CITY PROPERTY LEASED

At a regular meeting of the Robert Lee City Commission Tuesday night the 200-acre city lake tract was leased to C. Elmo Bell for \$515 for one year. His bid was highest among three submitted.

Mr. Bell has been running cattle on his father's place near Bronte, and will move his herd to his newly acquired lease.

Delinquent tax records compiled by Mrs. Sam Jay, city secretary, were examined and approved by the commissioners.

1440 POLI. TAXES INDICATE TORRID ELECTION YEAR

A total of 1,444 Poll Tax Receipts for 1952 have been issued in Coke county, a new record for recent years. However, Sheriff Paul Good says he believes that figure may have been exceeded back a number of years ago. Coke county's population has decreased 500 people from 20 years ago.

The large number of poll taxes indicates wide interest in this year's elections. Already enough candidates are in the field to insure a red-hot battle for county offices, and more entries are expected.

There will be elections for both the House and Senate seats in the state legislature, and it is rumored Cong. O. C. Fisher may have an opponent.

A state-wide battle royal is in prospect for U. S. Senator, with Attorney Gen. Price Daniel opposing the veteran Tom Connally.

And most important of all is the presidential election. Texas Democrats are pretty well displeased with Truman and his "Fair Deal." Eisenhower backers are getting the jump over Taft and other GOP aspirants. The way it looks now Eisenhower might carry Texas.

The Silver voting box will have 146 poll taxes, a big increase over previous years.

Sheriff Good states that as a rule the total vote cast in a presidential election is about equal to the number of poll taxes. Persons over 60 and those reaching their 21st birthday in 1952 may vote without a poll tax receipt. The overs and unders make up for persons holding poll tax receipts who fail to get to the polls.

Cigarette Girl at the recent March of Dimes Benefit Dance at Silver was Elna Jameson (left), daughter of Mr. and Mrs. Allen Jameson. Winner of first prize for collecting the most dance tickets was Billie Fred Jameson (above), daughter of Mr. and Mrs. Jahew Jameson. The girls are cousins.

Pierce, while \$5 bills of groceries were awarded to Loyd Phelan and Harry Fink. Persons were privileged to register for the prize drawing without making a purchase.

The Rev. Parris A. Barton of Lenora will preach next Sunday morning and night at the Robert Lee Baptist Church.

Clift Funeral Home Purchases Cadillac

Clift Funeral Home of Robert Lee and Bronte has purchased a fine Cadillac combination funeral car and ambulance. Mr. Clift drove it out from Dallas last Friday.

The deal included a trade-in of Clift's Oldsmobile funeral car which had been in use since 1942.

Mr. Clift retains his small ambulance which will be used for emergency calls.

New Auto Licenses On Sale This Week

Auto licenses for 1952 went on sale this week in the office of Paul Good, sheriff and tax assessor-collector. There will be plenty of time to get your license before the delinquent date of April 1.

License plates this year will be black with yellow letters and figures. The color scheme is reversed each year.

Coke county's allotment of passenger car tags was increased to 1,500. They will carry the numbers FK 4150 to FK 5649. Tags for farm trucks number 450 for this county.

Owners of cars and trucks are reminded that all the car tag fees remain in the county, the money being used for road and bridge work.

DUST AND WIND STORM

The worst dust storm in many years struck Coke county Saturday night and continued throughout the day Sunday. Wind velocity ranged from 40 to 56 miles per hour. A small cyclone was reported at the ranch home of Mrs. J. C. Slaughter, two miles north of town. It struck about 9 p.m. Saturday, blowing off a barn roof, destroying a shed and damaging other buildings and fences. Some damage to farm buildings also occurred at the Sam McGallian place.

The Coke County Home Demonstration Council will meet Saturday, Feb. 9, at 2 p.m. in the county agent's office. All members are urged to be present.

Campaign Leaders at Silver

MR. AND MRS. ELMO HARGIS were chairmen for the highly successful March of Dimes campaign at Silver. "Moe" said he received fine support from his boss, Press Pew, superintendent of Sun's gas plant.

MARCH OF DIMES CAMPAIGN NETS \$2658 IN COUNTY

Coke County citizens have donated \$2,658 to the March of Dimes, according to figures compiled early this week. Mrs. Charles Boecking, chairman of the drive at Bronte and east side of the county, reported \$1,052. Robert Lee and the west half of the county has collections amounting to \$1,606, according to Chairman A. J. Kirkpatrick.

The campaign for funds to fight polio is practically finished, but anyone who wishes to contribute may do so this week. The drive chairmen plan to complete their reports Saturday.

The March of Dimes is one of the most popular movements of its kind that has ever been devised, and its whole hearted support speaks well for the good people of Coke County.

Success of the campaign was entirely due to enthusiastic workers in each community, who found the public willing and ready to aid this worthy project.

SILVER GIVES \$468

The drive in the west side of the county was boosted to a high figure when the committee from Silver turned in \$468.35 Tuesday afternoon. A large portion of their funds were raised at a community benefit the night of Jan. 26. Mr. and Mrs. Elmo Hargis directed the Silver campaign and were given much help by H. P. Pew and many others.

BIG PTA BENEFIT

Robert Lee wound up its campaign with the community-wide benefit last Friday night sponsored by the PTA at the school auditorium. Some fine entertainment by school children was directed by Mrs. Jeff Dean. Biggest hit was probably the singing by Ronnie and Dickie Snoddy. An added attraction was the "sympathy orchestra," who favored the audience with excellent music. It was composed of Robert Lewis Jay and two of his Lake View schoolmates, Delmar Hiller and Bobby Young.

Everybody enjoyed the hilarious Womanless Wedding. It was directed in a highly capable manner by Mrs. Sam Jay, who also composed the lines, and John Harvey as the preacher was a standout. The audience felt sorry for Mr. and Mrs. Dean Robbins (A. V. Sheppard and Boone Richardson) whose baby (Foy Askins) was brought onto the stage in a wheelbarrow and almost immediately had to have a diaper change.

After the show Robert Lee Shriners, including G. C. Allen, C. S. Brown and Bob Stephenson, passed through the audience for donations and received the wonderful sum of \$170. Then refreshments were served by the PTA ladies at the school cafeteria and a net of more than \$76 was realized there. Mrs. Bob Stephenson, PTA president, was chairman of the successful affair.

SCHOOL GIVES \$143

Donations from other sources not reported in last week's Observer included \$143 from the Robert Lee schools, \$37.45 from the Mother's March last Thursday night, \$42.65 collected in the Sanco community by Mr. and Mrs. Nolan Pentecost and \$48.54 from the iron lung coin receptacles in Robert Lee business houses.

Willis Wayne Smith of the Robert Lee State Bank has been serving as treasurer for all funds received in the west side of the county. A final and complete report will be published next week.

Feb. 28 Thru March 2 Dates of San Angelo Stock Show Rodeo

San Angelo, Texas, Jan. 30. (Special)—Majority of the thousands of exhibitors at the San Angelo Fat Stock Show and Rodeo, February 28 thru March 2, will be 4-H Club and FFA boys from over the State of Texas.

A. D. Rust, mayor of San Angelo and ranchman, is general chairman for the 1952 show.

Premiums for all show divisions total \$20,000. No added premiums will be given in the Boys' Sale. Instead, premium money will be added to the place winners in each class of judging. Livestock selling at the boys' commercial sale will go at market prices.

For showmanship in the various divisions, boys are offered special prizes in four shows—calf, fat lamb, sheep and hog. Three special awards are also offered for the neatest exhibits—for lambs, calves, and pigs. Many other special awards are given to encourage young livestockmen in their pursuits.

Newest addition to the San Angelo show is a livestock judging contest for 4-H and FFA Clubs. Any FFA Chapter or 4-H Club may compete with the exception of the individuals on the winning team in the State Finals Livestock Judging Contest held during the State Fair.

During the Fat Stock Show, four performances of the rodeo, staged by Everett Colborn, director of Gene Autry and Associates, producers of the Madison Square Garden Rodeo, in New York, will be held at 2:15 daily.

A group of local fishing enthusiasts including Loyd Phenlan, Martin Casey, Jack Capps and E. A. (Doc) Burgess, returned the middle of last week from Sugar Lake in Old Mexico. The Robert Lee men brought home 49 fish, but only a couple of them weighed over 3 pounds.

"50,000 Miles—No Wear!" Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings!

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

New-Car Power! Quicker Starts! Get "summertime" performance all winter. Change, now, to winter-grade Conoco Super Motor Oil! Conoco Super fights off rust, corrosion and sludge, keeps your engine new and clean.

I am personally acquainted with Mrs. Pettit and think she is a fine woman. I am making the race solely because I need the job. If elected as your treasurer, I will discharge the duties of the office to the best of my ability. Yours very truly, Mrs. Gertrude Gray."

4-H LIVESTOCK NOTES

Milburn Wink, 4-H boy from Robert Lee, returned to Houston with a scramble calf, which he won just one year ago. The calf placed 16th in the junior light weight Angus division.

Joel H. Berry Jr., vice-president of the South Main State Bank of Houston, sponsor of the calf, purchased the steer for 85 cents per pound. The animal weighed 755 pounds.

Milburn has been a 4-H Club feeder for seven years, feeding lambs, pigs, turkeys, chickens and calves. In 1951 he was awarded the Dallas Fair Award of Honor for outstanding 4-H work. He returns home to complete his showing of lambs and calves.

About nine 4-H boys and their sponsor will leave Robert Lee Sunday for El Paso where they plan to show a group of fat lambs. Other shows in which the feeder boys will participate are the San Angelo Fat Stock Show and the Abilene Fat Stock Show.

It is almost time to begin the 1952 turkey feeder demonstrations. Boys are urged to make their plans now for taking care of their turkeys. The program will be expanded this year to include approximately 1000 poult on feed.

Carlton Fields and family left the first of the week for Springfield, Mo., near which city Carlton will look after cattle on a 700-acre farm owned by Walter Young of San Angelo. Carlton is well experienced in handling cattle and will make Mr. Young a valuable foreman. He has recently been employed at the Harris River Ranch above Robert Lee.

Wink's FFA Steer 17th At Houston

Milburn Wink, Robert Lee FFA youth, placed 17th with his Angus steer in the Houston Fat Sock Show last week. The animal brought 85c per pound in the sale Friday, netting the owner the nice sum of \$641.75.

The 755-pound steer did not attract too much attention at the Coke county show recently. Purchased as a calf last year from the Jess Koy herd at Eldorado, it was given a lot of attention and had been on full feed.

Milburn was a successful competitor at the Houston Stock Show scramble a year ago. Instead of getting a calf he was awarded \$125 toward the purchase of one. The calf cost him more than that amount.

Milburn is a high school junior and the son of Mr. and Mrs. Leslie Wink. Norman Roberts of Robert Lee attended the Houston Show last week as an alternate for the calf scramble, but there were no vacancies and he did not get to compete.

Mrs. Merle Day and sons were weekend guests in the home of Mrs. Hattie Day. They are living with her parents at Miles, but plan to leave next June to join Sgt. Day, who is in charge of an officers club near Tokyo.

Personals

Sgt. 1st Class Dave Parker and his wife and three children are here for a two weeks' visit with the former's mother, Mrs. Monroe Parker, and other relatives and friends. They will also visit Mrs. Parker's kinfolks at Mertzon. Dave is stationed at Camp Carson, Colo., as a mess sergeant.

1st Lieut. Frank D. Bryan and his family are now occupying new quarters in San Antonio. Their address is 249 Clem Road, Sam Houston Village. This is a new residential section built near Fort Sam Houston. Lieut. Bryan is connected with the induction center at the fort.

Mr. and Mrs. Maurice Cole and daughters were over from Abilene for a weekend visit with relatives. Maurice recently purchased a 20-acre tract in Abilene where he will construct a new drive-in theatre. He plans to start work in the near future.

Mr. and Mrs. Tony Freeman of Edith are spending much of the time this winter at Jayton, where Mrs. Freeman is helping care for the family of her son, W. W. (Bud) Thetford. They report that Douglas, 2 year old son of the Thetfords, is making steady improvement from olio which attacked him when he was a month old. Bud is teaching ag in the Jayton high school.

SHOWER FOR MRS. HOOD
A Gift Shower honoring Mrs. Bobby Hood, the former Joyce McCutchen, was held Tuesday night of last week at the H. C. Allen home. Hostesses included Glo Caraway, who greeted the guests, June Duncan in charge of the register and Billie Roberts and Janie Higgins, who served coffee, cake squares and mints. Refreshments were served from a lace covered table with red carnations and candles as a centerpiece. Thirty guests were present. Mrs. Hood received many beautiful gifts.

Mr. and Mrs. Harry Anderson and Tommy of Odessa spent the weekend in the parental Dave King home. Harry is recovering from a recent operation.

How "big" should government be?

Lincoln was President at a time when the federal government had to take away from its citizens more rights and liberties than ever before.

But he didn't like it. He believed, with the writers of the Constitution and the Declaration, that our government should protect people's independence, not push people around.

"In all that the people can individually do as well for themselves, government ought not to interfere," Lincoln once said.

Lincoln never let Americans forget that. He kept reminding the nation that the government's vast wartime powers must be only temporary.

He made powerful enemies. For there are always those who want to see the government run things—and run people—permanently.

We have them today. They think up all kinds of reasons why the federal government should take over this or that business, industry, or service. They never say they want socialism. Maybe they don't even realize it. But that's actually what they propose.

Most Americans don't want socialism any more than you do. The job is to recognize it—and halt it—no matter what disguise it wears!

* * *

The people who plan and work for a socialistic U. S. A. know that permanent control of a few key industries and services will give government the power to take over just about everything. One of the key industries that they're trying to take over is electric light and power.

Richard Boone With Infantry In Korea

Pfc. Richard C. Boone, well known Robert Lee youth and son of Mr. and Mrs. Sloan Boone, recently wrote his parents that he had transferred to the infantry. He is now a member of Co. B, 7th Infantry Regiment, 32nd Division, and is now in the midst of the fighting in Korea.

Richard was formerly attached to the 7th Transportation Major Port. He received the following citation from his commanding officer, 1st Lieut. Richard L. Hopson, of the Port QM Supply:

"Pfc. Richard C. Boone was on duty from 5 September 1951 to 28 December 1951 with the 7th TQP QM Supply Warehouse. He was assigned as heavy equipment operator and performed his duty in a superior manner. During this time he has been under my immediate supervision."

"During Pfc. Boone's assignment in my section, I have found him to be industrious, possessing initiative, having ability to accomplish any task set before him. His disposition was always cheerful, alert and affable. He has a fine military bearing and always conducts himself in a military manner. His personal deportment and character are above reproach. His devotion to duty is commendable and he will be a definite asset to any command that he may be assigned."

Self-Employed To Pay Social Security

Many self-employed persons do not know that the 1950 Amendments to the Social Security Act extend coverage to them, according to George Clark, manager of the San Angelo social security office.

This change became effective on January 1, 1951. Self-employed persons now have the same rights to benefits on behalf of themselves and their families as employees.

Self-employment includes individual store owners, partners, owners of shoe shine stands and numerous other business activities. There are 14 specific exceptions for professional people, among them doctors and their families as employees.

Self-employment coverage is not voluntary. The individual is either covered or not covered. The self-employed person's income is not reported until the end of the year and will be reported with his annual income tax return. The first report is due before March 15, 1952. The tax rate is 2 1/4 per cent of the first \$3600 of net business profit.

The Observer office expects to have a supply of blanks on hand for self-employed persons to use.

Mrs. Lewis Caulder returned to her home at Bronte Tuesday after being released from Coke County Memorial Hospital where she underwent an appendectomy the previous week.

FROM GUY SAUNDERS

Guy C. Saunders and his wife, the former Ora V. Robertson of Robert Lee, have written The Observer renewing their subscription for another year, and ordering the paper sent to Mrs. Emmitt Clifton and Mrs. Loye C. Rickman, both of Portales, New Mex.

Mrs. Clifton is a cousin of Mrs. Saunders and was raised in this locality. Mrs. Ruckman is a sister of Mrs. Saunders and is the former Beulah Lee Robertson.

Mr. and Mrs. Saunders reside on a fine farming and ranching layout five miles south of McLean. Their son, George F. Saunders, and a son-in-law, Charles H. Hall, Jr., are associated with them in operation of the S. & H. Cattle Co. They raise Hereford and Angus cattle and Hereford hogs.

Guy writes that the cattle are doing fine, and that they haven't had much winter so far and very little moisture. Part of their fam-

ilies have had the flu, but all are up and going again, he added.

Personals

Mrs. D. D. McDonald, the former Addie Fish, writes: "Enclosed please find \$2 renewal fee for my paper. Enjoy so much receiving The Observer each week and keeping in contact with my friends back home." The McDonalds reside at 2025 N. Industrial in Dallas.

Donald Ray Clawson of Comanche, recently employed here by H&L Truck Co., enlisted in the navy Jan. 23 at Houston. He was transferred to San Diego, Calif., for recruit training.

The T. E. L. Class of the Baptist Sunday School, of which Mrs. H. C. Allen is teacher, met in the home of Mrs. Lem Cowley Saturday afternoon with 13 members present. A salad plate with cakes, coffee and Cokes were served by the hostess.

BCD Favors Park At New City Lake

The Board of Community Development at its luncheon meeting Monday started the ball to rolling for a public park near the new Mountain Creek Lake.

Banker G. C. Allen pointed out that the Upper Colorado River Authority had received an easement from the Masonic Lodge on several acres on the east side of the lake near the highway. Mr. Allen also said the UCRA would no doubt help with the project, but supervision would have to rest with the city or some other group.

Commissioner J. W. Service stated that county equipment would be available for making roads in the park and leveling off the ground.

A committee named to make a study of the park proposal is composed of School Supt. B. C. Goodwin, County Judge Jeff Dean and Commissioner Service.

A new committee to help on the BCD membership drive includes Cumbie Ivey, Sid Ferrell and A. J. Kirkpatrick. They will assist Fern Havins, John D. Harvey and W. D. McAdams, who were appointed at a previous meeting.

Vicor Wojtek, new BCD president, presided over the meeting. Melvin Bahlman is the new secretary-treasurer. S. E. (Skinny) Adams, former BCD member who now resides in San Angelo, was a guest at the luncheon.

While attending a meeting of the Hospital Board here Tuesday, C. N. Webb of Tennyson received word that his son, Waydell, was ill at Alpine where he is a student at Sul Ross. Mr. Webb left at once and took his wife to be with their son.

Zona Mae King has returned from a month's visit at El Paso in the home of her uncle, R. B. King, and family. She was accompanied to Robert Lee by Clayton King and Donald Stafford, who are visiting among relatives here. Both boys are going into the Navy March 6.

Harry Porter continues to make improvement from his serious illness. He was able to sit up in bed a short time Monday, but it will be some time before he can be up and around. Mr. Porter is owner of the Robert Lee and Bronte variety stores. His wife is caring for him and their daughter, Harriett, is in charge of the Robert Lee store. Mrs. John Coalson is managing the

The bride is the daughter of Mrs. Carl H. Pruitt of Paris, Texas. She has been employed as secretary to the manager of the Land and Title Dept. at Sun Oil Company's regional office in Dallas.

Lieut. Ivey is the son of Mr. and Mrs. Cumbie Ivey of Robert Lee. He received his degree from North Texas State at Denton and was employed by Sun Oil Co. before enlisting in the Air Force 18 months ago.

He completed officers candidate school at Lackland AFB where he was commissioned a second lieutenant last summer. He has since been on duty as a public relations officer at Kelley Field near San Antonio.

MEREDITH ROYAL ETHERIDGE

Mrs. M. W. (Buster) Farris of Robert Lee mourns the death of her father, M. R. Etheridge, whose passing occurred at 8:20 p. m. Monday at Brownwood. A former rancher in Mills county, he had recently made his home in Brownwood with a daughter, Mrs. Bertia Reaves. He was 78 years of age and had been in failing health for a number of years. Burial rites were held Tuesday afternoon at Duren Cemetery in Mills county. He leaves four other daughters and two sons. Others from Robert Lee who attended the funeral were Mr. and Mrs. Raphey Farris, Mrs. Zelma Milam and Mrs. Frank Dickey.
