BCD Wants Workers For Hospital Election

An important regular meeting of the Board of Community Development is scheduled for next Monday night at the court house, starting at 7:30 sharp.

At this time plans will be discussed for getting out the vote in the hospital election March 27. Committees will be sent to every voting precinct in the county to advertise the election. The proposed county hospital seems to have lots of support, but it is highly important that those favoring the issue be sure and vote.

At last week's BCD meeting resolutions were passed asking both the West Texas Utilities Co and San Angelo Telephone company to have resident managers assigned to Robert Lee. Since our city has grown materially the past two years and a much greater expansion is expected it is believed the electric and telephone companies will comply with the request.

Importance of the annual school census now under way was brought to attention of BCD members. It was pointed out that a proper enumeration was not made a year ago and as a result Robert Lee did not qualify for a 12th teacher until the matter had been remedied.

Judge Bob L. Davis agreed to contact Supt. M. G. Hannaford and offer any assistance that the civic organization could give. Several volunteered to donate time to help the with enumeration.

Willie Wallace was named chairman or a committee to reset and paint the highway signs which were erected a year ago.

Simpsons Again Add To Registered Angus Herd

Marvin Simpson braved last week's blizzard to attend the annual Harper County Aberdeen-Angus Sale, Buffalo, Okla. He bought three bulls, including Pride of Black Peer from the famous Sunbeam strain, and 11 females, nine of which have Sunbeam breeding. Among these females was Princess of Lowlands, the highest priced animal at the sale and a daughter of Prince Sunbeam 25th. The Simpsons now have a registered herd of 42 head of highly bred Angus. They have named their business the Black Gold Angus Farms.

Marvin was accompanied to Buffalo by his sons, Marvin, Jr. and William.

S. S. Class Party

The Friendly Workers Class of the Methodist church enjoyed a supper in their class room Monday night. St. Patrick decorations were used.

During the funfest following supper, three famous Irish people kissed the Blarney Stone. There was a St. Patrick and Emerald Isle quiz. Then the group sang Irish Scotch songs and favorite hymns, accompanied by Mrs. Morris Varnadore at the piano.

Those present were Messrs. and Mmes. W. T. Roach, Marvin Simpson, Frank Smith, McNeil Wylie, also Mesdames Marcus Turner, J. C. Strickland, Hugh Lewis Jr., Raymond McCutchen and Morris Varadore, and Miss Martha Smith. Mrs. W. B. Cliff, teacher of the class, was unable to attend because of illness.

Card of Thanks

We wish to take this means of thanking each and all of our friends for their kind words and tokens of sympathy in the death and loss of our father.—The Chumley Brothers and Sisters.

Back From the Navy

Carl Blair, 19 year old son of Jim Blair, arrived home last week after completing a two year enlistment in the Navy. He received his discharge at Charlestown, Rhode Island, and will have two months terminal leave with pay before his discharge becomes final. Carl was a member of the crew of the Philippine Sea which went with the Byrd expedition to the South Pole a year ago. Carl is glad to be back home and plans to engage in work with his father.

Cartledge Lots To Go on Sale

L. W. Yeager announces he has signed a contract with Mrs. N. I. Cartledge of Austin to act as agent for the sale of her real estate holdings in Robert Lee.

She owns about 100 acres within the city limits, including 419 lots, 4 blocks and 14 acres unplatted. In many locations her holdings include every other lot in a block. None of the property is improved.

Mrs. Cartledge is a member of the Harris family and was deeded the Robert Lee property soon after the town was laid out. She and her husband moved to Austin more than 50 years ago. She is now 86 years of age.

Yeager plans to open an office here in the near future. He says every lot has been priced at a reasonable figure and every piece of property will be offered for sale.

School on Saturdays

Supt. M. G. Hannaford announced this week that the Robert Lee schools will hold classes on three Saturdays of next month to make up for days lost because of bad weather. The dates are April 3, 17 and 24. This will enable the term to be closed May 28. The State Department of Education requires accredited schools to hold classes 175 days during the year.

Annual Co-op Meeting

Annual meeting of stockholders and directors of the Coke County Co-operative Association will be held Saturday, March 20, at 2 p. m. in Robert Lee.—Frank McCabe, President.

Political Announcements

The Robert Lee Observer is authorized to announce the candidacy of the following persons, subject to the 1948 Democratic primaries:

For Congress, 21st District:

O. C. FISHER

(Re-election)

HOWELL E. COBB

For County Judge and School Supt.:

BOB L. DAVIS

(Re-election)

JEFF DEAN

For County Treasurer:

RUBY L. PETTIT

(Re-election)

For District and County Clerk:

WILLIS SMITH

(Re-election)

For Sheriff, Tax Collector and Assessor:

PAUL GOOD

(Re-election)

For Commissioner, Precinct No. 1

H. C. VARNADORE

(Re-election)

J. C. STRICKLAND

J. W. SERVICE

For Commissioner, Precinct No. 2

OTIS SMITH

(Re-election)

For Commissioner, Precinct No. 3

T. R. HARMON

(Re-election)

A. B. SHEPPARD

RALPH GARVIN

W. M. Summers, 78, Dies After Long Illness

Death came Saturday, March 13, to W. M. Summers, 78, following a long period of illness. He had been bedfast the past six months. His passing occurred at 8:45 p. m. at his home in Robert Lee.

Funeral services were held from the Robert Lee Baptist church Monday afternoon in charge of Elder Jake Richardson, assisted by Rev. Fred Blake and Elder Bodine. Interment was in the Robert Lee cemetery.

William Monroe Summers was born in East Texas near Denton on Dec. 2, 1871. He came with his parents to Shep, in northwestern Taylor and grew to manhood in that community. He moved to Coke county in 1926 and was married to his brother's widow, Mrs. Mary Alice Summers of Robert Lee on Aug. 29, 1929. They resided on a farm near Edith but he was forced to give up farming because of failing health and the family moved to Robert Lee in January, 1933.

He was a member of the Primitive Baptist church and belonged to the Odd Fellows when the lodge was active at Edith.

Surviving are his widow and four step-children, Mrs. A. E. Latham and Aaron Summers of Robert Lee, Mrs. E. L. Kuykendall of Big Lake and Mrs. Ruby Wright of Colorado City. He also leaves a sister, Mrs. Meda Meek, of Fairview.

CARD OF THANKS

We wish to express our thanks and appreciation to our friends and neighbors for their many acts of kindness and sympathy during the illness and death of our loved one, Mrs. W. M. Summers and Children.

Leave for Washington, D. C.

Messrs. L. T. Youngblood, G. C. Allen and H. C. Wendland left Monday for Washington, D. C., where they were scheduled to appear before a Senate Appropriations committee Thursday. As officers of the Upper Colorado River Authority they will seek additional funds for the Concho dam now under way at San Angelo. The San Angelo BCD appropriated \$500 for the trip's expenses. They made the trip from Dallas by rail.

Won't Force Schools Into a Consolidation

The county school trustees were in session here Monday afternoon, with W. M. Millican acting as chairman in the absence of S. E. Adams. Other trustees present included Frank Keeney of Bronte and J. T. Harrel of Tennyson.

L. B. Martin and Sam Duncan were appointed to fill vacancies on the board in Green Mountain district.

Considerable discussion took place relative to consolidation of districts in the west half of the county, following elections in which a Sanco-Robert Lee vote resulted in a tie, and the Silver-Sanco election failed to carry.

Result was a resolution passed by the county trustees asking the districts of Wildcat, Green Mountain, Sanco and Silver to submit the question of consolidation with Robert Lee to their citizens, thus allowing the voters to express their wishes in the matter. Each district's vote would be counted separately and the Robert Lee vote would merely serve as a gesture of welcoming the districts in the consolidation move.

Judge Bob L. Davis, secretary of the board, was instructed to communicate the above information to the various districts and prepare petitions asking for consolidation elections. It was the sentiment of the board that better educational facilities would result through a consolidation of the districts, but it is going to be up to the people to decide the matter.

Billie Landers, student at Hardin-Simmons university in Abilene, was a weekend guest in the parental J. B. Robertson home.

School Census Important

The annual school census is now being taken, and the public should understand the importance of enumerating all children of school age since the state appropriation allows \$55 for each pupil. Supt. M. G. Hannaford is in charge of the enumeration for the Robert Lee district and his report must be completed by April 1. Hannaford advises parents with children reaching their 6th birthday before Sept. 1 to report the names to his office or Mrs. Sam Powell, primary teacher.

Absent Voters Ballots

Willis Smith, county clerk, announces that absentee ballots are now available for persons who cannot get to the polls for the special hospital election Saturday, March 27.

Mrs. C. W. McCutchen was taken to Shannon hospital on Tuesday for observation and treatment.

Oil Test Slated For Jack Lassiter

Another wildcat test has been announced for northern Coke county, to be known as No. 1 Jack Lassiter. Lease of a block of 1141 acres is owned by Alan Guberson, independent oil man of Dallas.

The block includes 685 acres owned by Jack and Laverda Lassiter, 304 acres owned by Bryan Gartman and a 152 acre tract of which Marvin Simpson is the owner. The Lassiter property includes three quarters of Section 319, a quarter of Section 308 and 52 acres in the corner of 318. Gartman's property lies in Section 308 and the Simpson tract is described as the NE quarter of 319.

Location of the test is on Lassiter property in the SW 40 acres of the SE quarter of 308, block 1-A H&TC Survey, and is close enough to the boundary so that both Simpson and Gartman will get forced offsets if oil is produced. It is two miles south and a half mile west of No. 1 Arledge, a discovery producer brought in by Sun early this year.

The lease provides for a one-eighth override with no bonus, and drilling operations must start within 30 days. Contract calls for exploration of the Ellenburger if necessary. Otherwise it is a straight 10-year lease.

Billie Sue Brown to Wed

Mr. and Mrs. John H. Brown announce the approaching marriage of their daughter, Billie Sue, to Mr. Nathan Douthit of Lubbock. The wedding will take place at the Robert Lee Methodist church at 3 p. m. on Sunday, March 21.

Mr. and Mrs. Delbert Harmon and little son spent part of the day Sunday in the parental G. A. Harmon and Cobb homes. They were returning from Mineral Wells with a load of rock, and Delbert is also looking for some rock masons to help with the new home he is building at Hobbs, N. Mex.

Mr. and Mrs. Garland Green are the happy parents of a son, George Garland, born March 12 at Hendricks hospital in Abilene. The baby weighed 6 lbs and 4 ounces. This is their first child. Garland, son of Mrs. Ethel Green of Robert Lee, is an upper classman at McMurry college in Abilene.

Ray-Harris Moves Another Rig Here

Ray-Harris Drilling company of Dallas moved its second rotary rig into Coke county the past week and set up on No. 9 Homer Jameson in Sun's Jameson field near Silver. Drilling started at 10 p. m. Tuesday and a dept of 807 feet was reported Thursday morning. Location is a west offset of Fred Jameson No. 4 and an east offset of Homer's No. 3.

The second Ray-Harris rig was released from No. 1 Hale in Martin county where they drilled a 9,082 wildcat test for Sun without results. The equipment bought new a year ago was previously on locations at Seminole and Hobbs, N. Mex. Lowell Grush has been handling tools and his drillers include H. F. Lawrence, Gene Grimes and Walter Jones.

No. 8 Homer Jameson, a new location south of the Sun camp, is waiting on a Robert & Hawkins rig to be moved in.

No. 3 Mathers took core to a depth of 6,396 feet. A Schlumberger survey was being made before completing.

No. 6 Fred Jameson was flowing 75 per cent oil and 25 per cent water, and operators planned to continue swabbing.

No. 6 Homer Jameson was coring at 6,693 feet and will be continued to the Ellenburger.

No. 1 Central National Bank, south of the Colorado River, took a 5-foot core to 6,600 feet in hard limestone, with no oil showing.

No. 2 Arledge was coring at 6,762 feet with no shows. It is headed for the Ellenburger.

No. 1 Ellwood, Sun's wildcat test on the Spade ranch in Mitchell county, spudded Wednesday night. Marris-Hamilton moved in a new rig for the test.

South of Robert Lee

Seaboard-Southern Minerals wildcat on the Reed location, 10 miles southeast of Robert Lee, set surface pipe the last of the week and resumed drilling Wednesday.

Shamrock's wildcat on the H. G. Wendland ranch was rigging up and should spud in by the end of the week.

Opens Jewelry Store

H. A. Berry of Colorado City is preparing to open a jewelry store and watch repair shop in Robert Lee next week. He has leased the building just north of the theatre and will have living quarters in the rear. Mr. Berry served in the Air Corps during the war. He learned watch repair work at Wichita Falls and has been employed at Odessa the past year. Mr. and Mrs. Berry have three small children.

Legion Party Enjoyed

The 30th anniversary of the American Legion was observed with a party Tuesday night at the Legion home. Decorations of red, white and blue streamers were used and the table was centered with a large cake and bouquets of carnations and gladioli. Mrs. J. C. Strickland, Auxiliary president, and E. C. Davis, Legion post commander, welcomed the guests. An excellent covered dish supper was enjoyed followed with a program of games and entertainment. Sixty-one persons were present.

Lloyd Counts submitted to an appendectomy Monday at the Winters hospital.

Dale Garner, freshman student at Sul Ross college, spent the weekend with his parents, Mr. and Mrs. Robert H. Garner, at Silver. Dale made a fine record in college football last autumn and is now working out for track and field events.

Mrs. Lucy Fenwick returned Saturday to her home in El Paso after a few days' visit here with her parents, Rev. and Mrs. J. H. Estes. She has a good position with the El Paso credit bureau.

Mr. and Mrs. Wayne McCabe are the parents of a daughter, Fredda Jane, born at 11 a. m. March 13, at Shannon hospital in San Angelo. The baby weighed 6 pounds 4 1/2 ounces. The McCabes have a six year old daughter, Charlotte.

Maxwell House is specially blended to suit the Southern tea lover. Fragrant, hearty, true tea flavor in a blend of choice Ceylon and India teas. Mellow, delicious! Ask your grocer for Maxwell House Tea today.

MAXWELL HOUSE TEA

A Product of General Foods

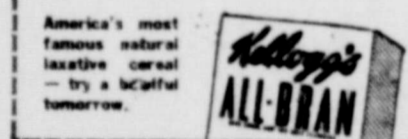

Bran Muffins with the Marmalade Baked in

Easy! Try 'em for Sunday "Brunch"

- 2 tablespoons shortening
- 1/2 cup sugar
- 1 egg
- 1 cup Kellogg's All-Bran
- 1/2 cup milk
- 1 cup sifted flour
- 2 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/2 cup orange marmalade

Cream shortening and sugar thoroughly. Add egg and beat well. Stir in All-Bran and milk. Let soak until most of moisture is taken up. Sift flour with baking powder and salt. Add to first mixture and stir only until combined. Fill greased muffin pans one-half full. Press tablespoonful of marmalade into top of each muffin. Bake in moderately hot oven (400° F.) about 30 minutes. Makes 9 muffins, 2 1/4 inches in diameter, or 12 small muffins.

Finland Fears Reds Seek Control As Stalin Calls for "Defense Pact"; Vandenberg Urges Speed on ERP

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

WHO'S NEXT? Finland

Finland seemed to be resigned, saturated with the apathy that sometimes precedes extinction.

It was a state of mind that had grown out of a reported request by Josef Stalin of Russia that Finland join up with the chain of Soviet defense pacts that now stretches across Europe.

To the Finns that request was nothing less than a prelude to the same kind of political control Russia had just imposed on Czechoslovakia. They feared their parliamentary freedoms would go by the boards in such a turn of events. But after losing two wars with Russia in less than 10 years, the Finns were able to do little except resign themselves to the Soviet pattern of conquest.

Finland's President Juho Paasikivi was said to be in favor of signing a Finnish-Russian friendship treaty as suggested by Stalin.

His viewpoint, distinguished by realism if nothing else, was this: To turn down the Soviet bid would aggravate Russian-Finnish relations to a dangerous degree. To accept it could mean Finland might get as favorable conditions as possible toward keeping national independence.

At the same time there was concern whether Stalin's request was dictated exclusively by the wish to safeguard Soviet territory, particularly Leningrad, or whether he had something else up his sleeve. So far there were no actual demands of any kind, such as that the Red army be allowed to occupy Finland in the case of war or the threat of war.

On the global scale it seemed apparent that Moscow's overtures to Finland, coming as they did after the seizure of Czechoslovakia, were another part of the Soviet retaliation to the U. S.-sponsored Marshall plan in Europe. The Russians were drawing up the final lines for the conflict and at the same time consolidating their position in eastern Europe.

MARSHALL PLAN: The Beacon

"This act may well become a welcome beacon in the world's dark night. But if that beacon is to be lighted at all, it had better be lighted before it is too late."

With that exhortation and many other clamoring brass alarms did Sen. Arthur Vandenberg (Rep., Mich.) attempt to spur the senate into swift action on the Marshall plan as it opened debate on the 5.3-billion-dollar program to defeat communism in Europe.

The chairman of the senate foreign relations committee, one of the strongest backers of the Marshall plan, urged the senators to "light the beacon" of economic aid to Europe before "aggressive communism" begins knocking on the door of the New World.

"Help stop World War III before it starts," was the burden of Vandenberg's message.

Denouncing "treacherous Moscow propaganda that has 'charged us with iniquitous American imperialism,'" he emphasized that the 16 western European nations must be saved from economic chaos.

"This vast friendly segment of the earth must not collapse. The iron curtain must not come to the rims of the Atlantic by aggression or default."

But despite Vandenberg's hortatory prospects of swift, full passage of the Marshall plan were by no means bright and shining. In this election year congressmen were being doggedly and ostentatiously conscious of how they spent taxpayers' and voters' money.

The house, meantime, was working on another version of a world aid plan, with the foreign affairs committee deciding to wrap foreign aid for Europe, China, Greece and Turkey into "a single package."

PROBE: Atomic

All of a sudden there was a new atomic security investigation under way to stimulate the jaded interest of the American public.

In the limelight this time was Dr. Edward U. Condon, atomic scientist and head of the government's bureau of standards.

Describing Condon as "one of the weakest links in our atomic security," a house un-American activities subcommittee reported in good faith that he "knowingly or unknowingly entertained and associated" with alleged Russian spies.

To the charge that he was a "weakest link" Condon retorted: "This is gratifying information because I'm absolutely reliable and therefore we have

Aggression Charted

These are the battle lines for the "cold war" in which the two opposing forces are democracy and communism. The battlefield is Europe, map of which conveys that "this is where we came in" feeling. It is reminiscent of the Hitler drive to the East, except for the fact that this time it is a Russian expansion westward that is changing the color of the map.

nothing to worry about. The country can relax."

And as far as consorting with Communist spies was concerned—"That's just too vague to talk about. I certainly didn't do it knowingly," he commented.

Nevertheless, two congressional committees leaped into action. Rep. J. Parnell Thomas (Rep., N. J.), under treatment in Walter Reed hospital for a stomach ailment, said he might call a bedside meeting of his full un-American activities committee in order to send the subcommittee report formally to President Truman.

And Sen. Bourke B. Hickenlooper (Rep., Iowa) called a session of the senate-house atomic energy committee to study the house group's report.

The report itself was a package of straight-from-the-shoulder charges. It pointed out, among other things, that Condon had been appointed head of the bureau of standards in 1945 on the recommendation of Henry Wallace, then commerce secretary.

Discussing Communists, it said: "In this country they haven't gotten as far as they did in Czechoslovakia, but they got pretty far, because they got a man as vice-president of the U. S. and he is now their candidate for president, and he is the same man who recommended Dr. Condon as director of the bureau of standards."

Thus was the stage set for at least two more spine-tingling investigations.

PROFITABLE: Steel

In response to a request by President Truman for a full investigation of steel price increases, federal trade commission and commerce department economists turned up with a story that was not destined to do the steel industry any good in the eyes of the price-whipped American public.

According to data assembled so far, the industry has been piling up profits at a rate unequalled in recent years and, in some cases, is running up net earnings almost double those of 1946.

The appraisal indicated that U. S. Steel, giant of the industry, was leading all companies with a net profit in 1947 of 126.7 million dollars—highest since 1929. Bethlehem Steel pushed up its net profit last year to 51 million dollars, about 10 million more than the previous year.

Other leading concerns either have doubled or more than doubled their 1946 profits.

Stimulus which got the steel profits investigation going was the recent \$5-a-ton increase in the price of semi-finished steel—actually the fifth in a series of price boosts. During the first seven weeks of 1948, steel companies have jumped the price of pipe, nails, wire and structural construction steel.

Economists tended to view the steel price hike with alarm because they feared it would offset completely any beneficial deflationary trend which the commodity market drop might have set in motion.

HOMELESS: DP Bill

Possibly in response to the growing humanitarian sentiment in the U. S. that something be done to relieve the plight of Europe's displaced persons, the senate judiciary committee approved a bill that would admit 100,000 DPs to the United States in the next two years.

The measure, now scheduled to be reported out to the senate for action, provides that homeless Europeans who are living in DP camps two and a half years after the end of the war will be admitted at the rate of 50,000 a year beginning next July 1 and ending June 30, 1950.

THE BIBLE SPEAKS
International Uniform Sunday School Lessons
By LOUIE D. NEWTON, D. D.

SCRIPTURE: Mark 4:26-29; Luke 4:16-22a; 17:20-21; Romans 14:17.
DEVOTIONAL READING: Isaiah 60:1-3, 10-14.

The Kingdom of God

Lesson for March 21, 1948

JESUS went back to his boyhood home in Nazareth, and on the Sabbath he went into the synagogue, "as was his custom."

Dr. Newton

They gave him the Book of Isaiah, from which he read a passage in the 61st chapter, adding, "This day is this Scripture fulfilled in your ears," Luke 4:21.

Jesus had come to let people know about God—to reveal the Father's perfect love for all men. He loved the Bible, and was constantly reading it, which in his day was the Old Testament only. And he loved the Sabbath day, which we now call the Lord's day. Beginning with his resurrection, the first day of the week has been observed as the Lord's day. And Jesus loved the appointed places of worship, and was always found in some synagogue on the Sabbath.

WHAT HE CAME TO DO
JESUS, I repeat, came to reveal God to men, which is but another way of saying that he came to teach men about the Kingdom of God. Here we shall need to read Mark 4:26-29, and Romans 14:17.

"The Kingdom of God is as if a man should cast seed into the ground," said Jesus; and Paul, in Romans 14:17, says, "The Kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Spirit."

Jesus, then, came to establish a kingdom within the hearts of men. It means the rule of God in human hearts. What he wills, we gladly do. It manifests itself in the daily life of the individual, in the home, in the school, in the church—everywhere. "THY KINGDOM COME"

SO VITAL is this truth for the Christian that Jesus, in the pattern prayer, teaches us to say, "Thy Kingdom come. Thy will be done on earth as in heaven."

If we live in the atmosphere of this prayer, we shall embody daily the fruits of the coming Kingdom of God. If we really "seek first the Kingdom of God, and his righteousness," we lift the level of life wherever we stand and serve.

We help to answer the prayer, "Thy Kingdom come," when we do with all our might what our hands find to do—in the home, in the community, in the church.

IT IS not enough to consider this truth in terms of some far-off dramatic event. It is a present force and factor in today's world.

One day the Pharisees asked Jesus when the Kingdom of God should come. He told them that it would not come with observation—that it is within the hearts of men.

What did he mean? I believe that he meant just this, that the Kingdom of God will and must manifest itself in the common affairs of everyday life. We may hinder its manifestation; we may retard its coming. On the other hand, we may make it manifest and hasten its spread to earth's remotest bounds.

How? By yielding ourselves to the rule and reign of God in every relationship of life. In race relations, in social service, in relief to the afflicted, in united effort for peace, in better housing, in better recreational facilities, in educational opportunities for all. The Kingdom of God is not an impractical theory, but a working principle, even as the leaven works in the loaf.

WHEN WILL IT COME?
THE Kingdom of God will come when redeemed hearts everywhere enthrone God in their whole attitude and purpose. Then, and not until then.

Will it come? This is a stubborn question. From our viewpoint, it may seem doubtful; but Jesus declares that it will come. "I have overcome the world," he declares.

The one question for you and for me, What part shall I have in the coming of the Kingdom of God upon the earth? We each decide by our willingness or unwillingness to follow him.

Folks You Know

Mrs. Homer Garvin was returned home last Friday from a stay in the Bronte hospital. She is reported doing as well as can be expected due to her condition. Her husband has remained at her bedside the past month.

The Baptist Young Peoples Union enjoyed a party Tuesday night at the high school gym. Sponsors were Homer Ivey and wife, Mrs. Melvin Childress and Jim Reid. Party games were played and sandwiches, coffee and cake were served to a group of 25.

County Judge Bob L. Davis was in Lubbock Wednesday where he received a physical examination at the veterans hospital.

The Floyd Smith family were recipients of many household articles, clothing, food and \$131 in cash at the shower sponsored by the Legion Auxiliary Saturday. The Smith's home was destroyed by fire last week. They have moved in an army building which will be remodeled into a dwelling house.

Robert Gaines, who has been employed by an oil company in Old Mexico, arrived home Monday for a visit with his parents, Mr. and Mrs. R. Gaines.

A. N. McIntyre and family returned to Robert Lee last Thursday after an absence of several weeks while the former was recovering from an appendectomy.

Jamie Bilbo, who is a student at Sul Ross college in Alpine, came home for a weekend visit with her parents, Mr. and Mrs. A. J. Bilbo. On Friday Jamie entertained her college friends, Jerry Blaylock, Norma Smith and Alma Batson.

Mr. and Mrs. Ralph Garvin of near Edith spent the weekend at Lubbock visiting their daughter, Mrs. Mitchell Lee, and family. They were happy to make the acquaintance of a new granddaughter born in February.

Sure an' it's the date ...

... when you put a shamrock in the hat for good luck! But with your engine, don't put your trust in luck ... drain out that mucky old winter oil ... put in Conoco Nth ... the patented Motor Oil that OIL-PLATES as it lubricates!

You see, Nth Motor Oil contains a special added ingredient that is attracted magnet-like to metal surfaces. This extra film of lubricant fastens itself so closely to working parts and cylinder walls that

they are *actually* OIL-PLATED!

And because this extra OIL-PLATING resists gravity, won't all drain down, even overnight, you're *extra-protected*: From metal-eating combustion acids when you're standing still ... from "dry-friction" when you first start up ... from sludge and carbon caused by excessive wear when you're running hot!

So, for *extra-cool*, *extra-powerful*, *extra* low-cost miles, today's the date ...

... to Oil-Plate!

Proper Treatment Will Halt Termites Tests Show Need for Protecting All Lumber

A visit to tropical Barro Colorado island in the Panama canal zone 21 years after a termite test building was erected to test effectiveness of coal-tar creosote and zinc chloride in protection of wood against ter-

Panama test house. This photo shows that treated wood had not been attacked by termites.

mites has shown that despite this "termite heaven," inhabited by some 45 different kinds, termites can be defeated by proper wood treatment.

This will be good news to farmers and home owners who see their wood foundations, walls and floors fall away before the onslaughts of the wood destroying "disease."

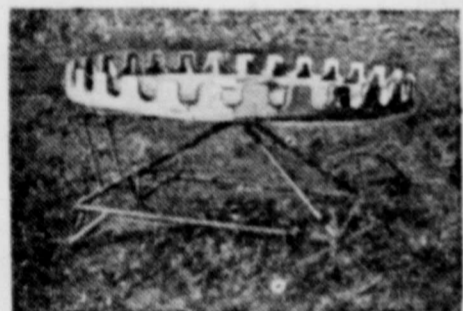

After 21 years the impregnated wood was sound, but a cot of untreated wood left in the house was riddled by termites.

This would seem to indicate that in building a house or farm building, all lumber, including the shingles, should be treated as well as the fence posts. It was found that when the termites found no edible wood, that is untreated wood, that they soon moved to new territory.

Tests have shown that soil-poisoning, although beneficial, is less permanent and should be resorted to only where structural control methods are impractical, or in addition to them.

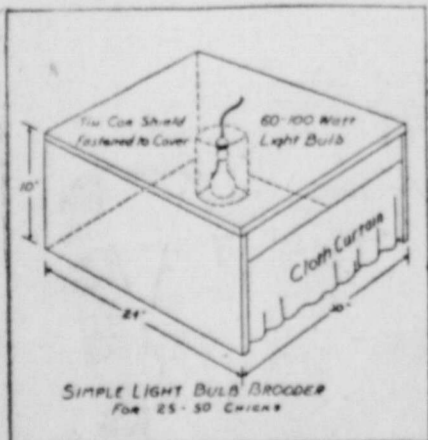

Another aid is to discourage termite activity by adequate drainage, ample ventilation and removal of wood debris.

Bunching Vegetables

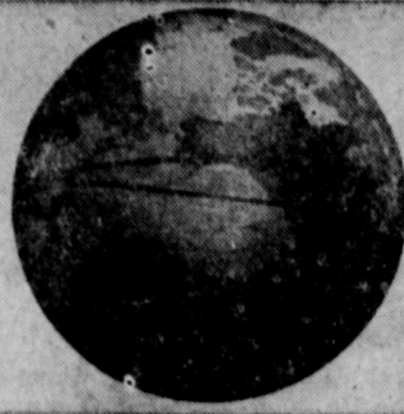

Bunching vegetables for retail sales takes a lot of work when the produce must be taken to a packing shed. The tying wheel designed by Alfred F. Foote can be taken into the field and moved from place to place. The notched rim of the wooden top holds a standard bunch of broccoli while it is being tied. The pipe frame is welded to the wheel spindles, and the whole machine can be handled like a wheelbarrow.

Light Bulb Brooder

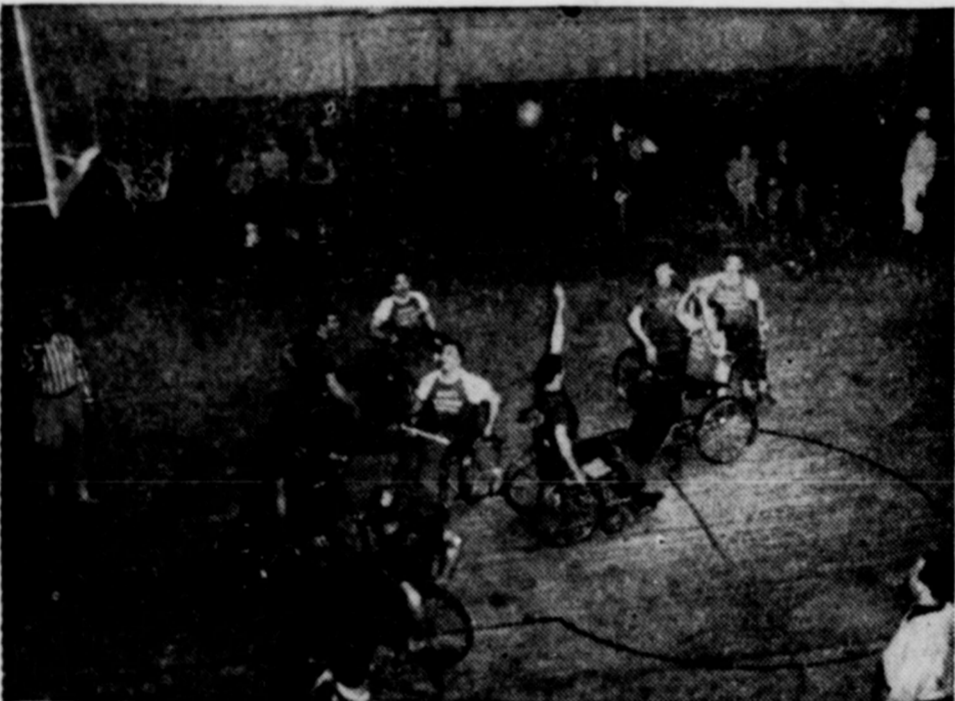

It is possible to construct an electric brooder for baby chicks at little cost. Box lumber, wall-board or similar material may be used. The globe is protected by a tin can. For the curtains, burlap may be used. The burlap or cloth should be cut three or four inches high about every two inches.

CAMERA SHOTS

CAMPAGNING FOR HENRY . . . Henry Wallace might not be the next U. S. president, but you can't convince his backers of that. Here, getting together for a conference in the newly opened New York headquarters of the Wallace-for-President movement are (left to right) campaigners Jo Davidson, famed sculptor; Rexford G. Tugwell; Sen. Glen H. Taylor (Dem., Ida.), prospective running mate for Wallace, and C. B. Baldwin, campaign manager.

CAPACITY TO BOUNCE BACK . . . This is a scene of courage. A visiting basketball team of paralyzed veterans from the West coast beat another team from the Bronx Kingsbridge hospital by a 29-22 score. All the players competed from wheel-chairs and put out a brand of good, hard basketball throughout the game.

BOTTOM RUNG REVISITED . . . Fifty-four years ago a youngster with nothing but a little hope and the ability to play a lot of baseball boarded a train caboose at Pittsburgh and bummed a ride to Steubenville, Ohio, to seek his fortune on the diamond. He was Honus Wagner, now 74 years old, who became one of the all-time baseball greats. Here, on his 74th birthday, he re-enacts the caboose incident.

BOSS SHE-NAZI . . . Although presumed dead long ago, Frau Gertrude Scholtz-Klink, head of the women's branch of the Nazi party in Germany, turned out to be very much alive. She was seized by U. S. agents in French zone of Germany.

AMBITIOUS . . . Because Dennis Corbett, three, of Evansville, Ind., wants to be a lawyer, despite the fact that he was born without arms and legs, friends have formed the "Underprivileged Service, Inc." to see that he gets an education, as well as physical aids.

BOMB HEAD . . . Col. Kenneth D. Nichols has been appointed to succeed Maj. Gen. Leslie R. Groves as chief of the armed forces special weapons project which developed the atomic bomb.

PINHEAD . . . Marshall T. Newman, associate curator of physical anthropology at Smithsonian institute, measures skull of an original "pinhead," a prehistoric Indian infant whose head was deliberately deformed.

Vote FOR The COKE COUNTY HOSPITAL

THE NEED IS URGENT

Everyone agrees that Coke county, especially the west half, is urgently in need of medical and hospital facilities. Doctors are scarce, and in order to attract a good physician and surgeon here, he must be provided with a clinic and hospital building.

It has been a hardship and additional expense to be compelled to carry our sick folks off to other communities for medical treatment and hospital care. As one good citizen says, Coke county people have paid for two or three good sized hospitals in other localities.

And now the rapidly increasing oil development is bringing hundreds of oil field workers to the county. This is highly dangerous work and employers are anxious that proper medical facilities be provided for their men, and the oil interests are able and willing to help foot the bill.

HERE'S THE PLAN

A special election has been called for Saturday, March 27, 1948, when citizens will vote on the proposition authorizing the Commissioners Court of Coke County to issue time warrants to the amount of \$50,000.00 for the purpose of constructing and equipping a County Hospital. The warrants are to draw not to exceed 4 per cent interest and are to be retired in ten years.

The petition asking for the special election specified that the warrants were to be paid off from money in the Permanent Improvement Fund, since a 25c levy has been made for this fund year after year. On last year's county valuation of 5 million dollars, the fund would receive \$12,500. Surely that amount is not needed for court house and jail upkeep. Yet our assessed valuation is to be rapidly increased because of oil developments, probably up to 7 million or more this year and on to 10 or 12 million in the next three or four years.

Hence the committee feels that the Commissioners Court can retire the hospital warrants without any increase in the tax levy. Wouldn't you think so?

HOW ABOUT TAXES?

Someone has said recently that most everyone is in favor of a hospital in Robert Lee, but not everyone was willing to help pay for it.

It is the opinion of this committee that a county-wide plan is the most equitable method of financing a medical center and hospital, because the cost is distributed equally over all property and is not the burden of a few individuals.

Large oil interests will have huge taxing valuations and they want to be taxed their proportionate share. And then there is so much property in Coke county that is owned by non-residents. Some times it seems they do not always contribute their just share to community projects except what is assessed against them on the tax rolls. Coke county has 587,263 acres of land which is assessed at \$2,715,570. One county official said this week that 90 per cent of it was owned by non-residents.

WHAT WILL IT COST?

From the best information obtainable it appears that \$50,000 will build a nine or ten-bed hospital, including installation of necessary modern equipment.

The Commissioners Court have no intentions of operating the hospital, but will lease same to a competent physician and surgeon, and the rental thus obtained is expected to go a long way in paying for the property and its upkeep.

BRONTE HAS FINE HOSPITAL

Efforts to secure a County Hospital at Robert Lee are under no circumstances intended to injure the Hospital at Bronte. Everyone agrees that Mr. Rippetoe has a first-class institution in every way and that it is filling a great need in the community. Dr. John Harris, physician and surgeon at Bronte, is meeting with eminent success. Both the doctor and the Bronte hospital have made friends throughout the entire territory and their future success is assured.

However, because of the oil activity and a rapid increase in the county's population, it is apparent that additional hospital and medical facilities are absolutely necessary. Three new oil drilling crews moved into the county the past two weeks, and more are coming. How many? Our guess would likely be too conservative. Most of these men have families, and these mothers and children very often require medical attention.

Smith County Votes a Million

An Associated Press dispatch dated Feb. 1 from Tyler, Texas, said: "Unofficial returns Saturday night showed that Smith county voters favored issuing \$1,000,000 in bonds for constructing a county hospital. An almost complete count from the election showed 3,980 votes for, and 560 against the issue."

SPONSORS OF THIS ADV.

This Advertisement is sponsored by the County Hospital Publicity Committee of the Robert Lee Board of Community Development. An effort has been made to present the hospital proposition in an honest and understandable manner.

We feel that there has not been enough emphasis on the importance of increased medical and hospital facilities for the community. Health is just about the most important thing in this world, and it should have our first consideration.

SILVER NEWS

By Juanice Jameson

The ground hog in these parts must have had his home near one of those gas flares and on coming out rushed madly back into the ground. Hence the bad weather and if that be true I hope he only peeks out when that well is off production next time so he can't see his shadow.

If you've been to Silver lately and could see far enough (perhaps you had goggles to keep the sand out of your eyes) you'd see holes being dug all around those houses in the Sun Camp and trees being set out. The ones close by the houses are for shrubs. The camp is growing in beauty as well as size.

You'll find the Fred Ashers there who came from Odessa. Their oldest son J. B. graduated from Odessa High. Don and Dick attend Silver school. J. B. and wife live in Robert Lee. Mr. Asher is production foreman.

Mr. and Mrs. H. D. Smith from Brookhaven, Miss., have a son, Wayne, who is in the first grade. Mr. Smith is foreman in charge.

Mr. and Mrs. J. L. Legg have two children, Larry and Jamie Lou. They came from Livingston, Tex. Mr. Legg is drilling and production foreman.

Mr. and Mrs. J. W. Maxwell have two children, Linda age 2 1-2 and Michael age 7 months. They came from Kilgore. Mr. Maxwell is chief clerk at the Sun office.

Mr. and Mrs. Dub Turner have a son who is five weeks of age and is named Roger. He's a cute one too. Mr. Turner is Petroleum Engineer.

Mr. and Mrs. S. A. Coggin are from Brookhaven, Miss. Mr. Coggin is a geologist for Sun. That beautiful black Cocker Spaniel also belongs to the Coggins and her name is Missie.

Mrs. Coggins father, L. M. Prichard from Storkville, Miss. came down Monday and will visit for a few days. Mr. Prichard is county tax assessor there.

Visiting with the Coggins last Tuesday were Mesdames D. T. Whitton, Sam Bills, Murl Davis, and Bill Bivens from San Angelo.

Mrs. Fred Asher and sons visited Mrs. Potts in Odessa last week. Mrs. Asher and Mrs. Potts are sisters.

Mr. Asher was in Snyder Monday on business.

Hub Aston of Dallas, production foreman for Sun was in Silver Monday.

While drinking Cokes and hunting news in Tex's cafe, Tex said, "Looks like there'll be a dry hole round here." When ask why said on account of the sand storm.

Willie I. Tubb braved the sand and motored to Colorado City for ten sacks of cake. Cake shortage again. He reported work to be progressing on the highway to Colorado City. Caliche is being spread almost to the county line.

Mr. W. B. Baker of Dallas came in Monday. He is looking after his interests in the field. Leonard Tibbets is the tool pusher for Baker-Taylor drilling Co.

Baker-Taylor have leased an acre from the Allen Jameson lease on the old high way and are constructing a shop. A four room frame building will also be constructed and will be occupied by Fred Jones, mechanic.

Mrs. C. H. Garner from Vinson and Girene and Bobbie Adams visited the Skeet Browns Sunday. Mrs. Garner is Mrs. Browns mother and the girls, Mrs. Browns daughters. Also visiting the Browns were Mrs. Browns sister, Mrs. C. T. Jones and daughter, Jolene from Ira.

Visiting with the Gail Browns and other relatives was Mr. Browns sister, Mrs. Alice Goodwin from Denver, Colorado. She is also Mrs. C. N. Stubblefields sister and is visiting with her near Colorado City, this week.

Bill Preston is in the Shannon hospital at San Angelo. He will have a tonsilectomy Tuesday or Wednesday.

Mr. and Mrs. Russ Mathers and Mrs. Preston Mathers were in Colorado City Monday where the latter went for medical treatment. They also visited with Herbert Conner. His condition is still unimproved.

Mr. G. N. Gentry and Jerry Nick were weekend guests of the J. Jamesons who also had for Sunday guests, Mr. and Mrs. C. B. Underwood and children, Joe Ed, Sandra Sue and Jimmie Lou of Colorado City. The Underwoods were former teachers of the Silver school.

Word has come that a building has been purchased from Camp Bowie and will be moved in soon. This building will be used as class rooms for Silver school.

Mrs. Jimmie Kuhn and children are visiting her parents, the C. E. Mathers.

Mr. and Mrs. Wayne McCabe have a new baby girl, Fredda Jane, who came March 13. Mrs. McCabe is the former Delia Frank (Sitter) Jameson. Her parents, Mr. and Mrs. W. D. Jameson live at O'Donnell. Mr. J. F. McCabe, Sr. of Robert Lee is Wayne's father.

The W. O. W.'s are sponsoring a pie supper at Silver school house Friday night. Everyone is invited.

Card of Thanks

We desire to express our heartfelt thanks and deep appreciation to the friends and neighbors for their many acts of kindness and for the sympathy extended in our recent bereavement.—The Sam King Children.

Mrs. Ethel Green and son, J. D. and family, went to Abilene Saturday night to visit Garlan Greens and the new baby.

Mr. and Mrs. Victor Smith of Big Spring were weekend guests in the McNeil Wylie home. Mrs. Smith is a sister of Mrs. Wylie.

Soil Conservation District News

The Coke County Soil Conservation District was officially opened by the district board of supervisors at a regular monthly meeting in Robert Lee Saturday, March 13, R. B. Allen, chairman of the board, announced. Other members of the board are secretary, W. C. Shamblin; vice chairman, Clarence N. Webb; and members, Bryan Yarbrough and W. E. Burns.

The supervisors of the locally organized and administered land-owner movement completed their "program" for the district which sets forth the problems that effect a complete Soil Conservation Program; and their "Plan of Work" which outlines the needs of each type of soil within the district at a called session on January 8, 1948.

Following completion of the above named dockets, the board requested assistance from the U. S. Department of Agriculture in carrying out their program for the Soil Conservation District. Upon completion of their working agreement with all the agencies in the U. S. D. A., the district then requested assistance from the Soil Conservation Service of the U. S. D. A., to devote full time with the planning and applying of a complete program on each acre of the district as land,

owners and operators request such assistance from the District Board of Supervisors.

Allen V. Sheppard with the Soil Conservation Service has been named Work Unit Conservationist in charge of the local office to assist the district. Other staff members include Mrs. Dale Fields, clerk, and an engineer is yet to be assigned, the board announced.

District assistance will be made available to interested farmers and ranchers as they organize themselves into groups and request assistance, the board announced. This policy has been set because more farmers and ranchers can be assisted with complete planning, a better job can be done, and common problems of outside water, invasion of poisonous plants, and game management can be more adequately treated.

CARD OF THANKS

We are indeed grateful for the assistance given us following the fire which destroyed our home and belongings. We sincerely thank our friends and everyone who helped, especially the American Legion Auxiliary for the wonderful work they did. Your kindness has meant so much to us, and we want everyone to know it has been deeply appreciated.—The Floyd Smiths.

A favorite tonic, stomachic and appetizer for old and young. SINCE 1879

W. H. BULL'S HERBS and IRON

NATURE'S CHURCH . . . Towering, vivid-red limestone rocks silhouetted against a glorious sunrise sky of red, blue and gold create an awe-inspiring setting for the annual Easter sunrise service in Colorado's Garden of the Gods.

'NOW . . . THERE WAS A GARDEN' Easter Sunrise Service Set In Church Carved by Nature

WNU Features.

COLORADO SPRINGS, COLO.—Just as on the sunrise of the first Easter morn when a magnificent hope, confidence and faith dawned upon a discouraged group of men and women, so will some 30,000 worshippers gain renewed hope and courage from the 28th annual presentation of the Easter sunrise service in a church fashioned a million or more years ago by nature—the inspiring Garden of the Gods near Colorado Springs.

Here, in a setting of immeasurable beauty, amidst the towering limestone shafts of the cathedral spires looming to fantastic angles of more than 300 feet, with the brilliant red of the rocks bathed in a golden light of an early Colorado sunrise, and with majestic, snow-capped Pikes Peak serving as backdrop, the Rev. Thomas Dick Jr. will give the annual Easter message.

"The constellation of ideas gathered around the Easter faith is almost overpowering in its daring. . . Truth is stronger than falsehood; good conquers evil; love is stronger than hatred; human beings are of worth and dignity; God is an unfailing source of security; life is victor over death." These thoughts constitute the theme of Mr. Dick's sermon.

Acoustically, and to the eye, the church which nature carved out in the Garden of the Gods is more magnificent than any since erected by mortal man. The spectacle of 30,000 people, massed together in this natural, awe-inspiring setting, is a colorful, incredible sight, lending true religious significance to this Easter sunrise service deep in the heart of the Rocky mountains.

Founded 28 Years Ago.

The Colorado Springs Ministerial alliance, founder of the Garden of the Gods Easter service 28 years ago, again will sponsor the rites. The service will be carried to radio worshippers coast to coast over the Columbia network from 6:30 to 7 a. m., Mountain Standard Time, originating from Station KVOR of Colorado Springs.

As in previous years, the Garden of the Gods service will be predominantly musical. The Colorado Springs 300-voice a cappella choir will be featured. The choir, under direction of Frank Gilles, is nationally famous, having won first place in the National Choral society contest several times.

Traditional with the service for many years is tenor Bernard Vessey, who has been singing on the Easter sunrise services for more than a quarter century. Vessey came to Colorado Springs from the East for his health. His solo, "Open the Gates of the Temple" which he sings every year, is a favorite of thousands of music lovers. Mrs. Verda Lawrie, Colorado Springs, is organist.

The Garden of the Gods, spacious garden of overturned limestone rocks, was revered by Ute Indians as a holy place for their god Manitou long before the coming of the white man. The big rocks, according to the Indians, are barbaric hosts of giants which in prehistoric times threatened their domain. The Utes prayed to their god Manitou who lived at the top of Holy Mount (Pikes Peak) and who answered their prayers by causing the giants and the monstrous beasts accompanying them to turn to stone.

Geologically, the explanation is much simpler. In prehistoric times, the same earth-shaking movements that formed the Rocky mountains caused an upthrust of limestone which extends underground from Canada to Mexico. However, it is only in the Colorado Springs Garden of the Gods that this limestone segment upthrust shows predominantly above ground.

In 1921, the Rev. A. W. Luce of the First Christian church (now retired) was walking through the Garden of the Gods, his Bible in hand, trying to get an inspiration for his Easter sermon. Opening his Bible to the Book of John he read: "Now in the place where he was crucified there was a garden, there they laid Jesus." While reading this his eyes fell on three gigantic shafts of rock which closely resembled cathedral spires.

The inspiration came to him that here in the beauty, splendor and solitude of the Garden of the Gods was the ideal place to gather for worship and to observe the day in which Christ was resurrected.

This inspiration became a reality and the first Easter service was held with some 700 worshippers attending. The audience has been growing ever since, now estimated to be more than 30,000. In addition to the thousands who receive inspiration from actually attending the service, countless others are able to benefit spiritually from this Easter message by dialing the service on their radio. The noted Dr. S. Parkes Cadman once stated that unless a person were to go to Jerusalem where the first Easter actually occurred, he could find no more appropriate setting than the Garden of the Gods, with thousands of people massed together in the natural valley surrounded by towering peaks.

The Garden of the Gods was a part of public domain until 1879 when it was bought by Charles E. Perkins, an eastern railroad tycoon. He intended to build a home there, but, on more leisurely inspection, decided that no work of man should spoil the beauty of this natural garden.

Court Levies Fines On Instalments

DENVER, COLO.—Taking their cue from the dollar down and dollar a week book, Judges Hubert Henry and Frank Hickey have inaugurated an easy payment plan for fines assessed in municipal court.

The plan in one month brought in more than \$1,800 that otherwise might have been paid off in jail sentences.

The system works like any other credit plan. A man's financial status is investigated before credit is allowed. However, if an offender runs up his bill by coming back on a second offense before paying off the first fine, he automatically goes to jail.

One-Legged Vet Serves With Fire Department

WORCESTER, MASS.—Although he has only one leg, Frank A. Reno, 32, serves as a full-time member of the Worcester fire department. Reno, who is the father of two children, was appointed a fireman while serving with the army in France. He later lost his left leg but, after clearance by the civil service department, was given a job as operator of the fire alarm telegraph system.

No Hope
Bill—I hear you've got a new girl friend. Is she reserved?
Al—Yep! All for me.

Other Way Round
A city chap was crossing a pasture. "Say!" he called out to the farmer, "is that bull safe?"
Farmer—I'm not worried about the bull.

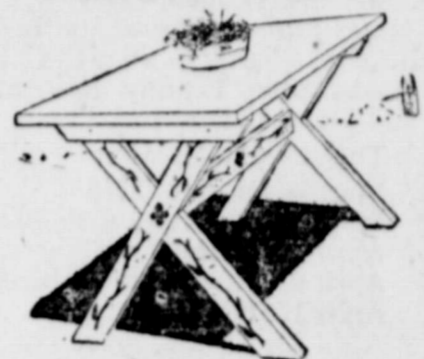

A bachelor is a man who has taken advantage of the fact that marriage is not compulsory.

Near Miss
Said He—Darling, you look beautiful in that dress.
Said She—Oh, it's just something I threw on.
Said He—Nearly missed, didn't you?

Take-Over
Freshman—Hey! You can't take that girl home. She's the reason I came to the party.
Senior—Sorry, son; you've lost your reason.

You Build It

Peasant Table From Pattern

DINE out on this gayly decorated, easy-to-build Peasant Table. Ideally suited for use on porch, lawn or dining room. Full size pattern simplifies making and decorating.

User merely traces pattern on lumber specified. Saws and assemblies exactly where pattern indicates. No special tools or skill required. A matching bench, suitable for use on lawn or porch, can be made from Pattern No. 57.

Send 25c for Peasant Table Pattern No. 17 to East-Bld Pattern Company, Department W, Pleasantville, New York.

YOUR DOCTOR KNOWS ABOUT SANO CIGARETTES

How to help your sick child GET WELL FASTER

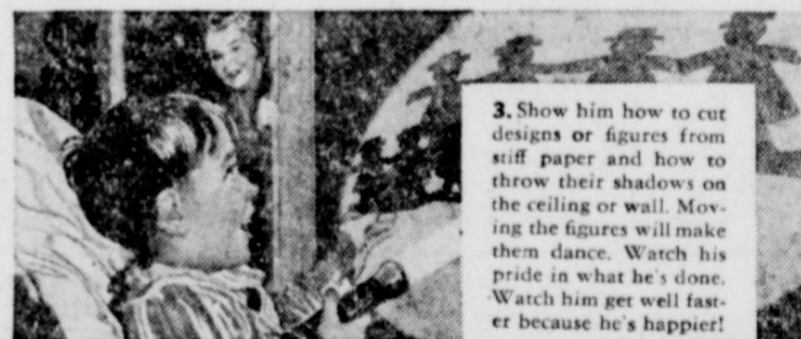

... as recommended in the interest of child welfare by ROSE G. ANDERSON, Ph.D. Director of The Psychological Service Center, New York

1. The after-effects of your child's illness are often more important than the illness itself. Pampering, catering to whims, oversolicitude teaches a child to dominate through weakness. Such well-meant kindness may prolong his convalescence.

2. You'll be smart to help him amuse himself. Give him something which doesn't require an adult's constant attention. Give him your "Eveready" flashlight... or get him one of his own. If he tires of flashing the beam, or flicking out imaginary signals, then...

3. Show him how to cut designs or figures from stiff paper and how to throw their shadows on the ceiling or wall. Moving the figures will make them dance. Watch his pride in what he's done. Watch him get well faster because he's happier!

Proof!... in the laboratory... in your own flashlight...

"EVEREADY" BATTERIES OUTLAST ALL OTHER BRANDS!

Brighter light, longer life! That's what you want in a flashlight battery—and that's what you get with "Eveready" brand batteries. Laboratory tests prove it. And the best "laboratory" of all—your own flashlight—proves it! That's why "Eveready" batteries outlast all other brands—because they outlast all other brands!

The registered trade-mark "Eveready" distinguishes products of NATIONAL CARBON COMPANY, INC. 30 East 42nd Street, New York 17, N. Y. Unit of Union Carbide and Carbon Corporation

*According to the "General Purpose 4-Dhm Intermittent Test" devised by the American Standards Association, which most closely approximates average

Steers Have Good Base Ball Talent

Robert Lee high school base ball players are hoping for warm weather in the immediate future, as they need some stiff practice sessions before opening the season at Bronte next Friday.

Supt. M. G. Hannaford is coaching the base ballers and reports a good sized squad has turned out. All of last year's first string are on hand except Bobbie Baker, who finished school at mid-year, and there are several promising rookies.

The squad is divided as follows: Catchers, Frankie Percifull, Maynard Read, John L. Bruton. Pitchers, Joe Thetford, Bobbie Gene Hood, Ronnie Baker.

Infielders, Buddy Havins, Raymond McGallian, Roy Tinkler, James Jackson, Royce Smith. Outfielders, Charles Fowler, L. C. Day, Bobby Seltz, Tommy Kirkpatrick and Donald Hamilton.

The schedule follows:

Mar. 19, Bronte there.
Mar. 26, Blackwell here.
April 2, Sterling City, there.
April 9, Water Valley, there.
April 16, Norton, here.
April 23, Bronte, here.
April 30, Blackwell, there.
May 7, Sterling City, here.
May 11, Water Valley, here.
May 14, Norton, there.

Mr. and Mrs. J. E. Garvin returned Wednesday to their ranch west of town for a few days stay. Mr. Garvin has been under a doctor's care in San Angelo the past two months and his condition is slowly improving. He has a heart ailment and dropsy.

ORDER FOR ELECTION

THE STATE OF TEXAS
COUNTY OF COKE

On this the 27 day of February, 1948, the Commissioners' Court of Coke county, Texas, convened in Special session at the regular meeting place thereof at the Courthouse in Robert Lee, Texas, with the following members of the court to-wit:

Bob L. Davis, county judge,
Henry Varnadore, commissioner of Precinct No. 1,

Otis Smith, commissioner of Precinct No. 2,

T. R. Harmon, commissioner of Precinct No. 3,

Ben Brooks, commissioner of Precinct No. 4,

Willis Smith, county clerk, being present and among other proceedings had by said Court was the following:

Whereas on the 24th day of February, 1948, the petition of Gerald Allen and 300 other persons asking that an election be ordered upon the question of issuing time warrants for the purpose of establishing and equipping a County Hospital;

Whereas this court deems it advisable to have said election to ascertain whether or not the resident property taxpaying qualified voters of Coke County, Texas, desire the establishment of a County Hospital;

Therefore, be it ordered by the Commissioners' Court of Coke County, Texas:

That an election be held in said County on the 27th day of March, 1948, at which election the following proposition shall be submitted to the resident qualified property taxpaying voters of said County for their action thereupon:

PROPOSITION

"Shall the Commissioners' Court of Coke County, Texas, issue time warrants of Coke county, Texas, to the amount of \$50,000.00, bearing interest at the rate not to exceed 4% per annum, and maturing at such time or times as may be most expedient by the Commissioners' Court, serially or otherwise, not to exceed ten years from their date, for the purpose of establishing and equipping a County Hospital and if there shall be annually levied and collected on all taxable property in said county for the current year and annually thereafter while said warrants or any of them are outstanding, a tax sufficient to pay the current interest on said warrants and to pay

the principal thereof as the same becomes due.

That said election shall be held at the following places in said county and the following named persons are hereby appointed officers for said election:

1. Election precinct No. 1 at court house in Robert Lee, Texas, with Roy Taylor as presiding judge, S. E. Adams as assistant judge.

2. Election precinct No. 2 at city hall in Bronte, Texas, with B. F. Bridges as presiding judge, D. K. Glenn as assistant judge.

3. Election precinct No. 3 at Baptist church building in Ft. Chadbourne, Texas, with Lum Laswell as presiding judge, Preston Davis as assistant judge.

4. Election precinct No. 4 at Tennyson school house in Tennyson, Texas, with T. F. Conger as presiding judge, C. N. Webb as assistant judge.

5. Election precinct No. 5 at Divide church, Robert Lee, Texas, with Fred McCabe as presiding judge, A. N. Counts as assistant judge.

7. Election precinct No. 7 at Sanco school house in Sanco, Texas, with Jack Lassiter as presiding judge, J. L. Carwile as assistant judge.

8. Election precinct No. 8 at Silver school house in Sanco, Texas, with R. B. Allen as Presiding judge, Allen Jameson as assistant judge.

9. Election precinct No. 9 at Green Mountain school in Edith, Texas, with L. W. Pruitt as presiding judge, T. A. Peays as assistant judge.

10. Election precinct No. 10 at Wildcat school house, Robert Lee, Texas, with M. D. Chumley as presiding judge, H. G. Smith as assistant judge.

11. Election precinct No. 11 at Olga school house with R. V. Copeland as presiding judge, W. F. Pinckard as assistant judge.

12. Election precinct No. 12 at C. G. Munn home in Walnut precinct, with C. G. Munn as presiding judge, Elton Mims as assistant judge.

13. Election precinct No. 13 at Lometa school house, Robert Lee, Texas, with J. C. Harwell as presiding judge, W. J. Martin as assistant judge.

14. Election precinct No. 14 at Hayrick church, Bronte, Texas, with J. W. Labensky as presiding judge, B. W. Waldrop as assistant judge.

15. Election precinct No. 15 at Juniper school house in Juniper, Texas, with Homer Cornelius as presiding judge, W. C. Duncan as assistant judge.

The ballots of said election shall have written or printed thereon the following:

"For the issuance of the warrants and the levying of the tax in payment thereof."

"Against the issuance of the warrants and the levying of the tax in payment thereof."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.

The manner of holding said election shall be governed, as near as may be, by the General Election Laws of this State, and none but resident qualified property taxpaying voters of said county who own taxable property in said county and who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this order in a newspaper of general circulation published in Coke county, Texas, on the same day in each of two successive weeks, the date of the first publication to be not less than fourteen days prior to the date set for said election, and in addition thereto, a copy of this order shall be posted in each of the election precincts for said election and also at the County Courthouse at least fifteen days prior to the date of said election.

The County Clerk is hereby authorized and directed to cause said notice to be published and posted as hereinabove directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this Court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the Court voted AYE: Henry Varnadore, Otis Smith, T. R. Harmon, Ben Brooks; and the following members voted NO: None.

Passed, approved and adopted this the 27th day of February, 1948.

Bob L. Davis, county judge.

Henry Varnadore, commissioner of precinct No. 1,

Otis Smith, commissioner of precinct No. 2,

T. R. Harmon, commissioner of precinct No. 3,

Ben Brooks, commissioner of precinct No. 4.

HOUSEHOLD MEMOS
by Lynn Chambers

Eggs a la Suisse Glamorizes an Old Standby (See Recipes Below)

Perk Up the Menu

The final days of Lent will test your ingenuity as a cook. Meet the challenge in high style by adding today's cookery tricks to your recipe collection. Retain them, too, for use when depleted meat supplies necessitate your substituting some other main dish for an appetizing menu.

We're glamorizing vegetables, doing new things with eggs, perking up the menu with cheese and trying some new seasoning treatments with fish.

This will be a good time to see just what you can do with foods you usually take for granted, and your results will be happy ones if you add a dash of imagination to old favorites.

Heed the cooking of both eggs and cheese. Be gentle with them both, as high heat toughens the protein of eggs and makes cheese stringy.

Chinese Omelet (Serves 6)

- 1/2 cup uncooked rice
- 4 tablespoons butter
- 4 tablespoons flour
- 2 cups milk
- 3 eggs, separated
- 1/4 teaspoon paprika
- 1 1/2 teaspoons salt
- 1/8 teaspoon dry mustard
- 4 tablespoons grated cheese

Cook rice until tender. Rinse with hot and cold water. Make a sauce by melting butter, adding flour and stirring in the milk slowly. Cook until thickened. Beat egg yolks, add rice, sauce, seasonings and cheese. Fold in stiffly beaten egg whites. Pour into a greased, shallow casserole. Bake in a moderate (350 degree) oven for 35 minutes.

Eggs a la Suisse (Serves 2)

- 4 eggs
- 1 tablespoon fat for frying
- 1/2 cup light cream
- 2 tablespoons cracker or bread crumbs
- Salt, pepper, cayenne
- Buttered toast

Melt fat in pan. Add cream and heat to bubbling. Slip in eggs, one at a time; cook gently. When whites are almost firm, sprinkle crumbs over top and continue cooking to desired doneness. Transfer eggs to toast. Pour the pan cream over all. Season with salt, pepper and cayenne.

Fried Rice with Mushrooms (Serves 4)

- 3 tablespoons oil or fat
- 1 teaspoon salt
- Dash of pepper
- 2 eggs
- 1/2 pound mushrooms
- 2 tablespoons minced onion
- 4 cups cold, cooked rice
- 2 tablespoons soy sauce
- 1/2 teaspoon sugar

Place oil or fat, salt, pepper and eggs into heavy skillet. Fry eggs until firm, then cut them in shreds. Slice and add mushrooms, then add onion and cook for five minutes, stirring constantly. Add rice and soy sauce mixed with sugar. Cook over a moderate flame, stirring occasionally until rice is hot. Serve immediately.

LYNN CHAMBERS' MENU

- Tomato Juice
- *Spaghetti Deluxe
- Buttered Green Beans
- Waldorf Salad
- Beverage French Bread
- Lemon Cream Pie
- *Recipe given.

Noodles Romanoff (Serves 4 to 6)

- 1 5- or 6-ounce package noodles
- 3 quarts boiling, salted water
- 1 cup cottage cheese
- 1 cup sour cream
- 1/4 cup chopped onion
- 1 to 2 teaspoon, Worcestershire sauce
- Dash of tobacco sauce
- 1/2 teaspoon salt

Cook noodles in boiling salted water until tender. Drain, then add remaining ingredients in order given. Place into a greased casserole, then sprinkle with 1/4 cup sharp grated cheese if desired. Bake 40 minutes in a moderate oven.

*Spaghetti Deluxe (Serves 8)

- 2 cups spaghetti
- 1 tablespoon butter
- 1 onion, finely chopped
- 1 green pepper, finely cut
- 1/4 cup stuffed olives, sliced
- 1/4 cup mushrooms
- 1 No. 1 can tomato soup
- 2 cups American cheese, grated

Cook spaghetti in boiling salted water until tender; drain. Melt butter in pan, add onion, pepper, olives, mushrooms and soup; heat. Add cheese and stir until melted. Pour over spaghetti. Bake in a buttered casserole in a moderate (350 degree) oven for 30 minutes.

If you want to serve vegetables as a main dinner dish, it would be a good idea to add a cream sauce, cheese or eggs to them in some form so there will be protein in the food. This trick also will make them more substantial and satisfying as a main course.

Cauliflower Souffle (Serves 6)

- 3 tablespoons butter
- 3 tablespoons flour
- 1 cup milk
- 1/2 teaspoon salt
- 3 egg yolks, beaten
- 1/2 cup American cheese, grated
- 1 cup cauliflower, cooked and coarsely chopped
- 3 egg whites

Make white sauce with butter, flour, milk and salt. Add egg yolks and cheese and stir until cheese is melted. Add cauliflower. Fold in beaten egg whites. Pour into buttered casserole. Sprinkle top with remaining cheese. Set in hot water. Bake in a moderate (350 degree) oven for 50 to 60 minutes.

Corn, Swiss Style (Serves 6)

- 2 cups kernel corn
- 2 tablespoons flour
- 1/4 teaspoon salt
- 1/4 teaspoon pepper
- 1/4 teaspoon celery salt
- 1/4 teaspoon onion, minced
- 1/2 cup milk
- 1/2 cup American cheese, grated

Combine all ingredients except cheese. Pour into buttered, shallow baking dish, sprinkling with the cheese. Bake in a moderate (350 degree) oven for 20 minutes.

Released by WNU Features.

Sewing Circle Patterns

Garvin Candidate For Commissioner Prec. 3

Another hat was tossed into the Coke county political ring this week with Ralph Garvin's announcement as a candidate for Commissioner from Precinct No. 3. T. R. Harmon, incumbent, is running for re-election, while A. B. Sheppard entered the race several weeks ago.

Mr. Garvin has been a resident of the county 14 years and resides in the Edith locality. He is a native of West Texas.

In addition to his farming and ranch operations, Mr. Garvin also engages in road construction work and has been connected with highway jobs all over the state. His experience in road construction should be a valuable asset among his other qualifications for commissioner.

Mr. Garvin believes county business should be handled as efficiently and economically as possible, the same as one operates his personal business affairs.

He feels that soil conservation practices should be encouraged, and when necessary county equipment should be made available at a reasonable cost to help maintain terraces and dams.

Mr. Garvin is personally acquainted with most folks in his precinct, and he plans to contact all the voters before election time. In the meantime he will appreciate your support and influence.

Marries in Germany

Mr. and Mrs. Martin Casey have received announcement of the marriage of their son, William, to Miss Marga Ueberle of Castle, Germany. The church wedding took place March 6, with the Military Police furnishing a guard of honor. William has been in the service five years and holds a Technical Sergeant rating. He became acquainted with his bride while on duty with the army of occupation. William expects to be returned to the States by April 1 and is hoping to bring his bride with him.

W. S. C. S. Circles Meet

Mrs. Otto Wojtek was hostess to W.S.C.S. Circle No. 2 Monday at the church. "The Prayers of Jesus and the Early Church" was taught by Mrs. McNeil Wylie.

Pie and cokes were served to the following: Mrs. O. B. Jacobs, Mrs. W. T. Roach, Mrs. Raymond McCutchen, Mrs. C. M. Cole, Mrs. Marvin Simpson and Mrs. Wylie.

This group will conclude its study of prayer next Monday when Mrs. McNeil Wylie is hostess at the church.

Mrs. Roy Taylor led the study Monday for Circle No. 1. Those present were: Mrs. J. H. Estes, Mrs. J. I. Murtishaw, Mrs. R. S. Crum, Mrs. F. C. Clark, Mrs. E. B. Creech, Mrs. W. H. Bell and Mrs. Taylor.

A little want ad will sell it.
