STEERS NOT AT TOP FORM FOR BRONTE

Robert Lee Steers failed to come up to expectations in taking a 38-6 defeat at Bronte last week. High hopes were held that the Steers had been coming along so well they would be able to handle the Longhorns, and thus gain undisputed possession of first place in the conference.

The Bronte victory threw District 6-B into a three-way tie between the Longhorns, Hermleigh and Robert Lee. Officials of the three schools drew lots to see which team would go to bi-district, and Robert Lee won the honor and will play Rankin there Thursday night, Dec. 1.

Experts were probably right in figuring Bronte two or three touchdowns better than Robert Lee, but the 38-6 shellacking is not a fair comparison of the two clubs. The Steers are a better team than that.

Best alibi for the local club is that their star quarterback, Tom Sawyer, had been sick all week. He's the sparkplug of the Steer offense and also a fine defensive player. Because of his condition, Coach Manire had him on the bench more than half the game.

Fumbles also plagued Robert Lee. They lost the ball four times in this manner. Early in the game after Bronte made its first touchdown, the Steers were getting down to pay dirt when a fumble on the 20-yard line blasted their scoring opportunity. This may have been the turning point in the contest.

If Robert Lee had gone on to make a touchdown they may have turned out to have been a hard hitting, fighting club which would have given Bronte trouble all the way.

Statistics show Bronte making 21 first downs and Robert Lee 11. The Longhorns were credited with 424 yards rushing and the Steers 148. Bronte scored twice in each of the two first periods to lead 26-0 at the half. They added a touchdown in both the last two quarters. Robert Lee's tally came early in the last period when Robbie Don Godwin smashed through the Bronte line for 22 yards.

A more complete account of the game appears elsewhere in The Observer.

RECORD ATTENDANCE

A record crowd attended the Robert Lee game at Bronte last Friday night. Receipts were more than \$600, and a net profit of \$252 went to each school. Gate receipts are split in conference games.

Snead, Jr. were the only ones of a group going to Mason to bring home a deer. The former bagged a 7-point buck and Snead got a 4-pointer.

Road Funds To Be Divided On Present Ratio

Coke County funds designated for road construction and maintenance will continue to be divided among the four precincts as follows:

Precinct 1	32%

This action was taken at the Commissioners Court session here Monday. It was also decided that in the near future these funds would be allocated to the various precincts, including the Farm to Market Road fund after the UCRA payments are taken out.

In the past the Farm to Market Fund has been used to buy right of way and build fence on new highway projects in various parts of the county.

Because of Judge Jeff Dean's continued illness, the commissioners held a brief session at his home in the afternoon.

Making Big Fill On No. 208 South Of River Bridge

Construction work on Highway 208 in Coke County, to cost \$281,000, has been progressing on schedule.

For the past two weeks heavy dirt moving equipment has been making a new fill on the flat south of the Colorado River at Robert Lee. A fill from 8 to 10 feet high is being constructed across the river bottom for the new pavement which will straighten the road.

Delivery of steel for the new bridge has been delayed another month until at least the middle of January.

Work continues on several new bridges and culverts between Saco and Silver. Some of the structures have been finished and three small stretches of road are ready for top surfacing.

D. M. Ferrier is general superintendent for the contracting firm of West-Tex Construction Co. Smith & Robinson have a sub-contract to handle the dirt work.

Due for publication next week is the advertisement for bids on the new Precinct 3 road project on which a contract will be let the middle of December.

The new highway runs north from Pecan Church west of Edith and connects with the new Precinct 1 paving extending from Shaggy Feak to the new river bridge southwest of Silver.

ROBERT LEE TO PLAY RANKIN IN DEC. 1 PLAYOFF

Robert Lee Steers will meet the Rankin Red Devils in a bi-district game at Rankin the night of Thursday, Dec. 1. Robert Lee will represent District 6-B, while Rankin is the winner of 5-B.

Following the game at Bronte Friday night representatives of the five schools in District 6-B went into session to iron out a three-way tie between Hermleigh Cardinals, Bronte Longhorns and the Robert Lee Steers. They were tied for first, each having won three conference games and lost one. Robert Lee defeated Hermleigh, Hermleigh won from Bronte and Bronte whipped Robert Lee.

It was decided they would dray to see who went to the bi-district and Robert Lee won the honor.

Coach Ted Kirby of Rankin was on hand, too, and immediately went into a conference with Supt. B. C. Goodwin and Coach C. D. Manire of Robert Lee. Both schools wanted the game, but Kirby outbid Robert Lee with a cash offer of \$650. In other words Robert Lee gets \$650 for playing the game at Rankin and all expenses for officials, etc., will be paid by Rankin. Supt. Goodwin said he did not have the backing to make a higher offer for Rankin to come here. Only expense Robert Lee will have is to pay one-half the cost of a gold football trophy costing \$37.50 to be given the bi-district winner.

The marching band and a lot of fans plan to accompany the team to Rankin. Game time is 7:30 and tickets will cost \$1.50 for adults.

Coach Manire put his squad through tough workouts the first three days this week. They will rest over Thanksgiving and resume drills Monday. The boys are in good shape and should be in top form next week. Delton Chatham, dependable tackle, was knocked out in the Bronte game, but he got out of the hospital the next day and is OK. Tom Sawyer is getting back his pep after a tussle with the flu.

Folks out at Rankin may expect Robert Lee to give them a good game. The Red Devils are strong this season, but they lost four contests outside their conference.

Steers Get Four On All-District Team Selection

Robert Lee Steers placed four men on the All-District 6-B football team. They are Roland McArthur, co-captain and center, Jerrell Harmon, end, Robbie Don Godwin, fullback, and Tom Sawyer, quarterback.

McArthur and Harmon are seniors. Godwin is a junior and Sawyer is a sophomore.

Three Robert Lee players selected for the second team were Bill Simpson, tackle and co-captain, Sammy Duncan, halfback, and Jack Gray, end. Duncan and Gray are juniors. Guard Sam Ed Skipworth, a Robert Lee freshman, was given honorable mention.

Tackle Joe Ramirez and Halfback Pinkie Gentry made the first team for the Bronte Longhorns.

Selection of the all-district teams was made by coaches in a meeting at Bronte last Friday night.

Railroads are vigorously promoting a so-called "Cabinet Committee plan" to restrict public controls over transportation rate-making—returning such power to railroad hands.

Your rights and privileges as an American citizen are protected by the Constitution, a unique and magnificent document whose principles are as sound today as when written, over 150 years ago.

Through the years, amendments have been added to keep the Constitution up-to-date.

The same is true of the regulatory powers of the Interstate Com-

STEERS LOSE TO LONGHORNS BY 38-6 TALLY

(The following account of the Robert Lee-Bronte game last Friday night was written by Bob Franklin for the Standard-Times. Bob, well known Bronte young man and a sports expert, is a grandson of F. C. Wojtek, Sr., and a sister of Mrs. Earl Ivey of Robert Lee. He is a journalism student at San Angelo College.)

The Robert Lee Steers lost to Bronte Friday night, 38-6, but won the flip from the Longhorns and Hermleigh to represent District 6-B in the playoff against Rankin.

All three teams lost one game. Hermleigh beat Bronte, Robert Lee beat Hermleigh and Bronte beat Robert Lee. All are tri-champions but the Steers were better coin callers.

It was the hard-charging Bronte

line, led by Joe Ramirez, Martin Lee, Bobby Brock, Les Caperton, Don Glenn, Bobby Webb and Bobby Hester that made the big difference. Time and again the Maroon and White chargers opened gaping holes in the Steer defense and Pinky Gentry and Noel Scott rolled up 192 and 107 yards respectively on the rushing ledger. The Longhorns netted a total of 424 yards via the rushing route. Scott averaged 18 yards on six carries, and Gentry had a 13-yard average on 15 leather lugging assignments.

FIRST SCORE

On the third play from scrimmage, Webb, Ramirez and Hester mowed down the entire right side of the Robert Lee line and Gentry turned in some fancy stepping in the secondary and raced 58 yards to give the Longhorns a 6-0 advantage.

The game Steers from Robert Lee took the ensuing kickoff and marched to the Bronte 22 before Ramirez recovered a fumble for

Bronte to cap the drive. Sammy Duncan turned in a pair of fine runs and Robbie Don Godwin galloped 31 yards to highlight the march.

Bronte took advantage of the break and traveled 78 yards to another touchdown. The big play was a 62-yard pass from Johnny Smith to Billy Tounget. Noel Scott rambled 12 yards to the one, then climbed over the middle for the second Bronte touchdown. The first quarter ended with Bronte on top 12-0.

NUMBER THREE

Bill Wrinkle hung up touchdown No. 3 on the Bronte score board with a 19-yard effort off tackle. The drive consumed 79 yards in nine plays. Gentry checked in 41 yards in three carries to lead the march. Scott plunged for the point after to give the Longhorns a 19-0 margin.

Minutes later, the redheaded terror Gentry was off on a 54-yard scamper to the Steer seven-yard line. From here, Jimmy

Smith scored on the keeper and Scott added the extra point to boost the score 26-0 at halftime.

During the second half, C. D. Manire's battling Steers gave a better account of themselves but the heavy Bronte ground attack continued to dominate.

A Steers goalward march bogged down on the Bronte 28 early in the third quarter and Bronte rolled to a touchdown in nine plays. Noel Scott netted the final 32 on a sweep around left end. The tally boosted the Bronte lead to 32-0.

Roland McArthur, Robert Lee center, intercepted a Bronte pass and made a nice return to the Longhorn 27. One play later, Robbie Don Godwin boomed up the middle for 24 yards and the Steers only touchdown, making the score 32-6, Bronte.

The final touchdown of the game came on a 58-yard sustained drive. The Longhorns covered the distance in 11 plays. Johnny Smith got

the last yard on a quarterback keeper making the final score read Bronte 38, Robert Lee 6.

An Interscholastic League declamation champion, Carolyn has stage appearance, ambition and voice assets she hopes will lead her from the City Auditorium concert with the orchestra to even more rewarding experiences in a musical career.

For her district, she already has taken five firsts in declamation in the Interscholastic League contests. Last year, she took first place in regional competition, the highest possible attainment for junior high schools. This year — as a junior in high school — she will be eligible to take the ultimate declamation prize at the state level.

In the meantime she has not been neglecting the singing aspects of voice training. For four years she has been tutored by Mrs. E. R. Kreyer of San Angelo. As the season opened this year she added her voice to the chorus of the San Angelo Community Theatre's successful extravaganza, "Annie Get Your Gun."

What's next? Another year of high school and then off to college. For more music training, of course.

Santa Fe Begins Rail Line To Coke Oil Field

MARYNEAL, Nov. 23 — A ring of hammers on steel and clouds of dust kicked up by heavy earth moving machinery filled the countryside here this week.

Railroad and construction companies had begun preparing right-of-way and laying track to connect Coke County oil fields and a Santa Fe Railroad line here.

When completed, the line will bring rail service to Silver, the Fuller-Coke and Jameson oil fields and a new Texas Natural Gasoline Corp. plant.

And construction of the 21-mile track, the first built in this area in four years, is under direction of a single family.

J. A. Toliver of 1716 W. Ave J., San Angelo, and W. W. (Bill) Toliver, now of Sweetwater, are teaming in project supervision.

BILL IN CHARGE

The elder Toliver is roadmaster for Santa Fe in this area. Young Bill, of Santa Fe's Pecos division is assistant engineer in charge of the whole job, thus his father's overseer.

Though a routine for the operation still must be smoothed out, the younger Toliver is optimistic about how work will proceed. Barring interruptions by the weather or another major, unforeseen delay, he

sees completion of the line in 90 days.

The Interstate Commerce Commission, when it authorized construction some weeks ago, ordered work be started by Dec. 1 and ended by June 1.

Awaiting its trains near Silver will be daily trainloads of natural gasoline products new being trucked from the Texas Corp. plant to a Santa Fe depot at Bronte.

One time consuming feature of the job will be a lengthy detour where the flat land of Nolan and north Coke Counties drops sharply about 12 miles from here.

Sheriff Points To Dec. 1st As Safe Driving Day

Sheriff Paul Good yesterday voiced the hope that "Coke County motorists and pedestrians make sure they're alive to enjoy December 25 by keeping alert December 1."

The Sheriff was directing attention to the County's observance of Safe Driving Day on December 1.

Sponsored nationwide by the President's Committee for Traffic Safety, S-D is the attempt to awaken every driver in Coke County and the U. S. to his opportunity and obligation to reduce traffic accidents through his own active caution and vigilance. The problem is as close to the driver and pedestrian as his two hands on the steering wheel or his two legs that carry him across the street.

"We know it can be done if each driver and pedestrian in Coke County admits and acts on his own responsibility. The challenge to everyone concerned is just this: not a single traffic accident for the 24 hours of December 1. And if a motorist can break a bad driving habit for one day, he can do it every day. . . just by paying year-around attention to correct driving procedures."

Concerning good driving habits, Sheriff Good suggested that every car owner become a defensive driver. "The defensive driver knows himself and his car to be ever exposed to 'enemies' like thoughtless motorists and pedestrians and unsafe traffic conditions. He makes allowances for these highway hotheads and street-corner sleepwalkers. In short, he

escapes accidents by anticipating and outsmarting them."

The Sheriff suggested that Coke County drivers maintain a reasonable speed always within legal limits, obey all traffic regulations and try a little driving courtesy as a starter on S-D Day and every day. Pass only with plenty of room; never on hills or curves.

"Signaling to turn or stop isn't old fashioned," Sheriff Good continues, "It's smart. . . so is extra alertness at intersections. Since darkness brings danger, slow down at sundown; keep far enough behind the car ahead to stop without the aid of its back bumper. And stay in line. . . don't weave."

Concerning pedestrians he said, "Stepping onto the road from between parked cars is as deathly a stunt as walking at night down the roadway without light-colored clothing or some discernible white object."

Last December 15, the first S-D Day, saw a reduced number of deaths, injuries and accidents, as against the National figure for that day in 1953. This year, score-keeping of fatalities in Coke County and across the country starts November 21, ten days before S-D Day, and will continue ten days afterwards. Published reports of the results will let the motorists know, state by state, county by

county, how others behaved in preventing driving injuries and deaths just before and after S-D Day.

"Traffic accidents, nearly 10 million, brought death to more farm people last year than any other man-made killer," continued Sheriff Good. "At the present rate, one million people in cities and towns like Robert Lee and Bronte throughout the country will be killed in just 25 more years!"

SMALL TALK
By A. J. K.

One of the finest compliments you can pay your holiday guests is to see that their visit is mentioned in The Observer.

When Frank Dickey went back to New York City recently on a business mission, he carried with him a letter of introduction to Gov. Averell Harriman from Fred Roe of Robert Lee. Mr. Dickey reports he had no difficulty in getting an interview with Harriman in the latter's New York office. The entire visit was devoted to talking about their mutual friend, Mr. Roe, and no politics was discussed. Fred and Hariman became good friends back 30 years ago while playing polo. Roe trained polo ponies out here and then took them east for the big games. The Robert Lee man was a crack player, too, and teamed up with other great players on the Meadow Brook team, which included the renowned Tommy Hitchcock. Gov. Harriman told Mr. Dickey that Fred Roe was rated among the top notch players in the country before he was injured. The New York Governor said he planned to come out and visit Mr. Roe some time.

"What's worse than a wife who can cook and don't?" asks Tennessee Ernie. A wife who can't cook — but does.

And then there's the fellow who married a good cook just after he went on a diet.

Those Green Mountain boys from out beyond Edith have been a power in the Steer lineup this year. They include Roland McArthur, Robbie Don Godwin, Sammy Joe Duncan and Frederick Ashworth.

Remember way back in 1946 when Robert Lee won the bi-district from Ozona, and then went way out to Marfa for the regional game? Some pretty husky lads on the Steer squad that year, including Will Percifull, Howard Varnadore, Jarvis Littlefield, Douglas Dean, Bill Blair, Harold Shep-

pard, Billy Bert Duncan, Lawrence Cole, Jack Austin, Charles Fowler and Randle Harmon.

Robert Lee won the district by defeating Bronte 12-0, then took the bi-district 7-6 at Ozona. Marfa won the regional 7-6. Robert Lee got \$750 for playing the game at Marfa. A lot of money in those days.

A bunch of fans chartered a bus and made the trip to Marfa. Quite a memorable occasion for all of us. One of the group didn't get to see the football game.

GUS SAY THE SUREST WAY TO GO BROKE IS TO SIT AROUND WAITING FOR A BREAK.

Bronte had a world of material this year, but lost four games. Those husky 18-year-olds should look good against the Steer youngsters. Bronte loses 9 of their first stringers, and Robert Lee has only three seniors. See you all next year and it may be a different story.

My weight is still 176, but I'm feeling good and staying off starches and pastries. Hope Thanksgiving don't spoil things entirely for me.

Mrs. Hattie Day has returned from a visit of several weeks with her son, M/Sgt. M. C. Day and family, at Smyrna AFB, Tenn.
