Dimmitt, Castro County, Texas, Thursday, September 17, 1953

10 PAGES—NUMBER 46

DR. T. B. FAUST

Dr. T. B. Faust To Open Offices Here October 1

Castro county will have the services of a new physician soon when Dr. T. B. Faust, formerly of the Payne-Shotwell Hospital in Littlefield, comes to Dimmitt to practice medicine at the local hospital.

Dr. Faust, who has a B. S. degree from Franklin and Marshall College in Pennsylvania and an M. D. degree from Temple University School of Medicine, will open offices in Plains Memorial Hospital, October 1. The new physician interned two years at Philadelphia General Hospital, one of the country's oldest institutions and practiced in Philadelphia at the Methodist Hospital as a heart specialist and general practitioner until the beginning of World War II. He served four years in the Army Medical Corps and was stationed at Seattle and in Alaska. After the war he resumed his duties at Methodist Hospital, later working in industrial medicine for the DuPont Company, makers of DuLux Paints.

Dr. Faust came to Littlefield in June 1948 where he joined the staff of the Payne-Shotwell Hospital. His resignation at the Littlefield hospital becomes effective this month.

The highly recommended physician has been a member of the American Academy of General Practice since 1952.

Dr. Faust is married and has two children, Faith Helen, a high school junior, and Bruce, a sophomore. They will move here prior to October 1.

L. R. WILSON

Church of Christ Revival to Start Here Sept. 27

L. R. Wilson, president of Central Christian College, Bartlesville, Okla., will lead a series of gospel meetings at the Dimmitt Church of Christ beginning September 27 and continuing through October 4.

A forceful speaker, the Christian college president has been in the evangelistic field for some 35 years. He has a strong appeal to youngsters as well as adults. Both morning and evening services will be held with morning worship beginning at 7:45 and evening services at 7:30. Ray Bearden, Dimmitt businessman, will direct congregational singing at each service.

Scripture answers to Bible questions and personal conferences upon request will be features of the gospel meetings.

Exhibit to Be Shown At Tri-State Fair

Castro county will have a county agricultural exhibit at the Tri-State Fair in Amarillo, September 21-26, it was announced this week by County Agent Charles Hudson.

Hudson has filed an official entry with the fair association office to this effect. The county agent stated, "We believe we have some excellent products with a good chance of winning."

Castro Fair Association officials also plan to enter an exhibit at the Panhandle South Plains Fair in Lubbock, September 28 through October 3.

John Tate and children from Mission, Kansas, visited in the home of Mr. and Mrs. C. J. Mapes over the week end.

New Castro HDA Assumes Duties Here Wednesday

Mrs. Sybil Stringer Is Named to Home Demonstration Post

Mrs. Sybil G. Stringer, former Hemphill County Home Demonstration Agent, assumed the duties of Castro HDA, Wednesday. The new agent replaces Mrs. Robin Vann, who resigned the post in June to accept a teaching position at Whittarral. Mrs. Stringer comes to Castro County highly recommended as she has had many years experience in home demonstration work.

Before serving as home demonstration agent in Hemphill county for six years she served as home demonstration agent in Swisher county and assistant agent in Wheeler county. Prior to entering this field the new agent taught home economics at Stratford High School.

Mrs. Stringer is a graduate of Canyon High School. She holds a bachelor of science degree from West Texas State College and also has completed graduate work at Texas Tech. The home demonstration agent is married but has no children. She and her husband plan to move here from Tulsa as soon as housing can be acquired.

Upon taking office the new agent stated, "I'm anxious to get acquainted with the people of Castro county and get my work started. I expect to be in my office for the next few days and will be happy to have visitors. I will appreciate the same fine cooperation that has been accorded previous Castro County Home Demonstration Agents. It will be a pleasure, I'm sure, to work with the people of Castro County."

Plainview Is 1st In Dance Contest

The Junior Pioneers of Plainview topped first place in the fair square dance Saturday night to win the \$20 first place prize, according to Don Gladman, chairman of arrangements for the event. The Hart Square Dance Club was a close runnerup and received \$10 for their performance.

Other clubs entered in the colorful event, which attracted a capacity crowd, were the 40 Club and Foot and Fiddle Club, both of Dimmitt.

Judges for the event judged entries on their caller and how they followed the caller in addition to symmetry and execution of calls. Earl Parrish, Wayne Dyer and Tom Annon, of Dimmitt, served as judges. Music for the occasion was furnished by a Tulsa band.

After the event, which was held on the fairgrounds, contestants and spectators enjoyed a free square dance.

Emergency Relief Program Cancelled

Horace Blagg, local PMA secretary, told the News this week that he had been advised by State PMA Committee Chairman Claude McCan of Victoria that Castro county would no longer be declared eligible for drought relief.

A number of West Texas counties have been taken off the drought emergency relief list in the past week and Blagg indicated that the action which removed Castro from the list came as no surprise to him. Castro was not hit as hard as other counties when Secretary of Agriculture Ezra Taft Benson investigated the relief program. This coupled with much-needed rains which have improved pasture lands in the county prompted McCan's action.

Blagg said that all emergency feed applications coming through his office have been approved and most of the orders have been filled. A tabulation on the amount of feeds received by rail here and distributed was not available at this writing but will appear later in the News.

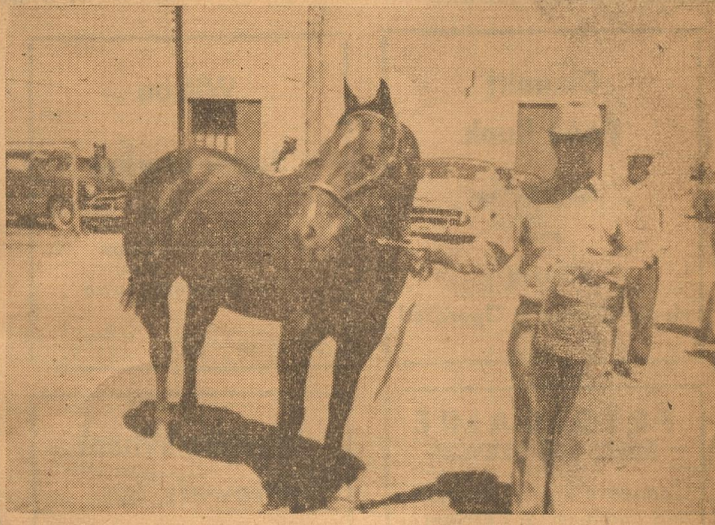

School Instructor Undergoes Surgery

W. A. Morgan, math instructor in the local high school, was granted a leave of absence last week in order to undergo surgery at the Vetrean's Hospital in Oklahoma City, according to school officials.

Morgan, who has taught in the local schools several years, left Friday, Sept. 7 for Oklahoma City and will undergo surgery September 18. School Superintendent R. S. Vestal will teach math during Morgan's absence. The nature of his illness or when he will return here was not disclosed.

THE FIRST PLACE COMMUNITY BOOTH at the Castro County Fair was entered by the Rural Neighborhood Progress Club of Sunnyside. Sunnyside also showed the first place educational booth at the fair..

BEST QUARTER HORSE STALLION—Herber Stewart of Clovis, N. M. is seen showing the grand champion quarter horse stallion during the quarter horse show held here over the weekend as part of the Castro County Fair. The animal is owned by Vernon Bradley, also of Clovis. The horse show attracted a large number of entries from over Eastern New Mexico and West Texas and was considered very successful by fair officials.

Dimmitt Rates First in Class "A"; Lockney Looms as Formidable Foe

The high riding Dimmitt Bobcats topped all other football entries this week in the first 1953 rating of area "A" schools.

The Bobcats accorded the honor by the Amarillo Daily News sports staff, won the coveted first place spot on the basis of their impressive 63-0 win over the Amarillo Stormies. Runerup honors went to Memphis who beat Tulsa over the weekend while Idalou placed third. In tenth place is Springlake who edged Hale Center in their season opener by the score of 7-6.

After the Cats opened game Friday night, Stormie Coach Sam Pecchia said, "Dimmitt is plenty good. They stack up with all the top "A" teams the Amarillo reserve squad met in the 1952 season."

The Cats will tangle with the Lockney Longhorns Friday night with the game slated to get underway at Bobcat Stadium at 8 p. m. Although the Longhorns lost their season opener to a strong Paducah team they will be tough as the double "A" power has been bolstered by the addition of several new candidates.

The Lockney team was hit hard by graduation as only two regulars are playing for the '53 team. The squad is under the capable direction of Coach Johnny Truelove. Truelove believes that his comparatively heavy team will improve as the season goes on.

Bobcat Coach Leo Fields won't make any predictions as to the outcome of the tilt but he warns his crew not to become over-optimistic after Fridays lacing of the Amarillo Bees as anything can happen. This is not a conference game but could have an important bearing on the final regional team ratings.

Admission prices to the game are fifty cents and one dollar. Season tickets costing \$2.50 and \$5.00 went on sale last week.

Liquor Violator is Fined Here Saturday

James Brown, 30-year-old Dimmitt negro, pleaded guilty to a charge of possessing intoxicating liquor for the purpose of sale. Saturday morning in county court and was fined \$123.40 by Castro County Judge Robert Estes.

Acting on information received through the sheriff's office here, Sheriff M. H. Fowlkes and Deputies J. V. Messenger and Kent Birdwell made a surprise investigation Friday night and arrested Brown on his place southeast of Dimmitt. He was jailed here until his case was tried Saturday.

GRAND CHAMPION—Shown here is John Bridges of the Sunnyside Community and the grand champion lamb, owned by Mrs. John Bridges. The 105 pound animal will also be shown at the state fair in Dallas.

\$100,000 Structure to Gin 100 Bales A Day

Castro County's Eleventh Cotton Gin to Be Completed by October 1

Work started recently on another new cotton gin in Castro county and when the plant is completed the county will have eleven gins ready for service.

The new gin, located only two miles from the Parmer county line on Highway 86, will be owned

and managed by H. C. Barton, who came here from Lamesa. Barton has been in the ginning business for some 30 years. He is married and has two children.

The metal gin building has already been constructed and work started this week on assembling the machinery the building will house. The gin will have four 90 saw gin stands and will employ the Murray system. It will have a capacity of 100 bales a day on an average. The gin will be a complete electric outfit and will be equipped with a lint cleaner. The all steel structure is 112 feet long and 30 feet wide.

Known as the Tam Anne Gin Company the new structure is located on a 500 acre plot which was purchased by the owner from the heirs of the T. A. Miller Estate. The land was part of the Miller Farms.

Also in front of the gin is an 18 by 30 office building which will house the 20 ton gin Fairbanks scales and a 20 by 40 dwelling house. The total cost of the gin and other property is estimated at \$100,000.

In announcing that the gin would be open for service by October 1, Barton said he would handle Parmer county as well as Castro county cotton.

The Southwestern Public Service Company here is erecting a sub station just south of the gin and will supply it with electricity, according to Earl Brock, manager.

Anthony, Cole Win Herdsmen Award

Wining Top Herdsmen awards at the Castro County Fair were Bob Anthony of the Big Square Community and David Cole of Dimmitt. Young Anthony received the herdsman award for the cattle barn while Cole was declared winner in the swine and sheep barn.

All boys competing for these honors were judged on showmanship in the ring, cooperation with fair officials, neatness and personal appearance at the time of showing animals, cleanliness of stalls, care given animals and willingness to help other club members in the exhibition of their livestock. A judging committee observed the boys from the beginning of the fair until it closed before making their decision.

In the cattle barn second place went to Jerry Cluck and third to Russell Miller. Joe Nelson was runnerup in the hog and sheep barn while Bobby Bradley won third place.

In connection with the contest veteran visitors to the fair stated that livestock barns were in the best shape of any previous fair.

Evelyn Stork is Crowned Queen

Evelyn Stork of Nazareth was crowned Castro County Fair Queen Saturday night after winning over Mary Nelson of Dimmitt in a close vote. Miss Stork was crowned before a large crowd by local high school band director, Ralph Smith, during colorful ceremonies climaxing the three-day fair.

The contest, which was conducted on the basis of a penny a vote for each queen candidate, attracted widespread interest. Miss Stork received 15,870 votes, while the runnerup collected a total of 13,548 votes.

Other entries in the contest were: Kaye Killingsworth, sponsored by the B and PW Club; Darlene Cates, Dimmitt American Legion; and Mary Coke, Dimmitt High School freshman class. Miss Stork was sponsored by the local fire department while the Dimmitt Lions Club sponsored Miss Nelson.

In addition to the coaxial cable Singer displayed a magnetic compass during the meeting and commented briefly about the device, pointing out that both mechanisms play an important part in the surveying and working up of the rural telephone lines.

Singer said that one wire in the coaxial cable would carry as many as 600 voices. He also emphasized the importance of the cable in local television. The owner of the local telephone system told Lion members that all cables are well protected with several layers of insulating material and metal before they are buried. He added that the cables give little trouble after they are covered.

"Service is slow here because we are so far from the main arteries of communication. It is beginning to be a fast moving communication, however, and our service will improve in time," Singer remarked.

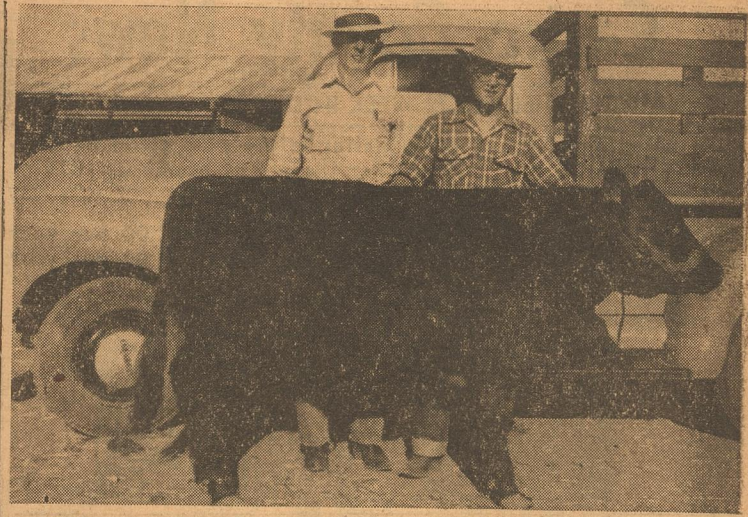

Leo Field, addressing the club

briefly on the local football team, told the group that young and inexperienced players of the Amarillo Stormie team made the local outfit appear impressive Friday night. He added, though, that the Amarillo coach actually sent the 2nd string "B" team to play against the Bobcats and that Friday's score should be discounted as a basis of summing up the strength of the Dimmitt team. Fields said he played all but two players in the opening tilt. These two were sidelined due to injuries.

"I haven't scouted the Lockney team and don't know what they have, but we're all expecting them to be pretty tough," the coach said. Fields said that two players were injured in the Amarillo game but both would probably return to the lineup by Friday. Bobby Brock bruised a foot and ankle and Charles Brown has a crick in his neck. The team is expected to be at full strength for the second game.

County Agent Charles Hudson concluded the program by complementing all city and county residents who helped to make the fair a success. Hudson said, "I think we had a very good fair."

The club accepted Castro Chamber of Commerce Manager Bill Davis as a new member.

CHAMPION FAT CALF—Milton Moore of the Dimmitt 4-H Club proudly shows his shorthorn calf, which was judged grand champion at the fair over the weekend. Also seen in the picture is Milton's father, Odie Moore.

Texas Tech Tops all Other Colleges For Castro County Enrolled Students

Loyd Leasure, Dub Parks, Jim Duvty, Leland Shelton, Lewis Martin, Frances Waggoner, Fred Brugal, Carl Brugal, Nancy Lee, Glen Lust, Wayne Smithson, David Behrends, Lois Cleavinger, Bob Simpson, Leon Taylor, Dale Maxwell and Elmo Blackwell.

West Texas State College—Mitzi Wilson, Katy Coke, Sandra Neumayer, Milton Bagwell, Jimmy Cluck, Bill Hunter, Franklin Brown, Kenneth Fulfer and Rex Easterwood.

Baylor—Decimae Dennis, Douglas Dennis, Bill Stephenson and Jess Dunch.

Ablene Christian College—Ray Murphy, Ray Murphy, Bill Murphy and Yvonne Bearden.

Wayland—Lanora Poe, Maurine Smithson and Lometa Odum.

Texas Western—Glenn Brown, Bill Gregory and Jackie Copeland.

Texas University—Don Nelson, and John Glibbreath; Southwestern Medical College in Dallas—Carol Gregory and Joe Harrison; Eastern New Mexico State College—Jimmy George; Southwestern Theological Seminary—Royce Dowell; University of Texas Medical School—Harold Brannon; S. M. U. School of Nursing—Rae Hardy; Dallas School of Modeling—Kay Bearden; Sul Ross—Joe Ballard; U. C. L. A. at Los Angeles—Johnnie Bice; Rice—Stanley Fulfer; and Business College at Plainview—Elzada Smith.

Residents of Dimmitt will be fooled and hoodwinked soon by one of the nation's leading magicians, Arnold Furst, the person chosen by the Society of American Magicians to represent the United States at the International Congress of Magicians which was held in Paris, France. This program has been arranged under the auspices of the Dimmitt Lions Club and will be held in the high school auditorium the night of October 5. The show will be called, "Mysteries Around the World." A matinee performance will be held on the same day.

The program will have a great appeal to adults as well as children. Furst entertained over one million service men during the three and a half years he was with the USO Camp Shows during World War II. The show he will stage in Dimmitt will feature all of the effects he performed in those days as well as many new and larger illusions.

One of the most unusual aspects of the magic show is that young ladies from the audience will take part in the two most spectacular effects of "Cutting A Girl In Half" and "A Girl Floating in the Air." Other advertised tricks are titled: Otto, The Mindreading Duck; The Charmed Princess; Hindu Sands, Bossie, The Magical Cow; and The Houdini Escape. These tricks have been assembled by Furst as the result of his having traveled around the world three times.

The forthcoming event promises to be one of the most unusual programs to be presented in Dimmitt this year. Additional details, such as time of performances and admission prices, will be found in later stories appearing in the News. All proceeds from the show will be used for a worthy cause.

Cable Is Important in Rural Survey Work Singer Explains Use of Coaxial Cable At Lion Luncheon Meeting Tuesday

Mr. and Mrs. M. A. Gilmer, owner of the Dimmitt Courts since June 1951, announced the sale of that business this week to Mr. and Mrs. R. L. Hayden of the Sunnyside Community.

The Gilmers plan to leave for an extended vacation at Truth Or Consequences, N. M. They have purchased property here and will return to Dimmitt the first of the year. In announcing the sale the couple expressed their appreciation for the fine business that has been theirs.

Fair Results to Be Carried in Next Issue

A complete list of fair results will be published in the next edition of the News along with other pertinent data, such as estimated attendance, financial gain and a report on the quality of livestock and exhibits. The '53 fair was declared a tremendous success from every point of view and will go down on record as one of the greatest events ever held in the county, according to officials.

Graveside Services Held for Smith Twins

Graveside services for the twin infant daughters of Mr. and Mrs. James H. Smith of the Sunnyside Community, who died at birth, were held recently at Plainview Cemetery. The Rev. Bobby Hoover of Plainview officiated. Wood Funeral Home of Plainview was in charge of arrangements.

Mr. Smith is employed on the Loyd Blanton Farm at Sunnyside.

REV. JOE M. BOYD

LEADS REVIVAL—The Rev. Joe M. Boyd (above) with his evangelistic team will conduct the tent revival to be held on the local Baptist church grounds beginning Sept. 27 and continuing through Oct. 7. The 36-year-old revival leader is married and has two children. He has a B. S. degree from Texas A. & M. and a Th. M. from Southwestern Seminary. The dynamic speaker is also a former football star, having been chosen on the All Southwest Conference team in 1938-39 and on the All America team in 1939. He pastored at Dallas before going into full time evangelistic work.

FRIO NEWS

by Mrs. Owen Andrews
Sunday afternoon Ordination Services for W. H. Thompson, who has entered the ministry, were held by the Frio Baptist Church. Visiting ministers were A. A. Simons, of East Side Mission, Hereford, Scott, pastor of First Church Hereford, who delivered the Ordination sermon, Russell Pogue and Bob Lawrence, educational director of Hereford. Several other visitors from Hereford and Summerfield attended the service.

Miss Lavada Shannon, teacher at Shirley school in Hereford, visited church at Friona Sunday morning. She is the daughter of Rev. and Mrs. R. L. Shannon, of Rankin. He was formerly pastor of the Frio Baptist church.

Mrs. W. O. Wilson of Anton was also a visitor, Sunday. Her husband, now deceased, was the pastor at Frio, last year. Roy Wilson, her son, came in the afternoon, and she went back home with him. Roy is now stationed with the Air Force at Lubbock and lives at Anton with his mother.

of Amarillo, Mr. and Mrs. Herb Schmidt, Tommy and Dale, Mr. and Mrs. Ernest Harder, Gerald, Norman Derie and J. D., Mr. and Mrs. W. H. Andrews, Dolores, Jackie and Ronnie, Mr. and Mrs. Owen Andrews, Frances and Verdelle Andrews, Glenn Andrews and Joe Ed Andrews.

Mr. and Mrs. Randy Ward and Sharon and Karon of Earth took Sunday dinner in the home of his brother, D. W. Ward and family. The Randy Wards have just recently moved from this vicinity, and live on a place belonging to Oliver Tunnel in the Dodge City community.

A birthday dinner at the T. L. Sparkmar, Jr., home Sunday honored Tommy Sparkman, Ernest Harder, Tommy Schmidt and Dale Schmidt. Those attending the dinner were Mr. and Mrs. J. E. Andrews, Mr. and Mrs. T. L. Sparkman, Sr., Miss Alma Andrews, Mr. and Mrs. Charles King,

Mr. and Mrs. Joe Hacker were at Portales last week painting their apartment and getting it ready for them to live in this school term.

Mr. and Mrs. E. H. Little are getting an addition built on to their house. It will be a living room across the west side. Foundation has been run and the building has begun.

George Zetsche, who is in the Army and stationed at Ft. Hood, spent a leave during last weekend visiting the Coles and other friends here.

WINNER OF the Panhandle-Plains Irrigation Rodeo, held in Hart recently, is Neil Wall. Wall set 25 plastic tubes in 33 1/2 seconds to cop top honors. Some 75 entries were recorded for the contest, the first of its kind in this area. This picture of Wall was taken during the contest.

Rev. and Mrs. D. W. Ward visited with the Owen Andrews attended the Baptist Association that day, at Meeting at Tulla on Tuesday. Gene McClennen, who spent their daughters, Judy and Linda, last fall working for his uncle.

Jim Brooks, and others in the community, is now in the Army and stationed in Virginia. His address is as follows:

Pvt. Gene D. McClennen, U.S. 54118732
Bld. A-9, Co. L. 9829, T. S. U.—C. E. C. R.
Ft. Belvoir, Va.

The Frio Homemakers Club met Wednesday in the home of Mrs. H. F. Benson. The program was about Fire Prevention and Automobile Safety, and was discussed by the guest speaker, Geo. McLean, of Hereford. Mr. McLean gave out leaflets which illustrated the causes of the large toll of highway accidents, and pointed out that high speed, according to statistics, causes almost half of all automobile accidents.

Present for the meeting were Mesdames Spicer Gripp, Owen Andrews, E. H. Vogler, W. A. Springer, Jack Jones, Suddeth Ebeling, Leonard Buttrill and the hostess, Mrs. Benson. The next meeting will be in the home of Mrs. Owen Andrews. All members are urged to attend as that will be the day for election of officers for the new year.

Visiting the Herb Schmidts last week were Mr. and Mrs. Ewald Schmidt and daughter, of Clinton, Oklahoma. On Tuesday night and Wednesday, Mr. and Mrs. Art Schmidt and children of Weatherford, Okla., visited the Schmidts. Art and Ewald are Herbs brothers.

Among students attending college are Mr. and Mrs. Joe Hacker who are going to E. N. M. U., at Portales, Miss Sherry Benson, going to Canyon, W. T. S. C. and Glenn Andrews to E. N. M. U.

First graders starting this year to Hereford include Nancy Gripp, James Buttrill, Alex Russell and Ramona Hall started to school at Dimmitt.

Bobcats Demonstrate

(Continued from Classified page)
their new band uniforms, staged a colorful parade during the half. County Fair queen contestants Mary Nelson, Evelyn Stork, Darlene Cates, Mary Coke and Katy Killingsworth, also paraded with their escorts at halftime.

Richard Woods electrified the fans by taking the opening kickoff for the second half and sprinting 80 yards through the middle for the fifth Bobcat touchdown. Dennis made the try for extra point and the score was 33-0.

Woods gave a repeat performance about five minutes later after the Stormies were forced to kick on last down. The fancy stepping quarterback broke loose on a right end play and skirted the sidelines for 65 yard run and pay dirt. The score at this point read, 39-0, after Dennis failed to make the extra point. The Stormie machine still failed to click and it was only a matter of a few plays before the Bobcats regained possession of the ball. A series of handoff and plunging plays by Warren and Brock carried the ball to the five and Dennis plowed through the middle to rack up the eighth Cat touchdown of the game. Try for extra point was short and the scoreboard showed 45 for Dimmitt and 0 for the Stormies.

The Stormies gained their first down of the game at the close of the third quarter after Dimmitt

was penalized twice for off sides. Melvitt Witt intercepted a pass on the next play, however, and run the ball to the 20 yard line. A couple of plays later Woods attempted to pass but elected to run after failing to find a pass receiver. The run was good for 13 yards and another TD, making the score, 51-0.

Fields substituted freely in the fourth period giving his reserves a chance to show their stuff. He also stepped up the aerial attack as the locals tossed a number of passes in the last quarter. Brock intercepted an Amarillo pass and Warren ran along the side lines for 40 yards on the next play to add another marker for the Cats. The last TD of the game came when fleet footed Woods went around end and romped 75 yards for a score. Final score was 63-0.

Guard Gary Wise and halfback

Johnny Cruz sparked the Stormies. Skippy Pamplir also showed up for the visitors.

The Bobcats will take on the Lockney Longhorns in this Friday night encounter. The Longhorns lost their opening game of the season Friday night to the Paducah Dragons by a 25-0 score. Fields cautions that the game against the Stormies was not a true test of the Bobcat's strength and that the situation could be reversed when the locals tackle Lockney, a class AA team.

Possibly the Bobcat's toughest foe of the season will be Springlake. The Wolverines gave a creditable account of themselves Friday night by edging Hale Center, 7-6. Sudan also took their opening game by pasting Mortor 33-0. Happy wasn't quite so fortunate as their team suffered a 32-13 setback at the hands of a strong Canyon team.

WALTER ROGERS' WASHINGTON NEWSLETTER

The First Session of the 83rd Congress passed 208 bills. Nine of these were vetoed by the President. Many important bills were left on the calendar or pending in committees. These will no doubt be some of the first measures to be considered in the 2nd Session of the 83rd Congress, which begins January, 1954. The present status of the tax laws will almost necessitate some kind of tax legislation early in the session. This does not mean higher taxes, but it will no doubt mean a readjustment and realignment of taxing procedures. Much thought is being given to a general sales tax, which will be in addition to the individual income taxes, but is supposed to replace some excise taxes and other special tax items. The proposal has been to set this up where it can be collected at the source, that is, from the manufacturer. This for the reason that it is supposed to save much administrative costs and reduce some tax evasions. The expiration of some excise taxes plus the automatic termination of the increased individual income taxes has caused much concern in Washington circles. These expirations will reduce tax income revenue by between ten and twelve billion dollars. If present expenditures are continued (and I hope they will not be), these expenditures will mean a larger deficit. There are two ways of balancing the budget. One is to increase taxes and the other is to reduce expenditures. Frankly, I am a strong supporter of the latter.

The UN

The UN can expect to be in for some tough sledding as long as employees whose activities have been suspicious are kept on the pay roll. The recent decision to reinstate some of those who had been suspended does not meet the approval of the American people who are paying most of the bill. In fact, they strongly condemn it. UN employees, like Caesar's wife, should be without suspicion. The sooner these questionable people are removed from these places of international importance, the greater will be the chances of the relaxation of the original purpose for which the UN was established, that is, the promotion of world peace.

Our Neighbors News of

MULESHOE—(take from the Muleshoe Journal) The first bale of cotton was baled in Bailey county September 8 at Edwards Gin. The cotton turned in by R. L. Fields yielded 505 pounds and was sold at auction, September 12, at Crow Chevrolet lot in Muleshoe.

WELLINGTON—(from the Wellington Leader) Enrollment in the Wellington Schools has reached 922 and a few additional students were to be registered by week-end. This is 25 below the enrollment figure at the beginning of school last year. Four vacancies still remain to be filled in the system, a band director, assistant coach for junior high and two special service teachers.

ABERNATHY—(from the Abernathy Weekly Review) The Abernathy Antelopes are picked for fourth place in their conference, according to football experts. Spur is expected to win the district championship. The Antelopes lost to the Olton Mustangs in the season opener last week-end. That game was expected to decide whether the Abernathy team is going to be in the running.

TULLIA—(from the Tullia Herald) Swisher county is preparing for one of its greatest fairs Friday and Saturday, Sept. 18 and 19. Fair planners report that interest is mounting in the event and indications are that a record number of exhibits and attendance can be expected. A big parade will get things underway Friday morning. Other features of the fair will be a fiddler's contest, quarter horse show, model plane combat flying contest and a carnival. A new car will also be given away on the last night of the event.

EARTH—(from the Earth Star) The first bale of cotton ginned in Earth this season was brought in Tuesday (Sept. 8) by Floyd Crawford. Farmers Co-op Gin processed the 445 pound bale. The

first ginning done here last year was on Sept. 15.

PLAINVIEW—(from the Plainview Herald) The Plainview City council has adopted the 1953-54 budget. The estimated expenditures for the general fund total \$444,082. Last year's actual expenditures were \$410,876.

OLTON—(from the Olton Enterprise) With the Olton primary building teaming and the high school packed almost to the bursting point, voters of Olton Independent School District were to decide Saturday the fate of the proposed \$250,000 school program. Indications were that the issue had a good chance of carrying. The proposed new building would alleviate over crowded conditions in the lower grades as well as in high school.

COLORADO CITY—(from the Colorado City Record) The largest cotton crop in three years was in prospect for Mitchell county this week. A check with farmers ginners and others close to cotton markets indicated more than 15,000 bales for the county. A harvest of 18,000 bales is likely if good conditions continue with a late frost.

HAMLIN—(from the Hamlin Herald) There is no cause for alarm by citizens of the Hamlin community over the typhoid scare

that has resulted from three cases of the disease during the past two weeks, according to Dr. E. J. Hawkins, city health officer. The first case of the malady was reported in early September when the condition of a colored child was diagnosed by physicians as typhoid fever. Subsequent illness of a Hamlin business man and a local woman have been reported. Cause of the outbreak has not been determined but the possibility of it stemming from the city water supply definitely has been ruled out by doctors and others.

FARWELL—(from the State Line Tribune) The Bovina Baptist Church celebrated its 50th anniversary recently with a homecoming. All former members and pastors were invited to come and meet old friends and make new ones. The Rev. Weldon Franks, a former pastor and now of Dallas, brought the message at the 11 o'clock worship service. The Rev. Bruce Giles, also a former pastor, preached at the special service in the afternoon.

Hart Postmaster Job Still Open

Tuesday, Sept. 22, 1953, is the last day applications will be accepted by the U. S. Civil Service Commission for the postmaster position in Hart.

According to an announcement by the Commission in Washington, D. C., the number of applications received so far has not been sufficient for adequate competition. The current examination was announced under new qualifications standards recently agreed upon by the Post Office Department and the Civil Service Commission. Officials of both of these agencies hope that the new examinations will attract a larger number of well-qualified applicants than has been obtained in the past.

Application forms and further information on the examination are available at the post office. The forms must be filed by the deadline with the Civil Service Commission in Washington, D. C.

Rev. Brashear To Preach At Floydada

The Rev. D. W. Brashear, retired Dimmitt Methodist minister, Floydada Methodist Church Sun., will supply the pulpit of the September 20, in the absence of the pastor, Dr. Tilder Armstrong. Rev. Brashear will preach at the morning service which will begin at 11 o'clock. His sermon, "The Atonement" will be carried over Floydada's Radio Station KFLD. "The Atonement" is the story of the crucifixion and resurrection.

Small Business Administration
The Small Business Administration was created by Congress during the last session. It will assume the duties of the former Small Defense Plants Administration with expanded authority in other fields of small business as well as the small loan functions of the RFC. It cannot accept applications for loans until about October 1. Applications for loans in this area should be submitted to the Regional Office, Small Business Administration, 1114 Commerce Street, Dallas 2, Texas.

EDITORIAL

The doors are now open to the students of Hart Rural School. On the morning of September 7, bells were ringing and hush-hush voices could be heard as you walked down the halls of Dear HHS. Amid the confusion and turmoil the teachers were successfully enrolling the pupils for another year.

The 1953-'54 Faculty is as follows:
 Mrs. Dewey Smith—First grade
 Mrs. Darrel—Overflow of the First, Second and Third grades.
 Miss Lillian Dalrymple—Second grade
 Mrs. Will Gilmore—Third grade
 Mrs. Elmer Scott—Fourth grade

Mrs. Lee Underwood—Fifth Grade
 Mr. C. L. Lipscomb—Sixth Grade
 Mr. Robert McCollum—High School Principal, Junior High Girls' Coach, High School Girls' Coach, Seventh Grade English, Eighth Grade English.

Mrs. Johnny Thompson—English, Typing
 Mrs. Eleanor S. Griffin—History, Civics, Speech
 Mr. A. R. Bostick—Math, High School Boys' Coach

Mr. R. W. Davidson—Superintendent.

As students of Hart High School have something to be very proud of. We have several new additions to our school in the past few months. Included in these are the newly remodeled Vocational Agricultural Buildings and Workshop and an overflow classroom for the elementary grades. Also there is a new teacherage on the school grounds.

As citizens of the community and students of the school let's do our best to keep these buildings as nice and clean and neat always as they are now.

We wish to take this opportunity to welcome the new members of the faculty, the new students and the new patrons of the community to our school and to all the activities provided therein.

Teacher of the Week

Mr. Robert McCollum was born in Pueblo, Colorado, but has lived most of his life in Lockney, Texas. He received his B. A. Degree in Texas Technological College in Lubbock and his E. D. W. Degree in West Texas State College at Canyon.

Mr. McCollum teaches the seventh and eighth grade English and is the High School Girls' Basketball Coach. He taught one year in Clemons and three years in Pringle where he was also girls' basketball coach.

We find some of Mr. McCollum's favorites are:
 Color—Red
 Food—Steak
 Pastime—Coaching
 Pet—Peeve—Basketball players who will not hustle and umpires.

Mr. and Mrs. McCollum have two children, Bobby 5 and Sidney Ann 7.

FFA Officers For 1953-'54 Are Named

President—Larry Witten
 1st Vice President—Robert Lacy
 2nd Vice President—Thurman Clay
 3rd Vice President—Frank Miller

Secretary—Kenneth Warren
 Treasurer—Truman Swopes
 Reporter—Delford Davis
 Historian—Eddie Savage
 Sentinel—Jack Minshew
 Parliamentarian—Weldon Dale Jones

Photographer—Kinny Hill
 Song Leader—Weldon Davis
 Sweetheart—Geneva McLain
 The boys wore 42 ribbons, banners and rosettes at the county fair. They placed second with their educational booth and third with their county booth. Eight of the products used in the community booth were selected to be used in the county booth at the Lubbock Fair. The boys plan to attend all the shows near here and are making plans for attending some of the shows farther down state.

The Agricultural boys have moved into their new VA Department and are getting ready to open their shop. Plans are being made for some of the boys to attend the FFA Convention in October.

On Thursday night of this week the Ag boys gave the Future Homemakers a hay ride and watermelon feast. There were plenty of hay and melons for all and the girls reported a very good time and wished we would do it more often.

Girls Sport News

Last week the sound of creaking bones and moans of girls filled the halls of Hart High School. Basketball training has started.

There are more girls coming out this year than last year. We also have a new coach, Mr. McCollum, whom we are very glad to have. He also teaches seventh and eighth grade English.

Let's really get out and hustle this year girls as we want to make our biggest and best year of basketball.

Welcome coach! We are looking forward to a big season.

Senior Class Meeting

A Senior Class meeting was held Monday in order to organize the class.

The following officers were elected:
 President—Jerry Phillips
 Vice President—Dorothy Nowell
 Secretary and Treasurer—Geneva McLain

The following mothers were selected to serve the class for the coming year as room mothers:
 Mrs. A. L. Aven, Mrs. D. L. McLain, Mrs. Worth Jones, Mrs. Harvey Davis

Mrs. D. L. McLain was elected as chairman of the room mothers. The 1954 Hartthob will be published by the Senior Class and the following staff was elected to publish the annual:
 Editor-in-Chief—Weldon Davis
 Assistant Editor—Maurice Aven
 Advertising Manager—Jerry Phillips
 Business Manager—Weldon Dale Jones
 Treasurer—Ella Buchanan
 Feature Editor—Dorothy Nowell
 Art Editor—Geneva McLain
 Photographer-in-Chief—Mrs. Johnny Thompson

The Longhorn Tips, which is published in the Castro County Paper each week will be a Senior project this year.

Hart School Juniors Elects Officers

The Junior Class had their first class meeting Tuesday to elect officers. The officers are:
 President—Larry Witten
 Vice President—Truman Swopes

Secretary and Treasurer—Royce Lynn Pyeatt
 Reporter—Phyllis Wall
 The following were chosen for room mothers:

Mrs. S. A. Swopes, Mrs. Homer Hill, Mrs. E. H. Bowden, Mrs. Clyde Witten.
 The sponsors are Mr. and Mrs. A. R. Bostick.

Eighth Grade Elects Officers

The eighth grade had a class meeting September 8, 1953. The following officers were elected:
 President—Johnny Hindman
 Vice President—Charles Armstrong
 Secretary—Jo Davis
 Treasurer—Wyona Myrick
 Reporter—Jon Pyeatt
 Sponsor—Mrs. Eleanor S. Griffin

Room Mothers—Mrs. Huggins, Mrs. Savage and Mrs. Popejoy.
 The eighth grade boys are playing baseball and the girls are playing basketball.

Fifth Grade News

CLASS OFFICERS
 President—Jo Ann Lacy
 Vice President—Freddie Sue Popejoy
 Secretary—Jenalous Miller
 Reporter—Jerry Felder
 Doctor—Dick Cooke
 Nurse—Carolyn Davis
 We are touring the United States in Geography in an airplane. There are twenty-four passengers.

FLAGG NEWS

The Flagg H. D. Club met Wednesday with Mrs. Bob Cook. Nine members and one visitor, Mrs. Joe Smith, was present. The next meeting will be Sept. 24 in the home of Mrs. James Bradford.

Rex Easterwood has enrolled in WTSU at Canyon.
 Mrs. John Bessemer visited her sister, Mrs. Kenneth Cox, at Hart last week.

Sunday afternoon visitors in the Jewel Gosset home were Mr. and Mrs. Cecil Ginn.
 Mr. and Mrs. G. W. Bradford and James Bradford were in Lubbock Saturday.

Mrs. Clinton of Hollis, Okla., is visiting her daughter, Mrs. C. G. Ballard and family.

Mrs. Jess Birchfield visited her brother, L. C. Gatewood, and family in Leavenworth, Kansas, last week.

Mr. and Mrs. Clyde Dameron visited Mr. and Mrs. Harold Dameron and children in Estelline Saturday. They also visited her mother and Mrs. Ray Stephens and children in Fredrick, Okla., Mrs. Ray Stephens is teaching in the Jr. High School there.

Mr. and Mrs. Cecil Ginn helped Mr. and Mrs. Rayford Ginn move to Lubbock Saturday. Rayford will attend Texas Tech this year.

BETHEL NEWS

Visitors in the Harry Rothwell home during the week to visit Mrs. Bobby Warren and son, Gary Keith, were Mrs. Earl Lust, Mrs. Kay Roberts, Mrs. Jimmie Singer and son, Gary, Mr. and Mrs. J. R. Rothwell, Mrs. Charles Howell and children and Mr. and Mrs. J. C. Williams.

Mr. and Mrs. J. C. Williams have a new grandson, John Stephen, arrived in Hereford Sunday morning to make his home with Mr. and Mrs. Glenn Williams. John Stephen arrived on his sister Beverly's birthday, September 13.

Mrs. Ivor Bagwell made a business trip to Amarillo Monday.
 Mrs. Andy Behrends visited parents Mr. and Mrs. J. D. Story, in Hereford Monday.

Mr. and Mrs. Vern Lust and Mr. and Mrs. Houston Lust and children visited Mr. and Mrs. Joe Finche in Tulsa Sunday afternoon.
 Lloyd Earl Lust of Pratt, Kansas, spent a few days last week with his parents, Mr. and Mrs. Earl Lust.

Bethel W. S. C. S. met Monday with Mrs. Roy Haberer. Those enjoying the afternoon were Mrs. Earl Lust, Kay Roberts, Vern Lust, Ira Brown and the hostess. We will meet Sept. 28 with Mrs. Ira Brown.

Mrs. Bobby Warren and Gary Keith spent Tuesday afternoon with Mrs. Jimmie Singer in Dimmitt.

Mrs. Harry Rothwell with seven other ladies from Dimmitt are attending a sewing school given by the Singer Company, each Tuesday afternoon in Plainview.

Surprise Pep Rally VICTORY

With the student body spelling out this word the new cheerleaders were introduced by crashing through paper covered frames. The band opened the pep rally with Victory March and cheer leaders, Dolores Battles, Belva Warren, Jeannie Gladman, Loretta Hoyle, Mary Coke, Wilton Ivey, and Wilma Noble, came back with the yell "Yea Hit Em High" to open the Pep Rallies for 1953.

Coach Fields was introduced by James Bates and he made a most inspiring talk about this year's 1953 Bobcat team. Every year the Pep Club presents corsages to mothers of the football team and wives of the coaches. This week corsages were presented to wives of the coaches and mothers of the co-captains: Mrs. Leo Fields, Mrs. Alivs Fuquay, Mrs. J. H. Dobbs, and Mrs. R. M. Warren.

Senior Rings Arrive

"The Senior rings are here!" The Senior class was very elated when this word spread around Thursday noon. The rings are 10K gold with a ruby stone and a D. H. S. crest mounted on the ruby. The date is written 19 on one side with 54 on the other side. Each member is proud of his ring and usually has his hand in an obvious place to show off the new ring.

Candied Apples, Anyone?

The Junior class had a booth at the Castro County Fair Friday afternoon and Saturday. Their speciality was candied apples. They also sold hot dogs, sandwiches, homemade candy, chewing gum, and pop. This was the only class in Dimmitt School having a booth at the fair. They put in a lot of hard work, but it was enjoyed by all. The Junior class is sponsored by Mrs. Jane Bailes and Miss Charlene Potts.

Band Elects Officers

The Bobcat band elected officers the first day of school. They are as follows: President—Carolyn Rothwell Vice President—Louise Simpson Secretary—Carolyn Bagwell Reporter—Gwen Smith

David Honea's Ideal Girl

Most Beautiful—Jane Bailes Best Dressed—Sandra Hance Most Athletic—Darlene Cates Best Personality—Mary Nelson Most Friendly—Carolyn Rothwell Cutest—Sharon Wesson Best Figure—Jeannie Gladman Best All Around—Gwen Smith Most Likely to Succeed—Pat DeLozier

Sandra Hance's Ideal Boy

Most Handsome—David Honea Best Dressed—Jerry Vandiver Most Athletic—Melvin Witt Nicest—O. C. Renfro Best Personality—Marvin Dye Most Friendly—Chad Moore Cutest—Joe Ben Mitchell Best Physique—Maxie Warren Best All Around—Joe Nelson

H. S. Enrollment Count Is Taken

An official count of the high school enrollment was made this week by Mr. Sollis. The Bobcat Tales has previously run an enrollment story, but the count made by the journalism class was unofficial. Enrollment totals show 69 freshmen with 36 girls and 33 boys, 57 sophomores with 35 girls and 22 boys, 41 juniors with 20 girls and 21 boys, 45 seniors with 29 girls and 16 boys. This raises the school enrollment to 212 with 119 girls and 92 boys.

September Babies

The best way we know of to start school out right is by having a birthday. The following people are our September babies: Freshmen—Darrell Stine, Betty Lamb, Lottie Evan, Leon Crum, Morty Booser. Sophomore—Evelyn Rickert, Joy Kirby, Jimmy Butler, Margaret Anderson. Juniors—Regene Reynolds, George Ray, Joe Nelson. Seniors—Joe Paul Weatherford, Raneal Ivey, Oran Howell, Laoma Hershey, and Clark Dobbs.

Seniors' WHO'S WHO

The outstanding boy in F. F. A. must be Bob Anthony. Bob was receiver of the annual award given to the most deserving F. F. A. boy the past year. He received his Lone Star Farmer's Degree this summer. Bob has an unusually good number of ribbons and awards for his outstanding F. F. A. work. Bob is 17 years of age and stands 5' 8½" in height. Bob has attended Dimmitt schools for the past 9 years. He attended Springlake schools for his first three years. Bob is a member of the F. F. A., Journalism class, the Senior Class Business Manager, and Manager of the Football team. Some of Bob's favorites are: Food—fried chicken Actress—Debbie Reynolds Actor—Robert Mitchum Sport—Football Pastime—Showing livestock Most Likely to Succeed—Bob Anthony.

F. F. A. Activities

F. F. A. boys exhibit at the Fair. Bob Anthony exhibited the 1st place Milk Fed Calf. The calf was a Hereford, bred by Bruce Hunter of Dimmitt. Burt Huggins exhibited the Champion Corrodale ram. The animal was bred by H. H. Huggins of Dimmitt. Burt also exhibited a 3rd place Corrodale ewe. In Educational booths Dimmitt F. F. A. placed 1st. Richard Wood, an F. F. A. member, and David Adams, a former member, judged the poultry and pet show. Richard judged with an F. F. A. team that placed 1st among 42 other teams at the Tech contest in 1952. David was also a member of Tech winning team that won a Gold Emblem in the entire state of Texas in 1951. The F. F. A. is indeed proud of these two judges. Bob Anthony has received his diploma from a Lone Star Farmers degree from the State F. F. A. Association.

Bobcats Overrated

After the Bobcats romped over the inexperienced Amarillo "B" squad 63-0, they were rated the best in area "A" this week in the newspapers. Except for injuries, every man on the bench saw action. Coach Fields said, "That it would be hard to pick an outstanding player for the game. They all looked pretty good on both offense and defense." Coach also stated, "That kind of game could do the Bobcats more harm than good." The boys are working hard and looking forward to the game Friday night with Lockney. Lockney is a powerful team and the Bobcats are looking for a very close contest. This years Bobcats is a well balanced squad with plenty of depth.

FORMER BOBCAT SEES GAME

Edwin Cartwright, suffering from paralysis resulting from injuries sustained in a car accident last December, watched his former team mates trounce an Amarillo B team in the game at Bobcat Field Friday night. Edwin was a star on the Bobcat squad last year.

CARD OF THANKS

We wish to thank the people of the Sunnyside Community for their kindness and donations during the sickness of my wife and the death of our two babies. Words cannot express how much we appreciate the opportunity of

living among such wonderful people.

Mr. and Mrs. James Smith and boys

American...by

For gifts, or informal entertaining, Fostoria's American pattern is a happy choice... a pattern with a prismatic motif that catches and reflects rainbow colors for sparkling table settings. In our Glassware Department you can select from scores of inexpensive open stock items. They're lovely to give or to keep. See our entire Fostoria collection today.

We have other patterns in the Fostoria line **Frazier Jewelry and Gift Shop**

Annual Pictures to Be Shot Next Week

Ayers Studio will make individual pictures of the student body for the annual next week. To make a clearer picture, it would be better to wear dark colors than light colors. Girls, visit your beauty parlor. Boys, visit your barber shop. Dates for each class to have pictures made will be announced at school.

Senior Concessions Stands Planned

"Why didn't you Seniors have a stand on the home side at the football game?" Several members of the class were asked this question, and the stock reply was "Didn't you see all that dirt that has been hauled in over there?" It is hoped that two new concessions stands will be built in time for the Lockney game, and this will take care of the problem of stands at the football games permanently.

Senior Who's Who

The most poetic senior is David Adams, better known as "Bullet." David is interested in poetry and has written many good poems. Bullet also enjoys music. He sang bass in the Dimmitt High School chorus the past year. Bullet's favorite band is the Four Aces. Bullet is 17 years old and stands 5' 8½" in height. He has attended Dimmitt schools for the past 12 years. He is a member of the F. F. A. and choral club. Some of his favorites are: Food—Strawberry shortcake Actor—Kirk Douglas Sport—Football Pastime—Keeping late hours

Students Entertained By Variety Act

In a Southern School Assemblies program Thursday morning Roger Rittenbaugh entertained students from the fifth grade up. His repertoire included juggling, ventriloquism, unicycling, and mimicry of stage personalities.

Place to go—home Pet peeve—Getting up in the morning.

Band Elects Officers

The band will go to Amarillo September 21, to perform in the "Battle of the Bands". Let's wish them luck.

Strain Employed By Scout District Embracing Castro

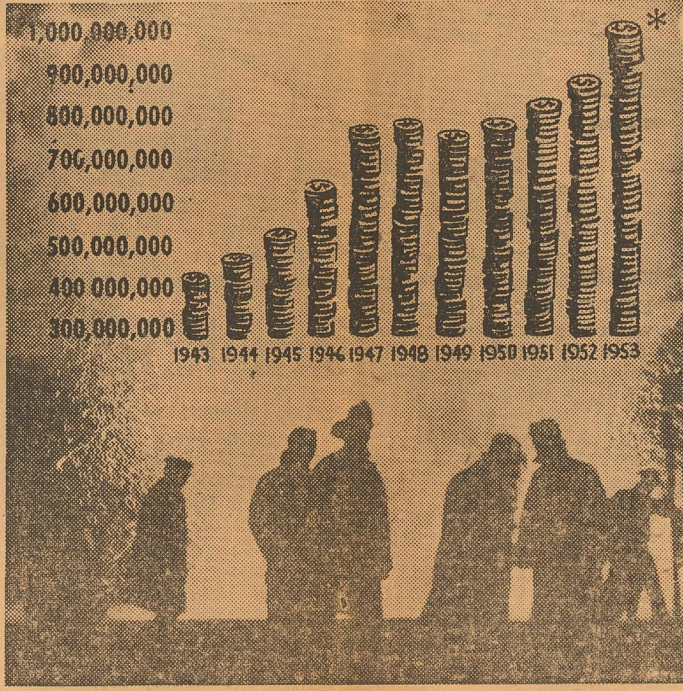

Dr. F. B. Malone, President of the South Plains Council, Boy Scouts of America, announced today the employment of Mr. Bill R. Strain to serve as Field Scout Executive starting September 15, 1953.

Mr. Strain is a graduate of 165th National Training School for Scout Executives. He is a veteran of World War II having served in the Merchant Marines and in the Air Corp. Mr. Strain is an accomplished artist and has taught for the past two years in the art department of the Plainview Junior High School. Mr. and Mrs. Strain and their son, Michael, will maintain their residence at 601 Nassau in Plainview.

Dr. Malone announced that Mr.

Fire Loss Doubles in Last 10 Years

Americans are paying a shocking price for carelessness. The National Fire Prevention Association reports that a fire loss of slightly more than \$400,000,000 in 1943 has climbed until in 1952, just ten years later, the loss exceeded \$896,000,000, partially due to inflated values. Deaths from fires totaled 12,535 in the United States and Canada.

Based upon the fire loss in the first five months of 1953, the NFPA predicts a loss in excess of \$900,000,000 this year. This would mean a loss of approximately \$8 per capita this year, a record peace-time high for this or any other nation.

Americans lead all others in burning up their homes, their jobs, and themselves," the NFPA asserts and points out that at least 90 percent of the fires that take such a high annual toll in homes, on farms, and in industry can be prevented by being careful and practicing sensible living habits.

Fire Prevention Week, proclaimed by President Eisenhower and sponsored by the National Fire Protection Association, will be observed this year from Oct. 4-10.

CARELESSNESS FEEDS FIRE
"Fire Feeds on Careless Deeds" is emphasized in this year's Fire Prevention Week campaign, sponsored by the National Fire Protection Association and proclaimed by President Eisenhower for the week of Oct. 4-10. The NFPA points out that 90 percent of all fires are directly due to carelessness and indifference to fire hazards.

FIRE'S BIG 3
The National Fire Protection Association estimates that there were more than 600,000 building fires in the United States in 1952. Just three hazards accounted for more than one-third of the total. These were carelessness with matches and smoking; misuse of electricity and faulty wiring and appliances, and defective heating equipment.

12,535 DIE IN FIRE
Death by fire hit a new peak in 1952. The National Fire Protection Association reports that 12,535 died. The toll in the last decade now exceeds 100,000.

STRUCTURAL FIRE HAZARDS
Structural fire hazards account for half of all home fires. These are defective chimneys and heating systems, flammable roofs, and electrical defects.

*Estimated on basis of first five months. Photo, Rochester (N.Y.) Times-Union

If You Are Going to Need MEXICAN NATIONALS For Harvesting Cotton

See or Call
Ray Robertson
Dimmitt, Phone 165R2
or
Vernon Daniels
Lockney, Phone 2360

If we don't get Nationals for pulling, we will pay a high price for harvesting cotton.

Strain would be assigned to work in the Haynes District under the direction of Mr. Ray L. Howard, District Scout Executive. The Haynes District includes Castro, Swisher, Briscoe, Motley, Floyd, all of Hale county except Abernathy, Turkey in Hale County and Olton in Lamb county. Dr. Malone also stated that adding this additional Field Executive to the Council's Professional Staff would enable the Council to better serve these six counties in the fast growing North section of the South Plains Council which at the present time has a membership of 1534 members in forty-eight Cub Packs, Scout Troops and Explorer Posts.

Now Is Time to Treat Winter Seeds for Smuts and Blight

Planting time for winter grain crops is at hand, and Fred C. Dines, extension wheat marketing specialist, reminds farmers that smut is likely to take a toll if the seed are not treated before planting.

He reports that smut showed up in damaging amounts in many sections of the state during the past wheat harvest and warns it will be worse this year unless precautions are taken at planting time. He lists these as planting the best variety for the section, cleaning the seed to remove weed seeds and smut balls which may be present and chemical treatment of the planting seed.

Stinking smut is the disease which should get major attention. If untreated seed are planted which are infected with the smut spores, a good crop of stinking smut will develop next spring in the wheat heads where the grain should be, says Dines. Smut reduces the yield in the field and smutty grain is docked on the market. This smut is hard to recognize in the field except for its foul odor and the somewhat greener color of the infected grain heads. The kernels of the infected plants change to smut balls, and when the grain is combined, these smut balls are broken and millions of black spores are scattered over the healthy seed.

Oat and barley smut, on the other hand, is easily recognized by the black, barren heads in the field. According to Dines, the stinking smut of wheat and also of oat and barley can be controlled by chemical treatment of the planting seed and recommends that producers check with their county agent on the kind and amount of the chemical to use. The cost is very small and in addition to controlling stinking smut, the treated seed germinate faster, more seed germinate which means a better stand and

yield, says Dines. Loose smut of wheat is something else, explains Dines. It too leaves empty black heads in the field but cannot be controlled with chemicals. It can be controlled by a difficult hot water treatment, however, Dines suggests that it might be better to get clean wheat seed, from growers who were not bothered with loose smut last season.

Helminthosporium blight is a relatively new disease which attacks oats. It affects the roots and stems of oats causing weakened stems and later lodging. It can be controlled by the same chemicals used in treating seed for protection against stinking smut, however points out Dines, the control may not be as complete as for smut. Oat varieties which are attacked by the blight include some of the Victoria crosses as Fultex, Rustler, Ranger and Victor Grain.

With limited wheat planting again in force, Dines says, producers should use every proved production practice which will enable them to produce top yields as well as top quality wheat and chemically treating the planting seed is of major importance. It will mean extra bushels of top quality grain come harvest time next spring.

WHY just look and sigh—and pass up so much real automobile?

Why—when this big and beautiful new Buick SPECIAL delivers for a figure you'd pay for a "six"?

Could be you're one of those folks who still don't believe that the price of a Buick really is just a few dollars more than that of the so-called "low-priced" cars.

So we'll show you the price tag to prove it.

But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all four wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and

stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

See The TV Football Game of the Week every Saturday—a General Motors Key Event

Come in and ask us about the low delivered price on this **1953 Buick SPECIAL** 2-Door 6-Passenger Sedan

HART NEWS

Messrs Benight and Cadell of near Lockney were in Hart on business on Wednesday.

Mr. and Mrs. Darrell Lacy and Mr. and Mrs. Rodney Smith left on Friday for a ten day trip to Tennessee. They will visit Mrs. Lacy's parents, the Cantrells.

Mr. and Mrs. Bill Reed have returned from a trip to Georgetown and Austin.

Mrs. S. L. Garrison and children with her sister, Mrs. C. D. Ivey, of Levelland spent the week end with another sister, Mrs. M. H. Wilmore at Mt. View, Okla.

Mr. and Mrs. Ralph Futrell and family are in South Dakota on vacation and visiting friends.

Mr. L. H. Neinaast of Harts Camp visited in Hart Saturday afternoon.

Max Bostick, wife and baby, of Portales, N. M., spent most of last week with their parents, Mr. and Mrs. A. R. Bostick. Max has just returned from service with Uncle Sam in Germany.

Johnny Thompson was in El Paso on business over the weekend. Mrs. Thompson and Mrs. J. H. Thompson visited in Bangs.

Mr. and Mrs. Ralph Perry and Linton returned from Los Angeles on Wednesday.

Mr. and Mrs. Cecil Ray Jones of Amarillo spent the week-end with relatives here.

Mr. and Mrs. Jim Height left Sunday morning to visit Johnnie Leslie in a veterans hospital in Tennessee.

Mr. and Mrs. Jim Brooks and Mr. and Mrs. Paul Brooks visited the boys mother in Big Spring. The mother is suffering from pneumonia.

Mrs. Joe A. Davis of Plainview spent Wednesday and Thursday in the home of her son, Harvey, and family.

Mr. and Mrs. Bud Kelley of Petersburg spent the week-end in the Charles B. Martin home. The ladies are sisters.

Mrs. Ray Bennett's brother of Temple visited her and Mr. Bennett on Thursday.

Mr. and Mrs. E. H. Bowden and children attended an Arkansas reunion at McKenzie Park in Lubbock on Sunday.

Dr. and Mrs. Jeff Davis and daughters and Mrs. W. L. Jones of Plainview spent Sunday with Mr. and Mrs. Edd Harris. Mrs. Davis, Mrs. Jones and Mrs. Harris are sisters.

Mr. and Mrs. Travis Black fished at Conchas Dam over the week end.

Mr. and Mrs. Dick Moss and Gerald Moss of Plainview visited in the home of the boys sister, Mrs. R. L. Hawkins, on Sunday.

Mesdames T. B. Cox, Miles Cox, Sam Swopes and John McLain visited Mrs. S. A. Attaway in Lubbock on Monday.

Mr. and Mrs. Marshall McCain of Clarksville are here for a visit with their daughter, Mrs. Willie Sargent and family.

Mr. and Mrs. Dimmitt Hughes of Lubbock stopped for a short visit with Mr. and Mrs. Willis Hawkins, Sr., on Monday afternoon. Mr. Hughes was a boyhood friend of Mr. Hawkins.

Leaving for college this week and last were Peggy Lou Murray for Lippert's Business College in Plainview, Don Winnett, Cleve McLain, and Larry Rice for Texas Tech., Shirley Sharp and Jimmy Cluck for West Texas State, Barbara Miller for Texas State College for Women at Denton, and Opal Ray, Erma Glen Hacker and Max Newman for Wayland. Ray Joe Riley also entered Texas Tech.

J. R. Riley is ill in the Plainview Foundation and Clinic.

The class of '52 held its annual reunion at the home of Mr. and Mrs. Lester McLain on Friday night. Present were Delores Benson, Max Newman, Cleve McLain, Nell Armstrong Brooks, husband and baby of Dimmitt and Mr. and Mrs. Leo Clay.

Merle Picerell brought the first bale of cotton to town on Thursday afternoon. It was ginned by the Lindsey Gin and sold to them for 50 cents per pound. The merchants of Hart will give a prize of cash, also. The finished bale weighed 510 pounds.

Milo grain began arriving at the Hart Elevators on Thursday, September 8, when Iry Carlisle of Olton brought a load testing 14.70 to the Cargill Elevator. Farmers Grain has been receiving since a few days later and report that Clay Anderson is bringing in grain testing 11. Many farmers are starting binders and combines while some are still watering row

Bobcats Demonstrate Power And Speed In Smashing, 63-0 Win

The Dimmitt Bobcats rambled to a lopsided 63-0 victory over the Amarillo Stormies Friday night as the forward wall of the visitors crumbled before a powerful ground attack generated by Coach Leo Field's charges. Some 1,000 fans witnessed the free scoring affair.

The fine defensive and offensive play of the Cats highlighted by the brilliant running of Richard Woods, Edgar Dennis and "Gallop" Gail Sadler, proved too much for the determined but inexperienced Amarillo team. Fumbles and lack of speed on the part of the Stormies paved the way for an easy Dimmitt victory.

A third down Stormie fumble set up the initial Bobcat score and from then on it was simply a question of when Dimmitt would score again. Saddler, running off right tackle for 33 yards, scored the first Cat TD only five minutes after the game had gotten underway. The Cat's plunging fullback, Bobby Brock, ran the

extra point to make the score read 7-0.

The Stormies also failed to move the second time they got the ball. Skippy Pamplin managed to pick up a few hard earned yards but the visitors were forced to punt on fourth down. Another snappy Bobcat back, Maxey Warren, set up the second Cat score by running some 25 yards to within ten yards of the goal line. Two plays later Warren scampered over and Dennis booted the conversion to make the score, 14-0.

In the second quarter the penalty plagued Stormies bogged down and Dimmitt took over with Dennis scoring a few plays later by going through center. The Cat conversion failed and the score

was, 20-0.
 Midway of the second quarter the Stormies showed some sign of life after Back Jim Parr picked up a first down. This was short lived, though, as the Cats took over on downs. Warren completed the first Dimmitt pass of the game at this point but the locals lost the ball on a fumble. Four plays later the Amarillo team also fumbled the ball. Whitworth and Woods, alternating with the pigskin, moved the ball to the eight yard line and on the next play Dennis lugged it over. The score at the end of the half read Dimmitt 26, Amarillo, 0.

LEGAL NOTICE

NOTICE

TO ALL THE OWNERS OR CLAIMANTS OR PERSONS INTERESTED IN ANY PROPERTY UPON THE HEREAFTER MENTIONED PORTIONS OF THE STREET IMPROVEMENT PROGRAM COVERING PORTIONS OF WEST NINTH STREET AND VARIOUS AND SUNDRY OTHER STREETS, AVENUES AND ALLEYS IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS.

The governing body, the City Commission, of the City of Dimmitt, Texas, has ordered that a portion of West Ninth Street and various and sundry other streets, avenues and alleys in the City of Dimmitt, Texas, be improved, and contract has been made and entered into with Bryan and Hoffman and L. A. Purcell for the making and construction of such improvements, to-wit: Raising, grading and filling, and installing curbs and gutters where not already constructed on proper grade and line, and paving with three coat topping on six inch compacted caliche base, the streets, avenues and alleys hereinafter mentioned.

Estimates of the cost of such improvements for each portion or unit of the streets, avenues and alleys to be improved have been prepared and approved by the City Commission, and the same is on file with the City Clerk in the City Hall of the City of Dimmitt, Texas.

The portions of said streets, avenues and alleys so to be improved are as follows:

EXTENSION UNIT NO. 3
Fourth Street from 50 feet north of the north line of Lee Street, thence north to a point 85 ft. S. of the south line of Belcher Street; Dulin Street from the west line of existing pavement on West Third Street, thence west 75 feet; and the north one-half of Dulin Street continuing on to pavement on the east line of West Fourth Street.

Etter Street from the west line of existing pavement on West Eighth Street to the east line of Ninth Street; and the north one-half of Andrews Street from the west line of existing pavement on West Sixth Street to the boundary of Miller Addition.

EXTENSION UNIT NO. 4
Jones Avenue, from existing pavement on East Second Street to the east line of East Third Street;

East Third Street from the north line of pavement on Jones Avenue to pavement on the south line of East Bedford Avenue; and the north one-half of Jones Street along the south line of Lot 12, in Block 110.

The estimated cost of improvements, the amount per front foot proposed to be assessed, the name of the abutting property owners thereon, and the cost to the city for such improvements are as follows:

Hearing will be given and held by and before the governing body of the city of Dimmitt, Texas, on the 25 day of September, 1953, at ten o'clock a. m., at the City Hall of the City of Dimmitt, Castro County, Texas, and may be continued from time to time to accomplish the purposes hereof, to afford all persons owning or claiming any property on or abutting upon said portions of above streets, avenues, and alleys, and to all persons owning or claiming any interest in such property, at such time and place all such persons shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by reason of such improvements, and concerning the regularity, validity and sufficiency of the contract and all proceedings relating to such improvements and proposed assessments therefor, and concerning any other matters to which they are entitled to a hearing under the laws of the State of Texas.

Following such hearing, assessments will be levied against the abutting property and the owners thereof, and such assessments, when levied, will be a personal liability of the owners of such property and a first and prior lien upon such property as provided by Art. 1105-B of the Revised Civil Statutes of the State of Texas.

The improvements on each said portion of each said streets, avenues and alleys, constitute an entirely separate and distinct unit of improvements all to the same extent and intent as if entirely separate and distinct proceedings had been taken with reference to each separate unit and the assessments against the property abutting upon any unit shall not be and are not in any way affected by any fact or circumstance related to or connected with the improvements in any other unit.

Done and approved by order of the City Commission of the City of Dimmitt, Texas, on this the 9th day of September, A. D. 1953.

**Continental Oil
Launches Million
Dollar Campaign**

Houston, Texas—A million-dollar advertising campaign to introduce Continental Oil Company's new Conoco Super gasoline with TCP, described as "the biggest improvement in gasoline in 31

Rest It—Buy It—Sell It
Through a NEWS Want Ad

years," is being launched this week as Conoco's new premium fuel goes on sale at 8,500 Conoco service stations and other outlets in 23 states. TCP, the additive that gives car engines more power and greater fuel mileage is being added to Conoco's new gasoline by special arrangement with Shell Oil Company, it was revealed by Harry J. Kennedy, vice president in charge of marketing.

TCP, the trademark for the power-boosting additive used in new Conoco Super gasoline, is a special compound originally developed to prevent spark plug failure in the Air Force's giant B-36 bombers, said Kennedy. He explained that TCP provides bet-

ter engine performance in two ways. First, it neutralizes spark plug deposits that cause short-circuiting and misfiring. Second it changes chemically the deposits in combustion chambers that cause "wild-ping" and pre-ignition with resultant power loss. Both conditions are common in both new and old cars.

"Conoco Super is a wholly new kind of gasoline," Mr. Kennedy pointed out. "And Conoco customers will be the first in their vicinities, except for scattered points where both Conoco and Shell market gasoline, to get the benefits of the most important advance in motor fuels since we began adding tetraethyl lead to

gasoline back in 1922." "In actual road operation motorists have experienced noticeable improvement in car performance after using as little as two tankfuls of gasoline with TCP. They also have obtained as much as 15 percent boost in usable power, better gasoline mileage and up to 150 percent longer spark plug life."

"As usual, newspapers are carrying the heaviest load in Continental's intensified advertising campaign to help launch our new Conoco Super gasoline," Mr. Kennedy said. Conoco is using ads in more than 1,000 weekly and daily newspapers with a combined circulation of 11,500,000 in addition to spot radio announcements on 98 stations in 56 cities; television commercials on 21 TV stations in 14 cities, and 5,350 outdoor posters in 1,217 communities.

Conoco Super gasoline is now available at Conoco service stations and other retail outlets in Arkansas, Colorado, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas, Utah, Wisconsin and Wyoming.

The Greatest Gasoline Development in 31 Years

New Conoco Super Gasoline

with TCP

Boosts power as much as 15%! Increases spark-plug life up to 150%! Gives you extra gas mileage, too!

CROSS SECTION OF TYPICAL SPARK PLUG
Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

Here's the most revolutionary advance in motor fuels since the introduction of tetraethyl lead in 1922—new Conoco Super Gasoline with TCP, brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuels.

Now you can actually enjoy the benefits of an engine tune-up—just by changing to new Conoco Super Gasoline. Chances are, by the time you've finished your second tankful, you'll feel the increase in power. And you'll keep that extra power just as long as you use Conoco Super.

For Conoco Super with TCP is a new kind of gasoline. It overcomes the greatest single cause of power loss affecting most of the cars on the road today. Now, you can enjoy all the power that was built into your car.

Why you need Conoco Super Gasoline with TCP

In the average automobile, the by-products of fuel combustion constantly build up deposits on spark plugs and in combustion chambers. These deposits can "cheat" you of power in two ways. First, they actually short-circuit your spark plugs. This causes mis-firing. Second, deposits in the combustion chamber get red hot and cause the fuel to ignite before it should. This is called pre-ignition or "wild ping." The effect of fouled spark plugs and pre-ignition is a loss in power and a waste of gasoline.

How TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. It will actually increase spark-plug

life up to 150%. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Yes, a great new era in motoring is here for you. Drive into your Conoco station today and fill your tank with new Conoco Super Gasoline with TCP. You'll feel the difference by the second tankful!

Questions and answers about New Conoco Super Gasoline with TCP

- Q. What is TCP?**
Answer. It is a cresyl compound, originally developed for aviation gasoline and used with great success in both military and commercial aircraft.
- Q. Has TCP been tested?**
Answer. Yes, for millions of miles, in all kinds of cars, under all kinds of driving conditions.
- Q. What does TCP do?**
Answer. It overcomes the power loss caused by deposits on spark plugs and in combustion chambers.
- Q. What does TCP do for new cars?**
Answer. It helps them keep their original power.
- Q. What does it do for older cars?**
Answer. It's like cleaning your spark plugs and getting a motor tune-up. You'll get back much of the power you're now missing.

EDITORIAL

School started in earnest on Sept. 8, after having the preliminaries accomplished last week. Our student body is fairly bubbling over with enthusiasm. Let's keep it that way throughout the year. Why not make this the best year yet? We, the members of our school, can do this by participating in all, or at least a few, of the extra activities, by being present as many days as possible, and by cultivating a genuine love for N. H. S. Our teachers are hoping that we will have a more adult approach to our problems this year. Let's not disappoint them.

Class Officers Elected

Election of class officers in the high school was held Sept. 3. Senior officers are Cyril Brockman, president; Eugene Schacher, vice-president; Mildred Conrad, Secretary and Ruth Wilhelm, treasurer. Junior officers are Norita Schulte, president; Dick Hoelting, vice-president; Dolores Stork, secretary and Josetta Acker, treasurer; Sophomore officers, Jack Acker, president, Tom Acker, vice-president, Ted Conrad, secretary, and Hubert Backus, treasurer; freshmen officers, Joe Ed Pohlmeir, president, Dar Schmueker, vice-president, Elsi Schacher, secretary, and Regina Gerber, treasurer.

Student Reports

The high school students were entertained by four members of the student body during the assembly held September 14. Cyril Brockman told of his trip to Austin, where he attended Boys' State. He explained the purpose of this week's work in government and told what activities filled each day. Mildred Conrad, who attended Girls' State, also told of her trip and explained the organization of the Girls' State government. Jack and Tom Acker gave a talk on their visit to College Station. This trip was sponsored by the 4-H clubs and was for the purpose of leadership training in 4-H work.

Freshman Initiation

Aside from the usual back-to-school commotion, Freshman Week came again. Tuesday, Sept. 8, was the day of doom for the unaware greenies who were led into the gym to meet their fate, which included pabulum and unanswerable questions, followed by amusing consequences. Braids, topsy turvy clothing, huge green hair ribbons, and other regalia, were the week's trade marks of the timid, somewhat disgusted, freshmen. Initiation is always a lot of fun for everyone, this year being no exception. The freshmen were, for the most part, very good sports. Perhaps this is in view of the fact that there is a slight fine for disobedience or misinterpretation. Oh, by the way, if any of you would ever like to know how different parts of a dissected cat feel, just ask the freshmen of NHS, 1953.

Guess Who

Answers to the following descriptions of two high school students will be printed in the next edition of The Nazarean.

BOY
Height—5' 11"
Weight—160
Eyes—Blue
Hair—Brown
Favorite Subject—Typing
Favorite food—Spinach

GIRL
Height—5' 4"
Weight—125
Eyes—Brown
Hair—Brown
Favorite subject—Bookkeeping
Favorite food—Fresh fried fish
Favorite actress—Arlene Dahl
Favorite actor—Jimmy Stewart

NEWCOMERS

The first day of school brought new faces to Nazareth School from the Phillips Gas Company settlement, south of Nazareth. Three newcomers in the seventh and eighth grade room are Henry Birkenfield, from Mosquero, New Mexico, seventh grader; and Jimmy Braddock, Canyon, and Darrel Dunham, Phillips, eighth graders. Carolyn Cleary is in the second grade; Sandra Sullivan, third grader, moved here from Pampa; and Bobbie and Mickie Dunham, from Phillips, are in the sixth and fifth grades, respectively.

Queen Contest

The four classes of NHS have elected candidates for the annual queen. They are as follows: senior, Ruth Wilhelm; junior, Dolores Stork; sophomore, Agnes Kleman; freshman, Carolyn Huseman. Each class will work towards votes for its candidate by selling school annuals. Votes are a penny, if you wish to cast votes in addition to the annual subscription.

Senior Rings

On the morning of September 9, 1953, a delegation of eleven seniors crowded into the office, awaiting the arrival of a C. O. D. package. It came, and the seniors put on their beautiful sparkling rings. The rings are oval with a ruby set, crested with an "N". Raised initials are engraved and mounted upon etchings of geometric design. Delicately carved scrolls decorate each side of the

ruby center. The boy's rings are similar to those of the girls', with the exception of the recessed center.

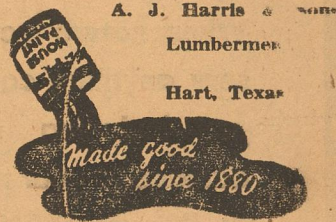

Grade News

Class officers for the seventh and eighth grades are president, Dennis Hoelting; vice president, Rosalie Schacher; secretary, Linda Hindman; and sergeant - at-arms, Edwin Huseman.

Teams Organize

The athletic clubs of the high school chose Cyril Brockman as captain of the Swifts, boys' basketball club, and Iona Heiman, captain of the Swifties, Co-captains are Eugene Schacker and Dolores Huseman. Practice games with out-of-school teams are being scheduled at the present.
