

FRIENDS PUT IN OVERTIME SUNDAY ON FRED WALL'S CROP ... While he lay in a Lubbock hospital after leg amputation

Wreck victim's friends harvest his crop Sunday

While Fred Wall lay in a Lubbock hospital recovering from a leg amputation, his neighbors and friends started harvesting his milo crop for him Sunday.

WALL'S leg, which was badly injured in a recent auto accident, was amputated below the knee last Wednesday. He

is reported recovering satisfactorily.

But as Wall lay in Room 208 of Methodist Hospital, his neighbors noticed that part of his milo crop was reaching the harvest stage. They quit worrying about their own crops Sunday and started harvesting his.

Allan Webb did the thrashing with his big new combine. Others contributed trucks, a Grain Kart and tractor. Ray Robert-

son, Doyle McFerrin and Jim Elder took turns operating the machinery. Buster Tidwell and Wall's son, Dana, drove the grain trucks.

THE MILO was still a little wet, but Bruegel & Sons Elevators, Inc., took it and stored it with no questions asked.

Wall has 100 acres of milo on his farmland five miles north-east of Dimmitt. Sunday's volunteer harvest crew cut 50 acres of it; the rest is still too green to cut.

But when the time comes for that other 50 acres to be harvested, Wall apparently won't have to worry about it.

Country Club's annual meeting set Monday night

The Castro County Recreation will hold its annual meeting Monday at 7:30 p.m. in Dimmitt High School cafeteria.

ANY REGULAR member in good standing is entitled to a vote. Associate members, however, are not voting members.

Main item of business will be the election of two directors. The terms of Cliff Cook, current president of the association, and Bill Gregory are expiring. Carry-over directors are Ralph Glover, Jim Cleavinger, Dr. Bill Lee, James Bradford and Joe Carver.

Also on the agenda are the club pro's annual report by Al Forrester and the annual financial report by Dale Prather, club accountant, plus any new business which stockholders want to bring up.

Neighbors praise girl after blaze

When fire broke out in her home last Wednesday, a fifth-grade Dimmitt girl handled the situation better than many adults could have done.

KATHY STEPHENS, daughter of Mr. and Mrs. Kenneth Stephens, 800 SW Fifth St., was home with her 8-year-old sister and seven-month-old baby brother when a grease fire started in the kitchen. The children's parents had left the house on an errand just 10 minutes earlier.

When the fire flared up, Kathy first got her younger brother and sister out of the house, then returned to the kitchen and phoned the fire department.

When neighbors arrived, she warned them not to spray water on the flames, since it was a grease fire on an electric stove.

FIREMEN arrived within five minutes and put out the fire immediately.

"We were all real proud of Kathy," a neighbor lady said. "She never did lose her self-control—and I was about to panic myself!"

Only nine GIs on candy list

Only nine names and addresses of county servicemen have been turned in for the "Christmas Candy for GIs" project, according to Mrs. Beral Hance of the county agent's office.

FRIDAY is the deadline for submitting addresses.

The county's candymakers are requested to deliver their candy Monday through Friday of next week to the Castro County Farm Bureau office in Dimmitt. Candy should be wrapped in individual pieces and packed in one-pound coffee cans, with a slip bearing the candymaker's name and address in each can.

The cans should be cross-taped with masking tape.

Extra coffee cans are available at the Farm Bureau office, Mrs. James Welch, chairman, said.

TO PAY the cost of postage and packaging, \$350 in donations are needed by Nov. 15. Money may be deposited at the First State Bank of Dimmitt for the Castro County Candy Project.

Volunteer workers will gather at the Farm Bureau office Nov. 15 to pack wrap and label boxes of candy for shipment to the county's servicemen around the world.

Auger victim still serious

Harold Wayne Kniffen, a custom harvest worker who lost his leg in a combine accident Oct. 24, has shown improvement but was still listed in serious condition Wednesday morning at Methodist Hospital in Lubbock.

KNIFFEN, 28, fell into the front auger of a corn header on the Theron Morrison farm four miles east of Hart. His leg was severed at the hip, and he also received serious injuries in the abdomen. After receiving emergency treatment in Plainview, he was admitted to Methodist Hospital in critical condition.

DHS yearbook goes on sale

Sale orders will begin today (Thursday) for Dimmitt High School's 1971-72 "Bobcat" yearbook, the annual staff announced this week.

PRODUCTION and planning already have started on this year's school annual, Editor Bob Duke said. The first press run is scheduled soon, and the number of yearbooks to be produced must be determined before that time.

Students will have a chance to order an annual during regular school hours today. Any one else in the community wishing to order a yearbook will have until Tuesday to notify the high school principal's office.

Payment for yearbooks ordered must be secured by Tuesday, with no exceptions, the annual staff said.

"In the past, businessmen and parents have sometimes been forgotten when the time came for yearbook sales," Duke said. "The high school yearbook staff feels that the people of Dimmitt are a vital part of every school year, and we want to give them a chance to see what the inside of a year is like."

City plans to press on with Sunnyside project

City officials plan to press ahead with preliminary plans to help build the Sunnyside dam for the Running Water Draw Reclamation Project, despite an official report that a municipal lake along the draw probably would not be feasible.

"THE CITY commission's official position is still that we are advocating city participation in the construction of the dam and lake," City Manager E. B. Noble said this week.

"The feeling of the commissioners is that we will have to have a municipal well field along the Running Water Draw eventually because the depletion of the water table close in to the city, so it would probably be better to cooperate with this project in the process," Noble added.

By helping pay for construction of the proposed reclamation dam—a project that could require a huge city bond issue—the city would have a priority forever on the use of the lake. And by purchasing part

or all of the lake site, the city would have the right to pump from the best underground water source in the Panhandle-Plains area. Right-of-way for a pipeline from Sunnyside to Dimmitt along US 385 reportedly has already been secured by the Soil Conservation Service and the Corps of Engineers.

HOWEVER, if the city did not take part in the original construction of the dam and lake it would never get a second chance to utilize either for municipal purposes. And city fathers figure the city will have to buy a well-field site in Sunnyside eventually, anyway.

The city has twice approached the Corps of Engineers about the possibility of using one of the reclamation lakes in the proposed multi-dam chain along the draw for municipal purposes. The first inquiry was in 1963 and the second last month.

Both times the answer came back the same: that the soil there would percolate the reclaimed water out too fast to

provide a year-round lake unless the lake bottom could be sealed artificially, and that the cost of sealing would be prohibitive.

"BUT THE city commission doesn't see that the percolation of water at the lake site would be a major problem as far as our needs are concerned," Noble said. "If it percolates, it would recharge the underground water there, and there's nothing wrong with that. Also, the lake eventually would probably seal itself anyway, and that would be a plus factor in the project."

"What we're interested in mainly is a source of city water, and if we could help this project in the process, it could turn out to be a good thing for everybody concerned," Noble added.

He said Mayor Elmer Youts and the city commissioners hope to meet soon with Harry Rucker of Amarillo, area conservationist, to relate the city's position and continue their study of the project.

Carnival pays off ballparks

Dimmitt's big community Halloween carnival Saturday night topped all expectations:

—It grossed more than \$2,200 for the 18 clubs, classes and groups that operated game and food booths.

—For the sponsoring Dimmitt Lions Club, it netted an estimated \$450, enough to pay off the club's indebtedness on the city's junior baseball parks.

—It helped provide a Halloween weekend free of vandalism in the city.

—And for the 1,500 persons attending, the carnival yielded a great night of old-fashioned fun.

"THIS WAS one of the best-coordinated projects I've ever worked with," Carnival Chairman Jodie Minnick told the Lions Club Tuesday. "Everybody did their part and cooperated well, and the whole thing went very smoothly."

One of the main factors in the carnival's big success, Minnick said, was the building where it was held—a big cotton warehouse at the Panhandle Compress & Warehouse. Rows of support pillars in the building made the booth and aisle layouts easy, the concrete floor held dust to a minimum, and there was plenty of room for the big crowd.

Bob Cranford, manager of Panhandle Compress & Warehouse, made the big cotton barn available for the carnival. He told the Lions Club Tuesday that the warehouse can be used for next year's carnival also if there are no storage demands on it, and that the club could leave its temporary lighting and electrical strins in place.

FOR THE Lions Club, the biggest news was that the carnival paid off its remaining debt on the junior baseball parks. Club members signed a \$4,000 note four years ago to help build the \$10,000, two-park complex in West Dimmitt. The Lions have been paying approximately \$1,000 a year on the note, and Saturday night's carnival proceeds made the final payoff possible.

Minnick reported a paid attendance of 1,297 at the carnival, and estimated the total crowd at 1,500, including preschoolers who were admitted free. Gross income figures indicate the average carnival-goer spent \$1.69, of which \$1.44 was for games, he said.

In addition to providing a night of fun, the carnival earned a gross of \$757.49 for civic clubs, \$628.93 for Dimmitt Junior High groups, and more than \$811.87 for Dimmitt High School classes and clubs, Minnick said.

GROSS EARNINGS reported to Minnick were:
Civic clubs: Lions, \$636.38; Jaycees, \$80; Ladies' Golf Association, \$41.11.

Junior High groups: Seventh Grade \$199.77; Eighth Grade, \$329.81; Junior High Senate, \$93.47; Junior High Annual Staff, \$5.88.

Dimmitt High School groups: Seniors, \$98; Juniors, \$172.88; Sophomores, \$82.36; Freshmen, \$73.10; Art Club, \$84.83; Pep Club, \$99.25; Industrial Arts Club, \$93.55; Spanish Club, \$50.88; Thespian Club, \$41; Annual Staff \$16.02; Future Teachers, amount not known at press time.

COSTUME winners in the carnival were Lane Louder, Michael and Pam Anthony, Shawn Kemp, Becky Benton and Evett Guerra.

County receives Heart Fund honor

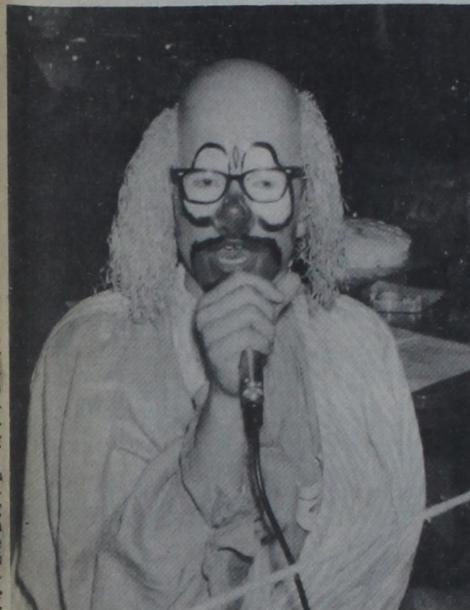

Castro County won an Honor Roll Award from the American Heart Association last Wednesday for its successful 1971 Heart Fund Drive.

THE AWARD was presented at Amarillo's Quality Motel during a Region I campaign workshop for Heart Fund workers in the 26-county Panhandle area. Accepting on behalf of the county's volunteer workers and donors were Edd McLeroy, president, and Bob Caddell, vice-president of the Castro County unit of the American Heart Association.

Castro County earned the Honor Roll Award for exceeding its previous year's income in the 1971 Heart Fund drive. The campaign here netted \$1,200.

McLeroy and Caddell were among 30 Heart Fund workers and officers attending the Amarillo workshop which was sponsored by the Texas Affiliate, Inc., of the AHA.

The Heart Fund goal for Texas this year is \$1,590,000. Castro County's goal is \$1,558.

'WHO CRAVES A CAKE? CRIES THE CLOWN ... Eighth grade cake walk at Halloween Carnival

PRETTY WITCHES WIELD WATER-PISTOLS ... Snuffing out candles in Lions Club booth

DHS hair code comes under fire

When the Dimmitt School Board meets Monday night, it will probably be confronted with petitions to change or abolish the high school dress code.

PETITIONS are being circulated this week claiming that the dress code "has become a burden that has become impossible ... to enforce equally and impartially," and that rules of dress and hair length adopted by the board last year "were not rules the parents agreed with."

The copies being circulated by a group of parents and students are alternately entitled "petition" and "request." Some ask that the dress code be changed; others go a step further and ask that the dress rules "be changed or dropped altogether."

Here's the wording of the petition's original form:

"WE, AS parents, realize we have failed to express our true feelings to the school board members. We know the board has tried to draw up regulations they felt were the feelings of the parents. We realize the school faculty and administrators have tried to enforce these regulations and due to the number of students, and due to parents not enforcing the same rules, this has become a burden that has become impossible for them to enforce equally and impartially."

"However, the fact that parents have not enforced these rules at home should have been an indication that perhaps they were not rules the parents agreed with."

"Because we do not agree with the dress code as it now stands, or the manner in which it is enforced (or not enforced), we do hereby request the dress code be changed or dropped altogether."

APPARENTLY, boys' haircut rules are the main part of the dress code under fire. Twenty-five or more boys have been sent home to get haircuts this year; several high school boys are now growing their hair longer than the dress code allows but are wearing "short wigs" to school; one youth reportedly

Water, Inc., drive begins

Solicitors of the Castro County Unit of Water, Inc., have launched a 45-day drive for new members.

THE EFFORT is a part of an area-wide membership campaign and is aimed at swelling overall membership totals to 24 paid-up Water, Inc., members in Castro County.

The campaign was launched with an organization-wide kick-off meeting in Lubbock Oct. 9. The special emphasis will continue throughout November and during the first half of December.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search for water for the future. It has more than 2,500 members in West Texas, eastern New Mexico and the Oklahoma Panhandle.

HEADING UP the membership drive in Castro County is R. L. "Bob" Caddell. Ray Joe Riley is president of the local unit. They challenged Castro County residents not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

has cited the hair code as his reason for dropping out; and several have drawn three-day suspensions for violating the haircut regulations.

An incident at Dimmitt High School's recent "Spirit Week" bonfire and pep rally apparently touched off the petition campaign. A senior boy and girl were crowned the school's "Spirit King and Queen" at the rally; the following day, the boy was suspended and his title was revoked because he had violated the haircut code at the school-sponsored function; and in protest, the girl also refused to accept her title.

Parents circulating the petitions claim that other students also violated the school's dress and hair code at the bonfire and pep rally but were not punished.

THE COMPLETE school code regarding boys' haircuts reads:
A. "Boys should wear their hair in a neat, clean and well-groomed manner and above the eyebrow in front."
B. "Trimmed in back so that hair does not lay on shirt collars."
C. "Hair should not curl up in back due to excessive length."
D. "Combed on sides so that hair does not overlap the ears."
E. "Sideburns must not extend below the earlobe."
F. "Beards and mustaches are not permitted."

WHEN IT adopted the dress code last year, the school board included this general statement as a preamble:
"The factors that should be considered in selecting clothing and determining overall good grooming that will contribute to a good learning atmosphere are neatness, cleanliness, comfortableness, trimness, modesty, discretion and non-embarrassing to the wearer or others."

The route extends from Mexico into Saskatchewan, Canada, and state associations all along it boost scenic and tourist attractions up and down the highway to hold traffic and increase usage of the route.

Prior to the national meeting, the Texas Highway 385 Association will meet in Hereford the night of Nov. 18. Delegates to the state meeting will leave en masse the next morning for Nebraska. Guy Lawrence, Hereford oil distributor, is the president of the Texas Highway 385 Association.

DODD SAID that any local resident wanting to attend either the state or national highway meeting should contact him.

The school board's policy manual states that the dress code was adopted "in the interest of an educational atmosphere, dignity of the individual, decency and pride in our school and community."

Monday night's school board meeting will begin at 7:30 in the board room of the superintendent's office.

International Parks Highway group to meet

Harley Dodd, chairman of the Chamber of Commerce highways and roads committee, will represent Dimmitt at a meeting of the International Parks Highway Association in Lodgepole, Neb., Nov. 19-21.

THE International Parks Highway Association was born in Dimmitt 20 years ago. It was the brainchild of the late T. A. Singer, civic booster who worked successfully to create an international north-south tourist and business route from the Big Bend Park of Texas to Canada, utilizing Highway 385 through Dimmitt.

The route extends from Mexico into Saskatchewan, Canada, and state associations all along it boost scenic and tourist attractions up and down the highway to hold traffic and increase usage of the route.

Prior to the national meeting, the Texas Highway 385 Association will meet in Hereford the night of Nov. 18. Delegates to the state meeting will leave en masse the next morning for Nebraska. Guy Lawrence, Hereford oil distributor, is the president of the Texas Highway 385 Association.

DODD SAID that any local resident wanting to attend either the state or national highway meeting should contact him.

Talent contest slated Tuesday

The Dimmitt Junior High School Choir Boosters Club will stage a talent contest Tuesday at 8 p.m. in the DJHS auditorium.

WINNERS will be determined by vote of the audience, and prizes of \$10 for first place, \$7.50 for second and \$5 for third will be awarded. All Dimmitt students are eligible to enter. Admission to the show will be 25 cents per person.

Early entries in the talent contest included:
JUNIOR high students—Mike Frazier, soloist; Armando Alvarez and Carol Glover, dancers; Gilbert Nino, soloist; Thomas McGuire, soloist; and Rachel, Travis and Carol Glover, dance team.

High school students—Ronda Walthall, singer.
Sixth graders—Danny Salinas, dancer; Ruby Johnson and Cynthia Sanders, dancers.

Fourth graders—Roxanna Casas, singer; and Lauri Dyer and Diane Love, twirlers.

MRS. TEENY BOWDEN (right) signs a copy of her new book, "This Land We Hold," for Mrs. Norman Cleavinger of Dimmitt during an autograph party for the Sunnyside author last Thursday in the Castro County Library. Mrs. Cleavinger—whose family, the Orville Astells, settled

in Sunnyside around the turn of the century—helped supply information for Mrs. Bowden's book, which traces the community's history. More than 50 persons attended the autograph party, which was sponsored by the Friends of the Library.

Shelley's chatter

College homecomings, parties keep local people busy

By MYRTLE SHEFFY
School homecomings over Texas and parties in Dimmitt are keeping folks busy.

GOING TO WACO to attend the football game, parade and to visit their college kids were the Charlie Haynes. Also going were Charles and Esta Vandiver and James and Esta Vandiver. Mr. and Mrs. W. E. Kirkpatrick went to Haskell. Mrs. Mary was a graduate of that school in 1913. They visited many good friends. Dr. William Kemp was the main speaker and he is a cousin of Rolna of Lubbock who sings on the Lawrence Welk Show. She also saw Dr. Henry Post of Louisville, Ky., and noted heart specialist Dr. Frank Spencer of New York City.

Texas Tech of Lubbock hosted a homecoming too. Going from Dimmitt that I know of were Sharril and Gene Bradley, Pat and Chuck Braafladt, Roxie and Robert McLean Jerry Morris, Kristi Webb Wesson, and Jan and Mike Baca. Kay Willis and Jill Braafladt students at Tech, joined this group.

THE party honoring Mrs. G. L. Willis Sr. Friday on her 94th birthday was very beautiful, as usual. Mrs. Willis was seated on a small couch with a big bouquet of pink mums back of her. She greeted the many friends who called. The serving table was covered with aqua blue satin with flounced blue net over that. A big bouquet of those summer fluff flowers sprayed blue were the center of interest. Bright pink mints and homebaked cookies and coffee were served by the granddaughters Jan Baca, Shari Bradley, Carolyn Copeland and Kay Willis. Allie Mae Willis the home daughter, used many antique ladies fans for decorations. Helping Allie Mae were Ouida Willis, Irene Lee, and Anita Morris. We wish for Mrs. Willis many more parties.

AND ROSE Acker was the birthday girl Friday. Her cousin Rosetta Bellinghausen baked a cake and put on the coffee pot. Several friends came in—Gladys Benson, Jackie McLeroy, Vernice Green, and maybe others. Mrs. Claude Lopez of the El Charro Cafe brought flowers and Nora Gonzales and a friend helped do chores for Rose's birthday. Many more years Rose.

Dagwood Word was a birthday boy Friday. He is a Jack Benny 39, so his wife Ruby cooked a good dinner and asked the daughters and their husbands in to celebrate.

A NICE little bird told me about the fun thing at junior high Friday, when Betty Hawkins, speech teacher, dressed up like a gorilla. She with four students and several mothers went to each room with fun and treats. Bobby Crooks, principal at Junior High was very cooperative, as was Mrs. Richardson at South Grade and Emmett Proderon at North Grade. The kids in costumes to see her mother. They went on to Oklahoma City and Ponca

City to visit relatives. Marie says that is the most beautiful place, the trees were "solid gold," others red and green. She came home by Canadian. It was very pretty this year with the big cottonwoods and maples. Weekend guests of Curtis and Marie were Betty Jones Snider and their daughter Pat and Ken Truelove and son Brent of Amarillo.

MRS. RUTH Rothwell visited her daughter Carolyn and Ben Mitchell in Houston last week. Ben is a court reporter. Aural Davis was hostess at a dinner and bridge party at the Hereford Country Club Thursday evening. Halloween ideas were used in the decorations and prizes. Guests were Gladys Benson, Muriel Smiley, Shirley Stephens, (Harold had a business meeting in Amarillo and couldn't come), Ted and Dorothy Sheffy, Russel and Myrtle Lois Moran, Charles and Esta Vandiver, Goldman and Carol Dyer, Charlie and Nancy Hays, and John and Sue Merritt. George and Charles Copeland are at the military school in Roswell, New Mexico Military Institute. They are the twin sons of Carolyn and grandsons of the Leland Lees and great grandsons of Mrs. G. L. Willis Sr.

I MET Margaret Abrego and Joe Guzman in one of the stores buying brooms, dishes, blankets, and what have you. They were married Saturday morning at 11 in the Catholic Church with Father Chen reading the service. They will live in Dimmitt and their parents are Mr. and Mrs. Gilbert Guzman and Mr. and Mrs. Elebeis Abrego. Mr. and Mrs. Don Sharp and Lane of Idalia, Colo. were visiting the John Kittrells and their kin, the Howard Sharps of Hart. Mrs. Richard Wooten had a few friends in Thursday afternoon for bridge. She served a good salad and dessert to Gladys Cleavinger, Josie Bradford, Cletha George, Myrtle Sheffy, Opal Bearden, Ann Singer, Maggie Boren.

ANOTHER homecoming was at Hereford Saturday afternoon. Going from here were V. C. Hopson who graduated in 1945, his wife Dorothy who graduated in 1946. This was all the 40s. There was a pep rally, parade, meeting special friends John and Elisabeth Moss of Amarillo. John is the contractor who built Dimmitt's South Grade School. Jim and Ruth Hays and her parents Mr. and Mrs. Walter Easter of Hereford went to Lockney on a recent Sunday to visit friends among whom were R. L. and Betty Knox and his mother Ethel Knox. Mrs. J. H. Myatt had surgery at Methodist Hospital in Lubbock this week. Earlene is the sister of Dan Nelson and she and her husband live on a farm south of town.

LAINE Snider is on crutches. She has a broken ankle she received as the result of a fall from a horse. She is the daughter of Joanne and Bill Snider. Jim Wright and Miguel Acevedo were birthday boys Tuesday, Nov. 2. No parties, just school. They probably had a cake though. Beth and Rick Wallace of Tulia were Sunday guests of her parents Ted and Dorothy Sheffy. Artie Cone is the great grandmother of a new baby girl Dondee Dunn who is the daughter of Jackie and Genita Dunn.

RONNIE Parker was NOT one of the sponsors for the teen dance. I got the Parkers wrong. Sorry about that. I was almost deaf from the loud music the last teen dance I went to a year ago. Pat Arvizu and son Jeff of Roswell, N.M. were recent visitors of her mother Odie Muddell. Ministers at the Northside

Church of Christ Sunday were Earl Williams and David De-pew from Lubbock. They were dinner guests of Ray and Lettie Bearden. Mrs. Grady Norris of Roscoe was a weekend guest of her daughter Kathryn and Bill Birdwell and son Jim. Kathy and Terry Hill and son, Brent, have moved to Lubbock. Terry is with the Berden Company and Kathy is with Three M Products. Kathy is Florene Leinens daughter and Terry is the son of Charlie Hill. DWAIN and Verline Worley and son Rodney of Hereford visited Wednesday with his sister, Sandra Robb and Don. Irene Keating's mother, Mrs. August Albrecht of Paonia, Colo. is visiting Irene, Max and Katrina. Dorothy Wright visited her aunt, Sara Northern in Amarillo Saturday. Mr. and Mrs. R. D. Garvin of Abernathy Mr. and Mrs. Harold Diller of Kermit and Mrs. Catherine Cole of Happy visited Joy and E. M. Jones Sunday. The Garvins are Joy's parents. MRS. LOIS Scott was the recent birthday girl on a Wednesday, so her son Bennie and Mollie Scott and children of Hereford invited her and Joe over to the Caison House for dinner, and later on at Bennies they served the big cake and coffee and presented gifts. Other guests were Jim and Dorothy Elder and Mrs. Carlton Dobbins. Another day Mary and Willard Shaw came by the Scotts for dinner and a visit. The Shaws were enroute home to Abilene from a trip to Arizona. IGLESIA DE CRISTO E. Lee and S.E. Third Evangelista - Max R. at the big cotton compress Saturday night was a big success. The Lions Club was the main sponsor, with all the others helping. The very young daughter of Bob and Pat Anthony won first prize for costume. She was a cute little witch. And the dunking bread was most popular. Mr. Ryan, the high school principal, was dunked in the water several times. Beth says her dad, Kenneth Cleveland, was put in the water too. And there was a jail house and I peeped in and saw Ellis Mayberry and Mr. Goldsmith, Bob Yates and a bunch of kids. They had to pay the school kids to get out. The cake walk and bingo were popular also. Shaving cream made into pies was thrown at people behind the picture. Must have been 2,000 people out there. We had a few trick or treaters but not so many this year. They all went to the carnival. JIMMY and Linda Campbell and children of Boise City, Okla. were Sunday guests of her parents Mr. and Mrs. Harley Dodd and Grandmother Dodd. Mr. and Mrs. Clarence Bearden went to Stratford Monday to attend memorial services for a friend Mrs. Amolee McMinn, who has been ill for a long time with leukemia. Tommy Cleavinger has his arm in a cast. Says he and some boys were just wrestling in the gym, when pow goes the bone. Mrs. Clark Dobbis and children visited her mother Mrs. E. E. Davis in Portales Sunday. Clark is with the Five Point Gin. MARGARET Wilson, Zonell Maples, Ruth Slougn and Joan

Cook went to Austin to attend a state meeting of the Grand Chapter of Eastern Star. Mrs. Frances Herring is the Grand Worthy Matron. Another day later Judge R. E. Wilson came by Austin, picked up Margaret and they went on to San Antonio to attend the Judges and Commissioners conference. Going from Dimmitt were J. M. Wright, Mr. and Mrs. Al Maurer, Mrs. Dorothy Mayfield, who was a guest of her parents Commissioner and Mrs. E. I. McLain of Hart. Lemeta Odum and her friend Marion Nelms, both teachers at White Deer, were weekend guests of her parents Mr. and Mrs. Hiram Odum. Polly Bell is home at last. She went to the New England States on tour, then to California with her sister Mary for a two-week visit. We need her to help cook for the Harvest Dinner. SUE MERRITT says, tell you to be sure and come to the Book Club's "Silver Tea" Nov. 10 at 3:30 p.m. in First Baptist Fellowship Hall. Come to the south parking lot, enter on that side. Mrs. Ray Axtell will be the reviewer. The silver or folding money will help the library. Ted and Nola Woods of Salida, Colo. were in Dimmitt visiting brother Noel and Oleta Gollehon. They spent one night at the Shorty Mannings; went to Plainview to be with the Woods family reunion at Buck and Jo's house; went one day to Plainview to visit Aunt Maggie Gollehon who is in a nursing home. The Woods sold their ranch in Colorado and moved into Salida. They have a farm

here. Their son Richard is head basketball coach and assistant football coach at Monta Vista. The Fred Bruegels Sr. and Fred Jrs. and the Carl Bruegels went to Lubbock to see the Tech Red Raiders get beat. ATTY. GEN. Crawford Martin has held that the bailiff of a district court need not be a deputy sheriff and that Bexar County Hospital District may not change the month of selection of its depository after selection for a two-year term in February, 1970.

CASTRO LODGE AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday, W. P. Dannevik, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

Presenting 7 1/2 VERSATILE Eversman 329
Longer, Heavier Stronger - Built To Sell at a LOWER COST
The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors. OUTSTANDING FEATURES—Length 32'6". Width 12". Blade capacity 1 1/2 cubic yards. Blade vertical travel 15". Weight 2010 pounds. Front V smoother blade for sod banking and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly cutting blade. Rear Smoother Blade adjustable to all soil conditions. There are Eversman models to fit all standard farm tractors.

THE party honoring Mrs. G. L. Willis Sr. Friday on her 94th birthday was very beautiful, as usual. Mrs. Willis was seated on a small couch with a big bouquet of pink mums back of her. She greeted the many friends who called. The serving table was covered with aqua blue satin with flounced blue net over that. A big bouquet of those summer fluff flowers sprayed blue were the center of interest. Bright pink mints and homebaked cookies and coffee were served by the granddaughters Jan Baca, Shari Bradley, Carolyn Copeland and Kay Willis. Allie Mae Willis the home daughter, used many antique ladies fans for decorations. Helping Allie Mae were Ouida Willis, Irene Lee, and Anita Morris. We wish for Mrs. Willis many more parties.

AND ROSE Acker was the birthday girl Friday. Her cousin Rosetta Bellinghausen baked a cake and put on the coffee pot. Several friends came in—Gladys Benson, Jackie McLeroy, Vernice Green, and maybe others. Mrs. Claude Lopez of the El Charro Cafe brought flowers and Nora Gonzales and a friend helped do chores for Rose's birthday. Many more years Rose.

Dagwood Word was a birthday boy Friday. He is a Jack Benny 39, so his wife Ruby cooked a good dinner and asked the daughters and their husbands in to celebrate.

A NICE little bird told me about the fun thing at junior high Friday, when Betty Hawkins, speech teacher, dressed up like a gorilla. She with four students and several mothers went to each room with fun and treats. Bobby Crooks, principal at Junior High was very cooperative, as was Mrs. Richardson at South Grade and Emmett Proderon at North Grade. The kids in costumes to see her mother. They went on to Oklahoma City and Ponca

City to visit relatives. Marie says that is the most beautiful place, the trees were "solid gold," others red and green. She came home by Canadian. It was very pretty this year with the big cottonwoods and maples. Weekend guests of Curtis and Marie were Betty Jones Snider and their daughter Pat and Ken Truelove and son Brent of Amarillo.

MRS. RUTH Rothwell visited her daughter Carolyn and Ben Mitchell in Houston last week. Ben is a court reporter. Aural Davis was hostess at a dinner and bridge party at the Hereford Country Club Thursday evening. Halloween ideas were used in the decorations and prizes. Guests were Gladys Benson, Muriel Smiley, Shirley Stephens, (Harold had a business meeting in Amarillo and couldn't come), Ted and Dorothy Sheffy, Russel and Myrtle Lois Moran, Charles and Esta Vandiver, Goldman and Carol Dyer, Charlie and Nancy Hays, and John and Sue Merritt. George and Charles Copeland are at the military school in Roswell, New Mexico Military Institute. They are the twin sons of Carolyn and grandsons of the Leland Lees and great grandsons of Mrs. G. L. Willis Sr.

I MET Margaret Abrego and Joe Guzman in one of the stores buying brooms, dishes, blankets, and what have you. They were married Saturday morning at 11 in the Catholic Church with Father Chen reading the service. They will live in Dimmitt and their parents are Mr. and Mrs. Gilbert Guzman and Mr. and Mrs. Elebeis Abrego. Mr. and Mrs. Don Sharp and Lane of Idalia, Colo. were visiting the John Kittrells and their kin, the Howard Sharps of Hart. Mrs. Richard Wooten had a few friends in Thursday afternoon for bridge. She served a good salad and dessert to Gladys Cleavinger, Josie Bradford, Cletha George, Myrtle Sheffy, Opal Bearden, Ann Singer, Maggie Boren.

ANOTHER homecoming was at Hereford Saturday afternoon. Going from here were V. C. Hopson who graduated in 1945, his wife Dorothy who graduated in 1946. This was all the 40s. There was a pep rally, parade, meeting special friends John and Elisabeth Moss of Amarillo. John is the contractor who built Dimmitt's South Grade School. Jim and Ruth Hays and her parents Mr. and Mrs. Walter Easter of Hereford went to Lockney on a recent Sunday to visit friends among whom were R. L. and Betty Knox and his mother Ethel Knox. Mrs. J. H. Myatt had surgery at Methodist Hospital in Lubbock this week. Earlene is the sister of Dan Nelson and she and her husband live on a farm south of town.

LAINE Snider is on crutches. She has a broken ankle she received as the result of a fall from a horse. She is the daughter of Joanne and Bill Snider. Jim Wright and Miguel Acevedo were birthday boys Tuesday, Nov. 2. No parties, just school. They probably had a cake though. Beth and Rick Wallace of Tulia were Sunday guests of her parents Ted and Dorothy Sheffy. Artie Cone is the great grandmother of a new baby girl Dondee Dunn who is the daughter of Jackie and Genita Dunn.

RONNIE Parker was NOT one of the sponsors for the teen dance. I got the Parkers wrong. Sorry about that. I was almost deaf from the loud music the last teen dance I went to a year ago. Pat Arvizu and son Jeff of Roswell, N.M. were recent visitors of her mother Odie Muddell. Ministers at the Northside

Church of Christ Sunday were Earl Williams and David De-pew from Lubbock. They were dinner guests of Ray and Lettie Bearden. Mrs. Grady Norris of Roscoe was a weekend guest of her daughter Kathryn and Bill Birdwell and son Jim. Kathy and Terry Hill and son, Brent, have moved to Lubbock. Terry is with the Berden Company and Kathy is with Three M Products. Kathy is Florene Leinens daughter and Terry is the son of Charlie Hill. DWAIN and Verline Worley and son Rodney of Hereford visited Wednesday with his sister, Sandra Robb and Don. Irene Keating's mother, Mrs. August Albrecht of Paonia, Colo. is visiting Irene, Max and Katrina. Dorothy Wright visited her aunt, Sara Northern in Amarillo Saturday. Mr. and Mrs. R. D. Garvin of Abernathy Mr. and Mrs. Harold Diller of Kermit and Mrs. Catherine Cole of Happy visited Joy and E. M. Jones Sunday. The Garvins are Joy's parents. MRS. LOIS Scott was the recent birthday girl on a Wednesday, so her son Bennie and Mollie Scott and children of Hereford invited her and Joe over to the Caison House for dinner, and later on at Bennies they served the big cake and coffee and presented gifts. Other guests were Jim and Dorothy Elder and Mrs. Carlton Dobbins. Another day Mary and Willard Shaw came by the Scotts for dinner and a visit. The Shaws were enroute home to Abilene from a trip to Arizona. IGLESIA DE CRISTO E. Lee and S.E. Third Evangelista - Max R. at the big cotton compress Saturday night was a big success. The Lions Club was the main sponsor, with all the others helping. The very young daughter of Bob and Pat Anthony won first prize for costume. She was a cute little witch. And the dunking bread was most popular. Mr. Ryan, the high school principal, was dunked in the water several times. Beth says her dad, Kenneth Cleveland, was put in the water too. And there was a jail house and I peeped in and saw Ellis Mayberry and Mr. Goldsmith, Bob Yates and a bunch of kids. They had to pay the school kids to get out. The cake walk and bingo were popular also. Shaving cream made into pies was thrown at people behind the picture. Must have been 2,000 people out there. We had a few trick or treaters but not so many this year. They all went to the carnival. JIMMY and Linda Campbell and children of Boise City, Okla. were Sunday guests of her parents Mr. and Mrs. Harley Dodd and Grandmother Dodd. Mr. and Mrs. Clarence Bearden went to Stratford Monday to attend memorial services for a friend Mrs. Amolee McMinn, who has been ill for a long time with leukemia. Tommy Cleavinger has his arm in a cast. Says he and some boys were just wrestling in the gym, when pow goes the bone. Mrs. Clark Dobbis and children visited her mother Mrs. E. E. Davis in Portales Sunday. Clark is with the Five Point Gin. MARGARET Wilson, Zonell Maples, Ruth Slougn and Joan

Cook went to Austin to attend a state meeting of the Grand Chapter of Eastern Star. Mrs. Frances Herring is the Grand Worthy Matron. Another day later Judge R. E. Wilson came by Austin, picked up Margaret and they went on to San Antonio to attend the Judges and Commissioners conference. Going from Dimmitt were J. M. Wright, Mr. and Mrs. Al Maurer, Mrs. Dorothy Mayfield, who was a guest of her parents Commissioner and Mrs. E. I. McLain of Hart. Lemeta Odum and her friend Marion Nelms, both teachers at White Deer, were weekend guests of her parents Mr. and Mrs. Hiram Odum. Polly Bell is home at last. She went to the New England States on tour, then to California with her sister Mary for a two-week visit. We need her to help cook for the Harvest Dinner. SUE MERRITT says, tell you to be sure and come to the Book Club's "Silver Tea" Nov. 10 at 3:30 p.m. in First Baptist Fellowship Hall. Come to the south parking lot, enter on that side. HOMECOMING QUEEN for 1971-72 at Nazareth High School is Peggy Book, who was crowned Friday night before the Nazareth-Turkey football game. A junior cheerleader, Miss Book is the daughter of Mr. and Mrs. George Book Jr. Escorting her in the pre-game ceremony was Neil Doemeier.

Bethel news

4-H'ers enjoy Halloween party

By MRS. JACK RISTER
The Bethel 4-H Club enjoyed a Halloween party Monday night of last week at the community building.

The boys and girls had a Halloween mask contest, making their masks from paper sacks and remnants of trimmings. Also, they had a spook house and some tricks to do.

Before going home they had refreshments of cup cakes, popcorn balls and vampire blood. Hosts and hostesses were Carolyn and George Sides, Bobbie and Fred Bruegel Jr. and Jim and Ellen Hrabal. Twenty-eight members attended.

MRS. LEONA STILES of Big Square and Mr. and Mrs. Vern Lust were Sunday dinner guests of Mr. and Mrs. Earl Lust. This was to help the Vern Lusts celebrate their birthdays.

Mrs. Bud McElroy visited in Morton and Levelland Monday with Mrs. L. H. Hooper and Mrs. J. D. McElroy.

THE BETHEL Handwork Club met last Thursday for a luncheon and an afternoon of handwork. Mrs. Birdie Neill showed how to make things out of egg cartons, and to make wool flowers. There were 15 members and one visitor present. Hostess was Mrs. Myrtle Williams.

Mrs. Jack Rister and Mrs. Earl Coody and children visited her mother, Mrs. Claude Moore, Monday afternoon.

The junior high football teams played Friona last week. The seventh grade lost and the eighth grade won.

Mrs. Jack Howell has been sitting up with her father, Carl Lee, in Deaf Smith County Hospital at Hereford. He was improving some Friday afternoon.

FRIDAY the weather stopped the combines and the beet diggers again.

Mrs. Charles Wales and Mrs. Norman Cleavinger were in Clovis Friday afternoon.

Charles Rickerd and some friends from Friona went to New Mexico bird hunting.

Mr. and Mrs. Eddie Lane of Lubbock spent Thursday with their daughter and son-in-law, the Charles Kings.

Three from here enrolled in TSTI

Robert L. Fortner, J. L. Killingsworth and Douglas L. Moke, all former Dimmitt High School students, are among 523 students currently enrolled in Texas State Technical Institute in Amarillo.

FORTNER, son of Mr. and Mrs. A. B. Fortner of Amarillo, is enrolled in the printing technology program at State Tech. He is also a member of the TSTI Student Congress.

Killingsworth, son of Mr. and Mrs. J. W. Killingsworth of Dimmitt, is enrolled in the livestock and ranch operations program.

Moke, son of Mrs. R. C. Davis of Dimmitt, is now enrolled in State Tech's aircraft mechanics program.

The Mid-Continent Campus of State Tech is now in its second year of operations. During the first year, an estimated 600 persons were trained in courses that were from four weeks to one year in length.

PROGRAMS currently being offered include agriculture and industrial equipment mechanics, aircraft mechanics, automotive technology, avionics technology, construction technology, commercial art and advertising, drafting and design technology, interior design technology, livestock and ranch operations, meat processing and marketing, printing technology, and technical office training.

For full information on programs, cost, financial aides and housing, contact the TSTI Office of Information, Box 4228, Amarillo, 79105.

HEREFORD HIGH SCHOOL AUDITORIUM

Castro County Country Club

By AL FORRESTER
Club Professional

Although we still have lots of fair weather to play golf for the rest of the season, most of the tournaments are over for the year.

Improvements on the golf course are coming along well. I HAVE had many requests for "short cuts to good golf," and though there has been an avalanche of books, magazine and newspaper articles written on this elusive goal, here are some of my ideas on how to save strokes on your golf game:

After the basic fundamentals of grip, stance, back swing, and finish, comes COURSE MANAGEMENT. Course management consists of playing the ball to the best position every time. ALWAYS place the ball on the side of the tee nearest the trouble. If the out-of-bounds fence is on the left of the fairway, place your ball on the left side of the tee. This ball position has you hitting the ball away from the out-of-bounds.

On your shot to the green, club selection is important. Is there trouble in front of the green, behind the green, left or right?

Water or sand in front of the green suggests the selection of MORE club. Water or sand behind the green suggests the selection of LESS club. This will help you to have the best ball position for your next shot, with

Water or sand in front of the green suggests the selection of MORE club. Water or sand behind the green suggests the selection of LESS club. This will help you to have the best ball position for your next shot, with

Homemakers have Halloween party

Dimmitt Young Homemakers and their husbands enjoyed a Halloween party Friday evening in the First State Bank community room.

THIRTEEN couples and two chapter sponsors were served pickup foods and took part in "Crazy Bridge." Mrs. Dickie Holcomb posted the high score. Winners of costume prizes were Howard Smithson and Mrs. Darla Stewart.

Next regular meeting of the Young Homemakers will be at 7:30 p.m. Nov. 18, when Mrs. Joanne Snider will demonstrate the making of lingerie. The meeting will be in the DHS homemaking department, and will be open to all interested ladies.

Jack Miller, Dimmitt attorney, discussed "Women's Rights" at the chapter's October meeting recently.

the least amount of risk in case of a mis-struck shot.

SOMETIMES water or fairway sandtraps are so placed that the player must play short of them. A club that will leave your ball 30 yards short is a better selection than a club that will leave your ball 10 feet short, or in the water.

It is always better to have an uphill putt than a downhill putt. Chipping for an uphill putt will improve your number of putts per round. If your ball is inside the 10-foot range of the green, your chances of one-putting it are good; and your chances of two-putting it are excellent.

Distance is the most important factor in putting outside the 10 foot range. The exact distance on a 30-foot putt will give you an excellent chance to two-putt. This will eliminate most of your three-putt greens.

Course management is control of your ball position so as to save strokes by keeping away from trouble as much as possible.

Station lists prize winners

Kermit Whitten has announced the prize winners in the grand opening and Halloween promotion at his Deep Rock service station Friday and Saturday.

FRED MOULTON, 501 W. Lee St., was the winner of the eight-track stereo tape deck, and B. L. Owens, 805 SW Sixth St., won an electric coffeemaker. The prizes were awarded at 6 p.m. Saturday, concluding the two-day grand opening event.

Miss Swindle

Nov. 20 vows set

Margaret Leigh Swindle of Hart and Danny Patrick Dorman of Wheeler are planning a Nov. 20 wedding in the First United Methodist Church of Hart.

THE approaching marriage was announced by the parents of the bride-elect, Mr. and Mrs. Bill Swindle of Hart.

A 1969 graduate of Hart High School, Miss Swindle attended West Texas State University and is currently employed with Western National Life Insurance Co. in Amarillo.

Dorman, son of Mr. and Mrs. George "Bus" Dorman of Wheeler, is a graduate of Wheeler High School and holds a bachelor of science degree from West State University. He is currently self-employed.

Salvation Army drive is planned

The Dimmitt Service Unit of the Salvation Army met last Wednesday in the community room of the First State Bank to discuss plans for its annual fund-raising campaign.

THE CAMPAIGN is scheduled to start Tuesday, Nov. 23, said campaign chairman Bill Behrends.

"The campaign will last only a week and a half," said Behrends, "and will be a concentrated effort so that the campaign can be closed out on Friday, Dec. 3."

Judge Raymond Wilson, chairman of the Dimmitt Service Unit, said that the annual campaign is to raise money so that the services for Dimmitt and Castro County can continue.

"There are so many heart warming things done by the Salvation Army," said Judge Wilson, "that it is hard to enumerate them."

HE ADDED that much of the money raised was used to purchase baby food for needy children here.

Members of the committee include Judge Wilson, chairman, L. G. Manning, Bob McLean, Earl Brock, Jack Cartwright, Joe Warren, T. H. Taylor, Weldon Skinner, Mrs. Helen Richardson and Rev. Jim Pickens.

THE largest numbers of requests in a single month for Veterans Loan Program participation were recorded last month—614 warrants totalling \$6,051,000.

The view from your library

By MARY EDNA HENDRIX

After staying in Tulia with my mother, who has been ill for nearly three months, I will be back on the job most of the time now. I want to thank everyone who helped out in any way while I had to be out of the library. I hope our patrons will understand if they came to the library and the doors were closed when they should have been open. We are sorry we do not have a place to deposit the books when the library is closed. I hope no one became discouraged or was inconvenienced during this time because we do not want to lose any patrons. Please come back and use the library!

THE FRIENDS of the Library sponsored an autograph party for Mrs. Ernestine (Teeny) Bowden last Thursday. Mrs. Bowden has had her book, "This Land We Hold," published and we are proud of her.

More than 50 registered in the guest book. Those helping serve refreshments were Mrs. Maxie Horton, president of the Friends, Mrs. Reta Welch, Margaret Womack, Mildred Bradford, Roxie Louder, Bobbie Hill, Janice Bell, Jo Eddie Riley, Edna Riley and Sherry Wise.

Mrs. Bowden's book "This Land We Hold" is a history of the Sunnyside community in Castro County. She was well qualified to write this history since she and her husband, L. B., were very much a part of the history about which she writes.

She writes with a feel for the people, her neighbors and friends, and for the land which was the heritage passed down by those pioneer settlers who came before them.

For one to live in the wide-open spaces of the Staked Plains, they must come to love the first cool norther of fall, the feel of fresh plowed soil, the smell of rain on a hot summer day, and the warmth of a fire on a cold, lonely winter's night.

Teeny Bowden—and those fortunate enough to plant their lives in the soil of Castro County—experienced all this and much more. But they also endured the "blue" northers, the sandstorms, the blizzards, the blistering sun and all the heartaches and tragedies of a farm community so close to the frontier.

If you would like to buy this book, call Mrs. Bowden at Sunnyside 846-2534 or the Castro County Library 647-3532.

SATURDAY, Mrs. Ray Riley, Mrs. E. R. Little and I went to Levelland to attend the fall district meeting of the Texas Library Association. The guest speaker was Dr. Ed Holley, director of Libraries at the University of Houston, who spoke on "Right to Read." Loman Jones of Levelland gave a presentation of children's poetry that he had written and I bought an autographed copy of his poem "My Dog, Sam." The special entertainment was presented by a musical group named "Baker's Dozen" of which Skip Skinner of Dimmitt is a member.

We were thrilled to see Elizabeth Crabb at the meeting in Levelland. Elizabeth, who has been the Extension coordinator with the Amarillo Public Library, is on a leave of absence and is attending the University of Texas in Austin this year. Since Mrs. Crabb is secretary of this district she came back for the meeting.

WE PLAN to start the Children's Story Hour Friday at 1 p.m. at the Castro County Library, next door to Parsons Drug. If you have children who are 5 and 6 years of age, bring them to the library at 1 p.m., and please pick them up by 2 p.m. or before, since the Story Hour is limited to one hour!

Carolyn Jones and son brought two big boxes of books and donated them to the library. If you have books you do not want, bring them to the library and we will either keep them and put them on a book sale.

WINTER PASTURES Grazing management is a key item in the proper utilization of winter pastures, emphasizes Dr. Neal Pratt, Extension agronomist. Winter pastures produce a top quality forage and should be grazed with livestock that have high market value. Grazing should be withheld until winter is approaching so that pastures have time to become thoroughly established and to make sufficient growth.

Friday, Nov. 12 — Spanish rice with ground beef, cabbage, carrot salad, apple cobbler, kitchen-made bread, butter, milk.

Monday — Burritos, whole kernel corn, turnip greens, prune cake, milk.

Tuesday — Beef stew with vegetables, fruit cup, cinnamon rolls, cornbread, crackers, milk.

Wednesday — Barbecue on a bun, lettuce and tomato salad, blackeyed peas, white cake with icing, chocolate milk.

Thursday — Fried chicken, green beans, broccoli, honey butter, rolled wheat rolls, milk.

Friday, Nov. 12 — Spanish rice with ground beef, cabbage, carrot salad, apple cobbler, kitchen-made bread, butter, milk.

Mr. and Mrs. Tony Gabel of Dimmitt became the parents of a 9-pound, 3-ounce boy last Wednesday. He has been named Jad Clay.

It's a boy for Mr. and Mrs. Juan S. Villarreal Jr. of Hart. He was born Oct. 25, weighed 6 pounds, 12½ ounces, and has been named Leonardo.

NOW LIVING IN PATCHOGUE, N.Y., following their recent wedding there, are Mr. and Mrs. Jerry Belknap. The groom, son of Walter Belknap of Dimmitt, is a graduate of Dimmitt High School and Abilene Christian College, and is a computer programmer with Grumman Data Systems of Bethpage, N.Y. The bride is the former Lynn Lamens, daughter of Mr. and Mrs. Stanley Zachar of Medford, N.Y. She is an X-ray and lab technician and medical assistant in Islip, N.Y. After their wedding in the Patchogue Church of Christ, they took a three-week wedding trip in Europe.

HD notes

Don't quit work in your yard yet

By IRENE KEATING

It won't be long until we'll be starting a new year. Time goes by so fast.

THIS MONTH is a very important one as far as your yard is concerned. I know in November most of us nearly entirely neglect our landscapes. Just because there isn't as much work to do now doesn't mean it's over with. This is the time of year we need to start our armchair gardening and get the bulbs planted, etc., for beauty next spring.

Here is this month's garden check list. I'll bet you didn't realize there was so much to do this month. I didn't.

- 1. Plant pansy plants, calendulas, and sweet peas.
- 2. Keep the compost heap moist. Those dry leaves require

What's cooking at the schools

Here's the basic food fare in the Dimmitt Public Schools lunchrooms during the coming week:

TODAY (Thursday) — Fried chicken, potato salad, green beans, honey butter, rolls, milk.

Friday — Tuna salad on lettuce leaf, green peas, carrot sticks, coconut pudding, kitchen made bread, milk.

Monday — Burritos, whole kernel corn, turnip greens, prune cake, milk.

Tuesday — Beef stew with vegetables, fruit cup, cinnamon rolls, cornbread, crackers, milk.

Wednesday — Barbecue on a bun, lettuce and tomato salad, blackeyed peas, white cake with icing, chocolate milk.

NEXT Thursday — Fried chicken, green beans, broccoli, honey butter, rolled wheat rolls, milk.

Friday, Nov. 12 — Spanish rice with ground beef, cabbage, carrot salad, apple cobbler, kitchen-made bread, butter, milk.

Monday — Burritos, whole kernel corn, turnip greens, prune cake, milk.

Tuesday — Beef stew with vegetables, fruit cup, cinnamon rolls, cornbread, crackers, milk.

Wednesday — Barbecue on a bun, lettuce and tomato salad, blackeyed peas, white cake with icing, chocolate milk.

Thursday — Fried chicken, green beans, broccoli, honey butter, rolled wheat rolls, milk.

Friday, Nov. 12 — Spanish rice with ground beef, cabbage, carrot salad, apple cobbler, kitchen-made bread, butter, milk.

Mr. and Mrs. Tony Gabel of Dimmitt became the parents of a 9-pound, 3-ounce boy last Wednesday. He has been named Jad Clay.

It's a boy for Mr. and Mrs. Juan S. Villarreal Jr. of Hart. He was born Oct. 25, weighed 6 pounds, 12½ ounces, and has been named Leonardo.

Shower honors Janice Mooney

Janice Mooney, bride-elect of Gerald Davis of Amarillo, was the honoree at a shower Saturday morning in the home of Mrs. Buster Tidwell.

SPECIAL guests were Miss Mooney's mother, Mrs. Bob Mooney; her grandmothers, Mrs. Dora Mooney and Mrs. Elmer Youts; and an aunt, Mrs. Lester Gladden.

Jane Ann and Suzie Mooney and Judy Moore served sweet rolls, spiced tea and coffee from a table that was covered with a white cutwork linen cloth and centered with an arrangement of bronze mums and blue candles.

Janet Mooney registered the guests, and Ronda Tidwell performed organ selections.

Twenty-five ladies assisted with hostess duties.

Miss Gilliland

Wedding plans told

Mr. and Mrs. Leon Gilliland of Dimmitt announce the engagement and approaching marriage of their daughter, Gayla Uvon, to Mance C. McClenny, son of Mr. and Mrs. Bill McClenny, also of Dimmitt.

A NOV. 27 wedding is planned in the First Church of the Nazarene in Hereford.

Miss Gilliland is a senior in Dimmitt High School and will graduate at mid-term. She is presently employed by Golden Spread Nursing Home.

McClenny, who attended Dimmitt High School recently completed four years' service in the US Navy. He is employed by Western Ammonia Co.

US 'answer book' is now available

The 1971 edition of the Statistical Abstract of the United States, popularly referred to as "Uncle Sam's Answer Book," has just been released by the Bureau of the Census.

THIS 92nd edition of the Statistical Abstract presents up-to-date authoritative data on the social, political and economic organization of the United States. This book is widely used as a reference in business offices, schools, libraries and homes.

Copies are now available at \$5.50 and may be ordered from the Superintendent of Documents, US Government Printing Office, Washington, D.C. 20402. Make check or money order payable to the Superintendent of Documents.

Miss George is shower honoree

Shelly George, bride-elect of Danny Rice, was complimented with a shower last Tuesday in the home of Mrs. Robert Brooks. Mrs. Brooks received the guests and Mrs. Calvin Alexander presided at the guest register.

The serving table was covered with a dace cloth over blue and centered with a flower arrangement of tones of blue. Mrs. Harold and Mrs. Ed Bennett served the refreshments.

The hostesses presented the honoree with electric appliances—a skillet, hand mixer, toaster-broiler, percolator and iron.

Special guests were Mrs. Jimmy George of Dimmitt, mother of the honoree; Mrs. L. J. Rice mother of prospective groom; Miss George's grandmother, Mrs. E. L. Carpenter of Dimmitt; Rice's grandmother, Mrs. John Rice of Hart; Miss George's aunt, Mrs. James Autry of Rocky Ford, Colo.; and Rice's aunts, Mrs. Royce Rice of Amarillo and Mrs. Doyle Davis of Hart.

Assisting Mrs. Brooks with hostess duties were Meses, Calvin Alexander, Ed Bennett, Clinton Holiman, Glyn Reed, Paul Armstrong, W. A. Hawkins, Jr., Dwight Miller, L. C. McLain, Dean Sanders, L. L. Swindle, Butch Waller, John McLain, R. G. Henderson, Wamon Foster, Harold Bennett, Wister Cleveland, George Bennett and Soila Sarabia.

Book Club sets Silver Tea for next Wednesday

The Dimmitt Book Club will meet Wednesday at 4 p.m. for its annual Silver Tea.

THE MEETING will be held in the fellowship hall of the First Baptist Church. Mrs. Betty Boothe is the club member responsible for the review, and her guest reviewer will be Mrs. Ray Axtell from Earth.

Mrs. Axtell will review Adela Rogers St. Johns' autobiography, "The Honeycomb." In her book, Mrs. St. Johns traces her 50 years as a star reporter and feature writer for the Hearst papers. She covered the Lindbergh kidnaping trial the romance of Edward VIII and Wallis Simpson, the Huey Long saga, and most of the other great American news stories of the 20th Century.

The public is invited and book club members are encouraged to bring at least two guests. Those attending should enter the church from the south doors.

"COORDINATED" FOODS
Do you serve "picture pretty" foods? They should be, remind Extension foods and nutrition specialists. Even the shapes and colors should go together.

Miss Vaughn

December date set

A Dec. 18 wedding is planned by Suzzie Vaughn of Hereford and Marvin Smith of the Frio community.

MISS VAUGHN is the daughter of Mr. and Mrs. Bob C. Vaughn of Hereford. Smith's parents are Mr. and Mrs. Fritz Smith of Frio.

Vows will be exchanged a week before Christmas in the Avenue Baptist Church of Hereford, with all friends of the couple invited.

Miss Vaughn and Smith are 1971 graduates of Hereford High School. She is employed at Duckwall's Variety Store in Hereford and he is a student at West Texas State University.

START WITH a chilled bowl if you're planning on whipping cream, suggest Extension home economics specialists. Cream is easiest to whip when the bowl is chilled between 35 and 40 degrees F. Whip cream rapidly, but don't overwhip.

Couple establish home in Big Spring

Lt. and Mrs. Jack Winston Flynt III are now at home in Big Spring, following their recent wedding in the First United Methodist Church of Dimmitt.

THE BRIDE is the former Elaine Davis, daughter of Mrs. Ernest L. Davis of Dimmitt. Lt. Flynt's parents are Mr. and Mrs. Jack W. Flynt of Dimmitt.

The couple exchanged vows in a double-ring formal ceremony officiated by Rev. Jim T. Pickens.

Mrs. Glen Johnson of Houston, sister of the bride, served as matron on honor. Maid of honor was Mary Lynn Hays of Dimmitt, and bridesmaid was Mrs. Arnold Acker of Atlanta, Ga., sister of the groom. They wore full-sleeved peasant style dresses with Empire bodices of light pink crystalline and ruffled skirts of dark pink velvet. The bodices were accented with white and pink ribbon trim. They carried nosegays of light and dark pink gladioli.

THE BRIDE, given in marriage by her uncle, Wesley M. Davis of Hale Center, wore a formal gown of silk peau de soie in candlelight. The fitted Empire bodice featured a Victorian neckline and long bishop sleeves caught at the wrist by deep cuffs. Lace traced a pattern on the bodice front and down each side front of the A-line skirt, which swept to back fullness, cascading into a full chapel train. Seed pearls accented the bodice front and an ivory satin ribbon bow with streamers accented the front and back waistlines. Her veil was of candlelight silk illusion. The bridal bouquet was of white roses and pink gladioli surrounding a large white orchid.

The white bridal path was lined with candles, and two spiral candelabra flanked with greenery decorated the altar. The altar table held a pink gladioli bouquet. Joe Lust of Dimmitt served

as best man. Groomsmen were Bob Bradford of Fort Sill, Okla., and Larry Tackitt of Happy.

CANDLELIGHTER was Karon Flynt of Dimmitt, sister of the groom. Ushers were Glen Johnson of Houston, Stan Wegman of Lubbock and Dick Clark of Happy.

Janice Monecy of Dimmitt, organist, performed wedding music and accompanied Sue

Lynn Walker of Brownfield, who sang "Whither Thou Goest" and "For All We Know."

A reception was held in the church's Lamar Fellowship Hall. Mrs. Mark Morrison served the three-tiered wedding cake of white with pink highlights, and Mrs. A. D. Schreck III of Tulia presided at the punch bowl. The bride's table was covered with a white linen cloth,

and decorated with a candelabra accented with the bride's and attendants' bouquets. Serving coffee and chocolate cake from the groom's table were Sheila Hamilton of Dimmitt and Mrs. Stan Wegman of Lubbock. Juanelle Conard of Dimmitt registered the guests.

FOR THE wedding trip, the bride chose a three-piece pantsuit of gold doubleknit with beige and brown accessories and a white orchid corsage.

The bride is a 1968 graduate of Dimmitt High School. She attended the University of Texas and Texas Tech. She is a member of Phi Gamma Nu, honorary and professional business sorority.

Lt. Flynt is a 1971 graduate of Texas Tech, with a BA in telecommunications. He was president of Alpha Epsilon Rho, national honorary radio-TV fraternity, and is a member of Alpha Delta Sigma, national advertising fraternity. He is presently receiving pilot training at Webb Air Force Base, Big Spring.

MRS. JACK WINSTON FLYNT III
... The former Elaine Davis

50th anniversary reception planned

Mr. and Mrs. Vern Lust will be honored with a 50th wedding anniversary reception Sunday, Nov. 14, in Lamar Fellowship Hall of the First United Methodist Church of Dimmitt.

HOURS will be from 2:30 to 4:30 p.m. Hosting the event will be their children and families, Mr. and Mrs. Loy Dean Stone and Mr. and Mrs. Houston Lust of Dimmitt and Mr. and Mrs. Glenn Lust of Lubbudie.

friends of the couple; invitations have been mailed only to out-of-county friends and relatives. The honorees have requested that no gifts be brought.

Mr. and Mrs. Lust were married Nov. 11, 1921, in Hart. Mrs. Lust is the former Millie Branson of Claude. At the time of their marriage, he was farming in Bethel and she was teaching at the Bethel School.

THEY FARMED in the Big Square community for six years, then moved back to his family's home place, where they have lived for the last 44 years. All three of their children graduated from Dimmitt High School.

Mr. and Mrs. Lust have 11 grandchildren, all of whom will help serve at Sunday's reception.

CLIFFORD B. JONES GENERATING STATION, WHICH WILL BE DEDICATED SATURDAY
... Largest plant in Southwestern Public Service Co. system

SWPS to launch station Saturday

Clifford B. Jones Station, the newest electric generating facility on the Southwestern Public Service Co. system, will be dedicated at 11 a.m. Saturday.

THE PLANT is located southwest of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road. Following the dedication ceremonies, the plant will be open to the public for two days, with visiting hours on Saturday being 11 to 7 p.m. and on Sunday from 1 p.m. to 7 p.m.

Dr. Clifford B. Jones, president-emeritus of Texas Tech University and a director of SWPS for more than a quarter century, will dedicate the new facility.

The new generating facility has a first unit capability of 256,000 kilowatts, and is the largest single unit in the Southwestern system.

The turbine control system at the new station is the first of its type in the world. The result of cooperation in research and development between SWPS and Westinghouse Electric Corp., manufacturer of the turbine, the system utilizes a digital computer and data recording devices to bring the turbine on the line and control it while in operation. Peter G. Botsonis, a supervisory engineer for Southwestern and a 1958 Texas Tech graduate played a major role in the development of the control system.

The new facility uses treated sewage effluent, purchased from the City of Lubbock, as its cooling water. The sewage effluent is also used for irrigation purposes after it has left the plant system.

White it isn't something you could put together with a "do-it-yourself" kit, the plant is, in fact, a home-made product. The design, engineering and construction supervision was done by Southwestern's own engineering department, under the direction of H. O. Hodson and E. W. Robinson, vice-presidents. Missouri Valley Constructors, Inc., of Amarillo, was the mechanical and structural contractor and Budwine Service Electric Co. of Carlsbad was the electrical contractor.

USDA outlines 1972 cotton program

Major provisions of the 1972 upland cotton program — aimed at continuing the progress achieved this year — were announced recently by Secretary of Agriculture Clifford M. Hardin.

"THE provisions of the 1972 upland cotton program follow those of the 1971 program by giving farmers the opportunity to make better overall use of their land in the interest of a balanced production of all crops," Hardin said. "Cotton is moving toward an improved position as evidenced by several encouraging factors now being realized with this year's crop. In the first year under the new cotton program, production is higher... about 500,000 bales more than last year; market prices are averaging more than 5 cents above 1970; and cotton income to farmers should be up nearly \$200 million."

The 1972 upland cotton program provides for a national base acreage allotment of 11,500,000 acres, a national average loan rate of 19.5 cents per pound, a preliminary set-aside payment rate of 15 cents per pound and a set-aside requirement of 20 percent of the farm base acreage allotment.

"Any cotton farmer may participate in the 1972 program by signing up and complying with the set-aside and conserving base requirements for his farm," Hardin said. "Also, through the set-aside provision cotton farmers will assist in the overall commodity supply

adjustments authorized and contemplated by the Agricultural Act of 1970. As for cotton production in 1972, each participating farmer will have the opportunity to plant the acreage he decides upon after study of the outlook for supply, demand price and other factors, including alternative crops.

THE NATIONAL cotton production goal of 12,949,000 bales (standard bales of 480 pounds, net weight) is equal to the total estimated domestic consumption and estimated exports for the 1972-83 marketing year which begins Aug. 1, 1972, plus an allowance of five percent of the estimated domestic market expansion, plus an adjustment necessary to provide carryover stocks in the US on July 31, 1973, equal to 50 percent of the average offtake for the three preceding marketing years.

The national base acreage allotment of 11.5 million acres is the same as for 1971 and is the acreage determined necessary, on the basis of the 1972 expected national yield, to produce an amount of cotton equal to the estimated domestic consumption during the 1972-73 marketing year, plus the 25 percent adjustment authorized to produce the nation production goal and further adjustment to maintain adequate supplies.

The national average loan rate of 19.50 cents per pound applies to Middling 1-inch upland cotton (micronaire 3.5 through 4.9) net weight, at average location. The 1972 rate is the same as for 1971. After determining 90 percent of the average world price for such cotton for the two-year period ending July 31, 1971, an adjustment was made to take into account the higher world prices in 1970-71. This adjustment is needed in order to keep US cotton competitive and to retain an adequate share of the world market.

sale for unrestricted use on a competitive bid basis at not less than the higher of: (1) the market price as determined by CCC, or (2) the 1972 loan rate for Middling 1-inch cotton (micronaire 3.5-4.9), net weight, at average location, adjusted for current market differentials applicable to other qualities as determined by CCC and location differentials applicable under the 1972 loan program.

The national base acreage allotment of 11.5 million acres is apportioned to States on the basis of the acreage planted (including acreage regarded as having been planted) to upland cotton within the farm acreage allotment in the years 1966 through 1970, with adjustments in these acreages as required by law.

AS IN 1971, the farm allotment will not limit the acreage of cotton a cooperating farmer can plant. A cotton farmer who sets aside the required acreage to conserving uses can plant all of the cotton he wishes—without penalty—and receive the full payment on his farm base acreage allotment. He may participate in the cotton program on any farm or all farms in which he has an interest, as he wishes.

Failure to plant at least 90 percent of the farm's base acreage allotment will result in a reduction in payments. It could also result in a reduction in the 1973 allotment of as much as 20 percent. If no cotton is planted for three consecutive years, the entire allotment can be lost. Allotments removed from farms are reallocated to other cotton farms.

Producers who wish to participate in the program must sign up at the ASCS county office. Signup dates will be Jan. 17 through Feb. 25, 1972. The ASCS county office will notify producers of their base acreage allotments, payment yields conserving bases and set-aside requirements prior to signup. Information on sale and lease of allotments, release and reappportionment and other program provisions can be obtained from the ASCS county office.

The final set-aside payment, together with the national average market price for Middling 1-inch upland cotton, micronaire 3.5 through 4.9, in the designated spot markets during the August-December 1972 period must equal the higher of (1) 35 cents, or (2) 65 percent of parity as of the beginning of the marketing year, Aug. 1, 1972. However, the payment will not be reduced if the rate as finally determined is less than the 15 cent preliminary rate. The payment is made on a quantity of cotton determined by multiplying the acreage planted within the farm base acreage allotment by the payment yield established for the farm.

THE Agricultural Act of 1970 limits cotton payments to any person to \$55,000. This limitation does not apply to loans.

To be eligible for loans and payments, cotton producers must set aside and devote to conserving uses an acreage of cropland equal to 20 percent of the farm base acreage allotment, plus the conserving base established for the farm.

As in 1971, the set-aside acreage may be grazed except during the five principal months of the normal growing season but set-aside acreage must be protected against erosion, weeds, insect damage and rodents. In 1972, sweet sorghum again may be planted on the set-aside acreage and grazed, except during the five principal months of the growing season.

BEGINNING Aug. 1, 1972, upland cotton will be offered for

Lockney rides airplanes for 33-12 win over Cats

By JOHN BROOKS
Dimmitt's losing streak was extended to three games as the Bobcats bowed to the pass-minded Lockney Longhorns, 33-12, in a mudbath at Lockney Friday night.

PLAYERS on both teams were unidentifiable as a heavy mist came down throughout the game.

Lockney broke the ice in the first quarter when John Clark found himself in the clear for a 70-yard bomb from strong-armed quarterback Tony Ford. Dart Canthel kicked the pigskin through the uprights to make the score 7-0 early in the con-

test. But neither team could do anything for the rest of the first stanza as the game turned into a punters' duel. Dave Nino booted some good punts that traveled up to 40 yards, but Lockney also had some good punting, and both teams found themselves in the hole time after time.

DIMMITT drew blood early in the second quarter on a seven-yard run by Nati Anes, senior fullback. The Bobcats tried for two extras, but came up short and the scoreboard stood at 7-6.

But Lockney came storming

back with three touchdowns in the second quarter. The first was scored on a 52-yard run by Charlie Mathis through the middle of the Bobcat defense. Canthel was wide with his kick and the scoreboard read 13 for Lockney and 6 for Dimmitt. Bobcat fans kept their fingers crossed, still hoping, wishing.

Then Lockney drove again through the fog to the Cat 10-yard line, where Ford caught a glimpse of Bill Hill in the end zone and hit him with a bullet. Canthel was wide with his boot, and Lockney had a 13-point padding, 19-6.

ONCE AGAIN in the second stanza the Longhorns broke the Cats' defensive trenches to drive downfield, and Clark again scored on a pass, this time a seven-yarder. Cleo McGee scored the extras to make the score 27-6, Horns, at halftime.

The Bobcats came roaring back in the second half, but could only convert one drive. This touchdown was also scored by Anes on a seven-yard run. The Cats came back with the same play in their conversion attempt but the Longhorns were looking for it, and stopped it just short of the goal. The score was 27-12, Longhorns, but the inspired Bobcats still harbored hopes of pulling off a victory.

However, the Horns put the icing on the cake early in the fourth quarter as Larry Cunyur scampered in from 20 yards out to make the score 33-12, Longhorns, which was the winning margin. Canthel again was wide with his try for the extra.

THE BOBCATS far outdistanced Lockney in the rushing department. But the strong-arm tactics of Ford gave the Longhorns an advantage in total yards and in the score. Also, for the first time this year, the Bobcats went through the game without a penalty called against them. Lockney had five penalties for 47 yards.

The win for the Longhorns gave them a 3-2 conference mark, and dropped Dimmitt's 3-AA record to 1-3.

3-AA sidelines

Dimmitt coach compares leaders as Friday night showdown looms

The showdown has arrived. And just as predicted, it will come off in Littlefield Friday night.

REMAINDER of District 3-AA may be jumbled from its preseason lineup, but the two contenders for the 1971 championship and that prestigious playoff spot are the ones who were expected to finish on top.

Floydada was picked, and the Whirlwinds are the leaders now, floating along 5-0 in district and 7-1 for the season. Just a step back is Littlefield, which lost a 13-7 verdict to Olton. The Wildcats are 4-1 in district but will be playing at home Friday night in the showdown.

The season won't end with Friday's verdicts, but the play-off representative could be determined. And although the Whirlwinds and Wildcats are the top two, the winner Friday night is not assured of being the champ. The variables are many, and Olton fits into the picture.

THE "IFS" are many, but still, the Friday night winner will be the favorite with just a week more to play.

The showdown was set up by Floydada's 28-3 win over Friona and Littlefield's 24-15 win over Olton. Other games Friday night found Lockney dropping Dimmitt 33-12 and Olton taking out Morton 20-7.

This late in the season, comparative scores abound, and very little can be determined from them—except that the Floydada-Littlefield battle will be in serious surroundings.

IN DISTRICT, the two clubs have met four common foes. Floydada beat Olton 28-13 and Littlefield lost to the Mustangs 13-7. Floydada bested Friona 28-3 and Littlefield won 35-0. Against Lockney, the Whirlwinds and Wildcats won by respective 35-13 and 28-0 scores.

Dimmitt lost to Floydada 6-0 and to Littlefield 34-3.

"It's hard to compare them," said Dimmitt's head man, Brown Smith. "We caught Floydada early, the first dis-

trict game (a month ago). They have a good ball club, but I'm sure they have improved a lot since we played them. And of course, Littlefield is strong.

"THEY (Littlefield) are strong, good sized, and that (runningback) Ralph Funk is a tremendous football player; he really impressed us."

Floydada hasn't lost a district game since the 1968 season. "but I feel that Littlefield has a good chance against them" Smith added.

"I think defense will decide it," said Smith. "It's a pressure game, though, and Floydada has been under pressure before (being in the playoffs two straight seasons). But, then again, Littlefield has the home advantage."

"I'll say this: It'll be an interesting game."

JIM KUNKEL was Floydada's big man last week as the fullback rushed for three touchdowns, hiking his total for the season to 60 points. Funk, the highest scorer on the South Plains, matched Kunkel's total against Littlefield. Funk has now scored 126 points in eight games.

Olton held onto its outside shot at the title with a win over Morton. Keith Workman scored twice for Olton, once on a pass Stockdale.

Lockney, with Charlie Mathis scoring once and rushing for 90 yards, built a 27-6 halftime lead against Dimmitt.

3-AA SEASON STANDINGS

Road year on tap for Cats in 1972

Dimmitt's Bobcats will play only four football games at home next year, hitting the road for their other six.

TWO OF their road games will be against new opponents, Kress and Dalhart. The 220-mile round trip to Dalhart will be the longest in many years for Dimmitt players and fans.

The 1972 schedule was drawn after a fish market-type bargaining session at Olton, where administrators and coaches gathered to organize the new five-team District 3-AA for next year.

HERE'S THE 1972 DHS football schedule:

Sept. 8 — Muleshoe, here
Sept. 15 — Farwell, there
Sept. 22 — Springlake, there
Sept. 29 — Lockney, here
Oct. 6 — Dalhart, there
Oct. 13 — Kress, there
Oct. 20 — LITTLEFIELD, here
Oct. 27 — Open
Nov. 3 — FRIONA, there
Nov. 10 — MORTON, here
Nov. 17 — OLTON, there

TOUCHDOWN!—Nazareth fullback Neil Dobmeier (arrow) blasts over the goal line for the Swifts' first touchdown in their Homecoming game against the Turkey Turks Friday night. Clearing a path for Dobmeier are tackle Kerry Brockman (12) and tailback Russell Schacher (44). This TD was the first of five for Nazareth as the Swifts shrugged off a blinding mist over the field and scored a 36-8 triumph over their visitors.

Swifts wallop Turks on foggy field, 36-8

By PAT ACKER
Nazareth's Swifts celebrated their first Homecoming victory in three years by walloping the Turkey Turks, 36-8, Friday night in the second district game of the season.

AFTER seeing Peggy Book crowned Homecoming Queen in pre-game ceremonies, the Swifts stepped onto the mist-shrouded field with victory in mind—and a big victory it turned out to be.

Nazareth was able to score in every quarter. In the first stanza, fullback Neil Dobmeier opened the Swift scoring with a three-yard blast to make it 6-0.

In the second frame, Dobmeier repeated his act, racking up his second TD to give the Swifts a 12-0 edge.

Later in the second quarter, senior quarterback Gordon Wilhelm sneaked over the goal line from a yard out and the Swifts added a two-point conversion to hike their lead at halftime to 20-0.

THE SWIFTS continued to dominate the game after the

intermission, stopping the Turks cold and not allowing their visitors into Swift territory. Late in the third, Dobmeier cut loose on a 23-yard scoring jaunt and the Swifts added a two-point conversion to make it 28-0.

The Turks weren't helpless, however. They possessed an especially dangerous threat in the form of Joe Lane, No. 23, who proved his ability twice with fine runs. The first was a 30-yard jaunt which the Swifts were able to stop just short of the goal line. The Nazareth defense held on that one to deny the Turks a score. But late in the fourth period Lane broke loose again, this time for 60 yards and a TD. The Turks added two points and the score stood at 28-8.

But Nazareth came back to put the clincher on the scoring as Wilhelm crossed into promised land a second time in the waning moments. The Swifts added another two-pointer to make the final score 36-8.

NAZARETH'S defense held the visiting Turks to only 90 yards rushing, including the 10

which Lane spun off in two runs. The Swift offense finished the night with 230 total yards.

Longhorns book Morton for '72

Hart High School has booked a Class AA team, Morton, for its 1972 football schedule.

HART, which is in only its second year as a Class A school, also has added Shallowater, Anton and Lazbuddie to its non-conference slate of games for next year.

Here's the HHS grid schedule for 1972, with the last six games being district bouts:

Sept. 8 — Lazbuddie at Hart
Sept. 15 — Shallowater there
Sept. 22 — Morton there
Sept. 29 — Anton at Hart
Oct. 6 — Vega there
Oct. 13 — Sudan at Hart
Oct. 20 — Farwell there
Oct. 27 — Kress there
Nov. 3 — Springlake at Hart
Nov. 10 — Open date
Nov. 17 — Bovina at Hart

Wolverines drop Longhorns, 10-0

By DAVIS BASS
The Hart Longhorns left the fog at home as they went to Springlake Friday night, but still couldn't get out of the cold as the Wolverines handed them a 10-0 defeat.

THE GAME was strictly a defensive contest, as the statistics show. The Horns had 11 first downs to only eight for the Wolverines, and S-E had 160 yards total offense to the Horns 142.

After taking the opening kickoff, the Wolverines moved well at first, but then the tough Hart defense and a muddy field combined to cause a Wolverine fumble. Guillermo Carrasco pounced on the ball at the S-E 45-yard line.

But the Horns could not move the ball and had to punt. This time the Wolverines moved the ball to the Hart 12-yard line, but the Longhorn defense rose to the test and the Wolverines had to settle for a 22-yard field goal by Hoyt Glasscock.

Disaster almost struck the Horns moments later as a horde of Wolverine defenders caused a Longhorn fumble on the Hart 18. But on the next play David Barham jumped on a Wolverine miscue to give the ball back to the Horns with a first down. The quarter ended moments later with S-E leading, 3-0.

THE SECOND quarter saw the stiff defensive contest continue. Near the end of the quarter the Wolverines got a big drive going, but again the small but scrappy Longhorn defense dug in to hold the Wolverines at bay and the half ended with S-E still holding onto its 3-point advantage.

To start the second half, the Longhorns really began to move the ball well until they got to the Wolverine 35-yard line but there the Wolves were able to stop their drive and make them punt.

Then came the decisive play of the game. S-E's Guy Davis took the ball at his own 15 and took off down the sideline. It looked as though every member of the Longhorn defense got a hand on him, but none were able to stop him as he dashed 85 yards to paydirt. Hoyt Glasscock added the point-after, making it 10-0 at the end of the third quarter.

IN THE final period, the Horns made their last valiant try and moved the ball well on runs by Stanley Dyer, Johnny Ethridge and Jimmy Brown, and on passes from Dirk Rambo to Erasmo Castillo. But the drive bogged down in Wolverine territory and Springlake-Earth was able to run out the remaining moments of the game to preserve its 10-0 lead.

Friday night the Horns will entertain the Happy Cowboys in their last home game of the 1971 season.

INSTANT CONTROL

Efficient, economical and controlled — that's the story on the largest electric generating unit on the High Plains.

That would be the first unit at Clifford B. Jones Station — Southwestern's new power plant southeast of Lubbock.

It will be open Saturday and Sunday and we hope that you'll come. You'll see instant control — and a real powerhouse planned for your electrical future.

Don't miss the OPEN HOUSE
Saturday, November 6 — 11 a. m. - 7 p. m.
Sunday, November 7 — 1 p. m. - 7 p. m.
Dedication Ceremony — Saturday, 11 a. m.

GOLDEN ANNIVERSARY
The **ELECTRIC Company**
1921-1971

Jones Station is southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road (FM 853). Be sure to dress casually and comfortably for the plant tour and ladies should wear low-heeled shoes.

Trick-or-treaters collect \$100 for world food fund

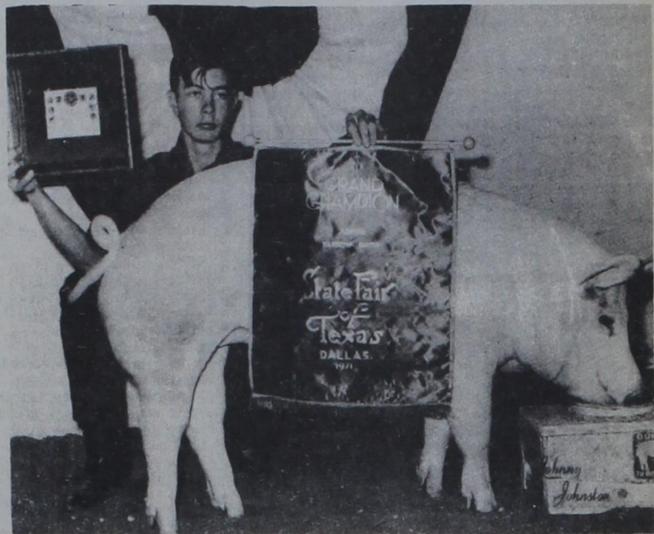

By MYRT LOMAN

Youths who took part in "Trick or Treat for CROP" Sunday afternoon collected \$100.06 for the Christian Rural Overseas Program.

The youths met at the First United Methodist Church at 3 p.m. and spent the afternoon calling door-to-door to collect donations to help feed the hungry in underdeveloped nations of the world. Taking part in the campaign were Debra, Reta and Sandy Heck, Rhonda Newsum, Sherry Odom, Karen Foster, Retha Aven and James Taylor. The youths were sponsored and supervised by Harold Bob Bennett.

NOTE THE new game time for Friday night's Hart-Happy game. Kickoff time will be 7:30 p.m. in Hart High School stadium. Hart's eighth grade and B-teams will travel to Happy this evening (Thursday) for games at 5 and 6:30 respectively.

TWO MEETINGS involving school personnel are on tap Monday night. The Classroom Teachers Association will meet at 7:30 and the school board will meet at 8.

STATE FAIR CHAMP—Gary Hart of the Hart FFA shows his 238-lb. crossbred barrow which won the grand championship of the State Fair Junior Livestock Show in Dallas recently. The prize barrow sold for \$500 to Acco Feed Co. In the same show,

Terry Hill exhibited the grand champion Chester White barrow, Jim Tucker showed the reserve champion Duroc barrow, and four other Hart FFA boys placed with their barrows.

MR. AND MRS. C. E. Johnson have received word they have a new granddaughter, Dawn Marie Johnson, born in Hi-Plains Baptist Hospital of Amarillo on Oct. 7, weighing 6 pounds and 6 ounces. She is the daughter of Mr. and Mrs. M. L. Johnson.

THE WOMEN'S Society of Christian Service met last Thursday at the Methodist Church.

Members will sponsor a clean-up day at the church Friday, meeting at 9:30 a.m. All ladies of the church are invited to help with the work.

Mrs. T. H. Taylor led the lesson discussion "Matthew our Mission," from the study book, "The Invitation."

Participating in the program were Mrs. Taylor, Mrs. Leonard Griswold, Mrs. E. E. Foster, Mrs. Paul Armstrong, Ms. Ed Bennett, Mrs. Willis Hawkins Sr., and Mrs. Mabel Aven.

DUE TO ILL health Mrs. Lowell Richburg has resigned as leader of the Girls in Altion of the First Baptist Church. Mrs. Harold Bass has volunteered to work with the girls of junior age after school each Wednesday afternoon, meeting in fellowship hall of the church.

J. W. SALLIS, manager of student services at Texas State Technical Institute in Amarillo, was the guest speaker Monday night at the Parent-Teacher Association meeting, held in the elementary gym.

He discussed the services and courses offered by the school, along with housing facilities for students. Leaflets were distributed to those present. A question and answer period closed the program.

Room count prizes were won by Mrs. Barry Hughey's second grade, Mrs. H. L. Cheatham's third grade and the ninth grade.

Mrs. Aubrey Myers, treasurer, reported a balance of \$647.05. Mrs. Mart Booe reported that there are 111 members at present.

The next meeting is scheduled for Nov. 22 at 7:30 p.m. with a music program to be presented by the elementary students. Lewis Winters, music teacher, will be in charge of the program.

CUB SCOUTS finance committee has announced plans for a

candy sale as the money-making project for the year. Committee members are Weldon Jones and Max Marble.

Different types of candy and party nuts are on sale and persons wishing to purchase the candy may contact one of the committee members or any Cub Scout. Money earned will be used for the Scouts' weekly projects.

Winner of the bean guessing contest Saturday night at the Halloween Carnival was Bill Hill. He guessed 8,160 beans in the jar and there were 8,353. Hill won a set of steak knives donated by Clevenger Insurance Agency.

THE METHODIST Church will sponsor its annual Harvest Festival Nov. 17 at 7 p.m. in fellowship hall of the church.

A food committee has been appointed to plan the dinner. Rev. Elra Phillips of Big Spring will be the guest speaker. Rev. Phillips is a former pastor of the local church.

CHI PSI chapter of Beta Sigma Phi will sponsor a bake sale Nov. 13 at the Pay and Save Grocery.

There will be cakes, pies, cookies and pastries for sale.

MRS. W. C. Crick and Levi Bennight were dismissed from Amarillo hospitals and are recuperating at home.

L. J. Rice was admitted to Plains Memorial Hospital in Dimmitt for tests and observation.

ALL LIONS Club members are urged to be present Monday at the community room in Farmers State Bank for the regular meeting.

Tuesday after school, the Girls of 4-H will meet. The 4-H county awards banquet will be held in Dimmitt Saturday night.

MEMBERS of the First Baptist Church will host the Staked Plains Baptist Brotherhood quarterly associational and board meeting Tuesday night in Fellowship hall of the church.

Dinner will be served at 7 p.m. and a program will follow. C. J. Humphrey, layman of Amarillo, will be the guest speaker.

FOR THE month of October the city received 2.97 inches of moisture, while amounts in the surrounding area varied.

Monday morning from 2:15 to 2:45 it rained .45 of an inch in the city, with a small amount of hail.

Farmers are needing sunshine so they can get back into the fields. I've heard of one farmer who had cotton opened that could be picked, but could find no cotton sacks.

IF YOU missed the Fifth Sunday Singing at the Lee Street Baptist Church in Dimmitt Sunday afternoon, you surely did miss some good singing. All singers were not adults; several youths participated in the program.

Any number of little ones were out Saturday night to trick or treat and all were so nice. When I said, "I'm sorry, I have nothing" (I saved mine for CROP), they replied a nice "Thank you." I answered the door once and said, "I have nothing for you," and the table was turned as they brought me a dozen fresh country eggs.

THE METHODIST and Baptist Churches each had guest speakers Sunday morning.

Walter Carlton, senior student at Wayland Baptist College in Plainview, was the guest speaker at the First United Methodist Church, speaking on TANE (Texas Alcohol and Narcotics Education). Don Smith, teacher in Estaca-

do Junior High School in Plainview, was the guest speaker at the Baptist Church.

A free will offering was taken at both churches to assist with the TANE program.

MRS. G. R. Bennett's home was the meeting place of the Zealot Club last Thursday afternoon.

Mrs. Bennett and Mrs. Sid Farmer presented the program on the hand making of Christmas decorations and presented each member with patterns for the decorations.

It was reported that approximately \$158 was made at the annual fall rummage sale. Packages of "Trick or Treat" were sold and proceeds turned over to the Kidney Foundation.

Members voted to penalize each absent member 10 cents for a special fund to be given to the Kidney Foundation.

Pumpkin pie and hot spiced tea were served.

DEC. 10 is the final date to have packages gift-wrapped for Grlstown Christmas gifts. They ask that contents of each package be written on a piece of paper and put on the outside of the package. Gifts will not be opened until Christmas, and they would like for each girl to receive a gift.

GIFTS ARE being sent to the family of Rev. Woodrow Williams, a former pastor in this area, who was killed recently. He leaves a family, but had no insurance. Checks may be made to the First United Methodist Church and marked for the Williams Fund, and it will be forwarded to them.

THE WOMEN'S Society of Christian Service will sponsor a "Clean-up Day" Friday at the First United Methodist Church.

All women who can work are urged to be present at 9:30 and help as long as they can. This is an annual project of the Ladies.

THE WEBELO and Cub Scout dens held their pack meeting last Thursday night in the Hart Elementary Gym.

Awards were presented to the following boys: Scott Jones, Ronaldo Longoria and Marlin Marble, recruiting stripes; Cubmaster Jerry Cotton, belt loop recognition of recruiting; Luis Villarreal and Glen Snitker, Bobcat; Brad Hill, Clay Barnes, Matt Aven, Wolf badge; Matt Aven, Bradd Hill and Clay Barnes, gold arrow on Wolf badge; Chad Bruntington, Matt King and Bill Warren, silver arrow on Wolf badge; Matt Aven, two silver arrows on Wolf badge; Keith Newsom, silver arrow on Bear badge; Luther Isaguirre, aquanalet, athlete, geologist, outdoorsman and craftsman merit badges; Russell Davis, craftsman; Bruce McAdams, Webelo badge; Glen Snitker, advancement to Webelo.

Jimmy Smith joined the Webelo den, Kelly Jones advanced into Boy Scout Troop 246, and Kelly King received the den chief cord.

"This and That," a special skit, was presented by Cub Scout dads, Daryl Davis, W. T. King, Bill Hill, Weldon Jones, Bob Reed, Bill Rich and Dub Bruntington.

Butch Waller was acting judge for the pinewood derby and the fire engine handicraft. Leslie Reed won first place for best-built fire engine; Luis Villarreal, least like a fire engine; Bill Warren, neatest

job; and Matt Aven, most work.

Ribbons were presented to winners of the fire engine handicraft contest and winners in the pinewood derby:

Den 1 — Scott Jones first, Chad Bruntington second.

Den 2 — Clay Barnes, first, Phill Foster second.

Den 3 — Leslie Reed first, Bill Warren second.

Webelo Den — Bruce McAdams first, Luther Isaguirre second.

Den Chiefs — Kelly King first, Bart Bruntington second.

Pack Winners — Bruce McAdams first, Clay Barnes second.

This little poem was passed to me by a member of the Lions Club who works with the Cub Scouts:

I KNOW SOMETHING GOOD ABOUT YOU
Wouldn't this old world be better

If the folks we meet would say, "I know something good about you"

And then treat us just that way? Wouldn't it be fine and dandy

If each handclasp warm and true

Carried with it the assurance, "I know something good about you"?"

Wouldn't life be lots more happy

If the good that's in us all Were the only things about us

That folks bothered to recall? Wouldn't life be lots more hap-

py. If we praised the good we see? For there's such a lot of goodness

In the worst of you and me. Wouldn't it be nice to practice That way of thinking, too?

You know something good about me

"I know something good about you."

Frio news

Carnival draws crowd

By MRS. OWEN ANDREWS

There was very good attendance at the Halloween carnival at the Easter community building Saturday night. Booths, cake walks and the other usual carnival activities occupied the guests.

★ MR. AND MRS. John Simpson recently visited a niece at Muleshoe. Also there was Simpson's brother, Joe Simpson, and his wife from Wellington. J. C. Simpson took his parents to the Muleshoe family gathering.

Mrs. Tommy Sparkman has been going to Amarillo to see about her grandfather, W. C. Flack, who underwent surgery there a couple of weeks ago. She and Mrs. Pete Flack brought him to the Flack home last week, where he is staying while he recuperates from the surgery. Mr. Flack who is 85 years of age, has been living in Arkansas for several years. A son, J. C. Flack and Mrs. Flack of Lawton, Okla., was here one day last week to see Mr. Flack and also visited the relatives here.

The Fritz Smith family visited the Verle Cricks at Hart Sunday.

Frio Jolly Workers 4-H Club had its achievement program on Oct. 22 in the Easter Community Center. A pot-luck supper followed the program. Charles Hotel, Castro County Agent was a guest.

★ DAVID HUTCHINS Jr., son of the David Hutchins, has been home about two weeks from Northwest Texas Hospital where he was treated for injuries from an accident. He is in a cast, and hopes it will be removed about Nov. 15. David, a high school sophomore is continuing his school work by means of a telephone hookup with classrooms in Hereford High School.

Frio Homemakers Club met Tuesday at the Pioneer Gas "Flame Room" for a program on cake decorating. Guest demonstrators on the program were Mrs. Barbara Pittar and Mrs. Betty Henson. They decorated a birthday cake, discussing the various techniques for different effects and also gave practical information for those interested in learning the art. The cake was served as part of the refreshments after the program. Hostess was Mrs. Leon Richards. Others attending the meeting were Mrs. T. L. Sparkman Jr., Chesley Johnston, Eugene Baldwin, Laura Littrell, Ralph Paul, Annie Springer, Herbert Bruns, Tommy Sparkman, Henry Andrews, Robert Dobbins, Owen Andrews and Miss Alma Andrews.

Mr. and Mrs. Ronnie Andrews and Kyle visited during the weekend with the Ray Oglesbys at Dumas. The Oglesbys have recently moved to Dumas, where he is with the newly organized Oglesby Implement business. They and the Marvin Harris family, recently moved there to be with the business. Both families are from Hereford. Oglesby is a senior student at WTSU scheduled to finish this semester.

★ MR. AND MRS. D. C. Miller went to Mt. Pleasant Sunday to be with the Hitt family, and to attend funeral services for Dave Hitt on Monday. He is the father of their daughter-in-law, Mrs. Carl Miller. The Carl Millers are now living in Vernon where Carl is athletic coach in the high school. Mrs. Miller also teaches there.

Mr. and Mrs. John Robinson have been going often to Lubbock to see about his father, Roy Robinson, who is seriously ill in a hospital. He was slightly improved Sunday evening.

Dennis Ashby of Lubbock, was here during the weekend to be with his mother, Mrs. Lloyd Shultz and Mr. Shultz and especially to visit his grandmother, Mrs. Alma Smith in Deaf Smith General Hospital. Mrs. Smith has been in the hospital about two weeks and her condition seems not to change much the past few days.

Visiting the John Simpsons Sunday were their daughter, Mrs. Leon Roberts, her daughter, Mrs. Ronnie Ford and Kandi all from the Wellington area. They and the Simpsons had dinner with the J. C. Simpsons in Hereford. The Wellington people came especially to bring presents for James and Veatrice Simpson, who were married Friday evening. The weather prevented their attending the wedding as planned.

★ NEWS delayed last week: Rev. R. L. Shannon of Amarillo was guest preacher at Sunday services at Frio Baptist Church. He was accompanied by Mrs. Shannon. Also here for the morning service was Mrs. Lenzo Shannon of Lubbock. They were guests of their daughter and sister, Mrs. W. H. Andrews and Mr. Andrews. Rev. Shannon was pastor of the Frio Church from 1948 until 1951. He is now retired and doing pastoral duty.

Rev. and Mrs. Sam Ogan left Thursday to attend the Texas Baptist Convention at Houston. They took Mrs. Ogan's aunt,

Mrs. Tom Hatchett, who has been visiting her a couple of weeks, to her home at Stephenville. Another aunt, Mrs. Parker Rampley, of Silverton, also accompanied them on the trip. They expected to visit other relatives in the vicinities of Dallas, Houston and Texas City.

Visiting the H. F. Bensons were a niece, Mr. and Mrs. Richard Welch of Altadena, Calif. The Welchies have been on a three month tour of the US and Canada, in their own self-contained vehicle. They visited other relatives in Hereford and Dimmitt, also.

The H. F. Bensons recently made a tour of the mountain area around Santa Fe and enjoyed the autumn scenery, which has since been covered with snow and ice.

★ MRS. MARTHA Stahl, of Renton, Ill. and her mother, Mrs. LaPlant, from Ohio, visited the H. F. Bensons a while Thursday. They were in the area especially to visit Mrs. Stahl's son, Doug, a student at Texas Tech. Mrs. Stahl and her late husband, Henry, lived in Hereford several years, Henry being a technician in Deaf Smith County Hospital. The son, Doug

is now married and living in Lubbock.

Mrs. Clark Andrews attended the Baptist Llanos Altos annual meeting at Earth on Friday, as a representative from Frio Baptist Church.

Gregg Robinson had two teeth extracted at Hi Plains Hospital in Amarillo on Friday. He is the son of the John Robinsons, grandson of the D. F. Yandells.

★ MR. AND MRS. Oscar Campbell, of Crosbyton and Mrs. Blount, of Olton, visited a while with the Owen Andrews, Saturday afternoon. They had been to Hereford to visit the Floyd Campbells and Mrs. Tommy Campbell, all residents of Westgate Home. The Oscar Campbells lived in this community during the 20s moving away in 1930. Mrs. Blount also moved out of the community several years ago.

Mr. and Mrs. Earl McClennin of Comanche, Okla., visited their sisters, Mrs. D. O. Benson of Hereford, and Mrs. Jim Brooks and Mr. Brooks, Saturday. They had been elk hunting in Colorado, had gotten one, and were on their way home.

Sunnyside news

Bradley home from Vietnam

By TEENY BOWDEN

Lee Bradley arrived home from Vietnam Monday. Mr. and Mrs. Weldon Bradley flew to Dallas Monday afternoon to meet his plane. They visited with Mr. and Mrs. David Blair and Bruce in Dallas until Wednesday due to the weather. Mr. and Mrs. Vernon Scott and boys of Farwell, Mr. and Mrs. Carl Bradley and boys, and Mr. and Mrs. Elmer Dixon had dinner with Mr. and Mrs. Weldon Bradley and Lee Wednesday night. Lee has been a crew chief of a helicopter, flying missions almost every day in Vietnam. He flew his first mission nine days after he arrived in Vietnam, and his last nine days before he left. Only bad weather grounded them. He spent one year and three days, and he knows how many hours, in Vietnam and will report to Fort Hood next week. He still has several months to serve.

★ PFC. TOMMY Portwood left Thursday for Washington enroute to Vietnam. Mrs. Portwood and baby will stay with her mother, Mrs. Duard Harris, David and Stanley.

Fifty-four guests were registered for the autograph party honoring Mrs. L. B. Bowden Thursday afternoon. The party was held at the Castro County Library sponsored by the Friends of the Library. Mrs. E. R. Little is a member of the Library Board. Mrs. Ray Joe Riley also helped with the party. Guests were from Sunnyside, Dimmitt, Nazareth, and Canyon. William Clay, the artist, from Quanah did not get to come as scheduled.

Grady Conner and his mother, Mrs. W. E. Conner, former residents of the community, now living in Medford, Oregon visited Tuesday with Mr. and Mrs. J. Paul Waggoner.

★ MRS. ILA Hayden took Mrs. Modean Hitchcock back to Albuquerque this week.

15 of an inch of rain was received Tuesday with .30 of an inch Thursday night and Friday. A trace was received in the north part of the community Sunday night with around an inch in the southeast part.

Mr. and Mrs. Thomas Parson went to Stratford last Saturday night to get Tommy Wilson from his mother, not his father, as I reported last week. They will keep Wendy, Robert, Lisa, and Tommy for awhile. Their daddy is in California.

Marian Dawson has been chosen bandsman of the month at Springlake-Earth. She is also in the cast of the senior play scheduled for Tuesday night.

Mr. and Mrs. Alton Loudder had dinner with Mr. and Mrs. Dwayne Loudder of Flagg Thursday.

★ WENDY MORRISON of Hereford spent the week with Mr. and Mrs. Ray Joe Riley, Kevin and Jodie to help Jodie celebrate his fifth birthday which was Monday. She attended the Halloween party at the kindergarten taught by Mrs. Ed Dawson at Springlake-Earth with Jodie Friday morning and the grade school Halloween party with Kevin Friday afternoon. Jodie was honored with a party by several cousins Sunday in the home of his grandparents, Mr. and Mrs. Ira Scott of Hereford.

Floyd Ivey, Mokey Ivey and Edd Waggoner returned from their deer hunt Tuesday. They hunted near Broadus, Mont. and brought home four deer and their limit of pheasants.

Mrs. Mokey Ivey and Paula Sue spent last Friday through Monday in Canyon with her parents, Mr. and Mrs. Floyd Kiser. They spent Monday night with Mrs. Ivey.

Mrs. Floyd Ivey spent last Saturday through Monday in Amarillo with her sister, Mr. and Mrs. E. W. Barnard.

Mrs. R. J. Lefevre went to Lubbock Friday afternoon and Brenda came home with her for the weekend.

★ MR. AND MRS. L. B. Bowden visited in Plainview Friday afternoon with Mr. and Mrs. Mancil McWilliams.

Mrs. Ima Blewett entertained in her home with a party Friday afternoon Mrs. Alma Ott of Big Square had charge of the party.

Mr. and Mrs. Weldon Bradley received word that her uncle, Clarence Dixon of Friona passed away Saturday night. Mr. and Mrs. Elmer Dixon and Mr. and Mrs. Carl Bradley and family had dinner with them and Lee Sunday.

David and Stanley Harris took the Grand Champion and Reserve Champion Breed Cross Barrow at the Olton Pig Show Friday out of over 600 entries. They got good prices for all they sold including baby pigs in the sale Saturday.

Springlake-Earth won over Hart 10-0 in their last home game of the season Friday night. Dimmitt lost to Lockney 33-12. Several from the community attended the two games. Renee Jones was the S-E Junior class candidate for Miss Flame and the junior class was second in wood-hauling for the boifire.

★ SEVERAL children of the community attended the Halloween party at the church Saturday night sponsored by the leaders and teachers of the church children.

Dan Burnett and Brenda Patterson of Plainview were Sunday dinner guests of Mr. and Mrs. R. V. Bills last Sunday, also the Mack Turners.

Mr. and Mrs. John McLain of Hart brought a birthday dinner to the Noble Armstrongs Sunday to surprise him on his birthday.

Gene Carson and Janie Pierce of Lubbock and Mrs. A. L. Aven of Hart had dinner Sunday with Mrs. Lillian Carson, Resa and Carl Dean. Carl Dean has been home from Virginia Beach for the winter two weeks.

★ MR. AND MRS. Jimmy Waggoner of Dimmitt and Dan Burnett and Brenda Patterson of Plainview were Sunday guests of Mr. and Mrs. J. Paul Waggoner and Mrs. Bob Ball. Dan Burnett received word late Sunday that his house in Plainview had burned. Extent of the damage was not known. It was a rented house, but had all his personal possessions and some of Brenda's things stored there. They had planned to make it their home after their wedding scheduled for January.

Fifty-nine attended Sunday School last Sunday with 33 in Training Union. 67 were in Sunday School this Sunday with 24 in Training Union.

Farm co-ops are a billion-dollar factor in Texas

A basic way of doing business in the American free enterprise system by both rural and urban people is the cooperative.

According to Johnny R. Feagan, Extension economist in farm organization, the greatest asset of cooperatives are the people who own and use their business and provide leadership, management and support from the outside.

"A cooperative," explains Feagan, "is organized in and is a part of the community. It is established to meet specific needs and to perform functions that are important to the individual, community, state and nation."

About 183,000 Texas farmers and ranchers conduct a relatively large business through their participation in a private, self-owned business institution. These people, the economist adds, have progressed through acting together in order to satisfy their economic needs.

According to preliminary USDA statistics, Texas farmers and ranchers operate about 735 agricultural cooperatives. These include 513 processing, marketing and supply associations that grossed more than \$1 billion in sales and netted \$771 million in 1969.

"Cooperatives in Texas are getting larger in size, which reflects the trend in organizations and the ever-growing needs of producers," points out Feagan.

Let's keep in mind now that the District 13 convention is just around the corner. Don't make any commitments for the weekend of Nov. 13 and 14, and go to Littlefield for the convention. You'll really enjoy it, I'm sure.

Florence Leinen, president of the Ladies' Auxiliary, reports they are planning a shrimp and oyster fry to be held at the post home Nov. 20. As soon as they work out all the details I'll let you know, okay?

I can't report on the meeting we had Monday night because of the newspaper deadline, but I'll have it for you next week.

Don't forget our game night on Wednesday; we start at 8:30. Everyone has a good time, so come on out and get in on the fun and excitement.

THE TEXAS School Land Board will offer 401,847 acres of state land for lease at its oil and gas lease sale Dec. 7.

JOHN W. BERRY of Conroe has received the 1971 Lady Bird Johnson Highway Beautification Award and \$1,500 cash prize.

V.F.W. NEWS

By GERALD BROADSTREET Greetings Comrades,

As spooks and goblins were invading the area, the VFW was hosting a record-breaking type dance at the post home. The Ladies' Auxiliary had been out the day before and did a most beautiful job of decorating the post to enhance the Halloween spirit.

Honestly, I can't remember when we've had a crowd that large, and I must say every-one really had a good time dancing to the music of Blackie Foster and the Blackhawks.

The dance was a big success because we had a lot of good volunteer labor. Our custodians sure couldn't have done the job alone, and Harold Broadstreet wants to extend a hearty "Thank You" to all who helped. He really appreciates it.

MEMBERSHIP is steadily increasing; we have a few more new ones who have signed up. I'd like to remind those who haven't paid their 1972 dues to please do it as soon as possible.

The sooner you pay them the more it helps our post. We want to win the traveling plaque in Littlefield and, too, it helps us toward being Honor Post.

LET'S KEEP in mind now that the District 13 convention is just around the corner. Don't make any commitments for the weekend of Nov. 13 and 14, and go to Littlefield for the convention. You'll really enjoy it, I'm sure.

Florence Leinen, president of the Ladies' Auxiliary, reports they are planning a shrimp and oyster fry to be held at the post home Nov. 20. As soon as they work out all the details I'll let you know, okay?

Barrios named week's 'Top Cat'

Pat Barrios, senior tackle who played his best game of the current season at Lockney Friday night, was named "Bobcat of the Week" by Coach Brown L Smith at Monday night's meeting of the Dimmitt Boosters Club.

SMITH also cited outstanding play on the part of Felton Isaacs and Nat Anes.

"We didn't play much in the first half," said Smith, "but I was pleased with their second half effort. I'm not down on the team, and hope we can make a comeback and win the last two."

The junior varsity lost to Abernathy last week, 22-33, in spite of an outstanding game by Albert Earl Ewing. In fact, Ewing played so well that Coach Kenneth Cleveland said he is afraid he may have lost Ewing to the varsity squad. The junior varsity's next game is at Littlefield today (Thursday).

THE FRESHMAN squad walloped Abernathy, 40-0, last week. Touchdowns were scored by Robert Mayberry, Travis Hampton, Dudley Wootton and Cliff Parker. The second team ofense scored twice during this game. The freshmen will play Littlefield at 5:30 today (Thursday) there.

The junior high teams split their games with Friona last week; the seventh grade lost and the eighth grade won 14-0. They both were to play Littlefield there this week.

Next week's Boosters Club meeting will begin at 7:30 Monday night. Election of officers for next year will be held.

Glover placed in SAC unit

Airman Hayward Glover Jr., son of Mr. and Mrs. Hayward Glover of Rt. 1, Dimmitt, has received his first US Air Force duty assignment after completing basic training at Lackland AFB, Tex.

HE HAS been assigned to a unit of the Strategic Air Command at McCoy AFB, Fla., for training and duty in the supply field. Airman Glover attended Dimmitt High School.

Dimmitt High to be represented in 1972 Presidential Classroom

At least one Dimmitt High School junior will get to attend the 1972 Presidential Classroom for Young Americans in Washington, D.C., next semester.

THE PRESIDENTIAL Classroom has been a successful and popular program for years, but Dimmitt has never sent a student to it.

"We've definitely got enough money to send one student, and we're hoping to get enough for two," said Mrs. Avis Smith, chairman of the DHS faculty committee.

Tuition is \$225 per student, and individual air fare will run approximately \$160.

DURING the past three weeks, members of the faculty committee have appealed to civic and service clubs here for the necessary funds. So far, the Rotary Club has pledged \$100, the Kiwanis Club \$200 and the Jaycees up to \$200. The Lions Club told the faculty committee it would be willing to contribute, depending on its Halloween Carnival proceeds.

"Several other organizations have expressed an interest in the program, and we're very hopeful at this point that we will be able to send both a boy and a girl to the Presidential Classroom," Mrs. Smith said. "I think it would be much better for us to send two if possible."

The week-long Presidential Classroom for Young Americans offers a unique chance to high school students for concentrated study of the US government in the nation's capital.

OBJECTIVES of the program include:

- An enlightened awareness of the problems of modern democratic government and an increased understanding of its legislative, executive and judicial functions.
- A humanized appreciation of government through personal involvement and contact with the people who are its active and influential leaders.
- A renewed dedication to the American system of government, which too often seems remote, bureaucratic and inaccessible to today's young people.
- Six separate classes are scheduled between Feb. 12 and March 25, after Congress reconvenes. Each class section will have two instructors and approximately 40 students. The school will be held in Washington's Shoreham Hotel. The 1972 allotment of 2,100 students is divided among the nation's 435 congressional districts.

County approved for food stamps

One hundred and ninety-two areas in 26 states were designated Friday for the Food Stamp Program by Edward Hekman, administrator of the USDA's Food and Nutrition Service.

CASTRO is one of 12 Texas counties approved for the program.

Implementation of the Food Stamp Program depends on the state submitting an acceptable plan of operation under the new Food Stamp regulations announced by USDA in July.

The Food Stamp Program enables eligible low-income families to increase their food purchasing power by investing their own food money in federal food coupons ("food stamps") worth more than they paid. The coupons are spent like cash at retail food outlets authorized under the program.

EXACT DATES when the areas designated will begin issuing food stamps will be announced locally, after approval of the plan and establishment of a timetable by FNS personnel and state welfare officials for the steps that need to be taken to assure effective and efficient programs.

These steps include training of welfare caseworkers in the community on Food Stamp Program objectives and procedures, providing arrangements for coupon issuance, certifying needy families as eligible for the program, and meeting with retail grocers and food wholesalers to assure their understanding of the food industry role before being authorized to accept and redeem the federal coupons.

Pinewood race winners named

Roy Quinby's model fire engine streaked to first place in the championship heat of Cub Pack 267's annual Pinewood Derby last Thursday.

SINCE October was Fire Prevention Month, the Cubs made fire trucks instead of the customary racing cars for this year's Pinewood Derby. Prizes were awarded to the first-place truck. Judged as the most ingenious was the entry of Morris Cole.

Through the use of two-racer heats, Cubs determined their den winners, then the den champs raced against each other for the pack championship. Behind Quinby, Barry Witt finished in second place in the championship heat and Bobby Crozier placed third.

Here are week's best food buys

Trying to stretch your food dollars yet serve appetizing, nutritious family meals?

HERE ARE some ideas and marketing suggestions from Gwendolyn Clyatt, Extension consumer marketing specialist at Texas A&M University.

Watch food ads for good buys on chuck roasts. At retail counters, look for best values on ground beef, boneless steak, liver, round steaks and various boneless roasts.

Fresh pork is frequently speical this week. Pork values include Boston butt roasts, shoulder steaks, fresh picnic roasts, loin roasts, smoked hams and picnics.

AT THE poultry counter, fryer chickens remain an excellent bargain, with markets featuring specials on whole birds and parts. Eggs, also an excellent protein value, are plentiful. Grade A large eggs offer the most economy and quality for your egg money.

Apples are the big news in the fresh fruit market. October is the month when supplies are largest, the fruit is top quality and prices are moderate. Best buys are all-purpose Jonathans and smaller size Red Delicious. Texas Juice oranges are also on the market in limited quantities, but harvest is progressing. Tokay grapes have attractive prices, while the white seedless grapes are a bit higher. Other economical fruit choices include bananas, avocados and pears. Although melon season is almost over, good quality honeydew melons are still available.

Best vegetable selections include carrots, cabbage, salad-size tomatoes, yellow onions, potatoes, cooking greens and sweet potatoes.

Meeting slated on farm taxes

A tax management meeting for farm operators in Castro, Parmer and Deaf Smith Counties will be held Monday at 7:30 p.m. in the community center at Hub.

THE MEETING is sponsored by the Panhandle Economic Program (PEP) Agricultural Industry Task Force and County Building Committees of the three counties.

Speakers will be Ed Garnett of Amarillo and J. Michael Sprott of Lubbock, agricultural economists and management consultants.

Garnett will speak on "Income and Outgo," a discussion of basis and tax management tips, and "Records and Reporting," a discussion on record keeping and proper reporting. Sprott's topics will be "What's New in Taxes?" outlining changes in tax laws that affect farmers, and "Gains and Losses," a discussion of capital gains and losses, casualty and drought losses and involuntary conversions.

A question-answer session will follow the talks, and adjournment is set for 10 p.m.

DAV car tags still available

The Texas Dept. of Public Safety has extended its deadline to Nov. 15 for application for free license plates for veterans with 70 percent or more disability.

THE COUNTY'S veterans' service officer, Bedford W. Smith, noted that the original deadline for free DAV car tags was Oct. 1.

"Disabled veterans who are eligible must pick up their application forms soon at the veterans' service office in the county library," Smith explained. "The application blanks are mailed to the VA regional office in Waco where they are processed, certified and returned to the veteran. Then the veteran must send this certified application with a \$1 fee to the Texas Dept. of Public Safety, so it will reach them in Austin before the Nov. 15 deadline."

He added, "Since this process takes some time, qualified veterans are urged to get their application blanks at once. I will be glad to help you fill out your blank with the required information and send it to Waco."

SMITH attended a VA Income Questionnaire clinic for veterans' service officers in Lubbock Friday. Before returning home that afternoon, he consulted with VA officials in Lubbock on behalf of several Castro County veterans.

When not in his office at the county library, Smith may be contacted for emergency needs at his home phone, 647-4368. His office phone number is 647-5332.

Crime prevention program planned for businessmen

What can the businessman do to reduce shoplifting in his store? How can he protect himself against the hot-check artist?

ANSWERS to these problems will be offered in a course on "Crime Prevention" Tuesday in the First State Bank community room.

The course, which will last from 9:30 a.m. to 2 p.m., will be presented by the Chamber of Commerce, in cooperation with the US Small Business Administration. The course is free, and is open to all interested persons.

The program will lead off with a film, "The Shoplifter," to be followed by a question-answer session with a representative of the Dimmitt Police Dept., who will tell how to make anti-shoplifting measures effective locally. Later, a second film, "The Paperhangers," will be shown, followed by a question-answer session with County Attorney Robert Buntyn.

New Grand Jury to form Monday

A new 64th District Court Grand Jury will convene Monday to hear and study evidence in 12 cases dating back to June.

INCLUDED on the docket are several alleged narcotics violations and cases involving indecent exposure, driving while intoxicated, theft, malicious mischief and forgery. The Grand Jury will study each case to determine whether sufficient evidence of a crime has been gathered to warrant sending the case on to District Court for trial.

A new Grand Jury normally goes into session every three months, but because of the court-house remodeling project this is the first Grand Jury called since June.

Pink Ladies set workshop

The Plains Memorial Hospital Auxiliary will hold a workshop in the home of Mrs. Oleda Schumacher Tuesday, starting at 9 a.m. The regular business session will begin at 10.

ENROLLMENT in Texas junior and senior colleges reached an all-time high of 479,807 this fall.

County judge reports on status of courthouse and road projects

County Judge Raymond Wilson told the Dimmitt Rotary Club Friday that the county will start the new year with its courthouse expansion completed, and that the project will be paid off without a tax increase.

HE ALSO said 1972 will be a big road-building year for the county, with up to \$2 million in paving projects scheduled during the year—including the remodeling of the "Y" intersection of US 385 and State 194 southeast of Dimmitt's business district.

"We expect to be in our remodeled courthouse, using all parts of it, by Jan. 1," Wilson said.

He traced the history of county courthouses here from the time the first commissioners' court in 1891 contracted to rent a building for \$20 per month to serve as a courthouse.

"**WE'VE COME** a long way since then," he commented. "I think the new courthouse allows

Bobcats to play final home game

Dimmitt's Bobcats, reeling from three straight setbacks, hope to get back on the winning track Friday night when they host the respected Abernathy Antelopes in their last home game of the season.

COACH Brown L. Smith's charges, fighting their way through one of the toughest District 3-AA campaigns in years, currently stand 3-5 for the season and are hoping for victories over their remaining foes, Abernathy and Olton, to finish with a 5-5 mark.

Kickoff time in Bobcat Stadium Friday night will be 7:30. The Antelopes, with a 5-2 record so far, are coached by Luke Nickerson, who is in his third year as head coach at Abernathy. The Antelopes have been knocked out of the district title race with losses to Lockney and Littlefield and a tie with Olton.

FIELD general for the 'Lopes is Dave Davenport, now in his second year as starting quarterback. Two-year lettermen Bobby Rogers and Bobby Cuevas are the halfbacks, with big Johnny Hemphill filling the fullback slot.

Along the offensive trench are a host of experienced linemen—tackle Ruwayne Struve, guards Mike Hedges and Lane Harrison, center Jackie McCaugh, and ends Bruce Kinast and Dane Vickers.

When the Antelopes go on defense, watch the antics of Hemphill, who is considered one of the top linebackers in these parts. Struve is generally regarded as Abernathy's top defensive lineman, while Davenport is the only returnee in the secondary.

4-H'ers to hold awards banquet

The county's 4-H members will be rewarded for their year's work Saturday night when the annual 4-H Awards Banquet is held at 7 p.m. in the Dimmitt High School lunchroom.

HIGHLIGHTS of the program will be the announcement of the 1971 Gold Star Boy and Girl by County Judge Raymond Wilson, presentation of individual awards and medals by county commissioners, awarding of club certificates by County Agent Charles Hottel, and presentation of special awards by Mrs. Irene Keating, county home demonstration agent.

Also, Kenneth Adams and Larry Duke will present 4-H year pins, certificates and project ribbons, and Debbie Acker will report on the 1971 Citizenship Short Course which she attended in Washington, D.C.

Jaycees plan playground for Satellite School

The Castro County Jaycees are planning to build a playground for students in the Dimmitt Satellite School to make specialized play equipment available to the youngsters.

ROBERT BENTON will be chairman of the project. President Harley Wilke announced at last Thursday's Jaycee meeting.

Construction of the playground is the second recent Jaycee project to benefit the Satellite School. Earlier this year the young men's civic organization donated \$20 to the school to help buy a van to serve as a school bus.

Wilke also announced at last week's meeting that the annual Jaycee Radio Day will be conducted Jan. 23 on Radio Station KDHN.

The Jaycees meet each Thursday at noon in the Colonial Inn. Membership is open to all young men 21 to 36 in the county.

Army assigns new recruiter

Sfc. Charles Barton is the new Army recruiter for Castro County.

HE SUCCEEDS Sfc. Burt Pinales, recruiter for this area the past five years, who has been promoted to assistant area supervisor.

Working out of the US Army Recruiting Office in Amarillo, Sfc. Barton will be in the Dimmitt City Hall from 12 noon to 2 p.m. Mondays, at Nazareth High School from 9 to 10 a.m. Thursdays and at the Hart City Hall Thursday afternoons to consult with young men about career opportunities and options in the US Army.

Sfc. Barton, a native of Matador, has been in the Army 17 years, serving in Germany, Vietnam, Panama and the US with the US Army Signal Corps.

Wilson to head 'Bee' here again

County Judge R. E. Wilson has been named to direct the 1972 Spelling Bee program for Castro County.

APRIL 8, 1972 is the latest deadline for the event to be held in the county, and the winner named will advance to the 24th regional event in Amarillo April 29. The youngster who catapults to the top regional spot in Amarillo will get an all-expense trip to Washington, D.C. June 5-9, 1972, for himself and a parent. In the nation's capital he'll compete for the national title with other area winners.

Any boy or girl who has not reached his 16th birthday or passed beyond the eighth grade by June 1, 1972, is eligible to enter.

The 1972 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L. J. "Jack" Edmondson, director of public services at WTSU, will be coordinator for the Golden Spread area, which includes 46 counties in the Texas Panhandle, Oklahoma, Kansas and New Mexico.

In 1971, Theresa Kern, daughter of Mr. and Mrs. Walter Kern of Nazareth, represented Castro County in Amarillo as the county's senior champion.

The junior county winner in 1971 was Twila Renee Ball, daughter of Mr. and Mrs. Sonny Ball of Route 2, Dimmitt.

The 1972 "Words of the Champions"—the practice booklet used by most schools—is available at 20 cents per copy from Jim W. Walker, Spelling Bee Editor, Amarillo Globe-News, PO Box 2091, Amarillo, 79105.

THE state's Legislative Redistricting Board barely made its Oct. 23 deadline for reapportioning the House of Representatives. The new Senate districts were announced a week earlier.

When it comes to liquid feed, COMPENSATOR does exactly what the name says.

Here's why: It compensates, by combining the nutrients your cattle need for top performance into one economical, easy-to-feed liquid supplement that features Allied Chemical's research-proven positive intake control formula.

Compensator is delivered ready for your cattle to eat, a 32% high energy formula, rich in vitamins, minerals and trace elements.

Compensator liquid feed is a low-cost supplement that cuts the waste out of feeding. Liquid feeders are filled on your farm by the dealer's bulk tank truck... no service or labor on your part!

Backed by the famous Allied Chemical name, Compensator liquid feeds are truly the solution to your feeding problems.

Happy Wanderers Square Dance News

We had our regular square dance at the Country Club in Dimmitt Tuesday night of last week. Johnny Gillenwater did the calling with Stewart Rowan of Hereford as guest caller. Hosts were Johnny and Vesta Gillenwater. Ann Alexander won the door prize.

ANDY AND ANN Alexander went to the special Halloween Square Dance and breakfast at the National Guard Armory in Plainview Saturday night. Buddy Jones and Nelson Walkins were the callers for the evening. They reported having a real good time.

At our square dances, we dance two tips, then we might waltz, two-step, dance a mixer or a round dance, with a refreshment break about midway. We dance from 8 to 11 p.m.

Don't forget our special Christmas dance Dec. 11 at the Country Club. E. B. Thompson from Amarillo will do the calling.

Square dancing is fun!
—Angela Acker

County judge reports on status of courthouse and road projects

County Judge Raymond Wilson told the Dimmitt Rotary Club Friday that the county will start the new year with its courthouse expansion completed, and that the project will be paid off without a tax increase.

HE ALSO said 1972 will be a big road-building year for the county, with up to \$2 million in paving projects scheduled during the year—including the remodeling of the "Y" intersection of US 385 and State 194 southeast of Dimmitt's business district.

"We expect to be in our remodeled courthouse, using all parts of it, by Jan. 1," Wilson said.

He traced the history of county courthouses here from the time the first commissioners' court in 1891 contracted to rent a building for \$20 per month to serve as a courthouse.

"**WE'VE COME** a long way since then," he commented. "I think the new courthouse allows

Pinewood race winners named

Roy Quinby's model fire engine streaked to first place in the championship heat of Cub Pack 267's annual Pinewood Derby last Thursday.

SINCE October was Fire Prevention Month, the Cubs made fire trucks instead of the customary racing cars for this year's Pinewood Derby. Prizes were awarded to the first-place truck. Judged as the most ingenious was the entry of Morris Cole.

Through the use of two-racer heats, Cubs determined their den winners, then the den champs raced against each other for the pack championship. Behind Quinby, Barry Witt finished in second place in the championship heat and Bobby Crozier placed third.

Meeting slated on farm taxes

A tax management meeting for farm operators in Castro, Parmer and Deaf Smith Counties will be held Monday at 7:30 p.m. in the community center at Hub.

Grain Sorghum CHAFF

Castro County has quite a part in the economy of our nation in terms of agriculture and livestock.

IT TAKES .65 of a pound of wheat (or 1.4 cents worth at the per-bushel price) to make a one-pound loaf of bread. So one bushel of wheat will make about 80 loaves. If we averaged 20 bushels of wheat per acre this year, it made 1,600 loaves of bread per acre. And if we raised 40,000 acres of wheat in the county this year, it means we raised 64 million loaves of bread—or about a third of a loaf for every person in our good old USA.

We have about 35,000 acres of cotton in our county this year. If we make an average of one bale per acre, we will raise enough cotton to make almost 10 million double-bed sheets. Looks like we are doing our part toward keeping the nation warm, doesn't it?

An average steer that weighs 1,000 pounds and produces a hide that sells for \$7.50 will make about 12 pairs of men's shoes that sell for \$20 a pair or more. If our county's feedlots feed 200,000 steers this year we will have produced enough leather for 2.4 million pairs of shoes—nearly enough for one pair for each man in Texas.

IT IS estimated that our feedlots will feed about 22,000 head of hogs that should dress out about three million pounds of pork. That's nearly enough for one-third of a pound for each Texan.

And of course, we all know this is a small portion of our total variety of products.

Meeting slated on farm taxes

A tax management meeting for farm operators in Castro, Parmer and Deaf Smith Counties will be held Monday at 7:30 p.m. in the community center at Hub.

THE MEETING is sponsored by the Panhandle Economic Program (PEP) Agricultural Industry Task Force and County Building Committees of the three counties.

Speakers will be Ed Garnett of Amarillo and J. Michael Sprott of Lubbock, agricultural economists and management consultants.

Garnett will speak on "Income and Outgo," a discussion of basis and tax management tips, and "Records and Reporting," a discussion on record keeping and proper reporting. Sprott's topics will be "What's New in Taxes?" outlining changes in tax laws that affect farmers, and "Gains and Losses," a discussion of capital gains and losses, casualty and drought losses and involuntary conversions.

A question-answer session will follow the talks, and adjournment is set for 10 p.m.

DAV car tags still available

The Texas Dept. of Public Safety has extended its deadline to Nov. 15 for application for free license plates for veterans with 70 percent or more disability.

THE COUNTY'S veterans' service officer, Bedford W. Smith, noted that the original deadline for free DAV car tags was Oct. 1.

"Disabled veterans who are eligible must pick up their application forms soon at the veterans' service office in the county library," Smith explained. "The application blanks are mailed to the VA regional office in Waco where they are processed, certified and returned to the veteran. Then the veteran must send this certified application with a \$1 fee to the Texas Dept. of Public Safety, so it will reach them in Austin before the Nov. 15 deadline."

He added, "Since this process takes some time, qualified veterans are urged to get their application blanks at once. I will be glad to help you fill out your blank with the required information and send it to Waco."

SMITH attended a VA Income Questionnaire clinic for veterans' service officers in Lubbock Friday. Before returning home that afternoon, he consulted with VA officials in Lubbock on behalf of several Castro County veterans.

When not in his office at the county library, Smith may be contacted for emergency needs at his home phone, 647-4368. His office phone number is 647-5332.

Crime prevention program planned for businessmen

What can the businessman do to reduce shoplifting in his store? How can he protect himself against the hot-check artist?

ANSWERS to these problems will be offered in a course on "Crime Prevention" Tuesday in the First State Bank community room.

The course, which will last from 9:30 a.m. to 2 p.m., will be presented by the Chamber of Commerce, in cooperation with the US Small Business Administration. The course is free, and is open to all interested persons.

The program will lead off with a film, "The Shoplifter," to be followed by a question-answer session with a representative of the Dimmitt Police Dept., who will tell how to make anti-shoplifting measures effective locally. Later, a second film, "The Paperhangers," will be shown, followed by a question-answer session with County Attorney Robert Buntyn.

New Grand Jury to form Monday

A new 64th District Court Grand Jury will convene Monday to hear and study evidence in 12 cases dating back to June.

INCLUDED on the docket are several alleged narcotics violations and cases involving indecent exposure, driving while intoxicated, theft, malicious mischief and forgery. The Grand Jury will study each case to determine whether sufficient evidence of a crime has been gathered to warrant sending the case on to District Court for trial.

A new Grand Jury normally goes into session every three months, but because of the court-house remodeling project this is the first Grand Jury called since June.

Pink Ladies set workshop

The Plains Memorial Hospital Auxiliary will hold a workshop in the home of Mrs. Oleda Schumacher Tuesday, starting at 9 a.m. The regular business session will begin at 10.

ENROLLMENT in Texas junior and senior colleges reached an all-time high of 479,807 this fall.

SPIRIT QUEEN AND KING at Nazareth High School this year are senior cheerleader Patricia Gerber and senior quarterback Gordon Wilhelm. Here, they accept congratulations from Sister Benedict Marie after being crowned during the school's Homecoming Pep Rally last Thursday night at Swift Field.

Letter to the Editor

Open letter to parents: Part or most of the dress code rules covering our students in Dimmitt schools have become a source of controversy.

ON PROPER clothing for girls and boys, who should be the judge as to what is decent and moral? I believe parents should be responsible and wise enough, but it has become a sad fact that most parents had rather that the school board decide, and then administrators and teachers be the enforcers. Parents, think on this. Be honest with yourself and I think you'll agree.

As to the length of hair for boys, in the history of mankind, most all will agree that by far a majority of time, men and boys have worn hair far longer than has been the custom in recent history. Never, as far as I can determine, has it been necessary for schools to impose a rule on the length of hair on boys, until recently.

MY QUESTION is, why have the rule now? This should be a choice between parent and son.

Do you believe I have the right to tell a girl or woman not to wear her hair a certain length, a certain color, or particular style? Is this not a personal freedom we all like to exercise? Then why have we let others impose this rule on our sons?

Some may feel long hair is effeminate, or just plain ugly. Is this just another personal opinion, and one that should not be imposed on others?

Parents, let's think and study on our responsibilities, decide to assume those which should be ours, and encourage our school administrators and teachers in their profession of teaching our children. They need more of our help, and should not have to spend precious minutes or hours disciplining a child over a superficial thing such as inches of hair. It puts a strain on all involved trying to execute these dress code rules as they now stand in a fair and impartial way.

CAN YOU disagree that we have a great need for some
