

# Robert Lee Observer

Vol. 69, No. 36

Robert Lee, Coke County, Texas, Thursday, February 11, 1960

Single Copy Seven Cents

DAVID WALDROP is shown with his Grand Champion Fine Wool Lamb at the recent Abilene Stock Show. David's entry was declared to be one of the best lambs ever shown at Abilene.

## Wylie, Waldrop Named to School Board Vacancies

Two vacancies on the Robert Lee school board were filled by appointments at last Thursday night's regular meeting. Vacancies were caused by the resignations of Will Percifull and J. F. McCabe Jr., both of whom are running for county offices.

T. M. Wylie Jr. was named to succeed Mr. Percifull and Glenn Waldrop was chosen to fill the McCabe vacancy. They were selected for having polled the greatest number of votes among the non-successful candidates in last year's trustee election.

Raymond McCutchen, vice president the past year, was advanced to president, a position which had been held by McCabe. Finnell Smith was then named vice president and Teddy Pitcock was selected secretary. Percifull had formerly been secretary.

## County Buys 3 Dump Trucks, Tractor Loader; May Buy Old Santa Fe Roadbed

Coke County Commissioners in their sessions the past week purchased a new tractor-loader for Precinct 3, two new dump trucks for Precinct 4 and a new dump truck for use in Precinct 1.

An order was passed to continue paying a 50c bounty on rattlesnakes and a 5c bounty on jack rabbits.

After a conference with Santa Fe officials the commissioners made an offer of \$30 per acre for 8.03 miles of right of way in Coke County which the railroad has abandoned. Santa Fe has discontinued its line from San Angelo to Sterling City and the rails have been torn up.

The stretch of six miles of right of way in the southwest corner of Coke County runs parallel with Highway 87. Since this highway is to be widened at least part of the old railroad right of way would be available for highway use.

The offer will be submitted to top Santa Fe officials and is expected to be accepted. In the deal the county gets 2.74 acres free.

No further business was transacted except payment of bills.

The 3-year terms of Fagan Parker and Finnell Smith expire this spring. Annual school trustee election will be held the first Saturday in April.

## New Car Tags Now On Sale

Auto licenses for 1960 went on sale in the county tax office Feb. 1 and 45 sets of passenger car tags were sold the first week.

The new license plates are a reversal of last year with white lettering on a black background. Coke County's prefix has been changed to JE and the numbering starts at 3575.

Up to the present date a total of 1,671 passenger cars for 1959 were registered in this county. Owners of new autos must purchase 1959 licenses for the period remaining before April 1.

Deadline for getting new motor vehicle licenses is April 1.

### BCD LUNCHEON

Robert Lee Board of Community Development held its weekly luncheon meeting Tuesday noon in the community building at the County Park. The meal was prepared by Froggy's Cafe and served by Mr. and Mrs. R. C. Sawyer. With larger facilities in the new meeting place, BCD members are looking forward to entertainment features and a bigger attendance. County officials and members of the Park Board have indicated they will purchase a piano for use in the community hall. Cumbie Ivey Jr., BCD president, presided over the session and a number of matters were discussed. The hall has been reserved for next Tuesday, but starting Feb. 23 the luncheons will be held each week on Tuesday noons. There will be no BCD meeting next week.

## Grand Officers Of Eastern Star Were Feted Here

Approximately 130 guests were present at the special meeting of the Robert Lee Chapter Order of Eastern Star honoring Mrs. Agnes Lee Howard and Gerald C. Allen, on Tuesday night, February 2. Guests were registered from San Angelo, Ballinger, Bronte, Norton, Miles, Sterling City, Sweetwater, McCamey, Kerrville, Albany, Abilene and Eldorado.

Other grand officers present were Mrs. LaVaughn Cole, Deputy Grand Matron, District 5, Section 1; Mrs. Sara Schwieng, Deputy Grand Matron, District 5, Section 2; Mrs. Clara Fuqua, chairman of chapters under dispensation; Mrs. Elizabeth Elliott, of Publicity Committee and Mrs. Attie Forman, Grand Representative from District of Columbia to Texas.

The chapter room was beautifully decorated in the Valentine motif and a valentine program was presented with Mrs. Agnes Lee Howard being Robert Lee's Sweetheart valentine. Refreshments were served after the program from the table laid in white linen cloth with red roses and valentines for the center piece.

Mrs. Howard, whose home is at Albany, is associate grand matron of the Order of Eastern Star in Texas, and Mr. Allen is associate grand patron.

Mrs. Lois Mae Smith went to Melvin the first of the week to visit her parents, Mr. and Mrs. J. R. Johnson.

## March of Dimes Campaign Here Now Over \$800

March of Dimes contributions of \$822.80 have been received by Mrs. R. C. Paterson, treasurer for Robert Lee and the west side of the county. Collections of \$568 were reported last week.

Since last week's report the following sums were received: Court house, \$21, 4-H girls bake sale \$31.20, basket ball games \$64.24, Robert Lee school \$83.07, dime cards and containers \$42.35, coffee day at Varnadore Cafe \$10.

No report has come in from Silver and other communities to be heard from are Edith, Wildcat, and Divide.

Bronte reports collections of \$1,200 when the polio fund got a boost of \$460 from the Tad Richards Dance.

Indications are that Coke County will reach about \$2,500.

## Candidates Learn Cost Of Running

Candidates for Coke County offices will have to pay 2% of one year's salary as their share of the cost of holding the primary elections. This applies to principal offices and commissioners, but those running for constable will pay only 1%.

The assessments were made by the Coke County Democratic Executive Committee in a session at the court house Monday. R. B. Allen, county chairman, presided over the meeting. The committee is made up of voting precinct chairmen, all of whom were present but those from Green Mountain, Tennyson and Walnut.

Mr. Allen advised the group that the large number of candidates made it possible to lower the assessment this year. Two years ago the filing fee was 3% and it was 7% in 1956.

Cost of holding the first primary May 7 and a likely runoff a month later is estimated at \$1,500.

Candidates have until the coming Saturday, Feb. 13, to pay their filing fee. Since Mr. Allen now resides in San Angelo he has made proper arrangements so that the fees may be paid at the office of County Clerk J. L. Tinkler.

March 28 is the date when the ballot will be made up and turned over to the printer. Order of names on the ballot will be determined by lot. A committee to assist Mr. Allen in making up the ballot includes D. K. Glenn, Prec. 2, Bryan Yarbrough, Prec. 1, Fred McCabe, Prec. 3, and Eugene Brooks, Prec. 4.

Each of the 12 voting boxes will have a presiding judge and three clerks. In the larger boxes of Robert Lee, Bronte and Silver, a double election board will serve so that vote counting may be carried on during election day. Election officials receive \$8 for 10 hours and \$1.00 per hour overtime.

It was pointed out that no person is eligible to serve on an election board if he has relatives running for office. A presiding judge was named for each box and he is to appoint his assistants.

The following presiding judges of the primary elections were named as follows:

Robert Lee, Bryan Yarbrough, Bronte, D. K. Glenn, Silver, Homer Jameson, Tennyson, Sam Gaston, Divide, Fred McCabe, Wildcat, M. D. Chumley, Sanco, Bryan Gartman, Green Mt., Dave King, Olga, R. V. Copeland, Walnut, Elton Mims, Lometa, Eugene Brooks, Juniper, Homer Cornelius, Absentee Box—Don Fields, R. C. Lasswell, Fred L. Roe, James Arrott.

### BRYANS ON U. S. SOIL

Capt. and Mrs. Frank Dean Bryan and their son, Pat, reached New York Tuesday of last week on their way home after three years with the U. S. forces in Europe. Capt. Bryan was scheduled to stop in Washington, D. C. for a short period. He and his family are expected to arrive in Robert Lee within the next few days.

## J. F. McCabe Jr., Rancher and Business Man, Running for Prec. 1 Commissioner

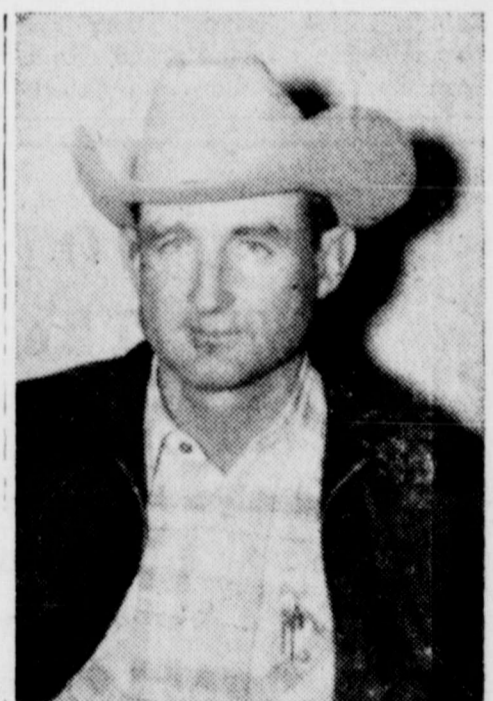

J. F. McCabe, Jr., who filed as the fourth candidate in the race for County Commissioner in Precinct 1, made the following statement for publication:

"After some encouragement and much deliberation, I placed myself in the race for Commissioner of Precinct 1. I fully realize the responsibilities of the job and with my education and business experience, I feel that I am fully qualified. I hope to contact every voter in Precinct 1 before May 7."

A member of an early day Coke County ranching family, J. F. was born in Robert Lee 37 years ago. He is the son of Frank McCabe. They resided on their ranch on the Divide southwest of Robert Lee and J. F. attended school in Water Valley and Robert Lee.

Later they moved to their place northwest of Silver and he attended school in Colorado City and graduated from high school there. J. F. was a student at John Tarleton College at Stephenville for 1½ years before he enlisted in the Air Force. He served 3½ years and was discharged in January 1946.

Mr. McCabe married Miss Doris Snead in November, 1943, while he was stationed at the Childress Air Force Base. She is the daughter of Mr. and Mrs. J. C. Snead Jr. of Robert Lee. They have a son, Jeffrey, 10 years old and a fourth

J. F. McCABE JR.

...runs for commissioner

grade pupil.

Ranching has been his business along with the breeding of registered Quarter Horses. He has operated the Humble Service Station since it was opened six years ago.

Mr. McCabe resigned from the Robert Lee school board when he announced for commissioner. He has been president of the board of trustees the past two years. He has been active in the Coke County Livestock Ass'n as a director and president, and is now secretary-treasurer of the organization.

## Robert Lee Future Farmers Were Big Winners in Abilene Fat Stock Show

The Robert Lee FFA Chapter made an impressive showing with their high placings in the recent Abilene Fat Stock Show.

David Waldrop, son of Mr. and Mrs. Glenn Waldrop of the Edith community, showed and exhibited the Grand Champion Fine Wool Lamb. The 115 pound lamb was purchased from Leroy Williams of Coleman and was placed on feed in July.

To win the championship Waldrop's entry had to defeat 195 other lambs and according to Dub Day, Upton county agent and fat lamb judge, Waldrop's animal was the fattest lamb he had felt of in several years. The lamb according to Day had a wonderful back and loin, probably the widest and fattest loin he had felt of in many years.

This is indeed a tribute to the lamb and its youthful owner. It was purchased by KRBC Radio and TV of Abilene for \$175.00.

Waldrop also exhibited the Reserve Champion Cross Bred lamb which sold for 35½ cent a pound. This was the lamb that Waldrop exhibited to the grand championship of the Cross bred show at the Coke County Show. In addition to these two high placings by Waldrop he also scored a 9th place heavy fine wool, a 13th light fine wool, a 13th heavy fine wool and a 21st place Southdown. Waldrop has been feeding lambs four years.

Donny Robertson, son of Mrs. Bonita Robertson, placed second with his heavy cross bred lamb and the lamb sold for \$40.00. Robertson's lamb was reserve champion of the Coke show and was topped only at Abilene by Wayne King of Blackwell who exhibited the Grand Champion Cross bred and Waldrop's Reserve Champion Cross bred.

Other notable lamb placings included: Butch Service, 4th pen of three fine wool, 11th heavy cross bred., 25th light fine wool and 48th light fine wool; Rocky Counts, 32nd cross bred and 46th light fine wool; Douglas Ashworth, 30th Southdown; Clint Austin, 12th light cross bred, 23rd light cross and 34th light cross bred; Royce Hood, 18th heavy cross and Mack Tubb, 23rd heavy cross bred.

The chapter as a group placed 2nd in the best group of 15 lambs exhibited by one county or chapter.

Curtis Higginbotham, son of Mr. and Mrs. Oscar Higginbotham of Silver, exhibited the first place heavy Duroc barrow. The 236-pound Duroc was the grand champion barrow of the Coke County

show. Higginbotham's barrow was beaten out for championship honors at Abilene by a barrow from Roscoe and the reserve honor by a pig from Wylie. James Harmon was the breeder of Higginbotham's barrow, the pig coming from one of Harmon's registered sows.

Other placings in the swine division included Frankie Blair's 5th place light weight Duroc, 4th place heavy Duroc, and 3rd place pen of three Durocs; Bill Ledbetter placed 15th with a light weight Duroc. Other swine exhibitors were Jerry Quisberry and James Harmon.

All total the Robert Lee boys won \$51.00 in prize money and sold \$650.00 worth of prize animals. The group had nine lambs and four hogs that made the premium sale. The group exhibited 21 fat lambs and nine fat barrows.

This makes a grand total of \$650 won in prize money and \$1,900 worth of premium stock sold so far by the Robert Lee group. An impressive total indeed for the local lads.

Bobby Cox, local rancher and former V. A. teacher at Ft. Davis, assisted Hulan Harris, local V. A. teacher, insupervising the Robert Lee entries at Abilene. Dennis Blair and Bub Burson, sophomore students at Texas Tech, assisted the Robert Lee boys in preparing and showing their entries.

Robert Lee folks attending the show included Mr. and Mrs. Glenn Waldrop, Mr. and Mrs. J. W. Service, Sr., Mr. and Mrs. Fred Ashworth, Mr. and Mrs. Roy Hood, Mr. and Mrs. Keith Hood, Buster Burson, Mr. and Mrs. Teddy Pitcock, Mr. and Mrs. Ben Boykin, Mr. and Mrs. Curtis Walker, Bryan Gatman and Douglas Gartman.

### VISIT FROM A. J. BISHOP

A. J. Bishop Jr. of Winters was a Robert Lee visitor last Friday and announced his candidacy for re-election as State Representative from the 77th District made up of Coke, Concho, Runnels and Coleman Counties. He will have a statement for publication in the near future. Rep. Bishop, war veteran and graduate of Texas Tech, is engaged in farming near Winters. He has held the legislative position the past eight years.

Alvin Butcher returned to school Tuesday. After being examined by a San Angelo specialist the previous day, it was determined that a cataract had developed on his eye which has been damaged by a BB shot. He will wear a bandage over the injured eye.

### CAFE CHANGES HANDS

Howard Varnadore and his wife, Frances, have leased the Varnadore Cafe from his parents, Mr. and Mrs. Ernest Varnadore. Ernest plans to resume farming his place southeast of town and his wife is looking forward to a much needed rest. Both Howard and his wife are experienced cafe people and will continue to provide the excellent service that Varnadore's Cafe is noted for.

### BAD DUST STORM

Coke County residents were cleaning up a heavy coating of dust Wednesday morning following the season's worst dust storm on Tuesday. Severe winds, with gusts up to 60 miles or more an hour, blew in during the afternoon. The winds subsided by nightfall and clear weather was enjoyed yesterday. No damage resulted here.

## PERSONALS

J. D. McCutchen of Levelland underwent major surgery Monday in Veterans Hospital at Big Spring. His parents, Mr. and Mrs. Bill McCutchen of Robert Lee, were with him at the hospital, as were his brother, Bill of Midland and his sister, Mrs. Lendy Devoll of Robert Lee. His mother remained near his bedside. Relatives here received word Tuesday that he had contracted pneumonia and that his condition was serious.

Lonnie Thompson came from Artesia, N. Mex., over the weekend and returned home Monday with his wife and two children who had Mrs. Ernest Varnadore.

Mr. and Mrs. Thomas Boyd of Artesia, N. Mex., visited here the latter part of the week with their friends, the W. T. Roach family.

Mr. and Mrs. S. D. Childress of Miles were Sunday guests in the S. R. Young home. Mrs. Childress is a sister of Mrs. Young.

Joe Brock was over from San Angelo Monday and stopped by to renew his Observer subscription for another year.

Mrs. Fred McCabe is reported to be making a good recovery from surgery which she underwent last week in a San Angelo hospital.

### Silver News

Mary Ann Caldwell came from San Angelo for a weekend visit with her parents, Mr. and Mrs. D. H. Caldwell. She was accompanied by Vondell Brinson of Andrews, a college friend at SAC.

### PERKINS PROTHRO CAMP

Charles Prothro and Tom Covington flew in Monday from Wichita Falls to attend to company business.

A. J. Roe, Jr., Leslie Copeland, W. R. Whitaker and John Conley are about after missing work with the flu. Others in camp who have been ill are Mrs. Wilbern Milligan and three sons, Wibbie, Waldon and Teddy; Jackie, Mike and Quinn Conley; Dennis, Rhonda and Judy Gartman (all measles); Peggy and Jackson McCallie; Lynn and Debbie Beal; Gary Wilcox (measles); Ernest Burns (measles) and Mrs. Billy M. Jones.

Peggy McCallie, daughter of the Jack McCallies, was elected by popular vote to be Howl Queen at Colorado City High School last Thursday night. Peggy, who is a senior at C. H. S. reigned with Jay Shimer, (also a senior), Howl King. Jay is a former student at Silver Peak and the Shimers lived in Silver for several years.

The MYF of the Silver Methodist Church had a bowling party last Saturday evening at Sherwood Lanes in San Angelo. Guests were invited and several cars of youngsters attended. Mrs. Jack McCallie is sponsor for the group.

If you don't get The Observer, you don't get the NEWS.

### Out of the Shadows—Into the Sunlight

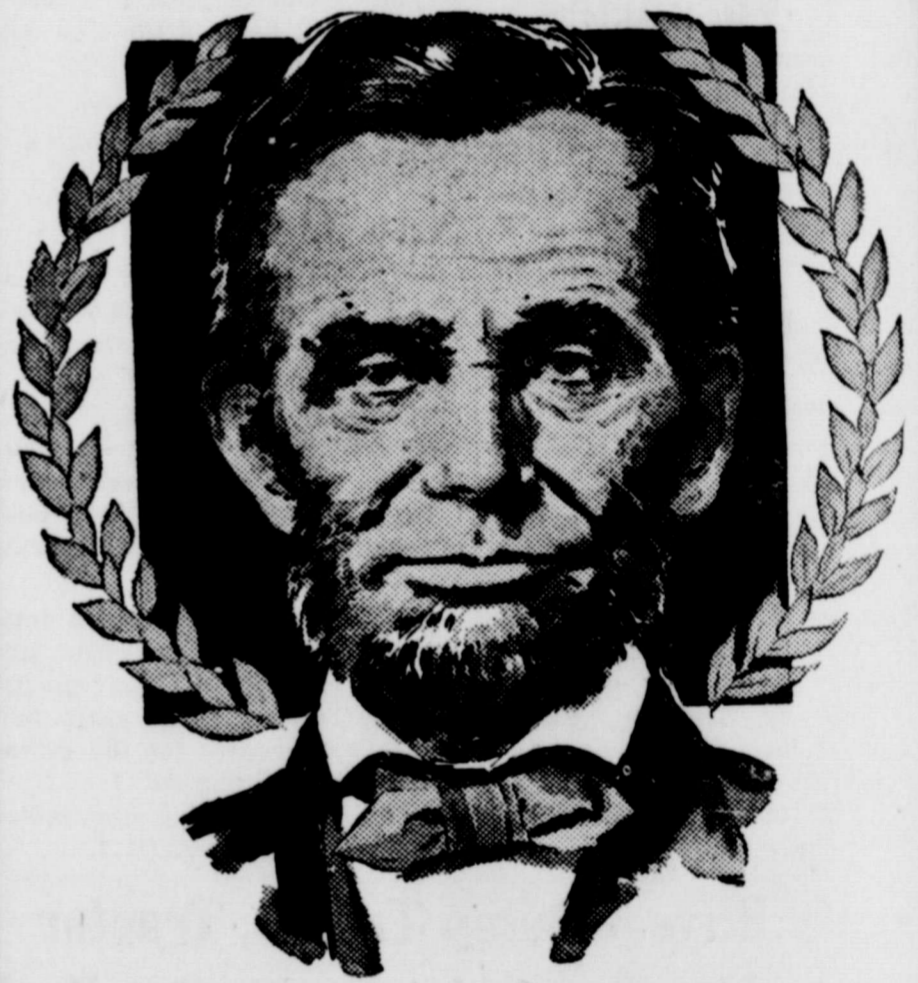

## PERSONALS

After residing the past few years in Odessa where he was engaged in construction work, Mr. and Mrs. Ralph Garvin have moved back to their farm near Edith.

Olene's Beauty Shop is closed this week by the illness of the owner, Mrs. Charles Sims. She was permitted to leave the hospital Tuesday after several days of treatment for the flu.

Mrs. Billy Baker and little sons were here several days last week helping care for her mother, Mrs. Bert Duncan, who was ill with the flu. Mrs. Baker is the former June Duncan. She now lives at Spur where her husband is engaged in a highway bridge construction project.

Sheriff Paul Good has been among the many flu victims the past week. He was pretty sick a few days and has been away from the office since last Tuesday.

### WHAT IS IT ABOUT LINCOLN?

Why are more books sold and read about Lincoln than about any other American, living or dead? What is his enormous hold on a generation that never knew him? Possibly one answer lies in Lincoln's "human-ness" and his humility. Poverty never soured him. His life was full of failures that never embittered him. Great success never marred his true humility. And neither failure nor success could spoil his quiet sense of humor.

This Bank Will Be Closed  
Friday, Feb. 12, Lincoln's Birthday

# Robert Lee State Bank

## NOTICE To The Public

The undersigned have leased the Varnadore Cafe and are now in charge of the business. Mr. and Mrs. Ernest Varnadore will enjoy a well earned rest and they wish to thank the friends and customers for their patronage over the number of years they have been in business.

We plan to continue the good food and good service which has always been found at Varnadore's.

Frances & Howard Varnadore

## Editor's Nephew Writes of Air Force Life He's Experiencing in Greenland

(Note: After receiving a well illustrated Christmas card from Nephew Jack Kirkpatrick in Greenland, we asked him to write an article for publication, which he has been kind enough to do. Most of us knew the United States maintains bases in Greenland, and that Thule is the seat of operations. Jack served an enlistment in the Navy and then changed to the Air Force. He wrote that he would be back in the States before long and is anxious to see his family and especially a son born since he went to Greenland. Jack's mother and an older brother live in Torrington, Wyo. His wife and two children are now in Denver, Colo., where they are with his sister. He hopes to get down Texas way some of the days, and we hope so, too. We have not seen him since he was about two years old.—Ed.)

Greetings from the top of the world at Thule, Greenland:

I hope that after reading this, you folks will have a little better idea what it is like living up here at the top of the world.

We are located on the northwest coast of Greenland, about 900 miles from the North Pole.

When people think of Greenland they think of ice; well this country has a lot of ice and snow, but not as much as you might think. The annual snow fall in parts of your state is more than the snow fall here, with one exception, there it melts but here it does not.

To the south towards the ice cap is located Camp Tuto, which the Army uses for the purpose of ice research. From the camp we go to the end of the "ramp" or starting place for the tractor trains that go out onto the ice cap for scientific study.

These trains make supply runs to the different sites on the ice cap during the summer months, for the purpose of rotating personnel and replenishing food and fuel supplies for the coming winter season.

The trains are usually made up in three sections which will consist of personnel section, where the men live and work. The supply section where all the supplies are carried, and the fuel section. This fuel section and the supply section, in addition to carrying the needs of the train, also have the fuel and food for the site to which the train is going.

These different sections of the train are built on huge sleds which are hooked together and pulled by a huge Caterpillar tractor. If the train should run into bad ice, it is possible to steer the tractors by the use of long ropes attached to the steering levers.

Some weeks before the trains start their summer runs, there was a team of Army men that made the run to Camp No. 2 for the purpose of opening a trail for the tractor trains that would follow them. At about mile sixty along the trail is where the crevasse area begins. The team uses depth sounding equipment to locate the ice crevasses, which after being located, are made safe for travel across them if they are not too deep. To do this, the men place explosive charges in them. The charges are exploded and then the holes are filled with snow and packed hard. This is very dan-

gerous work because sometimes the crevasses are so deep that they could swallow one of the huge tractors and it could never be recovered. After the holes have been filled and the trail markers have been set out, for a trail 75 feet wide, where it is safe for the trains to travel. Once past the crevasse area the ice becomes quite rough for the most part, and the train is slowed down to about three miles per hour.

At the bottom of the ramp is the ice cave that is used for study of the age old ice cap. Nature keeps the temperature at a constant seventeen degrees year around.

Atop south mountain is the base television station, KOLD-TV. Nearly all the showings are by the use of film, but quite a few of the current stateside shows are shown every week.

Some people seem to have the idea that this is a barren land that is covered with ice, well this is not true. It isn't a land of lush grass and flowers, but nevertheless they do exist in rather large amounts. There are several different types of flowers that grow during the summer months.

There are some small purple ones that grow atop the ground with all the root area lying on the open ground, covered only with the leaves. There are only a very few roots that actually go below the surface to obtain moisture and anchor the flower to the ground.

The grass is very thick in some places and very thin in others.

It grows both on dry land and also in the mud at the bottom and sides of water pools.

There is also a form of wild cotton that grows during the summer, and has balls of fuzz very soft and fine.

We are located at the edge of North Star Bay and connected by a narrow piece of land with Mount Dundas.

The Eskimos that used to live in this area have been relocated at New Thule (Kanak) north of the base, and at Savigsvik to the south.

The weather in this country is like no other place I know of, not even Texas. First off there is the rain, of which there is more than enough, and is quite a bit of trouble. The amount of rain that falls isn't enough to do any good because it is soaked up by the dry ground. It starts very suddenly and ends the same way.

The fog is as odd as the rain, because one minute it is so thick that you can hardly see six feet, then the next minute it is clear all around. It is so wet that you can feel the water on your face and even see it at times, yet it never seems to get anything wet.

We received our first snow in mid-September and some of the snow that is on the ground now will remain until late next summer. The depth of the snow isn't very much, but the strong winds will move it around until it becomes quite deep.

The snow is very dry and has the look of salt. For some strange reason the dry snow resists heat and takes quite some time to melt.

We have a very long summer during which time the sun shines all the time. From April until

The Observer, Robert Lee, Texas

Feb. 11, 1960

September there is sunshine for 24 hours a day. During the winter months it is dark for 24 hours a day. Darkness all day I can take, but daylight all night is just too much.

This is a very strange land indeed but a person must spend a good deal of time here to understand all there is to know but I hope that I am not the one that has to return to learn.—Staff Sgt. John A. Kirkpatrick, AF28026626, 327th FIS, Box 116, APO 23, New York, N. Y.

### GREEN MT. HD CLUB

Green Mountain Home Demonstration Club met at the home of Mrs. Finis Harmon on Tuesday at 2:30 p.m. Feb. 2, for a regular session.

Mrs. Glenn Waldrop, clothing leader, gave a discussion on stain removal and certain chemicals that may harm dyes and fibers.

Delegates elected to be voted on in Council to attend the district meeting in Llano on April 12 were Mrs. Glenn Waldrop as delegate and Mrs. Finis Harmon, alternate. Mrs. Turney Sparks was a visitor.

Mrs. Della Schooler will serve as hostess for the meeting at 2:30 p.m. on Tuesday, Feb. 23.

### SUNSHINE 4-H CLUB

The Robert Lee 4-H Sunshine Club met January 25 in the school auditorium. A film on rabies was given by Miss Hooper, to both boys and girls. Pamphlets were handed out to each member on "Fats About Rabies." — Patty Hughes, Reporter.

## Robert Lee Wins Judging at Ozona

The Robert Lee FFA livestock judging team scored 1,119 out of a possible 1350 points to top all teams in the livestock judging contest Saturday in Ozona.

Rocky Counts, son of Mr. and Mrs. J. Q. Counts, scored 384 points to lead all Robert Lee entries and was the 2nd overall high individual of the contest. First high individual was Epp Epperson of Rocksprings. David Waldrop was the 4th high individual, Kenneth Wink 7th and Douglas Ashworth 8th overall high individual.

Other team placings were: Rocksprings, second; Miles, third; Eldorado, fourth and Midland, fifth.

The Robert Lee group ranked first in sheep; second in cattle and fourth in hogs. Four classes of sheep, three classes of hogs and two classes of cattle were judged.

Boy making the judging trip and their individual scores were:

Rocky Counts	384
David Waldrop	381
Kenneth Wink	372
Douglas Ashworth	366
Carlton Boone	349
Joe Jones	349
Butch Service	346
Jerry Quisenberry	334

## LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turboglide, push-button radio and de luxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

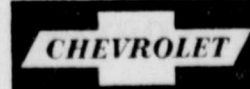

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.

J. W. (BILL) MOORE

### J. W. (Bill) Moore, Ballinger Mayor, Announces for State Representative

TO THE VOTERS OF THE 77TH DISTRICT:

At this time I wish to announce to the voters of Coke, Runnels, Concho and Coleman Counties that I will be a candidate for your state representative of the 77th District in the democratic primaries.

In the beginning I wish to state that I am not a politician—just a business man. I feel that the time has come when business men are needed in our state government and for that reason alone I am making this race.

During my many years in West Texas and this district, I have operated wholesale produce houses, cotton gins, grain elevators and feed houses and even had a short experience in the entertainment field in professional baseball. In recent years my time has been taken up with farming and ranching. I have also served my town of Ballinger as its mayor for 11 years, a position which I still hold.

I feel that I know the needs of both the rural and city folks from a first-hand experience. Most of my business career, especially in produce, ginning, grain and feed business has given me a close contact with the farmers and ranchmen of this immediate district. As a long time city official I feel that I have received an education in the needs of our towns in regard to water, schools, new industry, paving, sewerage and a general program of modern progress.

With this background, I know that I can represent the people of this district with a real understanding of their needs, based on

a sound business legislative program.

I have always felt that our schools and the opportunity for education of all our youth is one of the most important things in every community. I will always fight for better schools and would like to improve our teacher's positions until the jobs would attract the best talent in the land.

My church has always meant much to me and I have tried to support it with my talents and my money.

I am not just asking the voters of the district for a job. I have all I can look after at the present time. Encouraged by my fine friends in the counties of this dis-

trict, I feel that I can render a service that is needed at this time. I have no alliances or obligations with any clique or group and will always be free to vote my convictions in all legislative matters.

As I said in the beginning, I am not a politician or speech maker and will have to depend upon my friends for help in making a campaign in the four counties. Of course I want to see as many people as possible during the next three months, but in this first announcement I ask that you give me your careful consideration for the office I seek.

Respectfully,  
J. W. (Bill) Moore

### Silver News

Bad weather and much sickness in the community caused postponement of the benefit basketball games scheduled for last Thursday night. The event sponsored to raise money for the March of Dimes will be played at a later date, probably some time next week.

Vaughan Davis, treasurer for the polio funds, states that \$58.89 had been turned in from collections at the Silver school. No other reports had been made.

Fifteen pupils were absent from school Monday from sickness, indicating the flu is still prevalent. The same number of students were absent a week ago and three teachers were out some of the time last week.

Wayne Reed was called to Sikeston, Mo., last Friday by the illness of his mother.

Orville Lee White went back to the Colorado City hospital the first of the week. He is scheduled to undergo surgery.

Mr. and Mrs. Reid Biggs and Tommy Stewart came from Lubbock for a weekend visit. Mrs. Biggs, the former Kay Stewart, remained for a week's visit with her parents, Mr. and Mrs. John T. Stewart.

Mrs. Martin Bowman came for a weekend visit with her parents, Mr. and Mrs. John Clifton. She is employed at the Timex factory in Abilene while her husband is overseas with the U. S. forces.

POWELL — Mr. and Mrs. Jackie Paul Powell Jr. of San Angelo are parents of a daughter born Jan. 23 in a San Angelo hospital. The infant weighed 8 pounds, 13 ounces. The father is a student at San Angelo College. Grandparents are Mr. and Mrs. Jay Thompson of Silver and Mr. and Mrs. C. A. Powell of Spur.

Anne Reed came from Austin for a weekend visit in the parental home of Mr. and Mrs. Wayne Reed.

Mr. and Mrs. C. E. Mathers left Saturday for Truth or Consequences New Mex., where they will spend some time at a health resort. Mr. and Mrs. George Pennington of Midland are looking after the Mathers home and livestock.

Sun production department employees who were victims of illness the past week included Delbert Shoemaker, Frederick Wydoff, Lindy Moore and Carroll Gray. Absent because of sickness in their families were Hubert Payton and J. W. Service Jr.

Bobby, 6 year old son of Mr. and Mrs. Bunyan Millican, was hit in the eye with a stick while playing at his home Sunday. He was taken to a San Angelo specialist for examination and was permitted to return home with his parents. Indications are that the injury will not prove serious.

### 4TH GRADE NEWS

The fourth grade of Silver Peak decided that we would like to go to San Angelo on a field trip, if approved by room mothers. Later discussion will be had. — Rose

Ann White, class reporter.

### NEW FAMILY ARRIVES

Robert Howell is a new employee at Sun's Jameson gasoline plant, having been transferred from Sun Field. He assumes the position of plant engineer and succeeds Eddie Good, who becomes field engineer. Howell is a graduate of Texas A & I at Kingsville with a gas engineer major. He has been with Sun Oil Co. eight years. Mr. and Mrs. Howell and their sons, 6 and 4 years old, moved here last week and are living in the company house in Tubbs Camp which was vacated by W. W. Koonce.

## Tempe Rites For Mrs. Lucy Warner, Accident Victim

Mrs. Marvin Simpson and her brother, A. N. Rawlings of Bronte, returned late Sunday night from Tempe, Ariz., where they had been called early last week by the tragic death of their sister, Mrs. Lucy A. Warner.

Monday morning of last week she was hit by a car after she had parked her auto and was walking across the street toward the elementary school where she was a teacher. She received fatal injuries which caused her death early the next morning.

Joining Mrs. Simpson and Mr. Rawlings at Tempe was another sister, Mrs. R. G. Lewis of Tuscon, Ariz. Driver of the car which hit Mrs. Warner is being held for manslaughter.

Because of investigation by officials and an inquest, funeral services were not held until Friday afternoon. The service took place at a Methodist Church in Tempe at a Methodist Church in Tempe and burial was in Rest Haven Memorial. Mrs. Warner was born June 15,

1901, at Burnet and moved with her parents, the late A. J. Rawlings and Mrs. Rawlings, to Bronte when she was a small child. She graduated from high school in San Angelo and obtained a BS degree at Texas Women's College in Denton. Later she received a MS degree from the University of Arizona at Tuscon.

She was a teacher for many years, her first school being at Hayrick and then at Bronte. She had resided in Arizona more than 30 years and was loved and admired by pupils and school patrons at Tempe.

She has a son, Clifford Warner, 26, who is employed by the Department of Agriculture at Holbrook, Ariz. She is also survived by her mother, Mrs. A. J. Rawlings of Bronte, and the brother and two sisters.

Mrs. Warner had often come back to Coke County on visits, her last trip being in October when her mother was critically ill.

Mrs. Simpson and Mr. Rawlings made the trip to Arizona over the Santa Fe from Colorado City.

### ONE ACT PLAY CONTEST

Robert Lee will be host to a one-act play contest scheduled for March 4 at the school auditorium. Garland Davis and his speech class of Robert Lee high school will sponsor the event, the first of its kind ever attempted here. Robert Lee will enter two groups, while entries have also been received from Loraine and Divide high schools.

## BIRTHS

HARMON—Mr. and Mrs. Jerry Harmon of Pampa are parents of a son born Jan. 25 in a Pampa hospital. He weighed 7 pounds, 13½ ounces and has been named Darwin Floyd. Grandparents are Mr. and Mrs. Edwin Southard of Pampa and Mr. and Mrs. Floyd Harmon of Robert Lee.

### STREET PAVING STARTS

A project which involves paving of 130 blocks of city streets in Robert Lee was launched Monday by the contractors, F. A. Seidel & Sons of Ballinger. Only a limited amount of machinery is at work, but more equipment is coming in and a full crew will be employed within a few days. Everest Seidel, a member of the firm, is in charge of the project. Work started at the north edge of the city and will progress southward. Mr. Seidel, a guest at the BCD luncheon Tuesday, stated that curb and gutter work is still available to property owners who request same. A sample of the work will be run in the near future at the W. B. Clift residence.

## Illness Claims Chas. Millican In San Angelo

Charlie Millican, 78, former Coke County resident, died Thursday at his home at 2925 N. Irving in San Angelo. He had been ill for some time and underwent surgery last November in Dallas for cancer.

Funeral services were held at 2 p. m. Saturday at the Lake View Baptist Church with burial following in Paint Creek cemetery at Edith.

Charlie Washington Millican was born July 19, 1882, in Bosque County. His family were early day settlers in the Edith community. He ranched for many years in Nolan County and retired to San Angelo in 1942.

He married Miss Annie Lamb at Edith in 1907. He and his wife celebrated their 51st wedding anniversary July 27, 1958. He was a member of the Baptist Church.

Survivors include his wife; one son, Stanley E. Millican of Lamesa; three daughters, Mrs. Cloven Walls and Mrs. Reba Hipp, both of Milburn, Okla., and Mrs. F. I. Brodnax of Thorndale; three brothers, Will and Pleas Millican, both of Edith and Chris Millican of Robert Lee; three sisters, Mrs. Henry Burk and Mrs. Lon Lenny,

both of San Angelo, and Mrs. Dee Walker of Robert Lee, and 12 grandchildren.

### STROUD ROBERTS VISITS

Stroud Roberts visited Robert Lee relatives and friends last week and with his sister, Mrs. Joe Ed Scott, and family at Bronte. He is on a month's leave from oil field work in Venezuela and is spending the period with his mother, Mrs. E. J. Roberts in Odessa. Stroud is employed by Rotary Engineering Co. of Midland, a firm which furnishes oil well logging service. He was sent to Guatemala for five months the early part of last year, then went to Venezuela. This was his second trip to the Venezuela oil fields. Stroud says the oil business is slow in South America at present. Production is down and the governments are wanting a bigger slice of the oil, although they have been getting 50% or more in the past. Stroud will return to Venezuela the middle of this month. He and his mother own and operate a motel at Odessa.

## SMALL TALK

By A. J. K.

Continuity of a column of this sort is most important, and we regret that occasionally it doesn't appear. Very likely most readers will agree with the rancher who growled, "I often think you're wrong but I want to know what you think."

Ernest Burns has been ranching for many years, but he had a new experience this week. He and his wife were out in the pasture feeding sheep, when they saw a bobcat a short distance away in a clump of brush. The animal didn't run, so they stopped the pickup and tried to set the dog after the cat. The bobcat came out fighting, but the dog wouldn't take hold of it. Mr. Burns said he realized at once that the bobcat was rabid, as his dog had perviously refused to tackle a rabid animal of any kind.

Mr. Burns was unarmed, except for a short stick which proved of little value. The bobcat came close to the truck but the driver was unable to run over it. Finally Mr. Burns got a spade out of the truck and succeeded in killing the animal. But he had a pretty close call.

A normal bobcat takes off immediately when he is discovered. But like foxes and other animals they are not scared when they have rabies.

Mr. Burns brought in the ears and collected the \$12.50 bounty for his experience. He's carrying a gun from now on when he goes to the pasture.

This is the first instance of a rabid bobcat being seen in this locality. However, it is certain proof that rabies haven't been stamped out and that a county-wide vaccination program should be carried out again this year.

A smart old farmer, who made it a rule to think twice before speaking, was approached by a stranger one day and asked: "How much is that prize heifer of yours worth?" The farmer thought for a moment, then asked: "Are you a tax assessor or has she been killed by a car?"

Failed to thank Cong. O. C. Fisher for the beautiful calendar sent from his office in Washington. It has a wonderful picture of the capitol building.

Aubrey Denman, candidate for county tax assessor-collector, says the initial Z in his name stands for Zedith.

Coke County candidates are fortunate in being assessed such a small amount to cover expenses of the primary elections. In Tom Green County the assessment was 8% and in Tarrant (Fort Worth) they dug up 9% of the 4-year salary. All of the announced candidates are expected to pay their filing fee by the Saturday deadline. If they don't, their names won't be on the ballot. Assessments are for 2% of the annual salary paid by the office they are running for. That means \$120 for sheriff candidates, \$110 for commissioner and county attorney and \$100 for tax assessor-collector. While the

salary of the tax officer has not been set, the figure is expected to be \$6,000. However, the county committee wanted to be safe and estimated it at \$5,000. Candidates for constable were assessed only 1% which means \$15 against their annual pay of \$1,500.

More information on the primary election, precinct and county conventions, etc., will be published in this newspaper as election time approaches. There are some changes in the law that will be explained.

### ATTEND BAND FESTIVAL

Ronnie Sims, Robert Lee high school senior, took part in the state high school music festival in Austin last week and played cornet in the all-state band. He placed 7th chair. Ronnie was accompanied to Austin by Robert Lewis Jay, band director. Motoring to Austin for the grand concert Saturday were Prin. and Mrs. Hervey Latham, Kenney Sawyer, Don Weathers and Bill Mundell. An all-state orchestra and an all-state choir were also featured. A total of 570 were on the stage when the three groups combined for their final appearance Saturday night.

### NOTICE OF CITY OFFICERS ELECTION

THE STATE OF TEXAS  
CITY OF ROBERT LEE ss  
TO THE RESIDENT QUALIFIED VOTERS OF THE CITY OF ROBERT LEE, TEXAS

TAKE NOTICE that an election will be held on the 5th day of April, 1960 in the City of Robert Lee, Texas, at the place, in the manner, and for the officials set for in the attached copy of an order for City Officers Election, duly adopted by the Mayor of said City on the 2nd day of February, 1960, said attached order for City Officers being made a part of this notice for all intents and purposes.

Jimmy M. Mathis  
City Sec'y.

### ORDER FOR CITY OFFICERS ELECTION

THE STATE OF TEXAS  
CITY OF ROBERT LEE ss

I, W. D. McAdams, in my capacity as Mayor of the City of Robert Lee, Texas do hereby order that an election be held in said City on the 5th day of April, 1960, for the purpose of electing the following officials for said City:

Mayor 1  
Commissioner 2

That in accordance with an order adopted by the City Commission of said City said election shall be held at the following place in said City, and the following named persons are hereby appointed officers for said election.

In election Precinct No. 1, at City Hall Building, in said City, with Mrs. F. C. Clark as Presiding Judge, and Mrs. J. S. Gardner and Miss Ollie Green Clerks.

That said election shall be held in accordance with the election code of this state and only resident qualified voters of said City shall be eligible to vote at said election.

That the City Secretary shall give notice of said election by posting a copy of this order in each of the election precincts of said City, which posting shall be done not less than 30 days prior to the date fixed for said election.

That immediately after said election is held, the officers holding same shall make returns of the results thereof to the City Commission of this City as required by the Election Code of this State.

A copy of this order shall also serve as a writ of election which shall be delivered to the above appointed Presiding Judge for said election.

W. D. McAdams  
Mayor
