TYLER HUNTER INJURED BY GUNSHOT SUNDAY

Ralph E. Moore Jr. of Tyler was injured in a hunting accident Sunday afternoon while hunting on the Wayne Drennan Ranch near Silver. He was reportedly shot in the leg with a .30-06 rifle. He was first treated at West Coke County Hospital, then transferred by Newby ambulance to Shannon Hospital in San Angelo. His condition was listed as "fairly good" by a Shannon Hospital spokesman Monday.

Mr. and Mrs. David Key near Edith.

All of the Keys' three children and many of their grandchildren and great-grandchildren were here for the celebration. Among those present were Mr. and Mrs. G. B. Shelburne Jr. of Amarillo; Mr. and Mrs. Fred Smith and Mr. and Mrs. David Key of Robert Lee; Mr. and Mrs. G. B. Shelburne III of Malawi, Africa; Mr. and Mrs. Gene Shelburne of Amarillo; and Mr. and Mrs. Ford Shropshire of Beaumont.

After eating lunch together, the family had pictures made of the combined generations and tape recorded reminiscences of the Keys about their 60 years of married life.

On Dec. 27, 1911, the Keys — then Jessie Shropshire and D. P. Key — drove to the house of the pioneer preacher, L. E. Skinner, just west of Edith and were married as they sat together in the buggy.

They set up housekeeping in a little house near the present Paint Creek Cemetery, only a few hundred yards from the Key homeplace where D. P. had been born.

The Keys moved into town in 1924 and built their present home at 310 West 9th, more than 40 years ago.

Although the anniversary celebration was a private family occasion, the Keys received congratulatory messages from numerous friends and relatives.

Federal Land Bank Lowers Interest

R. H. Emery, manager of the Federal Land Bank Association of San Angelo, announced today that the Federal Land Bank of Houston will reduce the interest billing rate on variable rate loans to 7%. "This reduction will be effective Jan. 1, 1972, on all variable rate loans and affects more than 177 million dollars in loan volume to more than 5,000 Texas farmers and ranchers," Emery stated.

The variable rate loan plan which was introduced by the Houston Bank in July, 1969, lets the interest rate "float" over the variations in the money market. This is the third time in the past year that the billing rate has been reduced. "Continued improvement in the money market has

made this reduction possible and is in line with the Bank's policy of providing farmers and ranchers of Texas with credit at the lowest possible cost consistent with sound business practices," Emery stated.

The Federal Land Bank of Houston makes long term real estate loans throughout Texas. The Bank has over \$573 million in volume of loans outstanding. The local association makes and services loans in six counties. Officers and directors of the association are R. H. Emery, manager; James M. Cowser and Herbert Loeffler, assistant managers; Bill Pfluger, president; Paul Pruitt, vice president; Clyde Flanagan, C. E. Arrott, A. J. Sefcik, Arnold Fuch and David Glass, directors.
