**GOOD LOOKING KIDS** — Melinda Percifull is the most beautiful girl and Doyle Robertson is the most handsome boy in Robert Lee High School. That was the verdict rendered in an election held recently. Miss Percifull is the daughter of Mr. and Mrs. Will Percifull. She is vice-presi-

dent of the junior class, secretary of the pep squad, assistant basketball manager and a member of FHA. Robertson is the son of Mr. and Mrs. J. B. Robertson, and is a student council representative and a member of the Beta Club.

## Improvements Planned For RL County Park

Definite steps were taken this week to make some improvements at the Robert Lee County Park. Commissioner Fern Havins told members of the BCD Tuesday that an architect has been hired to work

out cost figures on enlarging the recreation hall and making other park improvements.

Some changes in the heating system would be necessary, and purchase of additional land for enlarg-

ing the park is under consideration, the commissioner said. It was also pointed out that some repair work is needed on the Boy Scout building, and plans are being made for construction of a pro shop in connection with the golf course.

Supt. Jimmy Bickley told the BCD members that Lyman Ellis, architect from Austin, was here Monday to look into building needs for the local school. Bickley stated that some improvement and enlargement of facilities is needed and that the need is likely to grow with the influx of new families which is expected to start soon.

The school head pointed out that Robert Lee School has 50 more students than it did ten years ago. He called particular attention to the need for a new library, gymnasium and cafeteria. The superintendent said the needed improvements are only in the talking stage, but that serious thought should be given to present and future needs of the district.

Some discussion was held concerning plans of a number of Silver residents to move to Robert Lee. All reports available seem to agree that Sun Oil Company is making plans to close the camps at Silver. Mayor Robert Vaughan said 15 lots have been sold to Sun employees and some of them are making plans to move here in the near future.

W. D. McAdams announced that a member of the West Texas Chamber of Commerce wants to visit the BCD for the purpose of signing up some members in Coke County. The group voiced approval to extending an invitation.

Eighteen members were present for the meeting.

## Silver Camps To Close

Word was received from a reliable source Wednesday that the Jameson and Tubb Camps for Sun Oil Company employees in the Silver area will be closed.

The information stated that official word from the company's headquarters would be received today (Thursday). A number of Sun employees are already making preparation to move to Robert Lee, having purchased building sites here.

It is expected that some Sun employees will begin looking for new homes in the near future, and total evacuation of the camps will be ordered by the end of June, 1966.

Work started on the Sun homes in 1948 following discovery of oil in the No. 1 Allen Jameson in December, 1946. Since that time the total number of persons employed in the oil industry at Silver has run in excess of 200. Automated production methods and low allowables have cut the number considerably in the past few years.

## Steers Host Loraine At Homecoming Game

Robert Lee Steers will host the Loraine Bulldogs Friday night in their fourth District 8-B football game. The Bulldogs have a one-win and two-losses record in district play, compared to the Steers' 1-1-1 district record.

The Steers got another taste of victory last week when they downed the Trent Gorillas, 13-8, and will be looking for another win this week over the Bulldogs.

**This Week's Schedule**  
Bronte will play at Trent, Jayton will play at Hermleigh, and Robert Lee will host Loraine.

**Last Week's Results**  
Hermleigh walked over Loraine, 26-6; Bronte walloped Jayton 43-8, and Robert Lee downed Trent, 13-8.

## Funeral Services Held in Winters For Mrs. Mapes

Funeral services were held Monday morning in Spill Memorial Chapel in Winters for Mrs. J. M. Mapes. She was 101 years old and was Winters' oldest resident. Mrs. Mapes was also a long time resident of Robert Lee and Coke County, having made her home with her son-in-law and daughter, Mr. and Mrs. A. J. Roe Sr., of Robert Lee.

Mrs. Mapes died at noon Saturday in Merrell Rest Home in Winters where she had lived the past 17 months. The Rev. Mr. Ramsey of Merkel conducted the last rites and burial was in Fairview Cemetery at Winters, under direction of Spill Funeral Home.

Mrs. Mapes was born Eugenia Tucker, the daughter of the late Mr. and Mrs. George Tucker, Dec. 25, 1863, in East Texas. She lived in the Gilmer area until her marriage in 1888 to Jacob Melvin Mapes. They were married in the same house in which Mrs. Mapes was born.

The couple lived in Hopkins County until moving to a farm north of Wingate in 1908. During the next several years they lived

## Homecoming Activity Planned For Weekend

Ex-Students of Robert Lee School are invited to come home this weekend, when a number of special activities are planned to honor them. Social activities, a parade, a pep rally and a football game will be featured on the program.

The festivities will actually get underway tonight (Thursday) when a bonfire is scheduled to get every-

body into the spirit of the next day's activities. The big blaze will be lighted at 7 p.m.

The Beta Club will host a tea for ex-students from 2 to 5 p.m. Plenty of opportunity will be given for visiting and talking over old times.

Pre-game activities will begin at 5 p.m. with a parade. It will start downtown and end at the school. A pep rally will be held immediately following the parade. Parents of football players will receive special recognition in ceremonies preceding the football game.

Halftime will see performances by the band, climaxed with crowning of the homecoming queen and king.

Robert Lee High School student council has issued an invitation to all ex-students to attend all the activities.

Mrs. Tommy McDaniel and daughter, Carlene, of Midland visited Saturday and Sunday with her parents, Mr. and Mrs. Martin Casey. Caroyne Blair of Midland visited over the weekend with Brenda Casey.

## Funeral Held Here Monday Morning For Mrs. Collett

Funeral services were held Monday at 10 a.m. for Mrs. Oscar (Elva) Collett at the Pentecostal church here. The Rev. Travis Starnes of Abilene and the Rev. Bill Beaty of Robert Lee officiated. Burial was in the Robert Lee cemetery under direction of Williams Funeral Home.

Mrs. Collett, a long time Coke County resident, died at 3 p.m. Saturday in West Coke County Hospital after a long illness. She was born Aug. 28, 1898 in Lavaca County and moved to Coke County as a young girl in 1915. She was married to Oscar Collett Dec. 28, 1931 at Robert Lee. She was a member of the Pentecostal Church.

Survivors include her husband; a son, Victor Wayne Collett of Aline, Okla.; three brothers, Alton Roberts of Robert Lee, Allen Roberts of San Angelo and Lenn Roberts of Abilene; three sisters, Mrs. Onie Jackson of San Angelo, Mrs. Ettie Rogers of Bronte and Mrs. Ruby Gilbert of Sweetwater; and three grandchildren.

Pallbearers were Fern Havins, Jim Robertson, J. B. Robertson, Robert Woodard, Steve Parker and Fagan Parker.

## MRS. FLANAGAN RESIGNS JOB IN SHERIFF'S OFFICE

Mrs. R. L. (Evelyn) Flanagan has resigned her position as office deputy in the office of Sheriff Melvil Childress. Her resignation was effective last Friday.

Mrs. W. E. Jacoby has been working in the office this week, but Sheriff Childress said he has not reached an agreement with her to take the job on a permanent basis.

## Miss Russell Dies In Fort Worth

Funeral services for Miss Mettie Russell, about 70, former long time resident of Robert Lee, were held at 2 p.m. Tuesday from Moore Funeral Home in Fort Worth. Burial followed in a Fort Worth cemetery. Miss Russell died of a heart attack Monday morning. She had been hospitalized about a week and was thought to be improving at the time of the fatal attack.

Miss Russell had lived in Robert Lee more than 50 years when she moved to Fort Worth in 1960. She was a member of the Methodist church.

Survivors include a brother, Bailey Russell of San Angelo, and a sister, Mrs. Ray Smith of Fort Worth.

## SURVEYORS TAKING OFF

Surveyors who are doing preliminary work on the Robert Lee Dam announced this week that they will take off Friday, Nov. 12, and will not report back for work until Nov. 29. Main reason given for the holiday was because of the opening of the hunting season this Saturday.

## Halloween Carnival Was Big Success, Raised \$758

A final report on proceeds gleaned from the hundreds of visitors at the Robert Lee PTA Halloween carnival was released this week and showed that the parent-teacher organization netted \$758.78. Receipts totaled \$812.73 and expenses amounted to \$53.95.

Three queens and kings were crowned, from grades 1-5, 6-9 and 10-12.

Winner of the primary queen contest was Audrey Dee Walker of the fourth grade. Her king and escort was Keith Lloyd. Mindi Breeding of the sixth grade was queen of the junior high division and she was escorted by her king, Alton Steelman. Patty Hughes of the tenth grade was winner of the

high school contest, and she was escorted by her king, Albert Dale Fields.

Booths for entertainment of the crowd were set up and operated by students of the 13 classes in Robert Lee School. The festivities began at 5:30 p.m. and the booths were closed at 7:30, so the money could be counted and the winners determined.

Money raised by each class was as follows:

First grade, Mrs. McBroom, \$23.55  
Second grade, Mrs. Powell, \$39.66  
Third grade, Mrs. Olson, \$44.51  
Fourth grade, Mrs. Walling, \$60.10

Fifth grade, Mrs. Wilson, \$38.65  
Sixth grade, Mrs. Bryan, \$73.15  
Seventh grade, Mrs. Coalson, \$38.83

Eighth grade, Miss Gregory, \$41.85

Ninth grade, Miss Mize, \$24.68

Tenth grade, Mrs. Barnhill, \$54.96

Eleventh grade, Mr. and Mrs. Pittman, \$103.07

Twelfth grade, Mr. Davis, \$148.80

The apparent discrepancy in which class won the high school division had the most money at the end of the deadline, and the last two classes continued to operate their booths after the 7:30 deadline.

Another \$80.81 was received at

# Steers Top Trent For Second Win

By RONNIE BAKER

The Steers came alive Friday night to upend the Trent Gorillas and still stay in the ranks of an improving ball club. The offensive line backing was something to watch. It changed so much that you wondered what happened. After the first quarter touchdown by the Trent Gorillas, the defense held them to no serious threat the rest of the game.

## First Quarter

The Steers received the opening kickoff and Gary Parker returned to the Steer 46 yard line. Williams picked up 5 yards through the middle and then Trent was penalized 5 yards for off sides. Wink then hit Williams with a pass good for 10 yards and another 1st down. Then with Williams quarterbacking, he hit Wink with a 35 yard pass for the T.D. Williams kicked the extra points and the Steers led 7 to 0.

Roach then kicked off to the Gorillas and the ball was returned to the 36 yard line. With time consuming plays the Gorillas moved all way to score. Extra points were good and the Trent team led 8 to 7. Trent kicked off and with a good return to the Trent 37 yard line, the Steers ran out the first quarter of play.

## Second Quarter

Still moving the ball the Steers drove down to the 8 yard line with 3rd and goal to go. Then with a hard charging line on an attempted pass play, the Steers were thrown for a loss at the 20 yard line. Trent held on the next play and with the ball in their possession they moved it out to their 36 yard line where the Steers then held them. Trent punted to the Steer 24 yard line. With short yardage made the Steers were forced to punt. But the Steers got a first down out of the deal when Trent was penalized for roughing the kicker. Then with 1st and 10 Ray Roe whipped off a quick 18 yards and another 1st down. Then with Williams quarterbacking again, he hit Wink with a pass good for 38 yards and the Steers were soon at the 10 yard line. But the offense stalled and Trent took over. The Steers held for no gain and the Gorillas punted to the Steer 45 yard line. Wink sacked it up and with good blocking returned it to the Trent 36 yard line. Wink, now quarterbacking, stepped back and hit Ray Roe with a pass to the 11 yard line, good for 24 yards. Before any serious threat the half ended with Trent still leading.

## Third Quarter

The third quarter was another checkmate of play. No breaks came for either team and no serious threats from either one. Trent received the 3rd quarter kickoff with Skipworth kicking to the 25 yard line and Trent was stopped there. With only a 3 yard advance in 3 plays, Trent punted to the Steer 47 yard line. The Steers moved to the Gorilla 21 yard line and lost possession again. The Gorillas moved to their own 40 this time before being held and with 3 straight 5 yard penalties the punt was finally killed at the Steer 37 yard line. The Steers ran one play and the quarter ended.

## Fourth Quarter

Robert Lee moved the ball to their 44 yard line and were held there. The Gorillas couldn't move either, and on a fourth down kick attempt, Williams broke through and blocked the kick, injuring his ankle on the play. But in came Roy Blair, a freshman, for his replacement, who caught a 12 yard pass on 3rd down for a vital first down, then came an 18 yard pass to Gaylon Pitcock for another first down, then

a 14 yard pass to Gary Parker for the T.D. Try for extras were good but were cancelled because of a penalty and on second attempt the Steers missed.

But the Steers led anyway 13-8. Roach kicked to the Trent 19 yard line and the ball was returned to the Trent 37. The Steers got double tough and held them there, where they were forced to punt. The punt carried to the Steer 19 yard line. Then the action began; excitement was high, with little time remaining in the game, Gary Parker ripped up the middle for 58 yards before he was finally brought down. A penalty on the play put the ball in play at the Trent 30 yard line. A pass to Pitcock for 16 yards, a pass to Blair for 5 yards and 4 yards by Roe brought the ball to the 5 yard line. Then Trent got tough and held at this point. With just a little time remaining, Trent tried to move through the air but failed as time ran out on them at their 24 yard line.

The front line of the Steers were just great on their pass blocking and they, Carl Bloodworth, Smoky Blair, Bob Lomas, Glen Roach, Ed White and Lynsey White should get some praise along with the backs because you can't score without blocking and they did. The opposition can't score if they tackle and they did some of that, too.

## Girls Take 2 Wins In Season Opener On Loraine Court

Robert Lee High School's girls basketball teams started the 1965-66 season Monday night with a bang when they took two victories from Loraine. The games were played on the Loraine court.

Coach Robert Jameson's A team took their game by a 46 to 34 score, while the B team won by score of 29-23.

Kitten Dean was high pointer in the A game with 25, followed by Jeanne Hatch with 9, Rhonda Gartman 7, and Lois Heuvel 5. Judy Gartman was high pointer for the B game with 14. Marsha Dodson had 7; Rhea Jean McCutchen and Elaine Fikes had 4 each.

Coach Jameson reported to The Observer Tuesday that the girls played a good brand of ball and he was well pleased with their first games.

Next basketball games for the girls will be Monday night when Ballinger will come here. The A game will start at 6:30 p.m., followed by the B game at 7:45.

## OTHERS WERE PRESENT AT FAMILY GATHERING

In last week's account of a family get-together held while Mr. and Mrs. Felix Puett were visiting here, names of the following persons who were present were omitted: Mr. and Mrs. Willie Wallace of Amarillo, Mr. and Mrs. Eddie Mays and children of Clyde, and Mrs. Tommy Black and children of Del Rio.

The dinner was held in the home of Mr. and Mrs. Fred Smith, instead of Mr. and Mrs. Pete Davis, because Mrs. Davis was ill.

Mr. and Mrs. Eldon Baker, Marty and Marcia of Spade were weekend guests of Mrs. Baker's parents, Mr. and Mrs. W. A. Summer.

Mr. and Mrs. Jelly Caulder and Granny Caulder of Bronte visited Sunday with the Cliff Caulder family.

on farms near Winters, in the Shep community, the Poe community and Wingate. They moved to Winters in 1925. Mr. Mapes died in 1932 and Mrs. Mapes lived alone for several years, then lived with a sister-in-law in Merkel for a time, before she moved to the home of her daughter, Mrs. Roe.

Mrs. Mapes was a member of the Primitive Baptist Church.

Survivors include a son, Commissioner Melvin Mapes of Winters; five daughters, Mrs. A. J. Roe of Robert Lee, Mrs. W. E. Harris of Riverside, Calif., Mrs. W. L. Hamilton of Goldthwaite, Mrs. J. J. Hinkel of Priddy and Mrs. W. R. Adams of Wingate; 31 grandchildren; 100 great-grandchildren and 35 great-great-grandchildren. A total 172 direct descendants survive her.

Grandsons were pallbearers, and included Ollie Roe of Robert Lee, Ronnie Mapes, Jimmy Adams, Kenneth Adams, Leroy Adams and Bobby Adams.

## MRS. MAYO SUSTAINS FALL

Mrs. Mayo, mother of Mrs. J. E. Quisenberry fell in her home last Thursday and broke her left arm. She also received a deep laceration on her head, which required two stitches to close. She was taken to West Coke Hospital for treatment and was later released. The family reports she is "doing fine."

## Winners Named In Poster Contest

Winners were announced this week in a fire prevention poster contest which was held during Fire Prevention Week in October. First and second place winners were picked from entries of the first five grades.

Top place winners are listed first, followed by second place winners:

First grade: Mary Lackey and Bertha Ybarra; second grade: Patricia Brown and Harvey Wojtek; third grade A: Jan Green and Lesa Lindsey; third grade B: Kay Brice and Ronnie Calder; fourth grade, Sherry McClelland and Don Sparks; fifth grade: Margarita Sanchez and Jamie Craig.

Kyle Othol Long of the second grade made a poster which did not win a place, but which firemen thought very clever and original. They arranged to display it in the fire hall.

Sterling Lindsey

## Sterling Lindsey Receives Honor At Agents' Meet

Coke County Agent Sterling Lindsey was one of six Texas county agents who received the Distinguished Service Award at a meeting last week of the National Association of County Agents in Pittsburgh, Pa.

Lindsey's award came because of his outstanding work and leadership in developing youth and adult educational programs in Coke County. The awards are presented annually to a select group of county agents who have over a period of 10 years or more made outstanding contributions to agriculture and rural living.

Lindsey came to Coke County in 1957. Prior to his service here he served two years as assistant county agent in Coleman County and six months in Runnels County, and for two years as county agent of San Saba County.

A native of Frio County, Lindsey was outstanding in FFA and other agricultural work during his youth. He is a graduate of Texas A&M University with a B.S. Degree in agricultural education. He has done special summer work at Colorado State University and attended numerous work shops and short courses to enable him to stay abreast of latest developments in his field.

Under Lindsey's direction Coke County has developed an outstanding 4-H Club program with strong project demonstrations. A strong believer in leadership training, he has also assisted youth and adult groups in improving their leadership and citizenship programs.

In addition to his regular duties, the award winner takes an active part in Robert Lee and Coke County church and civic affairs. He is a member of the official board of Robert Lee Methodist Church and is active in the Coke County Wildlife Association and Boy Scout work.

## Monday Rains Drop Up to 2 In.

Rain began falling early Monday morning and left up to two inches in some parts of this area. Heaviest fall was reported on the Bert Blaylock place south of town. Robert Lee's measurement showed .49 inch fell here.

Dave King, Edith, reported .7 inch, and the same measurement was recorded at Sanco. The Arledge Ranch, north of Sanco, however, had 1.5 inches, as did the Silver area.

## Silver Boy Awarded Agriculture Scholarship

Orval Dwain Walker, son of Mr. and Mrs. J. B. Walker Jr of Silver, has received a \$300 Moorman Agriculture Scholarship in recognition of his academic achievement, leadership and student activities at Texas A&M University.

Walker is a junior agronomy student.

The scholarship is provided by the Moorman Manufacturing Co. of Illinois.

## Deer, Quail, and Turkey Season Opens Saturday

Hunters are expected to be on the loose Saturday morning, when open season will begin on deer, turkey and quail. Shooting hours are from one-half hour before sunrise until one-half hour after sunset.

Deer and turkey season runs through Dec. 31, while quail season will not end until Jan. 31.

Bag limit on quail is 12 per day with 36 in possession. The limit on turkey is one gobbler or one bearded hen. Hunters may take two bucks and one antlerless deer if they have a special permit.

State game officials, as well as local law enforcement officers urged all hunters to follow safety rules in handling guns, and to be particularly sure of what they are shooting before they pull the trigger.

## Work Progressing On New Station

Work is progressing on a new service station which is under construction at the intersection of Highways 158 and 208 in Robert Lee. The station will be owned by Buster Farris.

Buck Black, who was a general contractor until his semi-retirement a few months ago, is building the station. He and his wife moved to a place southwest of Robert Lee early this year. They had been living in Lubbock where he did contracting work for major oil companies.

Farris said the station will handle Magnolia petroleum products. He plans to lease the station when it is completed. The structure will have over 1100 square feet of floor space and is being built of tile and brick. It will have a western style roof, and plans call for completion the latter part of this month.

Robert Sanchez, Luther Sparks and Roy Tinkler have been employed to help with the brick laying and Martin Casey will do some of the work later on.

Farris said the new service station is first of a number of projects he has in mind for this site, which is located northeast of the Y Cafe building.

## Notes From The Oil Field

Coke County gained a pay opener in the Tucker Drilling Co., Inc. San Angelo, and Peter Henderson, New York City, No. 1 Freda Nutt Hanks Trustee, Coke County Canyon sand gas discovery on the northeast side of the Bloodworth (5,700-foot Canyon) oil field. It was completed for a calculated, absolute open flow of 16 million cubic feet of gas per day, with gas-liquid ration of 33,000-1.

Production was through perforations between 5,643-51 feet, which had been acidized with 500 gallons and fractured with 8,000 pounds, 8,000 gallons, and 800 pounds of glass beads. Gravity of the liquid is 71.3 degrees.

Location is 1,980 feet from the south and 467 feet from the west lines of 324-1A-H&TC.

## GOLF ASSOCIATION PLANS TOURNEY FOR NOV. 21

Mountain Creek Golf Association had a meeting Tuesday night and made plans for an ABC club membership tournament on Nov. 21. Competition will be restricted to club members and everyone is invited to enter.

Qualifying play will be held on Saturday, Nov. 20. Entry fee will be \$2.

Mr. and Mrs. Boyd Smith of San Angelo visited the Lowell Roanes Sunday.

## PERSONALS

Mrs. O. E. Allen returned to her home here Sunday after a three months stay in the home of her daughter, Mrs. Violet Roberts in Littlefield, while she was recovering from major surgery.

Otho Long was home for a weekend visit with his family from Spade, where he is employed.

Mrs. A. D. Williams of San Angelo spent two days here last week with her mother, Mrs. H. G. Smith, who has been ill in West Coke Hospital. Mr. and Mrs. Delbert Smith of San Angelo visited her over the weekend. Mrs. Smith was released from the hospital this week and is reported to be very much improved.

Mrs. Fred McCabe Sr. and Mrs. Hugh Padgett of San Angelo have returned from a trip to Ciebume, Dallas and Austin. While there they visited in the home of Mr. and Mrs. L. W. Rumsey, Mr. and Mrs. W. W. Wynn and Mrs. James Knight. The ladies are sisters of Mrs. Padgett and are cousins of Mrs. McCabe. Mrs. McCabe also visited her niece, Mrs. J. Otis Hill and family of Dallas and attended the fair. Mrs. Padgett and sisters are daughters of the late Mr. and Mrs. Will Graham.

# The Big Inch

The ruled box above is a one-inch ad. It measures one column wide by one inch deep. It costs advertisers 60c.

It looks kinda lonesome by itself.

But look at it this way.

What you get when you buy a one inch ad in the Observer is not just a single inch of space in the paper, but one inch multiplied by 900 copies weekly.

So you are really buying 900 inches, which at 80 inches a page would be more than 11 full pages of printed newsprint.

That's a mighty big chunk of space for a cost of only 60c. And that price includes delivery to the reader. Just imagine the cost of reaching all those Observer families by postcard. It would amount to \$36.00 just for the postage. But the Observer does it for a mere 60c.

So you can see that a little one-inch ad is really a pretty BIG inch when it's advertising space in the Observer. And the figures show that it's the most effective and economical way possible to let people in this area know that you have wares and services they could use.

Call 453-3501 and let us show you how a little Big inch can wake up sales for you.

**Dishwashers Take On More Glamor**  
Dishwashers are doing more work and taking on more glamor each year while providing cleaner dishes for the family.

Many top-of-the-line models now provide three and four level washing action within the tub because impellers or wash arms have been combined with extra sprays. The spray comes from top or bottom, or both, to provide revolving "walls of water" much hotter than the homemaker's hands can stand.

New pre-wash cycles now do away with another of the common consumer gripes — that of scrubbing and rinsing dishes before loading. Continuous filter systems now trap small food particles and some models even feature a waste disposing action with stainless steel blades that liquefy soft food scraps.

The programmed cycles allow the homemaker to select the wash suited to the load to be washed.

Most manufacturers have provided some type of plate warmer in the drying cycle. The automatic detergent and wetting agent injectors are becoming more popular. The latter is an important item in hard water areas. The wetting agent, when released in the last rinse water, prevents water spots on glassware and fine dishes. Some adjust up or down to accommodate odd-shaped serving dishes in the top or bottom of the machine.

Decorator colors are more abundant, with a variety of practical vinyl or wood tops on the portables. Reports indicate that manufacturers are working on quieter models with new speed controls.

**Cotton Makes A Comeback**

Cotton is still the most popular fiber in the country. Consumption rose 4 percent last year, after hav-

ing noticeably lost ground to man-made fibers in 1962.

The average person used 22.6 pounds of cotton in 1964 — in rugs, curtains, sheets, and towels, upholstered products as well as shirts, shorts, dresses, slacks and other items.

On the other hand, wool — the other "natural" fiber, didn't fare so well, says the U. S. Department of Agriculture. Domestic use of wool went down 14 percent in 1964.

The winners however — in increased consumption — were the synthetics. A record 15.7 pounds of man-made fibers were used by every person in this country last year. Greatest gains were in rayon and acetate and especially nylon.

**Fashion in Men's Raincoats**

Gone forever are the days when men wear drab raincoats. The three best colors in men's rainwear are now the tans, blacks, and the olives. There is a growing use of deep blues in both traditional and contemporary coats. Also new are the subtle plaids and checks in medium to dark shades and some coats feature striped and herringbone effects.

The raincoat with the split raglan sleeve is still the favorite, although the trench coat and the full raglan-sleeved coat are gaining popularity.

Men can now buy a versatile coat labeled as an "all-weather" coat. The new coats are made of tightly woven poplins or gabardine which are treated with improved finishes that repel, not only rain and snow, but also travel soil and stains. The coats have removable linings for added warmth. They are made of materials which range from pure wools in both solid colors and colorful plaids to man-made fabrics of bright or subdued hues. Synthetic fur or shearling are also used for lining.

**Pecan Crop 2nd Largest on Record**  
There should be pecans a-plenty

this season. The current pecan crop is estimated to be the second largest on record.

This large crop should result in more attractive price tags on pecans — and this should be a boon to homemakers who like to use them in many desserts and dishes.

To shell or not to shell pecans may be a concern of homemakers. You will save time and effort by buying shelled nuts, but you will most likely save pennies by shelling them yourself.

Pecans are about half shell and half meat by weight. It takes two pounds of nuts in the shell to make one pound, or about 4 cups, of nut meats.

When you buy pecans, remember that the way they are packed and treated affects the length of time they remain high in quality. Nuts in the shell keep longer than shelled ones. Nuts packed in vacuum containers remain fresh longer than those in film bags. Whole meats keep longer than chopped nut meats, and unsalted nuts retain their flavor longer than salted ones.

If you choose nuts in the shell, look for those which are clean and free from scars, cracks and holes. They should be well-filled so the kernel will not rattle.

**Uncommonly good cooks use cool, modern gas**

When you turn on a modern gas range it starts cooking—instantly. There's no warm-up period. When you turn off a gas range it stops cooking—instantly. There's no hangover heat to heat your kitchen or burn your food. And when you broil with gas you can keep the door closed because the gas flame consumes the smoke. You and your kitchen stay cooler, cleaner. Uncommonly good suggestion: see the modern gas ranges now on sale at Gas Appliance Dealers—or Lone Star Gas.

## DERWOOD COALSON HEADS HSU CLUB

It seems that Spanish is in his blood. Derwood Coalson, whose picture appeared eighteen years ago in the Hardin Simmons University year book, The Bronco, as mascot of Los Rancheros, was last week elected president of the same Spanish club.

His mother, Mrs. Frank Coalson, now a Spanish teacher in the high school at Robert Lee, began teaching Spanish in Hardin-Simmons when Derwood was only six months old. She organized the Los Rancheros Club while she was teaching there, wrote the words for the club song, and one of her students composed the music.

Derwood is a sophomore at Hardin-Simmons and is a speech major. He was outstanding in high school athletics and dramatics. He ran track for HSU last year.

## Farrell Jean Fikes Speaks At '64' Study Club Meet

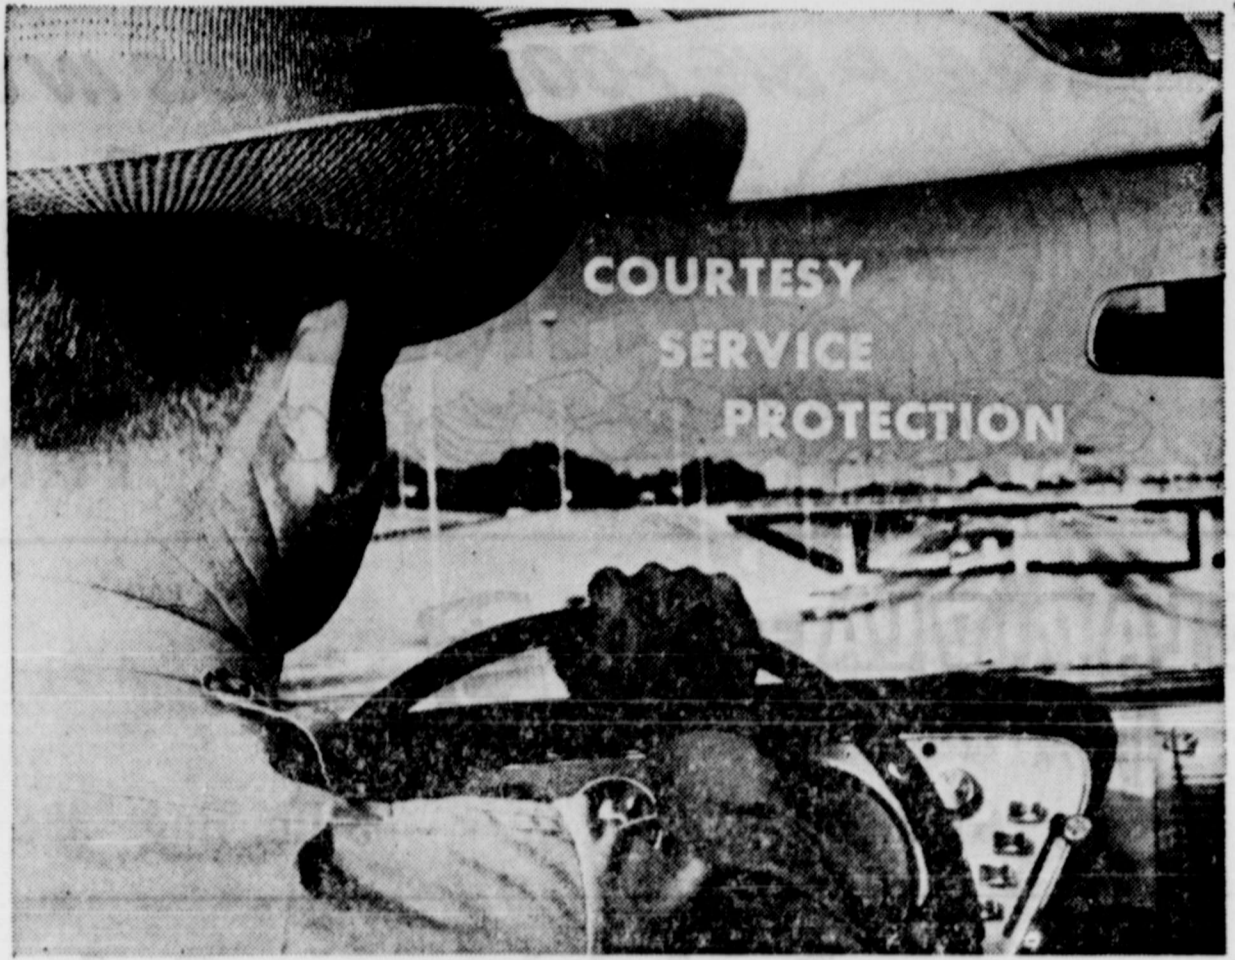

The '64' Study Club met in the home of Mrs. Charles Sims recently. Mrs. Jim Barnhill, club president, presided for the business meeting.

Mrs. Gene Hinnard introduced the guest speaker, Farrell Jean Fikes, who presented the program.

Refreshments of sandwiches, cheese daisies and punch were served to eleven members, one guest, Mrs. Weldon Fikes, and the guest speaker.

Mrs. Finis Millican was co-hostess with Mrs. Sims.

# Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

## Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevelles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair and Corvette at your dealer's
