Robert Lee Steers basketball team took top honors last weekend at the Christoval tournament. In the final game they downed Water Valley, 34-31.

The girls lost out in the second game of the tournament to Eldorado.

The boys first game was with Eola. They took an easy 57-27 victory, and Robert Wink was high point man with 15.

Four Overtimes

The second contest was the thriller of the tournament. It put the Steers up against a hot team from Christoval and ran into four overtime periods before the Steers came out on the long end of the 67-62 score. Wink was high pointer again with 19.

The final game, played Saturday night with Water Valley, gave the Steers a 34-31 victory and the championship trophy. Pistol Hood and Gaylon Pitcock each had 10 points in this game.

Saturday's the big day! Santa Claus will be in Robert Lee at 3 p.m. The jolly old gentleman, perennial hero of the young and young at heart, will be here to distribute candy gifts to all those who come to see him. A large crowd is expected in Robert Lee to enjoy the fun and to take care of their Christmas shopping needs.

The Robert Lee BCD is sponsoring Santa's visit and other activities planned for the day.

Santa will arrive in town on the big red fire truck. He will be met by a group of paraders, including the Robert Lee School Band. The fire truck will pick Santa up at an

undisclosed spot where he will land earlier in the afternoon.

Prior to Santa's arrival a free picture show for all children will be shown at the Alamo Theater. Feature picture will be "Apache Rifles" starring Audie Murphy. The show will start at 1 p.m., in plenty of time for the kids to be out before Mr. Claus arrives.

After Santa passes out approximately a million bags of candy and greets all his Robert Lee friends, there will be a big drawing in front of the Observer office. About 35 Robert Lee business firms and individuals have donated prizes which will be passed out to lucky winners. In addition to their contributions of prizes, the local business people gave \$2 each for advertising and to defray any expenses which Santa might incur on his trip here.

Robert Lee business men will also be cooperating with Santa Saturday by offering hundreds of bargains for those who come to town to do their Christmas shopping. They report that buying of gift items has been going at a rapid pace, but they still have a large selection of gifts. They invited everyone in the area to come to town for the day, as plenty of activity and entertainment will be provided.

Names of those participating in the Christmas program are:

West Texas Utilities, Cilla's Cut & Curl, Froggy's Cafe, Add Davis Grocery & Station, Denman Service Station, Adams Abstract Co., Coke County Butane (Bob Fields), Vaughan Chevrolet Co., Robert Lee Observer, Francilla Flowers & Gifts, McDorman Service Station, Roach's

Nancy Jacoby

Nancy Jacoby Is Dist. Sweetheart

Nancy Jacoby, Robert Lee FFA Chapter Sweetheart, was crowned Concho District Sweetheart at the Concho District banquet held Dec. 7 at Luby's Cafeteria in San Angelo.

FFA Chapters represented at the meeting were Robert Lee, Bronte, Ozona, Wall, Eldorado, Lake View, San Angelo Central and Sterling City. Each chapter had two voting delegates and Miss Jacoby was elected by popular vote.

Miss Jacoby is the daughter of Mr. and Mrs. W. E. Jacoby of Robert Lee, and is a junior in Robert Lee High School. She is active in all phases of school activities.

She will represent this district at the Area II meeting scheduled for May 31 and June 1 at Fort Stockton.

School Board to Study Needs for Expansion

At a regular board meeting Thursday night, Dec. 9, the Robert Lee Independent School board reviewed a petition containing 96 signatures of citizens requesting the school board to improve and expand school facilities.

After accepting the petition, the trustees set a special board meeting for Dec. 20, at 8 p.m. to discuss a building program with a representative from Columbian Securities Corporation of Texas and a representative from Wilson, Patterson, Sowden, Dunlap and Epperly — Architects.

Vaughan Davis New BCD Head

New officers for Robert Lee BCD were elected Tuesday at noon when the group met at the Rec Hall in the county park. Vaughan Davis was elected president, succeeding Cumbie Ivey Jr., as head of the organization. Other new officers are H. S. Lewis Jr., vice president and Mrs. J. M. Prine, secretary-treasurer. The Rev. Bill Beaty was re-elected chaplain.

Main item of business for the businessmen's organization was to complete plans for the annual BCD-sponsored Christmas party which will be held Saturday, Dec. 18. Details of the affair may be found in

another story in this issue of The Observer.

Vaughan Davis told the group that Silver Lions Club is considering moving to Robert Lee, and the Lions were asking if there would be any conflict between programs of their organization and the BCD. G. C. Allen told of some of the projects in which Lions Clubs participate and it seemed the general opinion that there is plenty of room and plenty of work for both the BCD and the Lions Club.

Mayor Bob Vaughan said the Lions will need a meeting place and

suggested their using the Rec Hall on Tuesday night twice a month. The BCD approved the suggestion.

The mayor also read a letter he received from a Navy man who will be retiring shortly. The letter was a query on the chances of securing some lots on the new Robert Lee Lake.

Supt. Jimmy Bickley expressed appreciation of the school administration to the 96 persons who recently signed a petition requesting the board to make a study of the school's need for new facilities and equipment.

Navy Man Wants To Retire Here

The following letter was received a few days ago by Mayor Robert Vaughan, and is indicative of the possible growth that will come to Robert Lee because of the building of the big lake on the Colorado River.

The letter follows:

New London, Connecticut

December 8, 1965

Dear Mayor Vaughan:

I am a native of West Texas (San Angelo) presently serving in the

U.S. Navy. I will be retiring in a few years after spending 20 years in the service. I have always planned to retire in West Texas and now that the Robert Lee lake has become a reality, I would prefer to make Robert Lee my home upon retirement. I do not know anyone in your area that would sell me some lake front property, so I am requesting you give my name to some real estate dealer or to someone that would be interested in selling a few acres. If you know of no one at the present time would it be possible for you to give this letter to the local newspaper for publication?

SCOUT LEADERS ARE HONORED DEC. 2 AT RECOGNITION DINNER

Several Robert Lee and Silver residents received awards Dec. 2 at the Tri-Rivers Scouters' Recognition Dinner held in the Ballinger High School cafeteria. The dinner honored all adult Boy Scout leaders in the district.

Among awards presented at the dinner were Roundup Certificates to Emory Davis, Cubmaster of Pack 461 of Robert Lee, and Derwood Mumford, Cubmaster of Pack 446 of Silver. Mrs. Derwood Mumford was presented the Den Mother's Training Award.

Scouter key rings were presented to Judge W. W. Thetford and John Conley for serving as Finance Chairmen in Robert Lee and Silver.

Elected as district members-at-large were O. B. Jacobs, Jimmy Bickley, John Conley, Cumbie Ivey, Sam Williams and R. L. Flanagan.

John King, district chairman, presided at the dinner. The awards ceremony was conducted by J. D. Reneau, district advancement chairman and members of Boy Scout Troop 430 of Ballinger.

Odell Howard was elected district chairman and Dan West was elected district commissioner for the coming year. Thirty-eight men were elected district members at large. These men will serve scouting in six areas including organization and extension, advancement, camping and activities, health and safety, finance, and leadership training.

The meeting was highlighted by a speech by Rev. Jack Hunnicutt pastor of the Junction Presbyterian church. Rev. Hunnicutt spoke of the unending influence that scout leaders have on the lives of boys under their supervision. He said that he believed that scouting's program of character building, citizenship training, and physical fitness is a major influence in the lives of boys who participate. Rev. Hunnicutt challenged adult leaders to continue to work hard to make the fun and adventure of scouting a reality for the boys of Tri Rivers District.

Tri Rivers District is a part of the Concho Valley Council, Boy Scouts of America, and includes Coke, Runnels, Concho, Menard, McCulloch, and Kimble counties.

Fancy Rolls Add Flare to Meals

You can add a festive touch to your holiday meals by baking dinner rolls in fancy shapes. They are not as hard to make as you might think. You can make fan-tan, cloverleaf, crescent and parkerhouse rolls from one basic sweet dough recipe.

For fan-tan rolls, roll or pat the dough into a rectangle about 1/4-inch thick. Brush the top with melted fat, and cut the dough into strips one-inch wide. Place five to eight strips one on top of another. Cut into pieces about 1 1/2 inches long. Place each short pile on end in greased muffin cups.

Cloverleaf rolls are also baked in a muffin pan. Divide the dough into small balls. Dip each ball in melted butter or other fat. Place fat side up, in greased cups of muffin pans. Three of the balls should only half fill the cup in your muffin tin.

To make crescent rolls, roll or pat the dough into circles about 10-inches in diameter and 1/4-inch thick. Cut the dough into 12 pie-shaped pieces and brush with fat. Begin at the outer edge and roll the dough to the point and press together. Curve the rolled dough slightly to form a crescent and place it, pointed side underneath, on a greased baking sheet.

Popular parkerhouse rolls are made by rolling or patting the dough about 1/2-inch thick. Brush the top with soft butter or other fat and cut the dough with a biscuit cutter. Fold each circle over, fat side in, to form a half circle. Press the outer edges together firmly and place on a greased baking sheet.

New Features for Appliances

There are many new features on modern appliances that will make a housewife's duties easier.

Easy cleaning is the new emphasis on kitchen ranges. Features include removable oven liners; intense heat self-cleaning ovens; and oven doors, top heating elements, cooking surfaces and rack supports that lift-off. Other features are programmed cooking, no turn broilers and meat probes built into the range.

Frost free refrigerators are fast becoming standard appliances. Some manufacturers have the frost free models in about half of their total line. The automatic ice maker is gaining in popularity. Other features include seven-day meat keepers, and adjustable shelves.

With the advent of new textiles, especially the delicate synthetics, washing machine manufacturers have had to cope with the requirements for laundering a wide variety of textiles. One way to solve this problem is to have programmed push button controls preset by the manufacturer so that the housewife can select separate laundering cycles appropriate for the articles to be washed.

The newest washing machine feature is the introduction of solid-state controls, an "infinite" choice of speed settings on the washer to assure the homemaker that the agitate and spin speeds can handle the most delicate fabrics. The newest models with these features will be 16 pound capacity and will probably sell for \$230-\$350.

About Food Products

"Dieters Delight" is the new low-fat milk — or perhaps it's labeled 2 percent milk, fortified milk or low-fat skim in your community. Whatever the name, it's proving to be a big seller. It has fewer calories than whole milk and a better taste and consistency than skim milk.

Storing Pecans: Pecans-in-the-shell keep well at room temperature up to 8 months; in the refrigerator 36 months. Shelled pecans keep best when kept cool — up to 9 months in the refrigerator. Vacuum cans should be placed in the refrigerator once opened. Plastic bags of pecans stay fresh longer, if, after opening, they are resealed

with tape, or a twisted wire band, then placed in the refrigerator.
