Steers Start District Play

Robert Lee Population Estimated At 1500

Robert Lee's population was estimated at 1500 when a discussion of this matter came up at Tuesday's BCD meeting. W. D. McAdams, local West Texas Utilities manager, suggested this figure based on the number of meters the

Rites Held For Palmer Leeper

Funeral services for John Palmer Leeper, 74, of Sanco were held Friday at 3 p.m. in the First Methodist Church Chapel in Sweetwater. Officiating at the services was the Rev. Darris Egger, pastor, assisted by the Rev. Bobby Palmos, Robert Lee Methodist pastor. Burial was in Sweetwater Cemetery, under direction of Cate Spencer Funeral Home of Sweetwater.

Mr. Leeper died Tuesday, Sept. 19, at 11 p.m. in Shannon Hospital in San Angelo.

He was born April 4, 1894, in Denison, and married Mary Anne Platter in Denison in 1919. She died in 1935. He moved to Sweetwater in 1925 and was manager of Western Windmill for Sweetwater, Odessa and Lubbock. He also operated a business in Robert Lee for several years. He married Jo Ella Arledge in 1938 in Sweetwater.

Mr. Leeper retired from business in 1945 and moved to his ranch at Sanco, where he lived until his death.

He served overseas in World War I and attained the rank of captain.

Survivors include his wife; two sons, John Palmer Leeper Jr. of San Antonio and Townner S. Leeper of El Paso; and five grandchildren.

Pallbearers were Percy Witt, George Thompson, Jess Davies, and Phil Sparkman, all of Sweetwater; Otis Campbell, Marvin Simpson, T. M. Wylie and L. B. Menielle, all of Robert Lee and Douglas Stephenson of Friona.

OIL NEWS

A wildcat has been staked in extreme south Coke County by E. B. Germany & Sons-Paul Page of Dallas. The test will be an attempt to extend the one well Eliza Baker, North (Caddo) Field of north Tom Green County one mile west and slightly north, into Coke County.

The test will be the No. 1 Salsich, and location is 660 feet from the north and east lines of 5-GC&SF. Plans are to test to 6,550 feet with rotary.

Sun Oil Co. has announced location for its No. 18 Fred Jameson in the Bloodworth (5,700 foot) field, 16 miles northwest of Robert Lee.

Location is 660 feet from the south and 1,980 feet from the west lines of Section 314, Block 1-A, H&TC Survey. Proposed depth is 5,950 feet with rotary.

Light Bulb Sale A Big Success

The annual Lions Club light bulb sale held Saturday by Robert Lee-Silver Lions Club was declared a huge success, and Furst M. Moore, president, said the Lions "would like to express their appreciation for the great response."

Anyone who didn't purchase bulbs during the sale is invited to contact John D. Mumford, Lion secretary, who has a good supply.

The Lions have another project going now. They are collecting items to assist flood stricken persons in the Rio Grande Valley in both Texas and Mexico. Collection containers have been placed in the stores of Robert Lee, and anyone who wishes to help the storm and flood victims is invited to deposit gifts in the containers.

A Ladies Night is planned by the Lions for October 3. Entertainment for the event will be provided by Charles Taylor of Bronte, well known pantomimist. All Lions are urged to make their plans to attend.

Oct. 12 Date For Coke Pioneer Day

Oct. 12 has been set as the date for a Pioneer Day celebration and dedication of a marker commemorating the Fencing War in this area. Mrs. Bryan Yarbrough president of Coke County Historical Survey Committee, announced the event this week, and asked that everyone in the county make plans to attend the affair.

More detailed information on the program will be carried in next week's paper.

The Robert Lee Steers will begin District 6A competition this weekend when they travel to Abilene to take on the Woodson High School Rams. The Steers are looking for a victory after their re-

CORRECTION

The football ad, sponsored in this week's Observer by Robert Lee merchants and others, states that the football game Saturday with Woodson High School will begin at 8 p.m. This is incorrect, as kickoff time is 7:30 p.m.

The Observer regrets this error and hopes nobody will miss the kickoff because of it.

Vaughan Has Big Show Day

Robert Vaughan, owner of Vaughan Chevrolet Co. in Robert Lee, had a big day last Thursday when he displayed the new 1968 model Chevrolets. Hundreds of area residents came by to see the new cars and enjoy the free refreshments.

Vaughan also gave four door prizes, which went to the following persons:

Bridge and table set to Ollie Roe; camera to Mrs. Gene Hinnard; ash trays and lighters went to Joe Abalos and Finnell Smith.

Vaughan expressed his appreciation to everyone who visited his firm last Thursday and invited the visitors back when they are in the market for a new automobile.

Mrs. J. B. Robertson visited her son-in-law and daughter, Mr. and Mrs. Ray Aldridge, at Dallas last weekend.

sounding defeat last Friday of Eldorado.

This week's game will be held on Saturday instead of Friday and kickoff time will be 7:30 p.m. The contest will be played in Fair Park stadium on 7th street in Abilene.

According to the Harris Rating System, the Steers are rated No. 46 in all Class A schools of Texas, with a playing strength of 93.1.

The Steers victory last week over Eldorado added considerably to their stature and moved them up to 4th place in district standings.

Last Week's Results

Robert Lee 24, Eldorado 14; Wylie 20, Throckmorton 8; Aspermont 24, Rule 14; Merkel 46, Knox City 0; Jim Ned 24, Menard 0; Rotan 24, Roby 0; Coahoma 30, Roscoe 0.

This Week's Schedule

Robert Lee at Woodson (Sat.); Wylie at Merkel; Jim Ned at Aspermont; Rotan at Roscoe.

Salvation Army Asks For Help

The Salvation Army is requesting donations to aid victims of the storm and subsequent floods which came with Hurricane Beulah. The Army has made arrangements for Robert Lee donors to leave their contributions with Mrs. Curtis Walker, and they will be picked up at 1 p.m. Friday.

Most anything local residents have to give is needed by the storm victims. Particularly requested are clothes, foods, and bedding, but most anything usable is needed.

Robert Lee area donors are asked to be sure to have their gifts at Mrs. Walker's home before the 1 o'clock deadline Friday.

Silver Gets .5 Inch Tuesday Night

Rain showers fell over this area Tuesday night as clouds blew into the area ahead of a cold front which had lowered temperatures to around 60 degrees early Wednesday morning.

Silver recorded the most rain with .50 inch; Robert Lee had .25 inch; Sanco reported .30 as did the area south of town. No other reports on amount of the rain fall were available at press time Wednesday.

Ivey Having Punt, Pass, Kick Contest

Cumby Ivey Jr. this week announced his firm's annual punt, pass and kick contest for area youngsters. The contest is held each year for youngsters age 8 to 13, and trophies are awarded to winners.

Winners of the contest will be decided at 2 p.m., Saturday, Oct. 7, and all entries must be in by Oct. 6.

Has Good Showing

Ivey also thanked the people of this area for coming by his firm last Thursday to see the new 1968 model Fords and Mercurys on display. He said a large crowd was in during the day to see the new cars and partake of the free refreshments.

Robert Lee Steers Whip Eldorado Eagles, 24 - 14

By RONNIE BAKER

Tranquilizers and heart pills!! That was what was needed the last two minutes of Friday night's contest. I have never seen a more thrilling finish in any football game as was this one. It looked like it was all over for the Steers but they fought back and won it with a never-say-die attitude.

The line was outweighed again by 20 or 30 pounds, but their speed was the difference as they struck for their first two touchdowns. The blocking was excellent considering the difference in weight. The final two minutes showed the effect of good blocking as the Steers struck lightning quick for two TDs and the come-from-behind victory.

First Quarter

Eldorado received the opening kick off at the 15 yard line and with a return to the 22, the ball game was underway. Eldorado moved for a first down at their 36 but were held at the 40 by the Steers. Eldorado punted to the Steer 20 yard line. The Steers reacted quickly with Williams going 28 yards to the Eldorado 48 yard line. Then he took to the air.

An alert Eldorado back picked it off at their 13 yard line. The Steer defense really got tough and Eldorado, with 3rd down and long yardage, tried a quick kick. It fell short at their own 35 after a fine run back by Darrell Pitcock to the 20. The Steers made a 1st at the 9 yard line, then moved to the 7 where Williams hit Donnie Devoll over the middle with a quick pass for the TD. The try for extras failed and the Steers led 6 to 0.

The Steers kicked to the 20 yard line with a return to the Eagle 47 by Eldorado. They made a 1st at the Steer 40, then lost to their 41 yard line as the quarter ended.

Second Quarter

Another quick rush by Lynn Beal and Tooter Fields and Eldorado was on the 31 yard line. Then on 3rd and long yardage, R. Devoll and Parker crashed through and threw the quarterback for another 7 yard loss. This put the Eagles in a big hole and they were forced to punt on their own 24 yard line. The kick carried to the Steer 40 yard line where D. Devoll took it and fell behind a wall of blocking. 40 yards later he was on the Eldorado 29 yard line. The Steers moved to the 16

yard line where Williams circled end behind more fine blocking and went in standing up for another TD. The try for extra points failed again and the Steers led 12-0.

Tooter Fields kicked off to the Eldorado 20 yard line with a return to the Eagle 35. The Steers held at the Eagle 40 where the Eagles punted again. The kick was a good one and rolled dead at the Steer 10. The Steers moved for a 1st at their own 28 yard line and with 1st and 10 the Steers fumbled and Eldorado recovered on the Steer 26 yard line. The Eagles took advantage of the break and with a 1st at the 15, another 1st at the 2, they drove on in for the touchdown. The try for points was good, and the Steers lead was cut to 12-7.

Eldorado kicked off to the Steer 35 and Devoll returned it to the Steer 44 yard line. The Eagles were fired up and held the Steers for no gain and they punted on 4th down to the Eagle 34. Then the Steers held and Eldorado punted to the Steers 38 yard line. After running one play the half ended.

ALL DRIVERS REQUIRED TO CARRY VALID LICENSE

Texas' new traffic safety laws require that all persons operating a motor vehicle have in their immediate possession a valid drivers license. A fine up to \$200 may be assessed for a failure to comply with this law. For a second conviction within one year a fine of not less than \$25 nor more than \$200 will be assessed. A third conviction within one year can carry a fine of not less than \$25 nor more than \$500 or by imprisonment in the County jail for not less than 72 hours nor more than 6 months, or by both such fine and imprisonment.

"Texans for Traffic Safety," a safety organization, note that last year 10 per cent of all Texas fatal traffic accidents involved unlicensed drivers and point out that persons who think so little of other people's safety that they refuse to take a driving test, deserve severe punishment.

PTA HAS FIRST MEETING

Robert Lee PTA held its first meeting of the school year last Thursday evening in the school auditorium. Jimmy Herford, president, presided.
Jimmy Bickley, school superintendent, was speaker of the evening and special music was presented by the third grade classes. Room count was won by the fourth grade class.
The Halloween Carnival will be held on October 28.

Choose Cleaner Carefully

Choose your vacuum cleaner with cleaning requirements in mind.

Consider the four types of vacuum cleaners on the market today. These are the upright, the canister or tank, the lightweight (stick or electric broom) and the portable or hand vacuum. Each does a specific job best.

Large areas of rugs or wall to wall carpets are best cleaned with the upright. The upright operates by a combination of suction and sweeping action. In some models, vibrators do the job. This combination of suction, sweeping action and vibrator bars actually "bears" out embedded dirt in heavy pile rugs.

Although the canister type is recommended for rugs and carpets, it operates by suction alone and is less effective as a carpet cleaner. However, many models have a carpet cleaning attachment with rotating brush in the nozzle, available at extra cost. If the canister alone is used on carpeting, spend a longer time vacuuming deep pile rugs.

For general housecleaning, the canister cleaner is recommended over the upright. Portable and versatile, the canister is easy to use on corners, stairs, bare floors, and "above the floor" cleaning chores.

Lightweight vacuum cleaners, such as the stick cleaner and the hand vac, come in handy for daily cleaning and hard-to-clean places such as car interiors and draperies. These cleaners make good second cleaners, but should not be expected to perform heavy-duty cleaning chores.

Budgets and Teenagers

Family budgets are feeling the effects of teenage spending, particularly since September school demands are now at full peak.

Authorities point out that the nation's 22.5 million teenagers spend \$11 billion of their own money annually. And, by 1970, National Education Association estimates predict this figure at more than \$21 billion.

Add to this the influence teenagers exert on family purchases and you find the young a powerful economic force.

Although teenagers are important consumers today, evidence indicates they have little skill in the business of spending. Economists state it is important that youth learn buying skills today, for tomorrow these youngsters will be more important consumers, as family heads. Sociologists say whether these youngsters spend their money wisely or foolishly in adulthood will be a factor in determining the success or failure of their marriages.

Realizing that by 1970 about half the U. S. population will be under age 25, educators are seeking new ways to incorporate consumer education into school curriculums. Many schools have integrated consumer education into mathematics, science, economics, home economics, industrial arts and even English classes.

JUST FOR THE HANG OF IT

Wire hangers used by dry cleaners to return clothes are

only meant as a temporary measure. National Institute of Dry-cleaning personnel say these hangers are not shaped correctly for clothes to hang on them long. Garments often droop and lose their shape or fall completely off if not removed to hangers with the shape of the garment in mind, such as padded hangers for coats and suits and pants holders for trousers.

FOOD DEMANDS FOR 1980

U. S. Department of Agriculture food experts estimate a big increase in food production demands by 1980 if population data holds true. If U. S. population reaches 235 million and if diets change at a similar rate, 1980 farmers and ranchers, as compared to 1966 figures, must produce 8 billion pounds more red meat; 19 billion pounds more milk; 14 million tons more fruits and vegetables; and 6 billion more eggs.

LOOK, MOM, PHOSPHATES

REDUCE CAVITIES—Phosphate treated cereals reduce dental decay, according to dentistry researchers. In a study of 500 school children, divided into two groups, the group receiving cereal with small amounts of sodium dihydrogen phosphate added had 20 to 40 per cent fewer cavities than the group which ate cereal

without phosphate. Researchers say phosphate acts on the system rather than in direct contact with the teeth.

MEAT FLAVORS DIFFER, BUT WHY?

—U. S. Department of Agriculture scientists are testing meat flavors to determine if the taste lies in lean and fat, color or texture. Studies show that most people can't identify ground samples of these meats if the fat is taken out. Further tests indicate that lamb may be the only meat whose flavor is in the fat, although this may also be true to a lesser extent with pork. The role of beef fat to flavor is much less certain, but scientists don't know as yet what other component of beef determines its taste.

COLOR INFLUENCES EGG BUYERS

— Supermarket customers surveyed by a New York State Extension Service showed a preference for aqua-colored cartons when selecting eggs. Pink ran a close second over yellow and white. The report notes that since some customers buy eggs according to the color of the carton, "color on and in egg cartons is a major problem in egg marketing."

Clubs Celebrating National 4-H Week

A four-leaf clover is the symbol of good luck to many people, but to some 76,000 Texas 4-H Club members it is part of the emblem of their organization and a lot more.

The roots of 4-H go deep in Texas. Boys and girls for more than 60 years have been proud members of the organization. As has been the case for many years, they will join with some two and a quarter million members and 23 million former members in the nation in the observance of National 4-H Club Week, Sept. 30-Oct. 7.

During the week, Texas members will be out to tell of the past year's achievements and their plans for the year ahead. For boys and girls between the ages of 9 and 19, 4-H offers opportunities to develop good character and leadership. Learning to work together and accept responsibility along with exploring career opportunities and learning skills are all a part of the Texas 4-H Club program.

In Texas and across the nation, 4-H Club work is directed in the counties by the county Extension agents with assistance from both adult and junior 4-H leaders. In Texas, more than 13,000 volunteer adult leaders work with the members of more than 2,500 local 4-H clubs "To Make the Best Better." Statewide the 4-H program is guided by Texas A&M University, the state's land-grant university. Nationally, the U. S. Department of Agriculture administers the program as the youth phase of the Cooperative Extension Service.

Mrs. Fay C. Roe and Sterling Lindsey, Coke County extension agents, invite youth and their parents, who are interested in knowing more about 4-H projects and activities, to visit their office in the court house in Robert Lee for detailed information.

CRMWD to Appeal Damages Award

Latest word received here from lawyers of the Colorado River Municipal Water District is that they plan to appeal the award of nearly \$1 million made last week for 18 tracts of land which will be covered with water when the Robert Lee Dam is completed.

The suit which was styled CRMWD versus Helen Harris Wilcoxson et al, was heard last week by a board of commissioners appointed by County Judge W. W. Thetford.

Included in the awards made by the board was \$764,515 for surfaces and damages to the remainder of the land including minerals and water rights owned by Mrs. Wilcoxson; \$142,718.80 to Mrs. Patricia Steph and Mrs. Gwin L. Tucker for damages to half interest in minerals and half interest in water rights; and \$9,452.15 to Mrs. Sadie Gwin Blackburn for one-quarter interest in minerals.

Either side has the right to appeal the commissioners' decision, and the case would then be decided by Coke County Court.

PERSONALS

Mr. and Mrs. C. J. Brooks visited Saturday in Big Spring with their daughter and family, Mr. and Mrs. Leroy Hollingshead.

Mr. and Mrs. A. R. Palmer were guests last week in the home of their son and family, Rev. and Mrs. C. H. Palmer, at Houston.

Mr. and Mrs. Curtiss Wayne Walker and children of San Angelo were weekend visitors in the homes of their parents, Mr. and Mrs. Curtis Walker and Mr. and Mrs. Bryan Gartman.

ATTEND WORKSHOP

Six representatives of Coke County Texas State Teachers Association attended a workshop in Brownwood Thursday evening, Sept. 21.

The meeting began with a dinner at 5 p.m. Miss Miller, vice president of the T.S.T.A., was the keynote speaker.

Afterward, workshops were held for officers of different sections. Representing Coke County were the following teachers:

Mrs. Laura Hereford, president; William T. Green, vice president; Mrs. Helen Anderson, secretary; Miss Linda Jones, treasurer; Mrs. Naomi Lee Powell, membership; Mrs. Virginia Walling, public relations.

LOS CUERNOS

"Los Cuernos", the Spanish Club, held its first meeting of the year last week and the following officers were elected by fifteen members present:

President, Thomas McBroom; vice president, Elaine Fikes; secretary-treasurer, Donna Mitchell; reporter, Sue Percifull.

Other members include: Rodney Mathers, Sue Weddle, Sharon Walker, Judy Gartman, Russell Jameson, Danny Jasso, Richard Long, Alfred Blair, Lane Beaty, Mike Brasuel and Scott Jones. Mrs. Pauline Coalson, sponsor, says the Spanish students plan to present several plays and assembly programs throughout the school term and the public is urged to attend.

BETA CLUB

The National Honor Society, better known as the Beta Club, met Thursday to elect officers under the supervision of Mrs. Pauline Coalson, faculty sponsor. The following were elected:

Kathy Denman, president; Vernay Vaughan, vice president; Elaine Fikes, secretary-treasurer; Marilyn Wallace, reporter.

The exact number of members is not now known, but a large number of students attended the meeting. A 90 average is all subjects is a requirement for membership. The Beta Club also plans to sponsor some assembly program during the school year.

STEER-ETTES GOING STRONG

The extra lively group in the stands at football games this season is bound to be the Steer-ettes. The pep squad is composed of 42

Sanco Services For J. B. Cole

Funeral services were held at 2 p.m. Friday at Sanco for John Burt Cole, 80, of Bronte. Burial followed in Sanco cemetery under direction of Williams Funeral Home. Services were conducted in the Baptist Church by the Rev. Harry Morris of Bronte and the Rev. H. L. Bloodworth of Silver.

Mr. Cole died Wednesday at 7:30 p.m. in Bronte Hospital where he had been a patient several days. He had been in ill health for several years.

Mr. Cole was born Jan. 14, 1887 in Minden, La. He came to West Texas in 1889, and was married Dec. 31, 1911, at Sanco to Miss Ollie Goss. He was a member of First Baptist Church of Bronte.

Mr. Cole engaged in farming in the Sanco area until his retirement. In his later years he took up painting and a large number of his art works have been exhibited over the state, particularly in West Texas.

Mr. and Mrs. Cole moved to San Marcos after his retirement, but bought a home in Bronte and moved back to Coke County in 1965.

Survivors include his wife; two daughters, Mrs. Bernice Nickles of Saigon, Vietnam, and Mrs. Nelly Longwood of San Antonio; two brothers, George Cole of Boerne and Bill Cole of Pasadena, Tex.; eight grandchildren and six great grandchildren.

Pallbearers were C. E. Bruton and Homer Cornelius of Bronte; Ulmer Bird and B. D. Gartman of Sanco; Frank C. Dickey and J. W. Service of Robert Lee.

Observer want ads are very effective and cost very little.

lively girls, freshmen through seniors, who have already shown their willingness to stay behind the Steers 200% through thick and thin.

Sponsors are Mrs. Guerrant, Mrs. Coalson and Miss Mize.

Steer-ette officers are Kaye Roberts, president; Donna Mitchell, vice president, and Kathy Denman, secretary-treasurer. These girls, along with cheerleaders Lois Heuvel, Dianne Baker, Jeannie Hatch, Kathy Percifull and Marilyn Wallace, urge the public to attend pep rallies every Friday at 3:15, come to all games, and let the Steers know they have the town behind them!

BAND GOING GREAT

The 1967 Steer Band, under the direction of L. W. Parker, looks and sounds great this season. Sporting brand new uniforms, they have been doing fine half-time performances under the leadership of Vernay Vaughan, senior drum majorette. All twirling for the first time this year and doing a great job are Vickie Rowaldt, Kay Cole, Peggy Green, and Martha Kinsey.

Band officers are: Vernay Vaughan, president; Bobby White, vice president; Vickie Rowaldt, secretary; John Carver, treasurer; Kenneth Prine, reporter; and Scott Jones, quarter master.

Everyone is urged to attend the Band Booster Club meetings and support this hard working group.

FHA HAS FIRST SESSION

The Future Homemakers of America met Sept. 12 for their first session of the year. In this meeting the girls selected chapter parents. They are: freshmen, Mr. and Mrs. John Conley; sophomore, Mr. and Mrs. Javan Vosburg; junior, Mr. and Mrs. Will Percifull; and senior, Mr. and Mrs. Lewis Heuvel. Chapter mother is Mrs. Artell Roberts.

Debra Vosburg was elected F.H.A. girl of the month by the point system (work done for the club). A program on parliamentary procedure was given by President Kaye Roberts. Refreshments were served by a committee headed by Melinda Morris.

CLASS OFFICERS NAMED

Senior class officers who were elected last spring are: president, Ross Adkins; vice president, Ricky Whitaker; secretary, Vernay Vaughan; treasurer, Kaye Roberts; reporter, Craig Thomason; business manager, Keith Waldrop; assistant business manager, Patricia Hughes. Sponsors are Mrs. L. J. Barnhill and Clifford Wilson.

The seniors ask the support of everyone in their "beat tag" sales and their concession stand at ball games.

Junior class officers are: president, Roy Blair; vice president, Bill Burns; secretary, Vickie Rowaldt; treasurer, Cheryl Mayfield; reporter, Steve Rives. The juniors and their sponsor, Mr. Hamby, are fast learning the art of making good pop corn and appreciate your patronage.

Officers for the sophomore class include: Rusty Jameson, president; Donna Mitchell, vice president; Jackie Preslar, secretary-treasurer; Gary Jack Thomason, reporter. Doug Wilkes is the class sponsor.

The freshman class, sponsored by Mr. Rasco, elected the following officers: president, Ernest Hereford; vice president, Kay Cole; secretary, Margaret Flanagan; treasurer, Jerry McDonald and reporter, Peggy Green.

Lynn Shandley is attending the Technical Electronic School in Oklahoma City, and Dwain Gregston is attending Elkins Institute of Radio in Dallas.

ELDORADO FOOTBALL — Continued from Page 1

Third Quarter

The third quarter was a stand-off battle with a kicking contest between the 20 yard lines. Darrell Pitcock recovered a fumble for Robert Lee, but it went to no avail as the Steers had to punt with about four minutes left in the 3rd quarter. The Steers held and Eldorado punted to the Steer 37. The Steers moved to the Eldorado 48 where they were forced to punt. The ball carried to the Eldorado 38 where Eldorado began a good drive, making a first at the Steer 46, another at the 33, then another at the 15, and were on the 8 yard line at the end of the quarter.

Fourth Quarter

The Eagles made their 1st at the five yard line. Then on 3rd and 1, they plunged it over and with the try for extra points good, Eldorado was in the lead 14-12.

Eldorado kicked off to the Steer 15 yard line, with a return to the 39. A quick 1st at the Eagle 47 and another at the Eagle 36 and it looked like the Steers were on the move. But disaster struck and they fumbled at the Eagle 33 yard line. The Eagles took over and moved to their 44 yard line, but a penalty set them back to the 36, where the Steers held them. The Eagles punted to the Steer 28 yard line.

The Steers called time out with one minute and 55 seconds left in

the ball game. They made a 1st at the Eagle 38, then a 1st at the Eagle 28 and called time out again as they lost back to the 30. Then it happened. Freshman Mike Mumford went in to play quarterback. Withstanding all that pressure, he took the ball from center, faked one way, pitched the ball to Donnie Devoll going to the left. Devoll threw the ball into the end zone where Randy Hall raced under it. Bedlam broke loose in the stands as the Steers came from behind. Try for extras failed but the Steers led again 18-14 with little time remaining.

The Steers kicked off to the Eagle 35 and the Steers pounced on the ball carrier at that point, with 25 seconds left. The Eagles went to the air and at the Eagle 45, D. Devoll intercepted and, with nothing but blocking in front of him, he raced to the right side and the Steers had another TD. Try for extras failed and the Steers were ahead 24-14.

One play after the kickoff, the game ended with the Steers the victors.

The Steers made mistakes in this ball game that only the fine defense and the extra good blocking could compensate for. District play begins next week. Being in Class A for the first time, it will be interesting to see the Steers in action in this competition. They travel to Woodson of Abilene Saturday night and that should be a good game to see.
