Classes To Start Wednesday

Jimmy Bickley
Superintendent

Garland Davis
High School Principal

Clifford Wilson
Elementary Principal

Robert Lee School will start next week. Monday and Tuesday will be used for registration and preparation by teachers, and Wednesday will be first full day of classes.

Supt. Jimmy Bickley said this week that the faculty is complete with a total of 30 members, including five new teachers. He estimated that enrollment should run close to 420 students.

Approximately 400 students were enrolled in school at the end of the term last May, and the addition of a kindergarten class, along with the children from several new families who moved here, are expected to bring the total to the 420 figure.

This will be the first time for Robert Lee to have a kindergarten. The new pre-school class was voted in by the last Texas legislature and kindergartens will spring up this fall in all schools of Texas. Mrs. Betty Beaty will teach the new class.

Registration to Start

Registration of high school students is set for Monday, said Principal Garland Davis. Students in grades 7-12 may report from 1 to 4 p.m. They will be required to fill out enrollment forms and pick up schedule cards at the principal's office.

There will be no pre-registration in the elementary school according to Principal Clifford Wilson. He said students' names will be posted on the doors of their respective classrooms. Anyone whose name is not posted

Included among the cases are the following:

L. A. Bird, et al, vs. Colorado River Municipal Water District, suit to cancel contract.

R. L. Lohse vs. Colorado River Municipal Water District, suit for title and possession.

J. C. Tate vs. Carl Hurley suit for damages and personal injury.

Red Barn Chemicals, Inc., vs. Dolan Mackey dba Mackey Feed & Supply, suit on account.

Jurors summoned for 10 a.m. Monday include:

Terry Frank Bryan, James H. Craig, James Deen, Dale Fields, Ray Shandley, Ivey O. Eubanks, R. L. Flanagan, Louise Hatch, George Newby, Donald Mauldin, Arthur L. Runnion, Marvin A. Simpson, Juanita Trimble, Frank Wojtek, Curtis Walker, Glen W. Mack, Charlotte Wojtek, Gene Hinnard, Marjorie Harwell, J. W. Service Jr., Charles Sims and James Royce Smith, all of Robert Lee.

Also, Billy Magness, H. H. Brunson, John W. Dyess, George T. Eubanks, C. L. Hallmark, Leonard Fletcher, Mary Lou Pruitt, J. E. Scott, Monica Flores, Norman R. Kiker, Thomas C. Lee, C. E. McGuire and Dorothy Faye Pruitt, all of Bronte.

Also, Ted Pitcock of Sanco and Billy M. Jones of Silver.

FOOTBALL PRACTICE

Coach Larry Blair announced that football practice will begin Monday morning at 6:30 o'clock.

All boys who are interested in coming out for the team should report to the gym at that time. He said he expects to have the prospective Steers on the field at 7 a.m.

New Gulf Station Opens Saturday

A new Gulf service station will open in Robert Lee Saturday. The new business will be operated by Bennie Boykin and his wife, Jo Ann. The new station, located on Commerce Street, is being completed this week.

An ad in this week's Observer announces the opening and states Boykin will appreciate the patronage of Robert Lee residents. He will be open each day from 6 a.m. until 9 p.m.

The station will handle a complete line of Gulf petroleum products, along with accessories. A wash and grease service also will be offered.

As a special incentive to his prospective customers Boykin is offering a 24-bottle case of Cokes to everyone who purchases 10 or more gallons of gasoline for only \$1.69.

A cool, convenient waiting room has been built for the convenience of Boykin's customers. The new station will be known as Bennie's Gulf Service Station.

City Council Has Statement on Tax

(Editor's note: The following statement was released this week by Robert Lee city council. It pertains to the sales tax election which will be held Aug. 22. The council members asked that everyone read the statement and give it careful consideration.)

After careful consideration of expenses and income, the City Council states that the city must have additional funds to operate. There are two possible means of obtaining this needed revenue—increase in taxes and increase of water or sewer rates.

The sales tax is the fairest and easiest way to begin. It will be paid by everyone living in the city, property owners and non-property owners. This tax will also be paid by people who live outside the city and use its facilities or who come to Robert Lee for recreation.

The sales tax is not offered as a final step in solving the problems of the city, but it is hoped that it will ease the burden on property owners if additional tax increase is necessary.

Cost of providing services has risen drastically—along with the demands for those services. If Robert Lee continues to grow, the demands on city government will grow right along with it. Robert Lee does not have the revenue to meet the problems of a growing city. The only answer would be a cutback in services, and a step backward for Robert Lee.

The City Council offers the 1 per cent City Sales Tax in the election for consideration and approval by the citizens of Robert Lee.

School Budget Set at \$426,520

Robert Lee Independent School District's board of trustees recently adopted a total budget of \$426,520 for the 1970-71 school term. The tax rate for the district was set at \$1.50 per \$100 valuation.

Of the total amount, \$340,900 is operation expense, while the remaining \$85,615 will be used for debt retirement. The operational expense is \$35,765 more than the 1969-70 budget. Major part of the increase will go for teacher salaries which were increased by legislative action since teachers are now required to be on duty 10 months of the year.

Another added expense is the kindergarten which will be started this fall, also brought about by action of the Texas Legislature.

In other action the board amended the 1969-70 budget to conform to actual expenses and increased school lunchroom prices as follows: 35 cents for grades kindergarten through sixth; 40 cents for grades seven through 12; 50 cents for teachers; cents for others.

BAND PRACTICE

The Robert Lee Steer Band will start band practice Aug. 19 instead of Monday, Aug. 17, as was previously announced.

Band Director Kenneth Mitchell reminded all bandmen to bring their band instruments.

Quarterback Club Plans Barbecue

The Quarterback Club met Monday night at the school with 12 members present. Coach Larry Blair reviewed plans for the Steers during the coming year.

A barbecue is planned by the club for Aug. 28, preceding the 7 p.m. scrimmage between the Steers and Early. Proceeds from the barbecue will be used to film Steer games this fall.

Next meeting of the Quarterback Club will be Monday, Aug. 17, at 7:30 p.m. All persons who are interested in the Steer football team are urged to be present.

FIREMEN CALLED

Robert Lee firemen were called out at 3:55 p.m. Monday to fight a trash and grass fire behind Mrs. Wilson Bryan's rent house.

Fire Marshal Buzz Sawyer said it took the men quite awhile to locate the fire, due to being misinformed as to its location. He requested everyone to give accurate information as to location when turning in a fire.

Homecoming Set Sunday At Edith

All former residents and friends are invited to attend the Edith Homecoming which is scheduled for Sunday, Aug. 16. A large crowd of former residents is expected and local residents are invited to attend and meet their old friends.

A day of visiting and fellowship is planned with a big basket lunch to be served at noon. Those in charge of the reunion

said that everyone in this area who attends should bring plenty of food for their parties as well as some visitors. The Edith Homecoming Association will furnish plates, ice, sugar, coffee and silverware.

This will be the 36th annual homecoming for the ex-residents of the community and it will be held at the Green Mountain Community Center.

ASC Election Set For September 11

Coke County officials of the Agricultural Stabilization and Conservation Service are encouraging all eligible farmers to vote later this summer in ASC Committee elections.

"Decisions made by farmer-elected ASC committees can be important to almost all farming operations in the area. That's why we want to be sure every farmer who is eligible to vote in ASC elections is on the list to get a ballot," said Frank Percifull, chairman of the Coke ASC Committee.

"We urge any farmer who has not previously participated in an ASC election, has changed the location of his farming operation, or who has any other reason to believe his name may not be listed in ASC records to contact the county ASCS office as soon as possible," Percifull continued, "In this way, he will be assured of receiving a ballot enabling him to vote in the upcoming election."

The ASC elections this year will be held Sept. 11. Ballots will be mailed to voters about Sept. 1. Farmer voters will elect three community committeemen and two alternates in each ASC community in the county.

The ASC committee chairman said that in addition to trying to be sure that every eligible voter will get a ballot, ASCS officials are urging farmers to nominate candidates for community posts by petition. "Any sheet of paper listing one candidate and having signatures of at least six eligible voters will serve as a nominating petition. And voters may sign as many petitions as they wish," he said.

The nomination by petition period for ASC community elections opened July 28 and continues through Aug. 17.

Austin — Soaring state budget requests led the Legislative Budget Board to urge all agencies to hold spending in 1972-73 to essentials.

Lt. Gov. Ben Barnes, Board chairman, sounded the warning that a "critical financial condition" looms which demands "economy-minded" government.

In a letter directed to state agencies, Board advises that they submit suggestions at an early date on where fat can be trimmed from their appropriation requests.

"Reluctant" fat trimmers should be invited back for a second hearing before the Board, Barnes said.

Requests already submitted reportedly exceed the expected income for the 1972-73 biennium by more than \$1 billion.

Estimates of the amount of the 1971 tax bill which will be needed to support adequate services for state agencies in the face of expanding demands still range from \$350 to \$700 million.

Some ranking legislators fear a revenue bill of that magnitude will be virtually impossible to pass in view of the fact that lawmakers voted \$350 million in new taxes only last year.

Budget Board's recommendations on spending usually are more conservative than those finally adopted by Legislature. However, they serve as take-off points for the House Appropriations Committee and Senate Finance Committee deliberations.

AUTO INSURANCE DELAY — Texas motorists got a hint of

good news: they may escape a raise in auto insurance premiums altogether this year.

Charles D. Mathews, a member of the State Board of Insurance, raised hopes of that in testimony before the interim Senate committee studying rates.

Mathews also predicted the Insurance Board will come up with a rate formula that includes income from investments, a long-standing point of debate.

"I think the companies may be sorely disappointed in the Board," said Mathews. "We may not get around to an auto rate adjustment in 1970. There are just so many hours in a day."

Company spokesmen earlier indicated they were hoping for a 15 to 20 per cent rate hike this year. A delay in Insurance Board hearing dates made postponement of any increase until after Nov. 1 virtually inevitable. A 9.9 per cent hike was granted last year.

Critics of a further increase told the Senate Committee that rates went up twice as high as the general cost of living in the last decade. Some recommended group coverage on auto insurance.

WELFARE OVERHAUL PROPOSED — Senate Welfare Reform Committee has recommended a sweeping overhaul of the system, including placing responsibility for Public Welfare Department administration in the hands of the governor.

At the same time, Committee endorsed a proposal that Welfare Department electronic data processing equipment be totally updated under a private contract to save manpower, time and money.

Study panel proposed abolishing the Texas State Board of Public Welfare and substituting an advisory panel to the governor. Also the name of the agency would be changed to Department of Human Resources under Committee recommendations to be submitted to the Legislature next January.

Computer experts estimated new electronic data processing

equipment could save the state an addition of 2,600 people in the Welfare Department at a cost of \$8.5 million a year.

In the second day of hearings, Committee was told that administrative costs alone of the Medicaid Program were \$11.6 million in Texas during less than three years. Committee recommended an "experienced executive having an insurance background" be employed to coordinate Medicaid functions now scattered among several branches of the Welfare agency.

SPECIAL OIL MEETING ORDERED — World oil crisis and Hurricane Celia prompted a special meeting of the Railroad Commission this week (Aug. 10) to reassess August oil allowance.

Commission earlier had set the market demand factor at 62.9 per cent for August, which would produce about 3,220,518 barrels of oil daily.

Since that action, Commission Chairman Ben Ramsey said, some companies have indicated a desire to buy additional Texas crude. On the other hand, said Ramsey, Hurricane Celia complicated movements of crude from South Texas and some West Texas fields to tidewater.

Commission invited crude purchasers and transportation executives to its Monday meeting "to assess effects of Hurricane Celia on the movement of crude, as well as the logistical problems of moving crude from other Texas areas to Gulf Coast and to markets elsewhere."

Closing of Tapline, a major oil line from the Middle East to the Mediterranean, plus high tanker rates for transporting oil around the southern tip of Africa to Western European and East Coast markets substantially raised the need for Texas crude, Ramsey noted.

LAND RECOVERY SOUGHT — School Land Board requested Atty. Gen. Crawford C. Martin to see if a lawsuit is feasible to recover state land from the Calhoun County Navigation District.

Land Commissioner Jerry Sadler estimated that the district bought for \$1 an acre as much as 20,000 acres in state land it doesn't need for its functions as a navigation district.

Some of the land was resold to private developers, including the Key Allegro subdivision near Rockport, and is valued at \$33,098 an acre now.

Land Board also agreed to recommend that the law be changed to limit the amount of state land available to navigation districts at \$1 an acre. Legislature in 1969 voted a temporary stop in transactions pending a study. About 16 districts have purchased 130,000 acres of school land in bays for \$1 an acre. A lot of that went to the Calhoun district.

TEXAS CHALLENGES 18-YEAR-OLD VOTE — Though Texas will begin registering 18-year-olds in October Attorney General Martin is challenging the constitutionality of the congressional act which extends the vote to youngsters.

Texas became the second state to challenge the new federal law. Oregon was first (decided by the flip of a coin in the court clerk's office).

State's complaint notes that the U. S. Constitution gives the states power to set qualifications for voting and that 45 others besides Texas now set 21 as the minimum qualifying age. Present states' limitation is reasonable exercise of constitutionally-granted power, Martin maintains.

Short Snorts
 Attorney General Martin is asking district judge to remove a temporary restraining order

(or modify it) preventing the Liquor Control Board enforcing tough private club rules while the case testing the regulation is on appeal.

Lease sale brought the permanent school fund nearly \$2.5 million, according to Land Commissioner Sadler.

Texas turkey growers voted to assess themselves for a fund for research and promotion of turkeys.

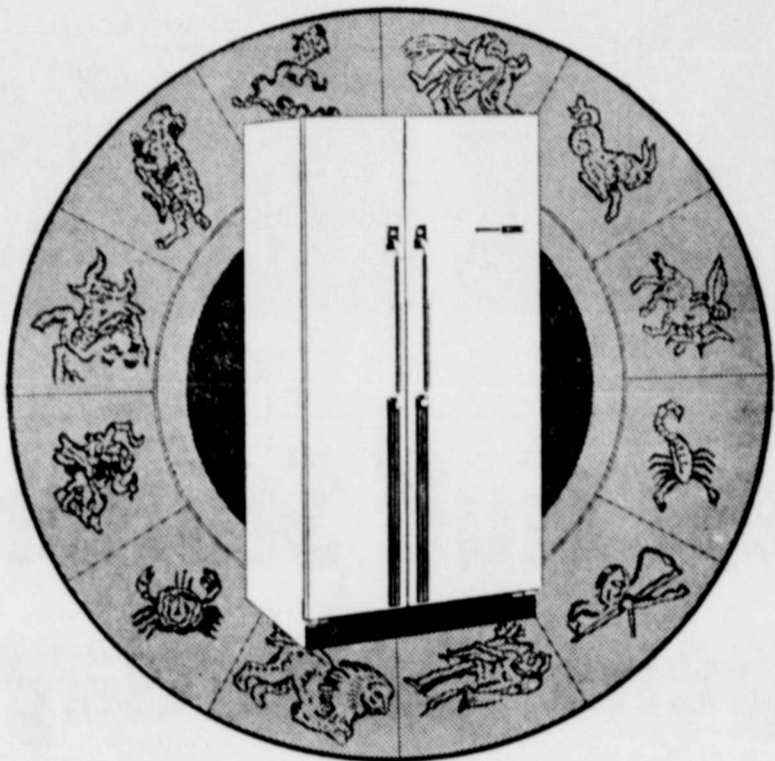

District attorney in counties having separate county attorneys is not designated as a prosecuting attorney, according to a new attorney general opinion.

Revenue from cigarette smoking increased \$4 million last month over July 1969 (\$16.4 million as compared with \$12.2 million).

Young People Attend Seminar

The life story of a former narcotics addict and an ex-convict was one part of the program heard by two Coke County young people when they went to Baylor University July 28-31 to attend a citizenship seminar conducted by the Texas Farm Bureau.

Sherri Pitcock, daughter of Mr. and Mrs. Teddy Pitcock of Sanco, and Donald Thompson, son of Mr. and Mrs. Dale Thompson of Bronte, represented the Coke County Farm Bureau at the four-day training school. Also attending from Coke County were Mr. and Mrs. Edward Cumbie and daughter, Susan, of Bronte. Cumbie is field representative in this area for the Farm Bureau and was in charge of the chartered bus which carried the West Texas delegation to Waco. A total of 419 delegates attended the seminar.

Richard Perigo of Dallas told the young people the story of his life as an addict. He is associated with HIP (Help Is Possible), an organization concerned with the prevention of delinquency and drug abuse among teenagers.

The program also included four nationally known lecturers: Dr. Clifton L. Ganus Jr., president of Harding College, Searcy, Ark.; Dr. C. L. Kay, vice president for public affairs of Lubbock Christian College; John Noble, Muncy, Pa. author of "I Was a Slave in Russia;" and W. Cleon Skousen, Salt Lake City, Utah, author, lawyer, educator and former FBI agent. The session also featured films and panel discussion.

The seminar placed emphasis on economic, moral and social

aspects of American society in an effort to give the students a better understanding of the American system and way of life. The persons from Coke County said the entire program was "great."

PERSONALS

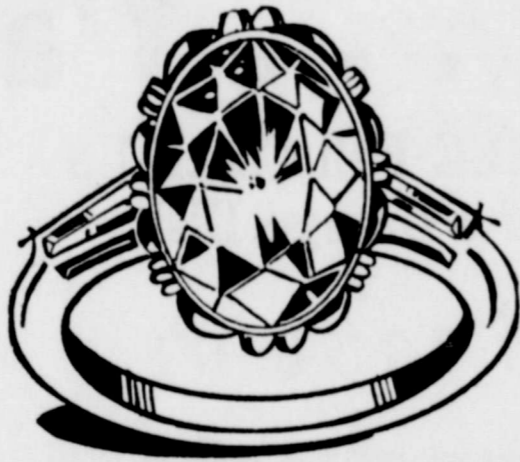

Mrs. Vernon Shackelford and her daughter, Mrs. DeLeah Becky and son of Salinas, Calif., visited recently with her brother and family, Mr. and Mrs. H. C. Varnadore. Last Friday, visitors of the Varnadores were their son and daughter-in-law, Mr. and Mrs. Morris Varnadore of Houston. They were enroute to San Angelo to pick up their children, Dee Ann and David, who had been visiting their grandmother, Mrs. Dall Wilson.

Mr. and Mrs. F. L. Hayley report that they received a telephone call last Thursday night from their son, Doyle Hayley, who is in the Navy and aboard the USS Grayback. He is on a good will tour of Japan. He was on a rest leave and was playing golf at an airport when he called his parents from Japan.

Mr. and Mrs. Leon Russell and Jon Bill returned last week from a ten day vacation trip to Mississippi, Louisiana, Arkansas and Oklahoma. They visited with relatives, Mr. and Mrs. W. O. Burgess, at Eldorado, Ark., and attended the ASC national convention at Hot Springs, Ark.

Mrs. Vela Plumlee returned home last week from a month's vacation in Vancouver, Wash. She visited in the home of her son and family, Mr. and Mrs. Frank L. Davis, and stopped in Denver, Colo., on her way home and visited her daughter, Mrs. Trudy Davis.

Last Rites Held For Archie Shaw

Funeral services were held at 10:30 a.m. Monday for Archie J. Shaw, 73, former Robert Lee resident. Services were at Kiker and Son Funeral Home Chapel in Colorado City. Burial was in Westbrook Cemetery.

Mr. Shaw died early Saturday afternoon in a veterans hospital after a long illness.

Mr. Shaw was born Jan. 26, 1897, in Mansfield. He married Eria Overby in 1928 in Sterling City. He was a veteran of World War I.

INJURED IN FALL

Lynette Boykin, nine year old daughter of Mr. and Mrs. Ben Boykin, was injured Saturday when she was thrown from a horse at the Boykin place, five miles south of Robert Lee. She suffered face lacerations, a black eye and bruises, but was not seriously injured, her mother said.

Mr. and Mrs. Turney Casey spent last week in the home of their daughter and family, Mr. and Mrs. Rocky Heffernan and children of Omaha, Nebr.

Mrs. Machling Varner, and Mr. and Mrs. Jules Koenig and children of Jackson, Miss., visited Monday with Mrs. Fannie Carwile, Henry and Effie.

Water Discussed at Tuesday Meeting

Mayor Wilson Bryan gave a rundown on the water situation in Robert Lee at Tuesday's BCD meeting. He stated that the city is using water from its well and beginning Tuesday the entire city would be using a mixture of well water and lake water. The south part of town has been on well water exclusively for some time while some new lines were being laid. The mayor said he feels that by mixing the well water and lake water the city is assured of a good water supply through the winter months, even if no rain comes to break the present dry spell.

Mayor Bryan pointed out that city fathers are busily studying the most feasible and economical route to take in securing a long range water supply for the city.

W. D. McAdams, local manager of WTU, reported that his company had a crew out for five hours Saturday replacing a bushing on a pump at the Midland-Odessa pump station at the lake.

Gerald C. Allen, president of the UCRA, reported that his organization also is working on water problems of the city and said UCRA engineers should have a report ready any day which will give an estimate of the cost of putting water into Robert Lee from Lake Spence.

Allen also called attention to

the fact that Mountain Creek Lake was built in 1950 with an expectancy of 25 years of efficient operation. Engineers said at the time of construction that siltation would probably take up half of the lake's capacity in 25 years. However, Allen said a study made by UCRA shows that siltation had not been as severe as was expected. However, he suggested that this information be kept in mind as the city plans for a long range solution to water problems.

Allen said that 500 acre feet of water was released from Lake Spence last week. The valves were open for 25 hours and allowed water to run down the Colorado River below Ballinger.

Vice President McAdams presided at the meeting with 14 members present.

Mr. and Mrs. Lowell Roane and Myna Kay visited recently in Valley View, near Dallas, in the homes of Mr. and Mrs. Homer Roane and Mrs. Ava Stevens. They also visited in Fort Worth with the Lloyd Roanes.

Mrs. Jackie Gayle Smith

Miss Marilyn Frances Wallace and Jackie Gayle Smith Exchange Vows in Double Ring Church Ceremony

Miss Marilyn Frances Wallace became the bride of Jackie Gayle Smith last Friday at 7 p.m. when they exchanged wedding vows in Northside Church of Christ in San Angelo. Archie Scarborough of Sewell Street Church of Christ, Abilene, officiated for the double ring ceremony.

Parents of the couple are Mr. and Mrs. J. C. Wallace Jr. of Robert Lee and Mr. and Mrs. Jess Smith of Roscoe.

The church was decorated with pew candles encircled with daisies. Candelabra and floral arrangements decorated the front of the building with accents of green and yellow.

Miss Kitten Dean served as organist, and soloists were Donald Richard and Miss Janice Smith, sister of the bridegroom, both of Roscoe. A special selection was read by Murrey Edwards of Clyde.

Miss Wallace was given in marriage by her father. She wore a gown of point d'esprit over taffeta. Valance ruffles were featured on the empire bodice and the dress had long sleeves and a slender skirt. Satin ribbons encircled the waistline and formed a bow at the wristband. Lace ruffles were repeated on the chapel length train.

For something old, the bride wore a watch that was worn by her maternal grandmother, Mrs. H. L. Bloodworth of Silver, on her wedding day Dec. 15, 1912. She also carried a handkerchief borrowed from her paternal grandmother Mrs. Calvin Wallace of Robert Lee.

Maid of honor was Miss Donna Wallace, sister of the bride. Bridesmaids were Miss Susan Wallace, a sister of the bride, and Miss Janice Smith, sister of the bridegroom.

They wore floor length gown of lime green peau de soie with full chiffon sleeves, A-line design and empire bodice. Bouquets were yellow and white daisies and headpieces were made of daisies.

Groomsmen were Delbert Smith of Lubbock, Jimmy Smith of Roscoe, both brothers of the bridegroom, and James Richburg

of Lubbock. Flower girls were Susan Smith and Amy Smith, nieces of the bridegroom. Candelighters were Buddy Wallace, the bride's brother, and Randall Smith, the bridegroom's nephew.

Ushers were Jack Lee Wallace, brother of the bride, Lonnie Bloodworth of Silver, Buddy Vosburg of Robert Lee, Lanny Bahlman of Winters and Randy Whorton of Roscoe.

A reception was held in the fellowship hall of the church following the wedding. Members of the houseparty were Misses Debra Vosburg, Jana Jeffries, Lois Heuvel, Patty Hughes, Dianne Eaker and Linda McDaniel, and Mrs. Gaylon Pitcock, all of Robert Lee; Miss Pam McMullen, Abilene; Miss Kathy Percifull, San Angelo; Miss Laura Cannon, Big Spring; and Miss Susie Richburg, Plainview.

Steven Smith of Roscoe and David Smith of Lubbock, nephews of the bridegroom, passed out rice bags at the reception.

For her traveling attire, the bride chose a lime green suit with white accessories.

After a wedding trip to South and East Texas, the couple will be at home at 3602 32nd Street, Lubbock.

The bride is a graduate of Robert Lee High School and has attended Abilene Christian College the past two years. Her husband is a graduate of Roscoe High School and will be a senior this fall at Texas Tech University.

A rehearsal dinner was hosted Thursday night by the parents of the bridegroom at McEver's Restaurant in San Angelo.

Mrs. Mary (Willis) Large of Roswell, N. M., Mr. and Mrs. Dennis Martin of Marble Falls, Mrs. James Kane and children of Eatontown, N. J., are visiting this week with Mrs. Pearl Schooley and the Turney Caseys. The Cecil Schooleys of Ft. Worth spent the weekend with them.

Mr. and Mrs. Grady L. Coulter and sons of San Angelo visited her parents, the Turney Caseys, Monday evening.

BLAIR FAMILY REUNION HELD AT BRONTE AUG. 1, 2

Mr. and Mrs. Carl Blair of Bronte hosted a family reunion in their home Aug. 1 and 2.

Among those attending were Mr. and Mrs. Wayne Blair, Shelly and Jeanette, of Pueblo, Colo., who recently spent a two weeks' vacation with his mother, Mrs. Jim Blair of Robert Lee.

Other Blair children and their families who attended the reunion were Mr. and Mrs. Dennis Blair and children of Animas, N. M.; Mr. and Mrs. Jim Thomas, Arlington; Mrs. Joe Keel and daughter, Mr. and Mrs. Sam Keel and son, Mr. and Mrs. Carl Goat and children, and Mr. and Mrs. Duain Blair and son, all of San Angelo; Mr. and Mrs. Royce Wilkerson and sons of Irving; Mr. and Mrs. Frank Blair of Ralls; Mrs. Jim Blair of Robert Lee; and the hosts, the Carl Blair family of Bronte.

Other visitors in the Blair home Sunday, Aug. 2, were Mr. and Mrs. Hervey Latham and children of San Angelo.

LEWIS REUNION HELD HERE LAST WEEKEND

The annual reunion of the descendants of Sam and Sarah Lewis was held Saturday and Sunday, Aug. 8 and 9, at Robert Lee Recreation Hall.

Attending the affair were Mrs. Mary (Lewis) Large of Roswell, N. M. and Mrs. Pearl (Lewis) Schooley of Robert Lee. Their brother, Henry, was unable to attend.

Others there were Mrs. James Kane, and children of Eatontown, N. J.; Mr. and Mrs. Dennis Martin, Marble Falls; Mr. and Mrs. Cecil Schooley, Ft. Worth; Mrs. Bennie Ellis, Mr. and Mrs. Michael Dickman and son, Mr. and Mrs. Bennie Ellis Jr., Mr. and Mrs. Bob Richardson, all of Odessa; Mr. and Mrs. Sam Jay, Mr. and Mrs. Raymond Jay and Mr. and Mrs. Robert Walkette, San Angelo; Mr. and Mrs. Wesley Kinsey, Mr. and Mrs. Otis Watson, Martha Ann and Terri Kinsey, Mr. and Mrs. Sam Williams and Gary, Mr. and Mrs. Sherman Williams and children, Mr. and Mrs. E. WASHINGTON
 "As it looks
 from here"
OMAR BURLESON
 Congressman
 17th District

Washington — If "what happened on the way to the Forum" was strange, equally so was a recent court decision in Credit River, Minn. (The name of the town is coincidental with the circumstances in a court case to foreclose on property.) What occurred could be of vital interest later on or it might be no-

thing at all. A federal court in Minnesota has ruled that Federal Reserve Notes, some of which you likely have in your pocket at the moment, are worthless.

In May 1964 a man in Savage Minn., borrowed \$14,000 from the First National Bank, securing the loan with a mortgage on real estate.

Three years later the borrower still owed \$476 and the bank foreclosed. The bank bought the property at a sheriff's sale and a year later brought suit for possession. The case was tried in 1968 by a jury which held that the bank was not entitled to recover possession of the property and that the debt was void because the borrower did not receive lawful money on the mortgage.

The bank thereupon appealed to the federal district court. The filing fee was \$2. The bank presented two paper \$1.00 bills in payment. The court refused the fee as unlawful tender, citing the Constitution as legal reason.

Article I, Section 10 of the Constitution provides "no state shall make anything but gold and silver coin a tender in payment of debts." The court said "these Federal Reserve Notes are not lawful money within the contemplation of the Constitution of the United States and are null and void. The notes on their face are not redeemable in gold or silver coin...."

The court went on to say that an Act of Congress to make Federal Reserve Notes legal tender

was unconstitutional and no authority existed for their issuance.

The court held that Congress has only the authority to coin money and regulate its value. The last time Congress so acted was in 1878 when it fixed the value of the dollar at 412.5 grams troy weight of silver. This stands as the present intrinsic value of the dollar in spite of the sandwiched coins now in circulation, authorized by Congress in 1965. On the other hand the silver dollar has not had the "sandwich" treatment by adding copper. When melted down, which is illegal, it has a greater silver value than that fixed in 1878.

Some Canadian monetary experts contend that any United States currency is not legal money unless the holder can go to any bank window and receive silver or gold in return for it. The other side of the coin (no pun intended) is that United States citizens are not allowed gold coin. The contradiction is obvious.

What the court decision in Minnesota really means is anyone's guess at the present time but the man who owed the bank \$476 on his \$14,000 loan, still owns his farm. No test has been made of the case in the Supreme Court and the question remains undecided as between the authority to issue Federal Reserve Notes and the interpretation of the Constitution.

It is a case of many ramifications. If the decision of the Federal District Court in Minnesota should be upheld by higher courts, it would mean that mortgage holders all over the country would be denied the authority to collect unless the loan was paid in gold or silver. The question as to how or for what purpose the money was used seemingly was not an issue. Logically the acceptance of Federal Reserve Notes all down the line as legal tender would alter the situation but apparently this was not resolved by the decision.

Be this as it may, the matter deserves the attention of the Supreme Court and the Congress before more serious consequences occur.

James Stewart Conley and daughter, Heather, of Hartford, Conn., arrived Tuesday to spend several days visiting his father, Snipe Conley, and his brother and family, Mr. and Mrs. John Conley.

 Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SIX ON THE BALLOT (SJR32)
 General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Section 51, Article XVI, Constitution of the State of Texas be amended to read as follows:
 "Section 51. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot, or lots, not to exceed in value Ten Thousand Dollars, at the time of their designation as the homestead, without reference to the value of any improvements thereon; provided, that the same shall be used for the purposes of a home, or as a place to exercise the calling or business of the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired."
 Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment increasing the value of the homestead which is exempt from forced sale."

 Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER FIVE ON THE BALLOT (HJR28)
 General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Section 52, Article III, Constitution of the State of Texas, be amended to read as follows:
 "Section 52. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company."
 "(b) Under Legislative provision, any county, any political subdivision of a county, any number of adjoining counties, or any political subdivision of the State, or any defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include, towns, villages or municipal corporations, upon a vote of two-thirds majority of the resident property taxpayers voting thereon who are qualified electors of such district or territory to be affected thereby, in addition to all other debts, may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory, except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this Constitution, and levy and collect taxes to pay the interest thereon and provide a sinking fund for the redemption thereof, as the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes to wit:
 "(1) The improvement of rivers, creeks, and streams to prevent overflows, and to permit of navigation thereof, or irrigation thereof, or in aid of such purposes.
 "(2) The construction and maintenance of pools, lakes, reservoirs, dams, canals and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.
 "(3) The construction, maintenance and operation of macadamized, graveled or paved

roads and turnpikes, or in aid thereof.
 "(c) Notwithstanding the provisions of Subsection (b) of this Section, bonds may be issued by any county in an amount not to exceed one-fourth of the assessed valuation of the real property in the county, for the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, upon a vote of a majority of the resident property taxpayers voting thereon who are qualified electors of the county, and without the necessity of further or amendatory legislation. The county may levy and collect taxes to pay the interest on the bonds as it becomes due and to provide a sinking fund for redemption of the bonds."
 Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxing electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

Notes
From The
Oil Field

The Millican, West (Pennsylvanian) Field in west Coke County gained its third producer and a location north extension with the completion of U. S. Smelting & Mining Co. No. 1 Durham. Location is 14 miles west of Robert Lee. The well was tested for a daily flowing potential of 240 barrels of 42 gravity oil, no water, with gas-oil ratio of 509-1.

Production was natural and through a 16-64 inch choke and perforations at 7,002-14 feet.

Site is 560 feet from the north and 1,980 feet from the east lines of Section 189, Block 2, H&TC Survey.

Mrs. Pearl Schooley recently returned from Springtown where she spent time with her daughter and family, Mr. and Mrs. Dean Taylor, and she also visited the Cecil Schooley family in Ft. Worth.
