Annual R-Lee Steer Athletic Banquet Held

The annual Robert Lee High School Athletic Banquet was held Saturday, May 1, in the school cafeteria. Athletes, staff members, parents and fans were treated to a fine meal of roast beef with all the trimmings, then witnessed presentation of awards and special recognition of participants in this year's athletic program.

Head Coach Jerry English made a brief welcoming address in which he thanked all who helped in athletics in any way during the current school year. He stated that he felt there are four things which make a good and successful athletic program: the community, the school administration, the athletes themselves and the coaching staff and he said he felt Robert Lee had demonstrated excellence in all of these.

Coach English then recognized the cheerleaders and praised them for their spirit and work throughout the year: Cindy Ash, head, Rosa Sanchez, Janice Bloodworth, Stella Bickley and Kenda Webb. He then presented the 1975-76 Steer Football Squad and named the all-district team members. Named to receive the 1976 Steer Award was Poly Abalos. Coach English presented this award to Poly. Seniors of the team are George Abalos, Poly Abalos, Steve Blair, Ernest Burns, Jim Craig, Walter Flowers, Mike Percifull and Mike Stephens.

COKE COUNTY HAS SREWWORM CASE

By County Agent Sterling Lindsey

Coke County is now on the list of Texas counties with confirmed screwworm cases. A case was found in a baby calf on the Nolan-Coke County line near Blackwell. The sample was collected on May 1. Hopefully, no additional cases have been found in the area.

The screwworm control officials are fearful of having another bad year in 1976. The mild winter in South and Central Texas in combination with timely rains and ear tick infestations have substantiated their fears to date.

All operators are encouraged to submit worm samples for positive identification. This is the major means of locating infestations and for determining sterile fly placements.

Also, spraying of livestock with system sprays, checking animals at regular intervals and delaying surgery where possible can be helpful to the overall program.

LARGE COLLECTION MADE FOR COUNTY CANCER CRUSADE

A sizeable amount of \$1220.10 was collected in Coke County for the annual Cancer Crusade.

The drive was made in Robert Lee by Alpha Kappa Pi sorority and the '64 Study Club and in Bronte by the '69 Study Club.

Dorene Mashburn of Robert Lee, who was chairman for the county fund raising drive, expressed her appreciation to the workers who collected the money, and then to everyone who contributed.

She said the workers in both Bronte and Robert Lee did a fine job and the response to their efforts was wonderful.

INSUR-MATION

THURSTON McCUTCHEEN
FARM BUREAU INSURANCE, 453-2812

Does fire insurance for a business include materials in current inventory?

Whether or not inventory is included depends on the wording which was used on the Fire Policy. A Fire Policy covers one of three broad categories. These categories are: (1) stock, (2) furniture, fixtures and/or machinery, and (3) contents. Stock is defined as all stocks of merchandise, including packaging materials. Furniture, fixtures and/or machinery include all contents not included as the building or stock. Contents includes all property included in the definition of stock and furniture, fixtures and/or machinery. There, if the policy reads "stock" or "contents" the inventory would be covered in case of fire... "contents" being the most comprehensive coverage and the one most frequently used with Fire Policies.
