County Fair Time Is Here

RODEO HAND — Jeff Waldrop, son of Mr. and Mrs. Lyndon Waldrop, proudly displays three saddles he has won during the past summer rodeo season. He was awarded two of the saddles at Odessa during the na-

tional finals of the American Junior Rodeo Association, and took part in five all round cowboy events to receive the honor. The third saddle was received at a Big Lake rodeo.

Steers, Mason In District Tilt

The Robert Lee Steers will be up against another strong team Friday night when they meet Mason on Steer field. This game will open District 9-A play for Robert Lee and game time has been moved up to 7:30 p.m.

The Steers played a good game last week against Rankin who is rated No. 3 in the state, though

they were defeated 35-7. Although Mason is first in the district with a 4-1 standing and is picked to win the district title, they will find the Steers a tough, fired up team that plays a good ball game and tries hard for a victory.

Steer boosters are invited to the pep rally to be held in the gym Friday at 3:30 p.m. and to the 7:30 kickoff at the Robert Lee Stadium. Let's show the Steers and coaches we are behind them all the way!

Week's Rains Total Over Three Inches

More rains fell over the area Sunday and Monday as a cool front pushed a wintry chill through the county. Temperatures dropped into the low 40s Tuesday and Wednesday mornings.

Frank Bates, recreation superintendent at Lake Spence, reported the lake level has reached a new high from the rains with a Wednesday morning reading of 1862.10 and water was still running in Tuesday night the Colorado River was reported up seven feet at the Silver bridge. Previous high mark for the lake was 1862.0 in April 1973.

Some rain totals reported were: Robert Lee 3.5; Silver 4.31; Sando 3.9; Graham Valley 3.7; Edith 3.4 and Valley View 3 inches.

Eph Cummins reported that Soil Conservation Service records show total rainfall for the year at 28.04 inches, with over half of the rain falling in September and thus far in October.

SCHOOL HOLIDAY MONDAY

Robert Lee School kids will get a holiday Monday, as teachers will be attending a District Texas State Teachers Association convention in San Angelo.

The general session will be at the Coliseum, with section meetings and luncheons at various places over town.

Classes will convene at the regular time Tuesday morning.

Dogies Downed But Look Good

The Dogies played well last Thursday when they hosted the team from Wall but lost on the scoreboard 0-21. The first half of play, the score was tied 0-0 but late in the third quarter, Wall went in for the first score and the PAT was good. The last two TDs came in the fourth quarter.

Coach Kenneth Butler said, "These young men looked more sound this past week than before, and with four games to go, we hope to improve and win all four!"

The Dogies will play Bronte at Robert Lee Thursday at 7 p.m. and Butler said, "We hope to see the stands full. It does the boys and the coach good to see all those faces cheering us on."

Members of the Dogie squad include the following eighth graders: Terry Ross, Clay Allen, Buddy Wallace, Jimmy Munoz, David Lackey, Jimmy Bazar, Kevin Roe, Wesley Sawyer, Waid Davis, Terry Payne and Sam Ybarra.

Seventh grade members are: Kerry Gortman, Ricky Ross, Randy Collins, Clay Bloodworth, Saul Saucedo, Brett Clark, Monroe Killam, Paul Bosworth, Vic Conner, Wade Wallace and Lynn Gulley.

All of the Dogies have seen action in part or all the games played this year.

Commissioners Accept Center

Coke County Commissioners Court accepted the new Recreation and Show Center at Robert Lee when they met Monday. The structure was completed in time to have the Coke County Fair in it this weekend.

Several petitions were presented to the court signed by residents of Precinct 4, asking for a justice of the peace in that precinct. They were told that ballots for the General Election on Nov. 5 were already printed and the only way they could elect an official to that position would be by write-in vote.

A group from the Mountain Creek Golf Association met with the court to discuss assistance from the county in making more water available for the park and golf course.

ROES RETURN FROM TRIP THRU MIDWESTERN STATES

Mr. and Mrs. A. J. Roe Jr. returned last week from a business and pleasure trip to Minneapolis, Minn. Mrs. Roe, local County Extension Agent, was one of 13 voting delegates to the National Association of Extension Home Economics meeting in Minneapolis.

They also visited Duluth, Minn., where they took an educational boat ride. Ships in the harbor were being loaded with iron ore and grain, much of which was to be sent overseas.

They drove into Canada, taking the scenic drive around the north shore of Lake Superior. They spent two and one-half days and two nights in Canada and saw both rain and snow there. Returning to the United States, they drove through Michigan to Griffin, Ind., to visit Mr. and Mrs. A. Z. Dean and other relatives of Mr. Roe.

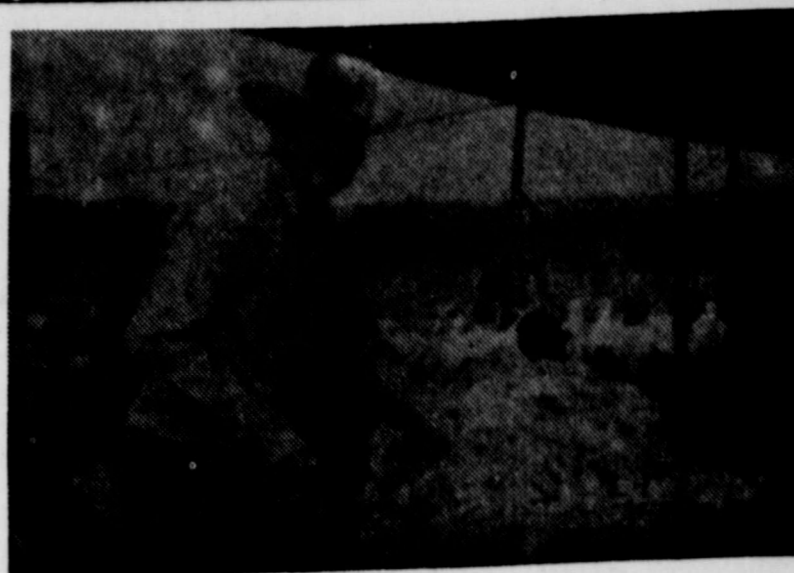

Returning to Texas, they drove to Hobbs, N. M. for a visit with Mr. and Mrs. James E. Brown and Justin. They were joined there by Mr. and Mrs. A. J. Roe II of Waco for a short visit. Mr. and Mrs. Brown and Mr. and Mrs. Roe Jr. went to Lubbock to visit Mr. and Mrs. O. D. Reed, Mr. and Mrs. Larry Reed and Mr. and Mrs. Cloyce Mapes.

Among the highlight of the trip were the convention, visiting the Amana Colonies in Iowa, beautiful fall colors in trees and flowers, the downtown area of Minneapolis, a rose show, Guthrie Theatre, a visit to the Betty Crocker Kitchens and seeing the farms in Kansas and Minnesota.

Mr. Roe met several men from former conventions he had attended with Mrs. Roe and enjoyed golf in Minneapolis.

The couple drove 4500 miles and

saw much pretty country. They were impressed with the clean roadsides and rest areas, but said the highways did not compare with Texas.

I am proud to endorse Rich Anderson for State Representative of the 63rd District. I am registered as a Democrat but I firmly believe that we need a man of Anderson's caliber—a man of great character—a man experienced in agriculture and business. He is a man you can count on, one in whom you can place your trust. I am tired of listening to promises made by politicians, promises that cannot be forthcoming. I'd like to see our Legislative posts in Austin manned by Rich Andersons! Rich wears well with the years—we in Borden County are mighty glad to back him in this venture. We think you will be happy if you make him your choice in November.

Mrs. Coalson Sends Word from Alaska

(The Observer received the following letter from Mrs. Pauline Coalson, former Robert Lee teacher, who is now teaching in Alaska.

Here I am in Alaska. "The Last Frontier," teaching school again for Dan Turner, former Robert Lee principal. He called me Sept. 15 and explained that a professor and his wife from the University at Anchorage had resigned and that he needed me and my traveling cousin, Virgie Sparks Hunter of Slaton, to fill the vacancies out here 147 miles east of Barrow.

Just as last fall, when I flew to Kenai from "the Lover 48," I did not feel far from home, since our flying time from Lubbock was only 6 1/2 hours on a big jet to Anchorage, where Jim Harter met us. I taught with him last year. He assisted us in purchasing \$483 worth of parkas, snow boots, insulated underwear (made in Texas), wool socks and gloves. We also bought \$114 worth of groceries and paid \$45 excess baggage to Barrow.

At Barrow we were met by Barbara and Dan Turner. He is now superintendent of the huge north Slope Borough covering 89,000 square miles. He has charge of seven village schools, visited only by planes. The largest one is at Barrow, which is a \$50 million complex. All these schools are modernly equipped and nice.

Arriving here at Nuiqsut, our small single engine plane was met by the president of the Village Council and a host of Eskimo students, who we love already.

I am teaching in the junior high grades in a new, well heated (diesel oil) and electrically lighted building. We have all modern teaching equipment and native aides to assist. There is a cafeteria serving hot lunches.

Our new teacherage (an \$80,000 structure) is only 25 yards from the school building. We wear rubber boots on this soggy tundra, and there is not a tree in sight. All buildings are constructed about three feet above the ground because 18 inches below is solid ice and heat from the building, otherwise, would cause the foundation to sink right down into the ice (perma frost).

We miss telephones, television, radios, etc.; however, we get the daily paper and mail flown in three times a week. Time on our hands will surely promote more visitation with the natives, and good fellowship should abound up north in the 49th state, with our Big Brothers.

Sincerely,
Pauline Coalson

Nineteen members were present. The next meeting will be Oct. 22 at the First United Methodist Church, with Mrs. Virginia Walling, Mrs. Irene Newell and Mrs. Joyce Womack serving as hostesses.

Marty Simpson, participant in the People to People Citizen Ambassador Program, will be guest speaker and will present a report on his European tour this past summer, telling about the countries he visited.

Mr. and Mrs. Jett Hood spent the weekend in Snyder with their daughter and son-in-law, Mr. and Mrs. Dwain Williams.

Steers Degrade Rankin

By Ronnie Baker

Not by the score, but by their sportsmanship and good hard football the Steers won a moral victory over Rankin last Friday night. Although they lost, 35-7, the Steers played the best game they have ever played and they should be proud of themselves.

It's hard to keep losing and keep your cool when you play a ball club like this one. I don't like to criticize other teams or officials, but this was the most poorly officiated game and the poorest sportsman team I have ever seen in all the years I have seen the Steers play.

When a team gets over 100 yards in penalties, all for personal fouls, and it's just about a third of what should have been called, it's disgusting.

The Steers did indeed degrade the Rankin Red Devils and they are to be proud of by all of us backers.

The Steers, next week, start for the nitty gritty against Mason and maybe, just maybe, things are starting to change.

First Quarter

The Steers received the opening kickoff at the 10 with a return to the 31 by Poly Abalos. The Red Devils held for short gains and Sockwell punted to the Rankin 32. On 3rd and long yardage, the Red Devils went to the air, and an odd pass interference call gave them a 1st at the Steer 35. They made a 1st at the 21. Then from the 17 they broke through and scored. The extra kick was good and it was 7-0.

Abalos took the kickoff at the 13 and returned to his 30, but the Steers were penalized back to the 15. Then the Steer line went to work. Manuel Abalos, Craig Besant, Mike Davis, Walter Flowers, Mike Walker, Doug Herford and Jim Craig opened holes for Abalos and Sockwell to go almost the length of the field, with Poly Abalos, on a lot of second effort, scored from the 20 yard line for

the first Steer TD of the season. Doug Herford kicked the extra point and it was tied at 7-7.

Herford kicked off to the Rankin 15 with a return to the 36. Rankin broke for a 1st at the Steer 35, then another at the 19. One play later the quarter ended.

Second Quarter

On the first play of the second quarter, Rankin scored on a play up the middle. The kick was good and Rankin led 14-7. Rankin kicked off to the Steer 15 with a return to the 30. Rankin held at the 34 and Sockwell punted to the Devil 35. A penalty put them back to the 20 where the Steers held and Rankin punted to their own 42. The Steers made a 1st at the 51, then the Devils held on downs at the 26. Rankin drew another penalty to their 19 and the Steers held at that point. They punted to the Steer 45 with no return. At midfield the Steers tried a short yardage 4th down but failed and Rankin took over. From there Rankin put on the only good drive they made and went all the way to score. EP try was good and it was 21-7. The kickoff to the 13 was returned to the 17. One play later the half ended.

Third Quarter

Herford kicked off to the end zone and Rankin returned to their 10. Rankin made two 1st downs to their 40, but a hard tackle shook the ball loose at the Steer 46 and Shell Williams recovered the fumble there. The Steers couldn't move and they punted to the Rankin 24.

Rankin did it again with a steady march downfield. They scored on a pitchout around the end from the 22 yard line. The extra kick was good and it was 28-7. Rankin kicked to the Steer 18 where it was spotted. Rankin held but a penalty gave the Steers a 1st down on their 34. Rankin held again and the Steers punted to the Rankin 30, returned to the 40. They had a 1st on the Steer 40 as the 3rd quarter ended.

Fourth Quarter

The Steers held on downs, then the Devils held and Sockwell punted to the Rankin 33. The local team then held for no gain and the Devil punt went to the Steer 25. The Steers made a 1st at the 37, but the Devils then held and Sockwell punted to the Rankin 25 with a return to the 39. They moved for a 1st at the Steer 49, then they struck quickly with a 49 yard pass for a TD. The EP is okay and it was 35-7.

Rankin kicked off to the 20 and the Steers returned to their 26.
