## Bids On Dam To Be Opened

**TEACHER HONORED** — Long-time Robert Lee and Coke County teacher, Mrs. Naomi Lee Powell, was honored by her fellow teachers at a meeting of county teach-

ers Monday night at Bronte. Here, Mrs. Powell, left, accepts a gift from Mrs. Royce Fancher, presented on behalf of Coke County Teachers Association.

### Mrs. Naomi Powell, Longtime Teacher, Honored By Coke County Association

Mrs. Naomi Lee Powell, long time Coke County and Robert Lee school teacher, was an honored guest at Monday night's meeting of the Coke County Teachers Association. The group met in Bronte School lunchroom.

Mrs. Powell was presented a vase from the county teachers association and a plaque from members of the Robert Lee School faculty. She was also honored with the presentation of a poem, composed and read by Mrs. Wilson Bryan. Mrs. Powell told the group that she had been teaching

school several years, but didn't come right out and say how many. She resigned her position as second grade teacher in Robert Lee Schools this past summer, in order to be able to take care of her mother, Mrs. J. N. Adams, of San Angelo.

Mrs. George Thomas, Bronte second grade teacher, was elected president of the county association due to the fact that Bob Wallace, former teacher at Silver, is no longer a member of the county association. Mrs. Royce Fancher, Bronte homemaking teacher, was elected vice-president, succeeding Mrs. Thomas in that office.

The evening session was started off with Robert Lee Prin. Garland Davis' saying the invocation. The meal followed; then Bronte Supt. C. B. Barbee welcomed the visitors. The next item on the program was the presentation to Mrs. Powell.

Main speaker of the evening was Alvin Griffin, an economics instructor at Texas Tech in Lubbock. He was introduced by John Gregg, also of Lubbock and a 1943 graduate of Bronte High School.

Menu for the evening consisted of fried chicken, Italian green beans, baked potato, cherry-nut salad, hot rolls and butter, apricot pie a la mode, coffee and tea.

A report showed that county teachers are 100 per cent in their membership in the county organization, as well as in the Texas State Teachers Association.

The zero hour for the projected big lake of the Colorado River Municipal Water District near Robert Lee comes at Big Spring at 2 p.m. Thursday. Bids on the dam and the spillway and other structures will be opened in the Settles Hotel ballroom.

Thirty-eight general contractors checked out plans for the job, which may be in the neighborhood of eight million dollars. About two dozen contractors have made on-the-ground studies of the site, and O. H. Ivie, general manager of CRMWD, said

he was anticipating at least a dozen and a half bidders on the huge job. Some of the contractors may submit joint bids.

If bids fall within the money, CRMWD directors are expected to make a contract award so work can start before the end of October on damming the Colorado River to impound a 488,000-acre feet lake at capacity. The district's time table calls for impound of water in 1969. The district has a contract to begin furnishing Midland, in addition to other customers, not later than 1970.

Keen interest has been expressed in the job, said Ivie. Some of the largest contractors in the nation have checked out plans for the job which entails moving about 11½ million cubic feet of earth in the construction of a dam which will be 22,000 feet long and well over a hundred feet high.

The massive gated-morning glory concrete spillway, its outlets and stilling basin are expected to represent about two and three quarter million dollars of the total cost of the dam structure. The district has yet to arrange for mounds which will put two dozen oil wells "in the dry," and for relocation of a state highway. Land, utility line removals, rip-rap rock and other expenses are expected to run the total cost to around \$12,000,000. The pipeline contractor will come later.

### Trent Here Friday For District Game

Coach Kenneth Mitchell said Tuesday night that he is looking for another tough ball game Friday night when Trent comes to Robert Lee for the opening of District 4-B competition.

"Trent has made a lot of scores," the coach said, "and last week they beat Asperment."

One of the chief worries on the coach's mind was the loss of Buddy Vosburg in the upcoming game. Vosburg, who has been filling the half-back slot, will be sidelined with a leg injury received in the contest with Bangs, last Friday.

"We had to change our whole offense on account of losing Buddy,"

the coach said. He plans to start Gary Sam Williams in the quarterback position, shifting Donnie Devoll, who has been doing the quarterbacking chores, to fill the spot vacated by Vosburg.

Mitchell's pessimism over the turn of events wasn't strong enough to make him think that his Steer team was going to suffer a defeat at the hands of the Gorillas, for he said his squad was determined to give them a real battle.

Last week's game, which came out 6-0 in favor of the No. 1 Bangs Dragons, gave a good indication as to the strength and determination of the Steers, particularly in the defense department.

Kickoff time for the game Friday will be 7:30 p.m., 30 minutes earlier than previous contests of the 1966 season. The remainder of the season's games will start at 7:30.

Members of District 4-B split their games last week, with Bronte downing Roscoe 25-6, Trent took Asperment 14-0, Hemleigh downed O'Donnell 22-14, Roby fell to Jim Ned 6-0 and Bangs skinned by Robert Lee 6-0.

#### This Week's Games

Trent at Robert Lee, Roby at Loraine, Hemleigh at Forsan, and Bronte at Jayton (Saturday).

#### DOGIES DEFEATED

Robert Lee Dogies were outdone last Thursday night when they traveled to Loraine for a junior high football game. Score wound up 8-0 with the local lads on the short end.

This week gives the Dogies an open date, and the next scheduled game will be Oct. 13 at Bronte.

Mr. and Mrs. Jasper Gaines and son, Walter, of Carlsbad visited here Sunday with his mother, Mrs. Lillie Gaines, and other relatives.

### Boy Scout Drive Underway Here

Seven men were present Monday morning when a kickoff breakfast was held at Henry's Cafe to launch the 1966 Boy Scout fund drive. Judge W. W. Thetford is in charge of the drive and presided at the Monday session.

Thetford explained the purpose of the annual fund raising campaign and introduced Dan McClung of Ballinger, district scout executive of the Tri-Rivers District. McClung spoke on the scouting program and urged a real effort by all workers to raise funds to carry on the work.

Each man present was given cards bearing names of prospective donors. The men were to contact as many of their prospects as possible. Anyone who is not contacted may leave his check at Judge Thetford's office. Checks should be made out to Concho Valley Council, Boy Scouts of America.

### Game Management Group Barbecue, Program Planned

Annual Coke County Game Management meeting has been scheduled for Saturday, Oct. 8. It will begin with a barbecue supper in the county park at Robert Lee at 5 p.m. All members and those interested in game management are urged to make plans to attend.

The Parks and Wildlife Department will be in charge of the program.

The barbecue was planned at a meeting of officers Sept. 19 at the courthouse. Officers are Willis W. Smith, president; Preston Davis, vice-president; Melvin Childress, secretary-treasurer. Directors include Earl Lindsey, precinct 1; Bob White, precinct 2; Dave King, precinct 3 and LeDrew Arrott, precinct 4.

### Deadline Nears On Coke Exhibit

Less than two weeks remain to get items ready for the Coke County Exhibit, Mrs. Tom E. Rives, chairman, reminds Coke residents. The exhibit will be free and open to the public from 10 a.m. until 4 p.m. on Friday, Oct. 14 and Saturday, Oct. 15.

Anyone desiring to show articles are asked to bring them to the Recreation Hall in Robert Lee Thursday, Oct. 13, between 1:30 and 3:30 p.m.

Divisions of the show include antiques, articles of historical value such as pictures, books, maps, and other items, scrapbooks, arts, crafts; gifts; vegetables; flowers; and clothing.

The Exhibit is sponsored by the Coke County Home Demonstration Council and is open to the public to participate and visit.

Information may be obtained by calling Mrs. Rives or Mrs. Fay C. Roe, County Home Demonstration Agent at 453-3751.

## Steers Hold Bangs To One Touchdown

By RONNIE BAKER

A close one again. It could have been 0 to 0 just as well or 6 to 6, but the Steers came out on the short end again after a defensive battle to top them all. One break, that was all, and Bangs will probably remain No. 1, but in my opinion the Steers played just as well if not better. The boys were hitting like they came to play and the fans saw that there was no loafing, statistic wise the Steers were top dogs but there was that one cotton picking break!

#### First Quarter

Bangs won the toss and elected to receive. Skipworth kicked to the 10 yard line where it was returned to the 30. Bangs in five plays went to the Steer 46 where the Steers held and took over. The Steers, in two running plays, moved the ball

for one yard and on 3rd and 9, Devoll stepped back and hit Randy Hall for 27 quick ones. Hall made a great grab to take in the ball, right on his fingertips, and the Steers were in action at the Bangs 38 yard line. The Steers moved to the 29 where they lost out on downs. Bangs couldn't move in three plays so they punted to the Steer 49 yard line. Williams went for 15 yards and a first and then on second and 9 the break happened. On an attempted pass play the ball was shaken loose and a Bangs lineman caught it in the process and went for the Bangs touchdown. Try for points were no good and Bangs led 6 to 0. Bangs kicked off and the ball went out of bounds at the 50. The Steers took over at that point. Bangs held for three downs and Williams kicked a high one to the

Bangs 14 yard line, good for 42 yards. After one play the quarter ended.

#### Second Quarter

Bangs didn't like the position so they quick kicked and the wind carried the ball out of the end zone 85 yards away. The ball was brought out to the 20. The Steers fumbled the ball on the 29 yard line and Bangs recovered. Bangs drove to the 4 when the front wall got tough and held on downs and the Steers were in possession again. Roach, Bloodworth, Parker, Skipworth, Pitcock and Blair were constantly in on gang tackling to stop this drive.

Roe went for a quick 6 yards but the Dragons got tough and Williams had to punt again. The kick went 30 yards to the Bangs 41. The clock was nearly out and Bangs went to the air. Randy Hall intercepted one

at the Robert Lee 25 and with some good moves, the Steers got the ball back to the 50. But Bangs held again and time ran out as the Steers were forced to punt.

#### Third Quarter

Bangs kicked off to the Steers who returned it to the Robert Lee 35 yard line. The Steers went for one first down, on a 19 yard carry by Blair and then another first on carries by Devoll and Williams. But the Dragons got tough and Williams punted another high one to the Bangs 21 yard line. But a Dragon fumbled the punt and Craig Thomason pounced on it to give the Steers possession. They moved the ball to the 12 yard line where on the 4th down try the Dragons held. Bangs couldn't move so they punted out to the Steer 39. Time was consumed fast in the 3rd quarter as the

clock ran steadily on.

Devoll completed an 8 yard pass to Pitcock and then on another pass to Pitcock, an interference call was made for 28 yards more and the Steers moved the ball to the Bangs 30 as time ran out on them in the 3rd quarter.

#### Fourth Quarter

The Steers moved to the Bangs 21 where Bangs held and took over. They couldn't move and punted to the Steer 9 yard line with the wind carrying it far again. The Steers couldn't move in 3 downs and punted to the Bangs 35 yard line. Again Bangs was stalled and punted to the Robert Lee 20. The Steers ran out the clock trying desperately to get something going but to no avail. Time was again consumed rapidly on ground plays as the 4th quarter sped to an end.

### Make Room For Fall Clothes

With the summer season over, it's time to check the clothes closet for the fall season.

As you clean the closet, decide what can be turned into worthwhile clothing again and what should be discarded. You will probably find an old favorite, a misfit, or still another garment which may have been a hasty purchase or just out of date.

As you sort through the clothing, divide those not being worn into the following groups: (1) needs mending; (2) wrong hem length; (3) doesn't fit; (4) not needed; (5) don't like; (6) aren't using; (7) is worn out; (8) is out of date.

You may want to start with the items that require the least time, effort and money and then proceed to the more difficult problems. Sort out those items most easily mended — buttons, buttonholes and popped seams. Then look at those in which the mending is a greater problem—such as holes or tears. Be sure the garment is worth the effort.

Adjust hems to a becoming fashionable length. Cut off the hems that are too long, and lengthen those that are too short, if possible.

If a garment doesn't fit, can it be corrected? If not, place it in the group you are discarding.

Some items of clothing may no longer be needed, such as special event clothing, graduation dresses or formals, sports clothes for sports no longer engaged in and other clothing which can be discarded. You may wish to consider remaking some of these items, when it is doubtful they will be worn as they are.

### Beans

It's a good year for bean lovers. This year's crop is forecast at 192 million hundredweight, 17 percent above last year and slightly more than average. Look for lots of Great Northerns, pintos, kidney, navy and pea beans this year.

Dry beans always are a family food bargain. A pound of this low-cost food will provide 7 to 9 servings. Members of the dry-bean family once were extra-slow to prepare in home kitchens. Times change, however, and so do cooking methods.

For example, USRA suggests a quick and effective way to soak beans. Start by boiling them in water two minutes. Then remove from heat, soak one hour and they are ready to cook.

Cooking time also may be shortened by adding baking soda to the soaking water — about 1/8 teaspoon for each cup of dry beans.

USDA's Consumer and Marketing Service reports especially plentiful supplies of these beans at markets this October. So now, when autumn days are growing cooler, the family will especially enjoy hot bean dishes.

Beans not only are tasty, but nutritious, too. All dry beans are protein-hearty and good for energy. They contain B vitamins — especially thiamine. Beans are a good source of calcium and are real nug-

gets of mineral value for the iron they provide.

Beans make the ideal teammate for meat and other foods. Even when they're served as the main dish, a little meat or cheese is usually added to improve flavor and nutritive value.

Count beans in your October shopping lists.

### Highway Dept. Approves \$31,100 for FM Roads

The Texas Highway Commission this week approved the spending of \$31,100 for highway safety and betterment and improvement of the farm to market road system in Coke County during 1967. District Engineer J. A. Snell of San Angelo said. The work is part of the Highway Commission's combined 1967 Farm to Market Road Improvement and State Highway Safety and Betterment program. A total of 4.3 highway miles in the county will be involved.

The safety and betterment portion of the program will cover 2.2 highway miles in Coke County and cost an estimated \$27,500. The farm to market road improvement part will involve 2.1 FM miles and cost an estimated \$3,600.

Statewide, the program calls for the improvement of 5,587 miles at an estimated construction cost of \$39.9 million and right of way cost of \$161.5 thousand.

Work will include 912 projects in 215 of Texas' 254 counties.

Mr. and Mrs. W. D. McAdams were weekend guests of Mr. and Mrs. V. L. Wood of Abilene. Mrs. Wood and Mrs. McAdams are sisters.

# 60 PIONEERS HONORED AT TEA HELD THURSDAY IN ROBERT LEE

The 60 Coke County pioneers who attended the tea given in their honor last Thursday afternoon, Sept. 29, at the court house came from all over the county. It is believed that every community was represented. Also some former citizens now living in San Angelo, attended.

Mrs. J. N. Adams, 93, of San Angelo, was the oldest person attending, but Will Millican of Edith and Mrs. S. O. Jackson of Bronte were not too far behind.

Mrs. Hawley Allen, the former Amelia Caraway, was the one who had arrived in the county at the earliest date, 1883, six years before Coke County was created out of Tom Green County.

Time was spent in reminiscing, looking at old pictures and other objects of yesteryears. For some time

an antique pump organ was the center of interest for the pioneers. They played the organ, sang and danced. Pete Davis would probably be voted the champion organist, however, Mrs. C. E. Arrott, Mrs. Bryan Yarbrough and Mrs. J. N. Adams took turns at the organ.

County commissioner Fern Havins and Mrs. Arrott were the undisputed champions of the dance when they waltzed to "Over the Waves."

Refreshments of cake, punch, coffee and nuts were served. Mrs. William H. Allen served cake and Mrs. Maurice Yarbrough poured punch.

Members of the Coke County Historical Survey Committee were hosts for the occasion, which was the highlight of County History Appreciation Week.

Activities for the week were planned to extend through Friday but were terminated Thursday in order to make it possible for Coke County to have a representative at the first annual Official Texas Institute for Small Museums. The Institute was held Friday, Sept. 30 through Sunday, Oct. 2 in Woodville, Tyler County, in deep East Texas.

Mrs. Bryan Yarbrough, chairman of the Coke County Historical Survey Committee, attended the meeting at Woodville. She accompanied delegates from Ballinger.

Mrs. Yarbrough said the cleaning of veterans' graves is not complete, but will be completed as soon as possible. She said this project proved to be a tremendous undertaking

## Juanice Sheppard Weds Col. Leonard C. Herr

Juanice June Sheppard and Col. Leonard C. Herr exchanged wedding vows in the chapel at Dyess Air Force Base at 5 p.m. Oct. 1.

Chaplain, Capt. Edward B. Sponburg, performed the ceremony. Mrs. Leslie Copeland was organist, and Mrs. Eddie Braswell was soloist. Both are sisters of the bride.

The bride is the daughter of Sheriff and Mrs. Melvin Childress of Robert Lee. The bridegroom is the son of the late Mr. and Mrs. Leonard C. Herr of Clinton, Maryland.

The bride was presented in marriage by her father. She wore a forest green long pea jacket suit with beige accessories. She carried a nosegay of yellow gladiolas surrounded by gardenia leaves.

Attending the bride was the matron of honor, Mrs. Marion Barr of Abilene. She wore a pale pink polished cotton-silk A line dress with darker pink accessories. She carried an all green bouquet.

Best man was Major Noel Thomas, presently stationed at Dyess Air Force Base. Leslie Copeland and Eddie Braswell, brothers-in-law of the bride, were ushers.

A reception dinner was held in the Jade Room at the Starlight Inn in Abilene.

Following a wedding trip to Dallas the couple will make their home at 1614 Yorktown in Abilene.

## Sun Raises Price Of Raw Crude Oil

Sun Oil Co. last week became the second purchaser to post an increase of five cents per barrel on the price it pays for West Texas intermediate-type sweet crude.

Its new top of \$3.06 per barrel for 40 to 44.9 gravity crude applies to 30,000 barrels daily purchased in 26 pools in six counties — Scurry, Fisher, Kent, Coke, Sterling and Mitchell.

Sun's new posting matches one instituted previously by Pan American Petroleum Corp. on 130,000 barrels of intermediate-type crude purchased daily in West Texas and New Mexico. Pan Am also raised its price on the area's sour crude to \$3 per barrel for 30,000 barrels daily.

Fields in this area which will be affected by the price increase include East Windkirk, IAB, Jameson, Lygag, South Lygag, McCutchen, West McCutchen, Millican, Munn, and Windkirk in Coke County; North Jameson in Coke and Mitchell; McCabe in Mitchell; and Southwest Jameson and West Jameson in Sterling County.

### BCD Hears Report On Sewer System, Discusses Impact Of Lake Construction

Mayor Robert Vaughan gave a report to BCD members on the new sewer system for Robert Lee when they met at noon Tuesday for their luncheon meeting. The gist of the mayor's talk was that progress on the sewer system is being made as rapidly as possible, in order to thoroughly take care of all the details connected with it.

Engineers are here, he said, doing the necessary work to prepare plans and specifications for the system. Authorization has been received to proceed with drawing of the final

plans, and they should be ready in about 60 days.

Vaughan said that the disposal plant planned for Robert Lee will be similar to the one recently installed at Rising Star. It will be larger, however, and will be built to accommodate a population of 2500 persons. It will also be planned so that additions can be constructed, if the town grows beyond this number.

The disposal plant will use a relatively new approach to sewage disposal. It will be a contact stabilization plant, which utilizes the injection of oxygen and chlorine into raw sewage to purify it and make it odorless.

Mayor Vaughan has made three trips to Rising Star to make on the site inspections, and Freeman Clark and A. B. Sheppard were there only last week. All report that the contact stabilization system of treating sewage is everything it is represented to be. The only drawback, the mayor said, is that it is somewhat more expensive than some other types which might be installed.

G. C. Allen announced that bids on the Robert Lee dam will be opened at 2 p.m. Thursday at the Settles Hotel in Big Spring. Cumbie Ivy, Jr., chairman of the community committee to assist the successful bidder, plans to be in Big Spring for the bid opening, if it is determined that he could be of immediate help.

In connection with the forthcoming dam construction President Vaughan Davis pointed out that the building of the dam is something that most residents of this area have been looking forward to all of their lives. "We have all heard talk of a dam on the Colorado River and waited for it to become a reality. Now we have the chance to watch it develop into the largest opportunity for growth in Coke County history," Davis said.

Considerable discussion was had regarding places for parking trailers. W. D. McAdams said that a Balingier woman was here Monday and leased two lots which she plans to sublease for the parking of about 40 trailers. Maurice Duncan reported he has a plot of land that will park 60 trailers. Davis said he feels that the city can easily handle at least 125 trailer homes.

Mayor Vaughan reported that a representative of Western Auto Store was here last week, checking on possibilities for locating in Robert Lee. The mayor also said that several of the contractors who are bidding on the dam have inquired into the possibilities of securing water from the city for use in construction. He pointed out that the city has secured a small amount of revenue all along by selling water by the truck load.

President Davis thanked the 16 members present for braving the wet weather to attend the meeting.

### PO Patrons Should Zip Code Mail Lists

Residents in the Robert Lee area will be offered an opportunity to ZIP code their mailing lists during the month of October.

Beginning October 10 every patron of the Robert Lee office will receive a "no postage needed" card. The cards will have blank spaces for addresses used most often and for which mailers do not know the ZIP codes.

Legibly print your most often used un-coded addresses on the card and return it to the Robert Lee post office. The post office will ZIP code the addresses and return the card to you. Names are not required on the addresses submitted. Only street names or box numbers and the town of destination.

Return addresses must be on the card so they can be returned.

October 10 to 15 has been proclaimed as "ZIP code week" to promote greater usage of ZIP code. ZIP code will help a great deal in speeding delivery of Christmas mail this year.

Over half the population is using Zip on their personal mail and the goal of the Post Office Dept. is to get as close to 100 percent as possible this year.

# Robert Lee Young People Now Enrolled In Different Colleges

Information has been obtained by The Observer on 40 Robert Lee persons, or persons who have lived here until recently, who are now attending college. Most of them are young people who are continuing their education after graduating from the local high school.

An effort was made to find out each student's classification and major field of study. However, it was impossible to secure all this information, and it will not be complete on some of the students listed below.

Here is the list, the colleges, the classifications, and majors, when known:

Angelo State College leads the schools with the most Robert Lee students enrolled. They are Doyle

## LOCAL MEN ENLIST IN U. S. ARMY

Sgt. Wayne L. Defenbaugh of the San Angelo Army Recruiting Office announced the enlistment of Perry Richard Thomason and Richard W. Ledbetter, both of Robert Lee.

Thomason, the son of Mr. and Mrs. Melvie Thomason, entered the airborne division of the army. Ledbetter, who will train to be a mechanic, is the son of Mr. and Mrs. Clifton Ledbetter of Silver.

Sergeant Defenbaugh said he can take men who are expecting to be drafted and give them some choice in which part of the army they serve if they make application for enlistment a few days before date of draft.

## FFA ELECTS NEW OFFICERS

Alfred Blair is president of the Robert Lee Chapter of Future Farmers of America. New officers were elected at a meeting Sept. 20.

Other new officers are Gaylen Pitcock, vice president; Keith Waldrop, secretary; Roy Blair, treasurer; Darrel Pitcock, reporter and Steve Rives, sentinel.

Alfred Blair was also elected to represent the chapter as a district officer. Roy Blair will go as the voting delegate.

## SPANISH CLUB ORGANIZED

"Los Cuernos" is a newly organized Spanish Club in Robert Lee high school. It is composed of second year Spanish students for the purpose of helping members speak the language more fluently and to create an interest in Spanish.

The club met for the first time recently and elected 1966-67 officers. They are: Kitten Dean, president; Melinda Percifull, vice president; Vernoy Vaughan, secretary-treasurer; Marilyn Wallace, reporter. Mrs. Frank Coalson, Spanish teacher, is faculty sponsor.

## BAND OFFICERS NAMED

Band officers recently elected to serve during this school year include Jeannie Hatch, president; Rhea Jean McCutchen, vice president; Kitten Dean, secretary-treasurer; Kathy Percifull, reporter.

The band attended Band Day at Abilene Christian College in Abilene Sept. 17. Members participated in a parade and attended the ACC-East Texas State football game. The band didn't perform at halftime, as planned, because of heavy rain.

# My Mommy cooks With modern Gas because it's cool

Gas cooking is cool because when you turn a gas burner off, it's off — instantly. There's no hangover heat to heat up your kitchen. Gas broiling is cool, too. (You broil with the door closed.) New Infra-red gas broiling is even cooler because it's so fast. So if you want to cook cool, get a modern gas range. See them now at gas appliance dealers or Lone Star Gas.

## Auto Dealers Have A Big Weekend

Robert Lee's two automobile dealers had a fine showing of their new models last weekend. Both Cumbie Ivey Jr. of Ivey Motor Co. and Robert Vaughan of Vaughan Chevrolet Co. said this year's showing was one of the best they've ever had. Both expressed their appreciation to the many persons who came by to view the new automobiles.

Not only were the local dealers pleased with the number of visitors who dropped in to look and partake of refreshments, they were happy with the sales made over the weekend.

Vaughan said he sold new cars to Alvis Wood, Hugh Lewis Jr., W. T. Roach, L. E. Smith and G. E. Thomas.

Ivey reported sales of 1967 models to Carolyn Cargile, R. J. Warren, Clarence Mitchell, S. E. Adams, Foster Conger, Alfred Gunn and Joe Gabriel. Sales were made on left over 1966 models to Mrs. Woodrow Gardner, Howard Bond, Gladys Waldrop, Curtis Walker, H. L. Bloodworth and Oliver Keel.

Showing of new model automobiles has become a big event in the life of Americans during the last several years. Dealers make it an enjoyable occasion, not only with their presentation of the new shiny cars, but also with free refreshments and gifts for their guests.

Mr. and Mrs. Sloan Boone were overnight guests Friday in the home of their son, Richard Boone, and family of Fort Stockton, and visited Saturday afternoon with their daughter, Mrs. John Doggett, and family at Midland. On Sunday, the Boones visited in Sweetwater with their two daughters, Mrs. Marvin Glasgow and Mrs. Marion Hicks, and their families.

## B TEAM GOING TO COLEMAN

Robert Lee's B football team will travel to Coleman Thursday night for a gridiron contest. Kickoff time is 7 p.m. Fans are invited to follow the team and back these boys.

## Board Raises Price On Land For Lake

The first of a series of condemnation hearings was completed at the courthouse in Robert Lee Monday, and two more were begun Tuesday, but were continued until Wednesday when the board of commissioners met at 9:30 a.m. The suits were filed by the Colorado River Municipal Water District for the purpose of obtaining land which will be used for the dam and lake which will be situated above Robert Lee.

The hearing Monday was on condemnation of 369.4 acres of land owned by Weldon Gordon and others. The acreage is known locally as the old Carroll Russell place.

Special commissioners hearing the question of setting price on the land, mineral rights, etc., were William H. Allen, J. W. Service and J. F. McCabe Jr.

The commissioners awarded a total of \$90,500 in this suit. Of this amount, \$59,649.07 went to Gordon for the land; \$10,465 also went to Gordon to pay off a loan; \$7,500 went to W. L. Johnson who holds a garvel lease on the land; and \$2,885.93 went to royalty holders.

Earl Smith, San Angelo attorney, represented Gordon, Johnson and the mineral rights owners, said the case would be reviewed and appeal of parts of the award may be made.

Commissioners who are hearing the suit involving 2,410.51 acres of land belonging to Marvin A. Simpson and others and 294.25 acres owned by William M. Simpson are J. O. Rudd, Bert Blaylock and Will Percifull.

## MRS. DAVE KING HOSTESS TO GREEN MT. H.D. CLUB

Green Mt. HD Club met in the home of Mrs. Dave King Monday, Oct. 3. Eight members and one child were present. The program was on "Christmas Ideas."

Mrs. Floyd Harmon, president, gave a report on her trip to Corpus Christi, to attend the state home demonstration convention.

Cake and cold drinks were served. Next meeting will be in the home of Mrs. Sam Duncan Oct. 18.

## Seniors, Parents Receive Invitation

Senior students of Robert Lee High School who are planning to go to college, and the parents of these students, will have an opportunity to meet and talk with representatives from various colleges at a College Night program at Cooper High School in Abilene Tuesday night, Oct. 18, at 7:30 p.m. Letters have been sent to principals of high schools within a 50 mile radius of Abilene issuing an invitation to the meeting.

Representatives from 30 colleges, universities and junior colleges will participate in College Night. Each student and parent will have an opportunity to attend three different discussion groups to obtain information about three different colleges in which they are interested. The college representatives will discuss such matters as entrance requirements, application procedure, estimated yearly cost, courses of study, or fields of specialization offered, type of housing available, financial aid, and opportunities for social development.

College Night is being sponsored by the Parents Clubs of Abilene and Cooper High Schools for the purpose of giving area seniors and their parents the opportunity to secure first-hand information about colleges early in their senior year.

## RAIN HITS 3.8 INCHES IN COKE

Earth-soaking rains returned to the Coke County area and other parts of West Texas early Tuesday morning when a cool front blew in and dropped temperatures into the 50s.

Heaviest rainfall apparently moved across Coke County from its southwest corner in a northeasterly direction. Heaviest rain was reported to The Observer was on the Divide where Fred McCabe reported 3.8 inches, in Robert Lee with 3.1 inches, and Oak Creek Lake in the northeast part of the county with 3.5 inches.

Other amounts reported include:

Dave King, Edith, 2.7 inches; Silver, 1.6; J. O. Rudd, south of town, 3.0; Leeper Ranch, north of town, 1.15; Sanco, 1.7.

Mr. and Mrs. Dee W. Smith and David of Houston are guests this week in the Lowell Roane home.

Mr. and Mrs. Ernest Buford of McCamey, accompanied by Mr. and Mrs. Fern Havins, went to Houston Wednesday. The two couples traveled by jet from San Angelo and are attending the county judge and commissioners state convention for three days.
