**MOHAIR PRODUCERS TO MEET, DISCUSS FEB. REFERENDUM**

Mohair producers in 11 area counties will meet Thursday, Dec. 18, in Brady to learn more about the commodity referendum in which they will vote next February.

The producers of this area, all voting in District 8, will meet at 7 p.m. in the McCulloch County Electric Co-op at Brady to hear representatives of the Mohair Council of America discuss the referendum.

Other counties in the district are Callahan, Coke, Coleman, Concho, Irion, Nolan, Runnels, Sterling, Taylor and Tom Green. About 315 producers are in the area.

About 4,700 known producers in 54 Texas counties will decide by the mohair referendum, Feb. 10, whether to finance their own program of research, market development and promotion. The program will be financed by an amount not to exceed 2½ cents per pound of mohair sold during the marketing year. A commodity board of 12 directors—themselves producers—are to be elected during the same February balloting, and the board will oversee the expenditure of the funds, if they are voted.

**CONSERVE AND SAVE ON ELECTRIC COOKING**

★ For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.

★ Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.

★ Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.

★ Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.

**Spain**  
Retires FROM  
**Florida.**  
OR HOW  
**AMERICA**  
picked up FLORIDA for  
**\$5 million.**

No luxury hotels. No drinks served at the pool. Just sand and palms and alligators. And a lot of fighting for it that destroyed property throughout Florida.

Americans in Florida figured Spain owed them \$5,000,000 in property damages.

Our government offered to pick up the tab for Spain, if Spain would retire from Florida. Spain accepted. And was out.

You know, money from our citizens helped pay for things back then. And it still does.

Today, you can help with U.S. Savings Bonds. And at the same time, they let you build savings. Easily. Automatically.

This happens when you join the Payroll Savings Plan, or buy Bonds where you bank. Year after year, you accumulate more and more savings. And it can add up to a bundle.

So maybe you'd better start this week. Because, someday, you'll have to retire, too.

Now U.S. Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

**DOCTORS' PROGRAM GIVEN NOVEMBER 11 FOR '64 STUDY CLUB**

Doctors Don W. Armstrong and William C. Mieber, members of American Cancer Society, presented the program to the '64 Study Club, a member of the Texas Federation of Women's Clubs, on Nov. 11. Mr. Fred Beaty, Home life chairman, introduced the doctors. They gave a program on cancer including slides and comments on the subject, followed by a question and answer period.

Mrs. Delbert Walling gave a short report on Federation. Hostesses were Mmes. Roy Epperson, Artell Roberts and Robert Vernor.

On Nov. 25, the club met at the Robert Lee Baptist Church. The children's choir and their directors, with Mrs. Epperson leading, presented a musical program. A year of Thanksgiving, emphasizing special thanks during the country Bicentennial, was the theme. Hostesses were Mmes. Gene Hinard, Earl Bradley and Cumbie Ivey Sr. A short business meeting was held after the program.

The next meeting will be held at West Coke County Nursing Home where club members sponsored the December birthday party. Members and their children took birthday greetings to the residents on Dec. 2. Hostesses were members of the social committee: Mrs. Douglas Ditmore, Charles Sims and Bennie Rogers.

"There Is a Special Magic About Christmas" will be the theme of the program on Dec. 9. Mrs. Walling will speak on "Christmas in Germany: A Christmas Gift to the World," and will display ornaments made in German tradition made by elementary school children.

Mrs. Walling will also give the Federation report. The decorations will later be given to the West Coke County Nursing Home. Refreshments will be served in the German tradition, with recipes for everyone. Hostesses will be Mmes. Robert Vaughn, W. T. Roach and Yvonne Conner.

**BLACKWELL SINGING SET**

The Blackwell Gospel Singing will be held Saturday, Dec. 13, beginning at 7 p.m. in the Blackwell School auditorium. Everyone is cordially invited to attend. The singing will be directed by Joe Conradt and J. D. Taylor.

THE ROBERT LEE OBSERVER

- United States Savings Bonds vs. the Piggy Bank.
1. If the Piggy Bank is stolen, you lose what's in it. That's the way it is with cash. If a Bond is stolen, you get a new one.
  2. A Piggy Bank is easy for even its owner to rob. But Bonds can be bought through your Payroll Savings Plan at work, and a little is taken out of each check before you can get your hands on it.
  3. The Piggy Bank may look kind and generous, but it won't give you any interest. A U.S. Savings Bond yields 6% when held to a 5-year maturity.
  4. The Piggy Bank money just sits there. A Bond helps your country.

In summary, you might wonder why grown folks would even use Piggy Banks. It's so much smarter to buy Bonds.

Avoid that empty feeling. Buy U.S. Savings Bonds.

Now E Bonds pay 6% interest when held to maturity of 5 years (4% the first year). Lost, stolen or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
