## Police harassment charged

**NATIVE RITUAL**—Hart High School students perform a snake dance around their bonfire during their big Homecoming Week Bonfire Pep Rally last Wednesday night. Cheerleaders, the

Longhorn Band, Pep Squad, football players, students, school officials, parents and the city fire truck all gathered around the huge flames and created a rousing rally.

Dimmitt residents brought complaints against the city police to the Dimmitt Board of Aldermen on Monday night. Many complaints were centered around Friday night's citing of four youths at the high school sock-hop.

Apparently, the police began a routine search when they saw beer cans and bottles littered around the cars in the high school parking lot.

"It is a state violation to take alcoholic beverages on school property," Police Chief Ron Mitchell said. Any time police have probable cause, they have a right to search any vehicle without a search warrant, he added.

Policemen found beer and liquor in four cars, Mitchell reported. He said he thought some cars in violation may have already left the dance when the officers began their check. He reported that one car had two cases of beer, a quart of whiskey and a quart of wine in its trunk.

In all, police confiscated four cases of beer, a quart of whiskey, a quart of wine and a pint of peppermint liqueur, Mitchell reported.

Police issued citations to four youths, Mitchell said. Three of them were Mexican-American males and the fourth was an Anglo, he said. Three were 17 or older, and one was a juvenile.

One youth could have been charged with transporting more than the legal amount of alcoholic beverages, Mitchell said, but the four were cited only for possessing alcoholic beverages.

He said he either introduced, co-sponsored or helped draft 27 bills in the last legislative session.

As a member of the Natural Resources Committee, he said, he co-sponsored five bills on energy, including SB 988 to encourage production and sale of gasohol, and SB 204 to stimulate solar and wind-powered energy projects.

Also, he said, his draft of the Ogallala Water Import authority bill was substituted for the original bill and adopted, and he co-sponsored

"Maybe my rights have been violated," Garcia said. He further complained that

STATE SENATOR BOB PRICE  
... Speaking at Rotary Club Friday

## Liberal bloc growing in Senate, Price warns

State Senator Bob Price said here Friday that the liberal faction in the Texas Senate will probably hold a one-vote edge next session, and that liberals will be looking for the chance to push some of their pet projects through.

He listed a state income tax, windfall profits tax, severance tax and changes in the state's right-to-work law as close-vote issues which liberal legislators will push through if they can.

"Conservatives are necessary in the legislature — especially in the committee posts, where legislation can be referred out or killed," Price said.

The Pampa Republican spoke to Dimmitt's Rotarians and guests at their Friday noon meeting. His opponent, Democrat Bill Sarpalius, had spoken to the club the previous week.

Price refuted Sarpalius' charges that he was an "ineffective" senator who had gotten no meaningful legislation passed.

He said he either introduced, co-sponsored or helped draft 27 bills in the last legislative session.

As a member of the Natural Resources Committee, he said, he co-sponsored five bills on energy, including SB 988 to encourage production and sale of gasohol, and SB 204 to stimulate solar and wind-powered energy projects.

Also, he said, his draft of the Ogallala Water Import authority bill was substituted for the original bill and adopted, and he co-sponsored

"Maybe my rights have been violated," Garcia said. He further complained that

[See POLICE, Page 14]

the Family Farm Security Act which voters approved as a constitutional amendment last November.

Price listed law and order, education and water legislation as his top three priorities.

"I have been publicly endorsed by the Texas State Teachers Association and the Amarillo Classroom Teachers Association," Price noted. "My opponent and I both met with them and discussed our views with them, and they decided to endorse me."

He noted that he has [See Price Warns, Page 14]

## Homecoming set at DHS

Dimmitt High School will kickoff its 1980 Homecoming activities Monday with "Hats Off" day and a hat contest. Tuesday will be "Tie 'Em Up" Day, with a tie contest. Next Wednesday will be "Overall the Best" Day, with students urged to wear overalls to school.

Thursday will be "Trash" Day in preparation for a bonfire and pep rally at 7:30 p.m. on the vacant lot east of the high school.

The Flame King and Queen will be crowned at the bonfire rally. Candidates for Flame Queen are Linda Fernandez, freshman; Dede Bishop, sophomore; Laurie Sides, junior; and Catherine Mongeau, senior. Flame King candidates are Nick Martinez, freshman; Richard Guzman, sophomore; Tony Enriquez, junior; and Robert Boozer, senior.

Friday, Oct. 17 will be "Dress Up" Day, and there will be a pep rally in the Gym at 3:30 p.m. The Homecoming Queen will be crowned at this pep rally. Candidates are Mary Arce, freshman; Shelly Frye, sophomore; DeNise Dobbs, junior; and Maja Martinez, senior.

The Dimmitt Bobcats' Homecoming game opponent will be the Friona Chieftains.

## Pupils to loft 1,000 balloons

The fourth and eighth grade science classes of Dimmitt Middle School will launch 1,000 helium balloons for weather information purposes at 2:45 p.m. Monday.

Postcards attached to the balloons will request information about the finder, location and weather conditions.

Upon return of the postcards, the eighth grade class will make a large weather map recording the date and conditions. The fourth grade class will make a map recording the locations and occupations of the finders.

Byron Roberts and Karen Black are in charge of the project.

## Blood drives set next week

Coffee Memorial Blood Center of Amarillo will conduct blood drives in Dimmitt and Nazareth next week.

The Nazareth drive will be Monday from 2 to 5 p.m. in the school cafeteria.

The Dimmitt drive will be Tuesday from 3 to 6 p.m. at the city hall auditorium.

Donors can attain "blood insurance" through the center, assuring their families of blood plasma at a reduced cost for a year, if needed.

The Dimmitt Jaycees are sponsoring the drives.

## Change announced on Cable Channel 8

Dimmitt TV Cable Co. will begin offering station WGN of Chicago Friday over Channel 8, according to Paul Coker, manager.

Cable Channel 8 has been carrying KTVU of Oakland, Calif., via satellite. Coker explained that KTVU has decided to discontinue satellite transmission.

## Sunnyside Fire Dept. may have to disband

The Sunnyside Volunteer Fire Dept. is making a final plea for volunteer manpower.

The department will hold two more meetings, Oct. 13 and 27. Each meeting will be held at 8 p.m. at the Sunnyside Lions Club Building.

If no further interest is shown in the volunteer fire department, it will disband and all equipment will be returned to donors, leaving the community without fire protection.

Anyone interested in contributing to the protection of the Sunnyside community is invited to attend one or both of the meetings.

## Seven seek city post

It's a seven-person race for the vacant seat on the Dimmitt Board of Aldermen.

Five men and two women filed before the Saturday deadline for the special city election to be held on general election day, Nov. 4.

They are Robert Daniel, Sam Killough, Larry Gonzales, Jackie Powers, Paul Weaver, Clara Vick and Ann Armstrong.

The candidate receiving the most votes will fill the alderman's post that was vacated recently when Joe Jossel resigned to accept a vice-presidency with the First State Bank of Dimmitt.

## 4-H Awards Banquet set Saturday night

The annual County 4-H Awards Banquet will be held Saturday at 6 p.m. in the County Expo Building.

The banquet will be hosted by the 4-H Council, with Scott Simpson, council president, serving as master of ceremonies. Each 4-H member who has turned in a record book or form on a project will receive a pin or certificate.

Year pins will be presented to members and leader pins to Adult leaders. Two special "Friends of 4-H" awards will be named, also.

Gold Star Awards will be presented to the outstanding 4-H boy and girl in the county. These awards are given on the basis of leadership qualities, achievements and active involvement of the members in their individual clubs.

All 4-H members are invited to attend with their

families. The banquet will feature a covered dish dinner, and each family is asked to bring two dishes — one meat and one vegetable or salad.

The awards banquet is a highlight of the National 4-H Week observance here.

## Hance, Sarpalius to be here today

Congressman Kent Hance and State Senate candidate Bill Sarpalius will be in Dimmitt at 5 p.m. today (Thursday) for a brief reception in the city hall auditorium.

The reception will last only half an hour, a spokesman for Hance said. The two candidates are due in Hereford at 6 p.m. for a fund-raising reception and dinner for Sarpalius.

**HOMEcoming QUEEN**—A beaming Emma Castillo gets a kiss from her father after being crowned as Hart High School's 1980-81 Homecoming Queen during halftime ceremonies at Friday night's Hart-Valley football game. Penny Pierce was named the first runner-up, Traci Mapp second runner-up and B. J. Brantley third runner-up. The candidates were escorted by their fathers.

## 'Tipi' opens frontier to young family

By BETTY HOOVER  
The questions are usually "Betty, is that really a tipi in your back yard?" and "Why a tipi?"

The National Rifle Association holds an annual Santa Fe Trail Rendezvous near Raton, N.M. My family has attended the last two. Many people from various parts of the United States go to the rendezvous to set up and live for a few days in their tipis.

The rendezvous continues

to be a gathering time for mountain men, buckskinners, muzzle loaders and their families, similar to the original rendezvous held back in the 1800's. The remote meeting site allowed the mountain men to meet for the trading and selling of furs and other items without traveling the long distances to the cities for supplies.

My family likes camping and my husband, Doyle, has been a muzzle loader for

several years. We enjoyed attending the rendezvous, where Doyle competed in many shoots and contests that were held there. The camping was primitive, and the lovely costumes worn by participants were handmade in the styles of true frontier garb.

Dimmitt's 1979-80 AFS exchange student, Ulla Jonsen from Sweden, attended the rendezvous with us in June. She was more inter-

ested in Tipi Village than in anything else at the rendezvous. The 30 or so tipis made a colorful sight.

Ulla was interested to learn that tipis are not round at the base, but egg-shaped, and that they are cooler in summer and warmer in winter than modern tents. They are extremely comfortable and roomy inside, too. Ulla even sat in the grass and studied the setting-up of a tipi from its unloading to the building

of a campfire in its center.

After the rendezvous, we decided that a tipi would be a lovely addition to our possessions and that it would be a fine way for the family to share in Doyle's muzzle-loading hobby.

The tipi that we have is 18 feet tall, and its 15 poles are about 22 feet long. We ordered the canvas cover and liner from Minnesota and we brought the poles home with us from Taos, N.M., during a

summer vacation.

Even though our novice attempts to set up the tipi have lasted two hours, veteran tipi owners assure us that it can be done in 30 minutes by two people. Apparently, we still have a lot to learn.

We hope to enjoy many years of camping fun in our tipi, where we will be away from the television and telephone, and where we will feel close to nature.

**FIRST GRADERS** file into the Doyle Hoover family's tipi during a class outing recently. At left, Betty Hoover cautions them to "step up" when they enter. The vent at the top of the white canvas tipi can be adjusted or closed by positioning two outside tension poles.

**INSIDE, IT'S ROOMY**, the first graders learn as they form an "Indian circle" in the tipi. Mrs. Hoover sits on an Indian backrest as she explains tipi living to the youngsters. The inside liner prevents water from running into the tipi and provides circulation. In winter, a fire can be built in the center

of the floor for warmth and cooking; the tipi forms a natural chimney. In center is the tipi's adjustable tension rope, which lashes the 22-ft. poles together at the top. Hanging from poles in background is Doyle Hoover's flintlock musket.

**Sheffy's Chatter**

# Women tour South Pacific islands

By MYRTLE SHEFFY  
Area ladies are home from a jet trip to the South Pacific Islands and Australia. I hear they went 12,000 miles. These went: Jo Gregory, Edna Riley, Lena Benton of Lubbock and Annie Lee Dobbins of Easter. Jo tells me they saw the most beautiful scenery in Fiji and Tahiti, also New Zealand was so green with many blooming trees and flowers. They had food in some elegant places. Edna gives us this account of the trip.

Few places can live up to the image created by movies and television but the four of us, Annie Lee Dobbins, Jo Gregory, Lena Benton and Edna Riley, enthusiastically agree the tour of the South Pacific Islands and the "Lands Down Under," Australia and New Zealand exceeded their dreams and expectations.

In Papeete, Tahiti, the hotel is open to the blue and green waters that form breakers and roll across the coral reef. The native Polynesians are gay, happy and their usual dress is a length of cloth wrapped and knotted to make a skirt, always flowers in the hair.

We circled the island by car, always in view of the ocean and the reefs, through a countryside of hibiscus, bouganvillea, frangipani and tree ferns to a point where Captain Cook landed. We flew to the island of Moorea and "Bali Hi" for a "Tamaru" tribal feast of pig roasted on coconut palms in the sand and visited the Botanical Gardens on the Blue Lagoon movie setting. The island of Fiji is beautiful with flowering trees, shrubs and flowers and picturesque thatched huts made of coconut palms. We visited a native village of Fijians and talked with the families. The men scoured up a coconut tree for coconuts to show how the fruit and milk were prepared for use.

We also drove through areas of sugar cane, pineapple fields and extensive sugar mills.

We were entertained each

evening by groups with native songs and dances called "meeks" and with fire and sword dancers dressed in beautiful costumes. We also saw the tribal "Fire Walk," a tribal test of walking over red hot rocks. As a special event we attended a dinner and style show modeled by graceful Indians (Asia) wearing saris of silk and woven with gold threads. Many people of Fiji are Indians involved in business.

We crossed the Equator and the International Date Line on our flight to New Zealand and were presented certificates. We lost a day, and gained it back on our way home. It is springtime in New Zealand and Australia. The fruit trees, tulip trees, flowering shrubs and Rhododendron trees are all in their glory. It is a green, green country nestled between the Pacific and the Tasman Sea.

On landing in Auckland, a city of two million, we drove through and over the harbor bridge to Mt. Eden for a view of the city. We visited the many beautiful parks, also a vineyard and winery. On leaving Auckland we drove through the green countryside with farms, cattle and sheep, also many dairy farms and horse breeding farms. We stopped to see a trainer swimming horses in their own swimming pool to exercise muscles and repair sprains. Horse racing with hacks or carts is very popular.

We stopped to see the Glowworm Grotto in Waitomo and continued driving on to Rotowara where we visited the Agridome for a sheep fair and saw the different breeds exhibited, also the world champion sheep shearer, Ivan Boyer — shear a sheep in three minutes. New Zealand claims 14 sheep for each person in the country.

Rotorua is also the center of Maori culture, the first and original settlers of New Zealand. At our hotel we were entertained with a "Hungu" a tribal feast and dance in costume. We saw the Thermal Springs of which boiling water was used for cooking and washing by the Maori people. It is an area of bubbling pools and steaming geysers.

We flew to South Island and Christ Church to drive to Mt. Cook, a peak of 12,000 feet. We drove through miles and miles of green pastures of sheep, high on hillsides. The Tasman Glacier is also visible in this mountain area located 1,000 miles from the antarctic.

We returned by plane to Christ Church, a very English city, with the river Avon flowing through and many beautiful gardens and family homes. We were invited into a New Zealander home for a visit and dinner with the family. A delightful evening.

Sydney, Australia is built around a beautiful harbor. We cruised the harbor through hundreds of sailboats, some with huge colored sails called "Spinnakers." Also rode the "hydrofoil" which skims across the water.

One evening we toured the

world renowned Sydney Opera House, dined in opera restaurant and attended the opera "Fra Diavola." We also toured the city of 3,000,000, visited the wildlife sanctuary to see the Koala bears and the Wallebys and dingos.

Canberra, the capital of Australia, is a city designed by an American architect, Walter B. Griffin. Buildings are of modern construction interlaced with millions of trees and flowers surrounding a man made lake, centered with a 400 foot fountain. We drove to a working sheep station (ranch) for a barbecue lunch to watch the sheepsdogs working the sheep to different pens and pastures. We could also walk among the kangaroos.

We flew to Melbourne, Australia and visited the Fitz Roy Gardens and saw the boyhood home of Capt. Cook removed from England. This very staid and fashionable city was our furthest point, a city of culture and very English.

Our impressions of the "Down Under" people in summary, are very friendly, outgoing and extremely sportsminded, from cricket to bowling on the green. Their speech and expressions are sometimes difficult to understand. Just why they choose driving on the "other side" of the street or "make way" for yield — we were easily identified as Americans. We were told their taxes were extremely high and they complain of

high inflation (18% rate). Australia has very strict immigration laws so we saw no extreme poverty.

Decimae Beene went to Corpus Christi to be with her son Ramey Beene who is in the hospital there with bleeding ulcers. The other son joined her there. Decimae is the daughter of Goose Ramey.

Koma Ratcliff is in an El Paso hospital for treatment. She has been quite ill. We wish her to be well. She and Glenn had gone there to visit son Jim and his family.

Rick Kuntz and brother Charles and wife Margaret of Hereford went to El Paso to visit sister Linda and Richard. They were water skiing on some lake there.

Weldon and Irene Bradley have been to Red River, N.M. for a few days visiting friends and looking at the golden aspens. The churches were only half full Sunday, so guess the folks went to Dallas to see the Cowboys play and to the mountains to see the trees and hills.

Roy and Delphia Danuser flew in here from Bull Shoals, Ark. to visit Allan and Peggy Webb. And they left here this week for Harlingen in South Texas to attend the reunion of the pilots who flew over the hump in India during the big war. Also they will be with the group at the Confederate Air Show. They went down South to the Webb's motor home. Webb and Roy

were in the service together. Duward and Joyce Davis went to Abilene for a visit with their children, Don and Taunia and the youngest son Kelly. All are attending school at Abilene Christian College.

And Saturday Duward and Joyce Davis and friends Alan and Arlene Newman went to Amarillo to visit James and Patricia Powell. All had a good meal out and visit — maybe a show — who knows?

Jim and Dorothy Elder are home from quite a trip down central Texas way, mostly visiting the Elder's kin. They came home by El Paso to visit daughter Gail and family.

The Chevrolet and Ford people presented a lovely "style show" of new cars. The big luxury cars, pickups and the smaller cars that will give the foreign markets a run for the money. I love a new car, don't you?, or one that will run.

Joyce Davis served coffee, cakes and doughnuts to the [See CHATTER, Page 5]

*shalt love the Lord thy God with all thy heart, and with all thy strength, and with all thy mind, and thy neighbor as thyself.*

Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## 14—CARD OF THANKS

### CARD OF THANKS

To Those We Love, Truly words fail us when we try to express our appreciation for the thousands of ways you have shown your love and concern for all of us since John Darryl's tragic accident, but we do thank you and thank God for you. The hours you have spent with us, the many, many phone calls, the assurance that the crops were being gathered even though we could not be there, the special group, as well as individual, prayer services held everywhere, the cards, the food, and the generous donations to help meet the financial needs here — all of these acts of love have touched us deeply. Perhaps someday in some small way we can repay you, but oh! how we pray it will not be in like manner.

John Darryl's condition has not changed — he remains in a coma, and although his doctors paint a bleak picture, our faith in the Great Physician who can do abundantly more than we might ask, remains strong. We covet your prayers and ask you to continue to bombard Heaven's gates with your petitions.

Please accept this as our thanks for your special part in the events of our lives through this long ordeal. May God richly bless each of you in a very special way is our prayer.

The family of John Darryl McLain Darryl, Linda & Amy Bill & Paula Harman Laurence & Marguerite 14-2-1tc

## 15—LEGAL NOTICES

### INVITATION TO BID

The governing body for the City of Dimmitt, State of Texas, invites the submission of sealed bids for "lease of approximately 99 acres out of Surveys 18 and 19, Block M, Castro County, Texas," at the office of the Purchasing Agent until 6:30 p.m., Monday, October 20, 1980. Bids will be publicly opened in the Council Chamber of the City Council, read aloud, and tabulated for submission to the Council at a regular meeting.

Lease terms and bid forms may be obtained at the City offices, located at 201 East Jones Street, P.O. Box 146, Dimmitt, Texas 79027.

The city reserves the right to reject any or all bids, waive any formalities, and make the award to the best interest of the City.

# 4-H Center will host men's, women's camp

"Harvest Happening — '80," a camp for mature men and women, will take place at the Texas 4-H Center in Brownwood from Tuesday through Friday, Nov. 4-7. Participants are advised to cast their ballots in the general election Tuesday morning and then to come to camp and watch the results come in at the Election '80 Campaign Countdown.

"Freedom of Choice" is the motto for the remainder of the camp, as campers will be able to participate in four skill areas: lapidary, needlecraft, ceramics and basketweaving. Eight special features will be presented and recreation will be held every evening. Singing, good eating and fellowship will abound as campers choose their own activities.

For those inclined to dominoes, cards or shuffleboard, space has been set aside for these activities at all times.

The \$1.7 million facilities of the Texas 4-H Center provide a resort-type atmosphere for "Harvest Happening — '80" participants. Ten lodges will house five men or five women to a sleeping area. Each has adjoining bathroom facilities.

To insure comfort and convenience, only 100 registrations will be accepted.

## More about

# Chatter

[Continued from Page 2] visitors, and Wade Maynard and Merton Powell were the hosts showing off the cars. The fellows I talked to. Anyway, I think Stanley Brynes and Don Reeve were pretty busy talking cars.

Jack and Charlene Howell are home from a trip to Muldrow, Okla. fro a visit with Jerry and Carol Cluck. They were interested in naming those fine colts of the Clucks. The have show horses.

Mrs. Pauline Anderson of San Angelo is here for a stay with sister-in-law Mae Cox. They went visiting in Friona and Hereford. Mae is doing very well from her recent illness.

Pat and Bea Hardy have been to Denver recently for a visit with daughter Patsy Rae and husband Ethan Hokit. They went to the high country to see the colorful Aspens. Had lunch at the beautiful Brown Palace Hotel in downtown Denver. It has much marble — elegant. Bea says former President Ford was there the same day.

Dean and Carolyn Wiseman are the bragging grandparents of their first "grand" a girl. Her name is Mandi Kay, born Sept. 27. Her parents are Travis Dean and Kathryn. The greets are Travis and Cleo Campbell and Kathryn's parents are Mr. and Mrs. Douglas McArthur of Spur.

Mrs. Josie Bradford was the birthday lady Thursday, Oct. 2, so daughter-in-law Mildred Bradford and Mrs. Jennie Reitzer were hostess at a party at Josie's house. A lemon cake and coffee and tea was served to guests bringing gifts, cards and good wishes. They were Doris Gabel who brought a pretty fresh flower arrangement. Others are Opal Bearden, Retta Cluck, Nettie Graham, Rachel Graham, Vera Webb, Grace Lust, Blanche Ginn, Ceal Carlile, Myrtle Sheffy and a

nephew Herbert and Irene Boswell from Lubbock. Oh yes, Susie Bradford and little Laura were at the party too.

Virginia Gilbreath was hostess to the Thursday bridge club. She served dessert of date cake, coffee and tea to Mary Lou Miller of Amarillo, Aural Davis, Ceal Carlile, Faun Welker, Anita Morris. Jeannie, Aural and Ann Carpenter were the high score winners. Virginia's in-laws J. M. and Lucille Posey of Hereford came by for coffee. I hear Virginia made a big score, also.

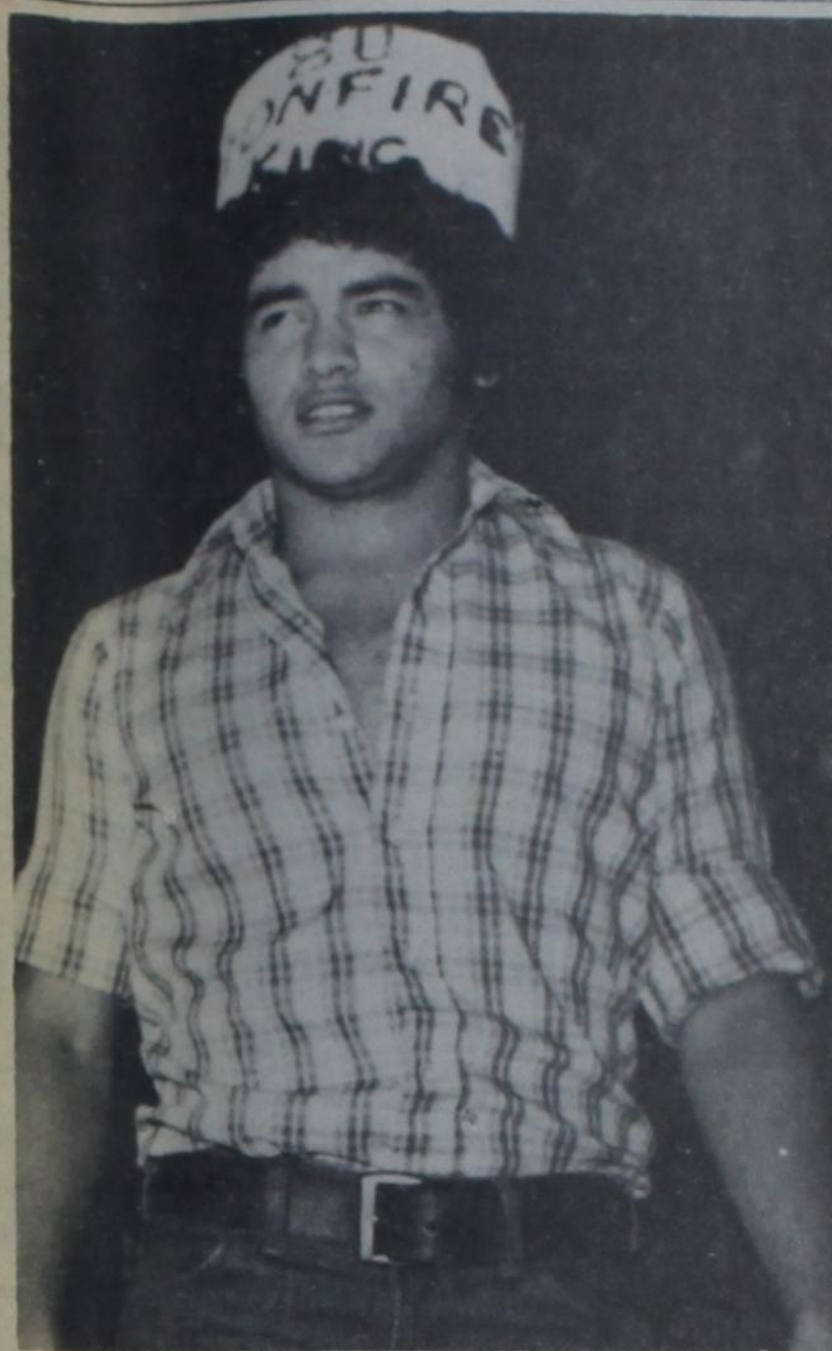

Opal Bearden had a birthday Monday Oct. 1, so her in-laws Rena Simpson and Sara Hendrick of Lubbock took her out for dinner at the newer cafe, a nice place named "Tara," that is north of Lubbock in the Colonial House formerly owned by Charles Armstrong's parents, the (Stinson Street Armstrongs.)

Bobbie Damron was hostess at the Friday bridge club with games and dinner at the Senior Citizens place. Jessie Silva served a good dinner with the help of Wilda and Elena Martinez. Someone brought us watermelon and cantaloupe to go with the hamburgers. Playing bridge were, Dorothy Elder, Betty Cartwright, Retta Cluck, Myrtle Sheffy, Opal Bearden, Betty Renfro. Josie Bradford and Gladiola won high score and Retta second high.

Retta Cluck's company this past week were cousins Grace Shelly of Amarillo and Mrs. R. L. Massey of Tulia, the Dr. Massey's wife.

Harlan and Bobbie Dodd, Kent and Mary Jo Birdwell, their mom, Mamie Birdwell and Polly Bell went to Taos and other places in that area, just to see the country, art and good food and all the pretty colored trees.

Vince and Nina Thorpe flew in here from Carlsbad, Calif. to visit friends Clyde and Betty Renfro.

ISAIAS PONCE wincs from the heat of the bonfire after being crowned Hart High School's 1980-81 Bonfire King last Wednesday night. The bonfire pep rally was one of the highlights of the school's annual Homecoming Week.

## Two from here join Air Force

Lisa Rae Polivoda of Dimmitt and Leland J. Hoelting of Nazareth recently enlisted in the Air Force at Amarillo. Both are currently attending a six-week basic military training course at Lackland AFB, San Antonio.

After successful completion of basic, Airman Polivoda and Airman Hoelting will enroll in the Community College of the Air Force, in which they will receive transferrable college credit.

Airman Polivoda is a 1980 graduate of Dimmitt High School and has selected the administrative area for job training.

Airman Hoelting is a 1980 graduate of Nazareth High School and has selected the electrical power production area for job training. The Air Force still has

openings for qualified young men and women according to Clovis Air Force Recruiter Bill Phillips. His office is located at 304 Main St. in Clovis.

## West Texas Opry slated Wednesday; Zelda to perform

A "West Texas Opry" sponsored by Radio Station KLLL in Lubbock will be staged Saturday night in the Lubbock Municipal Auditorium.

Zelda Ellison of Dimmitt will be among the performers in Saturday night's show, which will begin at 8 o'clock. Johnny Ray Watson, well-known gospel singer in this area, also will perform.

Tickets are \$3 each, and are available at Flip Side Records in Lubbock.

## George appointed to state committee

Jimmie George of Dimmitt has been appointed to the statewide steering committee of Democrats and Independents for Reagan-Bush, according to Gov. Bill Clements, state campaign chairman in Texas.

THE 1981 AUTO SHOW at the County Expo Building Friday drew hundreds of visitors during the day to view the new Chevrolets, Fords and Pontiacs, which were exhibited by Stan Byrnes Ford, Inc., and Reeve-Fleming Chevrolet, Pontiac. The show featured the greatest variation of body styles, sizes and engineering ever offered by American automakers, who are locked in a grim sales battle with foreign manufacturers.

**Social Security in Castro County**  
By JANICE ULMER

In Saturday's mail I received some literature warning me of the perils of not checking my social security records on a regular basis. The information further offered to check my records if I returned the enclosed card with my name and address.

I am always cautious of these mail campaigns. First of all, they are often attempting to sell information about social security when this same material is available free at any social security office. Secondly, in this particular mailing, the solicitor offered to check my social security records. However, the return card asked only for my name and address. It is impossible to check anyone's records without a social security number.

One can only surmise that amidst the package of information received, would be a card requesting my name, date of birth, and social security number to be mailed directly to Baltimore. Cards are available at any social security office for this same purpose.

I also often hear advertisements for books that will explain the complexities of Medicare to me. Once again, these are usually offered by companies who want to sell me additional insurance. Accurate, up-to-date, free information on Medicare is available at any social security office.

Social security law does change and information offered for sale by various private sources is not necessarily current. It may also be subtly slanted to the purposes of the seller.

The safest way to obtain information about Social Security, Medicare, or Supplemental Security Income (SSI) is to get it from the local Social Security office. Our pamphlets and publications are current and our staff is kept up to date daily on any changes in the law.

Your local office is located at 1401-B West 5th in Plainview. You may call us at 293-4371 and we will be happy to send you free, current information on any of our programs.

**What's Cooking?**

**DIMMITT SCHOOLS**  
Here are the lunchroom menus in the Dimmitt Public Schools for the week of Oct. 13-17.

**MONDAY** — Enchilada casserole, sliced tomato, hominy, peaches, crackers, milk.

**TUESDAY** — Fish patties, green beans, buttered new potatoes, rolls, peanut butter cups, milk.

**WEDNESDAY** — Barbecued wieners, potato salad, mixed vegetables, jello with apple sauce, rolls, milk.

**THURSDAY** — Beef stew, pineapple slice, cinnamon rolls, cornbread, milk.

**FRIDAY** — Pimento cheese sandwich, vienna sausage, tator tots, pickles, pears, milk.

**NAZARETH SCHOOLS**  
Lunchroom menus in the Nazareth Public Schools for the week of Oct. 13-17.

**MONDAY** — Beef and noodles, cole slaw, corn hot rolls and butter, chocolate cake, milk.

**TUESDAY** — Burritos with chili, tossed salad, green beans, peaches, milk.

**WEDNESDAY** — Fried chicken, scalloped potatoes, fruit salad, hot buttered bread, peanut butter chews, milk.

**THURSDAY** — Pizza, tossed salad, peas, hot buttered bread, chocolate cake, milk.

**FRIDAY** — Ham, French fries, carrot sticks, corn bread, butter, and syrup, apple crisp, milk.

**HART SCHOOLS**  
Breakfast and lunch menus for the Hart Public Schools for the week of Oct. 13-17:

**MONDAY** — Breakfast: Cold cereal, raisins and milk. Lunch: Sloppy Joes on homemade bun, vegetarian beans, pickles, onions, peanut butter cookies and milk.

**TUESDAY** — Breakfast: Sausages, biscuits, jelly, apple juice and milk. Lunch: Enchilada casserole, tortillas, tossed salad, hominy, pineapple cake and milk.

**WEDNESDAY** — Breakfast: Hot cakes, syrup, butter, orange juice and milk. Lunch: Barbecue beef, yeast rolls, pinto beans, cole slaw, apricot cobbler and milk.

**THURSDAY** — Breakfast: Cinnamon rolls, apple juice and milk. Lunch: Charburgers, cheese on homemade bun, French fries, lettuce, tomatoes, pickles, onions, jello and milk.

**FRIDAY** — Breakfast: Hot cereal, buttered toast, grape juice and milk. Lunch: Chicken fried steak, hot rolls, whipped potatoes, green beans, cherry cobbler and milk.

**Fertilize lawns now**

Fertilizing lawns now will boost fall growth and get them in shape for next spring, says a turfgrass specialist with the Texas Agricultural Extension Service. A fall fertilizer application prolongs green color in lawns, stimulates root growth, reduces winter injury and promotes early spring recovery. Fall fertilization also increases turf density and reduces weeds. Apply a fertilizer with a 15-5-10, 12-4-8 or similar analysis at the rate of one to two pounds of actual nitrogen per 1,000 square feet of lawn.

MICROWAVE cooking time is about one-fourth to one-half of the time recommended to cook a product by conventional cooking methods, says Dr. Rose Tindall Postel, a foods and nutrition specialist with the Texas Agricultural Extension Service. One exception: foods which require time to rehydrate or tenderize, in which case more time is required.

**Roundup herbicide controls 3 of the meanest weeds in cotton.**

**Whiteweed\* Blueweed\*\* Field bindweed.**  
They're mean. Tough. And stubborn. They can choke a cotton field right out of production. Most herbicides can't stop them. But Roundup can. Just make sure the weeds are actively growing after harvest and not under drought stress. Then, spot or boom apply Roundup, and you'll see how Roundup gets to the root of those weed problems. Reach for Roundup herbicide—and clean up those cotton fields this Fall.

There's never been a herbicide like this before.

# Turnovers abound as Hornets outlast Cats, 14-7

Some turnovers are tart and sour. Some turnovers are flaky and sugary sweet. Dimmitt Coach Wayne Garner and Tulia Coach Bill Martin got a taste of both Friday night at Bobcat Stadium as Tulia turned two Dimmitt give-aways into scores for a 14-7 win over the Bobcats.

Dimmitt converted a 60-yard interception return by linebacker Sid Sageser, to the Hornet 12, for its only score of the evening.

Neither team established itself well offensively. Both defenses buckled down in the second half, especially Dimmitt's. The Bobcats gave up only 13 yards in the third period, while the Hornets held Dimmitt to 29 yards on 10 fourth-period attempts.

The first turnover of the

evening occurred in the last half of the first quarter. Tulia's Kirk Thompson, who had already punted once, kicked to Johnny Gonzales at the Dimmitt 25. Gonzales could only stare in disbelief as the pigskin plopped into and out of his outstretched hands. Tulia recovered and took no time to score.

It appeared Dimmitt was going to hold the Hornets after Tulia moved quickly to the Dimmitt 3 on a 12-yard Wade Littlefield-to-Kirk Thompson pass and a seven-yard Littlefield option run. Littlefield looked to be bottled up at the 5, but evaded three would-be tacklers and scooted in for the score. Anthony Davis tacked on the extra point and Tulia led 7-0, with 3:39 left in the opening period.

Another Dimmitt turnover made it appear that it might be a long night for the

Bobcats. After Gonzales returned the Tulia kickoff to the 30, quarterback Richard Guzman was intercepted at the Tulia 25. Then Tulia put on the only sustained drive of the night.

Keeping the ball on the ground, Littlefield mixed up his outside running with inside gives to fleet fullback Roland Powell. Taking up the last three minutes of the first quarter, Tulia moved efficiently to the Dimmitt 39.

On the first play of the second period, Littlefield handed off again to Powell. Using a crisply blocked hole in the Dimmitt defense, Powell outran the Bobcat secondary to the end zone. Davis' kick again was true, and the Hornets led, 14-7, with 11:52 left in the first half.

Dimmitt took the next kickoff to its 27, and appeared to have picked up a first down, only to have Tulia linebacker Roy Flores — the preceding week's player of the week among AAA teams in the area — come away with the ball. But the Dimmitt defense went to the well and moved Tulia

HEY — COME BACK!—Tulia's Kevin Crooks keeps Tulia's final drive going as he races for a first down at the Dimmitt 22-yard line before being knocked out of bounds in the fourth quarter of Friday night's game at

Bobcat Stadium. The Hornets moved on to the 14-yard line, but a holding penalty killed the drive. Pursuing Crooks are Dimmitt's Larry Espinosa (61) and Ricky Gonzales (44). Tulia won the game, 14-7.

down, but the Bobcats failed to get the first down. After an almost penalty-free first half, the game turned into a hanky-throwing contest among the officials in the second half — especially in the fourth quarter.

Dimmitt, Scot-free in the first 24 minutes, ended up with five penalties for 55 yards, while the Hornets were penalized four times in the second half for 40 yards, including 35 yards in the fourth period that stamped out one Tulia drive.

Neither team moved the ball in the late third and early fourth quarters, but Tulia made headway on its second possession in the last stanza. Littlefield and Crooks teamed up to run the ball from the Hornet 42 down to the Dimmitt 14, with Crooks picking up 36 of the yards on just three carries. But Tulia was hit with a 15-yard holding call that stopped the Hornets short.

Dimmitt was playing without two of its starting defen-

sive ends, Chevo Ortiz and Jeff Watts, who are both nursing ankle ailments. The Bobcats used a variety of players to fill in at the flanks. Tulia tried to take advantage of the inexperience at the defensive end slots, and made good yardage. But its two scores came up the middle of the Dimmitt defense.

## It's True.

"We bought a house a few years back, and it had a heat pump in it. I was very satisfied with it and simply decided to have it put in our new home here. The reason I like the heat pump is because it is efficient, simple and clean... you don't have to fuss with any change over from heating and cooling. I was given projected operating costs of the heat pump in both homes by Southwestern Public Service. And, in every month since I've had the heat pump, my actual monthly operating costs have been considerably lower than the estimated projections. So, consequently I've been very pleased. I would definitely recommend the heat pump to my friends or anyone else because in my opinion, it is a good unit and economical."

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.

back up the field. The Hornets suffered the only penalty of the half, a five-yarder, and running back Kevin Crooks was dropped for a nine-yard loss. Powell lost three more yards on second down, and Littlefield dropped back to pass on third and long.

The ball was knocked around by Dimmitt secondary for a few seconds before Sageser came up with it at the Dimmitt 28 and took off.

Sageser was finally brought down from behind at the Tulia 12, and Dimmitt's offense was looking at the best field position it had seen in a long time.

To try to perk up his running attack, Coach Garner sent in ailing senior running back Adrian Stanton, the team's leading ground gainer, who had been on the sidelines suffering from a lung infection. He had not worked out all week, and before the game, when asked how he felt, said, "It only hurts when I breathe."

But Stanton picked up five

yards on first down. The Bobcats could muster but three more yards on the next two plays, and Dimmitt was looking at fourth and two from the Hornet 4.

After talking things over with Coach Garner, Guzman ran the option play to the left side. Finding a small crack in the Hornet line, Guzman picked up the Bobcats' only score of the night. Johnny Nino kicked the extra point, and Dimmitt cut Tulia's lead to seven at 14-7, with 5:11 to play in the second quarter.

It was not only the last score, but practically the last threat by either team.

Tulia had the last two deep possessions in the game. Towards the tail-end of the first half, the Hornets set up shop after a 32-yard Ricky Gonzales punt at the Dimmitt 45, and, after a 16-yard gain by Hornet back John David Wilks, looked to be ready to go on another stinging foray.

Four attempts into the line proved fairly fruitless, though, and Dimmitt took over at the Bobcat 25 to run out the first half.

Dimmitt started out the third quarter at its own 32 and tried an end-around play that worked well two weeks ago against River Road. This time, though, Tulia sniffed out the effort by Fermin Gonzales and dropped him for a five-yard loss.

Guzman came back with a 14-yard pickup on second

# Patriots escape Friday with 18-12 win at Hart

The Hart Longhorns entertained the No. 2-ranked team in Class A Friday night, the Valley Patriots. The Longhorns fought hard before their homecoming exes, and even though the Patriots were big favorites, it was two fourth quarter TD's that finally pinned a tough 18-12 loss on the Horns.

The Horns received the opening kickoff and drove 67 yards in 20 plays for the game's first score. It was an impressive drive against a tough Valley defense, which had allowed just six points in the previous four games. The drive included good runs by Kevin Belt, Isaias Ponce and Leonard Washington. Also, QB Derek Rich connected on several passes to Chad Black and Washington to maintain possession several times. Ponce drove through the right side for the score with 4:46 remaining in the first quarter. The PAT failed to leave the score Hart 6, Valley 0.

It was late on the second quarter before Valley could get its potent offense untracked. The Longhorns provided that opportunity by fumbling at their own 44-yard line. From there it only took Valley three plays to cover the necessary real estate. James McNary got loose on the second play for a 15-yard gain. On the next play, big Ray Williams broke over left tackle for the final 11 yards and the first Patriot score of the evening. The try for two points was no good, so with 2:48 left in the half the score was all tied. This is how the half-time ended, Hart 6 and Valley 6.

The second half began with both defenses dominating play, but the offense tempo picked up midway through the third quarter. After several exchanges, the Horns' Ponce picked off a Patriot pass and returned it seven yards to Valley's 18-yard line. Behind good blocking, the Longhorns moved down to the 1-yard

**RUNNING BATTLE**—Hart's Phillip Hawkins [22] and Valley's Brum Pinkerton stretch for a Derek Rich pass at the Longhorn's 40-yard line late in the second quarter of Friday night's non-conference battle at Hart. Also covering Hawkins is Valley's Ray Williams

line. On fourth and one from the 1, the Horns were stopped inches short of a TD. The Patriots took over after this big defensive play.

The Patriots took the ball from their own six-inch and began an impressive drive of their own. Mixing the running of R. Williams, J. McNary, and the passing of R. Fuston, the Patriots moved 99 yards for the score. QB Fuston carried over from the 1 to put Valley on top, 12-6 with only 8:39 remaining in the game.

The Longhorns, unable to muster any offense on their next possession, had to give the ball up. Valley took over on the Horns' 43-yard line. Four plays later, Fuston hit M. Dodd on a flag pattern for 28 yards and the score. The

try for two points was not good. With 4:47 remaining, the Patriots had stretched their lead to 18-6.

Taking over on their own 33 after the kickoff, the Longhorns would not say "die." Five plays into the drive, Rich hit Black for a 46-yard gain. A 15-yard late hitting penalty put the ball into play on the Patriots' 7-yard line. On the next play Rich threw to Black in the end zone. However, a Valley Patriot defender batted the ball into Washington's hands for a Longhorn score. The Horns missed the two-point try. With only 2:49 remaining in the game, the Longhorns had narrowed the gap to 18-12.

An unsuccessful onside kick gave the Patriots the ball at the Horns' 42.

Unable to move the ball, the Patriots punted. Taking over on their own 20, the Longhorns were able to make one first down. On the next series the Horns faced fourth and two from their own 35, but were unable to make a first down. Valley took over and ran the clock out.

The two teams tied in first downs with 15 apiece. Valley earned 245 total yards to Hart's 213. Ponce was Hart's leading ball carrier with 70 yards on 24 carries.

Hart will be at Olton Friday night for the Mustangs' Homecoming game. Kickoff time is 8 o'clock.

THE average ages for first marriages of females and males in the US is 20 and 23 respectively.

## Hart JV battles Valley to 0-0 tie

The Hart Junior Varsity traveled to Valley High School last Thursday for a rematch of their earlier game at Hart.

In the first meeting, Valley had come out on top, 6-0. But this time it was a little different as the two teams locked in a 0-0 count.

Hart's aggressive defense never allowed the Patriots inside the 20-yard line. Pac-

ing the Longhorn defense were linebackers Robert Martinez and Joey Macias, who intercepted two Valley passes. Also turning in top performances on defense were Roy Rodgers, Robert Gonzales, Arnie Gonzales and Dale Scott. Robert and Arnie Gonzales shared the Hart JV Player of the Week honor for their defensive performances.

On offense, the Longhorns penetrated Valley's 5-yard line twice, only to be denied both times by the stiff Patriot defense. Hart quarterback Coy Myrick completed four of eight passes for 81 yards. Chris Reyna caught three passes for 61 yards while Tony Hoover gathered in one pass for 20 yards. Fullback Trevor Peterson led all Longhorn rushers.

Although the Longhorn JV record now stands at 0-2-1 for the year, the defense has given up only 14 points in three games.

The Longhorn Junior Varsity will host Olton tonight (Thursday) in Longhorn Stadium.

## Last call for DHS yearbooks

Dimmitt High School still has 14 copies of the 1980 annuals available.

The annuals cost \$15 each, and if they are not purchased by next week, they will be returned to the company for credit, Yearbook Sponsor J'Lynn Ryan said.

Anyone wishing to purchase one of the annuals should contact Mrs. Ryan at 647-3105 during school hours.

## Local men win in WA contest

Two Dimmitt residents have been named winners in Western Auto's nation-wide contest held during May and June, according to Walter Spinhirne, local Western Auto dealer.

Herman Hendrix of 611 NW Seventh St. won a 10-speed bicycle, and Luke McGuire of Dimmitt won a chest cooler, Spinhirne said.

APPROXIMATELY 1.6 million people in the US have been cured of cancer.

## CF campaign nets \$1,126

The Cystic Fibrosis Foundation received \$1,126.50 from the county in its drive here, according to Karen Robertson, area chairman.

Mrs. Robertson expressed her gratitude to Sherri Matthews, assistant chairman, and to the women of the community who collected money in the CF drive. She also commended Dimmitt merchants who contributed to the foundation.

## Comptroller's rep to visit

State Comptroller Bob Bullock announced he is sending a representative from his Plainview office to Dimmitt next Wednesday to assist local taxpayers and answer questions about state taxes.

Bullock said Kay Doggett, enforcement officer, will meet with local taxpayers in the Commissioners' Court Room of the courthouse from 10 a.m. to 12 noon.

"If Dimmitt area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Ms. Doggett will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do that," Bullock added.

Bullock reminded those tax-

payers who are unable to meet with his representative next Wednesday, that they can still get their questions answered by calling his toll-free tax information number in Austin, 1-800-252-5555.

The Plainview office, headed by Raymond Bogus, serves Hale and surrounding counties.

## Free-shot clinic scheduled Friday

A vaccination clinic will be held Friday in the Dimmitt City Hall auditorium from 9 a.m. to 12 noon.

Vaccines that give protection against the childhood diseases of polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps will be given, free of charge.

## AN OPEN LETTER TO OUR FRIENDS

Dear Friends,

We want to express our thanks and gratitude for your faithfulness and friendship during the many years we have served you with our flower shop and funeral home. We are grateful to you for your trust and confidence in us. We have always tried to give our community the best of service. We have invested our lives here.

A symbol of our gratitude and our responsibility to our community is our new Dennis Funeral Home, which is one of the finest anywhere.

Yes, we realize that we are getting older in years. In light of the shortage of good, qualified young morticians, this has been a problem. However, we have solved this problem with the addition to our staff of Max Thompson, a nice young man who received his degree and license in mortuary science in February.

We surely have made our share of mistakes, and we probably will as long as we're on this earth, but they haven't been intentional. We have always tried to be fair and considerate of everyone. We appreciate the many thank-you cards we have received from the families we have served, thanking us for the nice services and kindness.

Our reason for building our new funeral home: we wanted to show our appreciation to the people of Dimmitt and Castro County. It has always been our goal to provide the best of service and facilities. As we said, we have invested our lives here.

We look forward to continuing to serve the people of Dimmitt and Castro County who have been our friends and neighbors these many years. We value your trust, your opinions, your requests and your friendship.

## Simpson to head Spelling Bee here

County Judge M. L. Simpson has been named director for the 1981 County Spelling Bee. He will set the date of the county Spelling Bee, appoint those to help with it, and notify local schools.

The Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University, is for boys and girls in grades four through eight.

Winners of the county spell-down will gather in Amarillo April 25 to determine the 33rd regional champion.

Throughout the four states that are assigned to the AGN-WTSU region, most schools use the booklet prepared by the national sponsors, the Scripps-Howard Newspapers, "Words of the Champions." The booklet contains more than 500 new words and is available from the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, 79166. The word lists cost 40 cents each. Orders may be placed by students, principals and county directors.

The National Spelling Bee will be held June 1-5 in Washington, D.C. where more than 100 regional finalists will compete. Expenses for the 1981 AGN-WTSU champion will be furnished by the Amarillo Globe-News.

Various other awards will be given to some of the top area spellers, and the county champion will receive a Bee trophy.

National rules allow any student who has not reached his or her 16th birthday or gone beyond the eighth grade

at the end of the current school term to compete.

Area sponsors also promote a Junior Bee for elementary grades 4, 5, and 6. These county junior winners will not take part in regional competition but will be recognized in Amarillo during Bee Day activities.

Additional information may be obtained from Mrs. Jeane Bartlett, Spelling Bee Editor, or Gene Parker, director of placement, West Texas State University.

## Freshmen top Tulia

Mark Bruegel ran a touchdown in the first quarter and returned an intercepted pass for another in the second to launch Dimmitt High School's freshman team to a 20-0 football victory over Tulia last Thursday.

Bruegel got his first TD on a 10-yard run in the initial quarter, then ran the two-point conversion to give Dimmitt an 8-0 lead.

In the second quarter, Bruegel intercepted a Tulia pass and returned it 53 yards for Dimmitt's second TD. The extra-point attempt failed, and Dimmitt led at halftime by 14-0.

A 45-yard pass play from Tim Kenworthy to Robert Nelson in the third quarter put Dimmitt ahead by the final victory margin, 20-0.

Dimmitt coaches praised the freshman defense for holding Tulia to minus yards rushing and forcing several Hornet fumbles. Defensive players who led the way in shutting down the Tulia offense were Hal Gilbreath, Brandon Cox, Brad Holcomb, David Barton and Scott Nelson.

The victory evened the Dimmitt freshmen's record at 2-2.

The Bobcat freshmen will meet Canyon White here tonight (Thursday) at 7.

# Swifts overpower Bulldogs, 23-14

By CHRIS ALBRACHT  
The Nazareth Swifts suffered through a slight mental letdown, but still had enough to defeat the Anton Bulldogs, 23-14, Friday night at Anton.

It was the first meeting between the two schools since 1971, and Nazareth's first victory ever over Anton.

The Swifts drew first blood on the fourth possession of the game after Calvin Schulte blocked a David Castro punt at the Bulldog 17. Two plays later, Virgil Huseman romped into the end zone with the first Nazareth score on an eight-yard run. Bryan Huseman added the extra point, and the Swifts led 7-0 with 5:52 left in the first period.

From that point until midway into the second quarter, it was a game of turnovers and punts. Then Bryan Huseman intercepted a Ronnie Buchanan pass at the Anton 28. But Nazareth returned the favor when Huseman lost the handle at the Bulldog 29. The Bulldogs recovered, but could not do anything. On fourth and seven from the Bulldog 32, Castro received a bad snap, and couldn't do anything but pounce on the loose ball at his own 8. On the next play, Hugh Wilhelm carted in his first score of the 1980 season with an eight-yard run.

★

### GAME AT A GLANCE

Nazareth	Anton	
15	First Downs	10
216	Rushing Yardage	167
30	Passing Yardage	50
246	Total Offense	217
1/3	Passes Comp/Att	3/9
2	Interceptions By	0
5-35.0	Punts-Avg.	6-32.5
4	Fumbles Lost	2
5-55	Penalties-Yds.	7-78

### Score by Quarters:

Nazareth	7	10	6	0	=	23
Anton	0	0	0	14	=	14

### Scoring Sequence:

- N - Virgil Huseman, 8 run (B. Huseman kick)
- N - Hugh Wilhelm, 8 run (B. Huseman kick)
- N - Bryan Huseman, FG, 31
- N - B. Huseman, 13 run (kick blocked)
- A - Mike Synatzske, 1 run (Synatzske kick)
- A - Robert Domingo, 35 pass from Ronnie Buchanan (Synatzske kick)

### Nazareth Individual Statistics:

RUSHING - Bryan Huseman 27-104, Virgin Huseman 12-66, Hugh Wilhelm 5-37, Calvin Schulte 6-19.  
PASSING - Calvin Schulte 1-3 for 30 yards, 0 interceptions, 0 touchdowns.

Huseman added the extra point, and the Swifts led by 14-0 with 9:14 left before the half.

Again, the contest became a turnover affair as the Swifts fumbled away again and the Bulldogs punted again after an exchange of possessions. On third and 12 from the Bulldog 24, Gerry Kleman picked off his second pass of the season and returned it to near midfield, but a clipping penalty brought the ball back to the Nazareth 17, where the Swifts took over.

At that point, they began a nine-play drive that took the Swifts to the Anton 14 where, with seconds left, Bryan Huseman kicked a 31-yard field goal to end the scoring for the first half at 17-0 in favor of the Swifts.

The beginning of the second half found both teams back to punting and fumbling the ball. Nazareth took advantage of another Anton fumble to set up its last TD, when Bryan Huseman scored on a 13-yard run. Huseman's

extra point was blocked, and the Swifts led 23-0 with 3:25 left in the third.

The Bulldogs finally got on the scoreboard in the final stanza as Mike Synatzske scored on a one-yard run that was set up on a reverse run by Jimmy Perry. Synatzske added the extra point and the Bulldogs trailed 23-7 with 10:23 left in the contest.

On the Swifts next possession, both teams suddenly suffered from a common ailment - penalties. On one five-play stretch, both teams combined for 48 yards in penalties as they were either offside, clipping or interfering.

The final Bulldog score came on a 35-yard pass from Ronnie Buchanan to Robert Domingo with a minute left. Synatzske added the extra point, to revise the final score to 23-14.

The Swifts are now 3-2 and will host Lazbuddie in their District 2-A opener Friday at Swift Field. Game time is 7:30 p.m.

## Cats to test Boys Ranch

This week it's back to the road for Dimmitt, to take on the Boys Ranch Roughriders. Boys Ranch has a 2-3 record, and is coming off a 42-0 loss at the hands of last year's Class B state champion, Wheeler.

Boys Ranch is spearheaded on both offense and defense by Ty Lightfoot.

Lightfoot has picked up over 100 yards in two of the Roughriders' five games, and is their leading tackler from his nose-guard position.

Dimmitt coaches rate him as the player to watch this week.

The Boys Ranch quarterback is another good one. Mark Landers, according to the Dimmitt scouts, throws and runs the ball well on offense, and is tenacious at his left linebacker spot.

Another defensive standout is cornerback Ambrose Gordon.

Dimmitt fans attending the game Friday night will be put in an unusual place. There is

only one set of stands at Boys Ranch, so be prepared to perhaps have a "scrunch up."

Dimmitt fans could be welcoming back those two ends, Chevo Ortiz and Jeff Watts.

The two had split time at tight end and doubled as defensive ends. Ortiz has missed the last two games and Watts missed the last quarter of the Freshship game and all of last week's game with ankle injuries.

Adrian Stanton is also expected to be at full speed, after a lung infection that limited his playing time last

week. Stanton carried only four times, but picked up 20 yards.

Game time Friday night at Boys Ranch is 8 p.m.

## Planned Parenthood sets Amarillo event

Margaret Sanger Marston, the namesake and granddaughter of the founder of Planned Parenthood, will be the guest speaker at Panhandle Planned Parenthood Association's Annual Luncheon Oct. 31, at the Country Squire Dinner Theater, 3618 1-40 East in Amarillo.

Mrs. Marston will share her experiences of traveling and working with her grandmother, who opened the first contraceptive clinic Oct. 16, 1916.

Mrs. Marston is a registered nurse and is currently working as an administrative assistant for a firm of consulting engineers. She is also an active volunteer in her home state of Virginia, working with projects such as delinquency prevention.

Margaret Sanger Marston

Tickets for the luncheon will be \$10 per person, and reservations may be made through the Panhandle Planned Parenthood, 604 W. 8th, Amarillo, Tex., 79101, or through the Castro County

Planned Parenthood office at 647-4344. Deadline for making reservations is Oct. 28.

If it jams — force it. If it breaks, it needed replacing anyway.

## Refresher course set for nurses

A refresher course for inactive RN's and LVN's who are interested in returning to work, either part-time or full-time, will be offered at Central Plains Regional Hospital beginning Monday. Covered in the course will be medications, IV therapy, CPR, doctor's orders, and other areas of interest. The course will include both classroom and clinical practice, under supervision. Doug Stennett, RN, director of inservice education at the hospital, will be in charge of the course. Anyone interested should contact Ruth Walker, RN, director of nursing, 296-5531, Extension 5393.

## Art class is planned

OCT. 24 DATE SET—Mr. and Mrs. Dean Butler announce the engagement and approaching marriage of their daughter, Rene, to Bobby Smith, son of Mr. and Mrs. Loyd Smith of Arrey, N.M. Wedding vows will be exchanged at 7 p.m. Oct. 24 in the First Baptist Church of Friona. Miss Butler is a 1978 graduate of Dimmitt High School. Smith is a 1977 graduate of Hot Springs High School in Truth or Consequences, N.M., and graduated from New Mexico State College in 1979. Both are employed at Farmer County Implement Co. in Friona.

The Nazareth Art Club will hold a painting class Monday at 7 p.m. in the basement of the Holy Family Catholic Church in Nazareth.

Classes will be taught by Kay Stevens of Tulia for a fee of \$5 per lesson. Anyone interested in learning to paint should call Patsy Huseman at 945-2667 or come to the class Monday evening.

MRS. GARY DON HUSEMAN  
... The former Kelly LeAnn Altman

## Altman-Huseman vows are recited

Kelly LeAnn Altman and Gary Don Huseman exchanged marriage vows in a formal, double-ring ceremony Saturday evening in Holy Family Catholic Church of Nazareth.

The bride is the daughter of Mr. and Mrs. Gerald Braddock of Nazareth and Ken Altman of Canadian. The groom's parents are Mr. and Mrs. Vincent Huseman of Nazareth.

Father Stanley Crocchiola officiated, assisted by Deacon Jerome Brockman. Servers were Roger Schulte, Doyle Schulte, Wayne Backus and Ricky Backus.

Decorating the altar area were yellow gladioli and chrysanthemums, trimmed in brown.

Kim Altman of Amarillo, the bride's sister, served as maid of honor. Bridesmaids were Kristi Altman of Canyon, sister of the bride, and Kristi McNeeley of Olton, the bride's cousin. They wore identical yellow formal dresses with Empire waistlines and yellow-and-brown floral bodices. Each carried a single yellow rose. They wore yellow silk roses in their hair.

Tim Huseman of Nazareth served his brother as best man. Groomsmen were Dan Braddock and Bob Hochstein, both of Nazareth. Ushers were Ted Huseman of Nazareth and Kenneth Huseman of Fort Worth, brothers of the groom, and David Ehly of Amarillo, the groom's brother-in-law.

Mac Annen of Nazareth was the ring bearer, and Stephanie Bagnall of Nazareth was the flower girl.

Melony Shearer, soloist, sang "You Light Up My Life," "The Twelfth of Never," and "The Rose."

Escorted to the altar by her brother, Ken Altman, the bride wore an Empire gown with A-line skirt, circular

hemline, pointed sleeves and a rounded, caped neckline. Her bridal caplet supported a chapel-length train, and re-embroidered lace accentuated the skirt and outlined the hem, cape and train.

A dinner and dance in the Nazareth American Legion Hall followed the wedding ceremony. The reception hall was decorated in the bride's chosen colors of yellow and brown.

Following a brief wedding trip, the couple will be at home in Nazareth.

The groom graduated from Nazareth High School in 1978, attended Texas Tech University, and is now employed by Goodpasture, Inc.

DECEMBER WEDDING PLANNED—Mrs. Bobbie Ferris and Roby Frank Weatherman announce the engagement of their daughter, Darla Irene Weatherman of Sherman, to Steven Jay Myatt, son of Mr. and Mrs. J. H. Myatt of Dimmitt. The couple will exchange vows Dec. 20 in North Park Baptist Church of Sherman. Both are students at Texas Tech University; Myatt is to receive his degree in physical education Dec. 19.

## Homemakers hear talk on changes

Dimmitt Young Homemakers met last Thursday evening and heard a program on "Women in the World" presented by Mrs. Linda Nickum from the Displaced Homemaker Center of Amarillo College. Mrs. Nickum spoke about the changing roles of women in the world and about the changing family structure.

Club members voted to have a garage sale on Oct. 25 at 716 Cleveland, to sell balloons at the Halloween Carnival, and to have an arts and crafts bazaar in December as fund raising projects.

The newest service project for the organization is "Adopt-A-Friend" from the Satellite School. Members are encouraged to visit their special friends and do something special at the school each month.

DYH will meet again on Oct. 16 for a Halloween party. Dress-up in costumes will be optional.

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers Council and the Nazareth Swift Band.]

OCTOBER 11 — Ed and Eileen Gerber.

OCTOBER 13 — Buster and Loneta Jordan.

ENGAGED—Mr. and Mrs. Grover Parsons announce the engagement of their daughter, Julie Vi, to Richard Robb, son of Mr. and Mrs. Don Robb of Idalou. Miss Parsons is a graduate of New Home High School. Robb, a former Dimmitt resident, is a graduate of Idalou High School. Both are students at Texas Tech University. The couple plans to be married Dec. 20 in the First Presbyterian Church in Lubbock.

**HONORED ON ANNIVERSARY**—S. R. and Oneida Hutto were honored by their children with a 40th wedding anniversary supper and reception recently. The reception, held at the Hutto home, was hosted by Dr. and Mrs. Aaron Hutto, Mr. and Mrs. Rodney Hutto, Byron, Karen, and Keith Hutto. Mr. and Mrs. Hutto were married Sept. 28, 1940, in Lubbock.

**MR. AND MRS. DESI PESINA**  
... Observe golden anniversary Sunday

## Pesinas are honored on 50th anniversary

Mr. and Mrs. Desi Pesina Sr. were honored with a golden anniversary reception Sunday afternoon at their home, hosted by their friends. Mr. and Mrs. Pesina were married Oct. 5, 1930, at Brady. They lived in Melvin until 1953, when they moved to Dimmitt. Pesina owned a dry-goods store in Dimmitt for many years, and managed a package store for 20 years

until his retirement last April. The Pesinas have two children, Desi Jr. of Lubbock and Estelle Perez of Nacogdoches. Another son, Fermin, who was a Dimmitt school teacher, died in 1963. Two anniversary cakes, made by friends, were served at the reception along with punch and hot chocolate. The Pesinas are members of the Immaculate Conception Catholic Church here.

## Nazareth

### 120 attend post office open house

By VIRGIE GERBER  
Open House for the new post office at Nazareth was held Sunday from 2 to 4 p.m. There were approximately 120 guests who viewed the new facility and enjoyed refreshments.

Among the guests were Charles and Betty Hood, Martha Forsythe and her children from the Amarillo post office. Visiting postmasters included Norma McBee from Lefors, Bill Sava from Dimmitt, Don Sanderson from Tulia and Betty Sanders from Hart. An ivy plant was received from the postmaster at Mobeetie.

Mrs. Philip Acker, a resident of South Hills Manor Nursing Home in Dimmitt, was a special guest. She is the 91-year-old grandmother of the postmaster, Kathy Birkenfeld. Mrs. Irene Carpenter and her daughter, Floyce George of Dimmitt were present. They both have carried the mail for the Nazareth community.

The new facility is a great improvement and is evidence of the growth in the community. This is the first time in the history of the Nazareth post office that it is housed in its own quarters.

Private Deanna Falcon graduated from basic training at Fort Jackson, S.C., on Oct. 1. She is the daughter of Julian and Maria (Martinez) Falcon of Nazareth. She was a 1980 graduate of Nazareth High School. She is now stationed at Fort Gordon, Ga.

Mr. and Mrs. Greg Hoelting are home after spending a couple weeks in Colorado visiting their sons Denis, Marvin and Leroy and their families.

Members of the Third Order of St. Francis enjoyed a pot luck dinner in the home of Dora Albracht. Mr. Sam Johnson of Albuquerque came for the visitation of the Order — Six members of the Order attended Mass at the Franciscan Convent in Amarillo on Wednesday evening and a pot luck supper afterwards. The Franciscans are beginning their celebration of the 800th year since the birth of St. Francis.

Dora Albracht spent a week in Houston with her sons Art and Elmer. Art took her to see several Astro games at the Astrodome.

Francis Wilhelm and son Gordon of Amarillo were in Houston to visit relatives. While there they attended the Houston and Atlanta game and the Tech-Texas A&M football game on Saturday.

Betty Wilhelm, 18th District President of the American Legion Auxiliary attended the Department Executive Committee in Austin Sept. 25-28. Last weekend the 18th District Convention was held in Memphis, Texas. President Betty Wilhelm held the meetings at this convention.

Edna Schulte of Hereford and Rose Hindman spent two weeks visiting relatives in Aurora and Denver, Colo. They visited with Edna's son Conrad and his family, John and Linda Smith and son Shawn, Mamie Lueb, Marvin Hoelting family and Rita Pohlmeier who is employed at Golden, Colo.

Visiting with the Raymond Annens on Sunday were Mr. and Mrs. Oscar Koston from Stephenville and Loyd and Eula Pearl (Kostin) Greenhill of Plainview. Oscar used to manage the cotton gin north of Nazareth. Also Mrs. Rose Annen of Hereford and Cornelia Annen.

Mrs. Frances Schacher is home and doing fine after having surgery at St. Anthony's Hospital.

Mrs. Ruth Backus is still in St. Anthony's Hospital recuperating from surgery that she had several weeks ago.

**MR. AND MRS. A. T. KIRBY**  
... To be honored Sunday afternoon

## 65th anniversary reception planned

A 65th wedding anniversary reception for Mr. and Mrs. A. T. Kirby will be held at their home, 407 Front St., Sunday from 3:30 to 5:30 p.m.

Their children will be hosting the reception. All friends of the couple are invited to attend.

## Honor Society Brockman named to Tech honor list

Dimmitt High School's National Honor Society chapter elected officers last Wednesday for the 1980-81 school year.

New officers are Sharla Street, president; Trent Armstrong, vice-president; Judith Smith, secretary; Todd Touchstone, treasurer; and Deannea Merritt, reporter.

National Honor Society sponsor is Avis Smith.

MOST of all incoming drugs confiscated in the US are seized in Florida.

### PLAINS MEMORIAL

It's a boy for Andres and Gloria Gonzales. He has been named Andres Jr., and was born Oct. 2 at 10:15 p.m. weighing 7 pounds, 1/4 ounce.

Isidoro and Natividad Esquivel have a new baby girl named Veronica Limon. She was born Oct. 3 at 8:46 p.m. and weighed 10 pounds, 4 ounces.

It's a girl for Felip and Mary Flores. She was born Oct. 5 at 12:02 p.m., weighed 5 pounds, 15 1/4 ounces, and has been named Angela.

### OUT OF TOWN

Mr. and Mrs. Rod Hales are the parents of a new baby girl, Kristin Eteinne. She was born Sept. 20 at Northwest Texas Hospital in Amarillo, and weighed 5 pounds, 5 ounces. Grandparents are Mr. and Mrs. Richmond Hales of Canyon and Mr. and Mrs. Herbert Bellinghausen of Knox City. Great grandparents are Mr. and Mrs. Floyd Tomlinson of Canyon, Mr. and Mrs. H. B. Hales of Amarillo and Mrs. Lillian Coffman of Lubbock.

### OUT OF TOWN

James and Bobbie Schmucker of Nazareth are the parents of twin girls. Tiffany and Jammie were born Oct. 1 in Swisher Memorial Hospital in Tulia. One weighed 8 pounds, 10 ounces, and one weighed 7 pounds, 8 ounces. Grandparents are Mr. and Mrs. C. D. Kleman and Mr. and Mrs. Joe Schmucker of Nazareth. Great grandparents are Mrs. Josephine Ball of Nazareth and Mr. and Mrs. Bart Kleman of Tulia.

NEARLY 500,000 adults across the nation give their time to 4-H as leaders.

## Many Hearing Problems Can Be Helped

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike... and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 62114, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

**More about**

**Police harassment . . .**

[Continued from Page 1] one officer used abusive language and threatened to strike him.

Joe Garcia said that an officer hit him twice on the chest with a flashlight.

Daniel Montiel complained of police harassment, particularly aimed at youth and Mexican-Americans, by two officers. He felt that Chief Mitchell "ought to be responsible for what they do."

"We needed to turn to somebody, so we've turned to ya'll," Montiel told the Board of Aldermen.

Alderman Wayne Collins commended the residents for coming to speak their minds and told them that they had acted properly.

Alderman Doug Lapins said that complaints should first be directed to Chief Mitchell. If the situation is not resolved, "then come to us," he added.

"If one of my officers gets out of line, you come to me and we'll talk to the officer and try to get it straightened out," Mitchell said.

He challenged the youths to "go with me and face these officers."

"I don't want your rights to be abused," Mitchell added.

Questions and comments were directed to Mitchell concerning the recent arrest and overnight jailing of a 17-year-old youth, drinking of beer and liquor on business parking lots, proper reading of rights, officers' wearing of uniforms, and police cars' usage of flashing lights and sirens.

Mitchell showed an apparent willingness to talk and deal with complaints.

"We (police) need your cooperation," Mitchell said, adding, "It's a two-way street."

"Are these new officers acting properly or are they acting heavy-handed with these kids?" Collins asked Mitchell.

Mitchell said that he would have to talk with officers Billy Quillen and Felix Balderas and handle the situation

accordingly.

In other action, the aldermen:

—Heard City Manager Garnett Holland's report that the swimming pool operation this summer lost \$1,023.45.

The board was prepared for a loss of about \$3,000 and expressed pleasure that the loss was not as much as expected. This was the first year for the pool to be operated solely by the city.

—Approved Donald Shelton as a member on the Board of Adjustment in place of Harold Stephens.

—Approved the reserving of two volunteer firemen as city-paid firemen, and met Billy Westmoreland, who is the fire marshal trainee under Guy Waldrop.

—Heard recommendations by Police Chief Mitchell concerning the traffic congestion south of Richardson Elementary School on Stinson Street.

Aldermen requested that Holland learn exactly where the city's right of way extends on the street. Aldermen will meet with the Dimmitt School Board Monday to further discuss this traffic problem.

**Kiwanians to install**

The Kiwanis Club of Dimmitt will install a new slate of officers at its annual Installation Banquet tonight (Thursday) at 8 in the Richardson Elementary School cafeteria.

Kiwanis Lt. Gov. Cliff Burtz of Canyon will conduct the installation and present the banquet address.

Two Dimmitt youths will participate in the program. Woody Glass, singer, will provide the evening's entertainment, accompanied by Brad Murdock on the drums.

New Kiwanis officers for the coming year are Charles Richard, president; Jimmy Davis, first vice-president; Bill Thornton, secretary; Richard Stahl, treasurer; and Bob Murdock, Leroy Maxwell, Cliff Lewis, Ron Easley, Carl Bruegel, Doyle Wassom, Duward Davis and Henry Ramaekers, directors.

**Police calls**

A 53-year-old Hereford man was arrested Sept. 30 by state troopers for driving with his license suspended and littering. He was fined \$250 plus \$40 court costs.

City police arrested two youths, one a juvenile, last Thursday in connection with the recent tire-slashing incident at the Expo Building on felony criminal mischief charges. They were released on bond pending court action.

The tire slashings occurred during a teen dance at the Expo Center.

**Chili-stew supper scheduled at Hart**

The Hart Band Parents will sponsor a chili-and-stew supper Oct. 17, prior to the Hart-Springlake football game.

Serving hours will be from 5 to 7 p.m. in the school cafeteria. Prices are \$3 for adults and \$1.50 for children under 12.

**Obituaries**

**Ola Hester**

Services were conducted in Silvertown Saturday for Ola Beatrice Hester, 76, a former Dimmitt resident.

Mrs. Hester died last Thursday.

Last rites were in the First Baptist Church of Silvertown, with Rev. Royce Denton, pastor, officiating. Burial was in the Silvertown Cemetery, under the direction of Silvertown Funeral Home.

Mrs. Hester had been a resident of Briscoe County since 1937. She was married in Dimmitt in 1924 to Donnie Hester.

She is survived by her husband; a son, Melvin Ted Hester of Silvertown; a brother, Walter Mitchner of Glendale, Ariz.; three grandchildren and six great-grandchildren.

**Tomas Rodriguez**

Funeral services were conducted in Hart Saturday afternoon for Tomas Mavarett Rodriguez, 71, of Hart.

Mr. Rodriguez died at Plains Memorial Hospital Friday after a lengthy illness.

Last rites were in the St. John's Catholic Church in Hart, with Rev. Raphael Chen officiating. Burial was in the Hart Cemetery, under the direction of Parsons Funeral Home of Dimmitt.

Mr. Rodriguez was born Aug. 2, 1909, in Terlingua. He had been a Castro County resident since 1953. He was a member of the St. John's Catholic Church in Hart.

He is survived by his wife, Manuela; seven sons, Santiago of Alpine, Honorio and Danny of Hart, Cruz of Tulia and Felix, Micky and Gilbert of Amarillo; and five daughters, Mrs. Bill Howard of Amarillo, Mrs. Paul Jones of Pampa, and Mrs. Willie Diaz, Mrs. Poncho Diaz and Mrs. Nicho Triana, all of Hart.

**Geronimo Ruiz**

Funeral services were conducted in Calaya Gota, Mexico, Monday for Geronimo Ruiz, 23, of Summerfield.

Mr. Ruiz was killed last Wednesday in a head-on car collision on US 60, six miles west of Hereford.

He is survived by his wife, Rosalinda; his parents, Mr. and Mrs. Teodula Ruiz of Summerfield; six brothers, Sam, Lupe, Martin, Teodula and Joe, all of Summerfield, and Mario of Mexico; six sisters, Laisa, Virginia, Carolena, and Aurora, all of Mexico, and Catalena and Mary, both of Summerfield.

**LEGAL NOTICES**

Notice is hereby given that David H. Hutchins has filed an application for a package store permit and an application for a beer retailer's off premise license with the Texas Alcoholic Beverage Commission in Austin, Travis County, Texas, the substance of such application being as follows:

Type of License or Permit — Package Store Permit and Beer Retailer's Off Premise License.

Location of Business — 3½ miles north of intersection of US 385 and FM 2397, on east side of US 385, Castro County, Texas.

Name of Owner — David H. Hutchins.

Name of Firm — The Store.

Any person desiring to contest the facts stated in said application and the applicant's right to secure such permit may do so upon giving security for costs as provided by law.

**Ancelmo Yanez**

Funeral services were held in Dimmitt Saturday morning for Ancelmo Yanez, who was born Oct. 1 in Plains Memorial Hospital.

The infant died at 7:45 a.m. Friday.

Graveside services were held in Castro Memorial Gardens, with Rev. Raphael Chen officiating. Parsons Funeral Home was in charge of arrangements.

Survivors are the parents, Mr. and Mrs. Gabriel Yanez, and one brother, Gabriel Jr.

**Girl enters lambs in Kentucky show**

Jerri Ka Clark of Dimmitt, will be an exhibitor at the 1980 North American International Livestock Exposition, according to Harold Workman, manager of the show.

Workman said that Miss Clark has entered 18 head of Southdown sheep for competition at the North American International, an event which will take place Nov. 8-22 in Louisville, Ky.

**Pickup-tree mishap costly**

Two young Dimmitt men received serious injuries when the pickup in which they and two other men were riding slammed into a tree in West Dimmitt early Friday.

Ricky Hargrove, 22, suffered a crushed foot and a fractured vertebra. He is in High Plains Baptist Hospital in Amarillo.

Reggie Laurent, 21, received a broken leg. He was released from Plains Memorial Hospital Monday.

Both men were passengers in a 1977 Chevrolet pickup driven by Gary Williams, 26. Williams was treated for minor injuries and released.

A fourth passenger in the pickup, Tommy Cleavinger, was not treated, police said.

City police reported that Williams apparently was distracted while approaching a curve on Western Circle Drive near Highway 86. The pickup ran off the roadway and slammed into a tree in the front yard of Earnest Mayhew, 300 Western Drive.

EVERY year in the US, more than 1,000,000 people are arrested for DWI.

**More about Price warns**

[Continued from Page 1] agreed to vote for a proposed 10% increase in teacher salaries in each of the next two years, and sympathized with teachers' classroom problems.

"Teachers have to work with lots of restrictions in discipline and retention," Price said. "Teachers in this area have even been threatened with court action if they touch certain kids. How can they teach and control the classroom effectively if they can't discipline kids?"

He explained the various water-import plans that have been considered through the years, and said the state government should make every effort to assure continued crop production in West Texas.

"We produce, in this area, two-thirds of the total agricultural production of our state," Price noted. "When you look at the productive capacity of this area and its impact on the total food picture, it's pretty tremendous."

He commended the Rotary Club "for having candidates come and discuss the issues," and urged his listeners to get involved in politics.

TRouble with puckering or shifting trim in home sewing? Machine-stitching trim in one direction helps to prevent these problems, says

Becky Saunders, a clothing specialist on the home economics staff of the Texas Agricultural Extension Service.

**agri-facts**

Pork producers are pondering promoters' potential to develop new and significant markets for pork products. Thanks in part to the relatively low market prices for pork over the past few months, consumers are showing favorable reaction to the introduction of new products. Two still in the test market stage, but with good early results, are pork taco filling and pork chili. Both are being actively promoted by the Jimmy Dean Meat Company. Researchers also report that in a series of taste tests held this summer, consumers showed a noticeable preference to a meat patty comprising 50% pork and 50% beef rather than 100% beef. Test results were positive enough that some fast food chains may take a close look at marketing a "ham" hamburger.

### Bethel 4-H Club members 'learn and do' during year

Many people have the impression that 4-H is limited to foods, clothing and showing livestock. This is not so with Bethel 4-H, though.

During the past year we had a wide variety of programs presented to us. The club food group gave a program on banana splits. A lesson in electrical wiring was given by Bob Murdock. We learned about the banking system from Maxine Childers. Don Moke told us about the art of leathercrafting.

Our overall project last year (something we have just started in the past few years) was photography. Don Nelson gave us a program on this subject.

The Bethel 4-H Club's spectrum of programs this year is just as varied as last year's. Our overall project this year is health, which will include programs on nutrition, first aid, and drugs.

Along with these, we have also had a citizenship program presented by Reta Welch and a program on denim manufacturing. We also plan to take a tour of the Amstar Plant.

At each club meeting, we have one person give an inspirational and another person give a short project talk. This gives members, especially the younger ones, the experience of talking in front of an audience and relating to groups of people.

Besides our monthly meetings, we also have a club banquet and a club stock show each year. The outstanding girl and boy of the club are recognized at the banquet. This year they are

Kim and Kennen Howell. The club stock show is a good time for younger members to get experience in grooming and showing their animals.

4-H is a good place to get recognition as well as knowledge and experience. Some of Bethel's outstanding members are Robert Boozer and Kennen Howell, who were on the trapshooting teams that won first and second places in the Grand American national shoot.

Wendy Bruegel was another member with great achievements — her record book went to state for the second year in a row.

4-H offers several trips to different parts of the country and the world. This summer, four Bethel 4-H members — Wendy Bruegel, Beth Benton, Laurie Sides and Robert Boozer — went to Washington, D.C., on the 4-H Washington Focus Tour (previously known as the 4-H Citizenship Shortcourse tour). The two-week trip was very educational . . . and fun!

4-H LEADERS are any adults who are willing to give of their skills and their time. A 4-H leader is a good cook, or a seamstress, or a gardener, or an equestrian, or a writer, or a mountain climber, a dog trainer, or any one of a hundred things. Adult leaders set standards for young 4-H'ers and help them develop self-confidence. Being a 4-H leader takes only a few hours per week.

# National 4-H week

**WINNING TOGETHER**—The Easter 4-H Club won first place in the Youth Division of the recent Harvest Days Parade with this club float entitled "Golden Harvest." This is one example

of how the county's 4-H'ers take part in many phases of community life as they work together, learn together, have fun together — and win together.

## Theme of 'Expanding Horizons' underscores challenge to 4-H'ers

County Judge M. L. Simpson joined with President Carter Monday in proclaiming Oct. 5-11 as 4-H Week. Representative student 4-H members and adult leaders looked on as Judge Simpson signed a proclamation praising the 213 4-H members and 35 volunteer adult leaders in the county's five clubs for their accomplishments in the areas of clothing, livestock, foods and nutrition, horse and shooting sports.

The proclamation noted that county 4-H members have received recognition for outstanding achievement in trap shooting, horsemanship, cooking and clothing in the past year.

Seeking new knowledge and skills to become better citizens and leaders — that's the challenge extended to all youth by the theme of this year's National 4-H Week, "Expanding Horizons."

More than five million youth between the ages of 9

and 19 are currently enrolled in 4-H throughout the US, Puerto Rico, Guam and the Virgin Islands. Texas boasts a 4-H enrollment of some 140,000 boys and girls.

"4-H is the nation's largest out-of-school educational youth organization," points out Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service, the parent organization of 4-H in Texas.

"4-H continues to offer unique learning experiences for youth through its time-tested 'learning-by-doing' approach," says Pelham. "4-H'ers become involved in a variety of practical, real-life activities that range from agriculture and clothing to health and wood science. Programs vary according to youth needs and community resources."

The theme, "Expanding Horizons," challenges all 4-H members to seek new knowledge, acquire life skills and build on personal strengths. Members are encouraged to strengthen their citizenship and leadership abilities and to assume positive roles in a free democratic society, notes the 4-H leader.

"The 4-H program involves youth from all social and economic backgrounds and gives them an opportunity to key in on such vital issues as energy conservation, better human nutrition, wise use of

natural resources and combating inflation. In addition, 4-H helps youth gain knowledge and skills for their future careers," adds Pelham.

While 4-H is still a mainstay with rural youth, participation of urban youth has tripled in the past 10 years. Today, 23 percent of all 4-H members nationwide live in suburbs or cities of more than 50,000 population. Nineteen percent live on farms, 40 percent live in small towns, and 18 percent live in towns and cities of 10,000 to 50,000 population.

The 4-H program garners much of its support from a legion of volunteer leaders who give unselfishly of their time and resources to help youth grow and develop, points out Pelham. More than a half million volunteer leaders across the nation play a key role in the total 4-H

program; almost 22,000 of these are in Texas.

Texas boasts a total of 1,973 organized 4-H clubs and 886 special interest clubs. The largest group of Texas 4-H'ers live in towns under 10,000 population — 43,244. The next largest group is in cities over 50,000 population — 39,104 — while 29,018 live on farms and ranches and 21,866 live in towns and cities between 10,000 and 50,000 population. Organized television groups include 7,459 members.

What are the most popular project areas among Texas 4-H members? Foods and nutrition leads the top 10 by a large margin with an enrollment of 37,860. Second is electric with 13,017, followed by clothing, 10,390; horse, 9,751; creative arts, 9,442; safety, 8,422; swim, 8,058; beef, 7,914; and sheep, 7,626.

Our 4-H'ers 'learn by doing, and have fun while doing it.

If you aren't involved with 4-H, get involved now! 4-H is great for our youth, and for our entire community!

**HAYS IMPLEMENT CO.**

### You can be a 4-H'er, too!

If you are 9 to 19 years of age and are interested in joining a 4-H club, fill out this form and mail it to the Castro County Extension Service, Courthouse, Dimmitt, 79027. Or you may simply call the County Extension Agent's Office, 647-4115, and someone there will help you enroll. Educational programs conducted by the Texas Agricultural Extension Service are open to people of all ages, regardless of socioeconomic level, race, color, sex, religion or national origin. 4-H'ers and their leaders choose their activities from a wide variety of available projects.

### Nazareth 4-H looking ahead

The Nazareth 4-H Club is looking forward to another eventful and fun-filled year with their projects. We are happy to have 66 members, which is the largest membership we have ever had.

Monday, Sept. 30, we had our annual club banquet. The program was given by Al Knutson, county entomologist, who introduced a new project — collecting insects. Seventeen members signed up that night for the insect project.

Outstanding members for the year were named at the banquet in front of a much larger than expected crowd. They were Mary Jean Huseman, sophomore, and Mark Huseman, freshman.

### 4-H Council picks Simpson

The governing and coordinating body of the county's 4-H program is the 4-H Council. It is composed of two members from each 4-H club in the county.

Officers of the council for the coming year were elected Friday. They are Scott Simpson of Dimmitt, president; Edith Durbin of Nazareth, vice-president; and Laurie Sides of Bethel, secretary-treasurer.

Other council members this year are Rodney Hunter of Dimmitt, Tammy Behrends and Denise Schulte of Easter, Scott Nelson and Laura Nelson of Flagg, Janet Huseman of Nazareth and Wendy Bruegel of Bethel.

## National 4-H Club Week

WE SALUTE YOU...  
**OCTOBER**  
**5-11, 1980**

Our future depends on the commitment of these young people to agriculture and animal husbandry. These are the farmers of tomorrow who will produce the food we eat. Through the latest technological advances in the sciences of agriculture and animal production, these young people will be the agri-business men and women of tomorrow. We extend a hearty thanks to these young people.

Let's Support Them For The Fine Job They Do!

 DODD ELEVATOR

STATE CHAMPION SENIOR TEAM in 4-H trapshooting was this Castro County team that included [from left] Paul Huseman, Kent Kirby, Todd Hatla, Doug Schilling and Adrian Stanton.

STATE CHAMPION JUNIOR TEAM in 4-H trapshooting this year was this Castro County team. From left are Bart Huseman, Kennen Howell, Mike Stanford, Robby Hottel and Tim Kenworthy.

STATE RUNNER-UP TEAM in the sub-junior division of 4-H trapshooting was this Castro County team composed of [from left] Todd West, Billy Patton, Mark Standlee, Joel Nelson and Dirk Wright.

# 4-H trapshooters win national honors

One of the biggest success stories in Texas 4-H competition this year was written by Castro County's three trapshooting teams.

They captured three district titles, four state championships, a national championship and a national runner-up trophy.

The national championship was a first by any Texas 4-H trap team.

The trap-team project started in May 1979, under the adult leadership of two award-winning local trapshooters, Lynn West and Ed Standlee.

Twenty-five boys, ranging in age from 9 to 18, signed up for the project. Once a week they'd pick up their shotguns and head for the Dimmitt Gun Club range at the airport for coaching and practice.

"Trap" shooting dates back to the Middle Ages, when shotguns — usually royalty — would sharpen and match their skills by shooting at live pigeons under controlled conditions. A pigeon would be "trapped," and when the gunner commanded, "Pull!" the cage door would be pulled open to release the bird.

For obvious reasons, pigeons were replaced — first by glass balls, and eventually by the small, Frisbee-like clay discs that are used today. These "clay pigeons" are hurled into the air by a spring-loaded arm or chute, and simulate the angle of a rising bird as they sail across or away. The gunner still issues the "Pull!" command, and the launching device is still called a "trap."

To fire a shotgun accurately, one must combine many separate factors — stance, grip, hoist, cheek and shoulder placement, cant, alignment, breathing, swing, trigger pull, follow-through — into a single, flowing motion. Then, to gain accuracy and consistency, one must practice, practice, practice until the procedure becomes an automatic reflex — until the shotgun becomes an extension of the gunner's eyes, arms and hands.

In a match, the gunner goes through this motion 5, 10, 100

## Turkey shoot is scheduled

The Castro County 4-H trapshooting teams will sponsor a turkey shoot Sunday, Oct. 26, with both hams and turkeys as prizes.

The shoot will be held at the Dimmitt Gun Club range at the airport, beginning at 1 p.m., and will continue as long as there are shooters to compete.

Five shooters will compete in each "string," firing five shots apiece. The top shooter in each string will receive his or her choice of a ham or turkey. Entry fee will be \$3 per round.

Trap-load ammunition will be on sale at the range for those needing it.

Proceeds of the shoot will go to help pay travel expenses for the 4-H trapshooting teams next summer.

or 200 times — depending on the kind of match — and accuracy is everything.

Castro County's 4-H team competed in district and state 4-H shoots, and also in the state and national matches sanctioned by the American Trapshooters' Association (ATA).

Their first meet was the ATA state championship matches June 14, 1979, at Amarillo. There they competed in two divisions — high-school age and junior-high age — and won the state championship in both.

Last July 9, three Castro County teams entered the District 4-H Trap Shoot in Lubbock, in three age groups — senior, junior and sub-junior. They captured the district championships in all three divisions.

Those district championships qualified them for the State 4-H Trap and Skeet Shoot at San Antonio Aug. 8. There the senior and junior teams won state championships and the sub-junior team was state runner-up. Thirty-

three counties were represented in the state contest.

Members of the state championship senior team were Paul Huseman, Kent Kirby, Todd Hatla, Doug Schilling and Adrian Stanton.

Those on the state championship junior team were Bart Huseman, Kennen Howell, Mike Stanford, Robby Hottel and Tim Kenworthy.

On the sub-junior team that finished second in the state were Todd West, Billy Patton, Mark Standlee, Joel Nelson and Dirk Wright.

Then the same team groups that had won the state ATA championships earlier in the high-school and junior-high age divisions got to go to Vandalia, Ohio, the third week of August to compete in the Grand American Trap and Skeet Shoot.

Although the Grand American is an open competition and not a 4-H event, the local lads entered as the Castro County 4-H teams, and kept their 4-H caps on. It was the first time for any Texas 4-H teams to ever go to the Grand

American as state ATA champs.

At the Grand American, the junior-high boys won the national championship of their age division, and the senior-high boys finished as national runners-up in their age group. That, too, was a first for Texas.

On the national champion junior-high team were Todd West, Mark Standlee, Mike Stanford, Robby Hottel and Tim Kenworthy.

On the senior-high national runner-up team were Robert Boozer, Doug Schilling, Todd Hatla, Adrian Stanton and Kent Kirby.

For something different in cookout fare that's got a great taste, try turkey barbecue, suggests a poultry marketing specialist with the Texas Agricultural Extension Service. Use a whole or half turkey or turkey parts such as breast, legs and wings. Use a basting sauce with an open top cooker, and apply a good finishing sauce whether using an open top or closed top unit.

STATE QUALIFIERS in Food and Nutrition Demonstration this year were Janet Huseman (left) and Mary Jean Huseman of the Nazareth 4-H Club. Mary Jean was also a district blue-ribbon winner and state alternate in food preparation.

COUNTY'S TOP 4-H'ERS—Randy Huseman of the Nazareth 4-H Club and KaKa Bruegel of the Bethel 4-H Club won the county's coveted Gold Star 4-H Awards for 1979, and received these certificates at the District Awards Banquet in Lubbock.

## Flagg 4-H is growing and active

The Flagg 4-H meets on the first Tuesday of each month at the homes of the members. The club is focusing on getting new members interested in joining 4-H from all areas of the county, including Hart and Sunnyside. We are proud of several new young members and responsive adult leaders from both communities.

Last May, Flagg 4-H had a very dedicated group of young girls who went to Lubbock for district competition at the county level for this type of project. We would like to encourage our own club members to do some method demonstrations.

This fall, Flagg 4-H had many entries and blue ribbons won at the county fair. We were proud of the interest shown by members and their parents.

The Flagg Club is planning to work on a photography project for the first time this year. We will continue the animal projects, the foods and nutrition projects, and the clothing projects, with which we have been so active for the past years. We will also have a program on first aid this year. It will be presented by Mrs. David Knox, who is currently a school nurse at the Hart Schools.

Flagg 4-H plans to have as successful a year as we had in 1979.

We are proud of our members who have devoted their time and talents to the Club. All of the members have been active and participated in county competition, and many have gone on to district level.

The Flagg 4-H Club is grateful to all of the people in the county who support and work for 4-H.

IN 4-H, young people from 9 to 19 can choose from projects like gardening, photography, communications, leisure education, cooking, sewing, animal care, auto repair and more.

THERE ARE 140,000 4-H members in Texas.

## Expanding Horizons!

In today's world, the dedication and determination of 4-H Club members shines forth as a special source of pride for all of us.

"Head, Heart, Hands and Health" together are the creative forces that develop love for fellow men, encourage leadership and teach responsibility while molding character.

All 4-H members have our unfailing support.

**DIMMITT AGRICULTURAL INDUSTRIES**

## 4-H geared to wide range of interests

There are more than 66 different 4-H project areas in which youngsters 9 to 19 can "learn by doing." For most of these project areas, the Texas Agricultural Extension Service provides guidance literature.

What are your interests? Take a look at the projects available:

- 4-H projects with state literature are:

- Small Animals
- Sports
- Other Sciences
- Miscellaneous

The County Extension Agent's office at 647-4115 has more information on 4-H programs.

## Four 4-H'ers go to state in record book competition

Four Castro County 4-H'ers advanced to the State Round-up this year in record book competition.

They were Edith Durbin of the Nazareth 4-H Club in Citizenship, Wendy Bruegel of the Bethel 4-H Club in Health, Scott Simpson of the Dimmitt 4-H Club in Dairy, and Mary Jean Huseman of the Nazareth 4-H Club in Foods and Nutrition.

Record-book competition is more than "scrapbooks." Individual 4-H'ers compile record books on all their 4-H activities during the year, with special reports on their main projects. The Extension Service provides standard

forms for many of the record categories, and youths also include photos, cost analyses, samples and original statements.

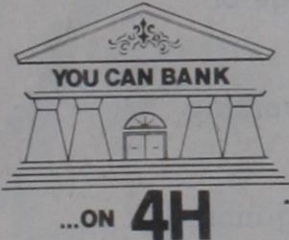

Record books are judged first at the county level, then at the district level, with the best in all categories at district qualifying for state competition.

4-H WEEK is a time set aside to recognize the five million young people and 500,000 adults involved in 4-H programs across the country. It is a time to spotlight the accomplishments and project the plans of local 4-H'ers.

# NATIONAL 4-H WEEK... OCT. 5-11

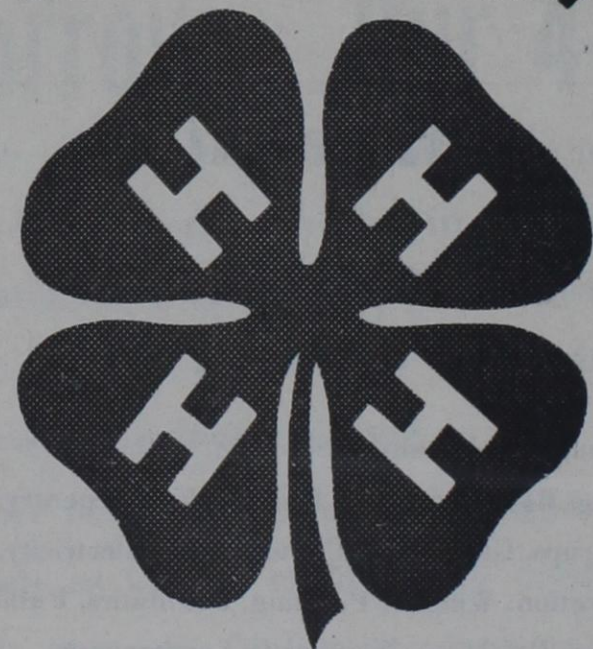

"EXPANDING HORIZONS"

4-H'ers. They're today's young folks-working for a better tomorrow. Encourage their efforts, help them meet the challenges of the future. Their goals are to better our community-to keep America great. They acquire knowledge through experience-in the fields of agriculture and industry. They're determined to keep the wheels of progress turning. These young people with high standards are our boys and girls. We take pride in them because we know their worth.

**First State Bank of Dimmitt**

Best Wishes 4-H Club Members

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

**FIVE POINT GIN and HART GIN CO.**

CLARK DOBBS, MANAGER ON DIMMITT-HART HI-WAY

# 4-H Horse Club members have big year

The Castro County Horse Project Club had a very successful year. The 4-H Club motto, "To Make The Best Better," means hard work, patience, and an enormous amount of time to be able to persevere in the world of horses.

Horses provide recreational, educational and financial values unsurpassed by many other animals. Riding horses strengthens one's self-reliance, quickness of individual action and sense of judgement.

The Horse Club began its new year March 11 when members elected officers and directors. The officers are Kyle Bagwell, president; Debbie Dennis, vice-president; Jerri Ka Clark, secretary and John Smith, reporter. The directors were Edgar and Betty Dennis,

Milton and Sandra Bagwell and Wesley and Norma Smith.

Senior members are Kyle Bagwell, Sheila Barton, Jill Brown, Jerri Ka Clark, Norris Cole, Connie Dennis, Debbie Dennis, Kelley Hill, Kennen Howell, Greg Odom, Janet Sammann and John Smith.

Junior members are Pam Anthony, Steven Bagley, Corbin Connell, Chad Davis, Chad Hill, Kim Howell, Kelly Howell, Joel Nelson, Justin Nelson, Cara Odom and Jill Smith.

Members under the age of 9 compete in only a very limited amount of classes. Although these children are very young, they are given a chance to learn something about the show ring. The children in this age group are Michelle Caddell, Jarin Connell, Tarin Connell,

Christy Stroud, Todd McDaniel and Debbie Hathaway.

The first project this year was to prepare the judging teams for the District II contest in Lubbock. Judging teams study horses and they learn to discuss horses intelligently. First they learn all the parts of a horse and what an ideal horse looks like. They practice judging and studying several different groups of horses before they participate at the district level.

The District II Horse Judging Contest was in Lubbock April 26. The junior contestants were Kim Howell, Steven Bagley, Joel Nelson and Chad Davis. The senior contestants were Kennen Howell, John Smith and Greg Odom, who qualified to go to the state contest by winning second

place in the halter division and second place overall. The seniors have to give reasons for their placings, which makes the over-all competition much harder.

The state judging contest was in the Equestrian Center on the Texas A&M University campus June 4-6. Neal Tindol accompanied the senior team to Bryan, which was a real experience for all.

All members of the horse group are required to attend as many meetings and shows as they possibly can. They are very fortunate to be able to have their meetings at the Dimmitt Rodeo Association Arena because it gives them the feeling of a show atmosphere when they are practicing their skills.

The group had several all-day workshops which were very helpful to the new members. Earnest Wilson from Portales, N.M., and Gary Marble, an instructor from the WTSU Horse Department, helped on these very long, tiring and interesting days.

Also during the regular meetings, parents were always there and ready to help in any way they could. At various times the older members were eager to help the younger members, which is essentially what 4-H is all about — people helping people.

On May 24 the county shows began. This is the most exciting time for all members of the club. The Castro County Horse Club is a member of the Llano Estacado Horse Association, which consists of several counties in the area. These shows are the result of an enormous amount of work, training and patience.

The day before a county show keeps all members of a family busy preparing for it. That day consists of grooming the horse, polishing all of the show equipment, getting the trailer ready and many other small details that sometimes make all the difference. The day of the show, everyone is on the road way before the sun is up, looking down the

road, waiting anxiously to get to the show with their polished horse.

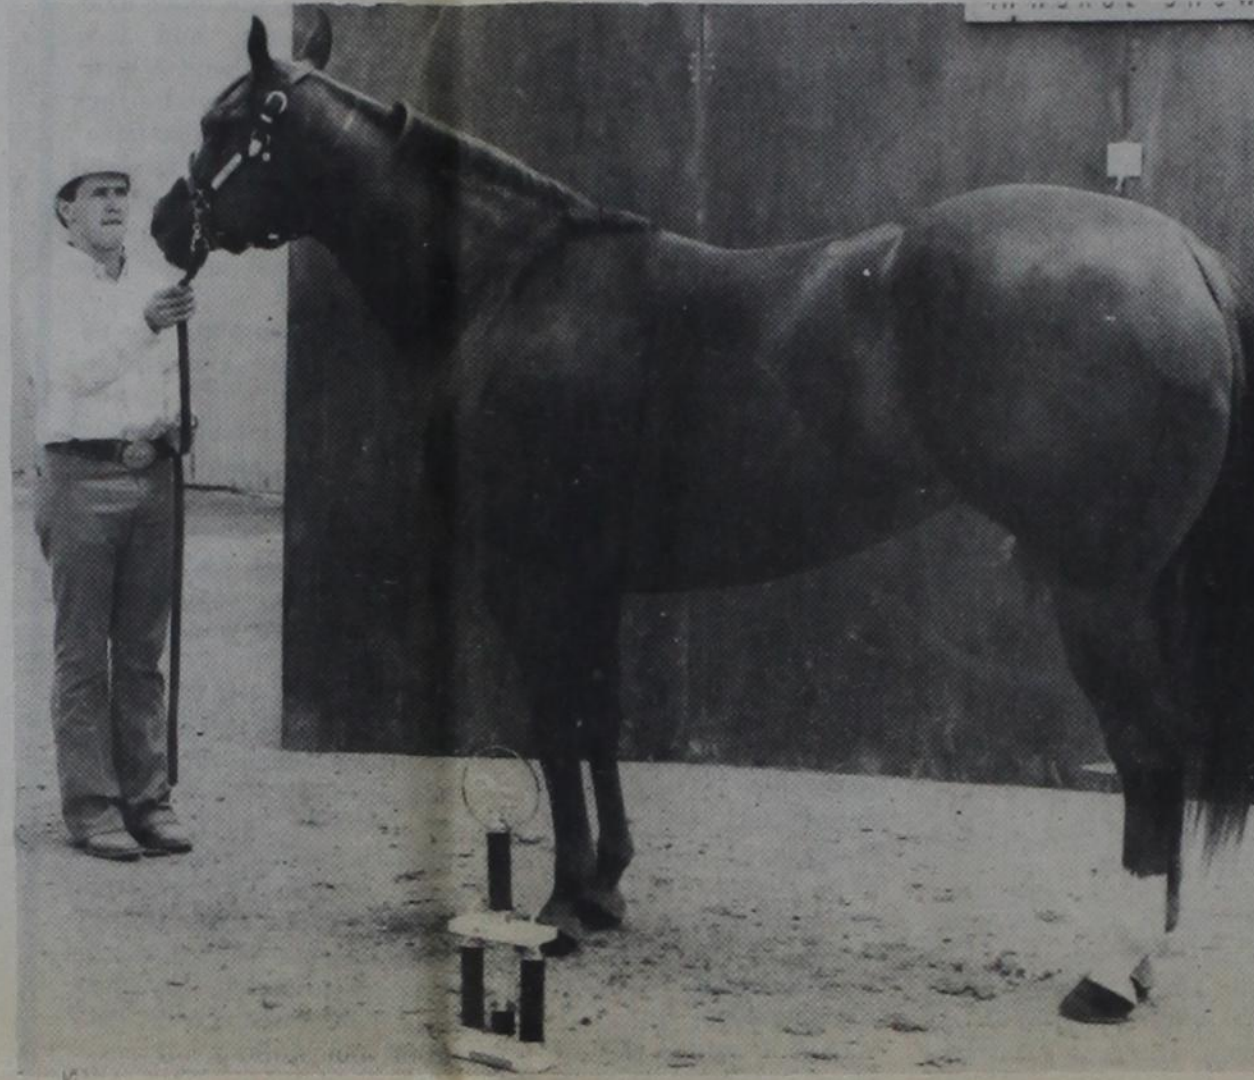

On June 14 the Castro County Horse Club hosted its county show, which was a big success this year. All members and parents had a particular job and were busy every minute. Charles Hottel was very kind to grill hamburgers during the noon break.

The Horse Club attended the District II 4-H Horse Show in Lubbock at the Livestock Pavilion July 1-2. Castro County brought home the two grand championships and one reserve champion. This was a very happy and sentimental day for these youth, because they felt that all their work and efforts were really beginning to mean something.

Kelley Hill showed the Grand Champion Mare, "Impressive Reward," and the Reserve Champion Mare, "Sassy Doo Bee," was shown by Norris Cole. A young gelding, "Last Showdown," [See HORSE CLUB, Page 5B]

# Expanding Horizons!

JOHN SMITH AND HIS GELDING, 'LAST SHOWDOWN' ... 4-H district winner and state qualifier

NORRIS COLE WITH HIS MARE, 'SASSY DOO BEE' ... State qualifier as district reserve champion mare

## More about

# Horse Club members have big year...

[Continued from Page 4B] was the Grand Champion Gelding and was shown by John Smith. These three were automatically qualified for the state show within the first two hours of the District II show. Jerri Ka Clark accumulated enough points in several events to qualify for the state show with her mare, "Speckasalt."

Fifteen Castro County youth participated in the District II show which included entrants from 19 counties. Only 20 youth from District II could qualify to go to the state show.

The 18th Annual Texas State 4-H Horse Show was

held in the famed Will Rogers Coliseum in Fort Worth July 21-26. This is one of the most beautiful horse shows. Every horse and showman are elite with poise and perfection. It is a very high honor to be able to participate at this level. Kelley Hill and his young mare, "Impressive Reward," received the Grand Champion banner, and Jerri Ka Clark's aged mare, "Speckasalt," placed sixth.

The Castro County 4-H Horse Club had the privilege of climaxing the 1980 show season by being host to the Llano Estacado Horse Association Year-end Awards

Banquet Aug. 16 in the County Expo Building. The banquet was catered, and Oneeta Cole provided dinner music at the organ. Approximately 200 people attended.

Many Castro County youth received top honor awards. Trophies were awarded to the top 10 in each class. Silver engraved trays were pre-

presented to the Grand Champion and Reserve Champion recipients. All children under the age of 9 were presented certificates.

John Smith received the Grand Champion award for his young gelding, "Last Showdown," and the Reserve Champion gelding award for his aged gelding, "Eternal

Pay." Norris Cole received the Reserve Champion mare award for his young mare, "Sassy Doo Bee."

The banquet was a very special event, because again it was parents and their youth working together to make the occasion another big success, and a very special way to conclude a super year.

## An open letter to 4-H parents

Dear 4-H Family:

I would like to share some of my thoughts with every 4-H family about just how important parents are to the 4-H member. It is true that only the young person actually enrolls in a 4-H club, but it is also true that the parent(s) also signs the member's 4-H enrollment card. That signature, I would believe, commits the parent(s) to working with and helping their child in a direct way during the 4-H year.

"4-H is a family affair." You have probably heard that statement before, but it is true! Every member of the family, youngsters and parents alike, can benefit from BELONGING TO and PARTICIPATING IN a community group such as 4-H. Together, the 4-H member and parent can share and learn new experiences. Besides learning about 4-H projects, activities and programs, parents also help youth to learn, understand and practice the democratic process as the 4-H club functions in the community.

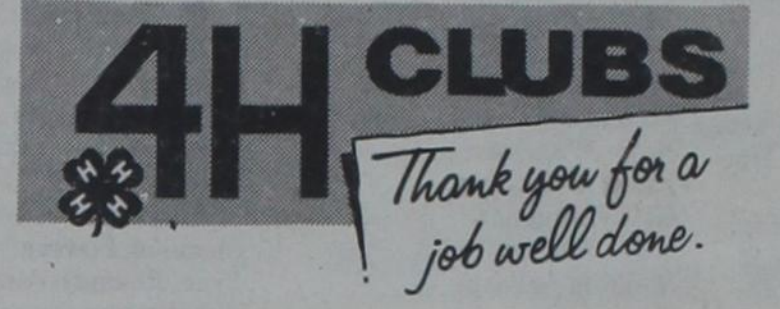

You, as a parent of a 4-H member, are extremely important. Your children

need your support, help and guidance to get the most out of any experience. There is a direct, positive ratio between the interest and support parents give their children and what each 4-H member gets out of 4-H. If your children do not seem to be getting as much out of 4-H as you thought they might, are there ways you might give more support, help or guidance to them?

We as parents ought to be concerned about the fact that we are the most important people in our children's lives. No one can do as much for our children as we can. We cannot pay or hire anyone to do the job of what a parent can do for free, and that is to CARE ABOUT OUR CHILDREN.

I believe that 4-H programs, projects and activities offer many ways for parents to positively influence their children. Parents, give thought to how you can best support, help and guide your children in 4-H. I am positive both you and they will benefit from your working together!

DON DUKERSCHIN  
4-H and Youth Agent  
Chippewa County, Wis.

We salute all our past and present 4-H'ers and their leaders!

# JOIN 4-H

The 4-H Club has done a great job in preparing our young people for the future. The boys and girls, young men and women between the ages of 9 and 19, are taught to respect their environment, work to better their community and become self-reliant and responsible individuals. By taking an active role in the 4-H experience, they're

having fun as they do important work across the nation . . . from anti-pollution projects in the cities . . . to livestock and agricultural projects on the farms. They're working for tomorrow . . . let's proudly salute them today! Keep up the GREAT work, 4-H'ers!

# DIMMITT FEED YARDS

# 4-H: A lasting experience

By JOHN PELHAM  
Texas Agricultural  
Extension Service

Recently, a group of former 4-H members were interviewed in an attempt to learn firsthand about the long-term benefits of 4-H membership.

These citizens ranged in age from early 20s to early 30s. Most had completed their 4-H membership five or more years before. They were teachers, medical technicians, businessmen, housewives, students and an olympic athlete in training. They also represented farmers, government employees, military personnel and a host of other professions. Many were married with children now in 4-H. One was a foster parent to almost 70 children.

They appeared to be ordinary folks, the kind we meet every day. Yet, there was something intangible which set them apart from the crowd. One had a feeling that these people had a sense of urgency, a sense of decency, a sense of purpose in their lives. They were definitely not the stand-bys; they were obviously the motivators and the doers in their communities.

A series of questions was posed to each of those interviewed. Among the questions were, "Do you feel that your 4-H experience has influenced what you have done with your life?" and "What was the most important benefit of your 4-H experience?"

The answers to these questions provided some insight into whether or not 4-H programs have any long-term benefits for the participants.

To the first question the response was unanimous, "Yes." The comments which followed varied from those who said they first became interested in their vocation or avocation through 4-H to those who voiced a feeling about attitudes and values gained. One person commented that, of 10 4-H

members who were in his Veterinary Science project group, seven are involved in the medical profession today; two are practicing veterinarians.

The second question attempted to identify the skill or attitude gained in 4-H which is most often used by the former member. Here the range of answers was very broad. Some mentioned specific skills learned in 4-H projects. Skills in sewing were mentioned by both men and women. Skills in agricultural production, mechanical skills, horsemanship skills and many others were cited as being important. A great number of persons mentioned record-keeping skills as important. Others mentioned the ability to organize tasks, to allocate time and to manage resources.

There was, however, a common element which emerged from the answers given to the second question. That element was "people skills." Almost every person mentioned the ability to meet, to interact and to relate to others as the skill gained through 4-H which is most valued and utilized. Many of the former 4-H'ers specifically mentioned their public speaking, method demonstration, committee membership, club officership or other 4-H responsibility roles as experiences which better equipped them to deal with other people effectively.

Is 4-H a lasting experience? According to these former members, the answer is a definite YES.

THE "Expanding Horizons" theme of 4-H Week issues a challenge to all youth to seek new knowledge and skills to become better citizens and leaders. 4-H is the nation's largest out-of-school educational youth organization and offers unique learning experiences through a "learning by doing" approach.

## 4-H Club Work Expands Horizons

Through the valuable training you receive in 4-H, you'll be more knowledgeable in your future business, profession or hobbies . . . you'll be better able to know yourself and your capabilities . . . and you'll be better equipped to expand the horizons of America.

We at Goodpasture, Inc., are working to expand the horizons of our great agricultural area, and we know the value of sound training and high ideals such as you receive in your 4-H work.

We commend all our 4-H'ers during National 4-H Week. May you continue to expand your personal horizons through your work in 4-H!

**Goodpasture, Inc.**

**Dimmitt Plant**

GRAND CHAMPION STEER in this year's County Junior Fat Stock Show was this jumbo crossbreed shown by Leona Kleman of the Nazareth 4-H Club. Mike Anthony of the Flagg 4-H Club showed the Reserve Champion, a heavyweight cross-

breed. 4-H'ers receive assistance from their adult club leaders and the County Extension Office, as well as from their parents, in raising and showing their project animals.

RESERVE CHAMPION BARROW in the 1980 Junior Fat Stock Show was this 242-lb. crossbreed exhibited by Tony Fikes of Hart, a member of the Dimmitt 4-H Club. The big barrow went on to the Houston Livestock Show.

GRAND CHAMPION LAMB in this year's Castro County Junior Fat Stock Show was this 113-pounder entered by Kelly Howell of the Bethel 4-H Club and exhibited for him by his sister, Kim. This lamb went on to the Houston Livestock Show.

NATIONAL 4-H CLUB WEEK

Head, Heart, Hands,

Health. . . Working

For a Better World

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves . . . their families . . . their neighborhoods . . . and the nation. It's time to congratulate them: the country kids with their livestock and produce . . . the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.

West Texas Rural Telephone Co-op

*Congratulations*

4HERS

It's great to see our 4-H'ers at work.

They learn through doing many important things in their community. From raising livestock and canning preserves on the farm . . . to cleaning up parks and planting trees in the city. Through their 4-H Club experience, these boys and girls; young men and women learn to take pride in their work, and in themselves. They become skilled farmers and homemakers, self-assured individuals, compassionate friends and responsible citizens . . . in short . . . better people. With pride and respect, we salute these 4-H members for the valuable job they do.

ROOM TO GROW!

# Expanding Horizons!

## 4-H kids and horses-- a natural combination

Phone 647-3123 For All Your Printing Needs

**STATE QUALIFIERS** — The 4-H Horse Club's senior judging team of (from left) John Smith, Kennen Howell and Greg Odom, qualified for the State 4-H Roundup this year by finishing second in team halter judging and overall team points at the district contest.

By NEAL C. TINDOL  
Assistant County Extension Agent

Kids and horses just seem to be a natural combination, and in 4-H the two can spend a lot of time together. Caring for a horse is more than just a hobby for young people 9-19 in the 4-H program, because it helps them become responsible adults. These girls and boys typically spend three to four hours a day during summer

and vacation periods, and one to two hours a day during the school year, caring for their animals.

Since the horse's total welfare usually depends on its owner, 4-H members "learn by doing" about feeding, shelter, health care, equipment, safety, training and riding. Many demonstrate their skills by participating in fairs, horse shows, rodeos or judging contests.

4-H horse projects and activities are supervised by the Extension Service and are supported by the American Quarter Horse Association and the National 4-H Council. Six young horsemen can earn \$1,000 scholarships and expense-paid trips to the National 4-H Congress in Chicago each year.

More information on the 4-H horse program is available from the county Extension office.

### Easter Club has winning parade float

Members of the Easter 4-H Club toured the Deaf Smith General Hospital and attended local and county food shows during the past year. At Christmas, they went caroling and presented members of the community with baskets filled with cookies. They worked in the concession stand at the Junior Fat Stock Show, and participated in the County Dress Revue.

Tammy Behrends, Easter 4-H Club president, went to district in foods and represented the county at the District 4-H Dress Revue.

Easter 4-H members won first place with their float, "Golden Harvest," in the Harvest Days Parade. Several of the members had entries in the different divisions of the fair.

Programs planned for 1980-81 include animal projects, first aid instruction, and demonstrations in horticulture, aerobics and bronzing.

The Easter 4-H'ers will help with the Fat Stock Show concession stand, go caroling, present cookie baskets, and participate in the County 4-H Dress Revue again this year. They will also hold a tasting tea, have a party to plan for Christmas activities, and present a style show for the Easter Lions Club.

### Dimmitt 4-H is studying many topics

The Dimmitt 4-H Club held programs during the year on parliamentary procedure, gun safety and crafts. Club members had a Christmas Party and also had the foreign exchange student, Ulla Jonsson, speak to them. They toured the county jail and museum.

Programs planned for this year include a photography session, a program on Littlefield's denim plant, stock show, and talks by this year's foreign exchange students. Other programs will cover such subjects as entomology and leather crafts. There will be a Christmas party.

The Dimmitt 4-H Club is also planning citizenship projects for its members.

4-H IS FOR everyone from 9 to 19. It's learning by doing, and having fun with friends.

# Congratulations

During National 4-H Club Week, October

5-11, we salute 4-H Club members ev-

erywhere, with special pride in the 4-H'ers

of our community. Through the "Head . . .

Heart . . . Hands . . . Health" program, 4-H

molds character, teaches responsibility, en-

courages leadership and develops compas-

sion for fellow men.

**DIMMITT TV CABLE CO.**

**DISTRICT CHAMPS** — Members of the Castro County 4-H Horse Club's junior judging team won first place in overall team points at the district contest in Lubbock this year. From left are Kim Howell, Chad Davis, Joel Nelson and Steven Bagley. As a team, the youngsters finished in first place in halter judging and second place in performance judging.

# Best Wishes

## 4H CLUB MEMBERS

With pride, we salute our local 4H Club members, for their efforts and achievements. Through their Head . . . Heart . . . Hands . . . Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today . . . and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.  **NATIONAL 4H WEEK**

**CASTRO COUNTY GRAIN COMPANY**

**Head . . .  
Heart . . .  
Hands . . .  
Health . . . all  
pledged to  
better America**

4-H'ers. They're today's young folks — working for a better tomorrow. Encourage their efforts, help them meet the challenges of the future. Their goals are to better our community — to keep America great. They acquire knowledge through experience — in the fields of agriculture and industry. They're determined to keep the wheels of progress turning. These young people with high standards are our boys and girls. We take pride in them because we know their worth.

**Farmers State Bank**

Hart, Tex.

## County's 35 adult leaders will be honored at banquet

Thirty-five 4-H adult leaders will be honored at the

### 4-H funding is a bargain, senator says

"Twelve dollars and seventy-five cents per 4-H member returns benefits worth a half a billion dollars," Sen. Larry Pressler (R-S.D.) told the latest National 4-H Congress in Chicago, "and that is the best bargain in the country." Pressler is a former Congressman and now a US senator.

In the keynote speech for the 4-H event, which brought to Chicago over 2,000 4-H delegates and their leaders from across the nation, Sen. Pressler explained that the federal government contributes \$64 million for the support of 580,000 volunteer 4-H Club leaders. Each volunteer, however, spends the equivalent of more than \$1,000 in time, supplies and gasoline. It would therefore take at least \$580 million to purchase that which is donated by the 4-H Club volunteers. Thus the 4-H program returns nearly \$10 of volunteer value for each federal dollar invested. The additional value of 4-H members is immeasurable, Sen. Pressler said.

Sen. Pressler grew up on a small family farm in South Dakota and was very active in 4-H activities for nine years. He attended the National 4-H Club Congress as a delegate himself in 1960 and 1962. In 1961 the 4-H Clubs sent him to the World Agriculture Fair in Cairo, Egypt. In 1963 he presented the "4-H Report to the President," meeting with President Kennedy in the oval office.

Sen. Pressler cited the importance of the 4-H Club experiences in helping young people to become self-directing, productive members of society. Speaking of his nine years with the "Humboldt Hustlers," Sen. Pressler said, "No other activity at that point in my life captured my energies and imagination more than 4-H."

County 4-H Awards Banquet Saturday night for more than 120 years' combined voluntary service to the county's youth.

The longest-time 4-H adult leader in the county is Catherine Hochstein of Nazareth, who will be recognized for 18 years' service.

Other leaders who will receive service pins at Saturday night's banquet in the County Expo Building are:

12 years — Mary Behrends, William Hochstein.

Eight years — Carolyn Sides.

Seven years — George Sides.

Five Years — Robert Benton, Dennis Huseman, Louis Huseman.

Four years — Katherine Huseman, Virginia Huseman.

Three years — Marty Benton, Connie Nelson, Judy Waggoner.

Two years — Milton Bagwell, Sandra Bagwell, Betty Dennis, Edgar Dennis, Lanell Hanson, Oneida Hutto, Stanley Nelson, Ed Standlee, Lynn West.

One year — Joyce Davis, Beverly Harder, Debbie Harris, Charlene Hunter, Debbie Jackson, Retta Knox, Sandra Nelson, Wanda Nelson, Beth Schulte, Norma Smith, Robert Smith, Mildred Washington, LaWanda Wilson.

Four junior leaders also will be recognized at Saturday night's banquet. They are Mary Jean Huseman and Janet Huseman, one year; KaKa Bruegel, two years; and Kim Sides, three years.

#### "CATTLEX"

"Cattlex" is a new computerized system of cattle marketing being demonstrated at 18 different locations in Texas. The nine-month project is a joint effort of the Texas Agricultural Extension Service, Texas Agricultural Experiment Station and US Dept. of Agriculture, and is designed to develop trading techniques and operating procedures for computerized cattle marketing. Computer terminals at the various locations link together feedlots, order buyers and auction markets to streamline cattle marketing.

LEARNING LEADERSHIP—Representing Castro County at the 4-H Teen Leader Lab at Levelland in June were [front row, from left] Roger Huseman, Mark A. Kleman and Mark L. Kleman, and [back row, from left] Assistant County Extension Agent Neal Tindol, Bart Huseman, Lonny Huseman, Mark Huseman, Extension Agent Teresa Criswell and KaKa Bruegel.

### Be a 4-H adult leader

## Put a child in your life

If you're an adult who likes to work with youngsters, then 4-H and you can fill some of the many needs of youth today.

The needs vary, as do the youth. But one thing remains constant — the need for adult direction!

Or if you have children, maybe you would like to get them involved in one of the county's six clubs, or help get a 4-H club started in your neighborhood or area. Just contact the County Extension Office in the courthouse.

What is 4-H? It's an organization for all youth, ages, 9-19. It dedicates itself to the development of youth, encouraging them to recognize their strengths and weaknesses, and to build a better life, community and world.

Castro County's six clubs meet monthly for club business, recreation and community service activities. In addition, an individual 4-H member may choose one or more subjects to receive training in

at special project meetings.

County 4-H members can get involved in such things as:

- 50 different projects
- Music and drama activities
- Team and individual sports
- Public speaking
- Camping (winter and summer)
- Safety and health activities
- District, state and national trips
- 4-H Roundup
- 4-H enables a child to discover himself and, with adult guidance, to develop life skills important for a fulfilling lifetime. It provides him with a wholesome social outlet and teaches him new responsibilities.

### Nation's 4-H'ers earning 200,000 awards this year

Nationally, 4-H members are earning some 200,000 awards this year in programs arranged by the National 4-H Council. These include:

- 283 scholarships valued at about \$251,800.
- 1,400 expense-paid trips to the National 4-H Congress and other events.
- 100 or more medals of honor per county.
- Savings bonds, watches, plaques, radios and other awards.

Information on 4-H awards programs at the local, state, regional and national levels is available at the County Extension Agent's Office in the courthouse.

### Oven cleaner could damage self-cleaners

Do not use a commercial oven cleaner on either a self-cleaning or a continuous-cleaning oven, advises a family resource management specialist.

There are two different reasons for this, because the two types of ovens are completely different systems, Linda McCormack says. Mrs. McCormack is on the home economics staff of the Texas Agricultural Extension Service.

In a self-cleaning oven, a special high-heat cycle actually burns off food spills. If an oven cleaner is used here and not completely rinsed off, when the oven is put through a cleaning cycle, the high heat could promote a reaction with any residue — and that might etch the porcelain enamel.

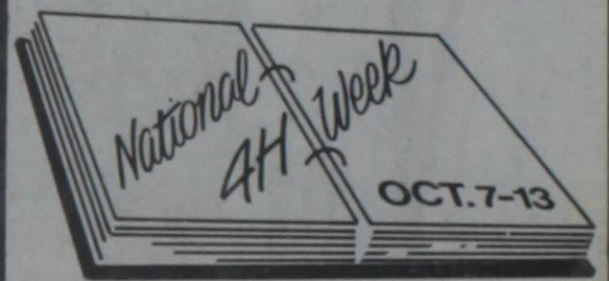

A continuous-cleaning oven, on the other hand, doesn't have a separate cleaning cycle. Instead, the liner is made from a special porcelain enamel with a rough texture and a catalytic coating. Oven cleaners can ruin the catalytic surface of the oven and prevent oxidation (the process which cleans the oven).

THE lowest point in the seas is the Mariana Trench in the Pacific Ocean, which reaches 36,198 feet below sea level.

Through the years, our Castro County 4-H'ers have won top awards at the district, state and national levels. In doing so, they have expanded their horizons toward greater accomplishments in the future.

We are proud to help our 4-H clubs and leaders throughout the year, and we salute you on your special week.

You've Earned It... Congratulations
