FARM BUREAU DIRECTOR TELL LEGISLATIVE GOALS FOR 1965

Directors of Coke County Farm Bureau met in regular monthly session Tuesday night at Robert Lee.

It was voted to order copies of the state newsletter for members of the policy execution committee. This is published weekly by Texas State Farm Bureau while the legislature is in session. The newsletter contains up to date reports on legislation being considered in Austin which affect farmers and ranchers.

A talk was given by Fieldman Edward Cumbie on the duties and

responsibilities of the county Farm Bureau, its committees, directors and officers. Directors said they hoped this outline as given by Cumbie will cause all Farm Bureaus to function more effectively than in the past.

Jan. 14 has been set by the state organization for a legislative conference to be held in Austin. State officials expect to have most of the members of the state legislature as well as U. S. congressmen and senators present, and hope to acquaint them with Farm Bureau's legislative aims. A complete program was outlined for the coming year for the various committees to work on.

Directors voted Tuesday night to have the membership kickoff breakfast on the morning of Feb. 8, followed by a membership drive.

Farm Bureau's stand on farm programs was explained by Cumbie as follows:

Current wheat and feed grain laws would be allowed to expire. There would be enacted a support price on wheat and feed grains. Instead of acreage allotments there would be a cropland retirement program on a temporary and voluntary basis, with the government paying a fair rental on cropland placed in retirement. Producers of all commodities would be free to participate in the land retirement program. One of the primary goals of Farm Bureau's program is to provide farmers the opportunity to use their land, capital and labor for the production of commodities which promise greatest returns and highest net income, Cumbie explained.

Fire Department Appreciates Lack Of Christmas Fires

Calvin Wallace, Fire Chief, for the entire fire department, wishes to express appreciation for the fact that the fire department did not have to answer a single call during the Christmas time.

Mr. Wallace said the greater care people are exercising in regard to Christmas trees and other fires is paying off with fewer holidays marred by fire.

Mrs. Linzy McDorman and her brother and his wife, Mr. and Mrs. Alvin Ellison of Balmorhea, returned home Monday from attending their brother-in-law, Raymond Grimes funeral, at Paul's Valley, Oklahoma.

The 1965 Coke County Livestock Show will be held at the show-barn in Robert Lee on Monday, Jan. 11, with a record number of entries and exhibitors competing for prizes and honors.

A total of 81 FFA and 4-H exhibitors from over the county will exhibit 270 head of selected sheep, swine and cattle. Approximately 220 ribbons and other awards and \$600 in prize money will be awarded winners. Entries expected are 10 steers, 3 heifers, 52 breeding sheep, 48 market swine, 12 breeding swine and 145 fat lambs.

Judging the big 1965 show will be the Truitt Vines, teacher of vocational agriculture at Big Spring, and Louis Bridges, vocational agriculture teacher at Eden.

Vines will judge the fat lamb, swine and cattle shows. Bridges will judge the breeding sheep shows.

Don Fields, Robert Lee, and Wayne Arrott, Bronte, will select showmanship winners. Garland Davis, Robert Lee high school principal, will serve as secretary of the show. James Wells, Stock Show association president from Bronte, will be announcer and Ed Cumbie, district Farm Bureau field man from Bronte, will serve as auctioneer.

Association directors will serve as superintendents of the show and will coordinate events. They are: James Wells, J. B. Arrott, D. K. Glenn, LeDrew Arrott, C. E. McGuire, A. Z. Denman and J. B. Morrow, all of Bronte; T.

E. Pitcock and Nolan Pentecost of Sanco; and Lindy Devoll, Bert Blaylock, J. W. Service, Jr., L. E. Wink, Glenn Waldrop and B. A. Boykin, all of Robert Lee.

The show will follow a tight schedule beginning with the breeding swine at 8:30 a.m. Market hogs will show at 9 a.m., fat lambs at 10 a.m., breeding sheep at 1 p.m. and steers and heifers at 2 p.m.

The auction sale will be held at 3 p.m. Approximately 75 fat lambs and market swine are expected to sell — another record.

Exhibitors will take their animals to the show born Sunday afternoon between 1 and 4 p.m.

Barbecue lunches and refreshments will be available at the community center. The public is invited to see the fine exhibits and view various events of the show.

Exhibitors and their exhibits expected are:

Mountain Creek Golf Course Has Big Holiday Play

The Mountain Creek Golf Course drew the attention of golfers from around this area during the holidays, over 200 making use of the course.

One party, with W. T. McAdams, included Fred Dumas, geologist, from Roswell, New Mexico; Joe Chism, with GMAC; V. L. Wood, with the Frito Company; Earl Mueller, Coca Cola Bottling Company, L. M. Eoff, Winters ranchman and W. T. McAdams Jr. of Wellington.

Sixty people played the course Saturday before Christmas.

MRS. McCABE HOSTS WMU

The W. M. U. met Tuesday, Jan. 5, at the home of Mrs. Fred McCabe for Royal Service. Program President Mrs. Fred McCabe presided. Call to prayer was given by Mrs. Vaughan Davis. Mrs. C. J. Brooks was in charge of the program, "Christ for the Cubans." Also on the program were Mrs. Bill Beaty, Mrs. W. O. Yates, Mrs. J. C. Snead and Mrs. Vaughan Davis. The closing meditation was given by Mrs. Hays Prince. Refreshments of carrot bread, cranberry bread and coffee were served by the hostess.

Mr. and Mrs. Dick Denman (Sandra Baker) are parents of a new son, Michael Wade was born Christmas Eve and weighed 7 lbs., 15 oz. Grandparents are Mr. and Mrs. Cole Denman of San Angelo and Mr. and Mrs. Genie Baker of Robert Lee.

Mr. and Mrs. Denman live in San Angelo where he is employed with a loan co. They have one other child, Melinda Page, 2 years old.

Lake Question May Be Long in Deciding

The battle was on again before the Texas Water Commission with the opening of the hearing Monday. Lawyers representing interests in the Austin area and the lower Colorado River Valley attacked the testimony of engineers for Colorado River Municipal Water District.

A large delegation from the Highland Lakes area was expected during the week, and it was not known how long the hearing will be dragged out, nor how far the opponents will go in fighting the Robert Lee Lake.

It was evident, however, from press reports, that a strong combination of interest was being

brought to bear against it.

During last week the daily press carried an account of the chartering of the Highland Lakes Corporation headed by A. W. Moursund, principal trustee of the Lyndon Johnson business interests, for the development of small businesses in the Highland Lakes Area.

It was also brought out in the Dallas News that Moursund in 1961 bought half interest in a ranch bordering Granite Shoals Lake, and LBJ bought the other half at a quarter of a million dollars each.

Engineers for CRMWD are claiming that the dam here will not hurt property down the river, while a great deal of sentiment has been stirred up in that country against it.

Mr. and Mrs. Gerald Allen and Mr. and Mrs. Cumbie Ivey Jr. attended the hearing at Austin Monday.

At that time it appeared the arguments before the Commission might continue through Thursday.

OLD OFFICERS SWORN IN FOR NEW TERMS

The new officers who began their terms when the oath of office was administered Monday were all "old."

Fern Havins, commissioner of Precinct 1; O. B. Jacobs, County tax assessor-collector; Melvin Childress, sheriff; Frank C. Dickey, county attorney; Floyd Harmon, Commissioner, Precinct 2; and Hiram Brock, Constable of Precinct 2, were sworn in for new terms.

Max Bumgardner To Speak At Football Banquet

San Angelo College Football coach and Athletic Director, Max Bumgardner, has been engaged to speak at the Robert Lee High School Football Banquet Saturday, January 23rd at 7 P.M.

Bumgardner is well known in the football circle and is a very inspirational speaker. He starred at Texas University and played professional football with the Philadelphia Eagles.

The banquet will highlight the Steers 1964 season and 32 boys will be honored.

The entire Community will be invited to purchase tickets to the banquet to show our appreciation to the team for a fine season.

Recalls Founding of Robert Lee 74 Years Ago, Jan. 6

It was 74 years ago Wednesday of this week that Robert Lee was established as the county seat of Coke County in an election Jan. 6, 1891.

People of Hayrick immediately began moving houses here, having been offered a free lot to each of them who would move houses here.

Mrs. Eva Hayley, then Eva Vestal, was at Hayrick at that time and saw the houses going by, each drawn by a six horse team, with women in the houses,

making up beds, and doing the usual housework.

Mrs. Hayley, who now lives in Robert Lee and is in her 85th year, was a little girl then and sat by a picket fence watching the houses go by as the town was moved.

The houses were moved on skids about 18 feet long with front wheels of wagons in front of the house, back wheels just behind it, with six horses hooked to each wagon.

Mrs. Hayley recalls that some of the houses were placed on the

wrong lots by mistake, in the hurry of moving, and had to be moved. Mr. Vestal helped to skid them over.

Logs would be placed under a house to be moved, and as it was rolled over and more logs, some would be taken from behind and placed in front, so that the house was moved on the logs.

The daughter of "Uncle Johnny" Vestal, Mrs. Hayley came to Abilene by ox wagon from Missouri in 1886. He stayed there six months, working in a blacksmith

shop, then moved to a place on Indian Creek, ran a shop there for awhile, then went to Hayrick and established his shop there — on of the first, if not the very first businesses to be established in Coke County.

When the first county court house was burned at Hayrick in 1890, she remembers seeing papers from the court house books scattered like leaves all over town — recalls the children picking them up.

The town of Hayrick was short

on water, and Mr. Vestal wanted to move it to Robert Lee where water could be had from the river. He persuaded a neighbor to go vote while he tended his sheep, a job Mr. Vestal didn't particularly relish. But after the man came back from voting, he apologized and said, "I am sorry, but I decided to vote for it to stay here!"

The first water for the new town was lifted from the river with a pump and was very salty at times, so the water problem was not solved for a long time.

Tape on New Math Program Will Be Shown at Silver

Silver school elementary teachers will select new textbooks on the modern math this year for the 1965-66 school year. The new math program was started two years ago with the 8th grade, by Mr. Don Swinney, Silver math teacher.

The school board authorized the buying of textbooks on the modern math for the 7th, 8th, and 9th grades at that time to be used instead of the traditional state math books.

During the 1963-64 school year, the elementary teachers from grade one through grade six had a self study program under the guidance of Mr. Swinney. They also listened to 5 tapes which were prepared by the Texas Education Agency on the new math program.

At the same time this study program was in progress these teachers were teaching some of the principles of this new math to their classes. This process has been continued this year.

Mr. Swinney will talk to the Silver PTA January 9 about the new Math program, and at the same time a tape about the same subject will be played for the parents and teachers.

All parents are urged to attend this meeting.

Mr. and Mrs. Herman Collins and Mary Esther and Herman, Jr. came from Jackson, Miss., to spend Christmas with the Doodad Davis family.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. *Chevrolet Impala Sport Coupe*

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. *Corvair Corsa Sport Coupe*

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chargaarged! you just don't know what you're missing.

Award Presented Collins Sayner For Soil Conservation

W. R. Carlton of San Angelo, representative of Goodyear Tire and Rubber Company, presented the Goodyear award for outstanding Soil Conservation work to Collins Sayner of Tennyson Tuesday afternoon at the meeting of the Board of Directors of the Coke County Soil Conservation District.

A plaque presented at the meeting cited Mr. Sayner for outstanding work in soil conservation, which has included brush control on his pasture, resting of pasture by using crop land for temporary grazing.

From a number of men named as outstanding, a few are selected to visit the Goodyear farms, at Lichfield, Arizona, and spend several days at Goodyear expense to view soil work that has

been done on these farms.

Directors of Coke County Soil Conservation District planned their work for 1965, in this meeting. They are D. K. Glenn, chairman, J. W. Service, M. C. Hendry, Joe Rawlings, and W. E. Burns.

WCS WITH MRS. SIMPSON

The Woman's Society of Christian Service of First Methodist Church began the New Year with a meeting in the home of Mrs. Marvin B. Simpson, Tuesday morning, Jan. 5.

Mrs. Delbert Shoemaker, W. S. C. S. president, gave the Call to Prayer and introduced the lesson topic, "The New Life Within." Mrs. Garland Davis read the Scripture from John 13:18-27. Mrs. Simpson led a discussion on "Spiritual Renewal."

Two new members, Mrs. Edward Rives and Mrs. Glenn Womack, were welcomed by the group.

*Equal Payment Plan

For WTU residential customers

Now she knows what her electric service charge will be each month. West Texas Utilities Co. estimated her electric bill for one year and divided it into 12 equal even-dollar payments. This cuts down on her bank-stub arithmetic and helps her maintain her budget. She could even have the bank draft plan working with EPP. At the end of the planned time, one year from the month she signed up, her estimated payments will be balanced against actual metered usage. In case of significant changes in usage... due to abnormal weather or a new major appliance or other reasons... adjustments can be made during the year to re-equalize her payments. Be carefree! See WTU and join Equal Payment Plan.
