Board To Review Cotton Appeals

Coke county farmers, who are dissatisfied with their cotton acreage allotments, are urged to file an appeal at the county PMA office. This advice comes from the Cotton Allotment Protest Committee which was organized early this spring.

Appeals will be reviewed by a board made up of farmers from outside counties and the body will start its work here May 5. Although April 28 (today) has been set as a deadline for filing appeals, it is likely that two or three days of grace will be extended.

Indications are that some of the restrictions are coming off. If farmers can show acreages which entitle them to a greater allotment than they have been given, it is understood their claims will be allowed. Some proof of the claims will be required, however.

Acreages planted to cotton and war crops for the years 1946-47-48 taken as a basis in fixing allotments. A farmer is entitled to not less than 65% of the three year average, and cannot be cut to more than 45 per cent of his greatest acreage in any one of the three years.

Olen Cornelius, administrator of the PMA office here, says more than 100 appeals have already been filed.

P. M. Vance, state chairman of the PMA, advised on the radio Wednesday noon that any farmer who did not intend to use his allotment should turn same back to the county committee so that his acreage could be given to someone else. Such action would not effect his cotton allotment next year.

Contra to the state chairman's statement, the Coke county PMA office is advising farmers that it will not be worth while to turn back allotments they do not intend to use. Why don't they get this situation straight?

Coke county was first allotted 4,200 acres for cotton. Then Congress amended the law and Texas received 600,000 more acres. Congressman Fisher said Coke should have its acreage increased to 8,000 acres. County PMA officials should see that we get it.

Personals

Mr. and Mrs. Chilly Tinkler went to Eden Monday night to spend a few hours with her grandfather, T. P. Smith. He is seriously ill. Mr. Smith is an old resident of that community and is past 90 years of age.

Mrs. E. G. Wilkerson and children, Wayne and Wanda, of McCamey are spending the week in the parental Roy Ross home.

Mrs. Coke Austin is enjoying a visit from her mother, Mrs. A. J. Roberts, of Comanche. The visitor arrived last weekend, coming from Lubbock with her son, M. G. Roberts, and wife.

Howard Varnadore received a badly bruised knee last Saturday while working on a Baker & Taylor drilling rig southwest of Silver. Because of mud and water he slipped and fell down the doghouse iron steps.

Mr. and Mrs. L. L. Scott of Lampasas visited over the weekend with their son, Wilton Scott, and family.

The Rev. and Mrs. Ross Welch left Wednesday morning for San Antonio to attend a pre-conference of the annual Methodist conference which is scheduled for the latter part of May. They will return Saturday.

School Calendar
May 5—Junior Senior Banquet.
May 14—Baccalaureate Sermon.
May 18—Commencement.
May 24—Closing Day.

Engagement Announced
The engagement of Miss Bonita Childress and Mr. Leslie Copeland, popular Robert Lee young couple, was recently announced. Their wedding will be late next autumn. The bride-elect is a daughter of Mr. and Mrs. Melvin Childress and is employed as bookkeeper by the West Texas Utilities Co. Mr. Copeland is engaged in the ranching business near Sanco.

Pipe Arrives for City
A carload of water pipe purchased by the city was delivered this week by the McDonald Lumber Co. It is of various sizes ranging from 2-inch down to 3-4ths inch. The supply of pipe will be used to extend and improve Robert Lee's water service after new mains are installed.

Robert Lee Plays At Texon Sunday

Robert Lee's Rabbit Twisters journey to Texon next Sunday for a diamond encounter with Snipe Conley's Collegians. Texon bested Forsan 6 to 4 in last Sunday's league opener, indicating that old Snipe has a good outfit.

Fans are predicting the Twisters to bounce back from a licking they received from Miles here last week. In that game only one safe hit was secured by the top two-thirds of the batting list. They are all good hitters ordinarily and will give Texon a run for the money.

Clarence Tinkler is expected to start on the mound, with Tincup ready to relieve him if necessary.

Pete Hickman drove all the way from Denton to play last Sunday, and he had a poor day. Pete will be in the lineup regularly when the college term ends the last of May. He's a good young player and adds a lot of punch to the club.

Forsan returns to Robert Lee Sunday, May 7.

Concho League Schedule

Sunday, April 23—
Miles in Robert Lee
Forsan at Texon
Sherwin-Williams at Sonora

Sunday, April 30—

Sunday, May 21—
Robert Lee at Sonora
Texon at Miles
Forsan vs Sherwin-Williams in San Angelo.

The condition of John L. Ross, Robert Lee school tax assessor and collector, remains serious at Shannon hospital. He has been conscious the past week and has enjoyed visits from friends.

Tyrus Davis came from Alpine the last of the week to join his wife and daughter, Cynthia Ann, who had spent the week in the parental A. B. Sheppard home. The Davis family returned to Alpine on Sunday.

Earl Roberts and Pete Gilbert and their wives enjoyed a few days of fishing the fore part of the week in the Pecos River. They had good success and one of their catfish weighed 20 pounds.

First Baby Born In County Hospital

The first baby to be born in the new Coke County Hospital is John Daniel McKay, who arrived at 6:22 a. m. Tuesday, April 25.

The child weighed 7 pounds, 3 ounces and is a son of Mr. and Mrs. Aubrey H. McKay, who are employed on the Marvin Simpson Ranch, northwest of Robert Lee. They have three other children.

The baby was named after the attending physician, Dr. John D. McDaniel. Robert Lee merchants made up a large list of gifts and a cash purse of \$36 which were presented to the parents.

Mother and child were taken to their home Wednesday, getting a free ride in the Clift ambulance. It is understood Dr. McDaniel gave his services free and the hospital made no charges.

Dedication of the hospital will be postponed for several weeks since beds and other furniture have not arrived. A few beds were borrowed for emergency cases.

C. S. (Jim) Haselden, business manager, says formal opening ceremonies will be under direction of the Hospital Board. Local civic organizations have volunteered their services.

Steers Lose Two
Robert Lee high school's base ball team lost a pair of games on the local diamond the past week. Last Friday they were edged 6-3 by Divide and Tuesday they were victims of Norte 6-7. Bobby Hood has been doing most of the pitching, with John L. Bruton behind the plate.

Two Fine Events
The P-TA family night party Tuesday night and the Garden Club's flower show Wednesday are two outstanding events which will be covered in The Observer news columns next week.

Jack Austin came in the last of the week after getting his discharge from the Navy. For the past year he was stationed at Guam.

New Road To Edith Gets Surface Coat

Asphalt is being spread this week on the new stretch of highway between Robert Lee and Edith. State equipment was used in constructing the grade and putting on the surface coat.

Contractors who will build the three bridges are to start work at once. Their time limit is 160 days. The new highway will be open for traffic within a few days.

Tom Kelly, new district engineer, was in Robert Lee Monday and visited a time with The Observer editor. Mr. Kelly was transferred to San Angelo from Pecos. He left this district 20 years ago and was surprised to see the road progress that has been made in Coke county.

Kelly said in the old days Bronte and Robert Lee were fighting each other, and the Highway Commission didn't know what to do.

The new engineer said he tried to get the state to consider building a new bridge at the south edge of town, but funds weren't available. Hence the repair job, for which \$28,000 has been appropriated, will proceed immediately.

The bridge will be strengthened and will have a new floor of steel and concrete. A by-pass has already been constructed to cross the river a half mile below the bridge.

BCD Luncheon
President Frank Bryan presided over the Board of Community Development luncheon at the City Cafe Monday noon.

It was announced that Mrs. Lois Kannady had been employed to help the secretary in collecting membership dues and handling reservations for the bi-monthly luncheon meetings.

E. C. Davis and Buster Farris were named as a committee to solicit gifts for the first baby born in the Coke County Hospital.

County Agent Travis Hicks called attention to the spread of rabies which has been prevalent in East Texas and is now as far west as Brownwood.

The BCD voted to sponsor a Blue Cross hospital insurance drive to be open to the entire county. A representative of Blue Cross has been invited to come here at a date in the near future and meet with civic leaders from all parts of the county.

Simpson Cattle Averaged \$567

Mr. and Mrs. Marvin Simpson, owners of Black Gold Angus Farms northwest of Robert Lee, were highly pleased with the results of their first auction sale held Saturday.

The event took place at the Keillor Ranch near Austin which is owned by Watson Brothers. Simpsons consigned six young bulls and 24 females to the sale, with Watson Bros. selling 35 head. Average price for the 65 head was \$506. Black Gold Farms, offering averaged \$567.50.

Simpsons sold the six top females of the sale. The best price was \$1,100 paid by Jess McGill of Paris. This was the heifer Mr. Simpson sold for \$50 to the Coke County Livestock Show in 1949. Jess Varnadore got the animal on a drawing and Marvin bought it back for \$212.

The next best heifer, a last December yearling, sold for \$800 to Seabright Farms at Austin. McGill bought the next two at \$725 each. Dr. J. B. Reneau of Munday paid \$710 for a heifer and Dr. Ben Eppright of Austin gave \$650 for another.

Breeders at the sale wanted females, Mr. Simpson said, and the bidding on bulls was not so keen. Sponsors of the sale gave a dinner to officials of the Angus Association and others on Friday night at Stephen F. Austin Hotel in Austin.

Gin Makes Record
The Robert Lee cotton gin has always had an enviable record for doing first class work. The past season it handled 1,465 bales and only one bale out of the run was reduced a grade because of bad ginning. This report came from the U. S. Department of Agriculture office in Abilene. Fred McDonald, Jr., one of the gin owners, says the one bad bale was due to poor cotton brought down from the plains.

Greenland Test
Southern Minerals No. 1 Mary Greenland, 15 miles southwest of Robert Lee, was drilling Thursday below 6,000 feet.

Sam Williams chipped a couple of wrist bones one day last week when he fell to the ground while painting the roof of his home. Sam is continuing his star route to Sanco and Silver.

Mrs. Daisy McCutchen is spending the week with relatives and friends in Dallas.

Sun Completes 2 More Producers In Coke County

Sun Oil Co. finished two more high producing wells in Coke county the past week. No. 4 G. W. Davidson, west and north of Edith, flowed 376.5 barrels of oil during its official 24-hour test. No. 5 Willie I. Tubb, southwest of Silver, gauged 410.57 barrels for its 24-hour test. Both were gauged through quarter inch choke.

Sun No. 4 Davidson was bottomed at 6,051 feet after topping the lime reef at 5,952 feet. It was treated with 5,000 gallons of acid. Casing pressure was 775 and tubing pressure 750 pounds. Gas-oil ratio was 1,126-1.

Sun No. 5 Tubb was completed naturally in open hole. It topped the reef at 6,318 feet and was bottomed at 6,492. Casing pressure was 1,325 and tubing pressure 925 pounds. Gas-oil ratio 1,475-1.

Sun Allen Jameson No. 4 is pumping about 9 barrels of oil daily.

Ray-Harris rotary equipment was moved from Tubb 5 to Tubb No. 6, a northeast offset to Tubb 4, a producer. Casing was cemented at 557 feet with 300 sacks. Plugs were drilled out Wednesday and the test was drilling Thursday morning at 1,268 feet in shale.

Sun Central Bank Unit No. 1, southwest of Silver, was drilling at 5,196 feet in shale. Baker-Taylor is the contractor.

In the Millican field west of Edith Sun No. 3 C. C. Millican was in shale at 5,743 feet. Morris & Hamilton has the contract.

Sun No. 5 G. W. Davidson was drilling in shale and hard lime at 2,030 feet.

Sun Oil News

Foundation has been poured for the new recreation building at Tubb Camp, a half mile north of the Silver school house. Don Storey, engineer in charge, says the building will have dimensions of 39 x 50 feet. It will have an auditorium 26 x 36 feet, a kitchen, two rest rooms and a large concrete floored patio. Kelley-Coppedge has the contract.

Gene Sweeney, former district superintendent with headquarters in Midland, was a visitor at Silver the first of the week. Gene now resides at Dallas and works out of the regional headquarters office.

H. D. Smith, area manager at Silver, says there will be 18 producing days in May compared with 17 this month.

Paul Gilbert, Jr., new chief clerk at Silver, is anxiously waiting to move his family from Midland. The Gilberts will occupy the new residence which is nearing completion at Jameson camp. A new home is also under construction at Tubb camp.

Construction of the gas plant addition is progressing satisfactorily. Plant Engineer John Shimer says all the concrete work is finished, and the contractor is now starting on the pipe work. A new cooling tower is also to be built.

Manager Harvey Evinger and Foreman J. D. Gilbert were in Ft. Worth this week to attend the national convention of the Natural Gasoline Association of America. James F. Pew of Philadelphia, one of the top officials of Sun, served as president of the organization the past year.

B. W. Shropshire is having a one room addition built to his home in the south part of town.

Shorty Granzine Wins for Miles, 3-0

Robert Lee lost to Miles in the Concho Basin league opening base ball game here Sunday afternoon. The contest was rained out in the eighth inning, with the visitors leading 3 to 0.

Shorty Granzine on the mound for the Giants had the Rabbit Twister sluggers at his mercy. He allowed only four hits during seven innings. Chilly Tinkler accounted for two singles, Clarence Tinkler made one and the other blow was poled by Troy McKinney.

With two out in the first frame, Barney Malish and Butch Jeschke each hit safely but the side was retired on Brandy Ray's short fly to right. Earl Gordon forced John Kiick in the third and stole second, then scored when Malish pushed a single to left.

In the fourth frame Ray singled and G. P. Gordon hit into a double play, Bowman to McKinney to Chilly Tinkler. Angley led off the next inning with a walk and Granzine popped out to third. Kiick cracked a single to center. Pete Hickman overthrew first on Earl Gordon's grounder and Angley and Kiick scored.

After Malish struck out in the eighth, Butch Jeschke singled to left. Tincup threw Ray out at first. G. P. Gordon then poled a terrific hit out into left for a home run, with Jeschke scoring ahead of him. That long hit cracked the thunder cloud wide open and the rain came down in torrents. Since Robert Lee did not get its turn at bat the two scores did not count.

With two out in the second inning Clarence Tinkler hit safely to left and Brother Chilly followed suit. The left fielder let Chilly's hit get away from him, but a relay throw nipped Clarence at the plate.

The locals led off the seventh with McKinney hitting to center and Tincup drew a walk. The rally was short lived, however. Phillips struck out, Clarence fled to center and Chilly fanned.

John Conley, back at his favorite position in center field, pulled the fielding gem of the day. He ran far back and to his right to pull down Angley's long fly, then

fell into a somersault and came up with the ball. Fans showed their appreciation by presenting him with a cash pot of \$15.

Brandy Ray seems to have assembled a good club and they certainly got off to a fine start in league play. John Kiick in center, Malish at short and Angley behind the plate were secured to bolster up last year's lineup.

Robert Lee was at full strength and no one is able to furnish a satisfactory alibi for the defeat. Mr. Granzine is not likely to fare so well when the two clubs meet at Miles on May 28.

R. W. Bowman was at shortshop for his first appearance of the season. He returned only Friday from a three weeks checkup at the Veterans hospital, and will require a game or two to get into shape.

Frank Tincup will be used when needed to relieve Clarence Tinkler on the mound. It's the first season Robert Lee has had two good pitchers on its roster.

Morris Varnadore umpired the game and did all right, too.

New Texas Hospital For Fight Against Cancer

HOUSTON, Texas, April 26—Vastly improved facilities for a coordinated fight against cancer will soon be available in Texas.

Construction will begin this year, probably in September, on a building for M. D. Anderson Hospital for Cancer Research, a University of Texas unit which will campaign against cancer on four fronts: prevention, treatment, research and teaching.

There is nothing comparable to the hospital in the entire South, the nearest similar institution being the huge Memorial Hospital in New York, Dr. R. Lee Clark Jr., director, said.

At \$1,350,000 appropriation by the special session of the 51st Legislature, supplementing earlier appropriations of \$605,554 and private and federal grants totaling

\$3,394,446 makes available \$5,350,000 for constructing and equipping the new building.

The hospital, now functioning in temporary and scattered quarters in Houston, will be a part of the proposed Texas Medical Center. It is the key institution for cancer control in Texas with a program including:

(1) Operation of a prevention clinic to which patients may be sent upon written request of a physician.

(2) Treatment of indigent patients from any part of the state without cost to the patients.

(3) Many types of cancer research.

(4) Educational activities including graduate training in medicine, dentistry, nursing and technical specialties as they relate to cancer treatment.

(5) Publication of The Cancer Bulletin, a digest of all available literature on cancer.

Service Held For M. E. Mundell, 80

After showing temporary improvement from a serious stroke of paralysis suffered two months ago, M. E. (Bub) Mundell took a turn for the worse early last Thursday and passed away shortly after noon. He had been cared for by his daughter, Mrs. Mabel Cox of Slaton in the home of Inez Gartman.

Funeral services were held Friday afternoon from the Methodist church in charge of the Rev. Ross Welch, pastor, and the Rev. Ernest Stewart, pastor of the Baptist church. Cliff Funeral home directed the services and burial in Robert Lee cemetery.

Pallbearers were Marvin Stewart, Cleve Casey, Turney Casey, Earl Hester, Fern Havins and Richmond Stroud.

Marion E. Mundell was born Feb. 28, 1870, in Montague county, Texas. He married Sally Welch in Bowe in 1891 and the family resided a number of years in the Indian Territory before coming to Coke county in 1906.

They operated a stock farm in the Lometa community, southeast of Robert Lee, for many years. Mrs. Mundell died about 15 years ago and he retired to Robert Lee a few years later.

Survivors include a son, B. M. Mundell of Robert Lee, and the daughter, Mrs. Cox; also four sisters and four brothers. One of the brothers, John Mundell of Knott, came for the funeral.

Other relatives, including four nieces and four nephews, who attended the services were Clarence Welch and wife of Brownwood, Ray Moore and wife of Lubbock, C. C. Slaughter and wife of Littlefield, Oscar Cannon, and wife of Monahans, Veta Mae Scott of Post and Vaughan Pierce and wife of Snyder.

SILVER NEWS

"Wrangler's Roost" a Range Buster Series, will be shown at the school Friday night.

Mr. and Mrs. R. F. Gunn and little daughter, Janie, returned Monday night from a four day visit with relatives in Oklahoma.

Leslie Brown has taken a job with Halliburton Co. and will work in the Snyder area. His wife and two children have gone to San Antonio to be with her parents until a place to live is found.

Freddie Mac, little son of the J. B. Ashers of Odessa, spent the weekend here with his grandparents, Mr. and Mrs. Fred Asher.

The G. B. Bealls returned the first of the week from Electra where they visited relatives.

J. C. Brown, Jr. arrived Saturday to begin his work here as a roustabout for the production dept. of Sun Oil Co. He was transferred here from Sun Field in Starr County and is living in the bunk house. He is an ex-student of Arlington State College and a son of Mr. and Mrs. J. C. Brown of Mission.

Arriving Monday from Osage City, Kansas, was Dottie Gardner, who has been visiting there with her grandmother, Mrs. Annie Patterson. Dottie is a daughter of the W. S. Gardners, who are living here temporarily. Mr. Gardner is a crane operator for the J. F. Pritchard Co.

Silver Home Demonstration club met Tuesday, April 25, at the Baptist church, with the club president presiding. Mrs. Allen Jameson and Mrs. Merle Jameson demonstrated making a plastic hassock. Mrs. R. B. Allen was a delegate to the annual district meeting of the HDA in Abilene on April 20 and gave a report of the session. Five members, one visitor and one child were present. Next meeting will be May 9 with Mrs. George Conner.

Citation By Publication

THE STATE OF TEXAS
To: DANNY SCARLETTO Defendant,
Greeting:

You are hereby commanded to appear before the Honorable District Court of Coke County at the Court House thereof in Robert Lee, Texas at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 29th day of May A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 12th day of April A. D. 1950, in this cause, numbered 1832 on the docket of said court and styled Betty Louise Scarletto Plaintiff, vs Danny Scarletto Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce and custody of minor child; Plaintiff alleges that she has been a bona fide resident of the State of Texas for more than Twelve (12) months next preceding the filing of the petition; and that she has actually resided in Coke County, Texas, for more than Six (6) months next preceding the filing and exhibition of her petition; Plaintiff alleges cruel and harsh treatment on the part of the defendant, toward plaintiff, compelling plaintiff to separate from defendant; Plaintiff further alleges that she and defendant are permanently separated as man and wife; and that plaintiff and defendant were duly and lawfully married, and that there is no community property belonging to plaintiff and defendant; and as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Robert Lee, Texas the 15th day of April A. D. 1950

Attest: WILLIS SMITH, Clerk
(Seal) District Court, Coke County, Texas

SANCO NEWS

(By Mrs. Sam Fowler)

Henry, J. L. and Homer Carwile went to San Angelo Tuesday night to be with their father who took a turn for the worse. They returned home the next morning and reported Mr. Carwile as resting.

Mr. and Mrs. Henry Wyatt, Mrs. Sam Fowler and Janis Elgene went to Colorado City Monday evening to visit with the Haggertons. Mr. Haggerton has returned home from the hospital but is still quite sick.

Mr. and Mrs. Millage Gartman and Mrs. Bryan Gartman motored to Sweetwater Wednesday to visit old friends.

Mr. and Mrs. W. F. Scarborough of Moriarity, New Mex., are still visiting at Sanco.

Ray Killam was on the sick list this week. He made two trips to the doctor and is reported as improving. He has a digestive disturbance and high fever.

Mrs. H. J. Gartman has been ill the past few weeks.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to friends and neighbors for their sympathy and many acts of kindness during the illness and death of our father. —Mrs. Mabel Cox, B. M. Mundell and Family.

Mrs. Jim Taliaferro returned recently from Odessa where she spent some time with her daughter, Mrs. Wanda Camp, who was hospitalized for a minor operation. She left the patient improving.

E. C. Davis, Willie Wallace, Calvin Wallace and daughters, Mildred and Edna Mae, and Mr. and Mrs. Melvin Bahlman attended a singing Sunday afternoon at the north side Church of Christ in San Angelo.

PMA NEWS

Starting Thursday, May 4, at 10 A. M. Coke county cotton farmers will be called on to meet with the Marketing Quota Review Committee for hearing and determinations of their application for review of 1950 cotton acreage allotments.

Each producer who filed an application for review will be notified by letter of the place and time when he is to appear before the Review Committee.

Each day there will be about 30 or 40 producers who will be called on to be at the PMA office to meet with the committee. Due to the amount of work the committee will have it will be impossible to have every producer who signed an application for review to appear on one day. There will be about 10 or 15 producers who will be notified to appear at 10 A. M. on May 4, and about 20 or 30 to appear at 1 P. M. on May 4. This number will be called on each day until every application is reviewed.

When you receive your notice, it is to your advantage to be present on the date of your hearing, with evidence to support acres planted in the years 1946, 1947 and 1948.

Shower For Mrs. Arbuckle

Mrs. Dora Arbuckle was honored with a pink and blue shower last Thursday afternoon in the home of Mrs. Douglas Gartman. Co-hostesses were Mrs. Elmer Adkins and Mrs. Ernest Adkins. Guests included Mesdames Walter McGallian, Foy Askins, Roy Wyatt, Burley Adkins, Truman Gartman, Bryan Gartman, Ulmer Bird, Polly Killam, Ira M. Bird, Sam Fowler, Smith Bird, Clarence Tinkler, A. F. McKinley, T. E. Pitcock, Leslie Wink and Fred Killam. Mrs. Arbuckle was presented with a number of love y gifts.

Soil Conservation District News

Austin Sandusky and a group of his neighbors met last Tuesday afternoon to discuss the Coke County Soil Conservation District and the assistance the District offers land owners in planning and applying a complete coordinated soil and water conservation program.

A. V. Sheppard, Work Unit Conservationist with the Soil Conservation Service explained how the District was organized, that the Board of Supervisors are the governing body, how they are elected, and their duties to land owners and operators. The district is a sub-division of the State Government and was organized by land owners and administered by land owners, Sheppard explained. The Federal Government realized several years ago that if soil erosion and soil deterioration was stopped land owners and operators would do the job. All Federal Agencies are set up to assist land owners and operators with putting conservation on the ground, Sheppard pointed out.

Charlie Copeland, rancher three miles south of Blackwell, developed a ranch conservation plan on his ranch last week. The plan was developed to treat each acre according to its needs. The plan included such practices as range improvement, protecting crop stubble, seeding of cover crops such as Dixie Wonder Winter peas, Rye and Vetch, contour farming, controlling of outside water, and construction of level broad base terraces. Personnel of the Soil Conservation Service assisted Copeland with the development of the plan.

Ed Cumbie seeded 5 acres of Hubam sweet clover last week. Cumbie seeded the clover as a soil enriching crop to loosen up the soil on a plot he plans to seed to alfalfa this fall. The clover roots will penetrate the subsoil and bring up soil nutrients to make available to the crops grown following the clover.

Seeding of native and introduced grasses got under way last week. Preston Davis seeded 15 acres of Blue Panic. James Allen seeded 15 acres of Blue Panic. Bryan Yarbrough seeded 15 acres of Blue Panic.

The STEERING WHEEL

(By Joyce McCutchen)

Divide beat the RL boys Friday evening 6-4, although the score was 0-0 at the sixth inning. Better luck next time!

Regional

Robert Lee made a fair showing in Brownwood Saturday at the regional meet. Garland Davis won second place in declamation, Tommy Kirkpatrick, third in extemporaneous speech, John L. Bruton, third in shotput, Allen Sparks, third in highjump.

Kid Day

The Seniors kid day will be May 1. They plan to go to San Angelo to have a picnic.

Invite????

Just as a warning to everybody, you'll start receiving those certain little cards soon, that say, "You are invited to attend the commencement-----"

Jr.-Sr. Banquet???

Theme of the Junior Senior Banquet has been well-kept. There is either no enthusiasm on the part of the Juniors—or no money—and it is probably the latter. It seems that the robbers play no favorites, and they really like Junior money. But anyway the Banquet will be held May 5.

Valedictorian and Salutatorian

The valedictorian and salutatorian of the Senior class are Lurlyne Pettit, whose average was 95.5, and Dixie Taylor, with a 94.65 average.

Barbara Harwell and Raymond McGallian came up next with Barbara's average being 93.09 and

Raymond's 90.46.

San Antonio Trip

The homemaking delegates will leave for San Antonio for a district meeting at 7 o'clock Thursday morning. Delegates are Melba Rives and Johnnie Beth Snead, freshmen; Elna Jameson, junior; Barbara Harwell, Senior; and Mr and Mrs. Hall. The girls are going with the Bronte Future Homemaking delegates.

Last Will and Testament??

If anyone should want his "Last Will and Testament" typed—don't ask a Senior to type it. It's too strenuous!!

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is
Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

13 Year Old Girl Wins Dress Revue

Leslie Neil Wink was announced winner of the Coke County 4-H Club girls dress revue held Saturday, April 22, in the Alamo Theatre here. She is the 13 year old daughter of Mr. and Mrs. L. E. Wink of Robert Lee and is a member of the Robert Lee Jr. 4 H Club.

The winning garment was a dainty blue and white print school dress. A detachable peplum which folds in pleats across the front and ties in a bow in the back was the center of interest on this practical garment. Leslie Nell covered a belt and buckle which she plans to wear with the garment at times when she does not wish to wear the peplum.

The Coke County Women's Home Demonstration Council presented Leslie Nell with a travel iron for her good work.

Esther Allen 17 year old daughter of Mr. and Mrs. R. B. Allen of Silver, had the next high score on her light blue pique sun dress. With this dress she carried a white pique bag and hat which she had made.

Since Leslie Nell Wink is under 14 years of age and not eligible to enter the state 4-H dress revue at Texas A & M in June, this award will go to Esther Allen.

The dress revue was held in front of a garden scene while soft music furnished a pleasant background. Several spring songs were sung by Mrs. Jeff Dean during the revue.

Mrs. H. A. Springer gave the welcome and Mrs. Bruce Clift the response. Mrs. Ross Welch was commentator for the event.

The revue opened with little girls dressed in beautiful spring costumes and carrying gay umbrellas marching onto the stage while Mrs. Dean sang "Butterflies in the Rain". These girls were Linda Kay Wink, Gail Anderson, Donna Lynne Welch, Beverly Kay Powell, Priscilla Wylie and Marjorie Gladys Rives.

Another interesting feature of the dress revue was a pre-view of

summer fashions from the Roach Dry Goods store in Robert Lee. Several interesting fashions for women, teenagers, and small boys and girls were shown.

Thirty five attractive garments were made and modeled by 4-H Club girls.

Awards were made as follows:
BLUE RIBBONS—Leslie Nell Wink, Esther Allen, cotton dress, Zona Mae King, Esther Allen, wool garment, Angela Anderson, Mary Jane Powell, Diane Mitchell.

RED RIBBONS—Laura Mae Eubanks, Donna Lea Hallmark, Carolyn Shimer, Judy Anderson, Annelle Simpson, Carol Thomas, Elna Jameson, Jeffie Harmon, Me'ba Rives, Olene Millican, Joyce King, Dorothy Greathouse.

WHITE RIBBONS—Mary Francis Wylie, Patricia Conner, Betty Sue Mitchell, Wanda Jayne Lackey, Wanda Walker, Barbara June Casey, Mary Jo Clawson.

YELLOW RIBBONS—Elizabeth Smith, Patricia Tounget, Donella McGlothlin, Charlene Robertson, Virginia Arnold, Alta Faye Eubanks, Sammie Jo Fowler.

Judges for the dress revue were Mrs. Lamont Scott of Robert Lee, Mrs. Mozelle Smith of Bronte, Miss Doris Newman, Mrs. Earl Stricklin and Mrs. R. W. Anderson of San Angelo and Mrs. Louise Murphy of Sterling City.

The 4-H adult leaders, 4-H club girls and Mrs. Vernemba Barron would like to express sincere appreciation to all those who helped to make this year's dress revue a success.

CARD OF THANKS

We wish to extend our heartfelt thanks and deep appreciation to friends and neighbors for the kindness and sympathy shown in our recent bereavement. Also for the lovely floral tributes.—Mrs. Henry Escue and Family.

More New Fords

Ivey Motor Co. of Robert Lee reports the recent sale of the following new Fords: Luther Sparks, 2-door Six; Curtis Blair, custom 2 door Eight; Bud Jones, pickup; Barney Modgling, 4 door custom Eight; Fred McDonald, Sr., custom club coupe.

Varnadore Business Expands

Varnadore Oil Co. of Robert Lee is erecting a new service station at the north edge of Winters on the Abilene Highway. They recently established a warehouse in Snyder and are also servicing a Ray-Harris rig which is drilling for Sun in Kent county. Varnadores have a retail station in Robert Lee and are in the wholesale business, too. They handle Sun Oil Co. lubricants and recently added the D-X line.

Mr. and Mrs. Frank McCabe visited the latter's sister, Mrs. C. T. Lucas, in Eastland last week and went on to Dallas to attend the Ice Capades which they enjoyed very much. They returned to Robert Lee on Monday.

Mrs. Elmo Hargis has accepted a position in the county judge's office succeeding Mrs. James Thomas on, who resigned.

Bud Jones Sells Ranch; Moving To California

Bud Jones recently sold his 200-acre ranch west of town to A. B. Sheppard of Robert Lee and will move to California. He left Monday for Tucson, Ariz., to take charge of a string of race horses and Mrs. Jones and the children will join him after the end of the school term. They will reside at Blythe, Calif., where they have purchased a home.

The family made a trip to the west coast a few weeks ago. They visited his brothers, S. T. at Glendale and William at Monrovia,

and also spent sometime at Blythe. Bud will handle horses for a Blythe owner and will also race one of his own.

Mr. Sheppard paid \$60 per acre for the Jones place, six miles west of Robert Lee. It has 100 acres of farm land which A. B. will rent out, and he intends to run stock on the remainder. This is known as the old Ackelson place which Bud bought from Roller Page a few years ago.

Sam Ed Skipworth, son of Mr. and Mrs. Dick Skipworth, has been very ill this week with blood-poisoning. The infection started from a thorn stuck in the lad's knee.

Folks You Know

Mrs. J. K. Lofton of Blythe, Calif., is here for a two weeks visit with her parents, Mr. and Mrs. W. B. Bessent, and other relatives.

Mrs. Mabel Williams is spending the week with her son, Tommy Williams, and family at Kerrville.

Edna Mae Wallace has accepted a position as bookkeeper at the Ivey Motor Co., succeeding Mrs. Willis Wayne Smith, who resigned. Miss Wallace, daughter of Mr. and Mrs. Calvin Wallace, graduated from Robert Lee high school last year.

James Harmon and his friend, Charlie Oatman, of Hobbs, New Mex., visited here recently with the former's grandparents, Mr. and Mrs. G. A. Harmon. They were on a vacation trip and visited in San Antonio before coming to Robert Lee.

Mr. and Mrs. E. D. Boyles of Snyder were weekend guests in the Bud Jones home. The ladies are sisters.

Mrs. S. C. Parson of Abilene stopped in Robert Lee a short time Wednesday and continued to San Angelo to look after business matters. Mrs. Parsons, who owns the place west of town operated by Ralph Garvin, is optimistic over present conditions in West Texas.

FRANK'S FOOD STORE

Combining new beauty, luxury and utility, the new COPPER BONDED STAINLESS STEEL PRESTO COOKER is the crowning achievement in the manufacture of pressure cookers. Now, for the first time, homemakers can enjoy the beauty of stainless steel, the efficiency of fast-heating pure copper plus all the advantages of modern, hi-speed Presto Pressure Cooking! It's a combination that makes this new kitchen jewel "America's Finest, America's Favorite" with homemakers everywhere!

Exclusive PRESTO COOKER features...

THE PRESSURE-TRU INDICATOR... registers 5, 10 and 15 pound pressures clearly, accurately for cooking and canning all foods. Shows exact amount of pressure in cooker at all times. No whistles, no listening, no guessing.

THE HOME SEAL... forms a perfect, lasting pressure-tight seal by just bringing the handles of the cooker together. Closes securely... opens easily.

THE OVER-PRESSURE PLUG AND ANTI-VACUUM VALVE... combined to give extra protection of food flavors... provides added cooking safety. Prevents excessive loss of food juices.

GIVEN... included with every PRESTO COOKER, at no extra cost, is a copy of the most complete book on pressure cooking ever published. Contains step-by-step, illustrated directions, plus 245 tested recipes for all foods.

EXCLUSIVE PRESTO COOKER COPPER BONDING PROCESS...

This cross-section view shows the heavy gauge copper sheet, bonded to the stainless steel. Performed under tremendous pressure, this exclusive bonding process assures quick, even heat distribution without buckling or warping. It's copper bonded, NOT copper plated!

FULL 4-quart SIZE

PRESTO COOKERS are available in individual units, or in matched sets, in the following sizes and models: 3-quart "VEGE-MASTER" (Choice of pressed or cast) • 4-quart "COOK-MASTER" (Choice of pressed or cast) • 6-quart "MEAT-MASTER" (Choice of pressed or cast) • the "FRY-MASTER" (Cast only) • 12, 16, 21-quart COOKER-CANNERS (Cast only)
