Big Game Coming; Forsan Oilers To Play Robert Lee

Another great baseball game is in prospect for local fans next Sunday when Lefty Shelton and his Forsan Oilers play the Rabbit Twisters on the Robert Lee diamond.

Forsan is tied with Miles for second place in the Concho Basin league, with Robert Lee out in front by three full games. Since the second half of the season is well under way, both contenders are gunning for the Twisters.

Robert Lee defeated Forsan in three previous games this year, but victory in each was by only a single run. Shelton will be on hand to do the pitching next Sunday and if he's right, the Twisters will have their hands full.

Forsan defeated Sonora 12 to 2 last week and Miles downed Cumbie 14 7.

Other games coming up this week include Miles at Sonora and Cumbie vs. Big Lake in Texon.

The Concho Basin standing:

	W	L	Pct.
Robert Lee	10	2	.833
Miles	7	5	.583
Forsan	7	5	.583
Big Lake	6	6	.500
Sonora	4	8	.333
Cumbie	2	10	.167

Barber Shop Improves

A full set of new furniture and fixtures was installed last week by J. C. Snead in his Robert Lee barber shop. The equipment includes two barber chairs of the latest design manufactured by Emil J. Paidar of Chicago, mirrors and cabinets and six chrome chairs for waiting customers. Mr. Snead is to be congratulated upon the fine improvement.

Mrs. Winston Gardner and son, Lin, of Kilgore are here for a week's visit in the home of Mrs. J. S. Gardner. The latter is taking a vacation from her duties in the post office during the period.

Lawrence Higgins Burned In Freak Gasoline Fire

Lawrence Higgins is recovering at Coke County Hospital from serious burns about his face and hands received last Saturday afternoon.

He was attempting to remove paint from his hair with gasoline, fumes from the liquid were ignited by the water heater pilot light. The accident occurred about 4 p. m. in the bathroom of his home in the McKinley apartments.

With the upper portion of his body ablaze, he ran into the living room. Two of his co-workers, James and E. J. Thomason, were present and smothered the flames. He suffered first degree burns about the head, chest, arms and hands.

His wife, the former Chrystelle Mathers, had left the preceding day on a vacation trip with her cousin, Mrs. Fred Campbell. They were contacted Monday afternoon at Taos, New Mex., and returned to Robert Lee the following day.

Lawrence is a son of Mr. and Mrs. El Higgins and is employed by H & L Truck Co. here.

The Volunteer Fire Department responded promptly to the alarm and extinguished a blaze in the apartment. Considerable damage was done to the rooms and furniture.

Birthday Surprise

Mr. and Mrs. J. J. S. Smith were surprised with a birthday dinner at their home in Robert Lee Wednesday noon. Mrs. Smith's birthday was July 12, while Mr. Smith reached another milestone on the 13th. The affair was planned by children of Mrs. Smith, including Mrs. Ernest Varnadore, Mrs. Josie Keithley of Snyder, and Jack, Curtis and Edward Trimble of Robert Lee. One daughter, Mrs. Verna Donaghue of Monahans, was unable to be present. Mr. and Mrs. Smith are among Coke county's oldest and most highly respected citizens. Their many friends extend best wishes.

County Tax Value Now \$12 Million

Coke county's taxing valuation will exceed 12 million dollars, according to preliminary figures submitted to the Commissioners Court in its regular session here Monday.

It will be an increase of \$3,000,000 over last year.

Oil development has been responsible for the growing valuation in Coke county which had an assessed value of only 4 1-2 million dollars in 1946.

Sun Oil company is far ahead of other companies in holdings in Coke, while Humble is expected to show a big increase this year because of its developments at Bronte and Ft. Chadbourne.

Present for Monday's board of equalization hearing before the county commissioners was Harry Pickett of the Thos. Y. Pickett firm which handles assessments of oil properties and public utilities. Representatives of Sun, Humble and a few other operators were here, and a number of Coke county royalty owners attended the session.

Assessment of real estate and personal property in the county has been completed in the office of Tax Assessor Paul Good. When final oil and utility renditions are complete and the state levy is announced, work of compiling the 1950 tax rolls will get under way.

Jones-Smith Wedding

Miss Jimmie Lou Jones and Mr. W. D. Smith were married here Monday night at 8 o'clock at the Baptist parsonage by the pastor, the Rev. Ernest Stewart. The couple was attended by the bride's sister, Wanda, and Howard Sparks of Colorado City.

The bride is a daughter of Mr. and Mrs. Marvin Jones. She graduated from Robert Lee high school and has been employed at the Farris Drug Store.

Mr. Smith is employed by Lease Service Co. of Beaumont and has been working in the Coke county oil fields. They plan to reside in Beaumont.

Undulant Fever

Undulant fever is widely prevalent in American rural areas and among urban slaughterhouse workers. Aside from handlers of raw meat of cattle, goats and swine, others contract the disease from the drinking of unpasteurized milk from cows infected with Bang's disease, the bovine strain of the disease.

Removing Painted Wallpaper

To remove several coats of wallpaper which have been painted, before repainting a plastered wall, apply a mixture of trisodium phosphate solution thickened with paperhangers paste. When the mixture has re-acted, the paper can be easily removed with hot water.

Franchise Is Let For Natural Gas

A franchise for the construction and operation of a natural gas distributing system in Robert Lee was approved by the City Commission by an ordinance passed June 30. The franchise went to the Coke County Gas Company, a newly formed corporation which is owned by the engineering firm of Parkhill, Smith & Cooper of Lubbock.

This firm handled engineering work on the new Mountain Creek Dam for the UCRA and is also in charge of the water works improvement program which the city has under way at this time.

Plans for the gas distributing system are now being perfected and the company expects to have it in operation by Oct. 1. Arrangements have been made to secure treated gas from the Sun gasoline plant at Silver and a pipeline will be laid from the plant to Robert Lee.

Natural gas patrons will make a \$10 meter deposit, with the investment drawing 6% interest. All parts of the city are to be supplied.

The franchise ordinance fixes prices of gas as follows: First 1,000 cubic feet, \$1.40. Second 1,000 feet, \$1.15. Next 8,000 feet, 70c per 1,000. Next 10,000 feet, 60c per 1,000, and all additional gas 50c per 1,000. Minimum monthly charge will be \$1.50.

The City of Robert Lee will receive 2% of the gross revenue each month. The city also has the right at any time to buy the gas system at a fair value.

Absent Voter Deadline Next Tuesday, July 18

Twenty-nine absentee voters ballots have been cast in Coke County, according to a statement made Thursday by Clerk Willis Smith. Persons who wish to vote by absentee ballot must do so by Tuesday, July 18, Mr. Smith advised.

With the primary election less than 10 days in the distance, interest is warming up in local campaigns. Contests are being waged for the offices of the county judge, clerk and sheriff and commissioner precinct No. 1.

Mrs. Ethel Green has had word from her son, Garlan, that he and his family will remain at Clayton, New Mex., where he has accepted a position as resident manager of the new Mayfield hotel and coffee shop. Garlan will be pleased to have old Coke county friends stop and see him when they are out that way.

Mrs. Melvin Childress underwent surgery Wednesday at the Coke County Hospital. Her condition is reported as very satisfactory.

More Good Showers

More excellent rains have fallen over many parts of Coke county this week. The gauge in Robert Lee measured .78 of an inch of moisture which fell between 6 and 7 a. m. Thursday. On Thursday of last week more than an inch of rain fell here, while some sections around Edith and Friendship reported as much as 2 inches. Crop conditions have been helped materially.

School Tax Notice

Last day for voluntary filing of school tax assessment renditions is Aug 1. Property owners are advised to be sure to file before that date to avoid penalties. Our office hours are 8 to 12 a. m. daily—J. L. Ross, Tax Assessor, Robert Lee Independent School District.

Sun Davidson No. 6 Rates 213 Barrels

In the Millican field west and north of Edith, Sun No. 6 G. W. Davidson flowed 213 barrels of oil during its official 24-hour test. Gauge was through quarter inch choke. Gas-oil ratio was 1,339-1. Tubing pressure was 425 pounds and 950 pounds casing pressure.

No. 6 Davidson was completed in open hole from 5,813 to 5,980 feet, the total depth.

In the same area Sun No. 2 Foster Sims Price was drilling at 1,950 feet in shale.

In the Jameson field southwest of Silver Sun No. B-1 Willie I. Tubb topped the lime reef at 6,350 feet and 5 1-2 inch casing has been cemented a few feet below that depth. The hole will be drilled to completion estimated at 6,459 feet for the total depth.

Sun No. 5 Jewell Brannan was drilling at 4,395 feet in shale.

In southern Nolan county Sun No. 1 Price Maddox was drilling in shale at 6,647 feet.

H. D. Smith, area superintendent for Sun Oil Co. at Silver, reports that producing days for the month of July have been increased to 21. Last month Texas oil wells were allowed to produce only 19 days.

Paul Brown and wife were over from San Angelo Tuesday visiting the former's mother, Mrs. N. C. Brown, and other relatives. Paul has been under a doctor's care the past three weeks and is improving.

Mrs. H. L. Scott has been in in Del Rio the past two weeks while Mrs. Horace Scott submitted to a surgical operation.

Mrs. Prudie Creech of San Angelo, former Robert Lee resident, has gone to California for a visit with relatives at Fresno and Stockton.

Juanice Childress is employed in the Farris City Drug store.

Glo Caraway of Blackwell visited here this week with her sister, Zella.

McCutchen Wildcat Brought In With 7 Barrels Per Hour

Union Oil Co. of California No. 1-B Daisy McCutchen, wildcat five miles east of Robert Lee, flowed an average or seven barrels of oil hourly Tuesday from a section which has now been identified as Cisco sand. There was no water.

The flow developed after the test had swabbed six barrels of oil hourly. It was through a quarter inch choke on 2-inch tubing run to 3,986 feet and 90 perforations 3,950 to 3,965 feet in 5 1-2 inch casing, which was cemented at 4,014 feet. Flowing tubing pressure was 100 pounds.

No. 1-B McCutchen had been treated Monday with 500 gallons of mud acid. Casing was run after the wildcat flowed for three hours early last Thursday on a drillstem test from 3,952 to 3,998 feet. The test failed in the Ellonburger in drilling to 6,685 feet and plugged back.

The well was shut in Wednesday awaiting arrival of storage tanks.

A standard rotary rig owned by Arrow Drilling Co. which drilled the discovery producer, is being dismantled and stacked, and the drilling crew has been moved to another rig in East Texas.

Arrow officials have not been advised that they will be given another contract. There is a chance that a smaller rotary will be moved in for future exploration of the 4,000 foot formation.

From all indications the Daisy McCutchen strike will make 150 barrels per day and Union may have discovered a new producing field near the center of Coke county.

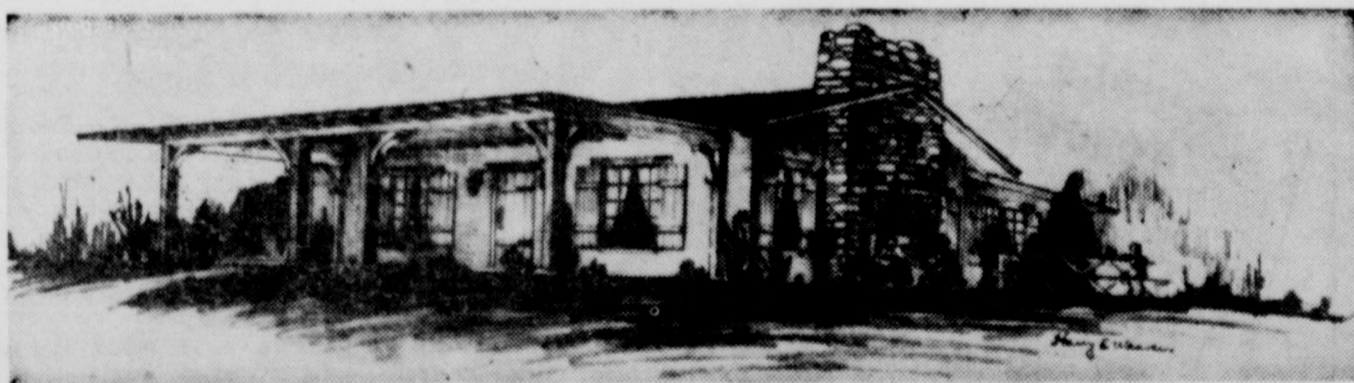

Rumors indicated that a test will be staked immediately on Mrs. McCutchen's property across the highway to the north. Two forced offsets resulting from the discovery will be on Jim McCutchen to the west, and another test for Mrs. Daisy McCutchen to the south. American Republics owns the lease on the south half of the section.

Cowley Drilling at 4,945

Deep Rock No. 1 Lem Cowley was drilling Thursday at 4,945 feet in shale. Operators were expecting to strike the Palo Pinto lime formation any time. The Cowley wildcat is five miles southeast of Robert Lee.

Tiny Hurley of Junction is a guest of Robert Lee relatives and friends this week. She is making her headquarters in the J. C. Wallace home.

Mrs. Mabel Williams is visiting in the home of her son, Tommy, at Kerrville.

BOY SCOUT LODGE—Work has been progressing the past week on the new Robert Lee Boy Scout cabin located in the north part of town near the Livestock Show grounds. Harry Weaver is the architect and made the above drawing which shows the tile and concrete building as it will appear when finished.

Simple Sundress, Cape Indispensable in Summer

HERE'S an outfit that's indispensable for summer wear—a simple sundress topped with a darling little button-on cape. Make the two pieces in contrasting fabrics.

Pattern No. 8467 is a sew-rite perforated pattern in sizes 10, 12, 14, 16, 18 and 20. Size 12 dress, 3 1/2 yards of 30-inch; cape and contrast, 1 1/2 yards.

Send today for your copy of the Spring and Summer STYLIST, our complete pattern magazine. Free pattern printed inside the book, 25 cents.

WEEKLY NEWS ANALYSIS

Cold War Flames Into Hot War On Korea Front; U.N. Condemns Invasion by Communist Forces

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

KOREA: A Hot War

The cold war, which has caused one crisis after another in recent months, had flamed into a hot war on one front. Soviet sponsored armies of North Korea invaded South Korea, established by the United Nations with the blessing and aid of the United States.

First reports of the attack were confused. It was known, however, that the invaders advanced as much as 12 miles into South Korea by using ground forces totaling as many as 40,000 men, plus 90 tanks. An additional 10,000 men were believed ready to reinforce the invaders.

Some reports indicated the invaders had penetrated within 12 miles of Seoul, capital of South Korea, while others said the northerners had been checked almost immediately. There were reports also of amphibious landing on the east coast of South Korea.

The main attack was directed along the Uijongbu valley, for centuries the path of invaders. Maj. Gen Choi Byung Kud, chief of staff of the South Korea army, reported.

Sihn Sung Mo, acting Premier and defense minister, said he had evidence that of northern tanks captured in the first attack, half of the crews were Russian. Minister Kim Yong Ju was in Tokyo when the attack was launched.

Meanwhile, the United States began the evacuation of 600 Americans from the Seoul area. They were leaving Korea by sea with U.S. air protection. The evacuation plan was completed only a week before the sneak attack.

According to American military men who have been directing the training of the South Korea army, the defenders have 95,000 men to battle the invaders. They will be handicapped, however, by the lack of an air force and tanks.

North Korea is reported to have 106 military planes, including 70 Russian Yaks and 25 Stormoviks.

FARM SUPPORTS:

Senate Approves

After a hot floor debate, the senate completed congressional action and sent to President Truman a bill to give the Commodity Credit Corporation an additional \$2,000,000,000 to finance its federal farm-price-support programs. The President was expected to sign the measure.

The debate developed over a provision in the bill which would shut the door on imported foreign farm crops if they threatened to upset the domestic farm-support program.

The provision was included in the bill and requires Secretary of Agriculture Brannan to demand an investigation of the tariff commission whenever he believes foreign imports are interfering with domestic farm programs.

The additional \$2,000,000,000 would increase the C.C.C. total borrowing authority to \$6,750,000,000. Most of the money now available to the agency is tied up in price-support loans and purchase agreements.

The measure barely got through the senate, 36 to 35 after Vice-President Barkley exercised his constitutional vote to break a 35-35 tie.

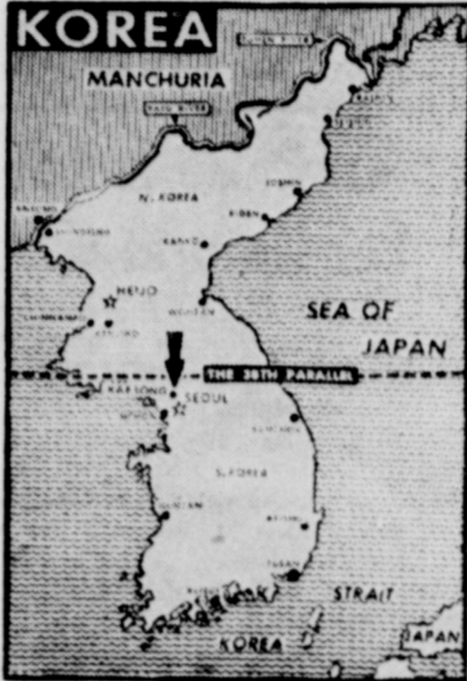

Critics of the measure said it would wreck the reciprocal-trade program, sometimes called the keystone of the nation's foreign policy.

Retires

Joe McCarthy, 63, has resigned as manager of the Boston Red Sox and retired from baseball because of his health. He led the New York Yankees to seven world championships before retiring in 1946. He came out of retirement to take over the Sox. Above he gets a friendly kiss from the family pet as he arrives home.

War Scene

Troops from Communist-dominated North Korea are reported pushing their way southward following the sneak attack on U.S. backed South Korea. Four thousand troops were reported killed in the initial phase of the shooting. This map shows the 38th parallel which separates North Korea from the south.

UNITED NATIONS:

North Korea Guilty

The United Nations, in an emergency session shortly after the sneak attack by Communist dominated North Korea on South Korea, branded the north the aggressor and ordered an immediate cease-fire throughout Korea.

The Soviet Union was conspicuous by the absence of its delegates from the emergency session.

Acting swiftly and bluntly, the U.N. termed the assault an "unprovoked attack" and a "clear threat to international peace and security."

The resolution called for immediate cease-fire and implicated that the U.N. would move to take stronger measures if North Korea flouted the council.

Meanwhile, reaction in the United States was immediate and to the point. President Truman cut short a visit to Missouri and returned to Washington. A conference was called between top diplomatic and defense chiefs.

The problem they faced was a critical one. The situation demanded a clear and strong reaction since too much was at stake in terms of American prestige in the Far East.

As a result, a "critical amount" of arms aid was said to have been started to Korea immediately. It was also reported General MacArthur had been authorized to draw on stocks of equipment available in Japan rather than let Korea wait for shipments to be put together in the United States.

Many American observers saw the attack on South Korea as a Soviet test of U.S. reaction toward aggression. They did not believe, however, that the Communists are ready for any military aggression on a broad international scale.

It was recalled by many that World War II started with acts of aggression against minor powers and not from declarations of war. With this view in mind, the question arose whether the North Korea attack is an early test of physical and moral strength of the democratic nations.

The present situation calls for firmness, political observers agree.

PLANE CRASH:

Worst in History

The worst commercial airline tragedy in the nation's history took place in Lake Michigan of St. Joseph, Mich., when a Northwest Airlines plane plunged into the lake during a severe thunderstorm with 55 passengers and three crew members aboard.

Two days after the giant craft disappeared, parts of the plane, a section of an airplane log book, and parts of two bodies were dragged from the lake.

The plane, filled to capacity, vanished on a flight from New York to Seattle by way of Minneapolis.

St. Joseph is about 110 miles southeast of Milwaukee on the eastern shore of Lake Michigan.

SCRIPTURE: The Book of Ruth. DEVOTIONAL READING: Proverbs 31:10-31.

Why Families?

Lesson for July 16, 1950

THE ENGLISH language has a word not found in the original languages of the Bible; it is not in Latin, German or French for that matter. It is the word "home."

But homes were not invented in England or America; the ancient peoples of the world had homes even if they had no special word for them. The story of Ruth is a home-story, a family tale. It comes from the times of the Judges, which were very rugged times indeed.

Dr. Foreman

Working Together

"A HOME is a place to go when everything else has shut up" is not a true proverb. For if that is all it is, it is not a home. It is only a boarding house and not a very attractive one at that.

It is the people who live in it who make it. But just throwing people together within four walls, even if the people are closely related, will not make a home. When you read the story of Ruth you see one thing standing out: they are all working people.

To this day, there are fewer divorces in the country than in the cities, and one big reason for that is that country families have to work together, while city families often have little in common. In the country everybody turns to and does something about the house, everybody helps everybody else; while in the cities where so much is done by machines and houses are very small, there isn't much a family can do together.

Unity in Variety

IT is striking that in the Bible the warmest expression of devotion shown by one person to another, is expressed by one woman to her mother-in-law, by Ruth to Naomi. Ruth was of a different race and generation and nation. Yet she takes Naomi's family for her own.

That illustrates another beautiful feature of living in a family. You learn to live with all kinds of people. Even in so small a group, no two are alike. And the thing that holds a family together almost better than anything else is not similar tastes in breakfast foods, or identical educations, or equality of age or temperament: it is common ideals, it is agreement about the important things in life.

What do you, for example, think is the greatest thing in the world? Do your family agree with you? If they do (or you with them) then you have a basis for a happy family life.

Unity in Worship

HIGH ideals, held by all in common, are almost the best family cement; but better and best is religion. When you read the story of Ruth you are struck not only by their high ideals but by their natural, heart-felt, everyday religious faith. It comes out in the remarks of Boaz. It was one of the things that no doubt had attracted Ruth to the family in the first place. The climax of her famous promise to her mother-in-law is "thy God shall be my God."

It is at best confusing, and at worst tragic, when families are divided in their religious faith. Some one has said that when the father belongs to one denomination and the wife to another, the children are likely to become Nothingarians.

The old family pew, happily not out of style in many places, is more than a quaint custom. It is a fine symbol of family life at its best. Where are the most of the broken homes? Among the families where father and mother send the children to Sunday school while they themselves lie around at home reading the paper, or among the families where all go to the house of God together? A home without real religion is a home without its surest foundation.

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

Wilson Making Vigorous Campaign

AUSTIN, JULY 13, (Special)—Texas has seen much of Will Wilson of late. The Dallas County District Attorney, who is candidate for the Supreme Court, has campaigned vigorously in West and South Texas since he announced his candidacy in Austin the latter part of May. His plans include visits to East Texas and other sections of the state during his campaign tour.

"Justice is the only thing that a candidate for the Texas Supreme Court can promise voters," Wilson stated in addressing the Army and Navy Association in San Antonio Thursday. "I pledge, if elected, to

add my efforts to those of the present court, toward this end."

Wilson, the only veteran in the race, returned from World War II service in the Southwest Pacific with a desire to enter public life. He was elected Dallas County District Attorney in a five-man race in 1946, and re-elected two years later by an overwhelming majority.

His drive in Dallas against organized crime has attracted national attention. Formerly president of the District and County Attorney's association of Texas, Wilson is now chairman of the Texas Bar Association's steering committee to modernize the State Penal Code.

"To the Supreme Court, I will bring the vigor of my middle years and the experience of a court room attorney, fresh from the trial of contested lawsuits for the people of Texas," says Wilson. "I hope to carry on the tradition of fine public service to which Judge Taylor has devoted his life." It is retiring Judge W. M. Taylor's place on the Supreme Court bench which Wilson seeks.

Soil Conservation District News

"The Board of Supervisors of the Coke County Soil Conservation District held their regular meeting Friday, July 7, 1950," C. N. Webb, Chairman of the Board of Supervisors has announced.

"J. A. Perc full and Ed Hickman became district cooperators with the District when the Supervisors approved their individual soil and water conservation plans. The plans were developed to treat each acre according to its needs. Contour farming, seeding of cover crops, protecting crop stubble, range improvement, and terrace construction are some of the practices that were included in the plans. Personnel of the Soil Conservation Service assisted the landowners with the development of the plans," Webb added.

Cooperators with the Coke County Soil Conservation District are planning to tie down their soil by seeding fall cover crops consisting of Rye and Vetch, Madrid Sweet Clover, and Dixie Wonder Winter Peas. 1,539 acres have been planned to date for seeding this fall.

County 4-H Girls Encampment at Sanco

Plans for the Coke County 4-H girls encampment are well underway. A meeting of committee members was held Saturday, July 10, to make plans for the camp. These committee members met with Miss Gladys Waldrop and the home demonstration agent.

The camp is to be held at the Sanco tabernacle. The girls will sleep in the Baptist church and meals will be prepared and served from the club room in the school house.

Registration will begin Thursday morning at 10. Following the noon meal camp activities will get underway. They will include instructions in crafts, recreation and planning and presenting group programs. Outdoor cookery will be stressed on Friday morning when the camp will cook breakfast in small groups thus allowing all the girls to take part.

All crafts will be completed and displayed Friday night. Parents of 4-H Club girls attending camp are invited to be present Friday night. They are asked to bring the family and a covered dish and join the girls in a covered dish supper and a night program full of fun.

Following the night program the girls will break camp and return home with their parents.

Tommie Modgling III

Mrs. J. R. Patterson and her son, R. C. and wife, visited the last of the week with Tommie Modgling, who is being cared for in the home of his sister, Mrs. Powell Roberts, at Goldthwaite. He is said to have a cancer of the liver and his condition is critical. Tommie is 62 years old and lived formerly at Sanco and Robert Lee. His brother, C. W. Modgling, of Pomona, Calif., has been called to his bedside.

Mrs. Harry Weaver was called to Houston Sunday by the serious illness of her daughter, Mrs. Harry Washburn.

WARRENS OF CALIFORNIA . . . Gov. and family at supper on eve of 42nd annual governors' conference.

PRECIOUS AS GOLD . . . A mounted policeman keeps watch while a farmer delivers milk to a downtown Pittsburgh store. Milk was almost impossible to secure during the dairy workers' strike. Thousands of gallons were dumped and fed to farm animals during the strike. Housewives and youngsters watch as the milk is delivered. Rationing and special allotments supplied thousands of infants with milk during the violence marked conflict in which 68 companies were struck. The strike was called by AFL Dairy Workers union.

AWAITS FIFTH APPARITION OF VIRGIN MARY. . . Mrs. Mary Ann Van Hoof, 40 (center) kneels with a number of men, women and children—some with incurable diseases—at a designated spot on her farm near Necedah, Wis., awaiting what she called the "fifth apparition of the blessed Virgin Mary." She reported the Madonna had previously promised to appear at noon on the Feast of the Sacred Heart. The other four appearances have been since April, she reported.

FORTY-SECOND GOVERNORS' CONFERENCE . . . The 42nd annual governors' conference got underway at White Sulphur Springs, W. Va., with talks on reorganization of state governments and water power development. The Communist issue dominated conversation outside the meeting hall. Governors James Duff of Pennsylvania and Earl Warren of California, two top-ranking Republicans among the more than 40 governors attending the conference, voiced blunt disapproval of what they termed the "blanket" accusation of Senator McCarthy of Wisconsin. Among outstanding speakers the governors heard Secretary of State Dean Acheson who submitted to a barrage of questions in reply to which he stoutly defended the state department as an honest, loyal, clean outfit.

The Way it Happened . . .

IN PITTSBURGH . . . Nightclub doorman Herbert Gibbs began a year's jail sentence for taking over a patron's car his first day on the job and not parking it until he reached Cleveland.

IN GALESBURG, ILL. . . A police station custodian found a mouse in a near-empty whisky bottle that had grown so big living on whisky that it could not get out. When the bottle was broken, the mouse tried to run away, but collapsed in a drunken stupor.

IN MEMPHIS . . . A woman, refusing to bother a storage company with her fur coat during warm months, kept it in the vegetable bin of her refrigerator.

IN INDIANAPOLIS . . . A thug aimed a shattering blow at Charles Plake's midriff, connected with the plaster cast Plake was wearing for a back injury, and fled sore-handed.

IN GODERICH, ONTARIO . . . Walter Henry, 92, gave up riding his motorcycle because it was "too much red tape and too much nuisance getting a license."

Sideline Wisdom

My brother-in-law, a particularly successful contractor, credited his good fortune to the "sidewalk superintendents" who gathered to witness his building projects. He employs one man to do nothing but gather the comments of the crowd, and he claimed that many a major problem was solved by piecing together these bits of wisdom from the sidelines.

How mild can a cigarette be?

MORE PEOPLE SMOKE CAMELS than any other cigarette!

and among the millions who do...

COLE PORTER

Famous song writer has this to say: "Camels scored a hit with me years ago. A great-tasting smoke! And Camels are mild!"

HOT FLASHES?

Are you going through the functional "middle-age" period peculiar to women (38-52 years)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Regular use of Pinkham's Compound helps build up resistance against this annoying middle-age distress!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

visit in the Willard McDuffie home was his mother, Mrs. W. McDuffie of Dallas.

Mrs. G. B. Gebhart and children are in Longview visiting her parents Mr. and Mrs. W. S. Powell.

Mrs. R. B. Allen and Esther and Mrs. Bob Odom accompanied by Mrs. Lonnie Evans and Larry spent several days last week with the Bill Archers in San Angelo.

SANCO NEWS

(By Mrs. Sam Fowler)

Bro. W. E. Hawkins came through Coke county Sunday morning and was a breakfast guest in the Nolan Pentecost home. Accompanied by the Pentecosts he went on to Colorado City and preached at 11 o'clock, then returned to Sanco for services at 3 p. m. A large crowd was present, folks coming from Colorado City, Robert Lee and other points.]

Bro. Bob Fikes brought Mrs. Anthony of Abilene down and she gave her life story which was very interesting at the Baptist church Sunday morning. She gave a very touching testimony for Christ. She did not know a Christian home and was not allowed to attend church as a child. Sunday night she gave a flannel board lesson on the Prodigal Son which also was very good. Later Bro. Fike preached.

Waddy Fowler and Bobbie Lord returned Monday night from a trip to Eunice, N M. They visited Bobbie's parents, the Russ Lords, and with friends in Hobbs, N Mex. Returning home they visited the Carlsbad Caverns and ate supper with Brice Fowler and family at Monahans. The boys did not have any car trouble and enjoyed their trip.

Elgene Wyatt of San Angelo spent Monday night with her parents.

The Intermediate and Junior classes of the Baptist Sunday School enjoyed a get-together Tuesday night at the Douglas Gartmans. Base ball and volley ball games were enjoyed. Ice cream and cookies were served to 16 young folks, seven parents and five small children.

Mr. and Mrs. John Cole and grandson visited with the J. L. Carwiles Sunday.

Billie Joe Gartman came in Sunday from Corpus Christi. He has been with the Highway Dept. but will stay at home for a while.

T. A. Gartman went back to his ranch work at Sterling City last week.

The baby in the Ira M. Bird home is sick this week with roseola or three day measles.

Mrs. J. L. Reid has gone for a visit in Arkansas.

Mr. and Mrs. Ira A. Bird have been among those not feeling well the past week, but they were improved Sunday and able to hear Bro. Bill Hawkins.

Anniece Gartman was a Sunday dinner guest of Patricia Fowler.

Mrs. Ernest Adkins has been under a doctor's treatment the past week.

Mr. and Mrs. Bryan Gartman were Sunday dinner guests of the Douglas Gartmans.

Personals

Mr. and Mrs. Phillip Page and sons, James and Phillip, Jr. of Odessa and Zona Mae and Joyce King of Edith spent a few days recently at Jacksboro with Mrs. Page's uncle and aunt, Mr. and Mrs. Joe Moore. Phillip and James went on to Ft. Worth and attended the Monroe reunion. Enroute home the group stopped for a visit with Mr. and Mrs. Monroe Burson at Brownwood and the Opal McCalebs at Coleman.

Mr. and Mrs. Robert Gaines of Pueblo, Colo., came to Robert Lee for a Fourth of July weekend visit in the parental R. Gaines home.

Ben Ramsey Favored For Lieut. Governor

Ben Ramsey, former Secretary of State and candidate for lieutenant governor, is moving into the favorite's position in the race, the Lufkin Daily News said in an editorial.

As Ramsey completed another campaign swing in his whirl-wind tour of the state, he reported that although the news from the Korean battlefields had overshadowed interest in politics, he was still encouraged by the pledges of support he was receiving across the state.

The editorial in the Lufkin Daily News endorsing Ramsey's candidacy for lieutenant governor said in part:

"Ramsey served two terms as state senator from this district and his legislative accomplishments were many. Throughout his career he has stood for economy and soundness in government, and firm against leftist experiment and wasteful spending.

"Following his retirement from the state Senate, the late Governor Beauford Jester gave Ramsey still further honors by appointing him Secretary of State. He held this office with customary capability into the administration of Governor Allan Shivers, resigning the post to enter the race for lieutenant governor.

"All those who have known Ramsey through his years of public service know that if elected lieutenant governor, he will make Texas a most capable state official. More and more Texans are learning this fact daily, and as he becomes better known throughout the entire state, Ramsey moves into the favorite's position in, the campaign sweepstakes."

Robertson Family Picnic

A group of friends and relatives of the Robertson family enjoyed a Fourth of July picnic on the river near Robert Lee. Those attending included the Jack Brown family of Globe, Ariz., the Joe Long family of Roscoe, the Phillip Page family of Odessa, the Dave King family of Edith, Mrs. Jim Robertson and children, the Sloan Boone family, Mrs. Clarence Mitchell and daughters, Patricia Smith, the J. B. Robertson family, Mr. and Mrs. Waymon Robertson, the Marvin Glasgow family, Mrs. Mae Boone, and Mrs. Bessie Sawyers and daughter.

Mr. and Mrs. Elmo Hargis returned Wednesday from a few days visit at Tulsa, Okla., with Mrs. Hargis' parents, Mr. and Mrs. S. N. Crowley.

Ram Show and Sale At San Angelo July 25-26

San Angelo's fourteenth annual Rambouillet Ram Show & Sale will get underway at the fairgrounds in San Angelo July 25 and 26. More than 350 entries have been entered.

Under the sponsorship of the San Angelo Chamber of Commerce and the American Rambouillet Sheep Breeders Association, the show and sale has 23 consignors representing Texas, Utah and New York.

In the show division, which will be held Tuesday, July 25, \$350 in premiums will be offered in five classes of judging. Classes are champion ram, two-tooth ram, four-tooth ram, pen of five of 10 two-tooth rams. L. D. White, Rambouillet breeder from Fort Stockton, will be the judge for the show.

Sheep entered in the show must be offered for sale through the auction ring. Walter Britten of College Station will be the auctioneer for the sale which will be held Wednesday, July 26.

Meade Griffin For Supreme Court

A veteran of World War I and World War II, who was appointed to the Supreme Court by the late Governor Beauford Jester, is running for his first elective term to the state's highest judicial office. He is Judge Meade F. Griffin of Hale County.

Judge Griffin was born at Cottonwood in Callahan County on March 17, 1894. He moved to Tulia in 1914.

Young Griffin worked his way through the University of Texas, obtaining a law degree in 1917. That same year he graduated from the First Officers' Training Camp in Leon Springs as a captain in the Infantry. He was assigned to Camp Travis where he served until October 1, 1918, after being promoted to a Major. From Camp Travis he went to Camp Sheridan at Montgomery, Ala., serving there until his discharge on December 8, 1918.

Following World War I, at age 24, Griffin returned to Tulia, served as county attorney of Swisher County, and was elected Mayor of the City in 1919.

In 1920, Judge Griffin moved to Painview and practiced law with the firm of Kinder and Russell until 1923. He served two terms as county judge of Hale County from 1923 to 1926, and was district attorney for the 64th Judicial District from 1927 to 1934.

In 1935 Judge Griffin returned to private practice, with the firm of Griffin and Morehead, in Plainview. He was associated with that firm until his appointment as Associate Justice of the Supreme Court on April 1, 1949, except for the time spent in service in World War II.

The call to colors found Griffin back in uniform on July 27, 1942. He became a Lt. Col. in the Infantry, serving as Chief of the Training Division at Camp Shanks, N. Y. In May 1945, Griffin was detailed to the Judge Advocate General's Department. He helped

establish the Trial Section of War Crimes Branch of the U. S. Army, and became Chief of the Prosecution Sub-section at Wiesbaden, Germany. He was discharged as Colonel of the Infantry on December 9, 1945 and holds a reserve commission in the Judge Advocate General's Department.

Griffin's life has been an active one which has earned for him the reputation of being a hard working lawyer with a broad field of experience. This accounts for his energetic campaign for election to place three on the Supreme Court of his native state.

Floyd Warrens Here

Mr. and Mrs. Floyd Warren and two children of Dallas visited over night Wednesday with Robert Lee friends. They were starting a three weeks motor trip to California to visit Floyd's brother, Clyde, in Los Angeles, and a sister, Mrs. E. E. Bell, in San Francisco. They also expect to visit another brother, Carl Warren, in Idaho. Floyd is taking a vacation from his work as manager of Beck's Fried Chicken Place, located at 5820 Lovers Lane in Dallas. He will be glad to have his old Robert Lee friends stop in and see him when they are in Dallas.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to friends and neighbors for their words of sympathy and many acts of kindness during our recent bereavement.—Ed Snowden and Family.

Picnic at Sherwood

The Burns and Clark families enjoyed a reunion on July 4th at the Marvin Carr place at Sherwood. A barbecue dinner was served and 75 persons were present. Attending from Robert Lee were Mr. and Mrs. W. E. Burns and Jennie Lee and Mr. and Mrs. Paul Burns and little daughter, Paula.

Mrs. Coke Austin returned last week from a month's visit in Chicago with her son, Coke, Jr., and other relatives.

Public Panic Not Justified Over Polio Situation

AUSTIN, July 13. — State Health Officer Geo. W. Cox has turned the bright light of optimism on the heretofore dark picture of polio in Texas.

Observing that the state's 1000 cases of polio since the year's beginning has occurred among a population of 7 1/2 million people, the health official Thursday deplored "the attitude of hysteria that polio creates in a community."

That didn't mean people should not be concerned, the doctor commented, for a case of illness in any form is good reason for great concern.

"I'm talking about the fear that keeps a person or a whole community from thinking straight. Of course each case of polio is an individual tragedy for the family involved, but wholesale public panic simply is not justified."

He doesn't want to encourage complacency either, the state health officer said, adding:

"Every clear-thinking effort must be made to keep every home, every community, every vacation camp consistently clean and sanitary. Briefly, elimination of fly and insect breeding places, personal cleanliness, and getting milk, water and food from safe, approved sources will aid in preventing a number of communicable diseases."

National statistics, Dr. Cox asserted, show good reason for optimism in most cases of polio. According to the figures, from 40 to 60 per cent of all victims recover completely and can do anything they choose.

From 25 to 40 per cent recover with only minor disability, and can, within very wide limits, lead

perfectly normal lives. From 15 to 20 per cent are more severely handicapped, and 5 to 10 per cent terminate fatally.

"It all goes to show that polio is actually a minor cause of illness, and an even less significant cause of death, "when compared to certain other communicable diseases," the health officer concluded.

Long Illness Claims Mrs. Ed Snowden, 56

Mrs. Ed Snowden passed away at her home near Silver at 7 a. m. Monday, June 26, 1950. Funeral services were conducted in Colorado City on Thursday, July 29, and burial took place the following Monday after the arrival of a son, Ed Snowden, Jr., who was stationed in the Navy at Johnson Island.

She had been a sufferer from tuberculosis for more than 15 years and had been in consultation with doctors over the state in efforts to have the disease cured. Only her husband and her brother, Alto J. Thompson, were with her when she was seized with a hemorrhage and passed away within a few minutes. The other son, Sam, was working in New Mexico.

Ruth B. Thompson was born in Mitchell county, April 5, 1894. She was one of eight children born to James Berry and Mary Brown Thompson. Both her parents died before she was ten years old and she and a sister, Hazel, were raised in the Fred McKenzie home.

She married Ed Snowden on April 20, 1912, at the McKenzie Ranch. They were the parents of four children. Hazel Ruth, the first child, died Oct. 8, 1915. Louise, the second child, died of tuberculosis on Dec. 20, 1944. Ed, Jr. and Fred Sam are the two surviving children.

Mrs. Snowden was a Christian woman, a good wife and mother and a kind friend and neighbor.

Besides her husband and two sons she is survived by a sister, Maude, and three brothers, Claude, Clem and Alto Thompson.

Robert Lee Wins At Big Lake, 3-2

Robert Lee won its 10th straight Concho Basin league game by defeating Big Lake at Texon last Sunday by the narrow margin of 3 to 2. It was a great ball game, featured by some brilliant fielding plays and excellent pitching.

Frank Jacot, veteran southpaw, hurled for Big Lake and caused the Rabbit Twisters plenty of trouble. He gave up seven hits and struck out seven. Clarence Tinkler went all the way on the mound for Robert Lee. He was a little shaky at the start but settled down after three innings. He allowed seven hits and struck out five.

Big Lake got a run in the second inning. M. Gustafson opened with a walk and Red Harrison drove a single to left. Bill Herron let the ball get past him and Gustafson scored. Shook flied out to Herron. John Conley made a sensational catch of a liner off Jacot's bat and the inning ended with Varnadore popping out to Chilly Tinkler.

The Twisters tied the count at 1-1 in the fifth, but the run was unearned. Herron walked and took second on Ivey's infield out. With two men out Conley shot a grounder to third. Cobb overthrew first and Herron scored.

In the eighth frame Conley laid down a perfect bunt to third for a hit. Hickman, who had fanned three times, connected with a blow to left and Bowman brought both runners home with a single to center.

Big Lake made a bid in the ninth. Harrison was safe on an infield hit to second base. Shook struck out and Jacot flied to Conley. C. Gustafson drew a walk and Bill Mac Varnadore hit to center to score Harrison. Tinkler ended

the game by striking out Humphrey, who batted for Cobb.

It was a big day for Conley and his efforts were appreciated by home town folks as well as his dad, Snipe Conley, Big Lake manager and former Texas league pitching great. John slammed out a double in addition to his perfect infield hit and had four put-outs in centerfield.

Gerald Ivey, playing first base for the Twisters, turned in a wonderful game and cut off a couple of hits. Bon Spoons was unable to accompany the Robert Lee team on the trip to Texon.

Varnadore and Harrison each poled two singles for Big Lake and Curtis Barbee slammed a two-bagger over Conley. Barbee, another veteran, worked behind the bat. In addition to Conley's two blows, others getting hits for the Twisters were Hickman, Bowman, Phillips, Clarence Tinkler and Chilly Tinkler.

The Firemen's Auxiliary held its regular business session Tuesday night at the City Hall. The Firemen and Auxiliary are making plans to hold a Cake Walk and Bingo stand on the street Election night, July 22.

High Quality Hay Cuts Dairy Costs

Feed, Labor 80 Percent Of Production Cost

Good pasture and high-quality, low-cost hay will cut feed and labor costs and greatly increase net returns for dairymen, declared Timothy Hodge, Michigan State College agricultural economist.

Hodge estimates that feed and labor expense represents 80 per cent of the cost of keeping a dairy cow. The lower the feed and labor costs can be made, the bigger will be the dairyman's net return.

Pasture and hay are the cheapest feeds a cow can get. Agronomists re-

The above illustration clearly shows the net returns for ample good pasture and hay and returns when pasture is scarce and of low volume.

port that 25 pounds of good alfalfa hay will supply all the protein needed to produce about 30 pounds of 4 per cent milk daily and furnish calcium, carotene and vitamin D as well. Good pasture cuts labor expense, because the cows do the harvesting.

Three essentials needed to maintain good pasture and get maximum returns from pasture crops are: (1)—a good legume-grass mixture best adapted to your growing conditions. (2)—a fertile soil that will steadily furnish a well balanced supply of plant foods. Soil tests will show the land's need for lime and for phosphate and potash fertilizer. (3)—Good management which rotates grazing and avoids overworking some areas while others become coarse and unpalatable. Good management also involves harvesting pasture growth at the peak of its protein value to insure high quality hay.

Farmers Report New Disease Among Pigs

A strange disease of little pigs that makes them shiver, jerk and sometimes "dance" is worrying quite a few farmers.

What causes the condition is somewhat of a mystery, the American Veterinary Medical association says.

It strikes newly born pigs. Some of the affected animals merely shiver and tremble. In other cases, the pigs may not be able to keep their feet still, resulting in an involuntary "dance."

The latest report, by Dr. H. C. H. Kernkamp, a research veterinarian at the University of Minnesota, indicates that the disease, known as myoclonia congenita, is still almost as baffling to scientists as it was when first described in 1922.

Electric Hired Hand

Electricity can lighten farm chores and greatly increase productivity. How it's done is shown in a new color film, "Electrified Farming" which has been released by General Electric.

Crop dryers, barn cleaners, milking machines, water pumping systems, electric brooders, and ventilating fans are cited as examples of the widening use of electricity in production on modern farms.

Harried Hubbies

Husbands are little boys with the mischief taken out of them, and the inclination left in.

Husbands who insist on going out for a good time every night are usually in for a bad one.

Husbands seldom notice what their wives are wearing—until some other man does.

MINISTER GRATEFUL—OVERCOMES CONSTIPATION

"I am a retired minister and very grateful that eating ALL-BRAN overcomes my constipation. I shall boost this good breakfast food every chance I get." E. H. Harmer, 726 Lincoln St., Snohomish, Wash. Just one of many unsolicited letters from ALL-BRAN users! If you need help for constipation due to lack of bulk, simply eat an ounce of crispy ALL-BRAN daily, drink plenty of water! If not completely satisfied after 10 days, return empty carton to Kellogg's, Battle Creek, Mich. GET DOUBLE YOUR MONEY BACK!

Nelson Seeks Place On Criminal Court

Former State Senator G. H. (Hobert) Nelson of Lubbock County is spending the last days before the July 22 primary campaigning in his native North East Texas for Judge of the Court of Criminal Appeals.

Nelson, who has been honored by the people of West Texas as county attorney, district attorney and state senator, was reared in Cass County. He is the son of Mr. and Mrs. Henry D. Nelson of Linden, Texas. He was educated in the public schools of Cass County, East Texas State College at Commerce, and the University of Texas law school. He married the former Miss Aileen Hackney, daughter of Mr. and Mrs. J. P. Hackney of Pickton, Hopkins County.

Nelson has received editorial support for the judgeship of the Court of Criminal Appeals from newspapers large and small in various sections of Texas, including the San Antonio Express and the Victoria Advocate.

Senator and Mrs. Nelson have four children, the oldest of whom, Mrs. Roland Nabors and her family, reside in El Paso where her husband, Roland Nabors, is football coach at Texas Western.

C. H. NELSON

Bob Harwell County's Oldest Living Settler

Robert Harwell of Bronte came to the part of the country, which later became Coke county and Ft. Chadbourne on the Orient, in 1881. He is believed to be the earliest settler now living.

He worked with cattle and sheep and did the regular ranch work that came to hand until 1897, when he married Ida Caperton; then, he went to work for himself.

Mrs. Harwell is a pioneer in her own right; however, she lived at Maverick in Rannels county until her marriage.

At the Old Settler's Picnic at Hayrick on the Fourth of July, the Harwells visited and mingled in much the same way they have been doing for years. The love and attention shown to them by their neighbors and friends seemed to be a fitting reward for their honest and respectable lives.

Many nice things could be truly said about Mr. and Mrs. Harwell and their fine children; that kind of information can be gotten from neighbors; these two pioneers can entertain you for hours telling you about what good neighbors they have and have had, and about what a wonderful land of opportunity Coke county is now and has always been.

To these two unassuming pioneers, we are deeply indebted. Their courage, fortitude and character is unexcelled among men.—Written by Frank C. Dickey.

Gerald Lowrance Funeral

Alfred Lowrance has received word that the remains of his nephew, Gerald Lowrance, will arrive in Tahoka July 13 and funeral services will be held there on the 14th. Burial will be in Tech Memorial Park at Lubbock. Gerald was a waist gunner on a B-17 and was killed in Germany in 1944. He was a son of Mr. and Mrs. Oscar Lowrance, former Coke county residents. He was 21 years old. Alfred and some of the other local relatives plan to attend the services at Tahoka today.

CARD OF THANKS

We wish to thank our friends for their many acts of kindness, words of sympathy and for the lovely flowers sent during our recent sorrow.—The Family of Wayne Clift.

Political Announcements

The Observer is authorized to announce the candidacy of the following persons, subject to Democratic Primary Election on July 22, 1950:

- For State Senator, 25th District: **DORSEY B. HARDEMAN**

HOUSEHOLD MEMOS... by Lynn Chambers

Homemade Mix Gives Versatility to Baking
(See Recipe Below)

Make Your Own Mix

HOMEMAKERS WHO want to have an easy job of baking cakes, cookies, hot breads as well as a large variety of goodies in their own kitchen can accomplish this with the greatest of ease. The answer lies in making your own mix of carefully measured shortening, flour, baking powder and salt. This saves measuring all the ingredients required at the time of mixing cakes, cookies and breads, thus cutting out many steps and saving time, dishes and work.

All ingredients in the mix are fresh, since the homemaker adds them herself, and baking success is easily assured. The mix given here has been rigidly tested, and in every case, the final dish was judged to be as good as could be made from starting with an original recipe of the product.

Make-Your-Own Mix (Makes About 13 Cups)

2 cups shortening
9 cups sifted all-purpose flour
1/4 cup (4 tablespoons) double acting baking powder
1 tablespoon salt

Combine sifted flour, baking powder and salt. Stir well. Stir into large bowl, large pan or onto heavy paper. Add shortening. Use finger tips or pastry blender to distribute shortening throughout the dry ingredients until mixture resembles coarse cornmeal. Store the mix in a close canister on the pantry shelf. It's ready to use for any of the following recipes.

One caution should be observed, in the use of the mix. Do not pack it into cups when measuring for use.

Tender-Quick Pastry (Makes 2 8-inch crusts)

2 cups make-your-own mix (do not pack)
1/4 cup butter or substitute
1/4 cup hot water (scant)

Heat butter in water until melted. Sprinkle over mix, blending with spatula or fork. Turn dough onto waxed paper. Shape into ball and cover with paper. Chill in refrigerator for at least 30 minutes before using. Roll out for pastry as needed.

*Cream Puffs (Makes 5 large puffs)

1 cup make-your-own mix
3/4 cup boiling water
2 eggs

Add mix to boiling water in saucepan. Stir over low heat about one minute until dough is smooth, follows the spoon and forms a ball. Remove from heat immediately. Add eggs one at a time, stirring and beating. Beat vigorously. Drop by spoonfuls on baking sheet, and bake at 350° to 400° for 15 minutes. Let stand in a warm oven (with door open) about 10 minutes to dry out.

Apricot Bread (Makes 1 9"x5" loaf)

3 cups make-your-mix
1/2 cup sugar
1 cup chopped, dried apricots
3/4 cup milk
1 egg, beaten

If apricots are dry, soak in hot water a few minutes, then dry thoroughly and chop. Blend mix,

- ### Lynn Chambers' Menu
- *Hot Ham Mousse
 - Parsleyed Potatoes
 - Green Beans
 - Cole Slaw with Bacon Dressing
 - Rolls
 - *Cream Puffs with Berries and Ice Cream Beverage
 - *Recipe Given

sugar and apricots. Add combined egg and milk. Beat until well blended. Turn into a loaf pan (9 x 5 x 2 3/4 inches) after rubbing bottom of pan with shortening. Bake in a moderate (350°) oven for one hour.

Chocolate Cake (Makes 8x8x2 inch cake)

2 cups make-your-own mix
3/4 cups sugar
1/4 teaspoon soda
1/2 cup sour milk
1/2 teaspoon vanilla
1 1/2 ounces unsweetened chocolate, melted and cooked
1 egg, well beaten

Blend mix, soda and sugar. Add milk and vanilla; beat well. Stir in chocolate. Add egg and blend. Pour batter into cake pan, the bottom of which has been rubbed with shortening. Bake in a moderate oven (350° F.) for 35 minutes. Turn out on rack when cool. Frost as desired, or serve with whipped cream or sprinkled with confectioners' sugar.

Baked Fudge Pudding (Serves 9)

1 1/2 cups make-your-own mix
1/2 cup sugar
2 tablespoons cocoa
3/4 cup chopped nuts
1/2 cup milk
1 teaspoon vanilla

Combine mix, sugar, cocoa and nuts. Stir in milk and vanilla. Blend thoroughly. Spread in a pan 8x8x2 inches, the bottom of which has been rubbed with shortening. Combine the following ingredients for topping and pour over fudge batter: 1/4 cup cocoa, 3/4 cup brown sugar and 1 1/2 cups hot water. Bake in a moderate (350°) oven for 40 minutes.

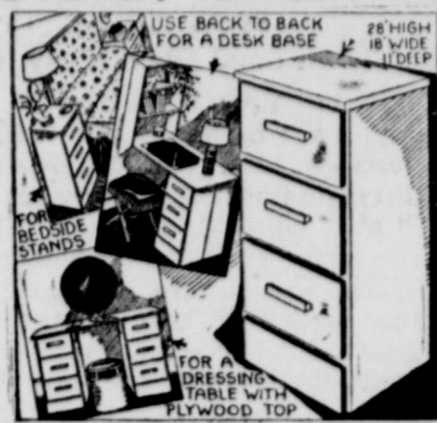

Two excellent dishes for summertime eating used in the menu are a Hot Ham Mousse which uses leftover ham, and a Cole Slaw which has the piquant flavor of bacon.

*Hot Ham Mousse (Serves 4)

2 cups ground cooked ham
2 tablespoons butter or substitute
1/4 cup thin cream
6 tablespoons milk
1 egg yolk
2 tablespoons flour
1 1/2 teaspoons lemon juice
1/2 teaspoon grated onion
2 egg whites

Melt butter, blend in flour and mix well. Stir in cream and milk and cook until thickened; add egg yolk, lemon juice and onion. Stir in ham; fold in stiffly-beaten egg whites. Turn into one-quart mold which has been buttered generously. Bake in a slow (325°) oven for 50 to 55 minutes. Serve with mushroom parslev cream sauce.

County HD Council In Monthly Meeting

Seven clubs were represented at the regular meeting of the Home Demonstration Council July 8 in the agent's office. Mrs. John Coalson called the meeting to order and Mrs. Tom Rives, Jr. was in charge of the opening exercise and led the prayer.

Reports were given of the 4-H Roundup held in June at A & M College. Those giving reports were Zona Mae King and Melba Rives, 4-H girls, and Gladys Waldrop, leader. All reported a very interesting and educational trip.

Mrs. C. E. Arrott, chairman of the WHD camp craft committee, discussed plans of this group for the annual encampment.

Members voted to change the date of the camp from Aug. 15-16 to July 25 and 26 to be held at Christoval. The change was made because Mrs. Barron is leaving Aug. 1.

Mrs. Barron gave some valuable information on leadership training and a word of appreciation to the clubs of Coke county for their cooperation during the 18 months she has served as county home demonstration agent here. And the club women want to say thanks again to Mrs. Barron for the very fine work she has done.

Plans for the annual girls 4-H camp were reported. The event July 13-14 will be held at Sanco. Recreation was given by the Silver club.

Mrs. Coalson adjourned the meeting and turned it over to Gladys Waldrop, county THDA chairman.

Delegates elected to attend the state Home Demonstration meeting at Big Spring Aug. 23-25 were Mrs. A. D. Fields, Mrs. J. W. Latham and Gladys Waldrop. Alternates are Mrs. Tom Rives, Jr., Mrs. Merle Jameson and Mrs. Ben Brooks.

Mrs. A. D. Fields was elected as the new THDA chairman for Coke county.—Gladys Waldrop, Reporter.

Leslie Chiles, son of Mrs. Hazel Chiles, left Sunday by bus for Oakland, Calif., where he will visit in the home of an aunt. He may remain there and attend school the coming year.

Mr. and Mrs. R. L. Page attended the Monroe family reunion at Ft. Worth last weekend and also visited the former's sisters, Mrs. Elmer Modgling and Mrs. Walker Good, at Weatherford.

Folks You Know

Mr. and Mrs. Millard Meek motored to Big Spring Sunday to visit their son, Luther, who is being treated in a hospital there for an old back injury. He is employed in a carbon black plant at Kermit and was injured in a fall nearly a year ago. He will undergo treatment for several days. Mrs. Meek is with her husband at the hospital and their children, Millard Ray and Shirley June, came to Robert Lee with their grandparents Sunday.

Jimmie Mac Mathes and wife, accompanied by Joe Mathes and wife of Childress, left Sunday on a motor trip to Yakima, Wash., where they will visit the boys' parents.

Peggy Bilbo left last week to visit relatives in Denver City and has gone on to Alpine. Her sister, Janet, who is attending Sul Ross college this summer, will return to Robert Lee with her this week-end.

Stamps Quartet Coming

The well known Stamps Ozark Quartet of Wichita Falls has been scheduled for a concert at the school auditorium in Robert Lee next Tuesday night, July 18. The concert is being sponsored by the Robert Lee Lions club and all proceeds will go to the new Boy Scout cabin now under construction. Tickets will be sold in advance and support of the public is requested.

Ray-Harris Changes

J. C. Jackson returned to Robert Lee last week to accept a position as day driller with Ray-Harris on the Tubb lease at Silver. Mr. Jackson was formerly employed by Baker & Taylor, but for the past few months has been drilling at Carter, Okla. Mrs. Jackson and the children will arrive within the next week. Steve Lee has also returned here as a driller on the Ray-Harris rig, after residing at Snyder the past year. The Lee family occupy the Elkins property in the south part of town.
