

## In season opens Friday

# Bobcats, Swifts favored

COMING ATTRACTIONS—In rehearsals for this weekend's Harvest Days Follies, small-town librarian Anette Sims [Ysleta Ball, right] is introduced to aging movie queen Helene LaPlatt [Joyce Rickerd] in a scene from the celebrity game show skit, "Celebrities and Peasants." The annual music and comedy show will be staged Saturday at 8 p.m. and Sunday at 2 p.m. in the Dimmitt High School auditorium.

The custom dates back to the ancient Olympians and gladiators, when young men and city-states would test their physical mettle against each other, always seeking victory. The urge is as old as civilization itself.

For local sports fans, the modern gridiron version will be renewed Friday night on the playing fields at Hart, Lubbock Christian and Lubbock Roosevelt. The 1984 football season is here.

Dimmitt's Bobcats, under new Head Coach Clifford Smith, will travel to Roosevelt for an 8 o'clock kickoff. It will be the first meeting between the two schools in recent years, and the Bobcats are picked as seven-point favorites over the Eagles by the Harris Rating System.

(For the Bobcats' squad photo and schedule, see Page 6. For probable starters and the coach's pre-season comments, see Page 7. For the best route to Roosevelt, see Page 6.)

Nazareth's Swifts, with former assistant Rex Minshew now at the helm, will also take to the road for their season opener, meeting the Lubbock Christian Eagles.

The Swifts, defending bi-district champions, are ranked 23rd among the state's 155 Class A teams, and are 13-point favorites over the Eagles in their opener.

Coach Minshew is hoping to guide his big, talented Swifts into the playoffs again this year, but for

the time being he and his players are working for an opening-game victory.

Hart's Longhorns will be the only local varsity team to open the season at home. Coach Mark Stroebel's Horns will host Anton, with the kickoff set for 8 o'clock.

The Longhorns were the hard-luck team of District 3-AA last season, missing the playoffs with three conference losses by a total of five points. Coach Stroebel and his herd intend for their luck to change this season.

However, the Longhorns have their work cut out for them from the opening whistle. Anton's Bulldogs are ranked just a few notches below Nazareth in the Class A Harris ratings, and are 13-point favorites over the Longhorns in the pre-season tip sheet.

Here are other opening games of interest in the area, and the Harris Rating System picks on each:

Class AAA: Friona 20 over River Road, Crosbyton 6 over Floydada, Idalou 7 over Shallowater, Littlefield 14 over Friendship, Lockney 1 over Tulia.

Class AA: Vega 10 over Sunray, Abernathy 29 over Petersburg, Bovina 7 over Happy, Springlake-Earth 3 over Amherst, Olton and Sudan even, New Deal 19 over Kress.

Class A: Valley 9 over Claude, Farwell 12 over Wilson, Lazbuddie 8 over Smyer, Whiteface 12 over McLean.

## School enrollment is 'about average'

Enrollment figures for the three school districts in the county show Dimmitt and Hart at about average enrollment compared with past years, while Nazareth is showing a gradual drop.

Nazareth Supt. Johnny Mason says that in the next four years he expects the enrollment to drop to around 17 or 18 students at each class level.

The first day of school at Nazareth, Aug. 22, brought a total of 246 students. Grades K-6 registered 122 of that number, 35 were in seventh and eighth, and 89 were in high school. Mason said none have been added since then.

"This is seven down from last year. We had a large graduating class, 29, but only 21 entered kindergarten this year," Mason

noted. Enrollment in the Hart schools as of Aug. 28 totals 536, with 414 of those in the elementary grades and 222 in the junior high and high school.

An administration spokesperson said the first figures of the year were down a little from the first figures of last year.

Dimmitt enrollment figures showed a total of 1,679 students as of Friday. Richardson Elementary claims 588, including the TMR class. The middle school has 730, and the high school has 361.

Administration personnel expect a few more to come in.

"We usually get over 1,700 and then the number drops back down. We're running about average right now," a spokesperson said.

## 'Ladies' Day' planned for Fair

"Ladies' Day" has become an annual event of the Castro County Fair, with several special programs presented at the Expo building throughout the day on Friday during the fair.

This year four programs are planned, along with a special ceremony. Sept. 14 at 9:30 a.m. will be the Sanctioning Ceremony for the Castro County Sesquicentennial Committee.

In recognition of the committee's efforts for the 150th anniversary celebration of the Independence of Texas, State Commission representative Lee Storey of Austin will present the committee with an official Sesquicentennial flag and certificate.

Local officials are expected to be on hand for the ceremony. All are invited to attend — not just the ladies.

At 10 a.m., "What's New For Fall" will be presented by local

clothing merchant Martha Jo Hyman and by Teresa Nutt, CEA-HE. Fashions and accessories will be shown, and advice offered for that "well-dressed look."

Marla Stark, consumer representative for Energras, will present "From the Kitchen" at noon. Innovative and delicious recipes will be demonstrated, with free samples available.

De Jeunes Perfumery will present "Good Scents For You" at 2 p.m. Representatives of the Lubbock store will perform tests on individuals to discover their "personal chemistry."

Mona Merritt of Dimmitt will show "Jewelry For Fall" at 4 p.m. She will demonstrate "twister beads," as well as showing new and original designs in jewelry. Items will be available for sale.

All these programs are free of charge and open to everyone.

## Follies performances set Saturday, Sunday

The Castro County Fair Parade theme of "Remember When" will be reflected in the third annual performance of the Castro County Follies. Twin performances are scheduled for Saturday at 8 p.m. and Sunday at 2 p.m.

Song and dance numbers will be interspersed with skits, involving more than 70 performers, both adults and children.

Skits will include "How to Kill a Werewolf," "Take Off On Gone With the Wind," and "From Celebrity to Peasant," a new game show.

Dance numbers will range from the Charleston all the way to "Flashdance." Youngsters will

perform a "Shirley Temple" tap dance number, along with a take off on the old "Mickey Mouse Club."

Vocal numbers will include solos, ensembles and a choral group. Soloists will include Gainell Minnick, Bill Sava and Ann Murphy. An "undiscovered trio" will give an imitation of the Andrews Sisters.

Tickets for both performances are on sale at the Dimmitt Chamber of Commerce office, Sheffy's Western Wear and Tots 'N' Teens. Advance price is \$2.50 each. At the door, tickets will be \$3.50 each. Under 6 will be admitted free.

Susan Hanners is the director for the production.

## Harvest Days Run to be held Saturday

The third annual Harvest Days Run Saturday will kick off the beginning of almost a week of Castro County Harvest Days activities.

Three events are included in the schedule — a one-mile fun run or walk, and a simultaneous 5K (3.1 miles) and 10K (6.2 miles).

Late registration will be from 7 to 8:15 a.m. Saturday at the Dimmitt City Hall, with the one-mile event starting at 8:30, followed by the longer events at 9 a.m.

Registry by Friday costs only \$7 per person, while late registration will cost \$8. Trophies will go to top finishers in each race overall and in each age division. The first 100 entrants will receive a Harvest Days running bag.

All events will start on SE Second Street and end on East Jones, both by the city hall.

Divisions in the fun run are for 12 and under, open, and oldest

finisher, for both men and women. In the 10K and 5K, women's divisions are 19 and under, and 20 and up.

Men's divisions are 19 and under, 20-29, 30-37, 38-44, and 45 and over.

Entry forms are available at Dimmitt Printing, C. R. Anthony Co., and the Chamber of Commerce office.

## Fair entries due next week

Those wishing to enter items in the Castro County Fair have until 6 p.m. next Thursday (Sept. 13) to do so.

Categories of competition include baking, canning, crafts, horticulture, farm and garden products, photography, and sewing.

Entries must be brought to the County Expo building from 3 to 6 p.m. Sept. 13 and will be on exhibit from 9 a.m. to 6 p.m. Sept. 14 and 9 a.m. to 5 p.m. Sept. 15. Items must remain on exhibit until 5 p.m. Sept. 15, according to Fair Committee Chairman Nell Ingram.

Other general rules state that exhibitors must be residents of Castro County. Age 18 and under are placed in the Youth Division, and 19 and over in the adult division.

Entries must be the work of the

# Grand Jury indicts nine

A 64th District Court Grand Jury last Wednesday indicted Ignacio Sifuentes, 17, on a murder charge and eight other persons on charges ranging from false swearing to aggravated assault.

Sifuentes is charged with the Aug. 18 stabbing death of Toribio Garibay, 22. Garibay died at Deaf Smith General Hospital in Hereford at 8:30 a.m. Aug. 18 as the result of stab wounds he received in the chest during an alleged "gang fight" 4½ hours earlier in the 600 block of Northwest Sixth Street in Dimmitt.

Sifuentes will now face a felony murder trial in 64th District Court as the result of the Grand Jury's indictment, which verified that the murder charge filed by the Dim-

mitt Police Dept. was reasonable considering the evidence in the case.

A conviction on the charge could result in a maximum sentence of life imprisonment.

Sifuentes' bail was set at \$20,000.

The Grand Jury indicted Ramon Carta Saenz of aggravated assault in connection with the Aug. 4 shooting of Rafael Enriquez. His bail was set at \$7,500.

Elpidio Ybarra Zambrano was indicted on a charge of delivery of a controlled substance (LSD). The incident allegedly occurred last Jan. 8. His bail was set at \$10,000.

Rebecca Lopez Martinez was indicted for forgery by passing, a third-degree felony. She is charg-

ed with passing a forged \$350 check on the Ford Grocery and Snack Bar of Vega to Larry Rawls of Dimmitt last Feb. 18.

The Grand Jury returned an indictment against Victor Dean Pierce on a charge of theft over \$750 but less than \$20,000 from William C. Hochstein of Nazareth last March 7. His bail was set at \$3,000.

Leslie McMurtry Reid III was indicted on a forgery charge. Reid allegedly passed a \$250 check on R&R Casing Co. of Lubbock to Abelia Garza last June 29. Bail has been set at \$5,000.

A burglary indictment was returned against Felix Medina, who is charged in the Aug. 23 burglary of a building owned by Carl King.

Medina's bail was set at \$4,000.

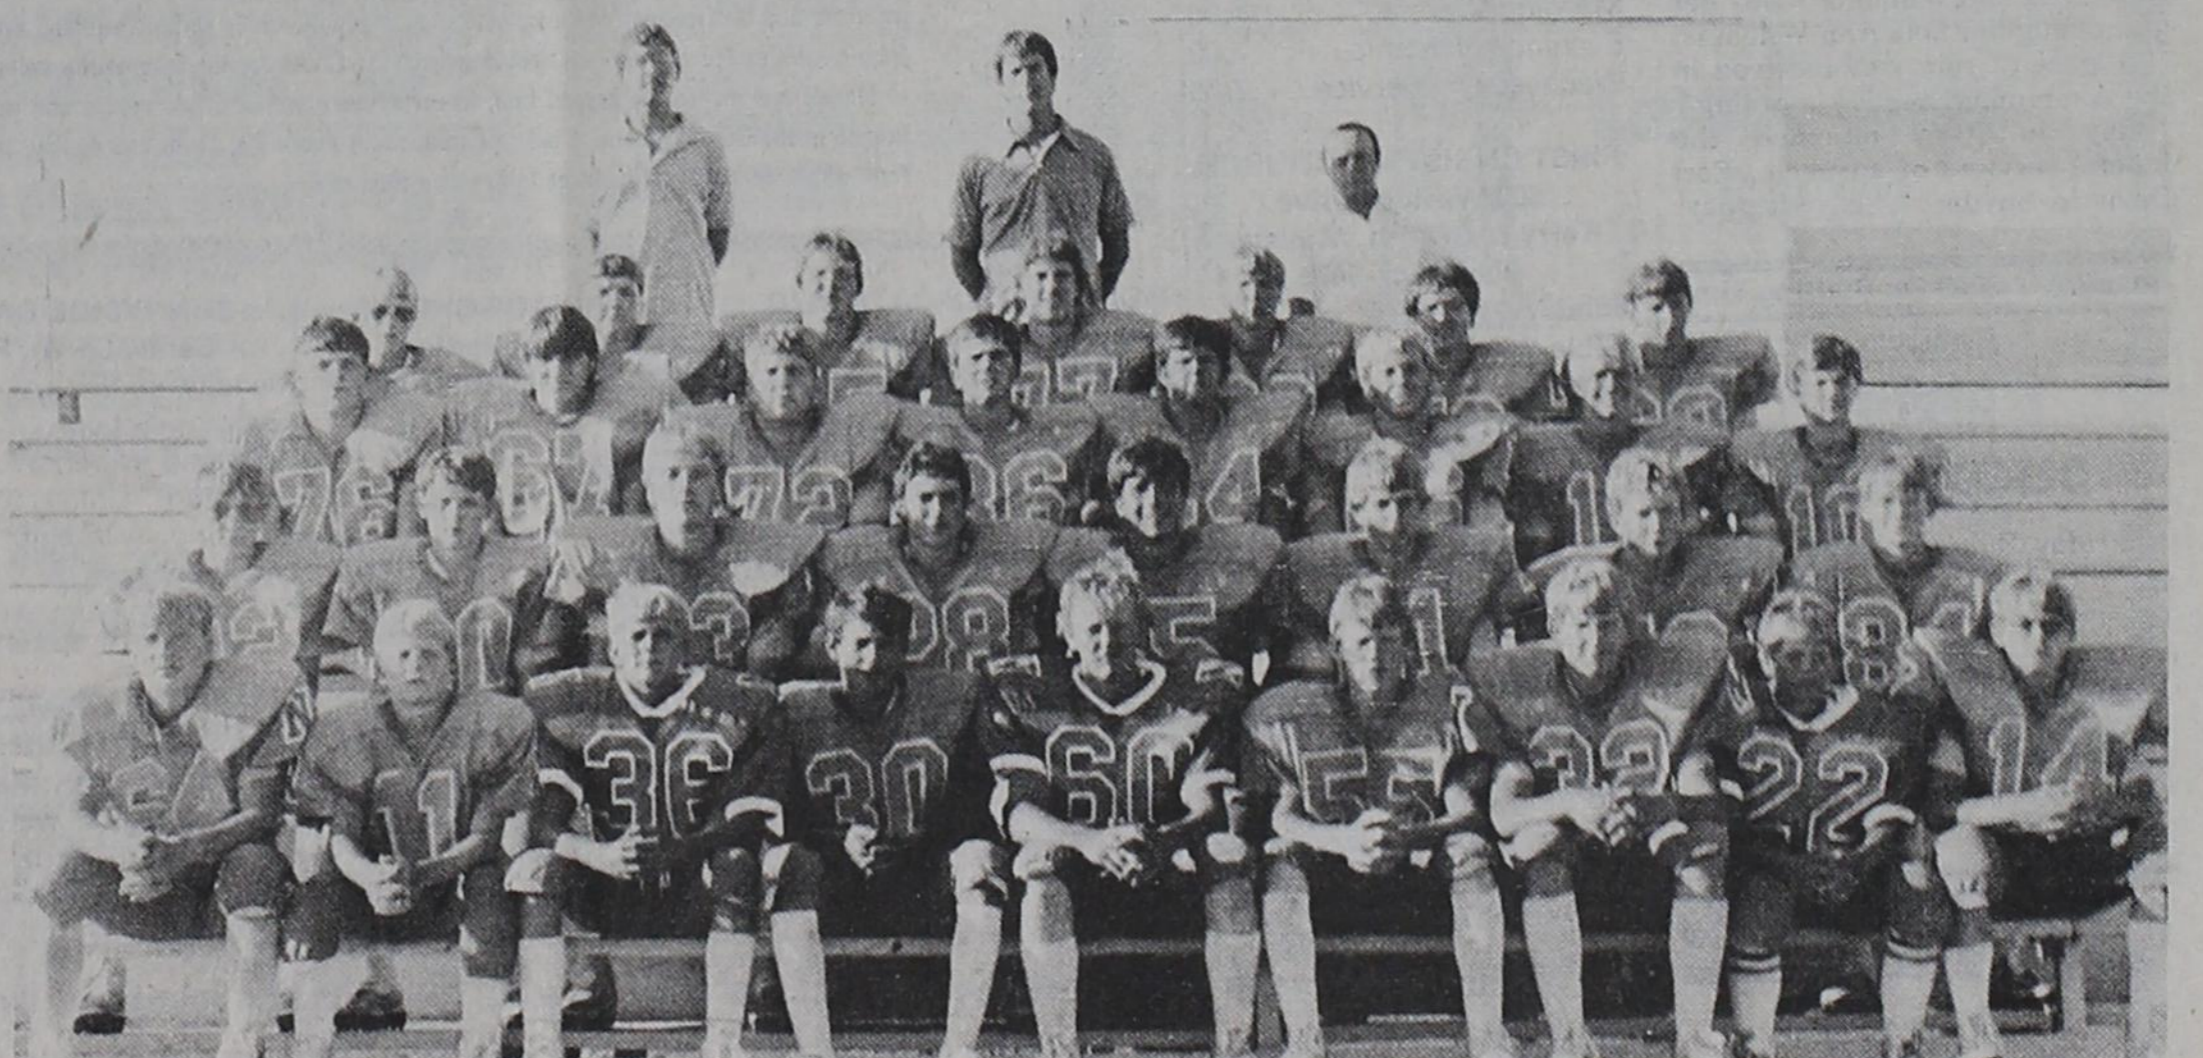

Donnie Earl Robinson was indicted on a charge of false swearing as the result of a County Court hearing Aug. 28. The indictment charges that Robinson stated under oath that he had never been convicted of a felony, whereas he had been convicted Feb. 14 in 242nd District Court in Hale County of burglary of a habitation. He was appearing in County Court here on another charge at the time he allegedly made the false statement.

Fredrick Dean Church was indicted on a theft charge and his bail was set at \$3,000. He is charged with the theft last March 21 of "more than \$200 and less than \$10,000" from Jim White.

HART'S LONGHORNS will open their 1984 season at home Friday night, hosting the Anton Bulldogs at 8 o'clock. The Longhorns of District 3-AA

will be looking for an opening-game victory to help them improve on last year's 1-9 season mark. [Photo by Jay Wescott]

THE NAZARETH SWIFTS, expected to be a Class A power again this season, will travel to Lubbock Friday to open their 1984 football campaign

against Lubbock Christian High's Eagles. Kickoff time will be 8 p.m. for the season lid-lifter. [Photo by Sandy Oliver]

# On the Go

with Mary Edna Hendrix, 647-3343

Several Dimmitt women, Jewel Connell, Ferne Jones, Leona Powell and Nelda Tuttle, needed a change of scenery so they drove to Red River and stayed several days where it is pretty and the weather is cool! They reported some days the temperature was in the 40's and then they came back to Texas where the temperature was in the 90's. The women went to Taos and Angel Fire while they were in that area. They all had fun eating, visiting, and enjoying the beautiful scenery and cool weather.

Danny and Shelley Rice entertained in their home on Tuesday evening with a supper honoring Shelley's parents, Jim and Floyce George, on their 35th wedding anniversary. Others enjoying this joyous occasion were: Tishia, Brandi, and little Ramey Rice, Cletha George, and Irene Carpenter.

Elmer and Maudie Youts entertained the Dimmitt Dinner Club on Tuesday evening with a delicious salad supper and fresh peach ice cream and cookies. The tables were decorated with festive tablecloths and plates with a small bouquet of flowers in the center of

each table. Those enjoying the food and fellowship were: Guy and Oleta Walser, N.A. and Thelma Bryson, Morgan and Geneva Dennis, Ivor and Hazel Bagwell, Gene and Connie Ivey, Irene Carpenter, Billye Wesson, and Mary Edna Hendrix.

Ruth Hays and her daughter and granddaughter, Lou Ann and Michele Bradley from Denton went out west to Albuquerque to start their vacation, then on to Mont Vista, Colo. to visit Jim's brother, Glen Hays.

Penny and Tom Jarecki from Amarillo are the proud parents of a baby boy, Whitt Cody, who was born August 25. The baby has an older sister, Brooke. Ruth Hays is the maternal grandmother.

Gaines and Crystal Howell are the proud parents of a baby girl, Misty Dawn, who was born August 30. Uncle Matt Howell has already given the baby a nickname, "Foggy Morning." Grandparents are C.D. and Linda Fitzgearld and Jack and Charlene Howell. The other uncle is Curt Fitzgearld.

Dan Nelson was visiting with Elbert and Geneva DeLozier at the cafe Sunday, so I listened and got

some news out of the conversation. Dan had been to Abernathy for its 75th anniversary and he enjoyed seeing old friends. He talked to the DeLoziers about Joyce, so since Hazel was unable to go with Dan, I needed to find out who Joyce is. She is Joyce Connell and she and her husband, Joe, were neighbors of the DeLoziers when they lived in Castro County.

DeNise Smith, daughter of Elbert and Frances Smith, has returned home after several weeks in Australia. She had her stuffed Koala bear with her at church Sunday evening. I think her Australian family spoiled her because they did more for her than her American family, like turning her covers down for her every night! She promised to write about her trip for next week.

Tammy Stanford was home for the weekend visiting her parents, Johnny and Janet Stanford. Tammy is attending WT in Canyon. Their son Mike was home also.

Cara Higgs has left for her first year in College. She will be attending Texas Tech in Lubbock. Cara is the daughter of Joe and

Joyce Higgs.

Connie Dennis will be attending Tech again this year.

Brad Holcomb will be going to Wayland University in Plainview.

Debbie Dennis was home for the weekend visiting her parents, Edgar and Betty Dennis, and grandparents, Morgan and Geneva Dennis. Debbie is working in Lubbock.

Mrs. Lewis from Abilene has been visiting her son and family, Cliff, Avie, Kerry and Ronna. They went to Amarillo one day and just enjoyed visiting.

On Sept. 1, 2, and 3, the children of the James L. and Evaline Strother family met at Raleigh and Grace Strother's house in Dimmitt for their annual Labor Day reunion.

Those present were: Dorothy Redfield of San Angelo; Mr. and Mrs. J. O. Strother of Bangs; Guy Strother and children, Jane and Dennis of Fort Worth; Mr. and Mrs. Henry Grady of Lubbock; Mr. and Mrs. Joe Grady of Dallas; a life-long friend, Sue Evelyn Smith of Austin; and a friend, Stephen Trent of Fort Worth. J.O. Strother was the Education-

and Music Director at the first Baptist Church in Dimmitt in the late 40's. Sunday J.O. and his brother Guy sang a special at the morning service and J.O. led the congregational singing and sang a special for the evening services.

Recently Bryan and Linda Davis took a second honeymoon. On May 21, they had been married one year. They decided to go to Manitou Springs, just outside of Colorado Springs, Colo. There were so many wonderful things to do that they didn't have time to do them all, but this atmosphere was both beautiful and relaxing. They took horseback tours through the Garden of the Gods, visited Seven Falls, toured museums and Van Briggie Pottery, and spent an entire day at the Royal Gorge in Canon City. They spent much time sunning by the pool or picnicing in the mountains, just enjoying God's beautiful creation. While they were there, they visited Martha and Bill Wallace, parents of college friends, and cooked hamburgers out. Those attending were Carolyn and Terry Hull, daughter and son-in-law of the Wallace's, Tom and Jeanette Wallace, son

and daughter-in-law of the Wallaces, and Grandmother Wallace. They had a nice fellowship time.

A reunion for the Clark family was planned and held last week end at the Senior Citizens building. There were 12 Clark children. Three have passed away and two were not physically able to attend. But seven of the children came: Robbie Stephan from Hereford; Jessie Claunch from Fort Worth; Jack Clark from Friona; Jewel Cheatham from Prairie Grove, Ark., and Inez Lee of Dimmitt. Norma Cowan is in a rest home but three of her sons were here. Johnny Cheatham from Lincoln, Ark., brought his fiddle and guitar, Weldon Stephan from Frio brought his mandolin and guitar, Jack Clark and Allen Dean Clark from Friona brought guitars and Don Moke brought his guitar. They had entertaining music, good food and a lot of visiting. There were 63 in all present. Thank you Senior Citizens for leasing us your building, it was perfect.

Charles and Ruby Howell from Indiana were visiting in Fritch. So all the Howells went to Melvin Stovalls for lunch.

## Sunnyside

By Teeny Bowden, 647-5703

Rev. and Mrs. Bentley Gwyn and Christi attended a get acquainted party at Wayland Baptist University in Plainview Thursday morning honoring all the new pastors in the Caprock Plains area. Holly stayed with Ruth Spencer.

Gale and Verna Sadler started classes at Wayland this week. She will be a full-time student and he will take two classes. Phyllis Bridges also registered this week for a night course. Her classes will start Tuesday. Dorothy Gilbreath also started classes at Wayland this week. She will take two courses.

Hal Gilbreath registered at TSTI in Amarillo this week. Classes start next week. Matt returned to Tech. Kevin Riley also returned to Tech, and Brandon Cox moved to Lubbock and registered at Tech this week. Classes start Tuesday. He received the Dana Wall Scholarship from the Dimmitt Young Farmers.

Kay Ballard started to Clarendon Junior College this week. Kelly will continue to farm this semester instead of returning to the same college.

Carrie Sadler registered for nursing training at Methodist Hospital in Lubbock last Friday, moved to Lubbock over the weekend, and started classes Monday.

Cheryl Powell spent last Sunday night through Tuesday with her grandparents, Ezell and Verba Sadler on her way from Canadian back to classes at Sul Ross University. She registered Friday and classes start Monday.

Joe Sauseda returned to WTSU Wednesday for classes and Richard Sauseda started classes there as a freshman.

Lyle Louder returned to classes at South Plains College this week. Greg and Susan Sadler spent last weekend and part of this week with Gale and Verna Sadler and Embree Roy and Willie Mae Sadler.

Lynn Brown came in Friday night from Mount Lebanon for the Labor Day weekend with Cliff and Naomi Brown and Lee and Gale Brown, Jared and Jason. He will be working in construction at Richardson and living at Mount Lebanon.

Mike and Margret Duda of Hobbs came in Saturday morning for the Labor Day weekend with Billie and Emma Jean King and Marshall and Kaye King, Lance and Lincoln.

Ezell and Verba Sadler attended the Rock Club meeting in Hereford with Nita McWilliams and her granddaughter Lela Ann Williams.

A trace of rain was received in the community Sunday morning. Ray Jo Riley attended the funeral services of an uncle, Earl Davis in Snyder, Okla. Saturday.

He stayed with another uncle, Mr. and Mrs. Boyd Davis at Hobart, Okla. and came home Sunday. His mother, Edna Riley of Dimmitt, was already there with her brother before he passed away.

Eddie and Sherry Haydon and Jo Eddy Riley attended the homecoming of the Springlake-Earth class of 1953 in the home of Fuzzy and Francis Watson in Springlake Saturday night. They also had

dinner together Sunday at the LaTierra in Earth. Ray Jo was the graduate, but Jo Eddy filled in for him since he couldn't be present.

Keith Locke of Ropesville spent this week with Kevin and Jodie Riley.

Mr. and Mrs. Bill Harmon of Dimmitt and Greg and Susan Harmon had supper Saturday night with Gale and Verna Sadler. Greg and Susan left Sunday for

their new home and new work in Albuquerque.

The MasterLife course started Sunday night and will continue each Sunday night for six months with the pastor, Rev. Bentley Gwyn leading.

There will be a dinner at the church Sunday night honoring Roy Phelan of Weatherford who is expected to be visiting in the community over the weekend.

*The Lord is my shepherd*

**PSALMS**

THE LORD is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou art merciful and gracious to all thy tender mercies: O Lord, how precious are thy mercies unto me! My soul shall be established before the enemies: because thou, O Lord, art with me, and thou hast delivered my soul.

The 23rd Psalm is one of the most familiar chapters in the Bible. Early in life, most of us have committed it to memory. Every once in a while we should go back to these verses and think of the wonderful message of faith and trust in God that they reveal to us. They show us that we have a loving Father; one who will show us the right paths; one who will protect and provide for us. These scriptures end with a note of thanksgiving and a promise.

"Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever."

Plan to start a regular worship in the Lord's house.

**15—LEGAL NOTICES**

**NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT**  
Notice is hereby given that **BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION** ("The Cooperative") intends to change the design of its Irrigation Rate and its Cotton Gin Rate. The Cooperative is not requesting additional revenue from either of these two classifications of service. The filing is to change only the method of collecting the annual revenue amounts presently approved by the Public Utility Commission.

The proposed changes in the Irrigation Rate are as follows:  
The facilities charge of \$7.50 per installed horsepower per year which is billed in twelve (12) equal installments will remain unchanged.

The present demand charge of \$5.00 per operating horsepower for April through September is proposed to be changed to be \$22.80 per installed horsepower during the on-peak season, which shall be billed in six (6) equal installments from April through September billing months. Customers shall have the option of requesting that the electric meter be disconnected for the entire on-peak season, in which case the customer will not be assessed the demand charge, provided that a written request is received by the Cooperative prior to the end of the customer's March billing month. The Cooperative will reconnect the customer's meter after the end of the on-peak season, if so requested by the customer, at no charge to the customer.

The present demand charge of \$2.00 per operating horsepower for October through March is proposed to be changed to read "no demand charge for installed horsepower for the off-peak period from the October through March billing months."

The present energy charge of \$0.04234 per kWh per month is proposed to be changed to \$0.04247 per kWh per month. It is proposed to eliminate the present energy charge of \$0.0719 per kWh for non-irrigation usage.

It is further proposed to determine the installed horsepower to be the manufacturer's motor nameplate rating, but for billing purposes this shall not be less than five (5) H.P. for the three-phase service, and not less than three (3) H.P. for single-phase service.

The proposed changes in the Cotton Gin Rate are as follows:  
For the Ginning Season (October-March)

Customer charge of \$75.00 per month unchanged.

The present demand charge of \$3.00 per kW of billing demand per month is proposed to be changed to no billing demand per month.

The present energy charge of \$0.0531 per kWh per month is proposed to be \$0.0645 per kWh per month.

The annual minimum charge of \$15.00 per kW of peak demand and the non-ginning season (April-September) rates will be unchanged.

With these proposed changes, the date the irrigation and cotton gin meters are read will make no difference in the bills.

The proposed changes are applicable to all irrigation customers and all cotton gin customers of the Cooperative.

The classes and number of Cooperative customers affected are as follows:  
IRRIGATION 2908  
COTTON GIN 25

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at 305 East Avenue B, Muleshoe, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A

**15—LEGAL NOTICE**

request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

TO NORTH Americans, the very idea of eating guinea pigs may seem repulsive, yet to some of the world's poor, meat-starved countries, they've become an essential source of protein, reports International Wildlife magazine. In Peru, where an estimated 70 million are raised, guinea pigs fed table scraps and fresh alfalfa can produce meat more efficiently than cattle, sheep, pigs or goats.

Congratulations to the Nazareth Swift Band and their director, Mr. Tackitt, on being named the most outstanding band, 1A through 4A, at the Amarillo Tri-State Fair Parade Saturday.

The Class of 1974 held their 10-year reunion Sunday at the home of Rex and Vera Ramaekers. Classmates attending were Glenda Ehly, Stanley and Naomi Hartman and family, Duane and Dolores (Heck) Braddock and family, Kevin Huseman and Bonnie Huseman, all of Amarillo; Nancy Acker, Kevin Gerber, Robert Huseman, Tim Huseman, Jerry and Carol Kern and family, Rex and Vera Ramaekers and family, Duane and Kathy Maurer and family, Donald and Sarah Schulte and David and Mary Lynn (Wilhelm) Olvera and family, all of Nazareth; Vic and Lyn Kern and family and Neil and Susie (Schulte) Dobmeier and family of Hobbs, N.M. Other guests were Jim and Elaine Kern Shambo of Colorado Springs, Colo. and former grade and high school teachers, Nolen Froehner of Dimmitt, Sisters Celestine Marie, Anita, Adrian, and Herman Joseph of Nazareth and David Bownds. Everyone enjoyed a barbecue and

remiscing. Jerry and Tricia Rose spent several days last week in Houston with the family. Jerry's mother, Ruth, is a patient in M.D. Anderson Hospital. She had surgery Friday and is doing well.

Gene Kern, who has been a patient at Northwest Hospital in Amarillo, is home for a few days. He is feeling some better but will return to the hospital for further

therapy. The class of 1979 held their five-year reunion Sunday at the American Legion Hall. Thirty of thirty-three classmates were present and everyone enjoyed being together, reminiscing and playing cards.

The Nazareth annual Labor Day Picnic was very successful again this year. Many area residents and the work of many people help make this possible.

## 1984 Bobcats 'have just got to want to'

With a new head coach, some new faces and new formations, Dimmitt's Bobcats will open a tough 1984 football schedule when they travel to Roosevelt Friday night.

"It looks like our schedule will get tougher every week," new Head Coach Clifford Smith said. "We start off against good teams, and they get better. We'll have to get better every week."

However, he said, "The kids' attitude is great — they do everything we ask them . . . They're picking up the new stuff pretty well. I think we have the capability of breaking some plays, of doing some big things."

Two of this year's Bobcats already are on pre-season honor lists. Top o' Texas Football magazine has picked junior quarterback Woody Glass for its all-classes Super Team second unit on offense, and junior Mark Smothermon for its Class AAA defensive Super Team. Smothermon was picked as a defensive tackle, but he plays linebacker now.

The Bobcats have a fair amount of experience. Returning starters Mike Love, Mark Coker, Charlie Perez, Greg Sava and Bobby Nino join Smothermon and Glass to provide team leadership. Also, seniors Joe Alvarez, Ricky Enriquez, Raul Ramos, Ricky McKay, Bruce Bryant, Doug Nelson and Mike Trevino are seasoned veterans of last year's 4-6 campaign.

Probable offensive starters in Friday night's season opener at Roosevelt will be:

Quarterback: Woody Glass (5-11, 167, Jr.)

Tailback: Mike Love (5-10, 169, Sr.)

Fullback: Mark Smothermon (6-0, 188, Jr.)

Wingbacks: Joe Alvarez (5-4, 128, Sr.) and Nathan Nelson (6-0, 162, Sr.)

Ends: Mike Trevino (5-11, 152, Sr.) and Doug Nelson (6-2, 178, Sr.)

Tackles: Bobby Nino (5-10, 208, Sr.) and Eric Stump (6-1, 187, Jr.)

Guards: Charlie Perez (5-9, 185 Sr.) and Cruz Arce (5-10, 167, Jr.)

Center: Greg Sava (6-0, 194, Sr.)

WHATTA WAY TO GO!—With hundreds of fans applauding, Dimmitt lineman Cruz Arce races onfield between lines of Flag Corps girls and cheerleaders to be introduced during the "Meet the Cats" ice cream supper Thursday night at Bobcat Stadium. The pre-season event,

sponsored by the Dimmitt Athletic Booster Club, featured the Bobcat Band, cheerleaders, twirlers, flag corps, coaches, and all the homemade ice cream you could eat.

chase with a sparkling record. But state powerhouse Littlefield started them on a downhill slide and they finished the season with a 4-6 record, in the district cellar.

This year, District 2-AAA is even stronger, if anything, with the addition of Idalou and Floydada.

The Harris Rating System ranks Littlefield third, Muleshoe 13th and Idalou 15th in its pre-season state rankings, with Friona 87th, Tulia 98th, Floydada 131st and Dimmitt 158th among Texas' 207 AAA teams.

The Texas Power Index also ranks Littlefield, Muleshoe and Idalou in the state's top 18%, but ranks Dimmitt just behind Tulia and ahead of Friona and Floydada.

"No, I don't believe we can finish in the cellar again," Smith said. "There are too many good kids working too hard to do that. I'm proud of the way they're working — they're good kids. I think we can play with anybody, and I think our defense proved that in the final series Friday night — they looked super."

The key to a successful season, Smith said, is that "the boys have just got to WANT to."

★ Alvarez and Nathan Nelson — a senior who hasn't played since his freshman year — will alternate as the team's play shuttlers. Two of the squad's fastest, they're liable to line up at tandem back, but usually will split wide to give the Bobcats a constant pass threat.

Under Smith, the Bobcats will use all variations of the I formation on offense, with a lively blend of power, trickery and aerobatics.

Defensively, their basic set will be a five-man line with two linebackers, two cornerbacks and two safeties.

Probable defensive starters against Roosevelt are:

Nose Guard: Robert Green (6-1, 247, Jr.)

Tackles: Nino and Bruce Bryant (5-11, 218, Sr.)

Ends: Doug Nelson and Arce.

Linebackers: Smothermon and Perez.

Corner Backs: Love and Mark

★ Coker (5-9, 150, Sr.)

Strong Safety: Todd Durham (6-1, 171, Soph.)

Free Safety: Glass.

So seven players will be seeing double duty as starters on both offense and defense.

"We have a little size in the line (185 average on offense and 204 on defense), and some quickness, too," Smith said. "I think the off-season program last spring really helped a lot — it made them a lot stronger and some of them quicker."

Smith describes the team's speed as "average to below average."

"We don't have anybody that's super-fast," he said. "We have more quickness than speed."

Smith's brightest memory of the pre-season is the inspired play of the defense late in Friday's scrimmage against Farwell, the state's 10th-ranked Class A team.

"In our last 20 plays, with us on defense, I don't think Farwell knew what hit them," Smith said. "They had three interceptions (one by Joe Alvarez and two by Nathan Nelson), and two fumbles, and we got all of them. Every pass they threw in the last series was either knocked down or intercepted. The line really went nuts and put a lot

of pressure on. And the secondary was doing great. We were substituting freely, and I don't think we had a single weak spot."

He's hoping the defense will carry that magic and enthusiasm into the opening game — and that the offense will join in.

"Our defense is ahead of our offense, which is to be expected at this stage," Smith said. "We had big plays all night (against Far-

well) but couldn't sustain anything."

Last year's Bobcats lost their opener to Floydada, then ran up 127 unanswered points to their opponents' none in the next four games to enter the District 2-AAA

### Best route to Roosevelt:

Here's the quickest way for Dimmitt fans to get to Roosevelt High School Friday, according to Dr. and Mrs. W. J. Hill, who have relatives in the Roosevelt area:

Go to Plainview, and stay on State 194 to 24th Street, which is about two blocks past the Central Plains Regional Hospital. Turn east (left) onto 24th.

Go approximately two miles on 24th Street to DJ's Salvage, which has a car mounted atop a tall pole in front of it. There, turn right onto Date Street, which is FM 400.

Take FM 400 south of Plainview and through Idalou. Approximately five miles south of Idalou, FM 400 intersects with FM 40; there's a flashing red light at the intersection. Turn right on FM 40 and go one mile, then left three-fourths of a mile to the school.

Allow 1½ to two hours' driving time, Dr. Hill said. Game time is 8 p.m.

"You can also go to Highway 70 in Plainview, then go east on 70 and turn south onto 400, but you'll hit a lot of traffic lights going that way," Dr. Hill said.

Friday night's season opener at Roosevelt will be the first football meeting — in recent years, at least — between the Bobcats and the Eagles of District 3-AAA.

DELICIOUS is the word to describe the homemade ice cream served last Thursday night. A big "Thank You" goes to all who contributed. Also, we would like to thank Kenneth Malone for the use of his refrigerated truck, which kept the ice cream just right until we could get to it.

Also, we appreciate the participation of Cody Myers and the Bobcat Band, the flag corps, drum majors, and twirlers; they really helped make the evening a success . . . Boy, they sounded and looked good, especially with just a few days' practice . . . and as always, the cheerleaders were in great form.

"PAW POWER" was introduced Thursday night . . . did you get your Power button? What's Paw Power? It's the greatest, the most and could be very rewarding . . . get your POWER today!

Reminder: The Freshmen and JV will host Roosevelt today (Thursday), starting at 5 p.m. . . . Then Friday, the Bobcats travel to Roosevelt to take on the Eagles . . . Eagles are birds; Cats love to eat up birds . . . So plan to attend the feast.

## Markley, Gardner read vows Friday

Karen Renee Markley and Corey Glen Gardner exchanged wedding vows Friday afternoon in the First Christian Church of Dimmitt with Roy Barringer, former minister, officiating.

The bride is the daughter of Mr. and Mrs. W. A. Hawkins of Rt. 3, Hereford. The groom's parents are Mr. and Mrs. Jerrell Gardner of McLean.

Given in marriage by her stepfather, the bride came down the aisle in a tea-length dress of candlelight Andrea lace over satin. It was styled with a Victorian neckline and sheer lace inset at the yoke. The three-quarter length puffed sleeves were formed of the same lace. A scalloped edge

decorated both the sleeves and the hemline. A satin sash accented the waistline. Matching candlelight satin shoes completed the look.

Her headpiece of miniature silk rosebuds from England was obtained during her recent trip to Europe. Under her veil of illusion was edged with a wide border of scalloped lace and came just past her shoulders. Her bouquet was formed of spring flowers and roses in colors of pink and light pink, tied with mauve satin ribbons.

In keeping with tradition, she wore an heirloom necklace that had belonged to her grandmother. She borrowed a lace-edged handkerchief from her mother, and wore a blue silk garter. A sixpence was placed in her shoe.

The church was decorated at the altar with a brass spiral candelabra holding 45 tapers. Three baskets of fern stood on each side of the candelabra. Bows in light and dark shades of pink adorned the pews.

Pianist Michael Flowers of Tulsa played the selections "Truly," "Through the Eyes of Love," and "We've Only Just Begun."

Serving as maid of honor was Kay Ballard of Dimmitt, close friend of the bride. Her dress of lavender taffeta came to mid-calf length, and was fashioned with a rounded neckline and cinderella sleeves. She carried a single pink rose.

Best man was Terry Gardner of Jal, N.M., brother of the groom. Ushers were Shan Powell and Brandon Cox, both of Dimmitt.

The reception was held in the church fellowship hall. A mauve cloth overlaid with lace covered the serving table. The three-tiered cake was frosted in white and decorated with miniature mauve roses, and was topped with a bride and groom figurine. Crystal serving pieces were used.

Serving the cake were Krystal Scott and Cara Higgs of Dimmitt. Punch was served by Debra Sava of Dimmitt. At the registry was Gina Gardner, sister of the groom.

For her traveling attire, the bride selected a two-piece suit striped in black and teal.

After a brief trip, the couple planned to be at home in Plainview this week.

A 1984 graduate of Dimmitt High School, the bride plans to attend Wayland Baptist University in Plainview. The groom is a 1980 graduate of McLean High School. He is employed at 84 Lumber Co. of Plainview.

MRS. COREY GLEN GARDNER  
...nee Karen Renee Markley.

## Grandparents' Day designated

Gov. Mark White has designated Sept. 9 as "Grandparents Day" in Texas.

In his official memorandum he said, "It is fitting and proper that we call attention to the contributions of our grandparents. . . . Their persistence and belief in themselves and our nation, has enabled it and us to weather the bad times and rejoice in the good times. Let us rededicate ourselves to preserving their legacy."

O. P. (Bob) Bobbitt, executive director of the Texas Department on Aging, said, "Grandparents are very unique individuals; they can spoil our children with love and ask so little in return. I urge all grandchildren to take a little time on this special day to visit, call or write their grandparents. Grandchildren have been called the gift for

growing old; but grandparents are our children's gift as the closest link to their heritage.

"If you do not have a grandparent, Sunday would be a great day to adopt an isolated senior citizen in your neighborhood or at your nearest nursing home if only for a few hours," Bobbitt added.

EXPERTS estimate that eight percent of all US ferns, conifers and flowering plants are presently endangered, says the National Wildlife Federation.

## Couple to wed Sept. 15

Mr. and Mrs. Emmett Broder-son of Dimmitt announce the engagement and approaching marriage of their daughter, Joylyn, to Michael Allen Campbell, son of Mr. and Mrs. David Miles of Amarillo.

Vows will be exchanged Sept. 15 in a garden ceremony at the home

of the bride's parents. Both are students at West Texas State University in Canyon, where they will make their home.

The bride-to-be is a Dimmitt High School graduate, and the prospective groom is a graduate of Boys Ranch.

## McDonald house is program subject

The Dimmitt Rotary Club heard a program Friday about the Ronald McDonald House in Amarillo, "The House That Love Built."

The house is a haven for the families of critically ill children who are hospitalized in Amarillo. Located in the Amarillo medical complex, it makes it easier for the parents to stay near their children during a stressful time.

Lynn Spiegel and Carol Morgan of Amarillo gave a slide and sound show about the house and its services, offered to all who are in need.

"A minimal charge of \$10 per night is asked of the families who make use of the house," Morgan said, adding that the fee is reduced for those who cannot pay even that much. Operating costs for the facility are over \$65,000 per year.

At the meeting, assignments were made for distribution of flags around town on Labor Day.

Members were informed of the board meeting set for today (Thursday) at 7 a.m.

A thank you note from Doug

Ware, whose father died recently, was read.

Six Rotari-Anns were guests at the meeting, along with Ken Kendall of Hill City, Kan., and Adam Treff, new staff member at KDHN Radio.

## Thorn, Davis are wed in Arlington

Mary Frances Thorn and Lance Davis were united in marriage on Saturday, Aug. 11 at 5 p.m. in Arlington.

The bride is the daughter of Mr. and Mrs. W. R. McLeroy of Livingston. The groom is the son of Billye Gwynn Davis of Dimmitt.

Matron of honor was Janice Georgeson, of Monterey, Calif., cousin of the bride.

Best man was Ricky Morgan of Bovina.

Bridal attendants were the groom's sister, Andrea Price of Lubbock, and Janet Wohlgenuth, Johnnet Gil, Kay Vandiver and Mary John O'Hair.

Groomsmen were Max Wohlgenuth, Morris Price, Tom Weide, Craig Vandiver, Danny O'Hair, Randy Morgan and Harold Sealoff.

A reception was held following the ceremony in Sons of Herman Hall in Fort Worth.

Out-of-town guests included Mrs. Wayne Davis of Lubbock, Mr. and Mrs. Steve Brown and Dave of Dallas, Mr. and Mrs. Shannon DeVaney of Houston, Mr. and Mrs. Nick Sheffield and Debbie of Houston, and Mr. and Mrs. Carl Burger, and Mr. and Mrs. Andy Kemp, all of Fort Worth.

# Moore, Phillips are wed, establish home in Lubbock

MR. AND MRS. CRAIG LYN PHILLIPS  
... She's the former Deanna Marie Moore.

Mr. and Mrs. Craig Lyn Phillips are at home in Lubbock after a honeymoon trip to Cloudfcroft, N.M., following their Aug. 25 wedding in the Fourth and Bedford Street Church of Christ in Dimmitt.

The uncle of the bride, Harold R. Moore, minister of the Shallowater Church of Christ, officiated at the formal, double-ring ceremony.

The bride is the former Deanna Marie Moore, daughter of Richard and Delle Moore of Dimmitt. The groom is the son of Claudie and Jane Phillips of Lubbock.

Serving as maid of honor was Tina Jones of Lubbock. Bridesmaids were Christy Moore of Brownfield, sister-in-law of the bride, and Tammy Black of Sunray, cousin of the bride. Recognized as honorary matron of honor was Carla Nutt of Dimmitt, sister of the bride, who was unable to be in the wedding party because of being hospitalized for injuries sustained in a car accident.

Best man was Tim Phillips of Lubbock, the groom's brother. Groomsmen were Tom Perch and Kent Womack, both of Lubbock.

Robert Moore of Brownfield, the bride's brother, and Gary Carpenter of Lubbock served as ushers and candlelighters.

"His Image," a vocal group from Tulia, supplied the music, including the selections "Evergreen," "Surround Me with Love," "There is Love," "Faithful and True" as a processional, "The Lord's Prayer," "O Perfect Love" as the recessional, "Follow Me," "If," "Top of the World," and "Time in a Bottle."

Given in marriage by her parents, the bride wore a formal-length gown of dacron polyester, styled with a high neckline. Lace formed the yoke and sleeves. Four-inch ruffles formed the skirt, continuing to the cathedral-length train.

She carried a cascade bouquet of silk flowers in white, orchid and purple, formed in gladiolas, orchids, and roses, accented with baby's breath.

The feminine attendants wore full-length sundresses of orchid polyester taffeta, fashioned with a

purple midriff and sash. Each carried an orchid parasol decorated with orchid and purple flowers.

The couple stood before a wall of white lattice entwined with greenery. Floor baskets were filled with silk flowers in orchid and purple, flanked by two seven-branch candelabras.

At the reception in the church fellowship hall, the bride's table was covered with a white cloth and decorated with orchid flowers and bows. Crystal serving pieces were used for the grape punch and five-tiered cake trimmed with orchid and purple flowers. The top of the

cake was graced with a white china bride and groom figurine standing before three layers of orchid windows.

A white cloth with purple bows decorated the groom's table. The coffee service and appointments were of silver. The chocolate cake was accented with the groom's monogram in white.

A graduate of Dimmitt High School and South Plains College in Levelland, the bride is a secretary for Borden's in Lubbock. The groom is a graduate of Dunbar High School, and is employed as a firefighter for the City of Lubbock.

## Lubbock station sets anniversary, field day

The 75th annual field day and anniversary celebration of the Texas Agricultural Experiment Station at Lubbock and Halfway will be held Tuesday.

The field day is being held in Lubbock in conjunction with the station's 75th anniversary activities. The center is located north of Lubbock International Airport on FM 1294, just east of I-27 at the Shallowater exit.

Field tours will begin at 10 a.m. and there will be four major stops, said Dr. John Gannaway, TAES cotton breeder at the station and

the field day chairman. Major stops will feature a historical planting of cotton, grain sorghum and other crops; the latest research on water use efficiency; the development of drought tolerant cotton, hybrids and disease resistant cotton varieties; and new techniques and products for weed control.

Other areas featured in the field day will be a special tour of the station's vineyard, a display of computers and computer programs for agricultural use, and laboratory tours which will display the latest technological advancements and research findings, Gannaway said.

In observance of the 75th anniversary, a slide presentation of the station's history will be presented in the auditorium. There will also be a display of old and new farm machinery.

The field day is a cooperative presentation of TAES, the High Plains Research Foundation, the Texas Agricultural Extension Ser-

vice, the US Department of Agriculture's Agricultural Research Service, and the Texas Forest Service.

Staff members of these participating agencies will be on hand to answer questions and discuss problems with agricultural producers, homeowners and gardeners.

## What regions earn the most state taxes?

State Comptroller Bob Bullock said this week that for the first time, Texans can examine regional contributions to the state's tax system.

"Every region of the state has its economic strengths and weaknesses," Bullock said in releasing a special financial report on the geographic breakdown of state taxes.

Most of the state's major taxes — sales, franchise, alcohol and tobacco, in particular — come mainly from densely populated urban areas, but the Plains region is the second largest regional taxpayer, because of oil and gas severance taxes. The Plains paid \$1.2 billion — more than half the state total — in oil and gas taxes in 1983.

The state sales tax is still the revenue workhorse, and the Gulf Coast and Metroplex regions combined paid nearly \$2 billion in sales tax last year. The Gulf Coast region alone was responsible for \$1.1 billion, one-third of all sales tax collections. The Metroplex paid \$866 million.

More than 47% of East Texans live in "dry" counties, and this is reflected in the region's contribution to alcohol tax receipts. In 1983, alcohol tax payments per person of drinking age were \$12.60 for East Texas, the lowest of all regions. The highest figure was \$30.08 for the Metroplex.

Regional contributions to state taxes will likely remain unchanged for the next several months. The Central Corridor will continue a high growth rate, and the Border region will lag behind the rest of the state because recovery from the peso-related slump has been slow, Bullock said.

## CAP continues orientation

The Dimmitt Chapter of the Civil Air Patrol will meet tonight (Thursday) at 7:30 at the Dillon Gage office in Dimmitt.

Lt. Col. O. G. (Pete) Minden, Emergency Services Director for the Texas Wing, will present the Level I, II, III and IV orientation.

Dimmitt Composite Squadron Commander Capt. Jerry Annen urges anyone interested in CAP to attend the meeting.

"You do not have to be a pilot or know anything about flying to join CAP," Annen said. "Ground crews are just as important as the people in the air."

## Symposium to discuss feed

The "Feed Grains Utilization Symposium" set Sept. 20 in Lubbock will review current research data and feeding practices for area beef cattle feeders.

The one-day conference will be held at the Holiday Inn Civic Center in Lubbock and is being co-sponsored by Texas Tech University, Grain Sorghum Producers Association Promotion Committee and the Texas Cattle Feeders Association.

Leading beef cattle nutritionists from university research programs and the feedlot industry will speak on subjects ranging from the comparative feeding value of various grains to pricing.

Processing methods will be discussed in afternoon sessions.

A registration fee of \$30 per person will be charged for the conference. Pre-registration may be mailed to Dr. J. E. McCroskey, Animal Science Dept., P. O. Box 4169, Texas Tech University, Lubbock, 79409. Checks should be made payable to Tech.

Robert W. Bryant

## Bryant is appointed

Golden Spread Electric Cooperative, Inc., has announced the appointment of Robert W. Bryant as general manager of the cooperative.

The cooperative is made up of 11 distribution systems, including Bailey County Electric Cooperative, Muleshoe; Deaf Smith Electric Cooperative, Hereford; Lamb County Electric Cooperative, Littlefield; and Swisher Electric Cooperative, Tulia; among others, serving more than 90,000 retail customers in the panhandles of Texas and Oklahoma.

Bryant has served as vice president of system planning and resource control for Colorado-Ute Electric Association, Inc., of Montrose, Colo., which supplies electricity to 14 cooperatives serving 175,000 customers. He held a variety of positions, including vice president of operations and vice president of generation construction and operation.

The offices of Golden Spread Electric Cooperative are located in Amarillo, where Bryant will reside with his wife, Patty, who is an advertising and public relations consultant. She has also been active in the Colorado Rural Electric Association.

Bryant's appointment was announced by James T. Hull, president of the Cooperative.

## Locals show top horses

DIMMITT AGRI INDUSTRIES received its first load of corn Tuesday a little after noon. The Hayden Brothers cut the corn from the Abbott place near Sunnyside. Moisture measured 29.7%. DAI Farm Store Manager Mark Henslee said it was "a little damp, but of fair quality." Examining the load are (from left) DAI employees Rocky Wilhelm, Eugene Hochstein and Henslee, and truck driver Allen

Clayton, who delivered the load. The men said the season may be starting a few days late compared with last year. The first report for the county came in Monday at 7 p.m. to Farmers Grain Co. in Hart. Roger Russell brought it in from a field south of Hart. Moisture registered at 26.5% and the test weight was 56 pounds per bushel.

**IT'S THE REAL THING**—Castro County Clerk Joy Jones presents Edwin "Goose" Ramey with the original of his marriage license, issued April 19, 1917. The license was discovered among piles of papers stored in the basement of the courthouse during a recent housecleaning project. Jones also found the marriage license that had been issued to Ramey's deceased twin brother, Edgar. "We have found lots of interesting items," Jones said.

## Substitutes must meet

Those wanting to work as substitute teachers in the Dimmitt school system are required to attend the second orientation meeting set for next Thursday (Sept. 13) at 2 p.m. at the Dimmitt Middle School library.

"Participation in this meeting is mandatory for a person's name to be placed on the substitute roster," Supt. Robert Ryan said.

Anyone wishing to serve as a substitute needs to complete a questionnaire available at the school administration office.

## Sandoval deployed

Marine Pfc. Maximo Sandoval, son of Emigdio and Maria L. Sandoval of Dimmitt, recently departed on a deployment to the Western Pacific Ocean.

He is a member of the 3rd Battalion, 3rd Marines, an element of the 31st Marine Amphibious Unit (MAU), based at Kaneohe Bay, Hawaii.

The 31st MAU consists of a headquarters element, the reinforced 3rd Battalion, 3rd Marines, an infantry unit; the composite Marine Medium Helicopter Squadron-165; and Marine Amphibious Unit Service Support Group-31.

The 31st MAU is scheduled to participate in several training exercises in the Republic of the Philippines throughout the deployment, and will visit a number of liberty ports before returning home.

## Estimated tax payments due

Some wage earners and other individuals who have income other than wages may be required to estimate taxes. The Internal Revenue Service says the next due date for estimated tax payments is Sept. 17.

You are liable for filing a declaration of estimated tax if you have income not subject to withholding of more than \$500 and you expect to owe at least \$400 on next year's return. The IRS states that you are also liable if you expect to owe at least \$400 and your gross income is more than:

\$20,000 — if you file as single head of household, qualifying widow or widower, or married, can file a joint declaration and your spouse has not received wages for 1984.

\$10,000 — if you are married, can file a joint declaration, and both of you have received wages for 1984.

\$5,000 — if you are married and cannot file a joint declaration.

Just like tax withholdings by employers, estimated taxes are paid in advance of filing the actual tax return that is due for the year. Estimated taxes are normally paid in four installments (the first two were due April 15 and June 15), and there is a substantial penalty for underpayment of estimated taxes.

For 1984 returns, the two remaining estimated tax installment dates are Sept. 17, and Jan. 15, 1985.

## Senior Citizens

## HISD sets new budget

At a special meeting, the Hart School Board made final amendments to the 1983-84 school year budget and established the budget for the 1984-85 year.

Total expenditures were estimated at \$1,852,530, which is \$259,532 more than was allowed in the budget last year.

The biggest portion of the increase (\$228,682) will go to cover the state-mandated teacher pay raises, with the remainder to go for other expenses.

In other business, the board approved the band budget in the amount of \$10,000, and approved the purchase of two typewriters for \$595 each.

Supt. Ted Averitt said that the board will set the district's tax rate at the regular September meeting.

The effective tax rate was established at \$.7748 by Castro County Chief Appraiser Jerry Heller. Last year's rate was \$.78.

### Immigration Reform—In the Wake of Simpson-Mazzoli

This week in Washington, Representatives will meet to decide the fate of the Simpson-Mazzoli Immigration Reform Bill. Their job is to find a way to draft a compromise version acceptable to both the House and the Senate. At this point it is doubtful they will succeed.

Even if the Senate accepts most of the provisions of the House bill, there are many, including Kent Hance, who believe the House would not pass its own version again if it came up for another vote. It passed by only five votes last June.

The problem is that the House version of Simpson-Mazzoli would be unfair and too expensive to implement. At the root of the problem is a House leader lacking in political courage and leadership. At one point House Speaker Tip O'Neill said illegal immigration was a "regional problem" and he wished

the bill would just disappear. There are those who feel the same way about Tip.

The House version would grant amnesty to illegal aliens who came into this country before 1982. This is not only unfair to those who have waited for years to enter legally, it would also cost over a billion dollars a year in services for the next four years.

The House version also fails to provide a good solution for proper identification which is necessary for a workable program. Senator Alan Simpson of Wyoming has a collection of forged identification cards that proves this point. One illegal alien obtained a forged driver's license and social security card, enrolled in college and got tuition aid, food stamps, Medicare, Medicaid and unemployment benefits.

Many people oppose a na-

tional identification card for workers, but we already have one. All that is really needed is a counterfeit-proof social security card.

The House version has many sections that I object to, but there is one provision I support. I agree with the need to provide a program for guest workers for agriculture. This is necessary to keep from causing hardship on our struggling agricultural economy.

Our immigration problem continues while Congress debates the solution. Professor Donald Huddle of Rice University estimates that for every 100 illegal aliens employed, 65 Americans are left unemployed. And, in 1982 alone Texas' taxpayers paid \$85 million to educate the children of illegal aliens.

Loss of jobs and the costs of social services are the most obvious burdens of illegal immigration, but there is a more fundamental issue. A sovereign nation must have firm, controlled borders. We cannot continue to live at the mercy of social and economic conditions outside the control of the United States.

In the past five years, long distance telephone companies have redefined the long distance industry. Here's why:

Competition for the long distance dollar is completely redefining the market. With the breakup of the Bell System on January 1, 1984, the courts ruled that MCI, Sprint, NTS Communications and others could compete equally with AT&T for long distance revenue. Time should eventually bring competition to all communities.

Here's how you can take advantage of this phenomenal growth.

NTS Communications, Inc. of Lubbock, Texas is expanding its West Texas network. If you would like further information and disclosure on our franchise please contact us at 806-762-4565.

## County pledges \$3,164 to MDA

Castro County citizens raised approximately \$3,164 in pledges and special events during the Nineteenth Annual Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association. In the Panhandle area a total of \$211,336 went up on the toteboard, and nationally over \$32,074,566 was pledged.

The Dimmitt pledge center was located at 718 E. Bedford under the direction of coordinator Anthony Kirby.

Proceeds from the Telethon help fund over 600 individual research projects throughout the US and abroad, 10 university-based research centers, more than 240 free diagnostic and treatment clinics, summer camping programs, and professional and public education.

A GIANT CANTALOUPE, weighing 33 pounds, was grown by Hershel Wilson of Sunnyside. He grew the large melon from seeds given to him last spring by Benny Villareal, Spanish pastor of the Sunnyside Baptist Church. "It was getting big even before I watered it," Wilson said. "I don't know what variety it is or anything, I just planted it. There are a lot of them weighing 20 and 25 pounds." The fruit was served at the Meet the Bobcats Night last Thursday.

exhibitor and may not have been judged in a previous Castro County Fair. Only one entry per class is allowed per person.

All entries should be labeled in an inconspicuous place with the exhibitor's name, division, section and class. Superintendents in each section in charge of entries may accept or reject any entry on the basis of conditions or suitability.

Five ribbons will be given per class, with cash awards of \$1 for first place ribbons and \$50 for second place. These awards may be picked up Sept. 15.

In the canning section, classes will include fruits, dried fruits, vegetables, dried vegetables, pickles, meats, jams, jellies and preserves.

A new individual category for quilts has been added to the craft section this year. Other categories include oil painting, ceramics, woodworking, other types of painting and all kinds of needlework. Additional rules and entry blanks are contained in the official fair book, available at the extension office in the courthouse.

# ACR must be maintained

By CHARLEY E. HILL  
County Executive Director

Jim Elder, chairman, said farm program participants are required to maintain their acreage conservation reserve (ACR) acres to qualify for full program benefits. The ACR is cropland removed from production and put into conserving uses under the 1984 acreage reduction programs.

"Once farmers have established adequate protection to prevent soil and water erosion on these acres, they are required to use normal control measures for insects, weeds and rodents. If these measures are found inadequate, additional control measures are mandatory," said Elder. "It would be unfortunate at this point for a farmer to be found out of compliance for failure to maintain his or her ACR acres."

Elder said keeping the land free from weeds is a very important program requirement, and farmers who fail to do so will be out of compliance and could lose program benefits. Provisions for maintenance and conservation management are part of the acreage reduction program contract.

The acreage reduction program

contract also prohibits harvesting ACR land. Grazing is prohibited during the six principal growing months of May through Oct. 31.

Farm program participants were encouraged to put their more erosive land in the ACR, and install a permanent conservation

practice on these acres. The ASCS official said protective cover crops and conservation practices used on cropland removed from production by the 1983 farm programs reduced soil erosion by 20% and provided adequate protection on nearly 60% of land.

## Nine county residents place at Tri State Fair

Nine county residents have garnered 17 honors at the Tri State Fair currently in session in Amarillo.

Four youth won placings in the Junior Lamb Show, with Kevin Bruton of the Dimmitt FFA showing the Reserve Breed Champion Cross.

Bruton's animal also won first ranking for medium-weight crosses. He also showed the fifth place heavy cross and the first place heavy-weight medium wool.

Dimmitt FFA'er Woody Glass showed the second place medium wool in the 106-109 weight class, fourth place heavy cross, and eighth place medium wool in the 110-116 weight class.

Dimmitt FFA'ers Amy and Mark Standlee also placed, Mark with a first place medium wool in the 100-105 weight class, and Amy with the fifth place medium weight cross.

In the Junior Barrow Show, Cinnamon Cox of the Dimmitt FFA showed the third place barrow in Class II, 221-240 pounds. Wendal Huseman of the Castro 4-H exhibited the tenth place barrow in the same class.

Kay Lynn Gleghorn of the Dimmitt FFA won three placings in the Junior Steer Show, the first ever for the Tri State Fair. She took a second in Class 1 (English Feeders, 44½-47) and in Class 6 (Market Steers, 50-53¼), along with ninth place in Class 4 (Exotic Feeders, 50-51¼).

In the Youth Rabbit Show, Jason Nelson of Dimmitt took Best of Breed honors in two breeds, Havana and Himalayan, and also showed the Best Opposite Sex Himalayan.

Hatlas Bunny Farm of Dimmitt was credited with the best Silver Marten in the Open Rabbit Show.

## Conner to review Luther biography

Stacy Conner will present the review at the meeting Wednesday (Sept. 12) of the Dimmitt Book Club at Rhoads Memorial Library.

The review will begin at 4 p.m., with Conner speaking on "Here I Stand: A Life of Martin Luther," by Roland Baintain.

An historical account of Luther's life, the book opens with his decision to enter a monastery, then traces his life to the founding of the Lutheran Church. Baintain is called a premier historian of our century, and Conner says the book is an inspiration and a challenge.

The business meeting of the Book Club will be held at 3:30 p.m., followed by the review. The public is invited to attend the review.

## Old photos sought for Sesquicentennial

Conoco Inc. and the Du Pont Company have provided a \$105,000 grant to support a project to produce a two-volume set of historic and contemporary photographs of Texas in time for the state's sesquicentennial celebration in 1986.

Photos are being collected during a four-month search conducted by the Texas Historical Foundation. Submissions by the public are also welcome.

A copy of photos to be submitted (not the original) must be sent before Sept. 15 to Richard Pearce-Moses, Texas Historical Foundation, P.O. Box 12243 Capital Station, Austin, 78711.

"We are interested in finding Texas photos made in the early and mid-1900's of ordinary people, their homes and their activities," Pearce-Moses said. "Of particular interest are photographs relating to climate, church activities, athletic events and people hunting wildlife."

Pearce-Moses, the foundation's photo historian, said that photos are important historical documents and many are lost every day through neglect and deterioration. "This project will enable us to save many photographs that might otherwise have been lost," he noted.

The oldest Texas photo Pearce-Moses has found was a portrait of James Buckner "Buck" Barry, a former Texas ranger, Indian fighter and Freethinker. It was made in Corsicana in 1853, 14 years after the invention of photography was announced in Paris.

## Police Calls

City, county and state law officers almost filled the county jail to capacity over the weekend.

They made 18 arrests during the past week — most of them over the holiday weekend and most involving alcohol and drug abuse charges. Six of those arrested faced double charges.

Local Texas Dept. of Public Safety troopers, in their crackdown on drunk drivers over the Labor Day weekend, arrested three motorists for DWI and three other persons for public intoxication. One of those arrested for DWI also was charged with possession of marijuana and drug paraphernalia.

One man arrested by the Sheriff's Dept. for public intoxication was also found to be unlawfully carrying a weapon.

Sunday, from midnight to midnight, local officers jailed 11 persons, filling the county jail to within one prisoner of capacity at one point.

Four of those arrested are still in jail. The rest were sentenced after pleading, or posted bond following arraignment.

In all, local officers filed nine charges of public intoxication, six of driving while intoxicated, two weapons violations, one for possession of drug paraphernalia, four for misdemeanor possession of marijuana (less than two ounces), one for failure to stop after an accident, one for criminal trespass and one for disorderly conduct by fighting.

The Dimmitt Police Dept. last Thursday charged a Hart teenager with leaving the scene of an accident in connection with a three-car mishap Aug. 26 involving Dorthy Maxey of Dimmitt and an unknown driver of a third vehicle.

According to the police report, all three vehicles were southbound on South Highway 385 when Maxey started to turn left onto a dirt road. Police said the teenager's car was behind Maxey's and struck it as she slowed to make the turn, and that he then started to change lanes and struck a third vehicle with was in the inside lane. The teenager and the driver of the third vehicle both left the scene of the accident, police reported.

An accident involving a parked car at 2:17 a.m. Sunday in the 100 block of Northwest 11th Street led to a city citation being filed against a Dimmitt man. Police said the man's car, a 1972 Toyota, struck a 1974 Cadillac that was unoccupied and parked next to a curb. The driver was cited for failure to stop and leave information.

A Dimmitt motorist reported to the Police Dept. that while pulling away from a parked position in the 100 block of East Bedford, he had hit a light blue car that was parked in front of his. He told police that he drove around the block and returned to the scene only to find the other car gone.

A major burglary occurred Saturday night at Granny's Chicken & Biscuits on North Broadway when one or more burglars made off with

more than \$500 in bills, coins and checks. Manager John Garth reported the burglary to city police Sunday morning, and notified them later in the day that he had confronted some juvenile suspects himself and had recovered most of the money and checks. The burglary is still under investigation.

Gregoria Lopez reported to city police Friday that a clock-radio and accordion were stolen from her apartment at the Azteca Complex while she was staying with her father a few days at his home in Dimmitt. The burglary is under investigation.

John Hernandez, 308 NE Eighth St., reported that his bicycle had been stolen from outside a school building where he had left it parked during school. The bicycle is solid blue with a black seat and black tires, Hernandez reported.

Burial was in West Lawn Memorial Park under the direction of Parsons-Foskey Funeral Home in Dimmitt. Rosary was held Friday in the Parsons-Foskey Chapel.

Mr. Anes died Aug. 30 at 3:45 p.m. in Plains Memorial Hospital in Dimmitt of an apparent heart attack.

He was born Aug. 6, 1950, and married Frances Padilla. He was a concrete finisher with Dimmitt Ready Mix, and was a member of Immaculate Conception Catholic Church.

He is survived by his wife; a son, Timothy of the home; two daughters, Cecilia and Diana, both of the home; his mother, Mrs. Ofelia Anes of Dimmitt; a brother, Natividad of Dimmitt; and five sisters, Patsy Padilla of Friona, Anette Gonzales and Adelita Sanchez, both of Springlake, and Virginia

and Mary Ellen Anes, both of Dimmitt.

Pallbearers were Joe Reyna, and Lupe, Jose, Robert, Tirsio and Jose Maria Anes.

### Mary Montgomery

Funeral services for Mary L. Montgomery, 76, of Tulia were held last Thursday afternoon in Wallace Funeral Chapel in Tulia with Rev. James Sain, pastor of Calvary Baptist Church in Tulia, officiating. Burial was in Rose Hill Cemetery in Tulia.

Mrs. Montgomery died Aug. 29. She was the mother of former Dimmitt resident Ronald Montgomery, now of Muleshoe.

Other survivors include a daughter, another son, two sisters, a brother, and three grandchildren.

## Tax class info is available

High school teachers and administrators across the country are again being offered teaching aids and materials from the Internal Revenue Service to help teach their students how our nation's tax system works.

The free instruction program reaches millions of students each year. The program typically lasts four to six weeks. The IRS says students can be expected to finish the course with an understanding of how to handle their own tax matters and a clearer concept of the economics of our tax system.

Study guides, teacher's manuals, and films are supplied by the IRS free of cost to schools participating in the program. School personnel interested in presenting an Understanding Taxes program should contact the IRS.

CIVIL ACTION NO. 2-79-206

## NOTICE OF SETTLEMENT TO D.P.S. REGION 5 CLASS

TO: All persons of Hispanic descent who, while in the panhandle of Texas (D.P.S. Region 5), have been questioned, arrested, detained, incarcerated, or charged by the Texas Department of Public Safety (D.P.S.) for alleged violations of the immigration laws or for investigation of your immigration status.

A class action lawsuit has been filed on your behalf alleging that the Texas Department of Public Safety had no authority to arrest or charge people with violations of the U.S. immigration laws. In order to settle this lawsuit, D.P.S. has agreed to pay a total of \$40,000.00. If a D.P.S. trooper ever questioned, arrested, detained, incarcerated, or charged you with being in the country illegally while you were traveling in the Texas panhandle area, this lawsuit and settlement may affect your rights. You may be entitled to claim a share of the \$40,000.00. You may also be entitled to object to the settlement. For more information about the terms of the settlement and your right to claim money or object to the settlement you must write or call:

## Gramm doesn't care about Panhandle, Doggett claims

State Sen. Lloyd Doggett, Democratic nominee for the US Senate, told Dimmitt residents Saturday that he is the only candidate in the race for Senate "who cares about West Texas and Panhandle citizens."

"Phil Gramm (the Republican nominee) has refused to debate me in this part of the state," Doggett said. "He's willing to debate on a public TV station in Dallas, but he doesn't care enough about West Texas and Panhandle residents to appear before them."

Doggett said it was "another example of Phil Gramm's insensitivity to the needs and concerns of ordinary Texans while serving at the beck and call of powerful special interests."

An audience of almost 40 persons heard Doggett's informal talk Saturday afternoon at K-Bob's Steak House. He was introduced

by Harold Bob Bennett of Hart, who commented, "I'm proud to have been a Kent Hance coordinator and will be again ... but I'm also proud to introduce Sen. Doggett."

Doggett, who defeated Hance in a runoff for the Democratic Senate nomination by a paper-thin margin of 1,345 votes out of more than a million cast, commented, "I've heard a lot about Dimmitt from the time my office and Kent's were next door in the State Senate. It may be a surprise to some that Kent and I were friends before the race and are still friends, despite a very hard campaign."

He added, "On election night, as close as it was, I told my workers as they called in that if we lost I wanted everyone to support and work for Kent in the general election ... and I was hoping he was telling his people the same thing."

Following the recount, which took almost two weeks, Hance endorsed Doggett for the US Senate post.

"I've tried in my 11 years in the State Senate to be accessible," Doggett told his Dimmitt audience. "I know Kent's office was always accessible to you, and I'll try to continue that tradition for you."

Sen. Lloyd Doggett

Doggett charged that his Republican opponent, Gramm, "doesn't share my affection for West Texas and the Panhandle. In fact, he seems to have something against the good people of this area. He actually voted to make it harder for Texans to veto the dumping of high-level radioactive nuclear waste in the Panhandle. Phil also happens to have received more money than any other member of Congress from the nuclear power industry."

Gramm's philosophy, Doggett charged, is "go with the dough" rather than "Texas First" and he "stood with the nuclear power industry and against the family farmers and ranchers and citizens of this area."

Doggett charged that Gramm also opposed emergency loans for drought-stricken farmers and ranchers.

"In other words," explained Doggett, "when the nuclear power industry that is helping finance his campaign asked Phil Gramm for help, he said 'yes.' But when struggling farmers and ranchers suffering for no fault of their own asked for help, Phil Gramm said 'no.'"

"What is it Phil Gramm's got against Texans?" Doggett continued. "Phil's perfectly happy giving away \$250 million to Cyprus, \$25 million to the Philippines and \$16 million to Honduras, but he is unwilling to support low-interest loans to farmers and ranchers of West Texas. Phil's pleased as punch to give the giant, greedy utilities a \$30 billion tax break after they gave him huge campaign contributions, but he turned his back on the people of the Panhandle when they needed help to block a nuclear waste dump from being dropped in their backyards."

"I offer West Texans a senator who puts Texas first," Doggett said. "As a native Texan, like my father and grandfather before me, I know that people come first. And as your United States senator, that's how I'll vote."

## Combest predicts 19th will vote Republican

Larry Combest, Republican candidate for the 19th Congressional District seat vacated by Democrat Kent Hance, says he expects the district to go as strongly Republican this November as it did in the 1980 Presidential election.

"The district gave 70% of its votes to Reagan, in 1980, the ninth highest percentage among all the districts in the nation," Combest says. "And the county in the district giving the least percentage to Reagan was Castro with 63%."

Combest was in Dimmitt last Thursday to mark the anniversary of his announcement of candidacy. About 15 or 20 people gathered on the courthouse steps to speak with him.

"I think the Republican party best represents the mainstream conservative thinker, whether Republican, Democrat or Independent," Combest commented. He remarked that he feels comfortable with most aspects of the Republican platform, but wishes the agricultural aspects were stronger.

As far as farm policy, Combest said he feels current farm programs should not be jerked out from under the farmers in an effort to return to a free market system.

"Developing international trade is essential, but competition with countries that subsidize their farmers is difficult, unless we offer some type of subsidy as well," he explained. "A farm subsidy is really a subsidy to the consumer, allowing food prices to remain lower than they would be otherwise."

Combest said he is getting a "tremendous amount of support" from the National Republican

Larry Combest

Party in his campaign effort, because of the opportunity to win this seat for the Republicans in a district that has a strong Republican voting record.

"I have a background in both agriculture and oil and gas, and feel I can represent all areas of the district," he said.

## District jury finds surgeon not negligent

A five-man, seven-woman jury in 242nd District Court has found that Dr. B. D. Murphy of Dimmitt was not negligent in surgery he performed on Janice Bell of Dimmitt in 1979.

Mrs. Bell and her husband, Lonnie, filed a civil damages suit against Dr. Murphy in November 1981, charging that when he performed gall bladder surgery (a cholecystectomy) in 1979, he damaged the common bile duct, causing bile to drain and form a bile fistula.

Mrs. Bell testified that she subsequently underwent corrective surgery and treatment under physicians in Lubbock and Rochester, Minn., and had suffered physical and mental anguish and expense.

She and her husband charged that Dr. Murphy failed to advise them of the possible adverse effects of the surgery he performed here; that he failed to exercise care in the surgery; that he was incompetent to perform the surgery and failed to so advise them; and that he failed to ascertain the damage done during the surgery.

Called to testify for the plaintiffs were Dr. A. W. Holmes Jr. and Dr. Robert Salem (by deposition).

Dr. Murphy and Dr. William W. Patton, consulting physician, contended in their testimony that the bile-duct drainage was not a result of the cholecystectomy, and occurred spontaneously later. Dr. Murphy gave a detailed account of the surgical procedure used, referring to the operation record compiled by himself and attending staff at the time of the surgery.

## 'Remember When' is theme

B.M. Nelson of Dimmitt has been chosen as this year's parade marshal for the annual Harvest Days Parade that will be Sept. 15.

The Dimmitt Lions Club, in charge of organizing the parade, has assigned chairmen for the various divisions.

Bike entries will be handled by Joe Josselett, Robert Jones and Robert Ryan. Jack Edwards and Mike Foskey will head the youth division. Clubs and organizations

will be overseen by Garner Ball, Lloyd White and Calvin Marsh.

Commercial entries will be handled by Goldman Dyer, Jerry Stump and J. R. Brown. Marvin Bryant will handle antique tractors and implements, and Jim Naylor and Don Nelson will line up the antique cars. Riding clubs and mounted riders will be headed by Seth Ralston and Dick Perrin. Vernon O'Kelly and Joe Higgs will oversee the three wheelers.

Parade form-up will be organized by Fred Bruegel, and overall chairman is Chuck Braafladt.

Those wishing to enter the parade are asked to sign up as soon as possible by contacting one of the chairmen or phoning the Chamber of Commerce office.

Theme for this year's parade is "Remember When." Entries will be judged and prizes awarded. Consideration will be given for entries that follow the theme.
