Annual Fair Set for Weekend

COACHING STAFF — From left are shown the coaches of the Robert Lee Steers: Gaylon Brnovak, Jerry English, head coach, Chris Frederick, Max Anthony and Ronnie Ruff.

Steers, Roscoe Tangle In Friday Night Tilt

The Robert Lee Steers will be working hard to win Friday night as they host the Roscoe Plowboys in their first home game of the 1975 football season. The Plowboys defeated the Steers 6-0 last year and the Steers will be striving to put the winning score on their side of the scoreboard this time. Kickoff time will be at 8 p.m.

The Bronte Longhorns took advantage of the Steers' mistakes last Friday night to come out with a win of 20-0 as the teams battled it out on the Longhorn Field. A large crowd of fans for both teams were present to cheer the boys on in spite of the cold, rainy weather.

Some other scores for Friday night were Wall 6, Roscoe 0; Wylie 16, Roby 0; McCamey 13, Rankin 0; Mason 27, San Saba 0; Menard 24, Rocksprings 0; Sonora 6, Junction 0; Ozona 61, Eldorado 8; Wylie, Rankin, Mason, Menard, Wall, Junction and Eldorado will all be the Steers' opponents in games this football season.

UNUSUAL COLD SPELL HITS RL AREA EARLY

Coats and sweaters were the mode of dress Friday after a chilling norther blew in early Friday. Raincoats and umbrellas were soon added as rain came in right behind the cool front and fell intermittently through Sunday night. From 3 to 4 inches were reported over the Robert Lee area.

This first cool spell of the season sent temperatures down into the 50s before a warming trend brought the mercury back up.

The weather forecasters predict more chilly weather this weekend with possible showers in the forecast.

Visiting Mr and Mrs. J. C. Wallace Jr and Buddy during the weekend were Susan Wallace of Angelo State University, Mr. and Mrs. Jacky Wallace and Jana McMullen of Abilene, Troy Millican of Snyder and Mr. and Mrs. H. L. Bloodworth of Silver.

The Fourth Annual Coke County Fair will open Friday at 4 p.m. in the Recreation and Show Center in Robert Lee. Several hundred entries, exhibits and commercial displays will be open for viewing and enjoyment by the public.

The tempo will accelerate Saturday with a number of entertaining events on the schedule. The posthole diggin contest will be held at 6 p.m., followed by a bubble gum blowing contest at 6:30 p.m.

Western and Country Music will start at 7 p.m., free for everyone's enjoyment. Providing the music will be a group of mostly local persons, gifted with musical talent. Add Davis, Ray Shandley, Edna Mae Havins, Jim Craig, Kenneth Webb and Lynn Shandley, all of Robert Lee, and Richard Beck of Wingate will be playing from 7 to 8 p.m. for the enjoyment of the crowd expected to be on hand.

FUN DAY IS PLANNED FOR RL YOUTH

A big party for all the youth of Robert Lee, ages 8 through 13, has been announced by Margaret Martin, program chairman for the Community Action Program. The program will be Tuesday from 4 to 5 p.m. at the Community Center in Robert Lee.

The party is sponsored by the Youth Recreation Program of the Tom Green County Community Action Council and is the first project of the program in Coke County. Mrs. Martin is encouraging all youth in the area to attend. She will be assisted by Earlene Alexander and manpower workers from the Concho Valley Council of Government's and volunteers.

Games will be played and refreshments served.

Bryan Post of Midland spent last weekend with his grandparents, Mr. and Mrs. Ogden McGinley at Robert Lee and his aunt and family, the Clayton Bloodworths at Silver. Bryan is the 2½ year old son of Mr. and Mrs. Stan Post. His parents came after him Friday and were overnight guests of the McGinleys.

Steers Fall, 20-0

The Robert Lee Steers took a 20-0 loss last Friday night when they went to Bronte to take on their traditional foe, the Bronte Longhorns.

Seemed the Steers just couldn't move the ball against the Bronte lads, and Shell Williams' performance in punting six times for an average of 41 yards was the outstanding work of the Steers during the game.

Bronte scored a touchdown in the first, second and fourth quarters.

The most sensational play of the night occurred when Williams punted the ball over the head of Wayne Coalson, and Coalson had to run back to get the pigskin. In

The Fair's Beau and Belle representatives will be presented and school division winners will be crowned at 8 p.m. on the lawn in the County Park. Fifty-two young ladies and men from the Bronte and Robert Lee Schools, from kindergarten through the 12th grade, will be presented. The six division

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR AND DESIGN (COMBINED HEARING)

The State Department of Highways and Public Transportation is planning the reconstruction of State Highway 208 from 5 miles north of the Coke/Tom Green County Line south to F. M. 2105 in Tom Green County.

The proposed reconstruction will include improvement of the horizontal and vertical alignments, upgrading pavement structure, and increasing roadway width to 2-13 foot lanes with 9 foot paved shoulders.

The present 100 foot right of way will generally be increased to a width of 150 feet.

Maps and other drawings showing the proposed location and geometric design environmental studies, and other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office, at 2802 Armstrong Street, San Angelo Texas.

Also, the drawings showing the proposed geometric design have been placed on file with Tom Green and Coke Counties.

There will be no relocation of dwellings or business establishments; however, information about the State's Relocation Assistance Program, the benefits and services, as well as information about the tentative schedules for acquisition of right-of-way and construction can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before October 11, 1975.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing.

YARBROUGHS RETURN FROM ARIZONA TRIP

Mr and Mrs. Maurice Yarbrough returned home Saturday from a week's vacation trip to Arizona. At Buckeye, Ariz., they visited in the home of her 93 year old aunt, Mrs. Carrie Duke, and a cousin, Eva Hunter. Mr and Mrs. Chuck Duke of Roll, a town near Yuma, joined them there for a one day visit.

From Buckeye, the Yarbroughs traveled north to Sedona, a town lying in the beautiful Oak Creek Canyon. Two cousins, Alton Duke and Alta Spence, took them on tours of that area. Some of the sites were of Indian ruins nearby which were once home of cliff-dwelling Indians.

Alton Duke is the author of two books, one written about gems of Arizona and is now out of print, and one about the Colorado River which is just now reaching book shelves. Copies of both books were presented to the Yarbroughs.

On Thursday, they went on to the north rim of the fabulous Grand Canyon before starting for home.

Denture problems?

OraFix holds dentures better because it spreads better.

Tests prove OraFix® spreads better than the other leading denture adhesives — cream or plastic. Other adhesives can leave gaps between dentures and gums. So food particles and air can get in causing dentures to slip. But OraFix spreads better so it can fill even tiny gaps. Result? OraFix seals and holds dentures tight.

ORAFIX, EVERYDAY, FOR THE SEAL OF CONFIDENCE.™
