Stanolind has been doing much exploratory work in the locality for the past few weeks. The location is being made ready for the drilling rig which will be moved in at once from the Fort Chadbourne field.

## Steers Travel To Trent This Week; Important Game

Robert Lee Steers continued their victorious march with a sensational 25-12 victory over the rugged Coahoma Bulldogs here last week. It was the final home game for the local gridders, who have given the home town fans something to talk about for years to come.

The Robert Lee team, looking very mediocre at the start of the year, has amazed everyone because of its continued improvement as the season progressed. And now even the Abilene daily newspaper has had to admit that the Steers are a good outfit.

The Abilene sports writers rank Rochester as the No. 1 Class B team in central West Texas, with Hermleigh 2nd and Robert Lee 3rd. Rochester is in another conference, 10-B.

The 5-B conference shows Hermleigh and Robert Lee tied, each having 4 wins and 1 defeat. Tied for the next position, with 3 victories

### FOOTBALL QUEEN

Sylvia Harvey, popular sophomore student, was crowned Football Queen at last Friday night's game. The coronation ceremony took place between halves. The high school band, pep squad and football players participated in the event. The Queen was escorted by Donny Duncan and Milburn Wink, co-captains of the team. She was chosen by a vote of members of the football squad. Sylvia is the daughter of Mr. and Mrs. John Harvey. She is one of the school cheer leaders.

and 2 losses, are Bronte, Coahoma and Trent. Hobbs has won two and lost three, Loraine has a single win and four losses, while Ira has five straight defeats.

Coach Charlie Dennis will have the same lineup that played against Coahoma last week. Wilton Robertson and Elmer Greathouse are both nursing knee injuries and will not see action.

The Steers have two hard games remaining on their schedule. They travel to Trent this week and wind up the season at Bronte Nov. 16. Hermleigh also will have the same foes, playing at Bronte this week and having Trent as their final opponent.

The Trent Gorillas (what a ferocious name) defeated Hobbs 13-6 last Saturday afternoon at Rotan. But big Bill Etheridge was out of the Hobbs lineup because of injuries received against Coahoma, and that weakened the Panthers terribly.

Hermleigh had its hands full in winning 13 to 6 from Loraine. In losing the Bulldogs led in first downs, 15-10.

Bronte took an easy 33-0 victory at Ira last week, and everyone is pulling for the Longhorns to lick Hermleigh this week. However, Marlon McCutchen, star of the Bronte squad, has been hospitalized with appendicitis and is not expected to play.

### SPECIAL ELECTION

## Steers Defeat Coahoma 25 to 12; Cling to Loop Lead

The Robert Lee Steers utilized a forward pass play that clicked off four touchdowns here Friday night to subdue the Coahoma Bulldogs 25-12. It was a 5-B conference game and kept the Steers tied with Hermleigh for the district No. 1 position.

Robert Lee's touchdowns resulted from the marksmanship of passer Donny Duncan at quarterback. On the receiving end were Bill Carwile, who snagged three touchdown passes, and Norman Robers, for one.

The Steers held a 7-0 edge at half time, and roared back in the second half for three more counters.

Coahoma scored in the third and fourth quarters, with Fullback Jack Knight accounting for both touchdowns. The husky speedster broke through the line for a 65-yard run to the goal, and later was on the receiving end of a 28-yard pass play.

It was a chilly night for the fans, but perfect football weather, and a big crowd was on hand to enjoy one of the most thrilling games of the season. The gridiron was spongy but in good condition.

The first Steer score was made in the middle of the second period. The Bulldogs had been doing well offensively, but their drive ended when Roberts intercepted a long pass on the Robert Lee 16. Three first downs were then reeled off by the Steers, and Carwile gained 8 yards on an end around play, stopping on the Coahoma 19. Duncan then shot a pass to Carwile who was in the clear. Bill Havins converted on a quarterback sneak. It was the only conversion of the game.

Early in the third quarter Knight crashed through the right side of the line and ran 65 yards for a touchdown. He was barely fast enough to keep in front of three Robert Lee

pursuants. An attempted placekick failed to convert.

A few plays later with the ball on the Bulldog 47, Duncan rifled a long pass to Roberts who made a great catch and dashed 20 yards to score.

Early in the final period Havins gained 23 yards around end to make it a first down on the Bulldog 34. Two plays later the Duncan-Carwile pass combination added another touchdown.

After taking the next kickoff Coahoma gained 30 yards in the air. Reed attempted a pass but decided to run with the ball and made it a first down on the Steer 28. A screen pass, with Reed tossing to Knight, resulted in the Bulldog's second touchdown.

But the Steers weren't through. Milburn Wink recovered a fumble on the Coahoma 20 yard line. Two plays later Duncan completed a pass to Carwile in the end zone. Final score: Robert Lee 25, Coahoma 12.

### FORMER NURSE WRITES

I was deeply shocked to read of the insinuation that Doctor McDaniel used hospital supplies for his private patients. That is the most contemptible lie of them all. I worked with Dr. McDaniel for over a year and know that insinuation to be absolutely false. Dr. McDaniel's integrity and honesty is not to be questioned. The people of Robert Lee are lucky to have this fine man as their doctor.

As Dr. Griffith stated, the nurse in charge of the shift carried the keys to the storeroom and the storeroom was kept locked at all times. I, personally, checked medicines and supplies each week for the purpose of reordering them, and I never found anything missing.

Ask any nurse employed by the hospital and she will tell you the same thing I do. The board members preferred to believe the lies and insinuations of one prejudiced person instead of asking the nurses on duty, who knew the true situation.

These lies and insinuations affected others, also. Among them are Mrs. Oscar Kresta and Mrs. Mayme Smith, two fine nurses whose discharge from the hospital staff was never explained or justified.

The Winn letter was interesting but needs some background to make it more interesting. Are the County Commissioners willing to make available for publication the letters to Dr. Winn from the Hospital Board?—Mrs. Mary Schilling.

### HAYRICK H-D CLUB

Seven members and four visitors were present for the meeting of Hayrick Home Demonstration Club on Oct. 18 in the home of Mrs. J. W. Labenske. The program was given by Mrs. B. W. Waldrop and Gladys Waldrop on "Preparing Food for the Home Freezer." The club voted to send one member to San Angelo to take the training in Civil Defense. Next meeting will be Nov. 1.

### COUNCIL MEETING

The County Home Demonstration Council will meet Saturday, November 10, at 2 p. m. All members please be present.—Minnie Mae Sharp, Home Demonstration Agent.

Pfc. Jack Snead came home from Shepard Field at Wichita Falls for a weekend visit with home folks. He is now enrolled in an airplane mechanics school.

### LIVE TODAY

When my babies were small the days seemed long and the nights short. I seemed to live in the future, urging my children to grow up teaching them to talk, walk, run and play. I escorted them to school, first grade, second, third and on through high school graduation.

Yes, I lived for the future and now they are grown and separated. My daughter is married and in Virginia, my oldest son is in Japan, my youngest boy in the Air Force. Now the days seem short and the nights long, and I seem to live in the past.

I would like to encourage young people to live in the present; plan for the future to be sure. But enjoy each day you have with your babies and home. The future soon becomes the present and the present is soon the past.

Be kind and loving. Don't forget the little things and the big things will be so much easier to bear.

So many young people today forget that their children will be big boys and girls tomorrow. If you are as fortunate as I am and have grandchildren, you will be trying to see your babies again in them.—All my love, Hattie Day.

National 4-H Achievement Week is November 3-11th. The 1951 4-H theme is "Working Together For World Understanding." 4-H members have worked to learn something about the cultures, contributions and problems of rural people in other countries.

About 118,237 boys and girls between 9 and 21 years of age are enrolled in 4,793 Texas Clubs. Youth from about 67,732 farm homes and 21,146 non farm homes participated in 4-H Club work. Valuable contributions to community improvement have been made by 2,308 4-H clubs in Texas.

In addition to regular demonstrations, Texas 4-H boys and girls received training in fire and accident prevention, forestry, health, recreation and leadership, wildlife conservation and other worthwhile activities.

Clothing, field crops, food preservation and preparation, forestry, garden and orchard management, home grounds beautification, home management and improvement, livestock and poultry were included in 4-H demonstrations.

These demonstrations are not an end in themselves. They are used in training 4-H members to be better leaders and citizens.

While here Mrs. Stewart was a guest in the Marven Stewart home and also visited her brother and sister, Earl Smith and Mrs. Johnnie Ruth. Mrs. Bell is the former Quilla Warren, daughter of the late Mr. and Mrs. John Warren. She was a guest of her niece, Mrs. Joe Brock, and her uncle, J. I. Murtishaw. Mrs. Bell has a highly responsible position with the Internal Revenue office in San Francisco.

The Seniors have received their Christmas cards and they will be delivered very soon.

The seniors wish to express their thanks to everyone for the patronage and help they received while having the concession stand at the football games.

A senior play has been selected and ordered. It is a great play and will be given in December before the Christmas holidays.

The juniors tell me they have made quite a bit of money from the popcorn machine. Reckon the juniors are going to throw a big banquet this year.

Well, football season is about over. We have had a good year. Say, folks, don't give up boosting the boys. Remember they play other sports too and need your help.

## ROAD PROJECTS DELAYED

Felix Itz, resident highway engineer, conferred here Wednesday with Commissioner J. W. Service concerning various highway projects. Mr. Itz predicted that surfacing the 2-mile stretch through Sun's oil camps at Silver will be taken up during the winter. Widening of two bridges south of Robert Lee will be on the 1952 program. The state highway man stated that the district office found it necessary to postpone some other projects while concentrating on the Oak Creek reservoir highway south of Blackwell. The City of Sweetwater is paying for a new 2-mile grade across the proposed lake bed, while the state must surface the road and construct a new 400-foot bridge. While in Robert Lee Mr. Itz and Commissioner Service met with city officials for the purpose of discussing road drainage problems.

## 4-H Turkey Show A Fine Success; 99 Birds Entered

Two Robert Lee farm youths, Tommy Hood and Jim Cox, carried off top honors in the County 4-H Market Poultry Show here Saturday.

Tommy took the grand championship with his pen of three 18-pound hens, and Jim was the reserve winner with his hens. However, Cox won top honors with his three toms, and Hood ranked second.

Tommy is the 13-year-old son of Mr. and Mrs. Jett Hood and Jim is the 12-year-old son of Mr. and Mrs. M. A. Cox.

Seventeen 4-H boys and girls exhibited 99 birds, each showing pens of three toms and three hens. Judge of the show was F. Z. Beanblossom, poultry marketing specialist of the Texas Extension Service. He was also superintendent of poultry exhibits at the recent state fair, and stated the birds shown in Robert Lee were better than many of those at Dallas.

Eight youngsters had A-plus or blue ribbon pens of hens and three had blue ribbon toms. Seven pens of hens and five pens of toms graded A, or red ribbon. An A-minus, or white ribbon rating, went to eight pens of toms and two pens of hens.

Blue ribbon winners on hens also included Billy Carwile, Betty Ruth Hood, Morgan Russell, Kenneth Wink, Leslie Nell Wink and Willie Sue Skipworth. In addition to Tommy Hood and Jim Cox, a pen of blue ribbon toms was shown by Byron Russell.

Tommy Hood's grand champion pen of three hens was sold to the Robert Lee State Bank for \$1.35 per pound. Other top sales were:

Reserve pen of show, three hens owned by Jim Cox, sold to Ivey Motor Co. at \$1.10 per pound.

Champion pen of three toms owned by Jim Cox sold to Key Feed Store at \$1.00 per pound.

Reserve pen of toms exhibited by Bobby Hood sold to H & L Truck Co. at 80 cents per pound.

Altogether home folks bought 61 of the birds exhibited, the minimum

price being 42 cents per pound. The birds will be dressed and put in cold storage here awaiting Thanksgiving and Christmas dinners.

Buyers of tom turkeys were listed as follows: Sears Roebuck Co. (22), Harvey Chevrolet and Fred McDonald, Jr., 3 each; Scott's Firestone Store and Service Station and Earl D. Nutter, 2 each; one each to Jeff Dean, Sid Ferrell, E. H. Ivey, Weldon Fikes, Marvin Simpson, Victor Wojtek, Mrs. J. S. Gardner, H. C. Allen, Palmer Leeper.

Purchasers of hens: Sears Roebuck Co. (9), Texas Mill & Elevator Co. and Purina Mills, 6 each; Roberts Grocery 3, S. B. Phillips and Baker's Grocery 2 each, and one each to B. C. Goodwin, J. H. Ruth, D. D. Walker, Otto Wojtek, W. B. Clift, A. J. Kirkpatrick, Fern Havins, Sam McDonald, J. W. Service, J. C. Snead, T. R. Harmon, Farris City Drug, Henry Childress, Delmir Sheppard, Jeff Blair, J. F. McCabe.

West Texas Utilities Co. furnished a deep freeze to display a dressed tom and a dressed hen owned by Jim Cox. Cragin Lumber & Supply bought the 29-pound dressed tom for \$1.05 per pound, while H. C. McMinn of Mac's Cafe took the 17 pound dressed hen at \$1.40 per pound. David Key furnished feed for the show and Ivey Motor Co. donated the building.

County Agent Travis Hicks was superintendent of the show and did a fine job. He was assisted by the members of the County 4-H Committee. Everyone agrees the event was an outstanding success.

Mr. and Mrs. W. E. Burns moved last week to the former Delmir Sheppard place west of town which they purchased a year ago. Their son, Paul, and his family will remain on the Burns home place.
