## Letter from Steer Band Steers Open District Play Friday Night at Mason

October 16, 1975

TO THE CITIZENS OF ROBERT LEE:

This weekend we will travel to San Antonio and perform for the National Rural Education Association Convention, being held at the El Tropicano Motor Hotel.

We realize that not only will we be representing our school, but our community and the entire state of Texas as well.

Several individuals and groups have contributed in many, many ways to make this honor possible. Our thanks to the School Board and Administration for allowing us to make the trip and providing our transportation. Our thanks to the Band Boosters Club for their generous contribution made possible by selling all those notebooks and bumper stickers. Our deepest thanks to YOU, our neighbors and friends. We appreciate your support during various bake sales, car washes, and concerts. Also our thanks to those who contributed by allowing us to do odd jobs for you.

As we travel, you go with us in thought. We take pride in representing Robert Lee, Texas. Because without you, our trip would not be possible.

Sincerely,  
THE STEER BAND  
Robert Lee High School

Exxon Corp. will drill the No. 37 R. H. Harris Estate as a 6,640 foot wildcat six miles northwest of Robert Lee and 3/4 mile southeast of the I.A.B. South Field.

Sojourner Drilling Corp. of Abilene will drill the No. 2-A R. E. Hickman Estate as a 933 foot south and slightly west offset to its 1-A Hickman Estate, current lone producer in the Wendkirk, North (Cisco 3700) field, eight miles southwest of Bronte.

Location is 4,400 feet south of the northwest corner in James W. Davidge No. 967 1/2. Contract depth is 3,800 feet.

### SENIOR CITIZENS NEXT TUESDAY

Third Tuesday Senior Citizens' monthly pot luck luncheon will be held Tuesday, Oct. 21, at 11:30 a.m. at Coke County Recreation and Show Center.

Officers for the coming year will be elected. All Senior Citizens and visitors are invited to attend.

### Dogies Knock Off Sterling Eagles

The Robert Lee Dogies chalked up another win last Thursday night when they went to Sterling City for a bout with the Jr. High Eagles. The 24-0 score upped the Dogies' record to six wins and no losses for this season.

Coach Max Anthony's Dogies will go up again the Bronte Shorthorns tonight in the Bronte Football Stadium. This should prove to be a good game as the Shorthorns have also won all their games this season.

Kickoff time is scheduled for 7 p.m. and all Dogie fans are invited to back the boys and coaches by following them to Bronte.

The Dogie Pep Rally will be held at 10:30 this morning in the RLHS gym.

## Red Devils Burn Steers, 33-6

By Ronnie Baker

It wasn't a cold night, by far, but it was a Cole night. Donny Cole of Rankin put on a display of broken field running against the Steers that netted him 254 yards individually. The score was 33 to 6 in favor of the visiting Rankin Red Devils.

If this particular man had not been on the field the game would have been a good one. The Steers played tremendous defense, allowing only 14 points the first half against this potent and well balanced ball club.

Defensively, the Red Devils had more different sets, size and experience than the Steers. A few mistakes here and there for the young Steers cost them, and if not for that, it could have been a closer game. Every week you can see the improvement in the Steers, but with the kind of competition they are playing, it's hard to just out and out see it. Boy, one of these days

#### First Quarter

The Steers received the opening kickoff in the end zone with a return to their 25. The Steers made a 1st at their 37 but they fumbled and Rankin took over. The Steers held on downs at their 31

### District Attorney Dickey Resigns

Frank Dickey Jr. will end 12 1/2 years as 51st District Attorney, which includes part of the district work in San Angelo, as well as Coke County.

Dickey is a Coke County native and was appointed to the DA post in 1963 and elected in 1964, 1968 and 1972.

He also served as Coke County Attorney before moving to San Angelo.

Gerald Fohn of Uvalde has been appointed by Gov. Dolph Briscoe to take Dickey's place.

Dickey graduated from Ballinger High School in 1943 and served in the U. S. Marine Corps during World War II. After his discharge he completed his pre-law work at Yale and Baylor universities.

He graduated from Baylor Law School in June 1952 and was admitted to the bar two months later.

Dickey plans to devote all of his time to private practice and will maintain his offices in San Angelo and Robert Lee.

### GOOD RAINS FALL HERE WEDNESDAY

Heavy rain showers, accompanied by close lightning and rumbling thunder, hit the Robert Lee area early Wednesday morning as a front moved slowly across the state triggering off thundershowers.

By 4 p.m. Wednesday close to two inches of rain had been gauged with rain still coming down.

The Robert Lee Steers will begin district play Friday night as they travel to Mason for a game with the Mason Punchers. Attention is called to the new kickoff time of 7:30 p.m. All previous games have started at 8 but the remainder, all district games, will get underway at 7:30.

### Last Rites Held for Mrs. Joe Hester

Funeral services for Mrs. Joe (Nora Martha) Hester, 63, of Bronte were held at 2 p.m. Sunday in the First Baptist Church in Bronte, with burial following in Fairview Cemetery. Officiating was the pastor, the Rev. Cecil Harper. Newby Funeral Home was in charge of arrangements.

Mrs. Hester died at 6 p.m. Friday in the Bronte Hospital after a short illness.

She was born Sept. 30, 1912, at Lockhart and moved to Coke County as a child. She was married to Joe Hester Feb. 118, 1935, in Robert Lee.

Survivors include her husband; two daughters, Mrs. Armilda Colvin of San Angelo and Mrs. Janice Ware of Blackwell; two sons, Robert W. Hester and William Wayne Hester, both of Dallas; five sisters, Mrs. Barney Payne of Fort Worth, Mrs. Sue Campbell and Mrs. Slim Self, both of Winters, Mrs. Hubert McGallion of Lake Whitney and Mrs. Nancy Grantham of Luling; three brothers, Billy Jack Kirchman and Leslie Kirchman, both of California, and J. D. Kirchman of Denver, City; and nine grandchildren.

Pallbearers were Robert and Jack Herring, both of Miles, Bill Doran, Rupert Robbins and Blake Rowland, all of Bronte, and Merle Proctor of Winters.

The Steers fell 33-6 to the Rankin Red Devils last week in Griffith Stadium while the Punchers took the week off. Season record for the Punchers stands at 3-2 and

School will be dismissed at 2:30 Friday to enable the bus runs to be made in time for the buses to get back to make the trip to Mason. The Steers Pep Rally will be held at 2 p.m. in the Gym. The Cheerleaders express their appreciation to all who have been attending these rallies, to help them give the Steers and coaches a boost before each game, and invite everyone to come out at 2 p.m. tomorrow.

the Steers have a 1-4 season mark. The team will be working diligently to make it a 2-4 record after tomorrow night's tilt against the Punchers.

Some other scores for last weekend include Iraan 45, Menard 6; and Junction 14, San Saba 12. Neither Wall nor Eldorado had contests last week.

Next Friday, Oct. 24, will be Homecoming Day for RLHS Exes and the Steers will host the Menard Yellowjackets in the Homecoming Game. Other Homecoming activities will take place at half-time performance.

### COMMEMORATIVE COINS RECEIVED BY COMMITTEE

Robert Lee Bicentennial Committee has received the City's medallions, commemorative and coins with a choice of two Bicentennial designs on one side and the Rob-Lee logo (symbol) on the other. These went on sale Friday and sales were so brisk that necklaces and chains for the ladies had to be re-ordered over the weekend.

Medallions are available in three colors: silver, gold and antique gold. Necklaces have been ordered in gold and silver. Key chains are being considered.

Medallions sell for \$4.20, and those mounted as necklaces for \$6.50, tax included.

Committee members will be on duty at City Hall as soon as the necklaces arrive. They are made especially for Robert Lee and everyone is invited to stop by to see them.

### News from West Coke Nursing Home

By Mildred Sparks

Our newest resident is Kate Padgett. She is the wife of Hugh Padgett Sr. and her son is Hugh Padgett Jr. Kate's condition continues to improve and we are anxious for a more complete recovery.

Few people are unlucky enough to develop shingles on their birthday but Ella Duncan did. That was Sept. 1 and when we had our party on the 22nd, she managed to be there, but not with comfort. That party was shared with Dave Millican, whose family gave him a surprise birthday party on the 14th at the Recreation Hall.

Our party was sponsored by the Bethany Sunday School Class from the Robert Lee Baptist Church. Cup cakes, punch and music combined with sharing their children who sang made the evening happier by just being there.

Nobody enjoyed the Fair more than Lou Ella Bessent; she didn't miss anything. Jim Robertson, Pearl Mayo and Naomi Brown helped at our table where we sold items made by the Arts and Crafts Class. All items were priced at cost and all money made by sales will be used to buy new material for future projects. The names of the fine people who won seven blue ribbons on their exhibits have already been published. This class is supervised by Margaret Epperson and her assistant, Trudy Scott.

Senior Citizens' Day was a howling success as far as Bessie Walker, Lettie McDonald Jim Robertson, Pearl Mayo, Cleve Casey, Dave Millican, Naomi Brown, Pearl Childress and Lou Ella Bessent were concerned. In addition to the outing and good food there was Bingo which was particularly enjoyed.

Bible study continues to hold interest. We became so involved in the study of Job that when Bro. Epperson finished we felt a chapter in our own lives had been closed.

Church services were by Emmanuel Pentecostal, Pecan Baptist, Northside Church of Christ and Robert Lee Baptist in that sequence.

They claim they practice on us, but we aren't deceived. We enjoy every minute of any evening the Country Western Players can find the time for us.

The Emmanuel Pentecostal friends came twice this month to repeat ourselves, we always appreciate them.

Forgive me if the names are wrong or mis-spelled; two young ladies with sweet voices came to play and sing for us on a Sunday afternoon. Konny and Kaylon Service, we thank you. Then on a Wednesday afternoon, just as we had finished dominoes, a group of youngsters from the Baptist Church came to sing. Thank you and come again. We love surprises.

# Who bailed out the Navy in 1798?

Q  
**Watt's Worth Saving?**

A.  
**Kilowatts, That's Watt...**

Nuclear...geothermal...solar...coal gasification and liquefaction—all are potentially important electric power resources for the future of our energy-short world.

Right now, though, we need to stretch the resources we have, while we work on developing others.

With fuel costs so high, we can't promise you lower rates—no one can. But we can help you use kilowatts economically and efficiently. Give us a call; we'll give you some tips.

We were still paying off the Revolutionary War. Then we were faced with yet another war, this time on the seas.

How could we afford to build up our Navy?

Well, Congress called for help through the issuance of government securities. And the citizens came through to the tune of \$711,700. Enough to make the down payment on 10 new ships.

Their investment paid off. And you can follow their example today.

When you buy U.S. Savings Bonds at your bank or through the Payroll Savings Plan at work, you're investing in your country.

And as if that weren't enough, you're helping yourself to a safe and generous return.

What better way to stay afloat?

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

The Steers held on downs at their own 39 and then made a 1st at the Rankin 44. Then Rankin held at the 50 and Williams punted it out of bounds at the Rankin 24. Rankin made a 1st down at their 36, and then Walter Flowers intercepted a pass and returned it to the Rankin 21 yard line. Then a little dippy doodle as QB Micky Baker pitches back to HB George Abalos and he passes to WB Shell Williams for a TD. The extras failed and it was 27 to 6.

The Steers kickoff went to the 15 with a return to the Rankin 37. And Rankin and Mr. Cole put on another drive and scored from the 3 yard line. George Abalos blocked the extra points and it was 33-6. Rankin kicked off to the end zone and the Steers ran it out to the 15. The Steers moved for a 1st at the 27 and then two plays later the game was ended.

## Spain Retires FROM Florida.

OR, HOW AMERICA picked up FLORIDA for \$5 million.

No luxury hotels. No drinks served at the pool. Just sand and palms and alligators. And a lot of fighting for it that destroyed property throughout Florida.

Americans in Florida figured Spain owed them \$5,000,000 in property damages.

Our government offered to pick up the tab for Spain, if Spain would retire from Florida. Spain accepted. And was out.

You know, money from our citizens helped pay for things back then. And it still does.

Today, you can help with U. S. Savings Bonds. And at the same time, they let you build savings. Easily. Automatically.

This happens when you join the Payroll Savings Plan, or buy Bonds where you bank. Year after year, you accumulate more and more savings. And it can add up to a bundle.

So maybe you'd better start this week. Because, someday, you'll have to retire, too.

Now E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
