Coke County Voters Turn Constitution Down By 5-1

Coke County voters went a little stronger against the proposed new constitution than most Texans, voting about five to one against the eight proposals that were presented to Texas voters Tuesday.

The entire new deal was soundly defeated all over the state with some counties voting as heavily as 11 to one against it.

The proposed new constitution was put together mostly by members of the Texas Legislature sitting in convention, and many con-

Steers to Take on Junction Eagles

The Robert Lee Steers will travel to Junction Friday night to take on the Eagles in another District 9-A tilt. The Steers' loss to Wall last week gives them a 1-2 district standing while Junction's win over Menard leaves them with a 2-1. With Mason winning over Eldorado last week, this gives the Punchers and the Wall Hawks a tie of 3-0 for district and Eldorado and Menard both have 0-3 records.

While Robert Lee and Junction clash this week, Menard plays at Eldorado and Wall and Mason will battle it out on Mason's gridiron to see who comes out ahead in 9-A.

Coach Jerry English's Steers will host the Eldorado Eagles Nov. 14 and this contest will be the last Steer game for the 1975 football season.

The Steer pep rally will be held at 2 p.m. Friday and school will be dismissed at 2:30 to enable the buses to make their runs in time for the early departure for Junction. Everyone is invited to come to the pep rally and boost the Steers.

CATTLEMEN'S ASSN. REVIEWS ACTIVITIES OF THE PAST YEAR

In a recent meeting of the Coke County Independent Cattlemen's Association, the accomplishments of the past year were reviewed.

In less than a year, the Independent Cattlemen's Association has become not only the largest livestock association in Texas, but has the largest active membership in the United States, in excess of 100,000 members.

It has informed national and state leaders, including the President, the Congress, State Legislatures, Federal and State Agency officials, and, most important, the public, of livestock and agriculture problems.

It has put forth maximum effort to defeat land use legislation and was very instrumental in its failure.

The Association sought and obtained changes in the Emergency Livestock Loan Act benefiting the farmer and rancher.

It supported the new state law prohibiting state agencies and subdivisions from purchasing and using imported beef.

It supports state legislation to tax open space land on its capability to produce and on fair market value.

Helped organize a task force of the heads of all agricultural organizations in Texas that went to Washington and met with task forces from other states to work in harmony to accomplish whatever possible for agriculture as a whole.

Was responsible for stimulating greater activities by other livestock and agriculture associations.

Developed and is now publishing the "Independent Cattlemen" magazine to inform membership of ICA activities and provide educational and research data to improve ranching and farming techniques.

ICA has been involved with a number of bills that were passed

and defeated on the state and national level.

Officers of the Coke County ICA are: Don Fields, president; Royce Fancher, vice president; Robert Mathers, secretary; Wayland Dren-

nen, treasurer.

Plans are to start a membership drive for 1976 in the near future.

MOUNTAIN CREEK GOLF

We certainly enjoyed the nice rain even though it did rain out our ABC tournament last Sunday. The course is in nice shape and the greens are about perfect.

Visitors state that our course is better than anything in the area. We can give our thanks to Lendy Devoll for this.

OPENS PRIVATE PRACTICE

Mike Irish, son-in-law of Mr. and Mrs. Raymond McCutchen, has resigned from the Criminal District Attorney's office in Lubbock where he has been first assistant for the past two years.

He has now opened his own office for private practice in Lubbock.

Only one match was played last week in the club tournament. Ben Bessent advanced to the semi-finals of the championship flight, winning over Bud Thetford—1 up in 20 holes.

We still have several first round matches to be played. Come on, men, get off the dime, time's a wasting.

INFO RELEASED ON FORTHCOMING GAME SEASON

Coke County Game Warden R. L. Flanagan has released the following information concerning the forthcoming deer, turkey and quail seasons.

Deer and turkey season will open Saturday, Nov. 15, and will go through Jan. 4. Bag limit on deer, three. This includes two buck and the third by antlerless permit only. Bag limit on turkey, two of either sex.

No person may take antlerless deer without first obtaining a permit from the land owner where such animal is killed. All tags and permits must be attached to animals immediately upon possession and remain attached until the carcass has been finally processed. Recommended procedure is to fasten tags and permits to antlers or forelegs with string or wire.

It is unlawful for any person to kill and possess a turkey without attaching the turkey tag from their valid hunting license to the bird and this tag must remain attached to the bird until arrival at its final destination.

Quail season also opens Nov. 15

but will go through Feb. 15. Bag limit is 12 per day, 36 in possession.

Legal shooting hours will be one-half hour before sunrise to one-half hour after sunset.

Anyone leasing property for hunting is required to buy a shooting preserve license. This can be obtained from Parks and Wildlife Dept. in San Angelo.

Persons between ages of 17 and 65 are required to buy resident hunting licenses while those under 17 and over 65 need to purchase exempt licenses.

Wall Falls on Steers, 70-0

By Ronnie Baker

Halloween is supposed to be for fun pranks and that sort of thing, but for the Steers it wasn't funny and it will be hard to forget that the Wall Hawks downed them by a score of 70 to 0 last Friday night. It's not easy to write about, for what can you say? So, this week the above will be the extent of my comments.

First Quarter

The Steers received the opening kickoff and returned to their 25. Wall held at the 30 and Williams punted to the Steer 43, as it was partially blocked. Wall then proceeded to move in two 1st downs to score. Their extra try was good and it was 7-0. Wall then kicked off with a return to the 25. Wall then scored again on an intercepted sideline pass from the 30 and passed for the extras and it was 15 to 0. The Steers received at the 5 and returned to the 15. Wall held at the 17 and Williams punted to the 50 with a return to the Steer 32. On the first play a quarterback sneak went all the way for another TD. The EP was good and it was 22-0.

The Steers returned the kickoff to the 33. They fumbled and Wall recovered. On the second play Wall scored again from the 30. The extras made it 29-0. The Steers returned the kickoff to their

29, then were penalized back to the 14.

Wall held and on the attempted punt it was blocked and covered at the Steer 4 yard line. In two plays Wall scored again, but the EP try failed and it was 35-0. The Steers received in the end zone and got out to the 20. They then made three 1st downs to the Wall 41 as the quarter ended.

Second Quarter

Wall held them on downs at the 36. The Wall bunch fumbled it back to the Steers at the Wall 45, with Jimmy Munoz recovering. The Steers made another 1st at the Wall 33. Then the Hawks intercepted a pass at their 20 and returned to the 30, but they were penalized back to the 15.

Wall moved the ball to the Robert Lee 28 and then the Steers held them. Wall punted out of bounds at the 6. Wall held at the 8 and Williams punted to the 50 with a return to the Steer 35. The Steers held on losses back to the Wall 42, and on their punt attempt Mike Perciful blocked it at the Wall 27. Then Wall scored again on a deflected pass interception that went all the way. The EP was true and the score was 42-0 as the half ended.

Third Quarter

The Steers received again and returned to the 22. They made a 1st at the 33, then a penalty which I can't understand yet moved them back 23 yards to their 10. Wall held and Williams punted to the Wall 49 where a Hawk got the ball and returned it all the way for another TD. The extras were good and the score: 49-0.

The Steers received at the 24 and returned to the 34. They made a 1st at their own 48, then Wall held and Williams punted to the Wall 5. A Wall fumble was recovered at the 1 and the Steers looked like they might score, but then they fumbled it back to the Hawks at the 2. Wall made two 1st downs to then Steer 37. Then Poly Abalos intercepted a pass and ran to the Wall 20. The Hawks held on downs at the 17, then made a 1st on their 29, as the third quarter ended.

Fourth Quarter

Wall moved for 1st downs at their 44 and the Steer 16. From there they score again and the extras are good, making it 56-0. The Steers received at the 14 and ran it out to 28. Wall held at the 35 and Williams punted to the Wall 25, with a return to the 30. The Hawks made a 1st on their 45, then moved on to the Steer 35. First play after that they went all the way for another TD. EP was good and the score was 63-0.

The Steers received at the 34 and returned to the 38. Wall held at the 47 and the Steer punt sailed to the Wall 10 with a return to their 30. The Hawks made a 1st at their 46. Then a 1st down lob pass over the middle was completed and they raced 54 yards for the TD. The extra points made the score 70-0. The Steers received at the 10 and returned to the 34. The end was drawing near and the Steers had the ball on their 40 when the clock ran out.

Weekend guests of Mr. and Mrs. Melvin Childress were her sister, Mrs. Cleo Lord, and Mr. and Mrs. Bobby Lord and LeAnn, all of Eunice, N. M. Bobby is Mrs. Childress's nephew. They all attended the reception Sunday for Mr. and Mrs. H. C. Varnadore. Miss Becky Sheppard of Abilene, a granddaughter of Mr. and Mrs. Childress, was also their weekend guest.

TAKES FIRST PLACE — Winning first place in the recent Homecoming parade was the FHA float. Pictured here on the float are Mrs. Eloise Guerrant,

Homemaking teacher, and Sue Ann Millican. Sign on the side reads "Betsy Ross believed in the flag. Like we believe in the Steers."

SECOND PLACE WINNER—The Yellowjacket shown here and entered by the Sophomore Class, took second place in the Home-

coming parade. It had big yellow wings, but they had been taken off (by a Steer, perhaps) before the picture was taken.

FRESHMAN ENTRY — The entry of the Freshman Class was a Steer and and Yellowjacket

hive. The freshmen won third place with their entry.

MORE SCREWORM CASES IN COUNTY

By Sterling Lindsey
County Extension Agent

Coke County had three additional confirmed cases of screwworms last week. Also, several other cases were reported being treated. A total of six cases have now been confirmed in the past two weeks.

The Wendland Ranch had a second case confirmed along with first cases being reported by Don Glenn from his place five miles north of Bronte and Simpson Bros. from their place four miles north of Robert Lee.

Statewide, the number of cases has increased rapidly during the past three weeks. Because of concern over the buildup, we called Dr. Novey, veterinarian in charge of the program, to find out about sterile fly releases in this area. Dr. Novey stated that the buildup in the screwworms over wintering area of South Texas had increased so in the past three weeks that the program directors were forced to concentrate all the sterile fly drops in the southern half of the state — from the Hill Country south. He stated that as of a week ago, Oct. 26, all drops have been placed in the south half of the state.

This means we need to watch closely the local situation. With lambing and calving in process, we could have quite a few cases

before the onset of cold weather. The cool nights have slowed down insect movement, but the fly will still become active during the warm part of the day.

To kill the overwintered pupa in the ground, roughly two months of 60 degrees or lower ground temperatures are required. Also, the female fly does not lay eggs when the temperature is below 65 degrees, as a rule.

Mr. and Mrs. Fred L. Beaty spent last week in Belen, N. M., getting acquainted with their newest grandson, Christopher, son of Mr. and Mrs. Lane Beaty.
