Coke Goes for Democrats

Coke County went along with the nation and the state in Tuesday's General Election by favoring the Democratic landslide which occurred over the whole country except in a few isolated

instances. Perhaps the most interesting race in Coke County was for sheriff. Democratic nominee, Doug Robertson's name was printed on the ballot, but he resigned from

his office as present sheriff and announced that he was not running for reelection. Chief Deputy J. Lee Ensor announced that he was seeking the job just after his boss resigned. Ensor ran ads in

last week's Coke County newspapers and passed out handbills, asking voters to write him in. The campaign worked for him as he received 587 votes. Robertson received 110, E. A. "Dink" Lanier of Robert Lee got 169, and Charles Timmons of Bronte received 22.

Another interesting aspect of the Tuesday election occurred in Precinct 4 where citizens decided a few weeks ago that they wanted justice of the peace. Another write-in campaign took place and apparently Coke County will have a third JP beginning Jan. 1. Earl D. "Pete" Nutter took the win in this campaign with 85 votes. Bob-

by Scott received 28, and Charlie Boecking, who lives in Precinct 2, received 2 votes. County Judge W. W. Thetford told this newspaper Wednesday afternoon that apparently everything was in order in the Precinct 4 JP write-in campaign and that Coke County would have another JP as of Jan. 1, 1975.

Krueger Elected

Robert "Bob" Krueger of New Braunfels, Democratic nominee for U. S. congressman, took a win from Republican Doug Harlan of San Antonio and American Party candidate Ed Gallion of Crane, and looks like the successor of Con. O. C. Fisher who did not run for reelection. Coke County was one of Krueger's strongest supporters, as he received 736 votes. Harlan got 151 and Gallion 29.

Another race of great interest to Coke Countians was for state representative from the 63rd District of Texas. Democrat Mike Ezzell of Snyder was opposed by Republican John R. "Rich" Anderson of Gail. Again, Coke County was one of the strongest supporters of the district for the Democratic candidate. Ezzell won handily with 721 votes while Anderson received 169.

In an interview Tuesday night, Ezzell told the publisher of this newspaper that he was extremely grateful to the voters of Coke County who gave him his largest majority of any county in the district.

Democratic incumbent Governor Dolph Briscoe carried Coke County easily with his 776 votes. Republican Jim Granberry received 107 votes.

Other Democratic candidates for state offices also won easily in Coke County.

For Lt. Gov.: Bill Hobby 796; Gaylord Marshall 102; Dan Fein 1.

For Attorney General: John Hill 828; Tom Cole 70; Pedro Vasquez 1.

For Comptroller: Bob Bullock 808; Nick Rowe 77.

For State Treasurer: Jesse James 752; Robert G. Holt 140.

Elaine Millican and Jo Nell Ross, officers of the pep squad, presented Coach Frederick with a plaque from the pep squad, as the one who has given them the most support during football season. Runner-up was Kenneth Rasco.

News from West Coke Nursing Home

By Margaret Epperson

Activities at the Nursing Home have been great fun during the month of October. Churches having the Sunday service at 2 p.m. were the Emmanuel Pentecostal Church, Pecan Baptist Church, Northside Church of Christ and Robert Lee Baptist Church.

Arts and crafts classes have been held each Tuesday from 2 to 3 p.m. We have made Santa Claus candy jars and decorated styro-foam for Christmas. Women who have volunteered to come and work in this class each week were Georgia Ackerman, Thalia Barber, Dovie Cummins, Gladys Marquis, Lillian Shock, Debbie Smith, Maurice Jones and Mickey Flowers.

The Girls in Action and Acteens from Robert Lee Baptist came the first Wednesday and sang. Members of the Emmanuel Pentecostal Church have sung and visited several Thursday nights. The Bible class has had 14 members present for study on Thursdays at 3:30, led by Roy Epperson, and assisted by Susan Walker.

Residents of West Coke County Nursing Home were active in the 1974 Coke County Fair, and those attending from the home were Jim Robertson, Snipe Conley, Fannie Muston, Ruth Cliff, Bertie Clift, Naomi Brown, Ella Duncan and Pearl Mayo. Nursing home residents who entered the competition and won blue or red ribbons on their crafts entries were Ella Duncan, Lettie McDonald, Pearl Mayo, Fannie Muston, Pearl Eoff and Bertie Clift.

The Bethany class from Robert Lee Baptist Church had the birthday party on Oct. 29. Celebrating October birthdays were Desma Walker, Pearl Mayo, Hester Crosslan, Marvin Tickle, Annie Cope and Hugh Smith. The Nursing Home and Hospital staff presented gifts to them and the Bethany class served cake and ice cream. Afterward the class sang with the nursing home residents. Children of class members dressed up in their Halloween costumes and passed out favors.

During November we hope to start game night, playing dominoes, bingo, Chinese checkers and other games. You could volunteer an hour of your time here just being present and near to aid those who need a little assistance. We also plan to sell gift items from our craft class. See our advertisement in this paper.

Wednesday night, Oct. 23, representatives from various churches and organizations met to begin a volunteer auxiliary at the nursing home. Lucille Bryan is acting chairman of this auxiliary. We are getting busy fast and need volunteers. Please call Lucille Bryan, Margaret Epperson or Diane Hambright for information about the auxiliary, and especial-

ly call to volunteer your time. Our goal is each person in Robert Lee giving one hour a month. Many give more already. When will you give of your time?

Mr. and Mrs. Raymond Bloodworth, Mr. and Mrs. H. L. Bloodworth and Mrs. Bonnie Robertson were in Abilene Sunday afternoon to visit Mr. and Mrs. Charlie Askins and family. Chuck Askins returned to his home in Abilene with them after spending Saturday night in Robert Lee with Mr. and Mrs. Foy Askins.

ELECTRICITY

We Couldn't Do Without It!

You might think that is an odd statement for a natural gas company to say about electricity. But it's true! There are some things that only electricity can do...like lighting, refrigeration and the many other jobs that it does so well and so easily.

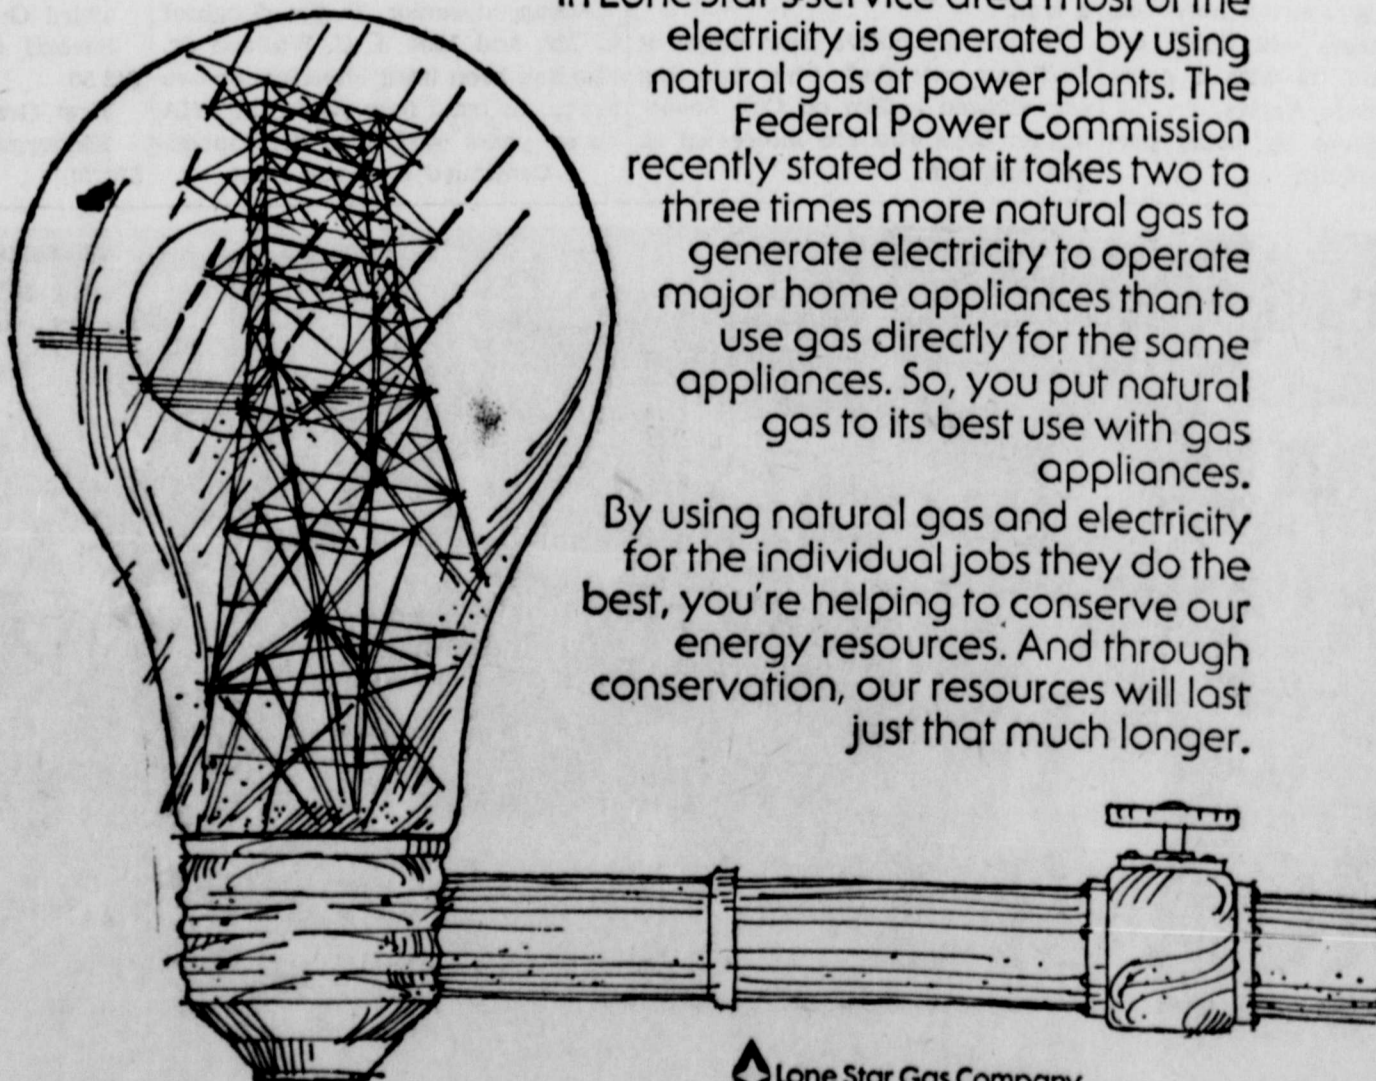

But—

NATURAL GAS

Generates The Electricity You Use!

In Lone Star's service area most of the electricity is generated by using natural gas at power plants. The Federal Power Commission recently stated that it takes two to three times more natural gas to generate electricity to operate major home appliances than to use gas directly for the same appliances. So, you put natural gas to its best use with gas appliances.

By using natural gas and electricity for the individual jobs they do the best, you're helping to conserve our energy resources. And through conservation, our resources will last just that much longer.

Dogies Look Good But Fall to Eaglets

The junior high Dogies go to Bronte tonight (Thursday) for a tilt with the Shorthorns. Kickoff time is 6 p.m. The Dogies won over the Shorthorns 24-0 in a previous game of the season and will be trying for another win tonight.

The Dogies suffered defeat at the hands of the Eldorado Eaglets last Thursday night. All things considered, the Dogies looked good and didn't let the visitors take the 26-14 win easily.

Robert Lee received on their 30 and after three 1st downs pushed to the Eaglet 43. From there the first and only score of the quarter came on a pass from Clay Allen to Terry Ross. The Dogies defense staved off the Eaglet ground attack and again took possession before the quarter ended.

Penalties hurt the Dogies as they were forced to kick short to their 22, and the Eaglets on two series

of downs moved to the Dogie 6 and scored on a pass play. Extra points made it 8-6 for Eldorado. The Dogies were again in possession as the first half ended.

After halftime the Eaglets scored again on their first possession, going in on a run from the RL 29. PAT was no good and the third quarter ended 14-6.

The Eaglets scored early in the fourth quarter to make it 20-6. The Dogies received the kickoff on their 35 and advanced in three downs to the Eldorado 40. Here Clay Allen, behind good blocking, pulled a bootleg run to the Eaglet 10. On two carries Ross moved to the 2. After a 5 yard penalty, Allen passed to Ross for the TD. Allen ran the conversion for 2 points. Score: 20-14. After kicking to the Eaglet 36, the Dogies recovered a fumble on the Eldorado 30, only to give up a touchdown pass interception for the final score of 26-14.

Coach Kenneth Butler said the Dogies, all of them, played as good a game as they have played all year.

Steers Skyhawked, 3-0

By Ronnie Baker

Evidently the kicking game is also an important factor in a football contest. For three quarters, it was you kick to me and I'll kick to you. But in the last quarter the Wall Hawks put one through the crossbar at the end of the field and they went home with a 3-0 win. It all happened last Friday night when the Hawks came here for a District 9-B contest.

The Steers tried one in the third quarter but the Steer luck was still holding, as it was wide and considerably farther than Wall's attempt. Well, we have two more chances.

First Quarter

The Steers received the opening kickoff at their 15 and returned to their 31. Wall held at the 39 and the Steers punted to their 20. Wall made two 1st downs to the Steer 43, then the Steers held them for little gain. Wall punted to the Steer 12 with no return. Wall held the Steers for no gain and the Robert Lee lads punted again, to the Steer 30. The Steers held the Hawks on the 29 and took over the ball. The Steers made a 1st on their 34 and one play later the quarter ended.

Second Quarter

Wall held at the Steer 32 and the punt went to the Wall 33. They punted back to each other a couple of time and the Steers had possession on the Wall 49. The Steers moved the ball for a 1st down on the Wall 36, and then Wall held them on downs at the 20. Wall started a move and made a couple of 1st downs to the Steer 43. There they fumbled and Craig Bessent recovered at the Steer 45. The Steers made a 1st at the Wall 35, and one play later the first half ended.

Third Quarter

Wall received the second half kickoff at the 18 and returned to their 47. The Steers held them at their 48 and Wall punted to the Steers 25. From there the Steers started the best drive of the night as they marched to the Wall 26 yard line on three 1st downs. But there they are stalled and the field goal attempt failed. Wall got the ball on the 20. The Steers held at the 21 and Wall punted to their

44. Then the Steers fumbled at the 34 with Wall recovering. Wall took advantage of two 1st downs which carried the ball to the Steer 15, as the third quarter ended.

Fourth Quarter

The last period of play started out with Wall doing their dirty deed of the night. They kicked a field goal for 3 points and took the lead in the ball game.

The Steers received the kickoff at the 10 and returned to their 14.

Robert Lee made a 1st on their 30, then Wall held and Sockwell punted to the Steer 39. The Steers held at their 42 and Wall punted to the 5 with a return to the 15. Wall held at the 20 and Robert Lee punted again to the Wall 49. The Steers held the Hawks and they punted to the Steer 11. The Steers made a 1st down at their 31 and another at their 41. During the next series Wall intercepted a pass on their 35 with 15 seconds left on the clock. They ran one play and the game was over.

It sounds more like baseball than football, but the final score was 3-0.
