Albert (Tooter) Fields

### Mr. and Miss RLHS Named At School

In elections held last Friday, Tooter Fields and Lois Heuvel were chosen by the student body

as Mr. and Miss R.L.H.S.

Lois, the daughter of Mr. and Mrs. Lew Heuvel, has been cheerleader for four years and is now head cheerleader. She is also active in FHA, the National Honor Society and Student Council. Outstanding, too, in the sports field, she excels in basketball, track, and tennis, and was awarded the title of Most Athletic Girl last year.

Albert Fields, better known as Tooter, is the son of Mr. and Mrs. Bob Fields. His high school activities include football, basketball, track, baseball, and representation of his class in student council.

#### 4-H ACHIEVEMENT AWARDS PROGRAM SATURDAY NIGHT

Annual 4-H awards program will be held Saturday, Nov. 11, in the Bronte School. A covered dish supper will be served at 6:30 p.m. in the school lunchroom.

The program will follow in the auditorium. All 4-H members and their families are invited to attend.

Mr. and Mrs. Bobby Walker and family visited over the weekend with Mr. and Mrs. Dave King and with his parents, Mr. and Mrs. Curtis Walker.

### Rainfall Total Hits 2 Inches

Rainfall in this area was approaching the two inch mark Wednesday. Three reports to the Observer Wednesday morning showed 1.8 inches and the lowest mark reported was 1.5.

This rain, combined with almost a half inch which fell the latter part of last week should put pastures and small grain crops in good shape for the approaching cold weather.

Farmers and ranchmen guessed that the rain would be worth many thousands of dollars to them. The only complaint which could possibly be heard might come from those who have cotton to harvest. However, one farmer told the Observer that the good done by the rain would far outweigh any damage it caused.

Some representative measurements on the west side of Coke County showed 1.6 inches at Robert Lee; 1.8 at Sanco; 1.8 south of town; 1.8 each of town; 1.5 at Silver and 1.5 to the west in the Edith area.

## Homecoming Festivities Start Thursday Night

Lots of festivities are on tap for this weekend. It will be Homecoming at Robert Lee High School. Activities will really begin today (Thursday) when a Homecoming king and queen will be elected and the grand climax will be the Robert Lee-Jim Ned football game Friday night.

Election of the king and queen will be followed Thursday night by a bonfire behind the school lunchroom. Lighting time for the fire will be 6:30 p.m.

Friday's activities will begin at 1 p.m. when the Beta Club will host a tea for exes. At 3:30, there will be a parade into downtown Robert Lee. Immediately following the parade will be a pep rally in the school gym.

A number of floats will be entered in the parade by classes and school organizations. A prize will be given for the float judged best.

#### Pancake Supper

Guests and local residents will have an opportunity to enjoy a delicious supper from 4:30 to 6:30 p.m., when the senior class will

### Steers, Jim Ned To Meet Friday

The Robert Lee Steers are expecting a record crowd Friday night when they will host the Jim Ned Indians in a Homecoming encounter, which will be the last game of the season for the local lads.

Results of the Friday contest will have no effect on who wins the district title, since that will be decided in the Merkel-Aspermont game. However, the Steers are eager for a win, and particularly so, because of homecoming.

#### Last Week's Results

Aspermont 32, Robert Lee 20; Merkel 49, Roscoe 6; Rotan 22, Jim Ned 20; Wylie 53, Woodson 0.

#### This Week's Schedule

sponsor a pancake supper. Lions Club members will prepare the food and seniors will serve it. Prices for supper are: children under 12, 50 cents; adults, 75

cents; family of five or more, \$3.00.

#### Last Game

The Steers will star on the last event of the Homecoming as they meet the Jim Ned Indians in the local stadium. The contest, at 7:30 p.m., will be the last of the 1967 season.

Special halftime activities will include the crowning of the Homecoming king and queen by last year's royal couple, Melinda Percifull and Carl Bloodworth.

Classes will be dismissed at 2:30 Friday afternoon so students can participate in Homecoming events.

## Amendment Election Set For Saturday

Coke County voters will join those over the rest of the state when they go to the polls Saturday to vote on six proposed amendments to the Texas constitution.

Four ballot boxes will be set up in Coke County, one in each commissioner precinct.

Voting places and election judges have been announced as follows:

Robert Lee, Mrs. Cumbie Ivey Jr.  
Bronte, Matthew Caperton.  
Green Mountain: Finnell Smith.  
Tennyson: Sam Gaston.

Attention of voters is called to the new style ballots which will be used for the first time in Saturday's voting. Instead of each

proposition being listed twice, there is only one printing of each proposed amendment. Beside each proposition are two boxes, with FOR printed by one and AGAINST by the other. Voters will make an X in the box which indicates the way they want to vote. There will be no more scratching out the proposition not wanted.

Ballots which have an entry scratched will be declared mutilated and will not be counted.

Texas voters will approve or disapprove the six constitutional patches to the much amended Texas constitution, listed below, in the order they appear on the ballot.

1. Authorize counties to put all

their revenues into a single big general fund. Presently there are several funds with limitations on the spending from each. Opponents say the single big fund would be too tempting to county commissioners. Supporters say it would streamline county government and make spending more flexible.

2. Let cities, counties and other political subdivisions spend tax money for mental health and mental retardation work when there is a hospital district in operation. Opponents say mental health programs should be financed through present hospital districts to prevent taxing duplication.

3. Set up a \$200 million bond

issue fund to revive the veterans land program of letting veterans buy farm and ranch land from the state on low interest 40-year payment plans. It also would extend the privilege to veterans of the Vietnam and cold war activity. The proposal has been defeated twice previously. Opponents say the state should stay out of the little-bit-down, little-bit-a-month business.

4. Make it legal for counties to pay medical bills for county law enforcement officers injured in the line of duty. If approved, the payments would be permissive but not mandatory.

5. Allow the state to issue \$75 million in bonds and use the mo-

ney to buy land and build state parks. An admission fee, probably \$1 a car, would be charged for use of state parks to pay off the bonds. Supporters say the extra boost in park financing is needed to face a fast growing population that is more recreation minded each year. Opponents say federal money should be used for long range financing with the state furnishing cash for operations.

6. Allow non-elective state officials and employees to serve on state and federal boards and commissions. Present law says they cannot hold down two such jobs at the same time.

**EDITORIAL**

Perhaps you have already read the article which we are printing below, but we feel that it is worthwhile for re-reading even by those who have not read it. The article was written by S. L. DeLove of Chicago, and was first given by him, Dec. 20, 1956, in reply to a radio listener who wrote him: "Your programs are wonderful — but you are waving the flag too much."

We feel that Dr. DeLove's reply reflects very well the mood that used to be America, but which appears to be sadly lacking in many segments of our country.

During this Veteran's Day weekend and at the risk of being called old fashioned and square, we want to say that the article reflects our feeling on the matter of this country almost perfectly.

Dr. DeLove's article follows:

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much?

The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough.

It seems to me that we are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, and the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us... for loyalty, character, and faith in democracy.

Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream. Is it not the zenith of achievement, the goal to which generations have aspired?

Ladies and gentlemen, I believe it is time for us... for the mad, rushing Twentieth Century American... to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded.

Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corrigedor, Pearl Harbor, The Monitor and The Merrimac? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag.

It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and

truly God's gift to mankind. That is what the flag means to me. Can we wave it too much? I don't think so.

# Steers Drop District Game To Aspermont, 32-20

By RONNIE BAKER

## Aspermont 32 — Robert Lee 20

The Bumble Bee defense of the Steers was no match for the overpowering Aspermont Hornets. The weight of the Hornets was just too much for the smaller Steers. You would have had to see how much bigger they were than the Steers. But the Steers didn't give up and they played as hard as they could with the knocks being handed out just as much as they were taken.

The Steers had more 1st downs and more yards passing, but it was nearly impossible to penetrate the line, averaging 185 pounds by Steers averaging 160 pounds. Injuries didn't help either as the Steers were undermanned for a crucial contest like this. But the Steers need no excuses for they are a good ball team.

### First Quarter

The Hornets won the toss with Post kicking to the 20 yard line. It was returned to the Hornet 34 where they had a 1st and 10. They were quickly stopped at the 40 and forced to punt. Then the Steers had a 1st and 19 where the ball was blown dead at the S. 27.

Williams hit Hall with a quick pass for a 1st at the Steer 47; another pass to Hall and a 1st on the Hornet 46, Williams changed receivers and Donnie Devoll took it and moved to the Hornet 26. Again Williams changed receivers and hit Darrell Pitcock in the end zone for a touchdown. The try for extras failed and the Steers led 6 to 0.

Post kicked to the Hornet 5 with a return to the 30 yard line. Again the Steers held and the Hornets punted to the Steer 33 with Hall returning the ball to the Hornet 48 yard line. But the airplanes failed this time and the Steers were forced to punt with the ball carrying to the Hornet 28 yard line. Aspermont made a 1st at their 46, then a long 40 yard pass moved them to the Steer 18 yard line. Then with 3rd and 2 yards, the Hornet quarterback hit his right end for a TD in the end zone. The try for points was no good and the ball

## Low Rent Housing Near Completion

Work is going well on Robert Lee's new low rent housing project, according to Hugh Lewis, Jr. chairman of the local housing authority.

The project will contain 18 low rent units, 10 units for families, and eight for elderly persons. In addition to the residences, an entertainment center in the area of the units for the elderly, and office building are being constructed on the site. The office will be located at the corner of 8th and Bishop.

Lewis told BCD members Tuesday about progress on the project. He said that an official from the Federal Housing Authority will be here Nov. 16 and 17 to help set up the office and business end of operating the project.

Lewis said the local authority already has a long list of prospective renters. No renters are being accepted as yet, Lewis said, as all applicants will have to be checked for eligibility and procedures worked out for accepting renters.

Contractor for the housing units is Herman Bennett Co. of Brownwood. His bid was \$191,790.

Lewis said he expects the project to be completed about Jan. 1.

game was tied up 6-6.

The Steers received the kick at the 20 and that was as far as they could get. The Steers drove for a 1st on the 33, then for another at the 50 as the quarter ended.

### Second Quarter

The Steers kept on the move and made another 1st down at the Hornet 39, another at the 27, but then a pass was picked off in the end zone and Aspermont had the ball at the 20 yard line. The Hornet's big fullback went to work. Plunging the middle of the Steer line, he simply wore them down as he went the 80 yards in 8 and 9 yard whacks to score another touchdown. He also bulled over for the extras and the score was Aspermont 14, Robert Lee 6.

Aspermont kicked off and the ball carried out of the end zone and the Steers took the ball on 20. The Steers moved to their 43 and an alert Hornet picked up another stray pass and they had the ball at the Steer 40. The Hornets drove to the Steer 12, but the bee defense said that was all and the Steers took over on downs. They made a 1st at the 23 and, bogging down, went to the air and again a pass was intercepted. But, going to the air, the Hornets also got one intercepted as Williams grabbed it at the Steer 20 yard line. The Steers had a 1st at the S. 48 as the first half ended.

### Third Quarter

The Steers took the ball at the 8 yard line and returned it to the 28. They made a quick 1st at the 39, then disaster struck again. They fumbled and the Hornets recovered the ball. Again the Hornet fullback went to work and in five plays he plunged over for another touchdown. Again he made the extra points and the score was 22-6.

The Hornets kicked out of the end zone again and with the ball at the 20, Donnie Devoll broke through for a 20 yard gain to the 40. Then they pounded the middle with Whitaker going for 10 and 8 yard gains, a quick pass to Blair for 16 and then at the 1 yard line, Ricky Whitaker burst through for the touchdown and the score was Aspermont 22, the Steers 12.

Post kicked off to the 10 and with a return to the 34, Aspermont started again. Moving swiftly, they went for four 1st downs and a 6 yard run for the TD. Try for extras was good and the score was upped to 30 to 12.

Aspermont kicked off again in the end zone and Williams returned the ball to the Steer 31 yard line. Robert Lee ran two plays

### Fourth Quarter

The Steers went for a 1st at the Steer 44 with a pass to Whitaker, then for another 1st at the Hornet 37 with a pass to Donnie Devoll. A 14 yard run by Whitaker, after a penalty, put the Steers on the Hornet 3 yard line. The Steers lost 5 on a penalty and then Williams fired one to Randy Hall in the end zone for a touchdown. Williams came back with the same play for the extras and Hall took it for 2 points. The score was now 30 to 20 in the middle of the fourth quarter. The Steers attempted an onside kick to try to get the ball back but an alert Hornet scooped it up and ran it to the Steer 49. They drove for a 1st on the Steer 35, and then going to the air, Williams grabbed another interception at the Steer 20.

But Lady Luck prevailed for the Hornets as they recovered a Steer fumble at the 25. The Hornets made a 1st at the 12 and

driving to the 5, the Steers held on downs and took over. But the Hornets held too and the Steers were forced to punt. The punt was blocked and rolled out of the end zone for a safety for the Hornets. The score was upped 2 points and Aspermont led 32-20.

The Steers free kicked and the Hornets returned the ball to their 35 where they had a 1st and 10. They made a 1st on the 50, then another at the Steer 32. With just a few seconds left, they were content to run out the clock with the Q.B. making short plunges.

## Carnival Proves To Be Profitable

A profit of \$1004.11 was realized by Robert Lee PTA from its annual Halloween Carnival held Oct. 25. PTA officials reported that a total of \$1,083.98 was received and expenses amounted to \$79.87, leaving the \$1,004.11 profit.

Amounts raised by classes in the 1-4 grade section were: Grade 1A, \$38.10; 1B, \$55.60; 2A, \$44.90; 2B, \$41.50; 3A, \$43.60; 3B, \$51.30; 4, \$60.90.

Division 5-8: Grade 5A, \$30.70; 5B, \$49.40; 6A, \$30.29; 6B, \$11.40; 7, \$39.25; 8, \$29.70.

Division 9-12: Grade 9, \$29.40; 10, \$22.40; 11, \$17.20; 12, \$12.70.

Total raised by the classes was \$598.25. The remaining \$405.85 was raised from operation of concessions, including booths, bingo room, cake walk and food sales.

PTA officials said they would like to thank everyone who worked at the carnival as well as the hundreds of local residents who patronized it.

## Boy Scout Drive Kick-Off Held

Robert Lee's annual Boy Scout fund campaign was kicked off Tuesday night in a session at the recreation hall. Jerome Sirius is fund drive chairman.

Scout Executive Lewis H. White of Ballinger was on hand to assist in getting the fund drive underway.

Workers were given cards of prospective donors and were requested to contact persons on their lists as soon as possible so that the drive can be successfully concluded in short order.

Funds raised in the Boy Scout fund drive are used to carry on the Boy Scout program of the Concho Valley Council and include financial support for such projects as Camp Sol Mayer where Robert Lee area scouts can go each year for special instruction and participation in the scouting program.

Scout workers urged that everyone in the area be generous when they give to the Boy Scout drive. They noted that the community has only a few years to give each boy this training and pointed out that it can be its best only when properly financed.

## Fort Stockton Man Enters Rep. Race

Fort Stockton — The vacancy in the House of Representatives left by retirement of Rep. Gene Hendryx of Alpine will be sought in the May Democratic primary by George Baker, Fort Stockton newspaper publisher for the last 34 years.

## 29 Persons Receive Birds At Shoot

Twenty-nine persons used their shooting skill last Saturday to assure themselves of a turkey this Thanksgiving. That was the number of flights and the number of winners in Saturday's turkey shoot sponsored by the Quarterback Club and Robert Lee-Silver Lions Club.

Officials of both organizations called the shoot a tremendous success, and expressed their appreciation to everyone who participated. Members of the senior class, who sold refreshments at the shoot also thanked those who patronized their stand.

A total of 29 flights, with 10 guns in each, fired at the targets. Highest score was 27 out of a possible 30.

Proceeds from the shoot will be used for projects of the sponsoring organizations.

## Girl Scout Training Course Is Planned

Girl Scout Leadership Training was held last week in the Baptist Church. Gwen Marks of Abilene, district director, was training instructor. Purpose of the training was to prepare leaders to take charge of girl scout troops.

The prospective new leaders were instructed in everything from the Girl Scout constitution to how to keep girls interested in the scouting program.

So far, 15 Brownies, 20 juniors and five cadettes have signed up to join a scout troop. Mrs. Rex Martin, Mrs. James Deen and Mrs. Richard Beene are going to take the Brownie Troop. Mrs. B. R. Duncan and Mrs. B. A. Wallace will lead the Junior Scouts. At present, only an assistant leader, Mrs. Victor Conner, has been named for the Cadettes.

Mrs. A. R. Baker is neighborhood chairman and Mrs. Tom Conner is troop consultant. Anyone interested in helping with a girl scout troop is asked to contact Mrs. Baker or Mrs. Conner.

## ELECTION ON PROPOSED AMENDMENTS TO THE CONSTITUTION OF TEXAS

Coke County, Texas

November 11, 1967

# SAMPLE BALLOT

INSTRUCTION NOTE: Place an "X" in the square beside the statement indicating the way you wish to vote.

FOR  AGAINST NO. 1 The constitutional amendment allowing counties to put all county taxes into one general fund.

FOR  AGAINST NO. 2 The constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services.

FOR  AGAINST NO. 3 The amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law.

FOR  AGAINST NO. 4 The Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills, and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed.

FOR  AGAINST NO. 5 The amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks.

FOR  AGAINST NO. 6 The constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted.

SAMPLE BALLOT — The sample printed above shows the new form being used for ballots in Texas. The first election in which the new style ballots will be used will be the constitutional amendment election Saturday. Voters will note

that a square by FOR and another by AGAINST should be marked with an X to indicate the way they want to vote. The old method of scratching out the proposition the voter did NOT want to vote for is no

longer correct. Ballots which are scratched out will be declared mutilated and will not be counted. A simple X in one box by each of the six propositions is all a voter needs mark.

**Sewer Plant Work Progressing Okay**

Mayor Robert Vaughan said this week that work is "coming along fine" on Robert Lee's new sewer system. However, he added that slow delivery on some of the equipment may slow down the project between now and its completion. W. B. Abbott of Lubbock is contractor.

The gathering system has been completed for some time, and some local contractors are already soliciting tie-in jobs from potential sewer system users.

Mayor Vaughan said that up until now the delay in equipment delivery has not slowed down work in the treatment plant. He said that a request for further delay may postpone the completion date. The mayor added, "I am now thinking in terms of Jan. 1 as the completion date."

The city has had a very pleasant relationship with the contractors, Vaughan told BCD members at their meeting Tuesday. He said representatives of the contractor have been most helpful in working out problems which have arisen during the construction period.

**W. M. Simpson, 82, Is Buried Here**

Funeral services for W. M. Simpson, 82, former Robert Lee businessman, were held at 2 p.m. Friday in Robert Lee Baptist Church. The Rev. Bill Beaty, pastor, officiated. Burial was in Robert Lee Cemetery under direction of Williams Funeral Home.

Mr. Simpson died at 10 a.m. Wednesday, Nov. 1, in an El Paso hospital, where he had been treated since the previous Saturday for a heart ailment.

Born in Tennessee, he came to Robert Lee with his parents, the late Rev. and Mrs. W. K. Simpson, in 1901, when his father was appointed pastor of Robert Lee Methodist Circuit.

He went to Oklahoma where he was in business with an uncle for a number of years. He married Bert McCabe in 1911, at the McCabe Ranch south of Robert Lee.

He established a grocery business here and operated it until his retirement in 1935. He then moved to El Paso, where he lived until his death.

Survivors include his wife; one son, Wilbur King Simpson of Mesilla Park, N. M.; a brother, Mark Simpson of Norman, Okla.; three sisters, Mrs. W. G. Hunt of Powder Springs, Ga., Mrs. Cortez Russell and Mrs. Bruce Clift, both of Robert Lee; and five grandchildren.

Nephews were pall bearers including Victor McCabe, Wayne McCabe, Jeff McCabe, Fred McCabe, Jr., Marvin Simpson, James Counts, all of Robert Lee; Truett McCabe of Andrews and Bob Northcutt.

Mr. and Mrs. A. R. Palmer visited the John Palmers at Colorado City last weekend.

**Plans Announced For Santa's Visit**

Plans for Robert Lee's big annual Christmas party began to take definite shape at Tuesday's meeting of the BCD, sponsor of the party. Saturday, Dec. 16, is the date of the party.

Events to please all age groups have been planned. Of course, the youngsters will be especially interested in the visit from Santa and the free candy he will distribute. Young people and children will be interested in the free movie which will be shown, and all persons over 16 who have registered for the many free gifts which will be distributed will be interested in the drawing at 3:15 p.m.

BCD President Jim Bickley opened the meeting Tuesday and

turned the program over to Garland Davis, who is planning chairman for the Christmas party.

Dec. 4 was chosen by members as the date for beginning registration for the free prizes. Small slips of paper will be provided for store visitors to sign. Merchants will provide a box or other container for depositing the slips.

Festivities will begin at 1 p.m. when the free movie will start at the Alamo Theater. Following the movie, at 2:45 p.m., the Christmas parade will make its way from Highway 208 to downtown Robert Lee. The school band will be featured in the parade and Santa Claus will make his entrance on the big red fire truck. After Santa has distributed candy to all the children present, the drawing will be held in front of the Observer office. The free gifts will be provided by community merchants.

Davis said that Victor Wojtek will be in charge of the movie; Sheriff Melvin Childress will direct the parade route and be in charge of traffic; Sam Williams will provide the public address system and perform the duties necessary to the drawing; Fern Havins will see that the drawing cage is ready for operation and in place; Fire Chief Waymond Robertson has agreed to provide

the fire truck for Santa's transportation; Vaughan Davis will purchase the candy and the Boy Scout troop will sack it; Mrs. Mary Prine will be in charge of publicity and providing registration slips; Bill Beaty and Bobby Palmos have been appointed to solicit donations from merchants for prizes and to take care of expenses.

A great time was had at last year's celebration, and BCD sponsors said they expected this year's event to be even bigger. The local organization has sponsored the Christmas party for many years, and it has become a tradition in Robert Lee.

Other matters discussed at the BCD meeting were reports by Mayor Robert Vaughan on the new sewer system and by Hugh Lewis on the low rent housing project. Both of these subjects are covered in other stories in this week's Observer.

**Mrs. Williams Buried In Abilene**

Funeral services were held last Friday for Mrs. Bill Williams, wife of a former band director in Robert Lee School.

Mrs. Williams died Tuesday, Oct. 31. She had been hospitalized since the Sunday before in Aspermont and was being transferred to an Abilene hospital. She was dead on arrival at the Abilene hospital.

Her husband taught band in Robert Lee Schools during the 19-63-64 term. After leaving here, Mrs. Williams completed training to teach and was teaching in Old Glory Schools at the time of her illness. Mr. Williams also teaches at Old Glory and is a Baptist minister.

Survivors include her husband, three sons, two daughters, her mother, three brothers and six sisters.

Burial was in an Abilene cemetery.
