## CASH CONTRIBUTIONS LISTED FOR E. G. LINDSEY FAMILY

Many persons have contributed money to the E. G. Lindsey family who lost all their belongings in a fire at their home two weeks ago.

Those contributing this past week were:

Name	Amount
Bob Patterson	\$2.00
Butane Sales	10.00
D. P. Key	1.00
Lewis Heuvel	5.00
Fagan Parker	5.00
Wesley Watson	5.00

## a second glance

By JOHN H. KING II

Appearing elsewhere in this issue of The Observer is a newsletter written by Congressman O. C. Fisher in regards to the drive for legislation to create a new government agency to be known as "The Department of Urban Affairs and Housing."

I would like to urge you to read this newsletter written by Congressman Fisher, and after you have carefully weighed the good and bad points of the proposition write to him stating your opinions in regards to the proposal of this new department.

Also, I would welcome your letters about this matter, and if permitted by you, I will publish them in next week's paper.

This must be the season for rumors... Mr. J. W. King Sr. (no relation to me), publisher of the Mitchell County News in Loraine, stated in his column, "On the Beam" last week that he had had an item about a group of hunters from his city that went on a hunting trip into the Davis Mountains and when the hunting party returned, "Not a one of the hunters let us know they had returned and the number of deer they had killed. It has been rumored that they wanted to keep it quiet because they were afraid the game warden might find out the number of deer they killed. Now that is just a rumor but it goes to show what might happen if we printed rumors. Tell us the facts won't you?"

While I'm on the subject of rumors, I would like to call your attention to a letter to the editor that appears elsewhere in the paper written by Robin Guess, minister of the Robert Lee Baptist Church.

Two typographical errors and an omission appeared in last week's story about the county salaries. The typographical errors were in the Chief Deputy Sheriff's car expense, it should have read 8c (eight cents) per mile, and all county officials, unless otherwise provided, will receive 8c (eight cents) per mile for use of their automobile while on official business.

The omission pertains to the salary increase of all office employees. That part of the story should have read "... a salary increase of \$300.00 per year to all office employees after they have worked in the county offices for 1 year with the exception of chief deputies."

## Six New Locations in Sanco Field

Six new drilling sites have been located in the Sanco Canyon Field near the town site of Sanco.

Three new drilling sites have been located on the Mary Hays land, 1 on the Ulmer S. Bird land, 1 in the southwest corner tract of Ila Adkins land, and another 1 on Marvin Simpson land north of the recent producer Standard of Texas No. 2 Simpson.

The Tucker No. 4 Simpson drilled to lime and has set casing.

Standard No. 3 Hays is drilling at 4,000 feet and the Standard No. 4 Hays is drilling at 4,200 feet.

Mr. and Mrs. Audrey Brown of Ada, Oklahoma, are in Robert Lee visiting Mr. and Mrs. E. G. Lindsey and family. Mr. Brown is Mrs. Lindsey's brother.

# Wm. H. Allen Selected To Serve On S.R.F. Council

William H. Allen, of Robert Lee, has been selected to represent Coke County on the Southwest Research Foundation advisory council. Mr. Allen, along with the other council representatives, will meet and advise with the board of trustees at the call of the Board. Each county in the State is expected to name a council representative to help the Foundation Board of Trustees in their moves to combat animal insects and diseases.

The Foundations 15 man board of trustees has been completed

## Car Overturns Near Here

A 1952 Ford Station Wagon overturned about two miles west of here on Highway 158 Sunday evening after a right rear tire blew out.

According to Coke County Sheriff Melvin Childress, the vehicle was driven by a Latin American woman, Enriqueta G. Trejo, about 30. There were 5 other passengers in the station wagon and all the occupants of the vehicle escaped injuries.

Officers investigating the accident stated that the station wagon was travelling east at about 40 or 45 miles per hour when the right rear tire blew out causing the station wagon to pull to the right and when the driver attempted to pull the vehicle back to the left it overturned on its right side in the right lane on the highway.

Estimated damage to the station wagon was set at about \$50-00. Major damage was bent fenders and broken glass.

Enriqueta Trejo gave her address as 105 W. Ash Street, Laredo, Texas. She has been living in Robert Lee for about three weeks while picking cotton on the Fred McCabe Jr. place.

## B. M. Mundell, Windmill Man, Dies Suddenly

Bonnie M. Mundell, 61, died at his home early Sunday morning after suffering a heart attack.

Mr. Mundell was well known throughout Coke County and surrounding territory as an expert windmill repairman and water well driller.

Services were held at Clift Funeral Home at 2:30 p.m. Monday with Rev. Robin Guess and Rev. Dempsey Salter officiating.

Mr. Mundell was born July 26, 1900, at Ardmore, Oklahoma. He moved to Robert Lee with his parents, the late Mr. and Mrs. M. E. Mundell, in 1907.

He was married to the former Mabel Hester November 28, 1923. Survivors include his wife; two sons, Ray of Snyder and Bill of Robert Lee; a daughter, Mona Casey of Robert Lee; a sister, Mrs. Mabel Williams of Happy, Texas, and 2 grandchildren.

Pallbearers were Steve Parker, Fred McCabe, Jim McCutchen, Jack Trimble, J. O. Rudd, Robert Forman, Jack Walker and T. M. Wylie Jr.

and has initiated action on the screw worm control program. One of their first moves was to adopt the following resolution: That it be the policy of the Board of Trustees of the Southwest Animal Health Research Foundation that all funds received from producers shall and will be held in escrow to be expended only in the event sufficient funds are available or authorized to initiate the

## Firemen's Needs Heard

Volunteer Fire Chief Calvin Wallace and Volunteer Firemen's secretary, Butch Davis, stated the immediate needs of the local fire department to the members of the Robert Lee B. C. D. Tuesday at the Coke County Recreation Hall.

Listed as priority needs in the way of protective equipment for the 25 volunteer firemen were: protective helmets, rubberized coats and boots. "The approximate cost to outfit the department is \$45.00 per man," Davis said. "This would be the minimum amount of personal protective equipment that the men need," Davis said.

Calvin Wallace stated that at the present time there were only 8 rubberized coats available for the entire department and that these coats were worn out. "The men do not possess any helmets or boots," he said.

Mayor W. D. McAdams pointed out to the members attending the meeting that the Robert Lee Volunteer Fire Department was in need of two commercial type fire extinguishers for the purpose of fighting electrical, gasoline and oil fires. Approximate cost of this type extinguisher is \$65.00 each.

"Other desperately needed items are tires for the truck that is used for fighting range fires," Chief Wallace said.

Davis stated that because the Robert Lee Volunteer Fire Department was recognized as an organized unit that the key fire insurance rate in Robert Lee was only "44c as compared to 93c in Bronte."

In summary, the men representing the volunteer fire department estimated that the local unit need immediately approximately \$1500 to enable them to fight probably fires effectively.

## LETTERS TO THE EDITOR

19 JAN '62

Dear John,

In regards to your editorial on where gossip begins—I picked this sentence from my readings. I have found it to be so true:

"It's easier to believe a lie that one has heard a thousand times than to believe a fact no one has heard before."

Sincerely,  
Robin Guess

Visiting in the J. G. Dickenson home in Brownwood Friday through Sunday were Mr. and Mrs. Chism Brown.

screw worm eradication program and in the event that efforts to secure accounts shall be returned to the individual or organization from whom they were received.

Although the above resolution was adopted, the Board members expressed their confidence that, based on present indications, the program will be carried out.

Local contributions to the program have lagged in recent weeks. As of Monday, 102 Coke County operators had contributed \$5,572.50 to the cause. This is well below the amount anticipated from Coke County. It is hoped that all operators desiring to see screw worms controlled will make a contribution according to the number and kind of stock they have in their operation.

The 50 cents per horse or cow or 10 cents per sheep, goat or hog should be mailed to or left with William H. Allen, Robert Lee, Coke County Animal Health Committee secretary.

## Last Year a Busy Period for Sheriff's Dept.

The Coke County Sheriff's department was kept busy during the year of 1961 handling routine business and enforcing the law in Coke County.

Sheriff Childress and his deputies arrested 48 persons during the year; 2 were held for investigation and released; 3 arrests were referred to Juvenile Court and dismissed; 4 arrests are pending court action and 36 arrests were cleared.

Thirty-five other writs were issued and executed in Coke County courts, with 34 writs issued and executed for out of county courts.

There were 38 traffic accidents with one fatality investigated by the Sheriff's Department in the county last year.

Sheriff Childress expresses his thanks to the citizens and other county officials of the county for their support and cooperation given the Sheriff's Department in the past year.

The Sheriff expressed his thanks to other county and state officers or their cooperation because it is through this cooperation that the local department is able to be more efficient in its work.

## PERSONALS

Mr. and Mrs. Ed Roberts attended funeral services last Wednesday in Hallettsville, Texas, for Steve A. Clarke. Mr. Clarke, 76, died the previous Monday after a long illness. He was a brother-in-law to Mr. Ed Roberts.

Mr. and Mrs. Ronnie Sims are here from Austin for a between-semester visit with their parents, Mr. and Mrs. Charles Sims and Mr. and Mrs. R. C. Sawyer.

## SINGING AT SILVER

The Fourth Sunday Coke County Singing will be held Sunday afternoon at 3 o'clock at the Silver Church of Christ. Everyone is invited.

# Washington Newsletter

By Congressman O. C. Fisher

Will the City Hall and the Courthouse be bypassed in the quest for federal dollars to help finance local projects? That question has been raised with the drive for legislation to create a new government agency to be known as "The Department of Urban Affairs and Housing," to be acted upon in Congress early in the session.

If approved, this proposal will create a Secretary as head of the new agency and he will become a member of the President's cabinet.

The primary purpose of the new agency is to enable local cities and communities to come directly to Washington for federal assistance, and avoid dependence on local tax revenues to finance certain functions of a local nature which are normally financed locally. At least, the new agency would facilitate that procedure. And the big cities are pushing hard for this new approach.

Another motive behind the Administration's insistence on the creation of the new agency, according to observers, is to enable the President to appoint Robert Weaver, presently Administrator of the Housing and Home Finance Agency, as Secretary and thereby be able to placate the Negroes who would like to see a member of that race in the President's cabinet.

IN ANY EVENT, if the new department is created it will not be good for American taxpayers because it will open the gate for more and more dependence by local communities upon federal financing, and will undoubtedly cost billions in additional spending in the years ahead.

This, it is said, would be only the first step of the long range strategy—a strategy apparently designed to bring the solution of the day-to-day problems of community life under the direction of centralized government.

Bills approving this new agency have been reported by committees in both the House and Senate. It remains for the House and Senate to act, and action in both bodies is expected within the next two or three weeks. Unless public opinion manifests itself strongly against this new spending program, it now appears likely that House and Senate approval will surely result.

RECENT VISITORS include E. Babe Smith of Lampasas, Henry Wendler of Boerne, Jack Hight, formerly of San Angelo, now with IBM in Washington; John A. Ward of Sonora, an attorney now with Sun Oil Co. in Philadelphia; Arthur Leesch of Boerne; and John Kane of San Angelo.

## NOTICE OF INTENTION TO EXECUTE OIL, GAS AND MINERAL LEASE

Notice is hereby given that Coke County, Texas, intends to execute an oil, gas and mineral lease upon all that certain strip of land 100 feet wide and 6800 feet long across Section 380, H. & T. C. R. R. Co. Trk 1A, from the S. E. cor of said Section, northwestward to its N. B. L. 600 feet S. of its N. W. corner and containing 15.9 acres, more or less.

All bids for such Oil, Gas and Mineral Lease shall be submitted in writing to the Commissioners Court of Coke County and such Commissioners Court will receive and consider all such bids on February 5th, 1962, at 10:00 A. M. in the office of the County Judge, in the Courthouse of Coke County, at Robert Lee, Texas.

The County reserves the right to reject any and all bids.  
Weldon Fikes, County Auditor,  
Coke County, Texas  
Publish Jan. 11, 18 & 25

## PUBLIC NOTICE

The Commissioners' Court of Coke County have decided as indicated by order duly entered upon its minutes to that effect, and so intend to raise the salaries of each Justice of the Peace of Coke County from \$1800.00 per annum to the sum of \$2100.00 per annum and to raise the salaries of each Constable from \$1500.00 per annum to \$1800.00 per annum and pursuant to such decision and intention will on the 12th day of February, 1962, at a regular term of the Commissioners Court of said County, make and enter such order.

## Talent Show to Be Held

Members of the Band Booster Club of Sweetwater are searching and seeking talent for their forthcoming talent show which will be presented at the Nolan County Coliseum on February 22 at 7:30 P. M.

Talent for the show will be drawn from Sweetwater and neighboring towns. All types of talent are welcome. There is no age limit. All talent must be auditioned and auditions will be held on three different dates for anyone who might have a conflict on one or more of the dates.

Auditions will be held at the High School Band Hall in Sweetwater located on the west side of the high school campus — 1210 Crane St. Audition dates are as follows:

- Friday, January 26 — 6:30 to 9:30 P. M.
- Saturday morning, January 27, 10:00 A. M. to 1:00 P. M.
- Monday, January 29, 6:30 to 9:30 P. M.

Prizes will be awarded and the first prize, unless topped by some other organization, will be a fifty dollar United States Saving Bond.

If you are talented or know of talent let them know and ask them to come at one of the three audition dates set up. For any other information about this show write or call Band Director Pat Patterson, Sweetwater Senior High School, Sweetwater, Texas, Phone BE4-3455 (school) or BE4-5849 (home).

## Sweetwater Lake to Reopen

Lake Sweetwater will be reopened to anglers February 15, after having been closed down since the complete kill by biologists in August, 1960. Bass planted in the lake after this kill now have reached sufficient size and weight to justify reopening of the lake, according to Marion Toole, inland fisheries coordinator of the Game and Fish Commission.

Lake Sweetwater was given a rotenone treatment to kill all the fish in the lake after netting samples had shown that 99 per cent of the fish population of the lake was undesirable.

Lake Sweetwater covers 550 acres, and is operated by the City of Sweetwater as a municipal water supply and recreational area. A fish kill by the Game and Fish Commission was in cooperation with the Sweetwater City Council.

After the kill, the lake was stocked with black bass fingerlings, and netting samples show that these fish now have attained a weight of two or three pounds each. Several channel catfish caught in nets average 2½ pounds.

Recent netting samples showed no carp, suckers, or shad.

Good Today  
Better Tomorrow

## Screwworm Eradication Program Expands

The planned screwworm eradication program in the Southwest moved a step forward today with the announcement that the Southwest Animal Health Research Foundation's board of trustees is being expanded and that an advisory council has been created.

C. G. Scruggs, recently elected president of the Foundation, said that each county which has an organized committee will be represented by one man on the advisory council, and that additional advisory council members can be appointed.

Scruggs pointed out that 216 counties in Texas now have organized committees and that other counties in the state are in the process of organizing. "Interest in the program also is growing in other states," he said. "Seven parishes in Louisiana have organized."

The Oklahoma Cattleman's Association passed a resolution at their annual meeting in December calling attention to the screwworm eradication program being activated in the Southwest and resolved to "join with other southwestern states to adopt and foster a program that eventually will lead to complete screwworm eradication."

Scruggs said the selection of Harry Jersig of San Antonio as a trustee brings the total number of trustees to 16 at this time. Jersig will represent Wildlife and Sportmen's clubs.

Present trustees and their terms of office are: One year — Claude McCan, Victoria; C. H. Devaney, Coahoma; Dolph Briscoe, Jr., Uvalde; Cecil Ward, Gainesville; and Joe T. Lane, Marfa. Two

year terms: Marvin Bridges, Buffalo; W. E. Crenshaw, Weslaco; Alvie L. Cole, Sterling City; C. G. Scruggs; Harold Nelson, New Braunfels. Three year terms: V. A. "Bill" Clements, Jr., Longview; Jerry Puckett, Fort Stockton; T. A. Kincaid, Jr., Ozona; Dr. G. Kendrick, Marlin; T. J. Richards, Paducah.

Bridges is vice-president, and Puckett is secretary-treasurer.

In their latest meeting the trustees emphasized — through the following statement — that every penny collected would be used solely to bring about a screwworm eradication program: "That it be the policy of the board of trustees that all funds received from producers shall and will be held in escrow to be expended only in the event funds are available or authorized to initiate the screwworm eradication program and in the event that efforts to secure sufficient funds fail, all monies in such escrow accounts shall be returned to the individual or organization from which they were received."

The screwworm eradication program is literally one of self extermination. It is based on the fact that the female fly mates only once. The native population is overwhelmed by systematic release of screwworm flies which have been sterilized by irradiation.

## CARD OF THANKS

I wish to take this means to express my appreciation and thanks to everyone who showed me kindnesses during my recent illnesses while I was in the hospital.

I especially wish to thank Dr. McDaniel and the entire staff of nurses for their outstanding care for me during my illness.  
Respectfully,  
V. P. Byrne

## Silver News

By Mrs. George Fugate

Miss Sandra Clifton, daughter of Mr. and Mrs. John Clifton, has been hired as receptionist at Sun Production office. Sandra has been attending Texas Tech.

College students home between semesters were Bill Newell of El Dorado Junior College in Kansas; Doug Wilkes of Howard County Junior College, Big Spring; and Jimmy Palmer of Texas Tech.

Jerry Whitaker was elected as "Best-all-around" boy at Colorado City High School "Howl Night". This event is sponsored by the Quill and Scroll club.

Absent from school this week, due to illness, were Fredda McCabe, Susan Hughes, Mike Conally, Rhonda Gartman, and Judy Kincaid.

Mrs. Jean Furr is back at her home in Silver. Welcome home, Jean!

All the people of Silver are grieved over the death of Mr. "Doc" Mayo. Our prayers are with Mrs. Mayo and her two sons.

The Silver Methodist MYF and guests enjoyed a skating party Friday night in Robert Lee. Mrs. Charles Green is sponsor of this group.

Mr. and Mrs. Hershel McDonald and Mr. and Mrs. George Fugate attended the annual meeting of the West Texas Girl Scout Council at Sweetwater, Tuesday night.

Watch for the local Brownie and Girl Scout News to be written by Judy Kincaid.

We welcome Mr. and Mrs. Charlie Williams and daughter, Gloria, to our community.

Silver Peak school will be host to a Junior High basketball tournament, Feb. 1, 2, and 3. Schools represented will be Robert Lee, Highland, Water Valley, Silver, Bronte, Sterling City, Loraine and Westbrook.

The Drivers Education students will be taking their drivers test

### NOTICE TO BIDDERS

Notice is hereby given that Coke County will receive sealed bids in the office of the County Judge until 10 o'clock A.M. Monday, February 5, 1962 for the following:

- 1 1962 Chassis-Cab, 2-Ton truck (not less than 133" wheelbase)
- 8 Cylinder Motor
- 4 825 x 20, 10 ply rear tires with tubes
- 2 825 x 20, front tires with tubes, 10 ply
- 2-Speed rear axle
- Heavy duty springs, front and rear
- Heavy duty wheels, 7½"
- Heavy duty broke booster
- Heavy duty Oil Filter
- Oil bath air cleaner
- Recirculating heater
- Side mirror
- Heavy duty 2½ core radiator
- Reflectors, lights and turn signals

Coke County has for trade-in: 1 Used 1954 8-Cylinder Ford truck, that may be inspected by contacting the Commissioner of Precinct No. 1, Robert Lee, Texas.

The County reserves the right to reject any or all bids and waive any technicality.

Weldon Fikes, County Auditor  
Coke County, Texas

Now-  
Ford frees you forever  
from the expense and bother  
of frequent car servicing.  
Twice-a-year maintenance is here-  
and only the cars from Ford  
have it!

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; some every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

When you own a '62 Galaxie or

Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing

engine coolant-antifreeze. Brakes adjust themselves.

Why buy a service headache when Ford is ready with the cure? See your Ford Dealer—and see how close Ford has come to the fill-it-and-forget-it car!

Features of the future...now!

Galaxie & FAIRLANE by FORD

## Your County Agents Report

### Home Demonstration

By FAY C. ROE

The shower for the Ed Lindsey family on Friday night was attended by a good crowd. Many nice gifts were received by the family.

Mrs. Lindsey is a member of the Robert Lee Home Demonstration Club.

The Robert Lee, Friendship and Green Mountain HD Clubs were hostesses for the shower. These ladies did a fine job and for such a worthy cause.

I want to pass on to you a very good recipe—this is a quickie roll recipe, which I think is an excellent one. This is Mrs. C. E. Arrott's recipe. Mrs. Arrott lives between Bronte and Tennyson and is a member of the Bronte Sr. HD Club.

### SNOW BISCUITS

2 cups sifted flour  
1½ tsp. sugar  
½ tsp. salt  
1 yeast cake  
1 cup lukewarm water  
2 tbsps. melted shortening.

Sift flour, sugar, salt together. Dissolve yeast in warm water. Add to dry ingredients. Add shortening. Dough will be soft. Turn onto floured tin. Let rise until double in size, about ½ hour. Bake in oven at 425 degrees F. for 20 minutes. Yield 16 to 24.

Mrs. Joe McCutchen is another housewife who is doing a nice job with a group of 4-H girls. She is leader for Foods Unit I. The girls in her group are Bennie Oglesby, Nancy Richards, Janet Lee, Jeanne Vinson and Sharon McCutchen. These girls are members of the Bronte 4-H Club.

Mrs. Ralph Walker, Robert Lee, another interested leader, has completed work with her group in Foods Unit I. These girls are: Sharon Walker, Sue Perci-full, Elaine Fikes, Robbie Smith and Nancy Trimble.

### Agriculture News

By STERLING LINDSEY

Turney Sparks had a close call with an apparent rabid bob cat. The animal gave enough warning, however, that Mr. Sparks was able to find protection. He shot the cat before it was able to do any damage or get away.

Several dozen named cotton varieties are offered for sale in Texas, and the cotton producer's success may be greatly influenced by the variety he selects.

To provide the producer with information that will help him make the best choice, the Texas Agricultural Experiment Station has been actively engaged in the testing of cotton varieties for the past 60 years. A recently released bulletin, the fourth in a series of 3-year summaries, summarizes the data obtained from tests conducted during 1957-59.

Because of the great diversity of soil types, climate and production practices in Texas, variety test sites have been established in practically all land resource areas of the state. The entries included in the various tests differed from year to year, although certain designated varieties were included in all years to provide a consistent basis for comparison.

Data reported in the new bulletin, B-983, "Performance of Cotton Varieties in Texas," include yield of lint per acre, lint percentage, boll size, staple length and fiber fineness.

In order to present a comprehensive summary of varietal performance, the data have been summarized for various cotton production areas in Texas. These areas are closely related to the land resource areas of the state, although certain production areas have been combined. The area summaries given include only those varieties which were grown at all locations.

If you would like a copy of the

bulletin, drop by the office or call for one.

The four-row limitation on "skip-row" planting will not apply to the 1962 cotton crop, according to an announcement by Secretary of Agriculture Orville L. Freeman.

Under regulations for 1961 and earlier crops, skip-row cotton planting was permitted provided the skips left idle or planted to other crops were equal in width to the four rows of cotton. If the skip rows were any narrower, the entire acreage was counted as planted to cotton for acreage allotment and marketing quota purposes. Under this arrangement many growers planted a four-and-four pattern—four rows to cotton and four left idle or planted to other crops.

The change, Secretary Freeman said, will provide the cotton grower with more latitude in planning and carrying out his operations. Under the new system, only land actually planted to cotton will be counted as cotton land in determining compliance with acreage allotments and marketing quotas. Each grower will determine for himself the pattern best suited to his operation. It is expected that many will shift to a two-and-two pattern, that is two rows of cotton and two rows left idle or planted in other crops.

The decision to end limitations on the skip-row planting is in line with recommendations of the Cotton Advisory Committee and many members of the cotton industry, USDA officials said, and is expected to result in improved income for cotton growers through increased efficiency in production.

The January 2 announcement applies only to cotton and does not change skip-row determinations in effect for other crops. Details on the new regulations are available at local ASC committee offices.

The following individuals and business firms contributed to the sale held at the County Stock Show on January 8. Their contribution was greatly appreciated by all concerned with the show and sale.

## Class of '48 Holds 1st Reunion

By Jessie N. Yarbrough

A congenial and jolly crowd of fifty five attended the Reunion of the Robert Lee High School Class of 1948, at the Coke County Park Recreation Building in Robert Lee, Saturday night. Included were fourteen members of the class and their families and invited guests. Many could not attend because of distance, illness, and bad weather.

Everett Hale of Sherwood, Oregon, who had been visiting in his home town the previous few weeks, developed a yen to see and visit with his old classmates and conceived the idea of a quicky reunion. Vaughan Davis, Dale Brown and Everett formed the committee for arrangements. Class members were contacted.

Those in attendance greatly enjoyed visiting and getting acquainted with the families of each other. They especially enjoyed looking over old school annuals and recalling the pranks of their school days and reliving, in memory, their senior trip to San Antonio, Galveston, Austin, Longhorn Cavern, and Buchanan Dam when they were accompanied by Mrs. Bryan Yarbrough, Bob L. Davis, A. J. Hudson, with Ell Higgins driving the bus.

Invited guests in attendance were Mr. and Mrs. A. J. "Jiggs" Hudson and daughter Martha of Hereford and Mrs. Jessie N. Yarbrough.

Invited guests who were unable to attend included Ell Higgins, Bryan Yarbrough and Bob L. Davis. Bob L. came down from Hereford, but was called home Friday.

The class held a short business session for the purpose of organizing for a future meeting at sometime during the summer of 1963. Officers elected were Vaughan Davis, President; Arlyn Simpson, Vice-President; Mrs. J. W. Service Jr., Secretary-Treasurer.

Class members and families in attendance included:

Mr. and Mrs. Arlyn Simpson, Mr. and Mrs. James Jackson, Mr. and Mrs. Charles Fowler and Dellwyn, Larry, Rieke, Chira, Danny and Evana, San Angelo; Mr. and Mrs. Boyd Copple and Sue, Ronnie, Margaret, and Sheila, Post; Mr. and Mrs. Preston Ross and daughters Polly and Kelly, Midland; Mr. and Mrs. Bill Lassiter, Dallas; Paul Burns, Silver; Bobby Hatley, Ballinger;

Mr. and Mrs. Dale Brown, Mr. and Mrs. Vaughan Davis, Sherill and Waid, Mr. and Mrs. J. W. Service, Jr., Kathy, Johnny, Jay Lyn, Konny and Kaylan, Mr. and Mrs. Ralph Walker, Loretta, Susie and Pam, Mr. and Mrs. Bobby Baker, Dianne and Cheri Dean, Mrs. Ray Shandley and daughter Beverly, Mrs. Howard Varnadore, all of Robert Lee.

All present expressed their thanks and appreciation to Everett, Dale and Vaughan for conceiving and implementing the reunion idea. They expressed re-

## Political Announcements

This newspaper has been authorized to announce the following candidates for the offices indicated, subject to action of the Democratic Primary, May 5, 1962.

## J. W. Mendel Is Appointed Dallas District Sales Mgr.

Dearborn, Mich.—The appointment of Jack W. Mendel as sales manager for the Dallas District of Ford Division of Ford Motor Company was announced today by O. F. Yando, general sales manager.

He succeeds Walter J. Corbett, who has been named sales manager of the Lansing (Mich.) District. Mr. Corbett headed the Dallas District since March, 1958.

Mr. Mendel, a former New York Yankees football player, had been sales manager of the division's Newark (N. J.) District. He joined Ford in September, 1948, at the Buffalo (N. Y.) District sales office, where he was

general field manager and assistant sales manager before being named sales manager of the Newark District in April, 1960.

A native of Buffalo, Mr. Mendel studied engineering at Tulsa University and earned his degree in Business Administration from Canisius College, Buffalo.

As manager of the Dallas District, he will direct Ford Division sales activities in North and West Texas. The territory is served by 196 dealers. Headquarters of the district sales office is at the Ford parts depot, 521 N. Industrial Blvd., Dallas.

Miss LaVina Marie McDaniel  
ENGAGEMENT ANNOUNCED

Dr. and Mrs. J. D. McDaniel are announcing the engagement of their daughter, LaVina Marie, to John Douglas Walker, son of J. B. Walker, Jr. of Silver and Mrs. W. R. Russell of Colorado City, Texas.

The betrothed couple graduated from Robert Lee High School. Miss McDaniel attended San Angelo College one year and Mr. Walker is a sophomore student at SAC where he is a member of the Speleological Society. He plans to attend the University of Texas following his graduation from the San Angelo College.

The wedding date is tentatively set for June 2.

**WESTERN DAY HELD AT ROBERT LEE SCHOOL**

The F. H. A. sponsored a Western Day assembly program in the school auditorium on Friday, January 5, 1962. All grades participated in the program, with special talent numbers from each of the first six grades. The high school presented two Western skits. Barbara Gray was Mistress of Ceremonies. The following students took part in the program: Anne White, Frankie Millican, Carol Hester, Jo Alice Evans, Taylor Jones, Royce Hood, John Kinsey, Don Ellis, Clark Godwin, Phil Lowder, Jimmy Caraway, Curtis Higginbotham, Tommy Allen, and Prescilla Wylie.

The nominees from the Jr. High and High School for best dressed on Western Day were: Larry Casey, Melinda Percifull, Barbara Blaylock, Doyle Robertson, Charlotte Smith, Bobby Blaylock, Sheila Roe, Shirley Roe, Terry Thetford, Anne White, Ann Carwile, Clark Godwin, Jimmy Caraway, Don Ellis, Barbara Gray, Kay Wink, and John Kinsey. The winners were Anne White and Doyle Robertson.

Special numbers included the Twist by Eddie Parker and Shirley Roe, a trio, Elwanda Sparks, Leta Robertson, and Edith Ruth McGinley, singing "I'm an Old Cowhand," Jimmy Caraway and Tommy Allen presented a short skit, and Barbara Gray sang, "Moon River."

**CHANGES IN ROBERT LEE SCHOOL SCHEDULE**

Due to cold weather, school was dismissed Thursday, and the last day of final examinations was Monday, January 15. School was dismissed both days of final examinations at 2:30, as is custom throughout Texas schools, because of the one and one-half hour examination periods.

The end of the first semester will bring a few changes in courses at the school. English composition and grammar will be taught instead of English literature, and Civics will be taught instead of Texas History. The Vocational Home Economics girls will begin their unit on sewing, after having completed their unit in foods the first semester.

**2 Local Baptists Named to Leadership Positions**

Two Robert Lee Baptists have been named to leadership positions in the churches phase of the Texas Baptist Crusade for Christian Education. They are Rev. Robin L. Guess, Pastor Chairman for Runnels Association; and Weldon Fikes, Layman Chairman for Runnels Association.

The leadership for each of the 17 Baptist districts in the state is the responsibility of a pastor, layman, and woman co-chairman. Each of the 122 associations have a set of similar officers. Together these district and associational chairmen are responsible for the carrying out of the crusade program.

The purpose of the crusade is to strengthen the denomination's schools by encouraging more Baptist students to attend Baptist colleges, to participate in the Baptist Student Union at whatever college they might attend, and to consider prayerfully church related vocations as careers and by raising \$28 million for buildings and equipment on Baptist campuses.
