WIDOWED SCHOOLER, STOCK FARMER, DIED SATURDAY

Death came Saturday to Tom Schooler, 60, well known and highly respected stock farmer of the Wildcat community, southwest of Robert Lee. His passing occurred at 6:10 p. m. at Coke County Memorial Hospital where he had been a patient three weeks.

Mr. Schooler suffered a serious heart ailment last summer when he was enroute home from a trip to Ballinger with his son, Joel. He was treated at the Monte Hospital and then removed to Coke County Hospital for a period of convalescence.

He never fully recovered, although he was up and around until his final illness. He had been under an oxygen tent for more than two weeks.

Funeral services were held at 3 p. m. Monday from the Pecan Baptist Church, west of Edith, in charge of the pastor, the Rev. Marion Patterson, assisted by the Rev. A. J. Halford of Talpa. Burial was in Paint Creek cemetery under direction of Cliff General Home.

Lynhuc Thomas Schooler was born May 1, 1894, in Erath County and came to Coke County with his parents in 1901. The family settled in the Edith community.

Tom served in World War I with the 129th Machine Gun Battalion of the 35th Division. In 1918 he married Miss Ella Mathews Rosebud, who was teaching in the schools here. He was a member of Pecan Baptist Church.

Mr. Schooler was a good friend and neighbor. He was a progressive citizen and an excellent farmer and stockman. He and his wife raised some good registered Hereford cattle and high grade commercial sheep and hogs. He was active in the Farm Bureau and other farm movements and served many years on the Wildcat school board.

Survivors in addition to the wife include three sons; Don J. Van Harlan and Jimmie

of the home; his mother, Mrs. D. Schooler, 93, Wichita Falls; four sisters, Mrs. Ella Young

Crane, Mrs. Ada Northcutt of Edith, Mrs. Ada Fields of Wichita Falls and Miss Cynthia Schooler of Odessa; four brothers, Ben Schooler of Abilene, Loyal Schooler of Lamesa, Joe Schooler of Blythe, Calif., and Raymond Schooler of Robert Lee.

His mother and all the brothers and sisters except Joe, were present for the funeral and had been at the bedside during his last illness.

BIRTHS

HENDERSON—Mr. and Mrs. M. Henderson (Francis Rabb) of Robert Lee are parents of a son born May 11 at Shannon Hospital in San Angelo. The baby weighed 8 pounds, 3 ounces and has been named John Marshall. The father is a driller for Carl Short. Mrs. O. K. Rabb is the grandmother and Mrs. J. C. Rabb of San Angelo is the baby's great grandmother. Paternal grandparents reside at Level-

Important Announcement

A public meeting to discuss the matter of issuing bonds to construct additional highways in the western part of Coke County will be held next Monday night, May 24, starting at 7:30 P. M. at the school cafeteria in Robert Lee.

With enormous development of more oil fields in the northwest corner of the county, it is apparent that new roads are badly needed. It is also pointed out by public officials that the only means of financing such projects would be through bond issues in Precincts 1 and 3.

County officials have made preliminary surveys and are ready to explain the proposals to the public. Since the projects affect only the two west precincts of the county, only residents of those localities will be interested in the meeting.

The matter will be open for full and complete discussion and all persons eligible to vote on a bond issue are urged to attend.

TWO WILDCATS TO BE DRILLED WEST OF EDITH

Biggest oil news of the week in west central Coke County has been the staking of two wildcats, southwest of Edith. They are located on W. E. Burns and L. R. Schooler.

Stanolind will drill its No. 1 W. E. Burns 660 feet from the south and east lines of Section 238, Block 2, H&TC Survey. Proposed depth of 8,000 is proposed to test the Cambrian sand. Markham Drilling Co. has the contract and is preparing to move in rotary equipment.

The location is approximately one mile west and two miles south of the Edith store. Mr. Burns also owns Section 237 to the east which is under lease to Hunt Oil Co.

Sun Oil Co. will drill its No. 1 L. R. Schooler which has been spotted in the NW corner of the NE quarter of Section 240, Block 2, H&TC. Stanolind owns the lease, but the west half of the section owned by W. M. Millican is under lease to Sun. P. W. Millican is owner of Section 321 adjoining on the north.

The location is 1½ miles west and a mile south of Green Mountain school house. It is approximately a mile southeast of the Plymouth dry hole drilled early in 1949 in the extreme northwest corner of Section 321 on P. W. Millican. The Schooler location is less than 1½ miles from production in the Millican field.

Carl Short is the drilling contractor and is moving rotary from the Arledge lease north of Sanco.

Cumbie Ivey of Robert Lee and L. T. Youngblood of Bronte represented the Upper Colorado River Authority at a meeting in Austin Friday of the Texas Water Resources Committee. Carl Runge, UCRA legal advisor, gave a report on what his organization had accomplished and what it was prepared to do in the future in the matter of water conservation.

Frank C. Dickey was called to Hobbs, New Mex., this week to visit his son, Jimmy, who sustained an injury in an oil field accident. Jimmy is a driller and received a fractured heel in a 16-foot fall.

DEAN ATTENDS MEETING

County Judge Jeff Dean was in Austin Monday where he attended the first meeting of the newly former Governor's Advisory Economic Committee. Several important matters to be studied include West Texas Water Supplies and Economic expansion throughout the state. Judge Dean is president of the Texas State Association of County Judges and Commissioners and his organization was called upon to make recommendations to the Governor's Committee. Sheriff Paul Good and County Clerk Weldon Fikes made the trip to Austin with Judge Dean.

Mrs. Della Freeman of Weatherford is here for a week's visit with her sister, Mrs. H. S. Lewis, Sr., and family.

BCD Backs Plans For Discussion Of Road Projects

An interested group of civic minded citizens attended the monthly meeting of the Board of Community Development at the school cafeteria last Thursday night. President J. E. Quisenberry presided.

It was announced that contracts have been let for wiring and hooking up lights for the new soft ball field near the school house, and the work should be completed within a couple of weeks. Help in constructing a backstop and making other improvements will be solicited.

J. L. Tinkler, chairman of the committee, has said that at least four teams will be organized and it is probable that double headers games will be played each Tuesday and Thursday nights.

The BCD voted to hold a barbecue for its members and their ladies on the night the new soft ball field is opened. Tickets will be sold at \$1.00 each.

County Judge Jeff Dean discussed road projects which have been under consideration. The BCD voted to sponsor a series of road meetings in cooperation with county officials. First meeting has been set for next Monday at 7:30 p. m. at the school cafeteria. All voters from the west half of the county and residing in Precincts 1 and 3 are urged to attend.

VACATION BIBLE SCHOOL

The Robert Lee Baptist Church will conduct its annual Vacation Bible School the week of May 24-28 from 8 a. m. until 11 a. m. daily. Preparation Day for the school will be held at 2 p. m. Saturday, May 22. Highlight of Saturday's schedule will be the parade through town. Every boy and girl in Robert Lee between the ages of 3 and 16 is invited to attend Vacation Bible School at the Baptist Church.

Mr. and Mrs. H. C. Allen and their son, H. C. Allen, Jr., of San Angelo returned Tuesday from a motor trip to California. They visited their son and brother, Frank Allen, at Merced. H. C. Allen, Sr. became ill while on the trip and they returned home sooner than expected. Mr. Allen was much improved by the time they arrived home.

FINAL WEEK OF SCHOOL TERM IN ROBERT LEE

Robert Lee High School Commencement Exercises Tuesday night were high lighted by coveted diplomas being presented to a senior class of eight girls and a like number of boys.

Highest scholastic honor was achieved by Martha Sue Richardson, who gave the valedictory address. Her grade average was 94.562. In second place was the salutatorian, Lvon Reid, whose grade was 93.937.

Medals were presented to both young ladies and each received a college scholarship.

Other senior awards announced were as follows: Bill Casey, best all around boy; Hollis Lloyd, Jr., (2) good citizenship and annual editor.

The junior-senior banquet held Wednesday night of last week at Cactus Hotel in San Angelo was a gala affair. Baccalaureate services were held at the school auditorium Sunday night.

Awards to other high school students were announced Wednesday as follows: Betty Burson, (2) scholarship and English; Leslie Nell Wink (2) best all around girl and history; Nell Burson, mathematics; June McKinley, band; Jim Cox, agriculture; Robbie Don Godwin, science; Jeffie Harmon, citizenship; Jo Clawson, home economics.

DAVIS GIRL RECOVERING

Sheridan Davis, 14 year old daughter of Mr. and Mrs. Pete Davis of Colorado City, was badly injured last Saturday when she jumped off a horse and struck her head on the pavement. She was unconscious until a couple of days ago, but is now showing much improvement. She sustained a skull fracture.

Ten dollar baskets of groceries given away last Friday and Saturday at the Baker Grocery & Market 7th Anniversary event, went to Mrs. Claude Brown, Mrs. Buck Ivey, Mrs. Jack Cowley, Mrs. W. T. Roach, Mrs. Jerome Sheppard and Newt Fields.

Jack Mitchell, driver for the Lane Truck Company, was hospitalized here Wednesday after being struck on the head by a section of oil well pipe.

HEAVY RAINS CONTINUE TO BREAK DROUTH

Another soaking rain early this week brought the total moisture to 10 inches since April 12. This amount has been gauged at the Soil Conservation office in Robert Lee. The amount varies in other parts of the county but the average rainfall received in the past few weeks will run from 8 to 12 inches.

Monday night and early Tuesday the rainfall here measured 2.4 inches and a similar amount was reported at Bronte. Most areas of the county had from 1½ to 2 inches. Again the downpour was gentle with the showers extending over a period of several hours and little runoff water resulted.

The Colorado River overflowed at Silver and was bank full in Robert Lee Wednesday, due to heavy rains above Colorado City and Snyder. Mountain Creek again showed a considerable rise with flood waters doing additional damage to the dam spillway.

Officials of the UCRA were in touch with Engineer S. C. Cooper again this week, demanding that his firm speed up plans for constructing a concrete apron over the lower end of the spillway to prevent further washing.

Farmers and ranchers are more jubilant than ever over the wonderful rains, although they are running into difficulty with their crops. Many fields of grain sorghums are up and growing but some cotton has been planted two or three times.

Coke County's entire allotment of 10,000 acres of cotton is expected to be planted. Persons who do not intend to use their allotments, may turn same back without losing their allotment for next year. Acres turned back are pro rated to other farmers.

J. E. Quisenberry states that 1,400 acres have been turned back. Most of it has been reallocated but about 300 acres are still available.

A/1c Wallace Ross arrived reformed for a visit with his parents, recently in the home of his parents, Mr. and Mrs. Roy P. Ross. He has been in Korea for a long period of service and is enjoying a month's leave. Wallace will be stationed at an eastern base.

HOSPITAL NEWS

May 12—O. L. Clepper, E. C. Davis admitted.

May 13—Bruce Allen, Mrs. Lindy Devoll dismissed.

May 14—Connie Dukes, Mrs. Maxine Valenza admitted. Mrs. Jack Walker, Mrs. A. E. Latham dismissed.

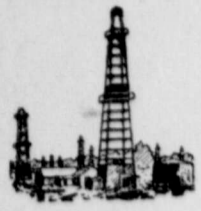

May 15—Mrs. Fred Smith, Connie Dukes, Mrs. Maxine Valenza dismissed. Tom Schooler passed away at 6:05 p. m.

May 16—O. L. Clepper dismissed.

May 17—Mrs. R. A. Yocham, Terry Coppiner admitted. E. C. Davis dismissed.

May 18—Frankie Wojtek admitted. Charles Arnold, Mrs. R. A. Yocham dismissed.

May 19—Jack H. Mitchell admitted.

Notes From The Oil Field

Rotary rig activity in the Permian Basin of West Texas and southeast New Mexico reached a new high for this year as 524 units were reported drilling in a May 10 survey. Andrews led all other Texas counties with 65. Coke was tied with Howard county for second with each having 28 rigs operating.

WITH PERKINS-PROTHRO

John Conley of Robert Lee and Douglas Gartman of Sanco have been employed as pumpers by the Perkins-Prothro Co. of Wichita Falls.

The former went to work for the company some time ago and Gartman was added last month. A camp with homes for the pumpers is now under construction.

Perkins-Prothro now have 29 producers in the field across the river, southwest of Silver, which is being rapidly developed. Six rotary rigs are now drilling for the Wichita Falls concern which has proven territory for 140 producers. Their leases are confined to the W. C. Blanks Lou E. Johnson Estates.

The Lee Ligon wildcat, a mile south of the McCutchen field east of Robert Lee, has been plugged at a depth of 4,200 feet.

Sid Katz Exploration Co. of Abilene is drilling its No. 1 Dove F. Rawlings et al, four miles southwest of Bronte. Location is in section 23, C. Rubio survey. It is a Cambrian wildcat slated for 7,000 feet.

6 New Producers In Silver Area

American Republics 5 Willie I Tubb, 4 1/2 miles southwest of Silver, has been completed for a daily flowing potential of 460.57 barrels of 45 gravity oil. Gauge was through a quarter inch

choke. Flowing pressure was 1,000 pounds and the gas-oil ratio 1,072-1. Top of pay was picked at 6,114 feet.

Perkins-Prothro of Wichita Falls report five new producers on the W. C. Blanks property across the Colorado River southwest of Silver.

Their C-4 Blanks flowed 279.18 barrels of 45 gravity oil through a 12-64 inch tubing choke. Pressures were 328 pounds on casing and 875 pounds on the tubing. Gas-oil ratio 1,016-1.

Perkins-Prothro 2-13 Blanks was finished for 308.67 barrels of 45 gravity oil through a choke of 12-64 inch. Gas-oil ratio 1,250-1. Casing pressure 500 pounds, tubing pressure 1,075 pounds.

Perkins-Prothro Blanks B-8 flowed 295.04 barrels of 44 gravity oil during its official 24-hour test. Gauge was through a 12-64 inch choke. Gas-oil ratio 1,336-1. Casing pressure 1,050 pounds, tubing 1,200 pounds. Top of pay was 6,185 feet.

Perkins-Prothro C-3 Blanks was finished for a daily flow of 304.22 barrels of 44 gravity oil through a 12-64 inch choke. Pressures were 475 on casing and 1,100 pounds on the tubing.

Perkins-Prothro Blanks A-5 produced 324.72 barrels of 44 gravity oil during its official 24-hour test. Pressures were 500 pounds on the casing and 1,150 pounds on the tubing.

SHRINE CEREMONIAL

Spring ceremonial of the Shriners will take place Friday and Saturday of this week at San Angelo. A considerable number of Shriners reside in Robert Lee and other parts of Coke County.

Mrs. J. I. Murtishaw visited last week with her son-in-law and daughter, Mr. and Mrs. C. H. Gibbins. Mrs. Gibbins and Mrs. Dorothy King brought her home Sunday. Mrs. King, former Robert Lee resident, is a daughter of the late Walter McDorman.

TWISTERS LICK MILES GIANTS IN CONCHO TILT

Coke County's Rabbit Twisters continued their winning streak with a 15 to 4 victory at Miles Sunday. It was a Concho League contest and leaves the Twisters tied with Sonora for second place in the loop standing.

The Coke County club garnered a total of 16 hits, their best record of the season, and played errorless ball in the field. Young Buck Thornton hurled for the Miles Giants, with Englert on the receiving end.

Clarence Tinkler was touched for ten safe blows. His battery mate was Franky Percifull.

Seven tallies were manufactured by the Twisters in the second frame when 12 men batted. Hits by Tinkler, Marlon McCutchen, Norman Roberts and Ronnie Baker were aided by two walks to Tyrus Davis and a couple of hit batsmen.

Two more runs resulted in the fourth inning when Lew Heuvel led off with a triple, John Conley followed with a two-bagger and Davis hit safely to right. A walk to Percifull, Tinkler's double and a two-base hit by Roberts put two runs across in the eighth.

A walk to Conley and hits by Davis, Baker, Jimmy Gray and McCutchen brought in four more tallies in the last inning.

Miles scored once in the fourth when Harley Jeschke's double sent Jansa across. Four hits in the seventh accounted for the other three Miles runs.

The Twisters executed two fast double plays. In the first inning McCutchen caught a liner and doubled Dorwtek at first. Conley, to Hollis Lloyd, to Davis in the last inning was well timed.

Heuvel was hit by a pitched ball the first two times up. He poled a triple into deep left and fled out to center before taking himself out of the lineup after five innings in favor of Lloyd. The latter did all right at 2nd base and got a hit in two times at bat. Jimmy Gray hit twice in three trips after succeeding Tommy Franks in left field. Conley had three walks in addition to his two-bagger.

METHODIST CONFERENCE

The Rev. Ray Lee will preach his last sermon here Sunday, May 23, before leaving for the annual conference in San Antonio next wee. The Rev. and Mrs. Lee returned yesterday from a few days visit at Vega with their son-in-law and daughter, Mr. and Mrs. James E. Garrett.

NOTICE OF BOARD OF EQUALIZATION MEETING

In obedience to an order of the Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Robert Lee, Coke County, Texas, at 9 o'clock a. m., beginning on Monday the 31st day of May, 1954, and from day to day thereafter, for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in Coke County, Texas, until such values have finally been determined for taxable purposes for the year 1954, and any and all persons interested or having business with said Board are hereby notified to be present.

Weldon Fikes,
County Clerk
Coke County, Texas
Coke County,

History of Coke County

By Jessie Newton Yarbrough

STALLMENT THIRTEEN

INDIAN LIFE (Cont'd)

In 1930, E. B. Sayles reported investigation of a rock shelter on Oak Creek in Coke County which contains petroglyphs. In his report, Mr. Sayles says: "Through the courtesy of Mr. W. M. Wylie, the owner of the land, a small rock shelter on Oak Creek in Coke County was investigated. In it were found a number of petroglyphs and three levels."

The shelter was discovered by Conda H. Wylie, present owner of the land. The entrance to the shelter is so inconspicuous that Mr. Wylie had lived on the branch a quarter of a century before he detected its presence. It is so well hidden that it does not attract one's attention.

Mr. Sayles report described the shelter as being a ledge of sandstone, twenty feet above the bed of the creek, but below the level. The opening of the shelter faces the north, is thirteen feet across, eleven feet in depth, and eight feet in height at the entrance to the undisturbed clay level. The investigation revealed "four strata of charcoal and other evidences of occupation." Mr. Sayles describes the four strata in great detail.

In addition to this shelter with the petroglyphs, the vicinity of this site has some other interesting features. Along the east bank of Oak Creek for a distance of several hundred yards to the south of the shelter are scattered work-shops. Here were found a few finished implements, hammer-stones, et cetera. Immediately east of the shelter are a number of small circular stone hearths. West of this campsite are two deep, boat-shaped mortar holes. Another campsite on the west side of the stream and about six hundred yards lower down, contains a great number of hearths.

From the narrative of an eye witness, the general vicinity of this site was occupied by more than twenty thousand Indians for several months in 1854, during a conference with Government officials, with the view of their locating upon reservations.

An extensive site containing petroglyphs was discovered about two miles west of the "ghost" town of Fort Chadbourne by Dr. Cyrus N. Ray in the fall of 1940. Mr. and Mrs. Farrest Kirkland made accurate copies of these petroglyphs which were published in the Archaeological Bulletin.

Most of the pictures at this site are under shallow shelters near the top of a small mesa; three designs are on boulders at the foot of the hill.

Dr. Cyrus N. Ray has published locations and descriptions of twenty Indian campsites in Coke County:

Site (1) is the rock shelter (described by E. B. Sayles) on the east bank of Oak Creek near Highway 158 bridge over that creek.

Site (2) is about a mile north of Fort Chadbourne Station, where a lane follows the Santa Fe railroad north on its west side. The site lies west of the lane where a small dry branch of Oak Creek crosses the road.

Site (3) is located about one and one-half miles south and one and one-half miles west of Fort Chadbourne Station and on the

Bronte and south of the road and the creek.

Site (8) is located three miles southwest of Bronte where a high rocky escarpment known as Cedar Mountain rises close beside the Colorado River, on its north bank.

Site (9) is located about one mile northeast of Robert Lee on Mountain Creek.

Site (10) is located about one and one-half miles south of Highway 158, as it nears Robert Lee, in a cultivated field about one-half mile "southwest of the air beacon which is east of Robert Lee."

Site (11) is on both banks of Cow Creek (on the north side of the road) where the creek crosses Highway 158, between Bronte and Robert Lee.

Site (12) is on Highway 208 about seven miles northwest of Robert Lee, north of a grove of very tall pecan trees on the west side of the road and several hundred yards northwest of the bridge over Yellow Wolf Creek.

Site (13) is on the main western branch of Kickapoo Creek below sites (5) and (6), and two miles northwest of Bronte.

Site (14) is on Valley View Creek and on both sides of the road, about six miles south of Robert Lee where the creek

The Observer, Robert Lee, Texas

May 21, 1954

crosses Highway 208.

Sites (15) and (16) are on a bank of the Colorado on the country lane which makes an oval circuit of the Jameson Oil Field, near the point in the lane farthest from the paved highway.

Site (17) is almost due east of site (1) and east of Site (16) and on the same branch as Site (18).

Site (18) is on the east terrace of a branch of Oak Creek which flows south about one-half mile east of old Fort Chadbourne.

Site (19) is on the west side of Highway 70, just north of the Colorado River bridge south of Bronte.

Site (20) is located several hundred yards from the road up Yellow Wolf Creek, but on the east side of the highway, northeast of the same creek bridge described in Site (12) and about opposite Site (12).

Mr. and Mrs. Curtis Stewart of Albuquerque, N. Mex., and Mr. and Mrs. Virgil Duncan of Big Lake visited here the last of the week with Mrs. C. D. Stewart and other relatives and friends. Mrs. Duncan is a sister of Curtis and Mrs. C. D. Stewart is their mother.

BIRTHDAY PARTY

Mrs. Will Percifull was hostess on May 5 at a party honoring the birthday of her daughter, Melinda Lou. There were forty guests, including Mrs. Delmir Sheppard and grandchildren, Janie Ann and Bud, Mrs. Jimmy Mathis and daughter, Kathy, Mrs. Curtis Blair and sons, Jimmy and Joe Dee, Mrs. Willis Wayne Smith and children, Stevie and Robbie, Mrs. Howard Varnadore and children, Jimmy, Ronnie and Marsha, Mrs. Billy Carrol Green and son, Carroll, Mrs. Garlan Green and children, George, Bob and Nan, Mrs. Paul Burns and children, Suzann, Bill and Douglas, Mrs. Hershall Hall and son, Randy.

Out of town guests included Melinda's grandmother, Mrs. Lillian Rudicil, whose birthday is also May 5, her great grandmother, Mrs. Dave McCrohan, Mrs. Oscar Tumlinson and daughters, Frances and Gilda, and Mrs. Bill Taylor and daughters, Sharon and Ellen Kay, all of San Angelo.

Miss Maurita Dietz of Abilene was a weekend guest here of Miss Jonell Black, home demonstration agent.

MOST for your money

-new FORD Triple Economy Pickup!

NEW FORD 6 1/2-ft. F-100 Pickup. GVW 4,800 lbs. Big 45-cubic-foot box. Only Ford has toggle-type tailgate latches with rubber anti-rattle cushions.

MOST POWER

With new 130-h.p. Power King V-8 engine, the new Ford F-100 Pickup is the most powerful ever built! Or, choose the 115-h.p. Cost Clipper Six—the most efficient 6-cylinder engine in its class! Both engines develop more horsepower per cubic inch of displacement than any other Pickup engines. High power with small displacement normally means gas savings! ONLY FORD gives you a Low-FRICTION, high-compression, overhead-valve, deep-block engine in every truck model!

MOST COMFORT

ONLY FORD offers so much to help the driver do a better day's work—faster and easier! The new Ford Truck Driverized Cab gives you more glass area, wider seat, and wider opening doors than any of the other five leading truck makes! ONLY FORD gives you seat shock snubbers, to iron out the bumps and give you real riding comfort. Options at low extra cost: Power Brakes—ONLY FORD 1/2 tonners offer them! Fordomatic Drive—takes 90% of the work out of driving!

MOST ECONOMY

ONLY FORD Trucks for '54 give you Triple Economy! 1. New gas-saving Low-FRICTION engines increase power up to 23%, cut wasteful internal engine friction as much as 33%. 2. New Driverized Cabs, and controls like Fordomatic and Power Braking at worth-while extra cost, reduce costs by helping the driver do a better job. 3. New Capacities! Over 220 models with strong low-weight chassis for trip-saving payload capacities! And Ford Trucks last longer!

Silver Trustees Elect Teachers For Coming Year

At its first meeting of the new year last Thursday night the Silver School District Trustees re-elected Hale Kincaid to be president of the board. Bob Edwards was named secretary to succeed O. L. Snyder.

The board re-elected H. R. Gassiot as principal and his wife as 1st grade teacher. Miss Violet Brown was retained as teacher of the 5th and 6th grades, and Mrs. Charles Kennedy in the 7th and 8th. Mrs. Claude Walker, who has been teaching in Robert Lee the past six years, was selected as 2nd grade teacher. She resides in Silver where her husband is a pumper for Sun Oil Co.

A vacancy exists in the 3rd and 4th grades where the teacher will be expected to have charge of public school music. Plans are to engage an extra teacher the coming year to instruct mathematics and physical education. Mr. Gassiot would then be relieved of most of his present teaching assignments.

The Silver district has an enrollment of 103 pupils. It is expected to show an increase by next September with more families coming into the community because of the oil development.

8TH GRADE GRADUATION

Fifteen eighth graders will be honored at graduation exercises of the Silver public school Thursday night of this week. The program:

Processional, Mrs. J. B. Higginbotham.

Invocation, Rev. H. L. Bloodworth.

Salutatory, Anne Reed.

Class Will, Mary Ann Caldwell

Piano Solo, Carolyn Shimer.

Prophecy, James Berry Scoggin.

Valedictory, Joe Windham.

Address, Prin. J. F. Jones.

Presentation of Diplomas, H. R. Gassiot.

Benediction, Foy Moore.

The graduates are Mary Ann Caldwell, Dale Dean, Louie Don Frizzell, Tommy Gibson, Elaine and Yvonne Higginbotham, Carolyn Holt, Dwayne and Wayne McFerrin, Charles Palmer, Anne Reed, James Berry Scoggin, Peggy Snyder, Tommy Stewart and Joe Windham.

Butch Arnold was released Tuesday from Coke County Memorial Hospital where he underwent an appendectomy Thursday of last week. He is the son of Mr. and Mrs. Charlie Arnold of Silver and a grandson of Mrs. Lloyd Phelan of Robert Lee.

Blackwell and Westbrook will meet in Robert Lee Thursday af-

chose to play the deciding game on a neutral diamond. ternoon to decide the bi-district base ball championship. Both have won one contest, and they

PERSONALS

Relatives gathering in the home of Mr. and Mrs. R. L. Page over the weekend of May 9 included Mr. Page's sister, Mrs. Elmer Modgling and Gary and Mr. and Mrs. Walker Good of Weatherford. Also his cousins, Mrs. Buster Fields and Mrs. Connie Brown and Mrs. George Wilson of Ft. Worth. Kinfolks of Mrs. Page and her mother, Mrs. M. S. Winston, were their sister and daughter, Miss May Winston of San Francisco, Calif., and Mrs. A. W. Bishop, a sister of Mrs. Winston. The latter accompanied Mrs. Bishop on a visit to Crystal City.

COSGROVE, Minister

The first soft ball game of the season was played at Gladney Field Monday night. More games are being booked.

Prin. and Mrs. H. R. Gassiott leave next week for Abilene where the former will attend a 6-weeks' summer course at H-SU.

Frank Lacik is recovering nicely from an ankle fracture received Christmas Day and has resumed his duties as a pumper for Sun Oil Co.

Airman Clifford Wilson left Thursday from San Antonio for the west coast and an assignment overseas. He and his wife, the former Susie Jameson, have been visiting with her parents, Mr. and Mrs. Jahew Jameson. Mrs. Jameson went to San Antonio Wednesday night to accompany her daughter back to Silver.

Paul Gilbert and family returned Saturday from a two weeks' vacation spent with his father at Shreveport, La. Mr. Gilbert is chief clerk in Sun's operating office here.

Gorman Walker and wife came down from Coahoma to visit his father, Baylor Walker, and family. They all went to Robert Lee and joined other kin-folks in a Mother's Day dinner in the home of Grandma Sam Walker. Also present were the Curtis Walkers of Robert Lee and the Lee Furguson and S. F. Palmer families and Mrs. Mollie Kleas of San Angelo.

Sonny Palmer and Beth Newell were recently voted "cleverest boy" and "friendliest girl" by their fellow students at Colorado City High School. Beth, a junior, is the daughter of Mr. and Mrs. Ollie Newell. Sonny, a senior, is the son of Mr. and Mrs. Cecil Palmer. A picture of the young couple appeared in the current issue of Sun News, published at Dallas for employ-ees of Sun Oil Co. and Sun Pipe Line Co.

Mr. and Mrs. W. D. Jameson were forced out of their ranch home near Colorado City by a flash flood Monday night. The rainfall was estimated at five inches, and two inches of mud was left in their home.

Visitors in th home of Mr. and Mrs. J. E. Garvin at Edith last Thursday were Mr. and Mrs. John Keeney, Mrs. Charlie Keeney and Frank Keeney of Bronte and Mrs. J. E. Hoherd and Curtis Keeney of Temple.

J. I. Murtishaw and family of Bronte and Mrs. Melba Austin and son, Dickie, enjoyed a week-end outing at Garner State Park near Uvalde. They report the park is beautiful, well equipped and attracts many visitors.

Mrs. Earl H. Ivey and her new daughter were brought home last Thursday from Shannon hospital where the baby was born May 9.

LEGAL NOTICE

IN THE COUNTY COURT OF COKE COUNTY, TEXAS ESTATE OF WILMA REED, ET AL, MINORS.

NO. 592 — PROBATE THE STATE OF TEXAS COUNTY OF COKE, ss

To all persons interested in Wilma Reed, a minor, and Kenneth Reed, a minor, or their estates:

You are notified that I have on the 19th day of May, 1954, filed with the County Clerk of Coke County, Texas, an application under oath for authority to make to S. E. Adams, as Lessee, an oil, gas and mineral lease on the undivided interest of each of said minors in and to the following described real estate, lying and being situated in Coke County, Texas, to-wit:

219.8 acres, more or less, of land, being all of the South part of the West one-half of Section 6, Block 1, H. E. & W. T. Ry. Co., Cert. No. 583, patented to John Cornelius by Patent No. 319, Vol. 37A, dated December 21, 1927.

That Jeff Dean, Judge of the County Court of Coke County, Texas, on the 19th day of May, 1954, duly entered his order, designating the 31st day of May, 1954, at 10 o'clock, A. M. in the County Courtroom of such County, as the time and place and when and where such application would be heard and that such application will be heard at such time and place.

Progressive Business And Civic-Minded People of San Angelo And Vicinity

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Robert Lee Observer as he saw conditions. These people are all leaders in their various lines of endeavor and the cooperation of those citizens in San Angelo who helped make this department possible is sincerely appreciated.

Earl Heddins

Earl Heddins of The Heddins Body Shop, is one of those progressive business men who has always done his bit to maintain the prestige of the city of San Angelo as the leading metropolis of this section of the state. He has always worked for the development of the city and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do, his widespread reputation for honesty which characterizes all of his business dealings. And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Heddins to the position of leadership in the automotive body repair and painting business.

He is completely aware of his civic responsibilities and is wide awake to the many opportunities for service, and always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Earl Heddins on his accomplishments, and wish for him continued success.

Nelda C. Jones

We desire in this San Angelo review to call the attention of our readers to the well-earned position which Nelda C. Jones has reached in the business life of this section. During the comparatively short time she has been operating The Bar-B-Que Cafe, located next to The Jet Drive In Theater, she has made many personal friends as well as a host of new friends and customers for The Bar-B-Que Cafe.

Mrs. Jones has worked hard to deserve the confidence which the people of the community have in her and she continues to work hard to maintain, in every way, that high standard which she has set, not only for herself, but for the operation of her cafe as well.

She has also shown a willingness to assist in every manner at her disposal in the growth and development of the city and is always ready and willing to lend her support to community projects. Nelda Jones deserves our heartiest congratulations on the splendid record she has already established and we sincerely hope for her continued success.

Johnnie Fisher

Logically a man who has earned the reputation of being one of San Angelo's more progressive used automobile dealers, would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is modest, efficient, friendly Johnnie G. Fisher of The Johnnie Fisher Motor Company, who numbers many of our readers as some of his best customers.

Mr. Fisher is the type of man who would be an asset to any community, not only because the successful conduct of his busi-

ness plays a definite part in the general civic scheme but because the ultimate measure of his value to his city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

We congratulate the people of San Angelo for numbering among their more progressive citizens such a man as Johnnie Fisher and we also express the wish that he will enjoy many more years of success.

Clayburn Lindley

Clayburn Lindley is one of the more successful restaurant operators of San Angelo who, by maintaining a standard of service and high quality foods, has made The Cactus Grill one of the more popular eating places in the community. We are glad to give him credit for his success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs and lending his assistance to various activities and public drives. When to take part in such matters he always does so without ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a man as Mr. Lindley.

This review of progressive and civic-minded people of San Angelo would not be complete were we to fail to include Clayburn Lindley. His is the kind of success which deserves recognition and we wish him many more years of the same.

Carlos and Ruby L. Mathis

To be a consistent and persistent booster of the home community often takes courage and plenty of optimism. It is because of their unflinching faith in the future of San Angelo and the surrounding country and their unflagging efforts to promote its development, that Carlos and Ruby L. Mathis are selected for this brief tribute.

The Mathis' have proven very ably that they are restaurant operators of unusual ability, for it is largely to their ideals of service coupled with a determination to serve only the very best of food that The Sportsman's Restaurant holds its high position in the public's favor. And their personality and energy in directing the operation of the business are important factors in their outstanding success.

We are glad to pay tribute to Ruby and Carlos Mathis and to point out to our readers that theirs is the guiding influence responsible for the splendid service and delicious foods to be had at the newly redecored and remodeled Sportsman's Restaurant in San Angelo.

B. F. Hayes

It is a well-known fact that a man's true character must come through in his work; whether in business or professional activi-

ties or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such a personality is B. F. Hayes, well known and reliable cement contractor of this area.

In addition to being one of the city's more progressive cement contractors, Mr. Hayes was never one to shirk his civic duties. More than that he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take part. And seldom does he fail to find time to do his share.

B. F. Hayes deserves his share of credit for being one of those progressive citizens of San Angelo who has contributed so substantially to the onward progress of his city. It is a pleasure to include him in this group.

D. A. Bowers

One of the more progressive business men of San Angelo and a man who deserves the respect and good will of a great many residents of the city is capable, friendly D. A. Bowers of The D. A. Bowers Plumbing & Heating whose wide knowledge and long experience in the plumbing and heating contracting business has raised him to a position of prominence in his line.

It is because of this that The D. A. Bowers Plumbing & Heating has earned a reputation for reliability—second to none.

Mr. Bowers is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of San Angelo may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to D. A. Bowers as a progressive business man of whom we may well be proud. His devotion to the city has been constant and his achievement well merited. We wish for him further success.

Max Hall

Recognized as an authority on all masonry contracting problems, Max Hall, a leading and completely reliable brick and tile contractor in this area, has turned his knowledge to the advantage of the people of San Angelo and vicinity. More than that Mr. Hall is a man who has always been vitally interested in the civic betterment and progress of the city and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. San Angelo owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibility.

Because of these things, Max

Hall has become accepted as a progressive man who is an asset to both the business and civic life of the city, and we trust he will continue to serve the people of San Angelo and the surrounding area in his present capacity for many years.

K. T. Gauntt and C. W. Wagner

Due to the efforts of a group of wide awake business and professional men, the city of San Angelo has attained a dominant position in the commercial life of this section of the state. And two of the men who have justly earned credit for being progressive members of that group are K. T. Gauntt and C. W. Wagner of The Bowen Plumbing Company.

It is because of the successful operation of such a business as theirs that the city of San Angelo has earned the reputation of being one of the more progressive communities in West Texas.

Mr. Gauntt and Mr. Wagner have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include C. W. Wagner and K. T. Gauntt in this San Angelo review and to publicly give them credit for their success in business and for their many contributions to the general welfare of the city.

E. L. Barnes

Generally speaking, civic pride is one of those things that goes hand-in-hand with success, because a man must have been successful to fully appreciate the advantages that were afforded him by the community in which he lives.

E. L. Barnes, well known and completely reliable general contractor in this area, is one of those progressive business men of San Angelo who has shown his appreciation for his success by his attention to civic matters. His willingness to become a cog in the wheel of community progress, whenever united effort is needed to put over some movement or project advanced for the good of the city, has always been taken for granted.

Mr. Barnes' quiet assumption of responsibility, not only in connection with his own business, but in regard to other matters as well, has often lent a feeling of confidence to others interested in the same movements.

In complimenting E. L. Barnes upon his high standing in the community, we do no more than express the admiration and respect of his many friends and associates.

Vic Weber

Successful business and professional men, as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element which advocates and develops various projects of a civic nature that are indicative of a progressive community.

Vic Weber, well known and popular wrestling promoter, and operator of The Sherwood Driving Range & Putting Course, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of San Angelo and the adjacent territory.

Mr. Weber takes genuine pleasure in this method of his appreciation for his city and in so doing, recognizes his civic responsibility.

It is such men as Vic Weber who become acknowledged leaders in both business and community activities, and we compliment him on having attained that position in his city.

A. Fenton Stewart

A Fenton Stewart of Bonded Insulation Service has well earned reputation for his progressive business because he constantly forged ahead his efforts to make the service he renders to the people valuable. This invariably has made The Bonded Insulation Service outstanding in the public in the San Angelo area.

But Mr. Stewart has accomplished much more than just a success of his business in private affairs, and we compliment him for the opportunity to pay tribute for devoting what time he spares to the general welfare only to his own city but tire district as well.

It is such men as he, who are both successful in business and appreciative for their recognition. We take pleasure in giving Fenton Stewart credit for his accomplishments and for his friends and associates so long accorded him.

Loy Gandy, Gilbert Sanders & E. E. Bradford

In every community there are a number of business and professional men who can be depended on as having taken a fold part in the onward progress of their city. Three well known business men of San Angelo who belong in this category are Loy Gandy, Gilbert Sanders and E. E. Bradford of Creamery, Inc.

Their leadership in the business community is recognized throughout this entire district. Their furtherance of civic activities and support of organizations whose main objectives are directed along civic betterment and progress is well known to all immediate associates.

They are men who are well liked and respected by their intimate friends, and they are loyal to the community, thankful for their success in business, and have shown appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Loy Gandy, Gilbert Sanders and E. E. Bradford for being good citizens and progressive business men and for their home communities.

The Harrison O. D. Sr., & Jr., and W. L. Harrison

San Angelo owes much to those progressive citizens who have taken an active part in the growth and progress of the city and who have helped to make the business center for the state. In mentioning these men, it is only fair to include O. D. Harrison Sr., and W. L. Harrison of Harrison Roofing Co., who stand for their knowledge of the building and insulation business backed up by their many years of experience, has brought to the forefront in their particular field.

The Harrison's also share in furthering the progress of the city and deserve a share of credit for their successful business.

Continued on Page

NEWS REVIEW—

Continued from Page 6

and civic activities. They are wholly deserving of the praise and these few commendations are but recognition for the many things they have conducted for the general welfare of the community.

most and successful conduct of their business affairs is a reflection of their character. Trust that W. L., O. D. Sr. and Jr., will conserve San Angelo and its people for many years to come.

Horace G. Lewis

Horace G. Lewis of The Schonrock Equipment Manufacturing Company has won the universal respect and good will of the people of San Angelo and the surrounding country for the progressive manner in which he has kept his company in the forefront of the business and civic life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Schonrock is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet his quiet reserve and air of confidence marks him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment E. A. Schonrock for the successful management of The Schonrock Equipment Mfg. Co., also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Fred B. Jeffers

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained The Carpenter Paper Company in the enviable position it holds in the business and civic life of this area. That personality is Rural C. Taylor, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the company now enjoys throughout this entire district.

Mr. Taylor has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which Rural Taylor and The Carpenter Paper Co. have rendered to the people of this entire area.

Norman L. Gray In paying tribute to some of the more progressive business men of San Angelo, we would be remiss in our duty should we fail to include Norman L. Gray of Gray's Paint & Body Shop, whose business ability is no greater than the 'know-how' and professional skill which has contributed to his well known success in the automotive body repair and painting business.

He has also contributed generously to the welfare of his city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed and will continue to perform in the interest of the people as a whole.

Mr. Gray is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

E. A. Schonrock

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions are entitled to more than ordinary acclaim. We are, therefore glad to pay tribute to E. W. Bales of The Master Cleaners, for he has become a well known figure in the business and civic life of the city.

Mr. Bales' persistent optimism and steadfast belief in the continued prosperity of the people of San Angelo and vicinity are characteristics which are deserving of our highest praise. He has also always shown a willingness to do his part in civic advancement and has contributed his bit, in one form or another, to projects promoted for the welfare of his city. We believe that men like E. W. Bales are entitled to our sincere praise, both because he has achieved success in his private affairs and because he is willing to contribute to the public good.

One of the better informed real estate and insurance executives of the city is Bo Williams of The Bo Williams Agency. He has been operating a complete service for his large clientele over a period of time and during that time he has made a great many friends both for himself and for the companies his agency represents.

Mr. Williams has also contributed considerable of his time and energy to the growth and progress of San Angelo and this district, and has been content to take his reward in the quiet knowledge of a work well done and the respect and admiration of his many friends. The value of such a man to his city and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate Bo Williams on his splendid reputation and wish for him a continued successful career as a leader in the real estate and insurance field in the San Angelo area.

There are a number of business and professional men in San Angelo who have gained recognition for their progressiveness and a well-known insurance man who belongs in this category is Claude Lovett of The State Farm Insurance Companies.

Mr. Lovett is well established in the forefront of the business and civic life of his city. He is an aggressive person, yet one whose genial personality has earned for him and The State Farm Insurance Companies, a host of friends and policy holders in his territory. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success. Also, aside from his business activities, he has always accepted his share of

responsibility in aiding civic projects. We congratulate Claude Lovett for his success in the business and public affairs and trust he will continue for many years to enjoy that success which he has so justly earned.

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded people who have contributed their share of time and energy to the building up of San Angelo and the surrounding territory to the position of prominence which it enjoys at the present.

One of these men to whom we wish to call the attention of our readers is Tony R. Salvato of The Corner Drug Store, a San Angelo firm where pharmacy is a profession and not merely a side line. He is a man who has never spared himself in his aggressive march forward and one whose competitors respect as much as do all others with whom he comes in contact. Mr. Salvato is at all times conscious of his civic responsibilities and may be depended upon to meet in every detail the many opportunities which present themselves to be of service to the city. Tony Salvato's record of achievement is one of which he may well be proud. His value to his city and this district is an established fact, and we hasten to give him the credit which is justly due.

the interest of the people as a whole.

Mr. Gray is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Norman Gray on his splendid record of service and trust he shall continue to assist us for many years to come.

E. W. Bales

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions are entitled to more than ordinary acclaim. We are, therefore glad to pay tribute to E. W. Bales of The Master Cleaners, for he has become a well known figure in the business and civic life of the city.

And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success. Also, aside from his business activities, he has always accepted his share of

The Observer, Robert Lee, Texas

responsibility in aiding civic projects.

We congratulate Claude Lovett for his success in the business and public affairs and trust he will continue for many years to enjoy that success which he has so justly earned.

Tony R. Salvato

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded people who have contributed their share of time and energy to the building up of San Angelo and the surrounding territory to the position of prominence which it enjoys at the present.

One of these men to whom we wish to call the attention of our readers is Tony R. Salvato of The Corner Drug Store, a San Angelo firm where pharmacy is a profession and not merely a side line. He is a man who has never spared himself in his aggressive march forward and one whose competitors respect as much as do all others with whom he comes in contact.

Mr. Salvato is at all times conscious of his civic responsibilities and may be depended upon to meet in every detail the many opportunities which present themselves to be of service to the city.

Tony Salvato's record of achievement is one of which he may well be proud. His value to his city and this district is an established fact, and we hasten to give him the credit which is justly due.

Ralph Turicchi And Jeff Watson

Every progressive and successful business man in San Angelo contributes in some manner to the growth and progress of the city. And two men who are always willing to do their part in both civic and business activities are Ralph Turicchi and James J. "Jeff" Watson of The Nehi-Royal Crown Bottling Company, who are well known and have many friends and business associates throughout this entire district.

The prominent part that The Nehi-Royal Crown Bottling Co. is playing in the business and rural life of San Angelo and the surrounding country, mirrors the progressiveness and ability of such men as they. Furthermore, Mr. Turicchi and Mr. Watson have at all times been steadfast in their devotion to the city, and the surrounding country, and on many occasions have lent their support to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such men as "Jeff" Watson and Ralph Turicchi in positions of responsibility and service and this newspaper feels that it merely reflects public opinion in paying this brief tribute to two of the city's more progressive business men.

Homer Emfinger

In making this review of progressive San Angelo business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Homer Emfinger of The Martin Linen Supply Company, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Emfinger has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Homer Emfinger and to point out to our readers that his sincere desire to be of service coupled with his aggressive methods are largely responsible for the standing of The Martin Linen Supply Company in the San Angelo area.

Luther L. Gailey

A restaurant operator of San Angelo who has based his success, with twenty one years experience upon the belief that the public will appreciate good food, well prepared and appetizingly served is Luther L. Gailey of Gailey's Barbecue whose many friends and customers, by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Gailey has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead" and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of San Angelo and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to contribute his time and efforts to the promotion of city projects.

It is men such as Luther Gailey whom we are privileged to include in this review and to publicly give him due credit for his success in business and civic affairs.

C. F. Wiggins

San Angelo has attained a prominent position in the business and civic life of this section of the state because of the foresight of those men who had the ability to envision the possibilities of the community and the trade area it serves. And a wide awake progressive man who justly should be included in this category is C. F. Wiggins of The Gulf Oil Corporation.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Wiggins has earned the good will and respect of his fellow citizens for contributing his bit to the general welfare of the city and the people as a whole.

It is our duty to include C. F. Wiggins in that group of progressive and civic minded people who have done so much for San Angelo and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

Ernest W. Anderson

Ernest W. Anderson has proved his progressiveness by constantly adding to and increasing the service which The Triple Service Station has extended to the people. The large volume of business handled by his 24 hour Phillips 66 Service Station proves that "service" to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his twenty four hour service, Mr. Anderson extends fast and efficient service Continued on Back Page

BUSINESS REVIEW—
Continued from Page 7

on Butane and Diesel Fuel, to truckers in this area.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Ernest Anderson has many friends in and around the city and it is a pleasure to bring him before our readers in his review of progressive San Angelo business men.

Ruth B. Neal and Nedra Marion

To serve the public honestly, efficiently and cheerfully, is the basic foundation many progressive business men and women of San Angelo have found to be the shortest route to success. In making this statement the personalities we have in mind are Ruth B. Neal and Nedra Marion of the Clerical Service. The popularity and patronage enjoyed by their many services accentuates the ideals of courtesy which they have consistently applied in the management of the business.

The conduct of such businesses and the people who operate them have done much to make San Angelo the business center for many miles around. And it is fitting that we give credit where credit is due to such people as Mrs. Neal and Mrs. Marion for their part in the onward progress of the city.

Nedra Marion and Ruth Neal have earned their success by the method in which they have served the public and accepted both business and civic responsibilities and we trust that they both will continue to prosper.

H. M. Chastain, Mrs. P. C., Frances and Vivian Chenault

It is because of the unflinching optimism and faith which they so consistently display toward the future of San Angelo and vicinity that we are prompted to call the attention of our readers to the fine service which H. M. Chastain, Mrs. P. C. Chenault, Frances and Vivian Chenault of the San Angelo Transfer Co., perform in the successful management of their business.

They are aggressive and resourceful personalities whose progressive policies have earned for them widespread reputations as business people of more than average ability; and their apparent willingness to devote some of that ability to the promotion of civic activities further enhances their value to the city. The safety and efficiency of

the operations of The San Angelo Transfer Co., reflecting as it does the executive ability of these people, has earned for the company a well deserved popularity among the people they serve. We are glad to give Mr. Chastain and the Chenault's the credit they so well deserve for their achievements and to wish for them continued successful careers as four of San Angelo's more progressive business people.

Piano Pupils To Give Recital Here

Mrs. Walter Phillips of Bronte will present her pupils in a piano recital Friday night at 8 o'clock at the Robert Lee School Auditorium.

Those taking part include Robbie Don and Clark Godwin, Ann Carwile, Jane Austin, Brenda Sue McDorman, Ann Chevalier, June McKinley and Carolyn Parker. The Robert Lee Bachelors, directed by Mrs. Jeff Dean, will appear on the program.

Other numbers from Bronte will include violin selections by Bill Maxwell and Modene McGuire, steel and electric guitar numbers by Stanley Phillips and Peggy McCleskey with Patricia McCutchen as their accompanist, and vocal duets by Jean and June Moore.

There will be no admission charge and the public is invited.

Mrs. Effie Roe returned recently from a stay of several months in San Antonio.

Notes From The Oil Field

Sun Oil Company has finaled its A-3 Central National Bank (Blanks Estate Trustee) for a daily flowing potential of 197.9 barrels of oil, no water. Gauge was through an 11-64 inch choke with 325 pounds casing pressure and 775 pounds on the tubing. Gas-oil ratio 1,114-1.

Baker & Taylor was the contractor and will move rotary to Sun No. 1 Sam B. Savage as soon as road and location is ready. Slated for 6,400 feet to test the Strawn sand, the location is 2,210 feet from the east and 660 feet from the north lines of Section 71, Block 2, H&TC Survey.

Sun 2 Arledge, north of Sanco, had no shows after deepening to the Cambrian. It was plugged at a total depth of 7,825 feet. No. 2 Arledge was originally completed in the Marble Falls and produced only a barrel or two a month.

Perkins-Prothro A-1 J. W. Johnson et al has been completed for a daily flow of 295.73 barrels of oil through a 12-64 inch choke. Pressures were 275 pounds on the casing and 900 pounds on the tubing, with a gas-oil ratio of 920-1.

Stanolind No. 7 Jessie Chappel has been finaled for a potential daily flow of 196.71 barrels of oil through a 14-64 inch choke. Casing pressure was 275 pounds and 700 pounds on the tubing. Gas-oil ratio 1,536-1.

Mrs. J. E. Garvin leaves Friday for Montgomery, Ala., in company with Mr. and Mrs. Robert Scheaffer of San Angelo. They will visit their daughter and granddaughter, Mrs. Harry Larson, whose husband is stationed at an air base there.

Mr. and Mrs. Charlie Williams of Waco and Mrs. Homer Maner of Brownwood visited here Tuesday with their kindred.

liams, Davis and families. The late Sid was the father of Charles Williams and Mrs. Maner.
