### Edith Homecoming Slated For Sunday

Plans are being completed this week for the annual Edith Homecoming next Sunday, Aug. 21, at Green Mountain Community Center.

The area covered by the reunion includes several former country communities. Edith, itself, was once located where the old tabernacle now stands, north of Highway 158. The store and post office were later moved to the highway. Pecan, Divide, Wildcat, Paint Creek and Green Mountain were schools once located in the neighborhood. Later all were consolidated with Robert Lee, as were Sanco, Silver and Graham Valley.

The program will be started at 10 a.m. with congregational singing and a memorial service followed with a devotional hour from 11 a.m. until noon.

A basket lunch will be spread at noon. Cups, ice, tea, coffee and plates will be furnished.

A short business session is planned after lunch, and the remainder of the afternoon will be devoted to visitng.

### Danny Smith Due Eagle Scout Award

Danny Smith, son of Mr. and Mrs. Fred Smith, will be presented his Eagle Scout award at a court of honor Tuesday night, Aug. 23, at 7:30 p.m.

Scoutmaster Gene Hinnard made the announcement that Smith has completed requirements for Eagle rank, the highest rank in Boy Scout work.

Awards earned at Camp Sol Mayer this summer will also be presented to Scouts who attended. The public is invited to attend the court of honor.

Mr. and Mrs. Archie Smith of Houston were visitors in the home of Mrs. Lois Smith Monday.

This weekend will bring plenty of activity to Robert Lee. Everyone is invited to attend the big barbecue scheduled for Saturday night at the county park, and golfers will have additional incentive to come to town because of the golf tournament which is scheduled for Saturday and Sunday.

The barbecue is being sponsored by the BCD and Mountain Creek Golf Club, while the golf club is sponsoring the tourney.

### Adamses To Be Honored

Mr. and Mrs. Stanley Adams will be honored at both the tournament and the barbecue. Special recognition will come Saturday night at the barbecue when Gerald C. Allen will recognize them for the time, money and effort they have expended in landscaping the Mountain Creek Golf Course.

Their efforts have caused the local course to develop, in a very short time, into one of the most

beautifully landscaped courses in West Texas.

The program which will be held in connection with the barbecue will begin at 6 p.m. Jack Denman is in charge of program arrangements. He has promised an entertaining variety show, featuring such western musicians as J. C. Morris, Bandy Jones, Ray Shandle, Chester Derrick, E. W. Wilson and Denman, himself. Also included on the program will be a 4-H Club Dress Revue, a skit on the "Three Stages of Marriage" by Barbara Blaylock, and more music after the meal by Upton and Rodney Mathers.

Girls who will participate in the Dress Revue include: Lisa Lindsey, Ardena Boone, Sue Lindsey, Rhonda Askins, Darlene Brice, Kay Brice, Jerry McDonald, Judy Brice, Peppy Boykin, Audrey Dee Walker, Connie Blaylock, Kaye Roberts, Sheri Pitcock, Sharon Walker, Linda Blair and Rebecca Walker.

The first part of the musical session will be concluded at 6:45 p.m., followed by the Dress Revue until 7:15. Mayor Robert Vaughan will welcome the crowd, and the barbecue supper will be served from 7:30 to 8:30. Next item on the program is the recognition of Mr. and Mrs. Adams by Gerald Allen. More music will follow.

## Sewer Question Coming To Vote

Saturday, Aug. 27, is the date set for an election which will determine whether or not Robert Lee will have a sewer system. Qualified voters of the city will cast their ballots for or against a \$190,000 bond issue which would be used to finance the project.

The proposition calls for the issuance of revenue bonds, if passed, to be retired only from money derived from the operation of the proposed sewer system. No tax money can be used to retire the bonds, as set forth in the election order.

The money derived from the bond issue will be combined with a \$190,000 federal grant, already approved, to build the sewer system and to make some improvements in the water system.

Total cost of the proposed system will be \$330,000. Some \$52,000 additional money needed for the water system improvements will be financed by the Upper Colorado River Authority.

Mayor Robert Vaughan said this week that he could not over-emphasize the importance of a favorable vote on the project. He said the sewer system, as well as the water system improvements, are needed now for local residents, as well as for newcomers who are expected to move here during and following construction of the big dam on the Colorado River.

Vaughan said it has been definitely determined that the cost of sewer service for residential use will be

\$3.00 per month. He said commercial service will be decided, depending on amount of water use and other factors involved.

The mayor also said that the city will supply financing for tie-on charges. The pay back time for these loans will extend from one to three years.

**SERVING WITH NAVY** — Mike Conner of Robert Lee is stationed at Williamsburg, Va., where he is receiving special training in the U. S. Navy. Mike is a 1966 graduate of Robert Lee High School, and finished his boot training at San Diego, Calif. He is the son of Mr. and Mrs. G. E. Conner.

## Football Schedule Announced

Forty-three prospective Robert Lee Steers reported for practice Monday evening in their first session of preparation for the 1966 season. The boys met with their new coach, Kenneth Mitchell, and hopes for a successful season were voiced by all present.

It was announced this week that a couple of scrimmage sessions will be played before the start of the regular season on Sept. 9. Dates and times for the scrimmages have not been definitely decided, Supt. Jim Bickley said, and will be announced in next week's Observer.

Ozona and Rocksprings are the two teams the Steers will meet in pre-season play. The Steers have only three non-district games on their 1966 schedule. These games, the first of the season, will be played at 8 p.m., and all district contests, starting

Oct. 7, will have 7:30 p.m. as kickoff time.

The season will open and close with home games, the first game being with Menard on Sept. 9 and the last with Bronte on Nov. 18.

The 1966 schedule:  
Sept. 9: Menard, here  
Sept. 16: Open  
Sept. 23: Eldorado, there  
Sept. 30: Bangs, there  
Oct. 7: Trent, here  
Oct. 14: Roby, there  
Oct. 21: Loraine, there  
Oct. 28: Hermleigh, here  
Nov. 4: Forsan, there  
Nov. 11: Jayton, here  
Nov. 18: Bronte, here

The district has two new members, Roby and Forsan, which accounts for the seven district games this year.

**B Team Schedule**  
Supt. Bickley released the following schedule for the B team for

1966:  
Sept. 10: Roscoe, there  
Sept. 17: Eden, here  
Sept. 22: Ballinger, here  
Oct. 6: Coleman, there  
Oct. 15: Eden, there  
Oct. 22: Forsan, there  
Oct. 27: Lakeview, here  
Nov. 5: Forsan, here.

All B team games are scheduled for a 7 p.m. kickoff time, except the Sept. 22 contest with Ballinger, which will begin at 8 p.m.

### Junior High

The Dogies have four games on their schedule. If they manage to win the south half of the district they will have a playoff contest on Nov. 3. Their schedule:

Sept. 22: Bronte, here  
Sept. 29: Loraine, there  
Oct. 6: Open  
Oct. 13: Bronte, there  
Oct. 20: Loraine, here.

## School Tax Vote Gets Big Majority

The turnout wasn't too good, but those who did bother to vote in last Saturday's school tax election gave an overwhelming majority to giving the Robert Lee School board authority to levy taxes and to assume the bonded indebtedness of the school district.

The count was 149-14 in favor of giving the board power to levy school taxes not in excess of \$1.50 per \$100 valuation, and 140-7 in favor of assuming the bonded indebtedness of the district.

The election was necessary following the consolidation election with Silver last winter, because the district was changed by consolidation, and a new board, with no taxing powers, took over operation of the school.

Supt. Jim Bickley said that he and board members are grateful for the "vote of confidence" in Saturday's voting. Bickley added that it would have been embarrassing if the election had not carried, because the board would have had no way to carry on school operation without local funds.

The board met Tuesday night and canvassed the votes.

In other action at the meeting, the board employed Mrs. Faye Morris to teach the second grade, leaving only one vacancy in the faculty. The school still needs a coach and math teacher to fill the position originally assigned to Don Swinney, who resigned to enter the ministry fulltime.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpaying electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts.

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot; and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

### EDITORIAL

The proposition of building a sewer system in Robert Lee will be approved or defeated by voters a week from Saturday. This decision is important for the future of the city and for the influence it will have on getting new people to move in and on the growth of the city in general.

However, this looks like a mighty good deal, even if no new residents nor businesses were expected in the years ahead. It would be a mighty fine proposition for the folks who live here now.

To say nothing of the health hazards caused by the use of outdoor privies and septic tanks in various state of repair, the savings in dollars and cents would amount to a small fortune over a period of years.

We are quite aware of the fact that some people are not out much money on septic tank maintenance, but we also know that they should be, or will be in time. The \$3.00 rate which has been set for sewer service is not much when compared to the cost of pumping out a tank several times a year, and then there are other expenses if the privately owned sewage disposal plant is operated properly.

A good example of the savings which can be effected in the future were brought home when the new West Coke Hospital was built. Taxpayers of the town and entire district would have been out considerably less money if the sewer had been available when the construction was being done. The many new homes in Robert Lee could have been erected at less cost, had the owners not been obliged to provide their own sewage disposal systems.

We urge you to consider carefully the financial aspects of this proposition before you make up your mind you're against it. Since the bond to be voted on is strictly a revenue bond, it will be paid by those whom it serves. You'll get your money's worth.

#### More Teachers Hired By Board

After the story below was written, it was announced that Mrs. Faye Morris was elected Tuesday night to teach the second grade. She will fill the position formerly held by Mrs. Naomi Powell, who has resigned. Only one vacancy now exists on the faculty.

Two more teachers have been added to the faculty of Robert Lee Schools. Employment of the two leaves two vacancies, according to Supt. Jim Bickley.

W. Allen Morris, whose home is in Abilene, but who has been teaching at Big Spring, will teach the fifth grade. He has B. S. and M. Ed. degrees from Hardin-Simmons. Morris is not married.

Mrs. Helen R. Anderson, who has been teaching in Farmington, N. M., has also been employed. Mrs. Anderson's husband will move to Robert Lee with her. The family has two daughters who are of college age.

#### 460 Students Expected

Superintendent Bickley said this week that approximately 460 students are expected to enroll in Robert Lee Schools this fall. He said 140 pupils have already been pre-registered for high school.

Registration day for first graders and high school students will be Friday, Aug. 26, and classes will begin Monday, Aug. 29.

When the two faculty vacancies are filled the school will have a total of 27 teachers.

Peggy Green, 13 year old daughter of Mr. and Mrs. Billy C. Green underwent a tonsillectomy last week. After three days in West Coke Hospital she is home and making a fast recovery.

**LETTERS TO THE EDITOR**

Dear Editor:  
 My late father, Dr. J. H. Herndon, practiced medicine in the Miles area for 40 years. His territory included parts of Runnels, Tom Green, Concho and Coke Counties. He was a well-loved person with a marvelous sense of humor, and was definitely an unforgettable character. Wherever I go, I see people who tell me extremely interesting anecdotes about my father.

There has been no "monument" erected in memory of my dad, so I intend writing a book about him. I can assure you that it will be interesting to read. Also it will contain the names of the 5,000 babies he delivered during those long years of medical practice. I will appreciate it very much if you will print this letter in the next issue of your paper, with a plea for people to write down their favorite anecdotes and interesting tales concerning my father, and mail them to me. Or, if they had rather tell them to me in person, they may write or call me, and I shall gladly go to them for the information.

Thank you very much, and thanks a million to all the people who knew and loved my father for I'm sure I shall be hearing from all of them promptly.

Sincerely yours,

**Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT**

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.**

**HOUSE JOINT RESOLUTION NO. 79** proposing an amendment to Article VIII, Constitution of the State of Texas, by adding Section 1-d to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-d to read as follows:

"Section 1-d. (a) All land owned by natural persons which is designated for agricultural use in accordance with the provisions of this Section shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use. 'Agricultural use' means the raising of livestock or growing of crops, fruit, flowers, and other products of the soil under natural conditions as a business venture for profit, which business is the primary occupation and source of income of the owner.

(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural

use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

(e) No land may qualify for in this Act unless for at least three (3) successive years immediately preceding the assessment date the land has been devoted exclusively for agricultural use, or unless the land has been continuously developed for agriculture during such time.

(f) Each year during which the land is designated for agricultural use, the local tax assessor shall note on his records the valuation which would have been made had the land not qualified for such designation under this Section. If designated land is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional

tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid, there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

(g) The valuation and assessment of any minerals or subsurface rights to minerals shall not come within the provisions of this Section."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

"AGAINST the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

**HOUSE JOINT RESOLUTION NO. 13** proposing an Amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 2 of Article VI of the Constitution of the State of Texas be amended, effective February 1, 1968, by deleting the following language:

"and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner, the wife may pay the poll tax of her husband and receive the receipt therefor."

provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new

language underscored:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and ~~provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner, the wife may pay the poll tax of her husband and receive the receipt therefor.~~

provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

tering such service so long as he or she is a member of the Armed Forces."

Sec. 2. That Section 4 of Article VI of the Constitution of the State of Texas be amended by changing the word "may" to "shall" in the last clause thereof and by deleting the words "in all cities containing a population of ten thousand inhabitants or more."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new language underscored:

"Section 4. In all elections by the people, the vote shall be by ballot, and the Legislature shall provide for the numbering of tickets and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of the ballot box; and the Legislature ~~may~~ shall provide by law for the registration of all voters in ~~all cities containing a population of ten thousand inhabitants or more.~~

Sec. 3. If any other Amendment to Sections 2 or 4 of Article VI of the Constitution of the State of Texas, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this Amendment shall not be construed as nullifying any change made by such other Amendment.

Sec. 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR repealing the poll tax as a requirement for voting.

Sec. 5. If the foregoing Amendment is adopted, the proclamation of the Governor declaring the adoption of the Amendment shall set forth the full text of the amended Sections, as amended herein and as amended by any other proposed Amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Sec. 6. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

**Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT**

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.**

SENATE JOINT RESOLUTION NO. 4 proposing an Amendment to the Constitution of Texas by adding to Section 62 of Article XVI a new subsection to be denominated subsection (c), of said Section 62; authorizing the Legislature to enact laws establishing, subject to the limitations stated, a State-wide System of Retirement, Disability and Death Compensation benefits for the officers and employees of the counties and other political subdivisions of the state, and of the political subdivisions of any county.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas be amended by adding thereto a subsection (c) which shall read as follows:

"(c) The Texas Legislature is authorized to enact appropriate laws to provide for a System of Retirement, Disability and Death Benefits for all the officers and employees of a county or other political subdivision of the state, or a political subdivision of a county; providing that when the Texas Legislature has passed the necessary enabling legislation pursuant to the Constitutional authorization, then the governing body of the county, or other political subdivision of the state, or political subdivision of the county shall make the determination as to whether a particular county or other political subdivision of the state, or subdivision of the county participates in this System; providing further that such System shall be operated at the expense of the county or other political subdivision of the state or political subdivision of the county electing to participate therein and the officers and employees covered by the System; and providing that the Legislature of the State of Texas shall never make an appropriation to pay the costs of this Retirement, Disability and Death Compensation System.

"The Legislature may provide for a voluntary merger into the System herein authorized by this Constitutional Amendment of any System of Retirement, Disability and Death Compensation Benefits which may now exist or that may hereafter be established under subsection (b) of Section 62 of Article XVI of the Texas Constitution; providing further that the Texas Legislature in the enabling statute will make the determination as to the amount of money that will be contributed by the county or other political subdivision of the state or political subdivision of the county to the State-wide System of Retirement, Disability and Death Benefits, and the Legislature shall further provide that the amount of money contributed by the county or other political subdivision of the state or subdivision of the county shall equal the amount paid for the same purpose from the income of each officer and employee covered by this State-wide System.

"It is the further intention of the Legislature, in submitting this Constitutional Amendment, that the officers and employees of the county or other political subdivision of the state or political subdivision of a county may be included in those systems regardless of whether the county or other political subdivision of the state or political subdivision of the county participates in the Retirement, Disability and Death Benefit System authorized by this Constitutional Amendment, or whether they participate in a System under the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as the same is herein amended."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1966, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or

political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

"AGAINST the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

If it appears from the returns of said election that a majority of the votes have been cast in favor of such amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have notice of said proposed Amendment and of said election published as required by the Constitution of Texas, and laws of this state.

**JONES COMMENDED**

Delma Taylor Jones, son of Mrs. Laura E. Jones of Robert Lee, has received a commendation from his commander as "Pride Maintenance Man of the Month", according to a letter from Lt. Col. James R. Tucker of the U. S. Air Force.

Jones has recently returned to the United States after a tour of duty on Guam. He is a 1963 graduate of Robert Lee High School and has been in the Air Force three years. He is now stationed at Castle AFB, Spokane, Wash.

Colonel Tucker's letter follows: "It is my distinct pleasure to advise you that your son has been selected as 'Pride Maintenance Man of the Month' for the month of July 1966 from the Fire Control Section.

Pride, or "Professional Results In Daily Efforts," is a SAC program aimed at getting jobs done right the first time. In direct terms, pride is intended to focus the attention of every member of SAC in taking pride in the correct performance of his job. This award is therefore made on the basis of A2C Delma T. Jones' outstanding standards of technical performance and military proficiency in competition with other personnel of both the 28th and 484th AEMS.

"The recognition that accompanies the pride award is even more impressive when one considers that all of our personnel must put forth exceptional efforts daily while in the forward area. A2C Jones has therefore emerged as an outstanding technician among a great many other excellent personnel.

"I'm sure that you will be as proud of your son as we are in the 28th and 484th AEMS."
