## Commissioners' Court Okays Mobile Library

During a special Commissioners' Court meeting Monday, the members of the court that were present agreed to purchase a vehicle for the purpose of serving as a mobile library for Coke County—if the residents of the county revealed interest for this type library.

The court specified that the county would purchase and maintain the vehicle used for a county library, but books for the library

### a second glance

By JOHN H. KING II

Every Spring most people admit to having a touch of "Spring Fever" or some persons are more blunt and say, "laziness," but I don't know what the "nice" term is for the same disease in the fall.

This past Monday, those who stayed in view, folks seemed to take things in a leisurely stride. They probably knew that we won't have many more of the crisp sunny days that we have been blessed with the several days before old man winter comes charging into the vicinity.

There are many differences of opinion about the plentifulness of doves in the area this fall. Some say, "there aren't any," and others state, "sure wish the legal limit was higher." You just can't get hunters and fishermen to tell the same story.

Artel Robert, who farms near here, caused a lot of speculation the other day when he brought me a giant watermelon that he had raised on his place.

Among those who guessed at the weight of the melon were: Sheriff Childress, Wesley Watson, Freeman Clark, Curtis Walker and Chism Brown.

Chism Brown, the conservative that he is, bought the coffee after emphatically stating that the huge melon wouldn't weigh as much as 50 lbs.

The watermelon weighed 59 lbs. on David Key's scales. Yup, we had witnesses at the weighing. Two honest ones, J. E. Quisenberry Jr. and Curtis Walker.

My sincere thanks goes to Jack Douthit, publisher of the Sterling City News-Record, for furthering the appeal in his column, "Behind the 8 Ball," for funds to purchase a bus for the McKnight TB Patients at Sanatorium, Texas.

Douthit's column was read by Mr. Arron Clark of Sterling City and Mr. Clark donated to the worthy cause.

You will notice elsewhere in this issue of the Observer that the Commissioners' Court of Coke County has agreed to assist the residents of the county in securing a vehicle for the purpose of a mobile library for our county.

Support the Coke County Mobile Library Project by contacting your P. T. A., study club, or civic organization and asking them to let the court know that the citizens

Continued on back page

would have to be provided by clubs, P. T. A. organizations and individuals throughout the county.

County Judge W. W. Thetford said the court agreed "if the mobile library project is to be successful for the entire county, everyone will have to do his part by providing books and funds for books for the library."

The Commissioners asked Judge Thetford to meet with all the P. T. A. organizations and other club organizations in the county to ask their support for this worthy and needed cause.

Judge Thetford said Tuesday that he would personally visit all the P. T. A.'s in the county asking for their support in the new proposed mobile library.

Further details will be published as the project progresses.

A committee comprised of Bill Allen, W. W. Thetford, Hervey Latham, W. D. McAdams and John King met last Thursday to discuss the possibility of securing a library for Coke County. The committee agreed to ask Thetford to ask the Commissioners' Court for aid in securing a mobile library so that all residents of the county would have equal opportunity to borrow books from the county sponsored library.

## Speaks at B.C.D. Meeting

George Helton, volunteer coordinator for McKnight State Tuberculosis Hospital, gave a brief address to the members of the Robert Lee B. C. D. at Coke County Recreation Hall Tuesday noon.

Helton asked for community support in behalf of the McKnight T. B. Patients at Sanatorium. He stressed that practically everything, other than medical care and food, the patients needed was obtained through the volunteer department. Helton said that the more than 400 patients desperately needed the bus for recreational therapy. A drive has been launched for the bus.

Members of the Robert Lee Board of Community Development voted to give full support to the county officials, P. T. A. organizations and individuals for the purpose of helping to establish a mobile library for Coke County.

Mrs. Ethel Green visited the past weekend in Big Lake, Texas, with her son and daughter-in-law, Mr. and Mrs. J. D. Green.

## BLOOD DONORS NEEDED FOR CHARLIE VOWELL

An appeal has been made for persons to donate blood for Charlie Vowell who is critically ill in a San Angelo Hospital.

Persons who are interested in donating blood for Vowell are requested to see or call Sheriff Melvin Childress who will make the necessary arrangements at the Southwest Blood Bank in San Angelo.

Tuesday night 19 friends and relatives of Vowell gave blood for him. Due to the irregularity of hours at the Blood Bank, it is ne-

## Coke County Has Nearly 4,000 Acres Planted in Cotton

According to J. E. Quisenberry, manager of U. S. Agriculture Stabilization and Conservation County Committee, there are 3,914 acres planted in cotton that will be harvested this fall in Coke County.

It is estimated that of the 545,618 acres of farm and pasture lands in the county, 40,000 acres are in cultivation. This means that approximately 10 per cent of the cultivated acreage is devoted to the cash crop, cotton.

County Agent Sterling Lindsey estimates that the county will gin 1,925 bales of cotton this fall, or the county will average a yield of approximately ½ bale to the acre.

Among the larger cotton farmers, those who have 60 or more acres planted in cotton this year, in the county are: Otis A. Crook, J. W. B. Robertson, Waymond Robertson, Lowell Roane, Fred McCabe Jr., Joe P. Rives, R. C. Patterson, A. Roy Coalson, Frank Percifull, Oscar Kresta, V. V. Wojtek, Frank Seltz Jr., and Eugene Kresta.

According to most observers, the cotton yield would be much higher this year if a great deal of the crop had been planted earlier.

## First Aid Classes To Begin Here

Sam Williams will begin a series of First Aid Classes September 25th at 7:00 p. m. in the Court-house Conference Room.

These classes are sponsored by the Home Demonstration Council in an effort to educate everyone in the County in First Aid Techniques.

The knowledge gained in these classes will be essential in the event of any disaster.

Mr. Williams is qualified as an instructor and has taught numerous classes in the County previously. The Home Demonstration Council encourages all club members and any other interested person to avail themselves of this opportunity.

The class will meet on Monday and Tuesday night of each week for approximately nine weeks. Each lesson will last two hours.

The only expense for this Training will be 75c to cover the cost of the First Aid Manuals which will be used.

Jerry Tinkler has returned to Texas Tech in Lubbock where he is classified as a junior. Jerry is a son of Mr. and Mrs. J. L. Tinkler and spent the summer with his parents here.

## Steers Seeking 1st Victory Friday

Coach John Malone's Steers will be seeking their first victory of the 1961 football season here Friday night at 8:00 when the team will play the Melvin Bulldogs. The Steers have lost one and tied one game this year. Robert Lee lost the opener 28 to 18 to Menard and tied Sands in the second game 0 to 0.

The game this week will also be the home team's first game to

be played in Steer Stadium this year.

While Robert Lee had an open date last week Melvin rapped Cherokee 38-0. Melvin now has a 1 and 1 won-loss record for the season.

In last year's contest Melvin nipped the Steers 12 to 6. The two work horses of last year's game, Richard Germany and De Los Santos, are scheduled to start for Melvin Friday night.

Coach Malone said early this week that all his starters with the possible exception of halfback Curtis Higginbotham would be in excellent condition, and he is looking for a victory. Malone also said that he was sure the score would be close.

Probable starters for the Steers in the backfield will be quarterback John Kinsey, fullback Joe Roe, halfback Lynn White and halfback Curtis Higginbotham.

Other backs who will see a lot of action are Mike Ledbetter, Comie Hallmark, John Jacobs, Terry Thetford and Rusty Dodson.

Sparking the line will be center Bill Roach, guards Bill Ledbetter and Charles Askins, tackles Jimmy Caraway and Taylor Jones, ends Derwood Coalson and Robert Holland.

Those who will also be suited out ready to help their teammates will be Daniel Gloria, Clark Godwin, Mike Malone, C. L. Sparks, Jerry Craig, Ronnie Reid, Dwain Walker, Eddy Parker and Don Ellis.

### HERMLEIGH LEADS

Hermleigh has moved into the lead of District 6-B by beating the Rule Bobcats 14 to 8 last Friday night.

In other games last week in District 6-B competition Bronte bowed to Ozona 22 to 6; Trent lost to Baird by a score of 26 to 8; Roby rolled over Aspermont, 26 to 0; and Loraine smothered Sands 20 to 8.

### DISTRICT 6-B STANDINGS

Team	Won	Lost	Tied
Hermleigh	2	1	0
Bronte	1	1	0
Roby	1	1	0
Loraine	1	1	0
Trent	1	1	0
Robert Lee	0	1	1

## P. T. A. to Meet Thursday Night

First meeting of the 1961-62 Robert Lee P. T. A. will be held Thursday night, September 21, at 8:00 in the school's auditorium.

Mrs. Chesley McDonald, district P. T. A. president, of Sterling City will present the program of the evening. Mrs. McDonald's program is entitled "Character for Tomorrow's World."

The hospitality committee will serve refreshments following the business meeting.

Mrs. W. E. Jacoby, president of the local P. T. A., said that the association is striving for 100% participation at the meeting from parents of school age children.

The executive committee has adopted the program for the coming year.

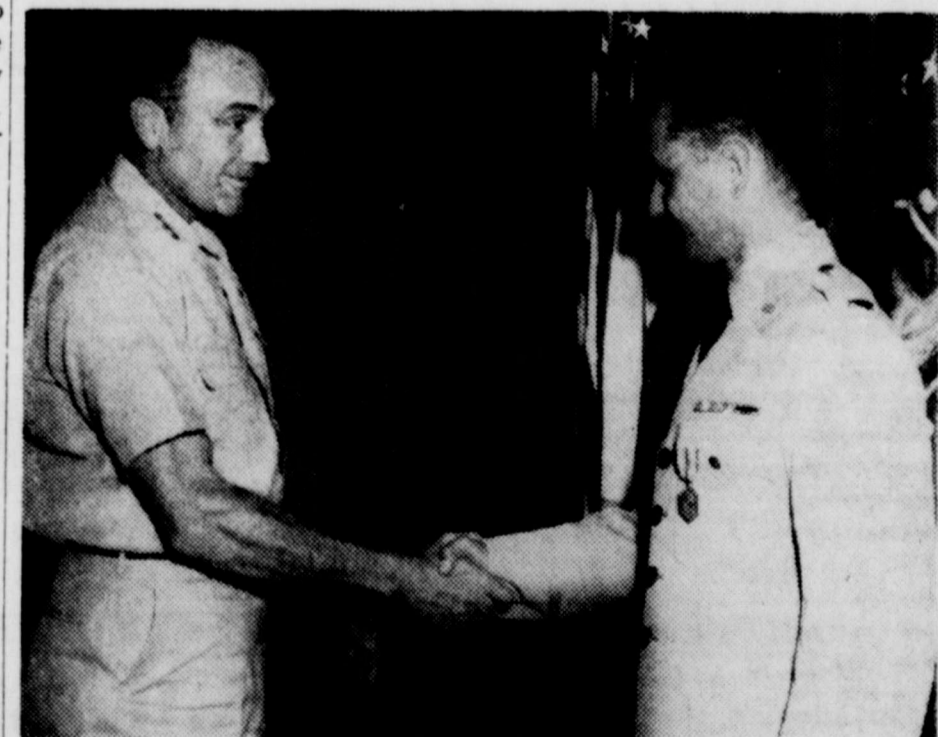

## TB Patients' Bus Fund

The McKnight State Tuberculosis Patients' bus fund is continuing to grow, even though progress is a bit slow. Previously acknowledged \$24.65

Mr. Aaron Clark, Sterling City \$10.00

Total to date \$34.65

Anyone interested in contributing to the TB Patients' bus fund, send your check or money order to the McKnight TB Hospital Patients' Bus Fund in care of The Observer or to George Helton at Sanatorium, Texas.

SHOWN ABOVE at right is Lt. Paul S. Ferrell receiving Air Force Commendation Medal from Lieutenant General John D. Ryan, second Air Force Commander, recently. Lt. Ferrell is the son of Mrs. J. Sid Ferrell of Robert Lee.

## Your County Agents Report

### Home Demonstration

By CAROLE L. HOOPER

The Home Demonstration Council is sponsoring First Aid Classes beginning September 25 in the Courthouse Conference Room.

Sam Williams, the instructor will be presenting training that everyone should receive. I hope you will read the article elsewhere in the paper, which has further information, and then, make definite plans to attend the class.

Have you been wondering about the greaseless fry pans?

If you are considering the purchase of one of these new pans, here are some facts you may want to know: The non-sticking feature is the result of a fluoro-carbon resin coating on the inside of the pan. The coating does not contaminate or change properties of foods. The pans do not become discolored (supposedly) and since food does not stick to the pans, they are easier to clean.

Now the other side of the coin: Several U. S. fry pan manufacturers tried the idea of coating fry pans several years ago and discarded it as impractical. Now, because of interest shown in the pans on the market, most companies are coming out with non-stick coated pans. Manufacturers say there are many drawbacks to marketing the pans. All it takes to ruin the finish is to use a metal spatula or scour the pan with an abrasive — and how many homemakers are ready to throw away their spatulas or quit scouring their pans? In some instances when cooking temperatures exceeded 450 degrees, pans became discolored; in other instances, the non-stick coating was damaged.

Some manufacturers (and homemakers) have adopted a "wait and see" attitude.

### Agriculture News

By STERLING LINDSEY

A number of people have called recently regarding blue prints for a fallout shelter. We have copies of fallout shelter blue prints. Also some bulletins on radioactive fallout. If you would like copies of either, give us a call.

While I am discussing bulletins, a new one has been received entitled "Modern Pruning Methods." It is an excellent bulletin for the person desiring more information on pruning trees, shrubs and bushes.

Gaylon and Darrell Pitcock,

sons of Mr. and Mrs. Teddy Pitcock, of Sanco, exhibited their hereford heifers to sixth and eighth places in the junior hereford show at the West Texas Fair. They also showed them in the open show, placing 13th and 14th in competition against the major registered breeders of the state.

Several Coke County 4-H boys records were judged in the District 7 awards program. Four of the six entered placed among the top three in the District. Bill Roach, son of Mr. and Mrs. W. T. Roach of Robert Lee, had the 1st place record in electricity. Bill's book was sent to the State contest to be judged in state wide competition.

The other records submitted

The Observer, Robert Lee, Texas

Sept. 21, 1961

were in the junior division for which awards are available on the district level only. Gaylon Pitcock placed first with his record in Agriculture. James Bird Pentecost, son of Mr. and Mrs. Nolan Pentecost, Sanco, entered his record in the beef awards program. He placed second in the District. Another first place was garnered by William Ray Hood, son of Mr. and Mrs. Jett Hood, Robert Lee, in Leadership.

R. C. Patterson and I made a few boll counts last week to get an estimate of what some of the cotton fields will yield. The four fields checked varied from .55 to

.73 of a bale per acre. To arrive at the above figures, we stepped off 18 feet or six steps down an average row, then counted the bolls in the 18 feet that we thought had a good chance to mature. On a field with every row planted with average size bolls, 180 bolls will make a bale to the acre.

The above is not accurate, but it does give you a good estimate of yield of a particular field. Three of four counts in a given field would be still more accurate.

## HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL

By Vern Sanford  
Texas Press Association

Austin—Hurricane Carla had its impact on the State Capitol. But not like it did on the Coast.

Refugees camped on the Capitol grounds the first night of the storm. They were moved into public buildings as the rains reached Austin. Several giant trees on the Capitol grounds were blown down, and the Board of Control estimated damage of \$5,000 to Capitol grounds and buildings.

State officials were busy, too. Gov. Price Daniel's on the scene inspections led to several coastal counties being declared disaster areas. Thus they became eligible for Federal aid.

State Insurance Chairman Thomas Ferguson announced that several hundred insurance adjusters had moved into the coastal area to begin estimating damages to insured properties.

So far no one had any estimate of the total damage Carla did to Texas.

One sure thing is that insurance companies, which have taken in about \$15,000,000 in premiums this year for windstorm and rain damage in the seacoast territory, will have substantial losses to pay above their income from this source.

**MORE SALES TAX RULINGS**—Comptroller Robert S. Calvert is still issuing rulings on how the new state sales tax applies to specific sales situations.

He has changed his mind for the first time. It's on the subject of repairmen.

New ruling declares that the repairman is the consumer of the tangible personal property which goes into a repair job, unless he has a contract under which he is to bill the customer separately for labor and parts or materials. In that case, he can collect the sales tax from the customer on the materials only. But if the repair contract is for a lump sum price, the repairman must pay the 2% sales tax on the supplies and materials at his cost.

These and other complications of the huge new tax law led to two proposals for changes.

Atty. Gen. Will Wilson recommended that it be changed to an across the board 2% tax, with no exemptions.

The Farris City Drug has just received the most beautiful and useful line of gift merchandise that we have ever been able to get.

O. T. COLVIN, Agent

State AFL-CIO Pres. H. S. Brown called for complete repeal of the sales tax, and substitution of an income tax which he said "you pay just once a year instead of 15 times a day."

**WHAT'S A FARM TRAILER?**—The new revision of the law which used to exempt farm trailers from license fees has lots of people in a swivet. The law was revised twice during the spring sessions of the Legislature. Governor Daniel vetoed the first bill by Rep. Grainger McIlhane of Wheeler, so it was passed again in modified form.

It now requires larger farm trailers to have "exemption tags" which cost \$5. It also requires owners of oil-well servicing and drilling equipment to have license plates if they are to be moved over the highways.

Oilfield servicing companies brought suit to set aside this interpretation of the law. License plates, based on weight, would be staggering, they claim as they maintain that the legislature did not mean to tax them when it wrote in an exemption for the water well drillers.

Rural legislators report some farmers aren't happy about having to pay \$5 to be exempt.

**CLUB TAX REVENUE HEAVY**—Another new act of the Legislature which took effect Sept. 1 levied a tax and license requirements on the "private clubs" where mixed drinks are served.

Texas Liquor Control Board had little idea how many such clubs there are, and how many mem-

bers they had. In the first two weeks, the license fee receipts at the Liquor Board came to \$420,000, and returns are still coming in.

This would indicate a private club membership of about 210,000, since the tax is approximately \$2 per member per year. Clubs operated by veterans organizations and fraternal organizations are exempt from the tax and license requirements.

The new law was pushed by the hotel and restaurant people, who wanted to get the private clubs legalized and out of the no-man's land where they have been operating for several years. Regulations require them to have food available to serve their members and guests in order to be eligible for a license.

**MORE ELECTIONS**—Special elections will have to be held in Bexar, Grayson-Cooke, Galveston and Potter Counties to fill House vacancies before Governor Daniel can bring the Legislature back into the special session he plans this fall. If he sets the special session for late October or early November, as many think he will, the elections will have to be called soon, to have the lawmakers ready to go to work when the session opens.

Major item for the special session is the enactment of legislation to license lenders and regulate interest rates.

House passed a bill during the regular session in the spring to set up tight regulation with fairly high interest charges. But the Senate could not agree. So the bill died.

As the law now stands it is illegal to charge more than 10 per cent per year in interest. Courts

The Observer, Robert Lee, Texas

Sept. 21, 1961

have wiped out all the various subterfuges by which higher rates were being charged. So lenders, who contend they cannot get by on 10 per cent on small loans, are anxious to be legalized in some fashion.

# NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

## '62 CHEVROLET JOBMASTER TRUCKS! WITH NEW High Torque Power

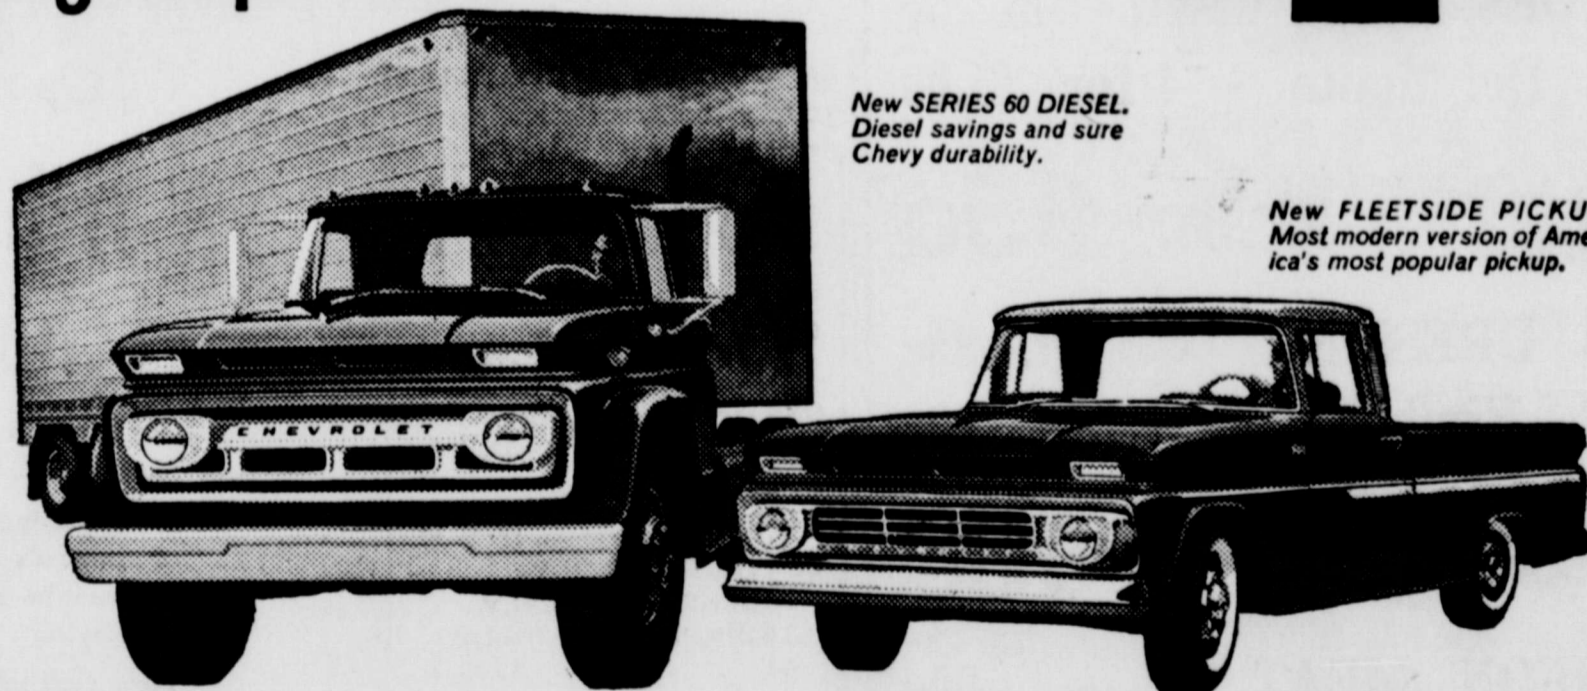

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8\*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six\* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles\* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! \*Optional at extra cost.

## RESIDENTS RECEIVE MESSAGES FROM KIN ON GULF COAST

Many persons who have relatives and friends in the hurricane distressed area on the Gulf Coast have received reports about the amount of damage that was caused to property and persons in that area.

### VAUGHAN PARENTS

Mr. and Mrs. Robert Vaughan went to Victoria where Mr. Vaughan's parents live, last week. Vaughan said that his parents' home had received very little damage from the storm, but many new residences there had been unroofed.

### DAUGHTER OF McDORMANS

Mrs. Jack Wagley, daughter of Mr. and Mrs. Linzy McDorman, and family live at Lamarque, near Texas City, where the tidal wave caused severe damage; however, the Wagley home did not receive any damage from the water or high wind. The water did rise within one foot of their residence.

Mrs. Wagley is a registered nurse at Danforth Memorial Hospital at Texas City. She told her mother that the nurses and doctors in that area injected 7,000 persons with typhoid serum last Friday.

Many refugees continue to remain in the storm shelters since a great number of their homes have been destroyed.

Mrs. Wagley has been a resident of the Gulf Coast Area since 1948.

### DENMANS

Mr. and Mrs. W. R. Denman, residents of Texas City for the past several years, reported that the water came within one foot of their property, but did not receive any damage to their home. Mrs. Denman is a sister of Mrs.

Freeman Clark and Mrs. Allie Bilbo of Robert Lee.

### BREWINGTONS

Dr. and Mrs. E. O. Brewington uncle and aunt of Mrs. Guy Barton, said the tide water rose to the top step of their residence in Galveston. They also reported that they received minor damage to their property.

### JENNINGS

Mr. and Mrs. Marshall Jennings of Silver have received severe damage to their motel at Sabine Pass. Jennings said that he would not know the full extent of the damage until he had an opportunity to get into the area which was still blocked with debris Monday.

### COFFMAN

Mr. and Mrs. R. L. Coffman's son, who lives at Lamarque stated that his home had received considerable damage. Another son of the Coffman's who lives at Texas City reported that his property was not damaged from the storm.

### HOWELL

Mrs. Bob Howell's parents who live at Victoria, were among the lucky ones who were not injured and their property wasn't damaged.

### BEAL

Mrs. Zeadie Beal reported that her parents who live at La Porte didn't receive any damage to their home.

### CAULDER

Mr. and Mrs. Doyle Caulder and children evacuated from their home in Texas City to Mrs. Caulder's parent's home, Mr. and Mrs. Curtis Walker, in Robert Lee.

Caulder left the first of the week for Texas City to survey the possible damage caused to their residence.

## Diesel Debut in '62 Chevrolet Trucks

Diesel power for the first time, addition of two higher powered V8's, and lower hood lines for better road visibility highlight Chevrolet's 1962 truck line. New to most of the 198 models are directional signals as standard equipment, single headlamps and longer life mufflers. New optional equipment includes alternating current generators, tinted glass and sliding rear cab window for better ventilation. Proved independent front suspension is retained with improvements.

The Observer, Robert Lee, Texas

Sept. 21, 1961

## RLHS '61 Grads Attend College

Among the Robert Lee High School 1961 graduates attending college this fall are:

Brenda Cowley, daughter of Mr. and Mrs. Jack Cowley, is enrolled at San Angelo College.

David Drennan, son of Mr. and Mrs. Charlie Drennan, is a freshman at Sul Ross College in Alpine, Texas, as is Richard Sims, son of Mr. and Mrs. Charles Sims.

Gayle Lewis is attending Draughon's Business College in Abilene. Gayle is a daughter of Mr. and Mrs. Hugh Lewis Jr.

Sue Parker, daughter of Mr. and Mrs. Glenn Parker of Texas Natural Gas Camp, is attending San Angelo Business College.

Jerry Quisenberry entered Texas A & M College September 9. He is the son of Mr. and Mrs. J. E. Quisenberry Jr.

Vicki Wojtek, daughter of Mr. and Mrs. Victor Wojtek, and Donny Robertson, son of Mrs. Bonetia Robertson, have enrolled at San Angelo College.

Observer office and furnish us with the name of your student that is attending college, regardless of the year or school that he is attending, and we will publish the names and schools next week.

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary, and they shall walk and not faint.—(Isaiah 40:13)

To wait upon God is to seek, through prayer and righteous living, to be one with Him in all things at all times all our days, in the sure knowledge that without His love within us, we can achieve little that is truly good and lasting.

For gifts and household utilities we have a most complete line. Visit our store and you will see them.

### EDITOR'S NOTE

There are many other ex-Robert Lee High School students that are attending colleges and universities, but at press time the roster was incomplete. Please call or come by the

## HOSPITAL NEWS

Sept. 13 — Mr. Osa Faries dismissed.

Sept. 14 — Mrs. Jim Ybarra, G. E. Davis admitted. Mrs. Jim Ybarra dismissed.

Sept. 18 — Mrs. Jerome Sirus, admitted. G. E. Davis dismissed.

Sept. 19 — Mrs. Colleen Thompson, Mrs. Henry Briscoe admitted.

Sept. 20 — Mrs. Colleen Thompson dismissed.

### PINK AND BLUE TEA

Mrs. Lendy Devoll was named honoree at a pink and blue tea Tuesday afternoon in the home of Mrs. Elmer Adkins. Assisting Mrs. Adkins with hostess duties were Mes. A. D. Fields, Bob Fields, Hershel Hall, Jimmy Mathis, Lowell Roane, Howard Varnadore, and Jerry Thomason.

The serving table, laid with a white cloth over pink, held an arrangement of pink roses. White cake squares and punch were served to 37 guests.

Gifts were displayed around a large stork.

### LONG ENTERS BUSINESS

Otho Long has leased the Texaco Super Service Station which is located across the highway from Baker's Grocery.

Long is announcing the formal opening of the service station under his management with an advertising message in this issue of The Observer.

He has been working for service station operators in Robert Lee for the past 11 years.

Long is married to the former Miss Melba Wojtek. The couple has two children: Richard Eugene, 12, and Othol, 5.

Mr. and Mrs. Don Ray of Dallas were in Robert Lee last week attending to business affairs. The couple also visited Mrs. Ray's brother, Lester Webb, of Bronte.

## New Chevy Trucks Now on Display

The new line of 1962 Chevrolet trucks are on display this week at Vaughan Chevrolet Co. in Robert Lee.

A total of 198 different models make up the new 1962 line of Chevy trucks, the largest number in the history of Chevrolet.

A new line for Chevrolet is the diesel powered models in medium and heavy duty trucks. Other new features include larger displacement engines, broader power team options across the line, lower hood lines for improved visibility, and extra heavy-duty optional front suspensions.

The public is invited to see the new models now on display.

## Silver News

Visiting in the home of the Phil Walls' have been his parents, Mr. and Mrs. F. M. Wall, of Dallas.

Mr. Fred Theis is a patient in the Root Memorial Hospital in Colorado City this week.

Army Private Laurence E. Stewart, 17 year old son of Mr. and Mrs. John T. Stewart, has graduated from a radio-teletype school at the Army Signal Training School at Ft. Gordon, Ga. He entered the service Feb. 20, 1961, and completed his basic training at Ft. Hood. In May he arrived at Georgia and left there August 18 for overseas duty. He is now stationed at Gelnhausen, Germany, about 25 miles from Frankfurt. Laurence attended Colorado City High School.

Mr. and Mrs. Finis White of San Angelo were weekend guests of the Bob Odams.

Mr. and Mrs. J. C. Windham have returned from two weeks vacation in Alabama and Mississippi visiting with relatives.

Mr. and Mrs. Johnny Clifton have been called to Gainesville upon learning of the death of Mr. Clifton's mother.

Mr. and Mrs. Bob Wallace are the proud parents of a daughter, born in a San Angelo hospital, and weighing nine pounds. Mr. Wallace is a teacher at Silver.

**Church of Christ Meeting**  
The Silver Church of Christ will hold a gospel meeting beginning Sept. 26 and going through Oct. 3. There will only be evening meetings at 7:30 p.m. each evening. Herschel McDonald, minister of the local church, said the visiting preacher will be Mr. Eddie Johnston of Belton, Texas. The public is invited.

Report local news by calling Merle King at 453-4051 or 453-3501.

**NEW OIL POLICY MAKER** — Lieut. Gov. Ben Ramsey became Railroad Commissioner Ben Ramsey in ceremonies Monday, and went right to work at the statewide oil proration hearing held Tuesday.

Ramsey leaves behind a record that probably will never be broken—election to six terms as lieutenant governor. Some earlier holders of that office had won as many as three terms, but there had been few of them.

Ramsey's salary goes up from \$4,800 a year and an apartment in the Capitol to \$17,500 a year, but he will have to pay his own rent.

Senator Bruce Reagan of Corpus Christi assumes the duties of lieutenant governor until the special session opens. Then the Senate will choose another senator to preside over its meetings. Choice lies between Senators Culp Krueger of El Campo, Charles Herring of Austin and Henry Gonzalez of San Antonio. All three came to the Senate on the same day in 1957.

Senators Preston Smith of Lubbock, Crawford Martin of Hillsboro, Robert Baker of Houston, Wardlow Lane of Center, A. M. Aikin Jr. of Paris, George Parkhouse of Dallas and Speaker James A. Turman of Gober are among the officeholders considered likely to run for lieutenant governor.

Don Yarborough of Houston, who gave Ramsey his closest race for the office in 1960, is also expected to run.

Maury Maverick Jr. of San Antonio is another potential candidate.

**STATE DOLLARS** — The year-end report of Comptroller Calvert gives Texans an idea of how big their state government has become.

During the state fiscal year which ended Aug. 31, the state government took in \$1,210,107,355 and spent \$1,192,569,099. Of the spending, \$370,000,000 went for

highways, \$468,000,000 for education, and \$188,000,000 for public welfare.

Those three big items total \$1,000,000,000, leaving less than \$90,000,000 for all other activities of state government, including the executive department, the courts, the legislature, safety, health, state mental hospitals and the correctional institutions.

The figure on state spending will be substantially larger this year, mainly because of the increases in the school aid program and the improvements in higher education. Biggest source of state money is Federal grants for highways, education, welfare, game and fish, health and other programs. They add up to \$288,000,000 a year. The new retail sales

tax will be the third biggest source of money this year. It is estimated to bring in about \$150,000,000, which will put it ahead of the oil production tax, the present third place source of money at \$122,000,000 a year, but still behind the motor fuel sales tax, which brought in \$177,000,000.

Mr. and Mrs. J. W. Austin of Colorado City were visiting their son-in-law and daughter, Mr. and Mrs. J. E. Hollis, a few days last week.

**Electric home-**

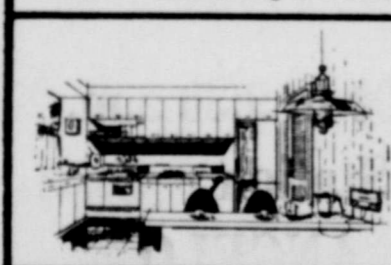

living like tomorrow—today

A NEW CONCEPT IN ELECTRIC LIVING — WHERE ELECTRICITY WORKS FOR YOU... AIR CONDITIONS... LAUNDERS... ILLUMINATES... COOKS... PRESERVES FOODS... ENTERTAINS... ENCOURAGES HOBBIES... OPENS UP A WONDERFUL NEW CHAPTER IN LIVING.

ELECTRIC LIVING has no limits! We mean it's totally adaptable to every need, every desire, every improvement your family might wish for... tomorrow, next month or next year.

ELECTRIC LIVING CENTERS will make up your home. Simple or complex, small or large you can have them in an older home, brand new home, in any style. Just read how they'll let you lead happier, healthier, fuller lives. See your home builder at your earliest convenience.

**THE FOOD PREPARATION CENTER.** Top efficiency thanks to portable dishwasher, range, oven, refrigerator, electric water heater, garbage disposer and exhaust fan. This center is powered for all of today's work-savers and those coming tomorrow.

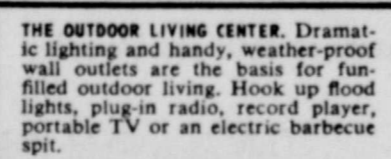

**THE LAUNDRY AND HOME PLANNING CENTER.** Compact, but complete! This center features stackable, automatic electric washer and dryer plus electric hot water heater. Planned too, for a homemaker's "headquarters," with desk area and extension telephone.

**THE ENTERTAINMENT CENTER.** Even with limited floor space and budget, you can plan for TV, tape recorder, AM-FM radio and record player. Every one has its place on this smart, thrifty shelf set-up. Electric living can open the door to hundreds of versions of home entertainment.

**THE OUTDOOR LIVING CENTER.** Dramatic lighting and handy, weather-proof wall outlets are the basis for fun-filled outdoor living. Hook up flood lights, plug-in radio, record player, portable TV or an electric barbecue spit.

### Silver Students Go Back to College

Larry Lindsey, son of Mr. and Mrs. Earl Lindsey, and Douglas Wilkes, son of Mr. and Mrs. C. T. Wilkes, are students at Howard County Junior College in Big Spring. Both freshmen, the boys are roommates.

Forrest McDonald, son of Mr. and Mrs. Herschel McDonald, is a junior student at Abilene Christian College at Abilene, and is majoring in education.

Bill Newell, son of Mr. and Mrs. Ollie Newell, is a freshman at Eldorado Junior College, Eldorado, Kansas. Young Newell is attending on a football scholarship.

Wayne Reed Jr., son of Mr. and Mrs. Wayne Reed Sr., is enrolled at University of Texas, Austin, as a freshman.

Bobby Koonce, son of Mr. and Mrs. W. W. Koonce, has enrolled at San Angelo College as a freshman. Bobby has completed two years in the Army.

Joe Windham is a senior at North Texas State College, Denton, where he is a pre-med student. Joe is the son of Mr. and Mrs. J. C. Windham.

David Mullins, son of Mr. and Mrs. Clay Mullins, has completed three years at A. C. C. in Abilene and is now in his second year at the Southwestern Medical School, Dallas.

Charles Palmer, son of Mr. and Mrs. Cecil Palmer, has enrolled at East Texas State at Commerce, and his brother, Jimmy, will be a

The Farris City Drug has just received the most beautiful and useful line of gift merchandise that we have ever been able to get.

freshman at Texas Tech, Lubbock.

Rusty Whitaker, son of Mr. and Mrs. "Whit" Whitaker, is enrolled as a freshman at A & M College.

Sandra Clifton, daughter of Mr. and Mrs. Johnny Clifton, will be a sophomore at Texas Tech this fall.

Tommy Stewart, son of Mr. and Mrs. J. T. Stewart, is also a student at Texas Tech.

Mary Ann Caldwell, daughter of Mr. and Mrs. D. H. Caldwell, is in her last semester as a senior student at Howard Payne College, Brownwood. Miss Caldwell is an education major.

### Betty Tinkler Is Senior Prexy

Miss Betty Tinkler has been elected as president of the 1961-62 senior class of Robert Lee High School.

Other senior officers elected are Kay Wink, vice president; Phebe Casey, secretary-treasurer; and Betty McGinley, reporter.

Barbara Gray and Bill Ledbetter were elected as student council representatives this week.

### BAND BOOSTERS MEET

The Robert Lee Band Boosters will meet in the music room of the Robert Lee school at 7 p. m. Tuesday, September 26.

New officers of the organization will be elected at this meeting. All members are urged to attend.

Miss Brenda Cowley, daughter of Mr. and Mrs. Jack Cowley, spent the weekend at her home here. Miss Cowley is a student at San Angelo College and is living on campus.

of Coke County will wholeheartedly support this service that is so sorely needed in our county.

Further still, why don't you phone Judge W. W. Thetford and ask him what YOU CAN do to help get the library rolling?

Bert Blaylock, who ranches south of Robert Lee, reports that he has lost 1400 freshly shorn Angora goats due to the recent cold rain.

He said the dead goats were everywhere in two large pastures.

Among recent visitors in the home of Mrs. Ethel Green were her uncle and aunt, Mr. and Mrs. N. E. Jameson of Fritch, Texas, and their son and daughter-in-law, Mr. and Mrs. Eddie Jameson of Seminole, Texas. Also Mrs. Green's brother-in-law and sister, Mr. and Mrs. E. B. Gray from San Angelo.
