## a second glance

By JOHN H. KING II

The executive committee and the current membership committee of Robert Lee P. T. A. set 100% as their goal for the membership of the 1961-62 school year.

I am told that BOTH parents and/or guardians of the student or students must join the organization in order to receive credit for having 100% membership.

The membership drive will end at the next P. T. A. meeting on October 19.

It is a known fact that when the P. T. A. is functioning with a full membership that it aids the school and the pupils greatly.

The executive committee and the program committee have planned an active and thorough program for the coming year.

Why don't YOU take an active interest in your child and the local school and join the P. T. A.?

Membership dues are only .50 and baby sitters are provided for the small fry during the meetings.

The Coke County mobile library project is moving along at a fair pace. Several P. T. A.s, study clubs and civic clubs have selected representatives to serve on the planning committee for the library. Several other P. T. A. organizations and study clubs need to select at least 3 representatives from their organizations to serve on the committee.

When you select your representatives, have them to contact Judge W. W. Thetford.

Rev. Hubert Travis of the Presbyterian Church at Sterling City and Women's Sunday School Class of that church contributed \$15.00 to the McKnight Sanatorium Patient's Bus Fund. That brings the total to \$49.65 for this project.

The county averaged about 1/2 inch of rain in the early hours Monday morning on the heels of strong winds that had gusts up to an estimated 60 miles per hour.

There wasn't any appreciable amount of crop damage or livestock loss due to the winds and chilling temperatures reported in the county.

The coolest temperature for this fall was Tuesday morning when the mercury dropped to 43.

Lawrence Withers of Hugo, Colo.; Otis Campbell of Robert Lee, and O. J. Blocker, Jr. of Roscoe.

Mr. Arledge died at 4:45 a. m. Thursday at his home, 2501 Jann Drive, in San Angelo, after an extended illness. His death was attributed to a hemorrhage resulting from complications of a malignancy of the esophagus. He had undergone several operations in M. D. Anderson hospital in Houston. Most of the time during the last year he had been confined to his home here. However, his condition was such Wednesday afternoon that he was able to go for an automobile ride.

Survivors include his wife, two daughters, Linda and Carol, and one son, Wade, all of San Angelo; two sisters, Mrs. Jesse S. Cargile of Sweetwater, and Mrs. Palmer Leeper of Sanco, and one brother, George B. Arledge of Winchester, Ky.

Son of the late Mr. and Mrs. J. W. Arledge, Mr. Arledge was born on a ranch near Maryneal Sept. 2, 1913. He attended Roscoe schools, graduating from high school there, and then entered the ranching business.

Mr. Arledge and Miss Geraldine Youngblood of Blackwell were married Aug. 7, 1945, in Blackwell. They made their home on the ranch in Coke County 15 miles north of Robert Lee and later in Sweetwater. The family moved to San Angelo four years ago. Summer vacations were spent on the South Dakota ranches.

Other than the ranch in Coke and Nolan counties, Mr. Arledge owned and operated ranches in New Mexico, Montana and two in South Dakota. He ran both sheep and cattle and thoroughbreds, which he raced, were his hobby. An Arledge entry won the Thoroughbred Futurity at Ruidoso, N. M., in 1960.

## Dogies Whip Loraine 12-0

The Robert Lee Jr. High Dogies scored their first touchdown Thursday night when Robert Wink scampered around right end for 20 yards in the first quarter. The try for extra points by Ricky Ledbetter failed.

Wink passed to left end Donnie Devoll for 30 yards in the 4th quarter for the 2nd and final tally for the evening.

The Dogies will travel to Silver this Thursday for a football contest with Silver at 7:30 p.m. This will be the second meeting for these two teams this season. Robert Lee won the first one 8-0.

He served in the Pacific in the U. S. Army at New Guinea and Australia.

Boykin is married to the former Miss Dawn Lucas of Melbourne, Australia.

## Marfa Falls To Steers 8 to 2

By GARLAND DAVIS

Coach John Malone's light Steers shocked the heavy AA Marfa Shorthorns in Marfa Saturday night with a score of 8 to 2.

Robert Lee went from the defensive to the offensive early in the second quarter when halfback Curtis Higginbotham plunged 1 yard for the TD.

Higginbotham took a pitchout from quarterback John Kinsey for the extra points. The pitchout was wide, and Higginbotham had to hustle and pick up the ball on the first bounce in order to execute the play successfully.

The Steers scored again late in the second quarter when fullback Joe Roe powered through the shorthorn line for 4 yards and the tally, but the score was nullified by a Steer holding penalty.

A third quarter scoring threat by Marfa was killed when Derwood Coalson intercepted a Shorthorn pass in the end zone.

Coalson was switched to de-

fensive halfback after the squad arrived in Marfa, and Coach Malone learned that the Marfa unit had thrown 24 passes the previous week.

Lynn White intercepted two Marfa passes and John Kinsey, Comie Hallmark, Rusty Dodson, and Bill Roach added "insult to injury" to the Marfa passing game.

Robert Lee suffered a 2 point setback in the closing minutes of the 3rd quarter as Curtis Higginbotham was downed in the Steer end zone for a Marfa safety and the 2 points.

Marfa's last threat came in the 4th quarter with 3 minutes left in the ball game. Lynn White killed the drive as he intercepted his second pass and returned it to the Steer 20 yard line.

The Robert Lee offensive unit set to work and ran out the clock.

Fullback Joe Roe made numerous gains through the Marfa line and teamed with end Dwain Walker to kill Marfa's wide running plays. John Jacobs, Jimmy Caraway and Jerry Craig added strength to the Steer defensive wall. Taylor Jones and Clark Godwin were offensive starters for the Steers who helped slice holes in the Shorthorn line.

The traveling squad for the Marfa trip consisted of: John Kinsey, Joe Roe, Lynn White, Curtis Higginbotham, Dwain Walker, Derwood Coalson, Taylor Jones, Jimmy Caraway, Clark Godwin, Jerry Craig, Bill Roach, Comie Hallmark, Rusty Dodson, Mike Ledbetter, John Jacobs, Charles Askins, Ricky Hatch, Robert Holland, Mike Malone, Eddy Parker, C. L. Sparks, Terry Thetford, Manager Phil Lowder, Coaches John Malone, Garland Davis and bus driver R. C. Sawyer.

A good representation of fans and the high school cheer leaders also attended the game.

### ELDORADO HERE

## County Agents News Column

By STERLING LINDSEY

The Coke County 4-H Club entries in the San Angelo Sears store area of Coke, Runnels and Tom Green counties took top honors in the three county show. Jimmy Wayne Millican of Silver, son of Mr. and Mrs. Bunyon Millican, exhibited his duroc gilt to first place in the eight gilt county show and duplicated the feat in the area contest. Mike Krall, son of Mr. and Mrs. Melvin Krall of Robert Lee, exhibited the winning boar of the store area.

The placings of the other gilts in the county show held at the

San Angelo show grounds Saturday were as follows: 2nd, Darwin Caswell, son of Mr. and Mrs. Mitchell Caswell, Bronte; 3rd Jerry Parker, son of Mr. and Mrs. Truman Parker of Bronte; 4th, Selso Abalos, son of Mr. and Mrs. Frank Abalos, Robert Lee; 5th, Bill Sharp, son of Mr. and Mrs. W. T. Sharp, Bronte; 6th, Sue Percifull, daughter of Mr. and Mrs. Will Percifull, Robert Lee; 7th, Bob Wells, son of Mr. and Mrs. James Wells, Bronte; 8th, Becky Percifull, daughter of Mr. and Mrs. Will Percifull.

The initial phase of the gilt improvement program was completed with the showing of the gilts. The second phase of producing a litter of pigs will be the prime consideration of the club members from this point forward. The program terminates with the heavy litter contest in the spring and the returning of one registered gilt by each member to continue the program.

You probably have read one or more accounts in various papers and/or magazines in recent weeks about the proposed screw worm control program. A program is underway in a few counties to help secure funds for the gigantic endeavor. As soon as the necessary information on the program is received we will pass it on to you and initiate the program locally. My understanding at the present time is that \$.50 per head on cattle and \$.10 per head on sheep, goats and swine is being asked for to support the multi-million dollar undertaking. If the above figures are correct for what will be requested of Coke County, the request will be much less than the losses sustained during this year.

I plan to attend a brucellosis re-certification meeting in Ball-

ger on Oct. 12, along with three or four county beef cattle committeemen from the county. Possibly we will receive information on the screw worm eradication program at that time.

Early stalk destruction to combat pink bollworms and boll weevils is being pushed in all areas of the state. All of the state from this area east apparently suffered from the worst weevil infestation ever.

The entomologist points out to us that destruction of stalks and removal of litter early will reduce the number of weevils that go into hibernation. This is particularly true where a late fall crop is being produced. From the standpoint of controlling insects, the removal of overwintering materials will reduce the number that live through to cause damage another year.

Ford introduces for 1962  
two distinguished new series:  
Galaxie & Galaxie/500

Enduring elegance...  
with the power to please

With Thunderbird styling...  
Thunderbird power... and  
quality craftsmanship that sets  
a new industry standard... the  
1962 Ford Galaxies give you  
every essential feature of far  
costlier luxury cars.

Swift as a rumor, silent as a secret,  
Galaxie '62 has the timeless distinction  
and talent for travel of the Thunder-  
bird that inspired it.

Every quick quiet mile whispers:  
here is a new standard of quality. And  
every luxurious detail confirms it.

This is the car that introduces twice-  
a-year maintenance. Routine service is

reduced to 30,000 miles on many items  
such as major lubrications, twice a  
year or 6,000 miles on the rest.

We suggest you see the new Galaxie  
and Galaxie/500 (shown above) for  
yourself. We are confident you will  
agree: it's pointless  
to pay more—or  
settle for less.

Galaxie

Its silence whispers quality

Now... twice-a-year maintenance reduces service to a minimum!

Mr. and Mrs. Jarvis Littlefield and children, Jerry, Jimmy, Ricky, Randy, and Lysda, of Afton, Oklahoma, spent Friday and Saturday here with Mrs. Littlefield's parents, Mr. and Mrs. A. J. Bilbo.

Mrs. J. Turney Sparks, accompanied by a sister, Mrs. E. T. Clay, of Brady, Texas, visited recently with Mr. and Mrs. Walter Blackburn in Perryton, Texas. They enjoyed one day at the Tri-State Fair in Amarillo and also the Ice Capades. Mrs. Blackburn is a sister to the two women.

On their return trip, they visited in Sweetwater with their mother, Mrs. S. W. Taylor, who makes her home with another sister, Mrs. C. E. Lambert.
