CRMWD Aims To Start A Dam In 1965

30,000 Ways to Earn a Living, Students Are Told at Career Day in Robert Lee

"There are 30,000 ways to earn a living in the United States today, somewhere there is one for you. The problem you have to face is how to find it. You need to open your eyes and look. No one can find it with eyes closed," said Mr. Frank Sheppard in the Career Day Program held Thursday in the Robert Lee School.

Sheppard said "the decision you as students have to make are:

"To get acquainted with yourself by finding what you can do best, what is challenging.

"Make your own measuring

Burial Here Tuesday For Mrs. Cora Ligon, Former RL Resident

Mrs. Cora Ligon, who moved from Robert Lee to Rankin about 30 years ago, was buried in Robert Lee Cemetery following funeral services conducted by the Rev. Dempsey Salter at Robert Lee Methodist church Tuesday afternoon.

Mrs. Ligon died in Andrews at 10:00 a.m. Monday, April 1, at the age of 78.

Daughter of the late Mr. and Mrs. J. F. Hester, she was born in Brown County May 27, 1884. She was a member of the Methodist Church.

Surviving are a son, Lee Ligon of Odessa; two daughters, Mrs. Leta Mae Bangeman of Crane, and Mrs. Bessie Ruth Hale of Rankin; two brothers, George Hester of San Angelo and Young Hester of California; two sisters, Mrs. Eva Moore of San Angelo and Mrs. Armanda Martin of Chico, California; 11 grandchildren and 8 great grandchildren.

Pallbearers were Frank Absher, Mike Hughes L. Z. Titsworth of Rankin; Murry Cannon, Joe Mitchell, W. T. Henderson Jr. of Odessa.

JUNIOR CANDIDATES

Lynn White and Mary Beth Walker are Junior class candidates for High School Festival King and Queen.

stick using goals, abilities, and what parents think

"Gather information or investigate.

"Summarize and compare.

"Make tentative choice.

"Get a taste or try the type work for awhile.

Plan ahead with a systematic plan. Choose college and plan now for housing."

High school students from Robert Lee, Bronte and Silver totaling 157 attended the County wide Career Program. Others attending were teachers, Home Demonstration members and consultants.

The morning session held in the High School auditorium with Mr. Douglas Dean as master of ceremonies, consisted of presentations by Sheppard, L. W. Keilers, Texas Employment office, San Angelo; Oscar Dorsey, science instructor, San Angelo College; John E. Robbins, General Telephone Company, San Angelo.

Others appearing on the program were Rev. Dempsey Salter, pastor Robert Lee Methodist church, Mrs. Frank Coalson, Marion Fikes, LaJan Kiker, Weldon Broussard, Ida Lee Parker, and Kathy Lawson.

"Planning for Military Service" was presented to boys by Petty Officer First Class E. N. Mitchell and Chief Petty Officer O'Keefe, United States Navy, San Angelo.

The afternoon session was devoted to four "free choice" sessions with consultants. Each student attended these sessions. Consultants devoted the periods to the description of jobs in their area fields, the importance of the field, necessary educational preparation needed, special abilities, income expectations, advantages and disadvantages of jobs in area and opportunity locations. Each consultant allowed time for personal questions.

Consultants who attended were: Major Bert Spaulding, USAF, Dyess AFB, Abilene; E. N. Mitchell, Petty Officer first class, Richard O'Keefe, Chief Petty officer, both of U. S. Navy, San Angelo.

Community Choir In Pre-Easter Program At Baptist Church

There will be a community-wide Pre-Easter Music Program Sunday night, April 17, at 7:30 at the Robert Lee Baptist Church. The 35 voice adult choir is made up of singers from the various churches of Robert Lee and vicinity. There will be an intermediate Choir also.

There will be solos, duets and choir numbers. Most of the music will be familiar hymns of the faith. Mrs. Jeff Dean is in charge of this Pre-Easter Music Program. The public is cordially invited to attend.

Jerome Hanna, 11, son of Mrs. Ava Lou Hanna has been hospitalized with a broken foot. While playing at the park, running, his foot caught in a hole and was broken across the instep. It was to be put in a cast Tuesday.

Robert Lee Steers Win Fourth Place In 1963 Cactus Relays Meet at Iraan

The class B Robert Lee Steers weathered tough competition from top B, A and AA schools Saturday to emerge with 53 points and 4th place in the annual Cactus Relays at Iraan. Three class A teams were ahead of the Steers in total points. These were Marfa, Eldorado and host Iraan.

Derwood Coalson, local hurdle champ, emerged with two firsts and a new low hurdle record of 20.2 seconds. Coalson's high hurdle winning time was 15.6 seconds. He also placed fourth in the broad jump and ran a fine

Spring Festival All Set To Begin At 5 Saturday, April 6

The Robert Lee Parent-Teachers Association is sponsoring the Spring Festival, with talent show in connection, Saturday this week, April 6.

Proceeds are to be put with the \$1,000 raised last year for installing air conditioners in the Robert Lee school. Posters over town announce the fun events.

Everyone who has talent in anything is invited to enter the talent show, with Mrs. Jeff Dean, Mrs. John Malone, and Mrs. Sam Powell in charge.

The Festival begins at 5 p.m. and runs until 8:00.

After careful investigation, the P-TA voted last fall to undertake this project, after consulting with the school board. Plans are to raise the money without asking the school board for school funds.

School king and queen will be crowned.

Mrs. W. E. Jacoby, P-TA president and recording secretary of the District 16, attended a district conference at Lamesa, with 115 present from over the district.

Raymond McGallion and family from Fort Worth were recent visitors with his parents, Mr. and Mrs. Sam McGallion. He is an IBM man with Pangburns — operates one of these complicated business machines.

O. H. Ivey of Big Spring, assistant manager of the Colorado River Municipal Water District, told the Robert Lee Observer in a telephone conversation early this week that the district definitely will build a dam on the Colorado River.

It is to be financed by revenue bonds, without recourse to other government agencies. Two sites are under consideration — one about five miles up the river from Robert Lee, and one about 20 miles upriver. Surveyors have

BRUCE CLIFT RECOVERING FROM MAJOR OPERATION

W. B. (Bruce) Clift was up but said he wasn't too much about early this week, after illness, hospitalization and major surgery that has kept him confined to hospital and home since early January.

It will be six months to a year, Mr. Clift said, according to doctor's instructions before he can take on full duty again.

been examining these sites lately. "We have 1965 in mind to start moving dirt," Mr. Ivey said, with around 18 months after that to complete. The CRMWD has around \$50,000,000 dollars worth of assets and the bonds are to be paid out of revenue from the sale of the water.

"We have no thought of competition with the Upper Colorado River Authority, but are ready to cooperate with them and with the people of Robert Lee."

Asked if it might be possible, as a temporary measure to tie Robert Lee into the line being built into the oil fields, Mr. Ivey said that to bring enough water from Lake Thomas to supply Robert Lee would require building more booster stations. Only one station is to bring the water from the lake all the way to Silver.

There will be times, Mr. Ivey said, when there will be brackish water in the line, and times when it will be Lake Thomas water, 99% free of salt.

The line being built is 24 inch down to 3 miles east of Highway 80, and is to be 18 inches from there on to Silver.

The Municipal district is bringing the water from Lake Thomas to a spot southwest of Silver, where it is to be taken by Sun Oil Company to the wells they operate.

Robert Lee Wins 1-Act Play Contest

The Robert Lee High School production, "Afterwards," won the 74-B One-Act Play contest over entries by Bronte, Miles, and Christoval.

Derwood Coalson and Linda Jacoby won supporting acting awards for their portrayals. Other cast members were Phil Lowder, Anne White, Rusty Dodson, Mike Malone, and stage manager Clark Godwin. Godwin was assisted with stage props by Bobby Blaylock. Beverley Higginbotham and Ann Carville assisted Director Garland Davis with cast make-up.

The play will next be presented at the Region VI-B contest in Odessa, April 18.

The play will next be presented at the Region VI-B contest in Odessa, April 18.

School Trustees To Be Elected Saturday

School trustees election will be held at Silver and at Robert Lee Saturday, this week. The polls will open at 8:00 o'clock at the tax office downtown in Robert Lee, where there are six names entered as candidates to fill two places on the board.

At Silver only one name is on the ballot, but two are to be elected, according to Guy Wheeler, superintendent, making it necessary for voters to write in one additional name.

SAM POWELL CRITICALLY ILL AT HOSPITAL HERE

As the Observer goes to press, Sam Powell, Robert Lee ranchman, was critically ill in Coke Memorial Hospital. He suffered a stroke early Wednesday morning, March 27.

When Mrs. Powell, teacher in Robert Lee Schools, awoke Wednesday morning of last week she found him helpless in bed, from the stroke suffered during the night.

SCOUTS TOUR OAK CREEK PLANT

PICTURED on the front steps of the Oak Creek WTU plant, the Scout party are, from left to right, the front row just inside the railing: Larry Bell, Linzy Wagley, Ronnie Devoll, Larry Brock, Ronnie Varnadore, Randy Hall, Jimmy Varnadore, Donnie Devoll, Lyn Shandley, Larry Casey. In front of the rail is Cookie, daughter of Scoutmaster Hinnard. Back row, left to right is Ray Shandley, Gene Hinnard, Roy Ivey, Gary Sam Williams, Glen Roach, Gary Parker, Tooter Fields, with Joe Ward of WTU.

Launderama Last Thursday Draws Crowd

By FAY C. ROE

"Each garment receives personal care when it goes to the dry cleaners; each garment is checked for spots, rips, tears, broken zippers; it is mended, cleaned, sized, pressed, rechecked for all the things mentioned, buttons, trimmings, etc. replaced, sacked and then is ready for the customer" said Mrs. Cecil Kemp, who appeared on the Care of Clothing Launderama held in Bronte West Texas Utilities office last Thursday.

Mrs. Kemp, who with her husband own and operate Kemp Cleaners in Bronte, appeared on the program with Mrs. Abbie Andrews, home economist for Frigidare Corporation, Mrs. Fay C. Roe, home demonstration agent, Mrs. Ruth Clappitt of the Baling West Texas Utilities office, and members of Bronte homemaking classes.

Misses Judy Lee and Jan Wilkins demonstrated the use of tincture of green soap to test the hardness of water. The soap was dropped into one ounce of water, drop at a time. When enough soap was added to cause one-fourth inch of foam to stand for five minutes, the grains hardness was calculated. The girls gave the formula, the number of drops of soap added, divided by two will equal the grains hardness. Mrs. Andrews suggested the use of a water softener or of various conditioners on the market to help bring the water supply near the average of 7-10 grains hardness. She also discussed detergents, softeners, bleaches, starches and

laundry equipment.

Mrs. Roe told of the many fabrics on the market today and showed samples of man-made and natural fibers and materials. Several garments fashioned from "today's fabric" were shown.

About 75 persons attended the Launderama presented by the Family Living Committee of the Coke County Program Building Committee.

Refreshments were served by West Texas Utilities.

While we've been having a pre-Easter summer weather has been cutting up in March all over the country, with some of the worst blizzards of the year in the north.

Farm Bureau Directors Have Meeting at Bronte

The quarterly meeting of directors of the Coke County Farm Bureau was held Tuesday night in the Fellowship hall of First Methodist Church in Bronte. Wives of directors were guests at the dinner and business session which followed.

A discussion of the proposed wheat control program was led by President Ben Boykin. He explained that the Farm Bureau is not opposed to those agricultural programs which are controlled by Congress and voted on by farmers and ranchmen themselves. However, it is opposed to any measures which will further remove control of agriculture from the hands of farmers themselves and turn it over to governmental bureaus.

Boykin brought out in the discussion that Farm Bureau has consistently favored such measures as Rural Electrification, Farm Home Administration, Commodity Credit Corporation loans etc., but has just as consistently opposed any measure which would control any segment of American industry in the hands of the federal government.

A number of meetings are being held throughout the state to discuss and explain to farmers the full implications of the coming wheat referendum. The organization feels that the Department of Agriculture has presented a biased picture of the effects, pro and con, if farmers vote down this measure.

It was also brought out at the meeting that Farm Bureau is also opposed to federal aid and subsequent control of the local educational systems of the country.

A district meeting will be held Thursday, April 4, at the Farm Bureau building in Big Spring. The president and several directors plan to attend.

Unusual Concert Set by Silver Band For April 4th

George Corse, the new band director at Silver Junior High School, has a band that includes six guitars, a banjo and four melodicas. Corse also uses the piano with the band, which he plays himself.

All this, and the fact that Mr. Corse writes most of his own arrangements, gives the band a different sound from the ordinary school band. Corse stresses what he calls "sweetness with rhythm."

There will be one or two marches such as "Colonel Bogie" but the concert will include a wide variety of music types from light classics to "hillbilly" featuring such tunes as "To a Wild Rose," MacDowell, "Wabash Blues," "Peg O My Heart," "Blue Moon," "Do You Ever Think of Me?," "Catch a Falling Star," "Have I Told You Lately That I Love You," etc.

The melodica is a new wind instrument recently invented in Western Germany. It is a reed instrument with keys like a piano and is so easily blown that no special training or embouchure development is necessary to sound the notes. Besides playing single notes the performer can also play double stops and full chords, which cannot be done on any other band instrument. The cost is very low, less than \$10.00 each for the soprano model.

Corse is very enthusiastic about the melodica and believes it will eventually revolutionize music teaching in the schools.

Every music lover in the area has a cordial invitation to attend this unusual concert at Silver Junior High School next Thursday night, April 4, at 7:30 p.m.

The Observer, Robert Lee, Texas

April 4, 1963

FAMILY UNITY TOPIC FOR F. H. A. MEETING

The members of the Robert Lee F.H.A. Chapter met for their regular meeting Tuesday, March 26th at 2:45. Weldon Fikes presented the program, "Family Unity," stressing the importance of the activities and the attitudes of each individual in the family. High morals and Christian standards were also emphasized.

Carolyn Parker, degree chairman reported the high point girls with Kay Havins ranking first followed by Mary Wojtek and Linda Heuvel tied for second. Linda Jacoby was high point freshman girl.

Refreshments were served by Sharon Faught, Rosalind Bradham, Jeanette Higginbotham, and Diane Samuelson.

The modern school finds plenty for a teacher to do, especially if he is part time coach, but Garland Davis finds the time over the weekend to write the athletic news for Robert Lee High High School.

With very little editing, his articles have been printed as regular news in the Observer since back in the football season.

Sportswear for Spring arriving daily at Roach's.

Ponds Are Ready For Spring Rains

When that next running rain comes in April or May, Coke County will have tubs out in the form of 1,348 acre feet of small farm and ranch ponds—337 of them engineered by the Soil Conservation Service.

This is in addition to the large structures on the Kickapoo Creek watershed, and were built on a 50-50 basis by the owners and the government.

Part of them were aided through the ASC office headed by J. E. Quisenberry, and the other through the Great Plains Conservation Program.

695,945 cubic feet of diversion structures have been built to protect crop land, divert water into ponds, or into spreading systems. Despite the fact that there has not been a general running rain in two years, the majority of these ponds have some water in them.

Life can't give you joy
Unless you really will it;
Life just gives you time and space
Its up to you to fill it.

Our Home Circle

By FAY C. ROE

I had a nice visit last week with Mrs. T. C. Berry of Tennyson. The family moved to the county recently from Hood County. Mrs. Berry is a trained 4-H leader and is now working with her nine year old daughter in Foods I. She plans to continue to work with 4-Hers and hopes to join an H.D. Club soon. The Berry's have a son, Johnny, who also is a 4-Her. We are so happy to have the Berry family in our midst.

The re-upholstery workshop came to an end Tuesday. This was a very enjoyable workshop and an educational one. Ladies who attended were Mmes. Royce Smith, Glenn Waldrop, Fred McCabe, Floyd Harmon, J. C. Boatright, Mack Cotten, Raymond Patton, C. E. Arrott, Noah Pruitt, Jr., Eddie Alexander, Douglas

Ditmore, R. E. Cumbie and W. W. Ivey. Miss Ollie Chenoweth, Balingier, assisted me with the workshop. A number of persons dropped in throughout the workshop for visits and questions. We were glad to have them.

I have had the pleasure of eating in the lunchrooms in the Bronte and Robert Lee schools recently. The meals have been very delicious and also nutritionally balanced.

Schedule:

Wednesday, April 3 — Office.
Thursday, April 4 — Office.
Friday, April 5 — A.M., Conference with Mrs. R. L. Page. P.M. Office.
Monday, April 8 — San Angelo Home Demonstration Agents meeting.
Tuesday, April 9 — H. D. Council.

IT MUST BE THE WEATHER

Silver All Around The Peak

By MRS. GEORGE FUGATE

Sunrise Easter Service

A special sunrise service Easter Sunday morning is being planned by the Intermediate and Young people's classes of the Silver Methodist church.

The service, scheduled for 5:30 a.m. will be held on the mountain behind the Tubb lease. A cross will be erected on the mountain to help mark the way.

Rev. Howard Johnson, pastor of the Methodist church will bring the Easter message.

Sponsors for the youth groups are Mrs. George Fugate and Miss Sandra Clifton.

These young people extend a cordial invitation to all the residents of Silver to join with them in the observance of the Resurrection of Our Lord on this Easter morn.

Births: Mr. and Mrs. Glen Wilkes are the parents of a baby daughter, Linda Ruth, born March 26th in Crowley, La.

The Wilkes are employed by Union Texas Natural Gas Dept. at Winnie, Tex. The Wilkes have a two year old son.

Paternal grandparents are Mr. and Mrs. C. T. Wilkes of Silver.

Attend District Conference

Mrs. J. E. Herford and Mrs. L. P. Feaster attended the 16th District P.T.A. conference in Lamesa Sat, March 30th.

Theme for the conference was "Our American Heritage." Speaker was State Vice-President, Mrs. B. O. James.

Mrs. Herford and Mrs. Feaster attended the workshop for President and Parliamentarian, which are their 63-64 offices in the Silver School P.T.A.

Brownie Day at Boothe Oaks

The Brownie Troop of Silver toured Camp Boothe Oaks, Sat. March 30, at Sweetwater. Those sponsoring the trip were Mmes. H. G. White, Zeddie Beal, Luther Foalsom, V. M. Duncan and J. L. Weatherbee.

Senior Scouts Judy Kincaid, Fredda McCabe and Karen Fugate and Intermediates Debbie Hines and Cynthia Davis served as camp guides for the many Brown-

ies who attended Boothe Oaks.

Larry Paul — 3rd, 220 yd. dash.

Mr. and Mrs. H. W. Keener spent the weekend in Laverne, Okla. visiting their daughter and family, Mr. and Mrs. Clinton Her-ring, Blane and Dena.

Mr. and Mrs. D. H. Caldwell recently returned from vacation, visiting their daughters and families, Mr. and Mrs. Dave McKin-non of Mesquite and Mr. and Mrs. Robert Teague of Irving. The Caldwells also visited relatives in Ladonia, Bonham and Dallas.

Mrs. Perry Post is a medical patient at St. John's Hospital in San Angelo. Mrs. Athea Wood, Mrs. Post's sister of Monroe, La., is now visiting in the Post home to be with her sister.

The Fred Beatys visited with their daughter and son-in-law, Mr. and Mrs. Jimmy Crowder of Mid-land. Miss Becky Beaty, of Snyder, returned home with the Beatys.

Mrs. Annie Moore and daughters, Darla and Laura, of Monroe, La. spent a few days with Mr. and Mrs. W. E. Moore. The grand-daughters remained for a visit with the Moores.

PFC Troy Walls of Killeen was a weekend guest of his sister and family, Mr. and Mrs. Arch Mat-thers.

Mrs. M. L. Baker is a patient at the Root Memorial Hospital in Colorado City.

Mr. and Mrs. Don Bumpass and son of San Angelo were week-end guests of her parents, Mr. and Mrs. Ples Ferrell.

Billy Paul, son of Mr. and Mrs. W. W. Paul, and Eddie Parker spent the weekend in Merkel with Eddie's parents, the Glen Parkers.

Countryside

By STERLING LINDSEY

I received a report from the State Department of Public Health showing that 35 cases of rabies were found by laboratory examination last month (February) in Texas. Also, 302 heads were examined that were negative.

Skunks were the leading carriers among the 35 cases with 13 positive for rabies. Dogs were second with 12. Seven cases were found among fox and three in cattle.

Cameron County lead among counties having rabies with six cases — all in dogs. Next came Irion and Kimble counties with three cases each.

The screwworm cases reported week before last dropped to 12. There were 15 cases the previous week. Most of the cases were found in the Valley, and South Texas, but one case was found in Kinney County, near Brackettville. You will recall Kinney County had one case of screwworms week before last also. The control authorities have "Hot Spotted" that area and are seeding it with sterile flies. They do not

The Observer, Robert Lee, Texas

April 4, 1963

intend for an outbreak to occur there.

I had an interesting conversation with Oscar Dorsey the other day. He is a former teacher at Bronte and now teaches in San Angelo College. He is an avid fox hunter and usually does his hunting in Coke County. He said that on a good night he and his party will get 20-25 fox. He said he could never recall killing a red fox however. They will not come close enough to be spotted.

REAL ESTATE FOR SALE

626 acres, good improvements, plenty water, 80 acres in cultivation, some minerals. Few miles from town on paved highway. \$100 acre.

287 acres 11 miles southeast of Bronte. No buildings, good well and windmill, best farm land and good allotments for cotton, wheat and maize. Half minerals. \$130 acre.

160 acres near Robert Lee, all in pasture. Two good surface tanks, water well and windmill. Good grass cover. Asking \$80 acre and worth it. 90 acres minerals.

160 acres near Blackwell, old buildings. Mostly pasture. Excellent water well and mill. Not overgrazed, immediate possession. One-fourth minerals.

Glad to show any of these places any time. It's pretty dry now, but watch them bloom after the rain comes. When? Well it always has rained!

MODERN RESIDENCE for sale. Less than \$3,000 against 2-bedroom rock home near school house, 2 full lots. Pay \$100 down and take up remaining payments at \$50 per month. Move in tomorrow and stop paying rent.

NEW RESIDENCE for \$8500. The John King house is waiting for some family that wants a new home. It cost \$9500 and you can save \$1,000 by assuming the monthly payments. Let me show you this nice Robert Lee residence close to school.

GOOD BUSINESS OPENING

The store building 3 blocks north of the River Bridge has been completely remodeled and Gulf will set new gas pumps. Previous owners have done well, some of them exceedingly well. We are ready to deal with someone and it won't take a lot of money to get started. See me now if you are interested.

REPORTING THE REPORTER—Ben Oglesby, Bronte Publisher, "covering" the Kickapoo Creek tour recently, was looking over the Rawlings No. 2 site as workmen were digging the trench to lay the "draw down" tube, and Bronte FFA boys in the background inspected the construction, when Bob Gulley snuck up and snapped the unposed newsman. Ben wouldn't print this in the Enterprise—says when he does that he's going to pose.

WASHINGTON CRIME IS DANGER TO VISITORS, CONGRESSMAN SAYS

O. C. Fisher represents this district in Congress. He writes a weekly newsletter to papers in his district.

The facts he gives about Washington D. C. have been mentioned already from time to time in newspapers and magazines.

Washington D.C. is the only city in the United States whose local schools and city government are run by the Federal Government.

By Congressman O. C. Fisher

THE CRIME RATE continues to mount in the District of Columbia. All tourists who visit their Nation's Capital are warned to exercise care and caution while here.

Serious crimes in Washington increased 17.4% in January over a year ago. The number of rapes doubled, robberies almost doubled, and there was a 42.2% jump in housebreakings. This rate of

Three Robert Lee Girls Earn State F. H. A. Award

Three Robert Lee High School girls, Bonnie Quisenberry, Marion Fikes, and Ann Carwile will be awarded the State Future Homemakers Degree of Achievement Award at a meeting in Dallas April 18 to 20.

The State Degree is the highest honor that can be bestowed upon an FHA member. To hold this honor a girl must hold the Junior and Chapter degrees and must submit an application containing an account of her school, community, and F.H.A. activities during high school.

The girl must also maintain a high grade average and submit letters of recommendation. The application is submitted to the Area Home and Family Life Education Supervisor for evaluation and approval.

These three girls are the first from Robert Lee High School to obtain this recognition.

increase is the highest in the Nation. There were 2399 robberies here during the past year, compared with 1433 ten years ago.

THE CONGRESS has provided 4,000 policemen for the District—about all that can be used efficiently, according to the Police Department. A year ago a canine division was added, with trained German police dogs. But despite all this, crime marches on.

Observers attribute this sorry record to the influx of Negroes to the District, the exodus of whites, and the presence here of several very active civil rights agitation organizations. The total Negro population in D.C. is 54.8%. Of all person arrested for serious crimes in the District last year, 84.6% were colored.

The big crime increase became noticeable after school integration was ordered in 1954, and has been increasing gradually since that time. Today 83.4% of all public-school pupils are Negroes.

Of the 4,251 illegitimate births listed by the District in 1961, there were 358 white and 3,893 colored. A large proportion of these were teen-agers. The unwed mothers start drawing monthly welfare checks. That fact is said to account for much of this.

TWO WEEKS AGO, at 5 p.m., a young pregnant woman alighted from a city bus. As she walked toward her nearby home a Negro ex-convict snatched her purse and ran. She pursued, joined by a patrolling police car. After a few blocks, the thief was stopped, but a police club failed to halt him. Finally, as a last resort, a policeman fired his pistol, which killed the robber.

A Court hearing exonerated the policeman, found he was acting in line of duty. But immediately CORE (Committee on Racial Equality) and NAACP, filed intemperate protests, claimed it was murder, with racial overtones.

Both white and right-thinking colored people support law enforcement. But the agitators encourage more crime by protesting police actions such as this.

EASTER HATS, \$2.99 to \$6.99. ROACH'S DRY GOODS.

Cancer Society Has Drive This Week, Mrs. Rudd Chmn.

Mrs. J. O. Rudd is county chairman of the American Cancer Society's campaign for funds to be conducted the first week in April. Guy Wheeler is chairman at Silver, and for the Bronte, Tennyson, Blackwell, Fort Chadbourne area, Mrs. Conda Richards.

Workers named for Robert Lee are Mrs. Frank McCabe, Mrs. Woodie Gardner, Mrs. Betty Ferrell, Mrs. Jerry Thomason, Mrs. Ava Lou Hanna, Mrs. Fred McCabe, Mrs. Juanita Trimble, Mrs. Raymond McCutchen, Mrs. J. R. Haralson, Mrs. Jessie Harmon, Mrs. Jem Percifull, Miss Gladys Waldrop, Mrs. Sue Shoemaker, Mrs. Shirley Peyton, Mrs. Evelyn Flannagan, Mrs. Opal Jacobs, and for Sanco, Mrs. T. E. Pitcock.

Funds collected are used, out of each dollar, 33 cents for research in the causes and cure of cancer, 20 cents for professional education and services, 23 cents for public education, and 11 cents for direct help to patients, 8 cents for literature and other expenses of the campaigns, 5 cents for administration.

Workers who collect funds are all volunteers.

In each community of one thousand, the Cancer Society estimates 4 cases of cancer were under medical care in 1962, one died of cancer, three new cases developed, one would be saved, 250, or one-fourth will develop cancer, and that if the present rate continues, 150 will die of cancer.

Since 1937, uterine cancer in women death rates has been cut 50 per cent, as a result of early diagnosis and treatment, promoted by the Cancer Society.

It has found that deaths from cancer and coronary heart disease are far higher among cigarette smokers than among non-smokers of the same age. Information on the danger signals of cancer is provided by the Society.

CARD OF THANKS

I wish to express my deepest thanks to Dr. McDaniel and all the wonderful nurses and cooks—all the nice flowers and gifts, to all who visited me while I was in the hospital for nine days. God bless you all. Thanks so much. Mrs. Pat Rives.

Heart Fund Quota Reached in County

Contributions of \$317.55 were made to the heart fund during a recent campaign in Robert Lee and the Divide and Water Valley communities. Nine annual memberships in the Texas Heart Association were also reported, four of them at Silver.

Success of the drive was due to the efforts of Mrs. Betty Ferrell, Mrs. Woodrow Gardner, Mrs. J. O. Rudd, Mrs. James Counts, Mrs. Curtis Walker, Mrs. Juanita Trimble, Mrs. Pauline Holland, Mrs. Cumbie Ivey Jr. and Mrs. Melvin Krall.

Coke County is affiliated with the San Angelo District of the Texas Heart Association which maintains a heart clinic that is available to the public at all times.

With donations from Bronte it appears that Coke County has reached its quota of \$500 needed to reach the district's goal of \$25,000 for this year. One-half of the money raised goes to the state organization, while the other half is used to carry on the district program. Sixteen counties comprise the San Angelo district.

Think

On These Things

Romans 15-16.

15 What then? shall we sin, because we are not under the law, but under grace? God forbid.

16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?

Don Rodgers, court reporter, Leo Underdown, head of Court Reporter school, Donald Adams, student court reporter, Allen Talley, geologist with Sun Oil Co., Paul Faulkner, dean of men, Abilene Christian College all of Abilene; Frank Sheppard, Resource Development Specialist for Extension Service, College Station George Corse, music instructor and J. M. Eubanks, Sun Oil Co. engineer, both of Silver.

E. F. Glenn, bank vice president, J. T. Henry, vocational agriculture teacher, Elmer Hurley, pharmacist, and Mrs. Royce Fancher, home economics teacher, all of Bronte.

And Sterling Lindsey and Fay C. Roe, county agents, W. E. Jacoby, Soil Conservation Service; Dr. J. D. McDaniel, Mrs. Bob Bagwell registered nurse, Robert Vaughan, automobile dealer, W. D. McAdams, West Texas Utilities Co., Vaughan Davis, sales and service, Sam Williams, mortician, Mary Mae, Wylie, florist, Hawley Fields, beautician, Frank Dickey, county attorney, Garland Davis, English teacher, all of Robert Lee.

The Career Day was presented in cooperation with Robert Lee, Bronte and Silver schools and the Coke County Extension office. Sterling Lindsey and Mrs. Fay C. Roe, headed the committee on plans.

A timid young lady awoke one night and heard a mouse in her room. First one slipper was fired mouseward, and then the other, but she succeeded in stopping the mouse only a short time.

Terrified, she wondered what to do next. Then she sat up in the bed and meowed.

Income Tax Service

Beginning Jan. 7, I will be in Robert Lee at the Farm Bureau Office Monday and Tuesday, and at Bronte on Fri. and Sat. at my new location at Bronte Motor Co. across from the old post office. Twenty years experience as an income tax accountant handling all types of returns.

O. T. COLVIN, Agent
Ph. 282-2291 Blackwell, Tex.

Ray Roberts Once On Ranch Here, Buried At Tucson

Raymond T. Roberts, son of a Baptist minister, died at the home of his daughter, Mrs. T. J. Harmon, 904 South Magnolia, Tucson, Arizona, March 12, 1963. He was buried March 16, at 4 p.m. beside his recently deceased wife, the former Willie McCabe, in Southlawn Memorial Park, Tucson, Arizona.

Mrs. Roberts died in Tucson on November 14, 1962, preceding her husband by four months. She was a teacher in Coke county in early years.

Mr. Roberts was born March 12, 1890, in Taos, New Mexico, to pioneer parents, who were engaged in the work of the ministry. He grew up on ranches and was once employed by the late John Saul of Coke County.

Later ranch interests were in West Texas around Van Horn and Sierra Blanca, then on the Diamond A in New Mexico, Mexico and Arizona. His last work with this ranch interest was around Bakersfield, California, feeding cattle for market.

Recently he was foreman on an Arizona Ranch near Tucson.

Besides the daughter, Mrs. Harmon, two granddaughters, of the home in Tucson, survive.

Lunchroom Menus

Menus for the week beginning April 8 and ending April 11:

Monday, April 8

Italian spaghetti with cheese, green beans, cole slaw, hot rolls and butter, milk, chocolate chip cookies.

Wednesday, April 10

Hamburgers, buttered corn, lettuce, tomatoes, onions, pickles, potato chips, milk, chocolate and vanilla pudding.

Thursday, April 12

Barbecued chicken, creamed potatoes, combination salad, hot rolls and butter, milk, Easter candy jello.

March Paints The Hill Country Bluebonnet Blue, Red Bud Red

Red bud and buck-eye in bloom look alike from the highway, but one or the other or both all the way to Austin have been in bloom for over two weeks.

Bluebonnets from Brady on grace the shoulders of the road, —corsages God pinned on our fair lady, Texas.

Against the background of green cedars and liveoak of the hill country, these strokes of brilliant color — the red bud bushes, spread spring all over the hills.

MR. AND MRS. VEST SEND MEMORIAL CHECKS TO BE HELD FOR HOSPITAL FUND

Mr. and Mrs. H. C. Vest, writing from Lordsburg, New Mexico, enclose two checks, one for \$25.00 and another for \$12.50 for the hospital, to be held for 90 days to see if a plan for private donations to the hospital materializes.

Their letter arrived a little late for publication this week. One of the checks is in memory of John R. and Malinda E. Vest, the other in memory of Walter W. Thetford Sr., father of Mrs. Vest.

The checks will be returned in 90 days if there is no provision made to accept voluntary donations for hospital building, equipment and endowment.

We believe weekly newspapers, the same as dailies, have a responsibility to take positions at times on public affairs. We do it without any intent to hurt anybody.

But Not Over Five Miles In Any One Stretch Of It

Walking over a mountain pasture, the walker sees some things he'll miss horseback, and a lot he won't see in a pick-up. Take time to trace out the old roads, and take a good look at the cedar that grew up right by the caprock, and the deep gulch where the old road once ran through the gap.

Shinnery is budding and leafing —and did it quicker on top the mountains than on the lower slopes. Mesquites are better leafed on top, too, strange to say.

And right over on the back side of the pasture, on top the mountain, is where the sheep have the grass grazed shortest, farthest from the water and salt!
