the one facing you today. The country which has protected you and your family, may well claim to be considered as your father, and as for the boys who are giving their lives for you, surely they have a right to be considered as your sons.

This nation is one big family today. This war is a family affair. Be a good father and a good son. Your sense of justice and fairness, your patriotism, is on trial.

When you remember that you are asked to give nothing, but only to lend money by investing in LIBERTY BONDS, you have no choice in the matter. Your heart tells you that you MUST do it.

If you have to go short of some luxury—do it. Save and invest in Liberty Bonds until it pinches you, and the sacrifice hurts. It is the duty of every real American.

You will lose nothing. The bond is always worth just about what you gave for it. Probably it will be worth more later. You will have saved just that amount of money you invest in Liberty Bonds, and be just so much better off.

A man who will not sacrifice anything for his country, is not a real man. The man who does make a sacrifice, is a real man, and a true American.

You—the man who is reading this know these statements are fair and true ones. This appeal is not written in vain, because it is going to influence you. You are going to buy a Liberty Bond.

### YOU PAY YOUR DEBTS.

Of course you do. Why? You could turn rascal, and possibly "get away with it." You pay your debts because you want the respect of your fellow men.

Have you paid your debt to your Country?

You have been running up a bill with Uncle Sam for years. He has protected you, educated you, guarded you and your property, educated your children, and today he is fighting a death struggle with a fellow who would rob and murder you if only he could get at you.

Now Uncle Sam wants you to dig down and loan him some money.

What are you going to do about it? Tell him you "can do better" with your money than loan it to him? Are you going to tell him you pay your debts to everyone else, but you refuse to pay your debts to him?

No. As an honest man, you are going to say: "Loan you money? Sure I will! Why if you asked me to give it to you, I would do it. But LOAN it, why sure!"

Millions of men are going to feel, and talk, and act, just this way. So are you!

Now, when are you going to do it? Why not today?

Perhaps you have wanted money some time in your life—most of us

have. When did you want it? Right away, or in a month's time? Did you want to wait around wondering whether or not you were going to get the money? You did not! Treat Uncle Sam the same way that you would wish to be treated yourself. Lend him the money now—willingly and quickly—today.

Many a man will advance a little recently acquired knowledge of a mule as an excuse why he should be drafted for the agricultural brigade.

J. C. Thompson was arrested at Bronte Wednesday by Weaver Mitchell and brought here Thursday. He is charged with stealing seed cotton. He gave bond and was released.

Elder Geo. McCraw left Thursday for Doxey, Okla., where he goes to conduct a meeting for the church of Christ. He expects to be gone for ten or fifteen days.

Dr. W. P. Pillans, who has been at Abernathy the past few months has returned home and will again take up his practice here.

### Salt For Dairy Use.

Salt is required by all animals. The dairy cow requires an ounce or more a day, and while she should be given all she needs she should not be forced to take more than she wants. It is best, therefore, to give only a small quantity on the feed and to place rock salt in boxes in the yard where she can lick it at will.

### Late Laying Pullets.

When pullets do not begin laying before February it may be the fault of being late hatched, or it may be due to insufficient feeding of the proper bone and muscle food. Pullets hatched in April should lay in October or November and will if they are properly grown. Growing stock need range, and the food should be of a nitrogenous order.

#### CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or calluses so they lift off with fingers.

Ouch ! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone call him to order a small bottle for you.

Mr. and Mrs. T. F. Keeney, of Bronte, were here Wednesday for the purpose of organizing a Food Control unit, a branch of the National Food Congress. Mrs. Keeney has been appointed County Chairman and is organizing units throughout the county. Considerable advertising has been displayed over the city.

## CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Is Harmless To  
Clean Your Sluggish Liver  
and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

### Recommends Chamberlain's Tablets.

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative. These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well. Adv.

Ye editor and "devil" returned Monday night, arriving here about 9 o'clock after spending the day at San Angelo. We came home through one of those delightful west Texas showers which make west Texas a little different from the way the post card puts it. This was one of the worst "prohibition rains" we have witnessed since we took "Horace Groody's advice". Some time we could see the road faintly out most of the time we were hitting it blind.
