

# Biggest snowfall since 1906 buries area

**DIGGING OUT**—Bruce Fuller used his tractor to blade snow off the street along Northwest 12th Sunday afternoon. Fuller was one of many in the volunteer "Tractor Brigade" that

helped clear city streets over the weekend following the 18-inch snowfall that deluged the area Thursday and Friday.

**WHERE'S THE DRIVEWAY?**—Whether you were a big guy attacking the snow with a machine or a little guy going after it with a shovel, it was just as deep everywhere — and sometimes deeper. Here, Benjamin Valdez,

Beatrice Herrera and Rachel Valdez join forces to blaze a path from the porch to the driveway of the Jose Valdez home, 1000 W. Bedford, Sunday afternoon.

By BRENDA SCHULTE  
It started at daybreak last Thursday as freezing drizzle. It turned to sleet around 9 a.m. and to snow by mid-morning.

Jameson and Ebeling worked from 5 a.m. to 5 p.m. Friday.

And it snowed and snowed and snowed.

Paul Fry delivered the Amarillo papers Friday morning via snowmobile, and he ferried many people to work. Most people couldn't get out of their driveways Friday morning, so many Dimmitt businesses didn't open or were late opening. Cars, pickups and trucks were stuck and abandoned throughout town early Friday.

When it stopped Friday afternoon, 18 inches of white covered the county. It was the second biggest snowfall in the recorded weather history of Castro County, according to Edwin "Goose" Ramey, longtime weather observer. Ramey said that in 1906 the county received its biggest snow. He said it was "a 72 hour spell" which dropped about 20 inches of snow. Winds accompanying the snows left drifts up to 10 feet high.

The snow caused the cancellation of many meetings and events in the area, including the Texas-New Mexico Sugarbeet Growers Association Annual meeting and banquet in Hereford, basketball games, showers, club meetings, and other events. All three county schools cancelled classes Friday.

No winds accompanied the snow last week, but drifts from three to four feet high were common, and around tall structures, drifts were seven to eight feet tall.

The Presbyterian and First Christian Churches cancelled Sunday services because the parking areas could not be cleared in time.

The snow started falling at mid-morning last Thursday, and by sundown more than six inches had accumulated. By 7 a.m. Friday morning 16 inches covered the ground. During the rest of the day Friday two more inches fell, bringing the grand total to 18 inches, as recorded by KDHN, official US Weather Observer.

The State Highway Department stayed busy all weekend trying to clear the roadways. Foreman Doyle Wassom reported that all the state highways in the county were pretty well cleared of ice by Monday. "There are still a few slick spots," he said, "and some of the farm to market roads are still covered." He predicted that his department should have the farm to market roads cleared by Tuesday afternoon, if the temperature cooperated.

Temperatures dropped below freezing Thursday and stayed below 30 degrees until Saturday afternoon. A dense fog blanketed the area all day Saturday.

"It was a heavy and wet snow," Wassom said. "We couldn't push it with our trucks, and we had to use our motor graders. We only have two."

Area residents were busy Friday digging out. State, city and county road crews, plus a tractor brigade of farmers and implement dealers worked diligently to clear roadways, driveways and parking areas.

County road commissioners will have their hands full trying to clear county roads for passage.

The biggest problem for road crews and residents trying to move the white masses, was figuring where to put all of it.

"It will be a lot harder to clear the roads after this snow," said Edd Wilson, commissioner of Precinct 2. "We will have lots of trouble the next few days because of the melting and thawing."

Snow mounds were left ranging from two feet tall, along roadways, to 15 feet tall around schools and parking lots.

Wilson predicted it would take at least a week to get the roads in shape, if the weather cooperated.

In the northeast part of Castro County, 18 inches of snow were measured; the same amount fell in Hart, while Nazareth recorded 15 inches.

"We're trying to keep some machines where we can get to people in an emergency. We are working on school bus

Two members of the Dimmitt Fire Department, several Nazareth volunteer firemen, and many other county residents offered assistance to those snowbound by taxing people in four-wheel drive vehicles, and helping clear driveways and roadways.

## TCGA gets audience with Mubarak

**FRUSTRATION**—Sudan's Lisa Wood [right] found no room to breathe Tuesday night as Nazareth's Leona Gerber [left] applied the pressure. A swarming defense helped Nazareth to a 37-35 win over the Hornets in

the teams' first District 6-A meeting. Gerber and Sharon Birkenfeld shared defensive duties on Wood, holding the 5-9 all-stater to a scant eight points for the game.

Texas-style feedlots in Egypt?

That prospect may come a step closer to reality this weekend when Carl King of Dimmitt, president of the Texas Corn Growers Association, meets with Egyptian President Mubarak Saturday in New York City.

King is one of 15 American businessmen and bankers who were invited this week to meet with President Mubarak at a Waldorf-Astoria luncheon meeting arranged by the Egyptian-American Chamber of Commerce and the Egypt-US Business Council.

The invitation stemmed from a visit to this area last summer by an Egyptian trade team interested in studying large-scale sheep-feeding and cattle-feeding operations.

Hosted by the TCGA, the trade team visited the Lamb Feeding Division of Estacado Industries, Inc., Dimmitt Feed Yards, Taylor Feedlot and other facilities in this area.

A member of the trade team explained during the visit that Egyptians' growing affluence is creating a demand for more mutton and beef in that country, but that sheep are still being raised "as they were in Biblical times," and that Egypt's entire production of feedgrains goes into human consumption. The trade team members were hoping for both American commodities and expertise to help Egypt meet the growing demand of its people for meat.

Members of the TCGA and

the High Plains Farm Bargaining Association suggested that Texas corn is available for feed and that Estacado Industries could assist with the expertise in setting up feedlots in Egypt.

"Our ultimate goal is to sell them Texas corn," King said. "It's a good export possibility for us. We're aiming for an all-Texas product in the development of their livestock feeding operations."

In connection with his upcoming visit to the US, President Mubarak accepted the invitation by the Egyptian-American Chamber of Commerce and the Egypt-US Business Council to meet over lunch with American businessmen and bankers "to discuss matters of mutual interest."

President Mubarak will be accompanied by his top economic aides.

"There will be an opportunity for a discussion period during the meeting," officers of the two sponsoring organizations said. "In addition, there may be an opportunity for a question-and-answer session following the luncheon with the minister of economy and foreign trade and the minister of investment and international cooperation."

## Churches join for big cantata

A county-wide choir of as many as 100 voices will perform the cantata, "Alleluia — A Praise Gathering for Believers," on Palm Sunday, March 27.

At least 13 churches in the county are taking part in the unique effort to observe the beginning of Holy Week. The combined chorus will include singers from most of the county's church choirs, members of the Dimmitt High School Choir and other volunteer singers, plus narrators.

The popular cantata will be conducted by DHS Choral Music Director Doug Henry and will feature a taped orchestral accompaniment. It will be performed in the Dimmitt High School auditorium Palm Sunday afternoon.

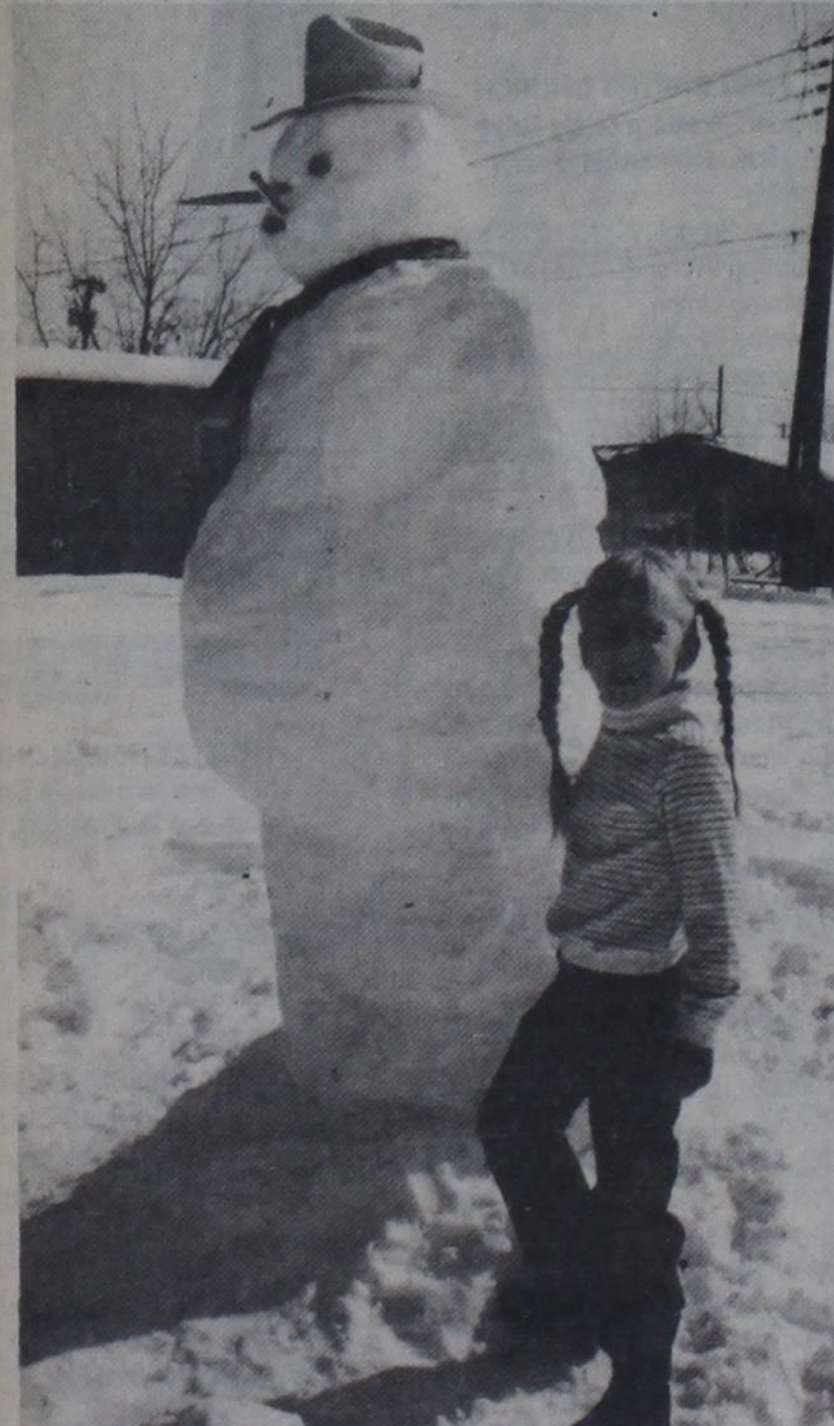

Participating churches include Dimmitt's First Baptist, Lee Street Baptist, New Hope Baptist, First United Methodist, First Christian, Presbyterian, Immaculate Conception, Assembly of God and Primera Iglesia Bautista; Hart's First Baptist and First United Methodist; Nazareth's Holy Family; and Sunnyside Baptist.

Preliminary rehearsals are being held at several of the larger churches. Most of these church choirs practice on Wednesday evenings, and their rehearsals are open to all singers who would like to take part in the cantata.

Henry said he will begin full-scale rehearsals with the combined chorus at 3 p.m. Sunday, Feb. 23 in the Dimmitt Middle School choir room. These rehearsals will continue every Sunday afternoon for four weeks, with the final rehearsal scheduled Saturday, March 26 — the day before the performance.

"Alleluia — A Praise Gathering for Believers" is a pop-

ular cantata by Bill and Gloria Gaither and Ron Huff, and has been performed in many cities in the area — including by the combined choirs of Hart's First Baptist and First United Methodist Churches several years ago.

**COOL COWBOY**—Carrie Sheffy's 7-ft., pot-bellied, cigar-smoking snowman was one of many that sprang up in Dimmitt yards over the weekend following the second-largest snowfall in recorded history here. For a sampling of other snow sculptures in the city, see Page 16.

## Tractor Brigade' helps city dig out

A tractor brigade invaded Dimmitt Friday and Saturday to help city workers dig the city out of the 18-inch layer of snow which fell last Thursday and Friday.

streets until they are all clear," he said.

From 75 to 100 tractors cranked up Friday and helped city employees clear snow from major streets, intersections, driveways and parking lots.

"There is a limit to what we can accomplish with our own equipment and personnel. I believe that nearly everyone understands our situation because we have certainly had a tremendous amount of help during the past few days."

Farmers, implement dealers and other individuals owning tractors formed the brigade.

Catoe said Tuesday that the city crew is trying to move the snow to the middle of the roads so the gutters will drain.

"We couldn't have gotten people dug out without the help of the tractors," said City Manager Paul Catoe.

Catoe said he wanted to thank the highway department for working with the city. "They are doing a good job and we sure appreciate their help," he said.

Catoe said the City's equipment, two backhoes and one maintainer, wouldn't have been "nearly enough" to clear off all the snow.

Catoe also said if a maintainer is run down the streets it will block driveways with snow and ice and that the city just does not have the equipment to clean every drive. "It's just one of those situations where you have to let it thaw and melt."

"We had a man on the maintainer and men on both backhoes at all times through Friday and Saturday," he said.

As for the help provided by the tractor brigade Catoe said, "It just goes to show how people here stick together and help each other when the situation gets a little rough."

"We certainly appreciate everyone's help."

Catoe said City employees have primarily tried to clear the snow on some of the most traveled streets and have tried to keep emergency areas open such as the hospital and airport.

"Our employees will con-

## County holds line on spending in '82

Castro County took in \$1,396,736.53 in cash receipts during the fiscal year that ended Sept. 30, 1982, and paid out only \$1,143,152.05 during the same period, the County Commissioners' Court learned at its regular meeting Monday.

Henry Ramaekers of the CPA firm of Brown, Graham & Co. presented the annual audit report, which the commissioners accepted without comment.

The audit report broke down cash receipts from all basic sources and their fund assignments, and disbursements for all categories of county activity.

However, Ramaekers explained that the income-expenditures statement doesn't necessarily give an exact view of the county's financial position.

The county's policy is to prepare its financial statements on the basis of actual cash receipts and disbursements.

"Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obli-

tion is incurred," Ramaekers said.

As a result of this accounting policy, the financial statements in the audit "are not intended to present financial position and results of operations in conformity with generally accepted accounting principles," he explained.

The county's major sources of income during the year were from ad valorem taxes, \$489,491.64; county road taxes, \$240,927.63; motor vehicle registrations, \$191,194.07; fees of office, \$137,104.44; federal Revenue Sharing funds, \$119,883; and the lateral road tax, \$99,743.84.

Other income sources included liquor taxes, Expo Building and appraisal district office rental, reimbursements from the Mental Health-Mental Retardation program, occupation taxes, fines, interest, reimbursement from the City of Dimmitt for dispatchers' partial salaries, county fines tax, service fees on criminal tax payments, sales of materials and labor, and house rent.

The county's main expenditures during the year were \$550,300.44 for salaries; \$74,865.18 for gas and oil; \$71,781.98 for maintenance

and repairs; \$46,506.11 for supplies for the courthouse, jail and roads; \$39,015.63 for utilities and telephone service; \$32,395.33 for insurance and bonds; \$28,417.35 for postage and office supplies; \$27,476.11 for appraisal office expense; \$24,271.85 for attorney fees; \$23,396.80 for capital outlay; \$22,431.61 for travel expense; and \$21,673.89 for recording and indexing.

Of the county's total receipts of \$1,396,736 during fiscal 1982, \$1,276,853 came from regular income sources while the additional \$119,883 was in Revenue Sharing money.

The county had anticipated \$132,000 in Revenue Sharing receipts in its budget, but came up \$12,117 short from that source before the books for the fiscal year were closed. However, the 1982 budget had anticipated only \$1,125,060 in receipts from regular sources, so came out \$151,793 ahead there.

In other business, the commissioners:

—Approved payment of a \$2,396.80 gas bill and a \$6,595 bill from Brown, Graham & Co. for the audit.

Chatter

# Residents attend inauguration

By MARY EDNA HENDRIX  
Thomas and Natalie Falcon, Larry and Susie Gonzales, Desi Pesina, Ray Sandoval and Miguel Velasquez were in Austin for Gov. Mark White's inaugural festivities.

They attended the luncheon held on the Capitol grounds where the menu was fajitas and tortillas. They toured the Capitol building and took pictures in the representatives' chambers. They talked with Con. Kent Hance and Henry Gonzales.

Next was the parade with lots of bands performing in the rain, including Lubbock's Estacado. They had the honor of shaking hands with the Governor and his wife Linda.

They then returned to the motel to get all dressed up for the Ball. The men wore tuxedos and the women dressed in beautiful long gowns. They went to the "Drum" for the evening's events. The stage was beautiful. There was food and drinks galore: fish, barbecue, avocado, enchiladas, tostados, salads, fruits, cakes, etc. An orchestra played for the dance, then time came for the grand march, that of the Governor and his wife and children and Lieutenant Governor Hobby and all other elected officials, their spouses and children. As a special treat, some mariaches performed in honor of Lt. Gov. Hobby's birthday. It all came to an end right at midnight. The group said they wished more of you could have been there!

The Community Concert Association of Plainview presented the National Folk Ballet of Mexico on Monday night. This is an exciting group with lots of energy and typical colorful Mexican costumes. There are about 50 members of this lively, dancing group and cheerful band, besides all the behind the scenes staff. We especially enjoyed the dance number featuring the dancer who wears a stuffed deer head. The dance demands incredible physical skill and stamina. We also enjoyed the rope act which is almost as good as Edgar Dennis' rope act. The most interesting dance was La Bamba, where the dancers tie a long ribbon in a bow using

only their feet. (Incidentally, most of the dancers were not wearing shoes.)

I saw about 40 people from Dimmitt, several from Tulia, Wilton Graef and daughter, Lisa, from Hale Center, and from Plainview, Harold and Norma Gladman, Mrs. John Blaine, and Mr. and Mrs. Hoyt Curry. (Mrs. Curry was the librarian for Unger Memorial Library for several years.

The Community Concert Committee for Castro County and surrounding area is still working on a membership drive for the concerts scheduled for next fall. Be thinking what your family can do about this great entertainment for such a low price!

The shower for Becky Street of Midland was scheduled to be in the home of Mrs. Bryce Dowell, but due to the snow was held in the fellowship hall of the First Baptist Church. Darlene, Becky and her mother, Dorothy Street, and Mrs. Caroline Holmes, mother of the prospective groom, were in the receiving line. Missy Mayfield registered the guests and Debbie Annen served fruit breads, coffee and hot spiced cider from a beautiful gold tea service and the centerpiece was made of spring cut flowers in Becky's chosen colors of pink and burgundy. Out of town guests besides Mrs. Holmes from Midland were her daughter, Barbara Holmes, who is a student at WTSU in Canyon and Becky's good friend, Nancy Robertson and daughter, Becky (who is Becky Street's namesake), from Canyon.

Mark and Kay Merritt's baby, Lori Paige, of Midland, was the center of attraction at Becky's shower. I suppose this was her first public appearance in Dimmitt and she had several relatives there to love her besides all the friends. She had a great grandmother, Mrs. Mable Brock, two grandmothers, Dorothy Street and Mona Merritt, and several aunts, Shafla and Becky Street, Deanna and Susan Merritt.

Greg Odom, son of Glenn and Beth Odom, took his lamb to Denver, Colo. and came home with an award. We are sorry he did not win first place which would have given him \$10,000.

Jennifer Miller told me about their trip. They left from Miami, Fla. on Saturday, Jan. 8 and got back on Jan. 15 to Miami. They were on the TSS Festive. They arrived in Nassau in the Bahamas on Sunday. In Nassau they took the glass bottom boat tour and visited the straw market. On Wednesday they arrived in San Juan, Puerto Rico and visited the jewelry stores. All other stores were closed that afternoon probably for siestas. Jewelry is supposed to be the big bargain in San Juan, although they didn't take advantage. On Thursday they arrived in St. Thomas which was the highlight of the trip. They went snorkeling in the morning. The water is crystal clear and they saw many exotic fish and coral. In the afternoon they went shopping in their "downtown" which was like an Old English town with their narrow streets and close together buildings. A

beautiful island and very clean, they say. There was never a dull moment on the ship. The Captain and Chief officers were Italian, but 26 nationalities were represented among the crew. They were very pampered with their beds made up every morning and turned down at night. The meals were very lavish and you could eat up to eight times a day if you wanted. They say, "We'll never forget the cruise for it was nice to be treated so well and not to have a care in the world for a whole week."

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Johnnie Vannoy as hostess and she also won second high score. Jo Gregory won high score. Others enjoying being inside on a snowy day were: Bernice Hill, Betty Cartwright, Elizabeth Huckabay, Opha Burks, Louise Mears, Oleda Schumacher, Ferne Dickey, Emily Clingsmith, Cleo Forson, and Josie Bradford. (They all had to scrape the snow off their cars when it was time to go home!)

The Three Musketeers celebrated ORG's birthday with a luncheon on a snowy day last week. They served a Mexican casserole, tossed salad, and chocolate pie.

It was a lovely shower honoring Mrs. Jay Reeve nee Rhonda Ross, in the beautiful home of Mrs. Bill Gregory on Sunday afternoon. Several were brave enough to get out

in the deep snow to honor this young couple. We wish the best for them.

Our sympathy goes to the Lantz family. Carey Gunter of Olton died and was buried on Wednesday. He was an uncle of Carol Lantz. He was the last of Carol's father's siblings of 14. He was married to one of Carol's mother's sisters.

My grandson, Brent Vaughan, participated in his school benefit marathon rope jumping contest in Dallas last Saturday. There were five boys in his team who won by jumping three hours, and Brent jumped one of those hours. It took the other four boys to jump the other two hours. His mother, Sue, said Brent was so sore the next morning that he literally crawled out of bed! Brent's other grandparents are Charles and Betty Vaughan.

I am happy to report that Steve Eberling (Vicki Vaughan's husband) is improving slowly in Dallas. He broke all medical records at Baylor Hospital by overcoming some of his ailments. Mike, J. Carol, Blair and Mickael Parsons of Dallas, Dale and Amal Parsons of Dallas, Jim and Rhonda Murphree of Friona visited with Percy and Margaret Parsons of Dimmitt recently. They reported a great time! Barry and Stephanie Love, George and Carolyn Sides, V. C. and Dorothy Hopson, Bill and Deanne Clark, Cindy, Todd and Rodney McDaniel went to Lubbock to the Caprock tournament. On New Years Eve they took in a midnight movie, spent the

# DEAR GOD

Dear God... that's how this boy begins his prayers. How do you begin yours? Is God dear to you and near to you, or are you a wayward son who has strayed so long from home that you have forgotten your Father's address. No mind, He has not forgotten you, nor ceased to care for you. "Fear not, for I have redeemed you; I have called you by name, you are mine." We may forget this, but He never does.

He invites every straying son to come home today and learn again to say, "Dear God."

Go while it is day to His house and claim your sonship for the night cometh in which no man can find the way.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

Is something wrong with your life—  
an inner restless dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and reassure.  
Through the church God has committed the provision and redemption of His forgiveness and redemption of love. Without a church relation no one is securely related to God. Everyone should be in the Church and the Church in everyone!

**15—LEGAL NOTICES**

**LEGAL NOTICE**  
**PUBLIC NOTICE**  
The supplemental report of the required audit of the Revenue Sharing fund of Castro County, Texas, is now available for the news media and the public. This report is available in the office of Mrs. M. L. Simpson, Jr., Castro County Judge. 15-18-1tc

**Laney is appointed**

Texas State Representative for the 85th District Pete Laney of Hale Center has been assigned to two committee posts for the duration of the 68th Legislative Session.

He serves as chairman of the State Affairs Committee, which has 14 other members. He was also named to the House Administration Committee (Procedural), along with eight other members.

Under changes to its rules adopted by members recently, the legislature increased the number of standing committees from 31 in 1981 to 33.

The new committee assignments, according to Speaker Gibson D. "Gib" Lewis, better reflect the interests of the members and the constituency they represent.

Agriculture and Livestock, for example, is now made up entirely of House members from rural areas, while the Urban Affairs Committee is made up exclusively of urban members.

However, on committees that will be handling legislation of statewide importance and concern, the rural-urban membership is as nearly evenly divided as it can be with the usually nine-member panels.

**Herrera is in Alaska**

Army Pvt. Frank Herrera, son of Pablo and Susie Herrera of Dimmitt, participated in Brim Frost 1983, a U.S. Readiness Command joint-service exercise held in Alaska.

The exercise is designed to test and evaluate active and reserve component commanders in joint procedures and tactics. It also gauges their ability to function in an arctic environment.

Exercise participants were personnel from Army and Air Force units already assigned to Alaska, a Canadian light infantry battalion, soldiers from Fort Lewis, Wash., and available at the Maintenance Fort Campbell, Ky., and Office for the above mentioned reservists and national counties and at the office of William M. Pope, Asst. District Engineer, 601 Slaton Road, Lubbock, Texas. Usual rights reserved. 15-18-2tc

Herrera is a portable air defense system crewman with the 9th Infantry Division at Fort Lewis.

He is a 1982 graduate of Dimmitt High School.

**Bentsen aids hike in gas-tax returns**

Texas will benefit most — an additional \$135 million — from the guaranteed 85% return to states of increased federal gasoline taxes, through a compromise won by US Sen. Lloyd Bentsen and approved by the Senate.

The five-cent-per-gallon increase in federal gasoline taxes was part of a highway funding bill, amended earlier by Bentsen to provide the 85% minimum return to states from the Highway Trust Fund for every dollar paid in federal gasoline taxes.

Bentsen, ranking Democrat on the Transportation Subcommittee, had earlier insisted on and won administration backing for his proposal.

Since the Highway Trust Fund was established in 1956, Texas has gotten back 76% of its contributions to the fund, making it the second largest "donor" state.

The \$135 million Texas will receive, to raise it from the original \$615 million funding level to the 85% return level of \$750 million, may be used as the state pleases on highway-related projects. This "discretionary" amount is projected to increase to \$191 million in 1984.

Having this pool of discretionary highway funds will greatly benefit Texas. My state will be able to use it on construction or repair of highways or bridges, wherever it is needed the most," Bentsen said.

"This is the largest funding level in history for highway programs. I am satisfied that the bill includes compromises that will provide at least a fair return to states like Texas that traditionally have given more than their share to the construction and maintenance of our nation's highways."

"Cities in Texas needing to establish rail mass transit systems also will be able to get a share of federal transit aid, something they couldn't have gotten in the original bill. As I've said before, this is a user tax and it's only fair it should be used to benefit the people who pay it," Sen. Bentsen said.

# DSEC picks nominees

The 1983 Nominating Committee of Deaf Smith Electric Cooperative met recently in the REC Headquarters Building in Hereford and selected several members to run for two places on the Cooperative's Board of Directors.

Selected to represent Deaf Smith County were incumbent Jerry L. Roberts and Mickey Wilson; selected to represent Farmer County are A. W. Anthony Jr., incumbent, and Donald Christian. The Committee also encourages nominations from the floor at the 1983 Annual Membership Meeting, which will be held March 5 in the Bull Barn in Hereford.

Comprising this year's nominating committee are Bruce Fuller of Dimmitt, Tony Acker of Nazareth, Mrs. Argen Draper, Raymond Higginbotham, and Buster Miller, all of Hereford, and Bill W. Carthel and Lawrence Martin, both of Friona.

MIDDLE SCHOOL STUDENTS GATHER ON 'SNOW MOUNTAIN' Before classes Monday morning

## More about

[Continued from Page 2] night and awakened to a 10-inch snow. They hurried to get underway to get back to good ole Dimmitt!

Some of the "Good Neighbors" during the snow were: Travis Hampton, Carter Townsend, Ray Nelson, Don Carpenter, Corky and Greg Nelson and David Hays. These men used their tractors to shovel snow off the driveways. My "good neighbors" were the Murdocks who had to use shovels - Wanda, Bobby and Brad (Debbie helps when she is in town.) I was visiting with Verbie Nelson and she said they were among the group to go to Tulia to the ballgame on Saturday night. As far as she knew, there were no accidents due to the snow. Debbie Murdock and Jeff Meador from Amarillo met her parents, Bobby and Wanda, and Brad Murdock and Dina Heard, at the ballgame in Tulia.

# Round dance to open Heart Fund benefit

Toe-tapping will begin at 7 p.m. Feb. 5 in the Dimmitt Promenaders' benefit dance for the Heart Fund, with round dances preceding the Grand March, which is scheduled at 8 p.m. in the County Expo Center.

Admission will be by donation, with all proceeds going to the fund for heart-related needs. Door prizes donated by local merchants will be given and a concession stand will have refreshments available. There will also be an auction of homemade crafts.

Callers for the dance will be Johnny Gillenwater of Tulia, Freddie McKee and Tom Auldridge of Amarillo, and Sid Perkins of Plainview. Leonard and Arlene Marchbanks of Amarillo will cue the rounds.

Dancers are expected from clubs throughout the area. In addition to those wishing to join in the dancing, spectators

are invited and assured of plenty of room to sit and watch the brightly-costumed dancers swing through the figures.

"All are urged to come enjoy the festivities and help with this worthy cause," a spokesman said.

### Meeting is set

The American Energy Farming Systems of Minnesota will hold an organizational meeting for area farmers interested in growing artichokes.

The meeting is set for Saturday at noon in Ann's Cafe in Dimmitt.

Anyone interested is encouraged to attend.

"THE Devil and his dam" is an old saying meaning the Devil and everything worse.

# Two make TSTI list

Texas State Technical Institute of Amarillo recently named Randall E. Barringer and Pedro Alberto Gonzales to the Vice-President's Honor Roll, according to Ron DeSpain, general manager of the Amarillo campus.

Membership to the Vice-President's Honor Roll is attained by maintaining a 3.5 grade average.

Barringer is majoring in mechanical electrical technology. The son of Mr. and Mrs. Roy E. Barringer of Dimmitt, Barringer, of Amarillo, is a graduate of Highland High School in Albuquerque, N.M.

Gonzales, the son of Pedro

and Gloria Gonzales of Dimmitt, is majoring in commercial art in advertising. He is a graduate of Nazareth High School.

## STAND to meet

S.T.A.N.D. (Serious Texans Against Nuclear Dumping) will hold a public meeting today (Thursday) at 7 p.m. in the Swisher Memorial Building in Tulia.

Guest speakers for the meeting will be Don Hancock with the Southwest Research and Information Center in Albuquerque, N.M., and Dr. Mike Wenzler with the Texas Tech University School of Medicine.

Hancock will address issues relating to area geologic characterization studies and the socioeconomic impacts of high level nuclear waste sites. Dr. Wenzler will discuss the necessary training requirements to prepare both medical and lay personnel for emergency action should an accident involving high-level nuclear waste occur.

S.T.A.N.D. was formed in November of 1981 when residents of Swisher County became aware that the area was being considered by the Department of Energy as a potential site for a high level nuclear waste repository. S.T.A.N.D. has since held several public information

meetings and most recently sponsored two delegates who attended the National Waste Terminal Storage Conference in Las Vegas, Nevada.

The organization's most immediate priority is to solicit the aid of both local and state elected officials to strengthen existing Texas state legislation, which S.T.A.N.D. considers to be totally inadequate and which does not protect either the health or economic safety of Texas citizens who would be affected by the location of a high level nuclear waste repository in this state.

## Griffin is named Texas SCS head

Billy C. Griffin was named state conservationist for the USDA Soil Conservation Service in Texas effective Jan. 9. Griffin has been state conservationist for Mississippi since January 1981. A native of Waelder, Texas (Gonzales County), Griffin is a 1950 graduate of Southwest Texas State University where he received a Bachelor of Science degree in Agricultural Education.

After serving in the U. S. Army during the Korean Conflict (25th Infantry Division), he began his conservation career in 1954 at Stephenville. He then worked at Bandera, San Antonio, and Pecos be-

## Seminar to be in Hereford

A Conservation Tillage Seminar will be held at Hereford Feb. 9-10, a local conservation leader said this week.

Gary Rainwater, district conservationist for the USDA Soil Conservation Service at Dimmitt, said the two-day meeting will be held at the Bull Barn in Hereford.

Although final plans are incomplete, several farmers have been invited to be on the program, as well as representatives of chemical and equipment companies. Conservation tillage equipment will also be displayed.

fore moving to Temple in 1972 where he was an area conservationist and assistant state conservationist. He was promoted to deputy state conservationist in Mississippi from 1976 to 1981. Griffin received awards for outstanding work in 1965, 1968, 1973, 1978, 1980 and 1982. He replaces George C. Marks who retired.

## Apply now for turkey hunt

Applications for spring turkey gobbler hunts on four wildlife management areas operated by the Texas Parks and Wildlife Department are now available.

A total of 172 permits will be drawn for: Engeling WMA, 20 miles northwest of Palestine in Anderson County; Gene Howe WMA, six miles east of Canadian in Hemphill County; Kerr WMA, 11 miles west of Hunt in Kerr County; and Matador WMA, 11 miles north of Paducah, Cottle County.

Hunts will be held during April and will be limited to those who successfully draw out at the public drawing to be held at 10 a.m. on Feb. 17 at department headquarters in Austin.

Deadline for receiving completed applications in Austin

is 5 p.m. Feb. 14. Applications may be obtained by writing to the department at 4200 Smith School Road, Austin, 78744 or by calling the toll-free information line, 1-800-792-1112.

## Prison film rescheduled

The showing of the film "God's Prison Gang," scheduled for last Sunday at the First Christian Church of Dimmitt, was postponed because of the weather, and will be shown Sunday at 7 p.m. in the church auditorium at 600 Western Circle Dr.

Roy E. Barringer, minister of the congregation, said that the public is invited to attend the film, which depicts the work of International Prison Ministry.

The film is narrated by Art Linkletter and features George Myer, Al Capone's favorite driver; Floyd Hamilton, the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted of crimes from drugs and robbery to murder.

Head of the International Prison Ministry, "Chaplain Ray," will also be featured in the 44-minute film.

"What'd folks plant around here this year?"  
"They planted a lot of XL-73 and XL-72aa."

**"Which did better... the XL-73 or the XL-72aa?"**

"To tell you the truth, Herb, it was kind of a toss-up. Both are consistent, high-yielding numbers. Can't beat that XL-73 for top grain quality."

"Will you plant them again next year?"  
"I sure will. The way they yield and stand up to the weather, I can't afford not to."

"What will you back 'em up with?"

"I really like the way T1230 looks. I think I'll go with it."

"How do you think that mix will work out?"

"Should work out great. First of all, it'll let me spread the risk. And then too, plantin' several different maturities will sure take some of the pressure off at harvest time. Anyway, each of these numbers comes with a darn good track record."

"How good?"

"Tell you what, Herb, you guys keep supplying my dealer with hybrids like these, and he won't hear any complaints from me."

Herb Brown, Corn Product Manager for DEKALB-PFIZER GENETICS, talks with local corn grower about top-yielding hybrids.

# Questions, answers on PIK program

**First of a Series**  
[Editor's Note: These questions and answers on the general operation of the federal government's new Payment-in-Kind, or PIK, program, were compiled by the US Dept. of Agriculture. Ray Joe Riley of Sunnyside secured this information from the USDA while in Washington shortly after the new program was announced. Specific parts of the PIK program are still subject to revision.]

79; world wheat consumption, which had been increasing at an average 10 mmt per year since 1960, has been flat since 1979-80.

**-STRONG U.S. DOLLAR.** The value of the US dollar relative to 10 major currencies is at its highest level since 1969. The increasing value of the dollar has actually increased the price of our commodities in terms of foreign currencies despite the decline in prices in US dollar terms.

**-FINANCIAL PLIGHT OF MAJOR IMPORTERS.** Financial problems of a number of middle income countries, which represent a significant portion of the foreign demand for U.S. farm products, have impacted on our export potential.

When will farm operators be able to sign up in the program?

Signup will begin Jan. 24 and end March 11, 1983. The end of signup for the previously announced acreage reduction and land diversion programs will be advanced to also end on March 11.

Why is the ending signup date for the previously announced programs being changed?

We need to have signup in the acreage reduction and land diversion programs complete before the county ASC committees begin to evaluate the bids received under the whole base PIK diversion. Setting an early date permits producers to make their farming plans on a timely basis.

What are the objectives of the PIK program?

- Reduce stocks while cutting production, lessening the overhang on the market in future years and enhancing prospects for a market-led recovery in farm prices.
- Maintain supplies in marketplace, showing the US intends to be a reliable supplier abroad.
- Minimize CCC loan forfeitures by utilizing commodities under outstanding regular loans for PIK compensation.
- To reduce Farmer-Owned Reserve (FOR) stocks to more desirable levels by utilizing these stocks for PIK compensation.
- To promote farm income while at the same time reducing costs to the Federal Government and, thus, to US taxpayers.
- To lessen storage space problems.

Why not a larger paid diversion program instead of the PIK?

A larger paid diversion program would be more costly than the PIK program, and would not accomplish the objective of sharply reducing the FOR and government inventories. The PIK program is the most cost-effective program for reducing stocks, and getting the agriculture sector on the road to recovery.

Does the PIK program change any aspects of the previously announced programs?

No. All provisions of the acreage reduction and land diversion programs as previously announced will apply for farms that participate in the PIK program.

Who is eligible to participate in the PIK program?

Producers on any farm for which an 1983 acreage base and yield has been established for wheat, corn and sorghum, rice, and upland cotton under the previously announced programs.

How were the 1983 acreage bases established?

The Omnibus Budget Reconciliation Act of 1982 requires that the bases for wheat, feed grains, and rice for 1983 be the same as those established for the farm for 1982, adjusted to reflect crop rotations and other factors the Secretary determines should be considered in determining a fair and equitable base. The upland cotton acreage bases for farms that participated in the 1982 cotton program or reported zero planted acreage will be the same as the 1982 base. For other cotton farms, the base will be the average of the cotton acreage on the farm in 1981 and 1982.

If a farm is participating in the program for a commodity, but the acreage base is underplanted, what happens to the 1984 acreage base?

The farm's 1984 acreage base will not be reduced due to under planting in 1983.

What are the percentages of the farm yield under the 10-30 PIK diversion?

Wheat is 95%. Corn, grain sorghum, upland cotton and rice are all 80%.

Why is the wheat PIK set at 95% of the farm yield while the PIK for other commodities is set at 80%?

Wheat is the only fall-seeded crop eligible for PIK. These producers have already incurred substantial costs to plant the crop, which is not generally true for spring-seeded crops. While some wheat is spring-seeded, it would be impracticable to have different percentages for fall and spring-seeded wheat since both may be planted in the same area.

Why were barley and oats not included in the PIK program?

The relatively low Farmer-Owned Reserve (FOR), regular loan and CCC stocks available for PIK would make an effective program impracticable. Current estimates of acreage under the announced program indicate that oat stocks will be near desired levels and barley only slightly above desirable levels. Be-

cause barley and oat market prices are normally influenced by corn prices, a significant reduction in corn stocks under PIK should also benefit oat and barley prices.

What must be done to enroll in the PIK program?

The farm operator will be required to enroll the farm in the acreage reduction (ARP) and land diversion programs and sign a contract with the county ASCS office agreeing to reduce the acres of the crops for harvest by the percent desired above the previously announced program.

What can the farm operator sign up for under the PIK program?

For PIK diversion, the farm operator may sign up to divert a part of the crop acreage base (any amount that is no-

less than 10% or more than 30% of the crop acreage base) or bid to divert the whole crop acreage base.

## MONEY ACCESS MANAGEMENT ACCOUNT

Hereford Texas Federal Credit Union announces the introduction of a unique investment opportunity which earns Money Market Mutual Fund rates with no interest penalty for withdrawal.

It's called the MONEY ACCESS MANAGEMENT ACCOUNT (MAMA) and there is no minimum investment period, no sales charges or any other commissions or fees.

### HIGH YIELD

Depositors earn high yield rates similar to those paid by Money Market Mutual Funds. Rates will change monthly and information concerning rates may be obtained at the Credit Union office.

There is a \$2,500.00 minimum balance required and additional deposits may be made in any amount of \$250.00 or more.

### EASY ACCESS

There is never an interest penalty for early withdrawal. Depositors may make withdrawals of \$500.00 or more.

### STABILITY

As is true with all Hereford Texas Federal Credit Union accounts each member account is insured to \$100,000.00 by an agency of the Federal Government.

Come by and visit with us and give us an opportunity to serve you.

## Textbook hearing is set in Austin

A public hearing on the textbook selection process in Texas will be held in Austin Feb. 5 by a State Board of Education ad hoc committee. The hearing will begin at 8:30 a.m. in the Board room at Texas Education Agency North, 1200 East Anderson Lane.

State Board of Education chairman Joe Kelly Butler of Houston, who appointed the 13-member committee at the Board's Jan. 8 meeting, said the hearing is open to anyone who wants to speak about the textbook selection process but emphasized that the merits of individual texts or educational philosophies were not germane to the committee's work.

Individuals or group representatives who want to speak at the public hearing should register by Feb. 1 with Mrs. Cis Myers, deputy commissioner of Interagency Coordination, Policy Development, and Communications Services at the Texas Education Agency, 201 East 11th Street, Austin, 78701, 512/475-4536.

Written testimony may be presented in place of or in addition to oral testimony. Both oral and written testimony must be limited to the textbook selection process. The committee reserves the right to limit the time on oral testimony in order to hear all those who have registered to speak.

Butler, who is the committee chairman, said that a lack of public understanding has caused the state's textbook selection process to become surrounded by controversy. "A strong need exists for the textbook selection process to be examined by State Board of Education members," he said.

He said that problems identified with the textbook selection process could possibly be addressed on a piecemeal basis, but "It is my opinion that a full in-depth examination should well eliminate the necessity of this type of correction." The textbook proclamation, public hearings and reimbursement of textbook com-

mittee members are some of the issues the committee is expected to examine. Another aspect of the textbook selection process that concerns Butler is the apparent lack of time between the Board's adoption of the textbook proclamation and the delivery of the actual textbooks that address the proclamation. "I would hope the committee will consider recommending a greater length of time to be available for publishers to submit textbooks which address the State Board of Education proclamation mandates," he said.

In addition to Butler, other Board members serving on the ad hoc committee are Manual B. Bravo Jr. of Laredo, 23rd Congressional District; Will D. Davis of Austin, 10th Congressional District; William Fetter of La Marque, 9th Congressional District; Wayne Frederick of Orange, 2nd Congressional District; E. R. "Bob" Gregg Jr. of Jacksonville, 1st Congressional District; Kent Grusendorf of Arlington, 26th Congressional District; Dr. William Kemp of Houston, 8th Congressional District; Mrs. Mary Ann Leveridge of East Bernard, 14th Congressional District; Dr. H. Reginald McDaniel of Dallas, 3rd Congressional District; Carroll Teague of Pasadena, 25th Congressional District; Wayne Windle of El Paso, 16th Congressional District; and James H. Whiteside of Lubbock, 19th Congressional District.

## Rodeo group will meet

The Dimmitt Rodeo Association will meet tonight (Thursday) at 8 at Ann's Steak House.

Officers for 1983 will be elected and there will be a discussion on what will be done with the rodeo arena. Anyone interested is invited, and all members are encouraged to attend.

**Letters**  
**Thank you, 'Tractor Brigade'**

Dear Editor:  
I feel we owe a great big thank-you and a lot of appreciation to our farm friends and neighbors. Without their help this last weekend, our town would still be under a foot-and-a-half of snow.  
I am confident there were as many as 15 to 20 tractors and blades removing snow from driveways and parking lots, not to mention all of the tractors that ran up and down the streets, making it possible to get to and from our work and businesses.  
I, for one (and I know that all of our citizenry feel the same as I), thank you for your help.

BOB CADDELL

THE US has excellent forest resources, with growth per acre far exceeding that of Canada and Russia.

**Dimmitt Business and Industrial Review**

**WARNING:**

10% OF THE MONEY YOU EARN IN INTEREST IS GOING TO

**DISAPPEAR**

Recently, Congress quietly passed a withholding law that will cost American savers and investors the use of 10% of their interest and dividends.  
In simple terms, effective July 1st, 1983, this new law requires banks and other financial institutions to deduct 10% of the interest or dividends you earn on your savings and investments. That money then goes to the Internal Revenue Service in much the same way as payroll deductions are now handled.  
The sponsors of this law have told us it was designed to catch a small minority of Americans who evade taxes on their interest and dividends. But the truth is the law penalizes the great majority of America's savers and investors who pay their taxes faithfully. What's more, the federal government is now receiving all the necessary information to curtail tax cheating.  
Though the law does include exemptions for some low income and elderly Americans, if they go through the red tape of filing an application, most savers and investors will forfeit some of the money they could earn in compounded interest.  
We urge you to join our efforts by writing letters to your representative in Congress and to the two senators from this state. Tell them you want the 10% withholding tax repealed, because it would impose an unfair penalty on savers like yourself.  
For assistance in contacting your representative and senators please ask any of our bankers. If we all act now, Congress will get a clear message from the voters back home, and they will work to repeal this needless law.

CONGRESS WANTS A PIECE OF YOUR SAVINGS.

# WHAT THEY NEED IS A PIECE OF YOUR MIND.

Recently, Congress quietly passed a withholding law that will cost American savers and investors the use of 10% of their interest and dividends.

In simple terms, effective July 1st, 1983, this new law requires banks and other financial institutions to deduct 10% of the interest or dividends you earn on your savings and investments. That money then goes to the Internal Revenue Service in much the same way as payroll deductions are now handled.

The sponsors of this law have told us it was designed to catch a small minority of Americans who evade taxes on their interest and dividends. But the truth is the law penalizes the great majority of America's savers and investors who pay their taxes faithfully. What's more, the federal government is now receiving all the necessary information to curtail tax cheating.

Though the law does include exemptions for some low income and elderly Americans, if they go through the red tape of filing an application, most savers and investors will forfeit some of the money they could earn in compounded interest.

We urge you to join our efforts by writing letters to your representative in Congress and to the two senators from this state. Tell them you want the 10% withholding tax repealed, because it would impose an unfair penalty on savers like yourself.

For assistance in contacting your representative and senators please ask any of our bankers. If we all act now, Congress will get a clear message from the voters back home, and they will work to repeal this needless law.

## Swifts move to 4-0 mark

The Nazareth Swifts whalloped Sudan 60-29 Tuesday night in Nazareth to move to a 4-0 record in the District 6-A title race.

Mark Huseman led the Swifts' efforts with 21 points. Cousins Sidney and Chris Gerber also stepped in with 9 and 8 points, respectively.

Nazareth kept more than twice the score of Sudan in each quarter of the game. In the first quarter, the Swifts took 14 points, while Sudan answered with only 6. The second quarter saw Nazareth climb to 33, and Sudan gained to 16 points. After the half, Nazareth moved up to 46, while Sudan only added 5 to give them 21.

Sudan's scoring was led by Perry Kent with 9, and Lester King with 8.

Nazareth is now 13-6 for the season and 4-0 in district. Their next game is tonight (Thursday) with Lazbuddie, there, followed by a game Friday at Happy.

## Sarpalius gets committee seats

Lieutenant Governor Bill Hobby announced at the opening of the 68th Legislative Session that he is appointing State Senator Bill Sarpalius as a member of the Education Committee, the Natural Resources Committee and the State Affairs Committee.

"I am pleased to be able to call on Senator Sarpalius' ex-

perience and knowledge in this session of the Legislature to help on these important committees," Hobby said of the appointments.

Sarpalius, from Hereford, served on the Economic Development Committee, the Human Resources Committee and the National Resources Committee in the 67th Legislative Session.

# Swarming Swiftettes edge Sudan in thriller

By BRENDA SCHULTE

Act 1 of the Nazareth vs. Sudan drama Tuesday night was as full of surprises as it was tension.

The Swiftettes shot only 36% from the field to Sudan's 73%. And Nazareth lost the important rebounding battle by a big 22-9 margin.

But the Swiftettes won where it counted — on the scoreboard, by a scant two points, 37-35.

It was Nazareth's swarming "pickpocket" defense that made all the difference.

The first District 6-A showdown between the state's two top-ranked teams was played before an overflow crowd of 700 in the NHS gym.

Nazareth's redeeming grace was its full court pressure defense and some clutch freethrow shooting by Leona Gerber.

The Swiftette man-to-man effort forced 26 Sudan turnovers, compared to 8 for Nazareth. That helped erase Sudan's edge in rebounding and shooting percentage, and kept the Swiftettes in the game.

Leona Gerber sank two charity shots with 28 seconds left in the game, to give Nazareth a 36-33 edge. She made another free throw with three seconds remaining to end the scoring in the game.

Sudan led most of the game, by margins ranging from one to eight points.

With 4:40 left in the game, Nazareth's Ramona Heiman sank a 12-foot jumper, giving the Swiftettes a 30-29 edge, a lead they never lost.

Rhonda Hoelting and Sharon Birkenfeld led the Swiftette defensive charge, as they each forced five turnovers from Sudan's ballhandlers.

Birkenfeld teamed with Gerber to hold all-stater Lisa Wood to only 8 points, well below her 23 point-per-game average.

Sudan shot only 23 field goals in the game, but they hit 8 of 12, and 8 of 11 in each half. The Swiftettes hit only 6 of 21 from the field in the first half and 7 of 15 in the second (for 36%), well below their usual 54% field goal shooting average.

Both teams had 12 fouls. However, the Swiftettes went to the charity line 16 times, hitting 11, while Sudan shot only five free throws, and made three. Nazareth hit 7 of 8 charity shots in the final quarter.

Nazareth post Shari Schilling led all scorers with 11 points. She also grabbed five of Nazareth's nine rebounds.

Nine of her 11 points came in the second stanza, when the 5-9 post came off the bench to score eight points in the final three minutes of that stanza to help the Swiftettes overcome a 15-8 deficit.

Nazareth coach Joe Lombard

said that was the turning point in the game. "Shari came off the bench and scored eight quick points, and at that point our defense became more aggressive and picked up in intensity," he said.

Sharla Harrison, a 6-0 post, led the Hornettes with 10 points and 13 rebounds.

The win leaves Nazareth, 20-2, on the year, and 4-0 in district play.

The loss was Sudan's second of the season, and its seventh in four years to Nazareth. The Lady Hornets have lost eight games in three years, six of them to Nazareth. They are now 21-2 and 3-1 in District.

Lombard said his team's pressure defense and the kids coming off the bench, made the difference in the game Tuesday.

"Fifteen of our 37 points were scored by kids coming off the bench," he said. "I think our defense wore Sudan down a little and forced the turnovers, and we couldn't have won without the turnovers."

Lombard said the depth provided by the players coming off the bench enabled him to rest his players and "keep the pressure applied on defense."

The two teams meet again Feb. 11 at Sudan and are predicted to meet in the Region I finals in Levelland later.

## The Castro County News

# SPORTS

### Hart girls ready for Olton rematch

Hart's Lady Longhorns will host Olton Tuesday night with fire in their eyes.

It will be their third meeting, and Hart has yet to win over the Fillies, although they've come oh-so-close.

In their first meeting (in the championship game of the Lazbuddie Tournament), Olton won by four points in a double overtime.

In the first conference game between the two teams, played at Olton, the Lady Longhorns built an eight-point halftime lead, only to hit a cold streak in the second half and lose by 10.

The Fillies appeared to be en route to a 5-0 conference record going into Tuesday night's game, while the Lady Longhorns are expected to take a 4-1 record into the match.

(Olton was to play Kress Wednesday night and Hart will meet Springlake-Earth tonight in make-up games. Kress and S-E are both out of the district running.)

A victory over Olton would give the Lady Longhorns a

chance to at least share the district championship for the first time ever.

However, it isn't just a two-team race, Hart Coach Ken Hoskins cautioned.

"Bovina is also a big factor," Hoskins said. "They lost to Olton by four points in an overtime Tuesday night, so anything can still happen. It's still a race."

The Lady Longhorns topped Bovina by nine points in their first meeting at Hart, but must still play the Lady Mustangs again in Bovina.

While admitting that the Olton game Tuesday night will be a biggie, Hoskins said, "Of course, right now we're not looking past Farwell Friday night — we can't afford to. They've kinda been up and down this year, but they've got some big girls and could be a spoiler in our district."

Hart goes into tonight's game sporting a 14-4 overall record.

# Cats keep rolling; prep for Abernathy

Dimmitt's Bobcats waxed Tulia 95-36 and Friona 91-46 during the week to virtually wrap up the first-half title in District 2-AAA.

The Cats will travel to Muleshoe Friday for their final game of the first-half district round-robin. The Mules are 1-2 in district play going into a make-up game tonight (Thursday) against powerful Abernathy.

The second half of loop play will start with a bang when Abernathy's Antelopes come calling Tuesday night.

The Antelopes — ranked No. 2 behind Dimmitt in the region — have played the Bobcats closer than any other Class AAA team so far this year. In the first meeting of the two powerhouses Feb. 1 at Abernathy, the Antelopes pulled within a basket during a fierce second-half charge before the Bobcats rallied for a 74-65 win.

Dimmitt Middle School gym expected to be packed to the rafters for Tuesday night's game.

Two gyms will be used again Tuesday night for the junior varsity games, with the boys playing at the middle school and the girls at the high school.

The Bobbies will take on the powerful Lady Lopes at 6:30.

"I don't look for (the Antelopes) to change their game plan," Coach Kenneth Cleveland said. "I look for them to try to get our people in foul trouble, which they did when we played them over at Abernathy. They feel that if they can get us in foul trouble they can beat us. They were successful in doing that at Abernathy, and I think they'll try the same thing over here."

Followed by a surprisingly good cluster of hardy fans, the Bobcats traveled through the snow and slush to Tulia Saturday night for their snow-delayed meeting with the Hornets, and came away with an easy 95-36 win. All five Dimmitt starters scored in double figures as Kevin Cleveland led the way with 18, while John King paced the rebounding and Fermin Gonzales led in floor-play credits.

Tuesday night it was Friona's turn to go through the Dimmitt Kwik-Wax Shop as the Bobcats prevailed, 91-46. It was the third game in a row for the Bobcats to top the 90-point mark.

Cleveland led Dimmitt's scoring with 22, while King scored 17 points, grabbed 11 rebounds and rang up nine credits. Gonzales scored 11 and led in floor play with 12

credits. Jeff Watts tied for rebounding honors with 11.

After seeing his team score 98, 95 and 91 in their last three games, the coach commented, "It would be real easy for our kids to get careless, but that hasn't been the case. They've been playing just as hard, no matter who they're playing, and I think that's a credit to the team."

### Bobbies fall to Friona

The Bobbies lost a two-overtime squeaker to Friona Tuesday night in Dimmitt, leaving them with a 1-4 first half District 2-AAA finish.

They begin the second half of district action Friday when they play at Muleshoe.

Freethrow shooting in the two overtimes helped the Squaws to a 53-50 win.

"They went to the free throw line several times in the overtimes and made their shots," said Bobbie coach Jimmy Hoyle. "We went to the line several times, too, but we didn't make ours."

The Bobbies, now 7-14 on the year, were led by Toby Tischler with 21 points and nine rebounds. Shawn Jackson, Dimmitt's top scorer, sat out most of the game due to fouls.

# Obituaries

## Beulah M. McMurry

Funeral services for Beulah Mae McMurry, 89, of Dimmitt were held Wednesday afternoon in Parsons Funeral Home Chapel in Dimmitt. Ministers officiating were Rev. John Street, pastor of First Baptist Church of Dimmitt, and Rev. Ronnie Travis, pastor of Lee Street Baptist Church of Dimmitt.

Burial followed in Castro Memorial Gardens under the direction of Parsons Funeral Home of Dimmitt.

Mrs. McMurry died at 11:50 a.m. Monday in Plains Memorial Hospital after an illness. She had resided in South Hills Manor Nursing Home in Dimmitt for the past 16 years.

Born June 5, 1893 in Windom, she married Benjamin Harrison Bowling there in 1912. He died in 1935. In 1945, she married R. B. McMurry in Memphis. He died in 1975.

Mrs. McMurry was a member of the Lee Street Baptist Church.

Survivors include a daughter, Oleta Gollehon of Dimmitt; a son, John Bowling of Dallas; a sister, Mrs. Ernest Lee of Windom; four grandchildren; eight great-grandchildren; and a great-great-grandchild.

Pallbearers were N. A. Bryson, Morgan Dennis, Ivor Bagwell, Gene Ivey, Buster Morgan, and Elmer Youts.

## Hooper Shaw

Funeral services for Hooper Shaw, 72, of Mount Pleasant are set for 10 a.m. today (Thursday) in the Bates-Cooper-Weems Funeral Home Chapel in Mount Pleasant. Mr. Shaw is a former Dimmitt resident.

Rev. Mike Bowen, pastor of Pleasant Grove Baptist Church of Mount Pleasant, will officiate, assisted by Rev. O. U. Slayton and Rev. Virgle Fielden.

The body will lie in state at Parsons Funeral Home of Dimmitt Friday morning, before graveside services at 3 p.m. at Castro Memorial Gardens in Dimmitt. Rev. Bowen will officiate. Burial will be under the direction of Bates-Cooper-Weems Funeral Home.

Mr. Shaw died at 9:30 a.m. Tuesday in the Titus County Memorial Hospital in Mount Pleasant. He had been a resident of Mount Pleasant for the last eight or nine years, having moved there from Dimmitt. He was born Sept. 25, 1910 in Pulaski, Tenn.

His wife, Phoebe, preceded him in death on Dec. 27, 1980. He was a deacon of the Pleasant Grove Baptist Church and was a member of the Dimmitt Odd Fellow Lodge.

Survivors include a daughter, Mrs. Bobbie Ann Richburg of Mount Pleasant; four grandchildren, Marion Williams of Amarillo, DeAnn Emry of Mount Pleasant, Terry Lee Jerrell of Memphis, and Susie Shaw Wegart; four great-grandchildren; and a brother, Virgil of Tulia.

## Lizzie Birkenfeld

Lizzie Birkenfeld, 85, of Nazareth died at 3 p.m. Saturday in Swisher Memorial Hospital in Tulia, where she had been admitted Jan. 19.

Rosary was said Monday at 7 p.m. in the C.C.D. building in Nazareth, and the funeral Mass was held at 11 a.m. Tuesday in Holy Family Catholic Church of Nazareth, with Rev. Harold Waldow, pastor, officiating.

Burial followed in Holy Family Cemetery, under the direction of Wallace Funeral Home of Tulia.

Born Elizabeth Mary Leinen on June 2, 1897 in Crown Point, Ind., she came to Nazareth in 1908. She married Ben Birkenfeld on May 9, 1916 in Nazareth. He died in 1941. She was also preceded in death by a son, Walter, who died in 1946.

She was a member of the Holy Family Church, the Christian Mothers, Catholic Daughters of America, Third Order of St. Francis, and the Order of Martha, and was a member of Catholic Life.

She is survived by five daughters, Petronilla and Marcella of the home, Mary Hoelting of Olpe, Kan., Juliana Brockman of Plainview and Dora Pohlmeier of Nazareth; two sons, John of Hereford and Thomas of San Antonio; 37 grandchildren; and 63 great-grandchildren.

Grandsons served as pallbearers.

# Three are honored

The 1983 edition of WHO'S WHO IN MUSIC will carry

the names of 3 students from Dimmitt High School, who have been selected as being among the country's most outstanding campus leaders.

## Three men are found guilty

In 64th District Court the past week, a man was sentenced to 20 years in the Texas Department of Corrections, and two men pled guilty and were sentenced to five years' probation.

George Leland Walker, 23, of Dimmitt was found guilty of burglary of a habitation with intent to commit rape, in connection with a Sept. 19 incident in Southwest Dimmitt.

County/District Attorney Jimmy Davis said that the nine-man, three-woman jury deliberated for 20 minutes on the guilt phase, and 38 minutes on the punishment phase of the trial. Walker was sentenced to 20 years, but has appealed his case. Davis said Walker will be transferred to the TDC to await action on the appeal.

Two brothers, Douglas, 18, and Jesse, 19, Garibaldi of Dimmitt pled guilty to charges of burglary of a habitation in connection with the burglary of a mobile home belonging to Rocky Kay, located 17 miles northwest of Dimmitt.

Punishment for the two was assessed at five years of probation and a \$1,200 fine for each.

Judge Jack Miller presided at both trials.

The three are Shelly Denise Frye, Cynthia Denise Behrends and Krystal M. Scott.

Frye is a senior. A drum major for the band and a mallet player, she has earned All-Regional band honors for four years. She is the daughter of Mr. and Mrs. Kenneth Frye.

Behrends, a junior, is also a drum major. She is first chair clarinet, and has been named to the All-Region band for three years. She is the daughter of Mr. and Mrs. David Behrends.

First chair bassoon player, Scott is a junior and has made the All-Region band for three years. She is the daughter of Mr. and Mrs. Ben Scott.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and future potential.

They join an elite group of students selected from more than 1,300 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Outstanding students have been honored in the annual directory since it was first published in 1934.

WATCHING CLOSELY to see how Jackie Davis [lower center] administers the life-saving CPR [cardio-pulmonary resuscitation] technique are [from left] instructors Bill Conyers and Ricky Hargrove, and fellow learners Meredith Cleavinger and Reggie Laurent. The "victim" is a Resusci-Ann dummy designed especially for CPR training. These students are from a class of 16 who took a three-day course this week, led by five instructors from the Dimmitt Volunteer Fire Department in conjunction with the American Heart Association.

## Nelson makes Dean's List

David Nelson of Dimmitt qualified for the Dean's List during the 1982 fall semester at George Washington University, Washington, D.C.

Nelson, a junior majoring in international economics, compiled a grade-point average of 3.8 of a possible 4.0 while carrying a course load of 15 hours.

A 1980 graduate of Dimmitt High School, Nelson is the son of Don and Verbie Nelson, 1103 W. Bedford.

## Dera C. Jones

Graveside services for Dera Cone Jones, 84, of Amarillo were held Monday afternoon in Castro Memorial Gardens in Dimmitt. She was a former Dimmitt resident and a member of the First Baptist Church of Dimmitt.

Rev. John Street, pastor of the First Baptist Church of Dimmitt, officiated at the services. Burial was under the direction of Boxwell Brothers Funeral Directors of Amarillo.

Born in Cisco on Jan. 4, 1899, she resided in Amarillo for the past 17 years. She died last Thursday in a nursing home there.

She is survived by a brother, R. K. (Buck) Cone of Amarillo; a sister, Flossie E. Hunt of Florence, Ore.; and a nephew, Jack Cartwright of Dimmitt.

## Pictures by Jody

Specializing in Weddings, Weddings, portraits, anniversaries, reunions, commercial and industrial photography. Professionally schooled; member of four professional photographers' associations.

Call for appointment:  
627-4676, Tulia

## Hershel D. Smith

Funeral services for Hershel Don Smith, 30, of Anton were held Tuesday at the First United Methodist Church of Anton with Rev. Jim Johnson, pastor, officiating. Burial was in Anton Cemetery under the direction of Hammons Funeral Home of Littlefield.

Mr. Smith was the son of a Dimmitt man.

Smith was pronounced dead on FM 597 near Anton at about 7 p.m. Sunday by Justice of the Peace Dardie Williamson. His pickup truck collided with a stalled tractor-trailer rig on the farm-to-market road.

A native of Tahoka, he had moved to Anton six years ago. A Texas A&M graduate, Mr. Smith was the assistant manager of a feed lot.

He married Malva Teague on June 7, 1974.

Survivors include his wife; two daughters, Therin and Leah, both of the home; a son, Jay of the home; his father, J. W. Smith of Dimmitt; his mother, Roxie of Enid, Okla.; a brother, Jack of Austin; and a sister, Sherry of Montgomery.

# Rewards offered

Crime Line is offering \$400 this week for information concerning the two Spotlight Crimes.

A \$300 reward is offered for information about the theft of nine pigs from the Wade Mills farm five miles north of Hart on FM 168.

The hogs were taken sometime between Jan. 15 and 16 from pens located 1/4 mile north of the Mills residence.

The nine pigs were mixed breeds, mixed sizes, and slaughter size weighing from 100 to 150 pounds each. They had ear notches but no ear tags. The pigs were black and white, solid white, or solid black.

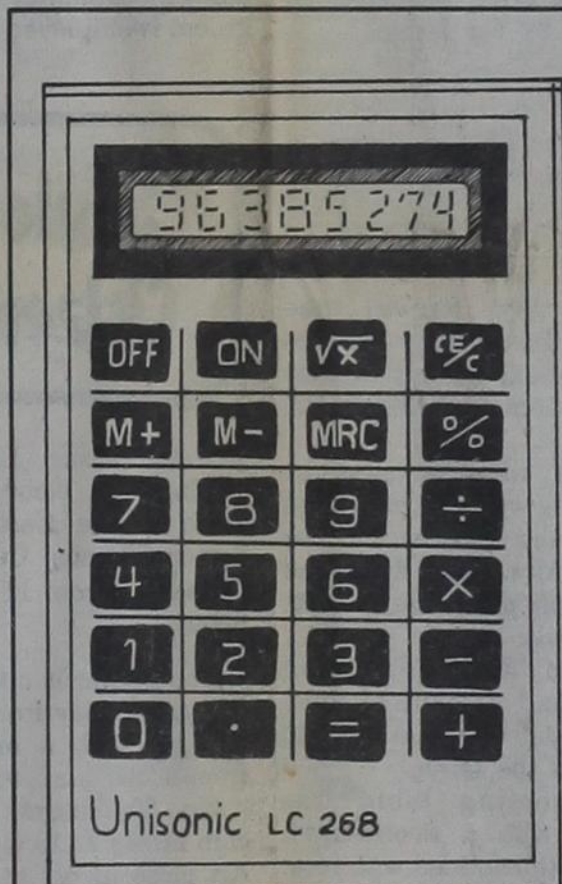

The approximate value of the stolen animals is \$1,350.

On Jan. 6, someone stole a set of four wire spoke hubcaps from a car belonging to Sam Ramirez. Ramirez was inside the Galan Cafe and his vehicle was parked outside when the theft occurred. A reward of \$100 is offered for information in this case.

If you have information about either of these crimes call Crime Line, 647-4711.

Mr. and Mrs. Lester McDermitt

### Couple to be feted on 50th anniversary

The children of Mr. and Mrs. Lester McDermitt will host a 50th wedding anniversary celebration for the couple on Sunday from 2 to 4 p.m. in the Senior Citizens' Center in Dimmitt.

All friends and relatives of the couple are invited to the celebration.

The family respectfully requests that no gifts be given.

Ettie Hall married Lester McDermitt on Jan. 28, 1933 in Clovis. They have lived in Dimmitt since about 1940. He is a retired bookkeeper, and she has been a nurse at Plains Memorial Hospital for about 35 years.

The couple had six children, but one is deceased. The others are Kenneth of Durant, Okla., Audrey Shottenkirk of Dimmitt, Betty Lassiter of Carrollton, Janie Walker of Leedy, Okla., and Doris Saul of Idalou.

### Presbyterian happenings

The weather situation in Dimmitt over the last weekend is described in Job 37:6-7: "God commands snow to fall on the earth... He brings the work of men to a stop; He shows them what He can do."

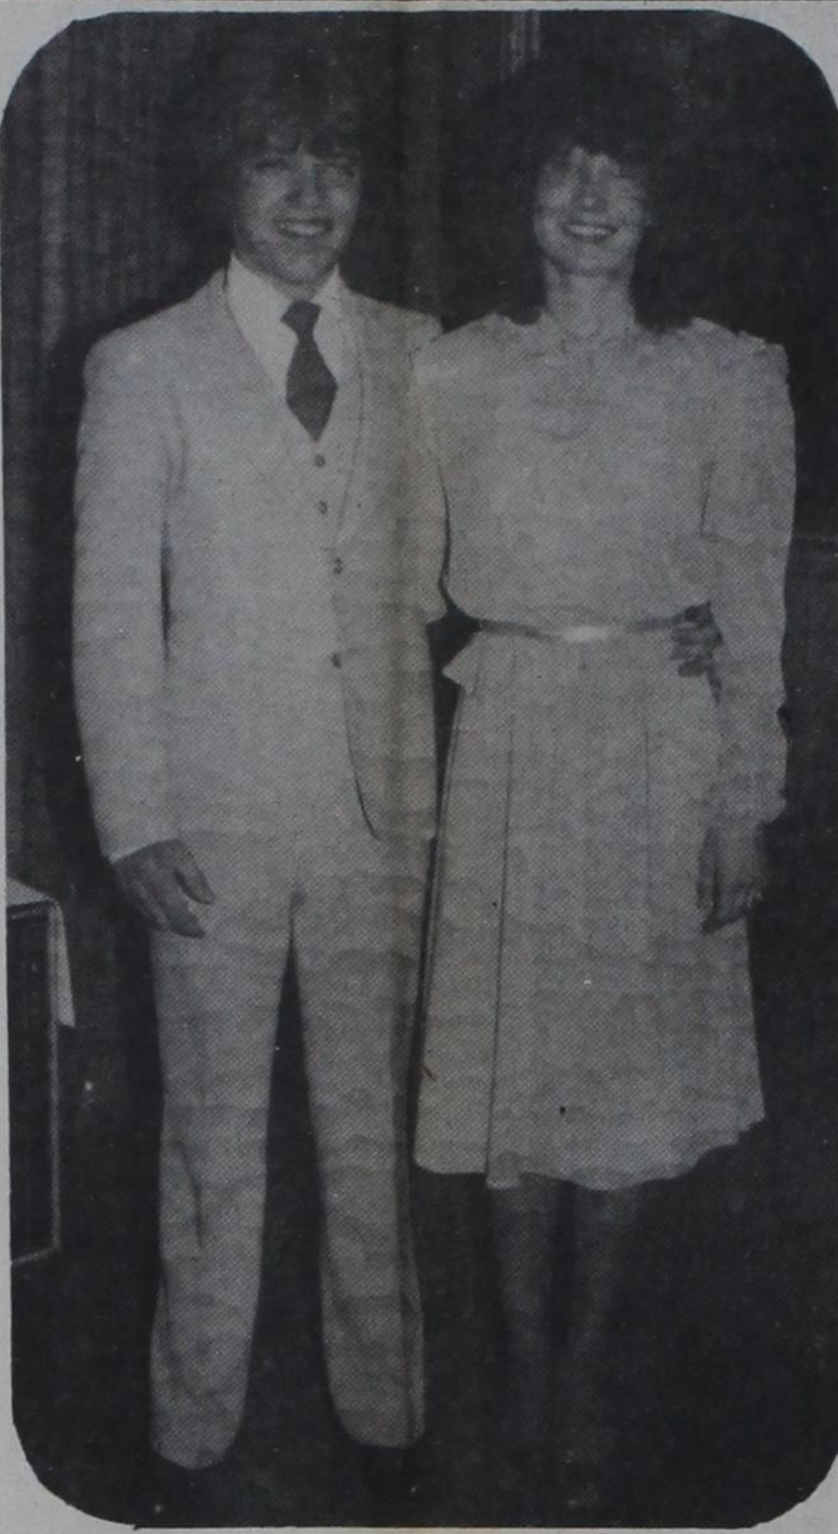

There is an update on Austin Theological Seminary at a luncheon in The First Presbyterian Church of Wichita Falls on Friday. This will be followed by a pre-presbytery event on "Developing Caring Congregations." Palo Duro Union Presbytery begins at 7 p.m. Friday at First Church, Wichita Falls, and will continue until Saturday afternoon. Fred Bolton will be Dimmitt's sessional representative. Rev. and Mrs. Edward D. Freeman will also attend.

Because of the weather, there were no services last Sunday. But the Sunday Church School classes will meet Sunday at 10 a.m. The Adult Class will meet at the home of Mrs. Emily Clingsmith; all other classes meet at the church.

"God Speaks Through a Book" will be the subject of Pastor Edward D. Freeman's sermon at the 11 a.m. service. This will be followed by the annual congregational meeting.

Junior Youth will meet at 5 p.m. with Corey Joiner as the leader.

Slides of Jerusalem, Bethany, and Bethlehem will be shown at the Wednesday service at 7 p.m.

MR. AND MRS. DAVID NICHOLSON  
... She's the former Barbara Broadstreet.

### Newlyweds are at home in Dimmitt

Barbara Broadstreet and David Nicholson exchanged wedding vows in December in the First Assembly of God in Dimmitt. Officiating at the single ring, informal ceremony was Rev. Jackie Thompson. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. Harold Broadstreet of Dimmitt. The groom is the son of Mr. and Mrs. Rollo D. Nicholson, also of Dimmitt.

The couple is making their home in Dimmitt, where the groom is employed at Amstar.

### View from the library

By BRICK AUTRY

After this Christmas season this article should be renamed as "View From the Candy Wrappers." Our staff wishes to say thank you for the nice goodies. They ruined our resolve (and our suppers).

We tried something this year in an effort to be Christ-massy. Since some colorful suckers were on sale we decided to put them on our Christmas tree. We did it with the idea that there would be enough for any youngster who wanted the thrill of snitching a sucker. One thing we did, however, which miffed the whole thing, was put the suckers on the tree with firm attachments, so that when an innocent snitcher tried his luck the whole tree would fall over on him when the sucker was snitched. That made the game a lot less fun. Back to the drawing board for next year.

Here's a note. "Why didn't you get my book I ordered?"

Answer: Some patrons ask the library to get books for them. They wish to save themselves a trip to the bookstore. We're glad to oblige when we can. It's difficult to get books through the mail sometimes. If you go through a bookstore it may be months and months before your book arrives. We've tried several times going to the publisher. Sometimes he answers and sends the book and sometimes not. Right now we do our business through our book jobber. It is called "48 Hour Ship." Although we don't get our books in 48 hours sometimes it seems to be the best and most reliable method of getting books - especially

new books. May we remind you when ordering books it helps save our time and yours when you have the name and the title of the book you want and it sets our minds at ease when you pay for the book in advance.

There is confusion, also, when someone asks for a book and doesn't tell us if the book is for the library or for themselves. If you want a book and don't want to pay for it, use interlibrary loan. For as little as fifty cents you can read that book and not have to keep it stacked on your den room shelves.

### Mrs. Reeve is honored

Mrs. Jay Reeve (nee Rhonda Ross) was honored with a bridal shower Sunday in the home of Mrs. Bill Gregory.

Guests were greeted by Mrs. Gregory, who presented them to the honoree and her mother, Mrs. Gene Ross, and the groom's mother, Mrs. Don Reeve.

Chanin Ross registered guests, and Jamie and Julie Reeve and Isabelle Progin served at the table.

The serving table was covered with a floor-length, white cloth trimmed with lace. The centerpiece was an arrangement of rose and ice-blue silk flowers. Silver and crystal appointments were used to serve pumpkin rolls and spiced tea.

Out of town guests included the groom's grandmother, Mrs. Glen Reeve Sr. from Friona.

The 29 hostesses presented the honoree with a vacuum cleaner as a hostess gift.

Married Jan. 10 in the First United Methodist Church of Dimmitt, the couple are now making their home in Lubbock, where both are attending Texas Tech University.

MOST Americans prefer textile products manufactured in the United States because they are better made. According to a recent study, reports Becky Saunders, clothing specialist with the Texas Agricultural Extension Service, low price and mislabeling are the main reasons for buying imported items.

A 1977 graduate of Nazareth High School, the prospective groom is engaged in farming and is a dairyman.

## Social Security ...in Castro County

By TERRY J. CLEMENTS

As we start this new year, the vitality of the Social Security system is confirmed in two distinct ways. First, the whole country is watching and waiting for the legislative medicine that will restore financial health to the retirement and survivors benefit system. This public attention will assure effective treatment.

Secondly, routine, annual adjustments and program refinements, already provided by law, will take place as usual in 1983. Orderly change of this type is characteristic of a stable and mature system.

Beginning this year, retirees who are at least age 70 can earn any amount and still get all their Social Security benefits. This 'earnings test exempt age' had been 72 until this year.

Also, retirees between the ages of 65 and 70 can earn \$6,600.00 in 1983 without losing any benefits — a \$600.00 increase in this 'allowable earnings amount.' For younger retirees, survivors and dependents the annual exempt amount is \$4,920.00, up \$480.00 from 1982.

Social Security benefits are intended to partially replace lost earnings. Therefore, these annual earnings limits apply only to payment for services, including wages, salaries, and net profit from a business or partnership. The limits do not apply to other types of income.

Remember that those who received a Social Security check last year, who were not at least age 72 throughout 1982, and whose earnings were above last year's limits must file an earnings report with the Social Security Administration by April 15, 1983.

The 1982 exempt earnings limits were \$6,000.00 for those between the ages of 65 and 72, and \$4,440.00 for younger beneficiaries. People who estimated their 1982 earnings would exceed last year's limits can expect to receive an annual report form in the mail. Forms can also be requested from your nearest Social Security office. Filing a tax return with the IRS does not satisfy this annual report requirement.

By the way, these allowable earnings rules do not apply to those who receive benefits based on disability or to those who receive Supplemental Security Income. Any earnings should be reported promptly by those who get disability or SSI benefits.

There is no scheduled change in the Social Security payroll tax rate in 1983. The tax rate will remain 6.7%, paid by both employees and employers. Self-employed persons will continue to pay 9.35% on their net profit. The amount of earnings subject to Social Security tax, however, has gone up this year, from \$32,400.00 to \$35,700.00. This taxable wage base increases automatically each year to reflect the rise in average wages. Although some workers will pay a slightly higher Social Security tax amount due to the increase in the amount of wages covered in 1983, there will be no increase in the amount of Social Security taxes paid by about 92% of all workers.

Also tied to the rise in average wages is the amount of earnings which will result in one quarter of work credit under Social Security. People born after 1928 need 40 quarters of work credit (or about 10 years' credit) to qualify for retirement benefits. Fewer quarters of work credit are needed by people who will be 62 before 1991 or in cases of death or disability before age 62. The new quarter of coverage amount is \$370.00, up \$30.00 from last year.

A final routine annual adjustment involves the Medicare hospital insurance deductible amount. The deductible amount is designed to represent the average cost of one day of hospital care. To keep up with rising hospital costs, the 1983 inpatient deductible has increased by \$44.00 to \$304.00.

While some of these routine annual adjustments are more welcome than others, the changes are a necessary part of this country's most important system of financial protection and health insurance — the Social Security system.

## Museum group meets today

The Castro County Historical Museum association will meet at 7:30 p.m. today (Thursday) in the museum.

## VETERAN'S SERVICES

By BEDFORD W. SMITH  
County Service Officer

Of interest to WWI veterans: An article in the January-February Texas American Legion News states that "the Veterans Administration has declared the U.S. Government Life Insurance policies held by 83,000 World War I veterans fully paid up, and it will continue to pay dividends." It adds: "Policyholders will benefit from not having their policies lapse from nonpayment of premiums."

Annual dividends are paid to most GI Insurance policy holders, on the anniversary dates of their policies, without veterans making applications. In fact the VA prefers that you do not apply for the dividends.

I now have cards, however, for future "Disposition of Dividends." A veteran may wish to receive his dividends in cash; or apply it to pay premiums in advance; or hold for credit at interest, to pay monthly premiums when due; or simply hold on deposit for interest; or apply to pay indebtedness on policy loans; or the veteran can use them to buy paid-up additional insurance.

Veterans should be careful to keep up-to-date the beneficiaries they wish to receive their insurance in case of death. We have these forms for application or changes in beneficiaries. See us if we can help. Bring the policies with you to our office for help and/or advice.

## LONG DISTANCE PHONE OPTIONS

Consumers with touch tone dialing can save money on long distance calls by investigating discount services available to them, says a consumer information specialist with the Texas Agricultural Extension Service. Discount service is presently available in 15 to 20 Texas cities. Many toll free numbers are offered through credit card companies, and consumers receive an itemized bill for calls from the long distance credit card company rather than the regular telephone company.

## Cookie sale starts Friday

Six troops of Brownie and Girl Scouts in Dimmitt will begin their annual cookie sale Friday, continuing for two weeks until Feb. 13.

Selling for \$2 per box, the cookies will include seven different flavors: the new Hoedown and Kookaburras both introduced last year, Dutch 'n' Such (almond spice), Scot Teas (sugar cookie), Chocolate and Vanilla Creme Sandwich, Savannahs (peanutbutter sandwich), and Thin Mints.

Each troop uses the funds from the cookie sale for their own individual projects, as well as sending part of the money to the Caprock Scout Council and to support the Girl Scout Camp at Crosbyton.

Troop members will sell the cookies from door to door, and certificates, patches, tee shirts, posters and even camperships will be given in recognition of their efforts.

"Please welcome the scout who comes to your door during the next two weeks," said scout spokesperson Susan Hanners.

'PLEASE, MISTER, BUY SOME COOKIES,' will be the word for the next couple of weeks from the members of the six Brownie and Girl Scout troops in Dimmitt, as the Girl Scout Cookie sale officially begins Friday and continues until Feb. 13. Here, Katrina Acker, 7, daughter of Francis and Bea Acker of Dimmitt, tries to persuade Jerry Stump to purchase a couple of boxes. Miss Acker is a member of Brownie Troop 310.

## Mrs. Morgan to lead European study tour

Dianne Morgan, a business teacher at Friona High School, and Charmane Crawford, an English teacher at Lubbock Monterey High School, have been selected by the American Institute for Foreign Study to accompany a

group of students on a travel-study program abroad.

The trip is organized by the American Institute For Foreign Study, based in Greenwich, Conn. Over a quarter-million teachers and students have participated in AIFS programs since it was founded in 1964.

Group members will spend 22 days traveling in England, France, Italy, and Greece; and will have a 7 day cruise with stops in Egypt, Israel, Turkey and the Greek Island of Rhodes.

Mrs. Crawford is the Area Administrator for AIFS and has traveled to Europe with student groups for ten years. Mrs. Morgan will be making her third trip to Europe with student groups for AIFS. Kim Watts from Dimmitt travelled on one of the trips in 1981.

For more information write or call: Dianne Morgan, Box 111, Friona, 79035, 247-2878; or Charmane Crawford, 2308 55th Street, Lubbock, 79413, 796-2620.

Dianne Morgan

## Nazareth

## Thanks to volunteers

By VIRGIE GERBER

A special thanks to our city officials and the many other volunteers who gave of their time and furnished equipment to help clear our streets of the snow.

Funeral services were held Wednesday afternoon in Holy Family Church at Nazareth for

Grace Oehrlein, 70, of Tulia with Father Harold Waldow officiating. Burial was in Rose Hill Cemetery in Tulia where her husband was buried in November of 1982. They were the grandparents of Mrs. Kent Birkenfeld.

Darryl and Brenda Huseman of Tulia are the parents

of a son, Jason Joseph, born Jan. 7 in Tulia. Grandparents are Arnold and Catherine Huseman and Mr. and Mrs. Lowell Risher of Hereford.

Ralph and Emalene Pohlmeier of Yukon, Okla. are also the parents of a girl, born Jan. 23. Grandparents of this baby are Philip and Dora Pohlmeier and Arnold and Catherine Huseman.

Judy and Jerry Lange are the parents of a son, Mark Jay, born Jan. 2 in Plains Memorial Hospital. Grandparents are Mr. and Mrs. F. A. Fetsch of Hereford and Joe and Dorothy Lange of Nazareth.

Claude and Brenda Annen are the parents of a girl, Saige Rhea, born Jan. 17. Her grandparents are Mr. and Mrs. Raymond Annen and Mr. and Mrs. Ray Robertson of Spearman.

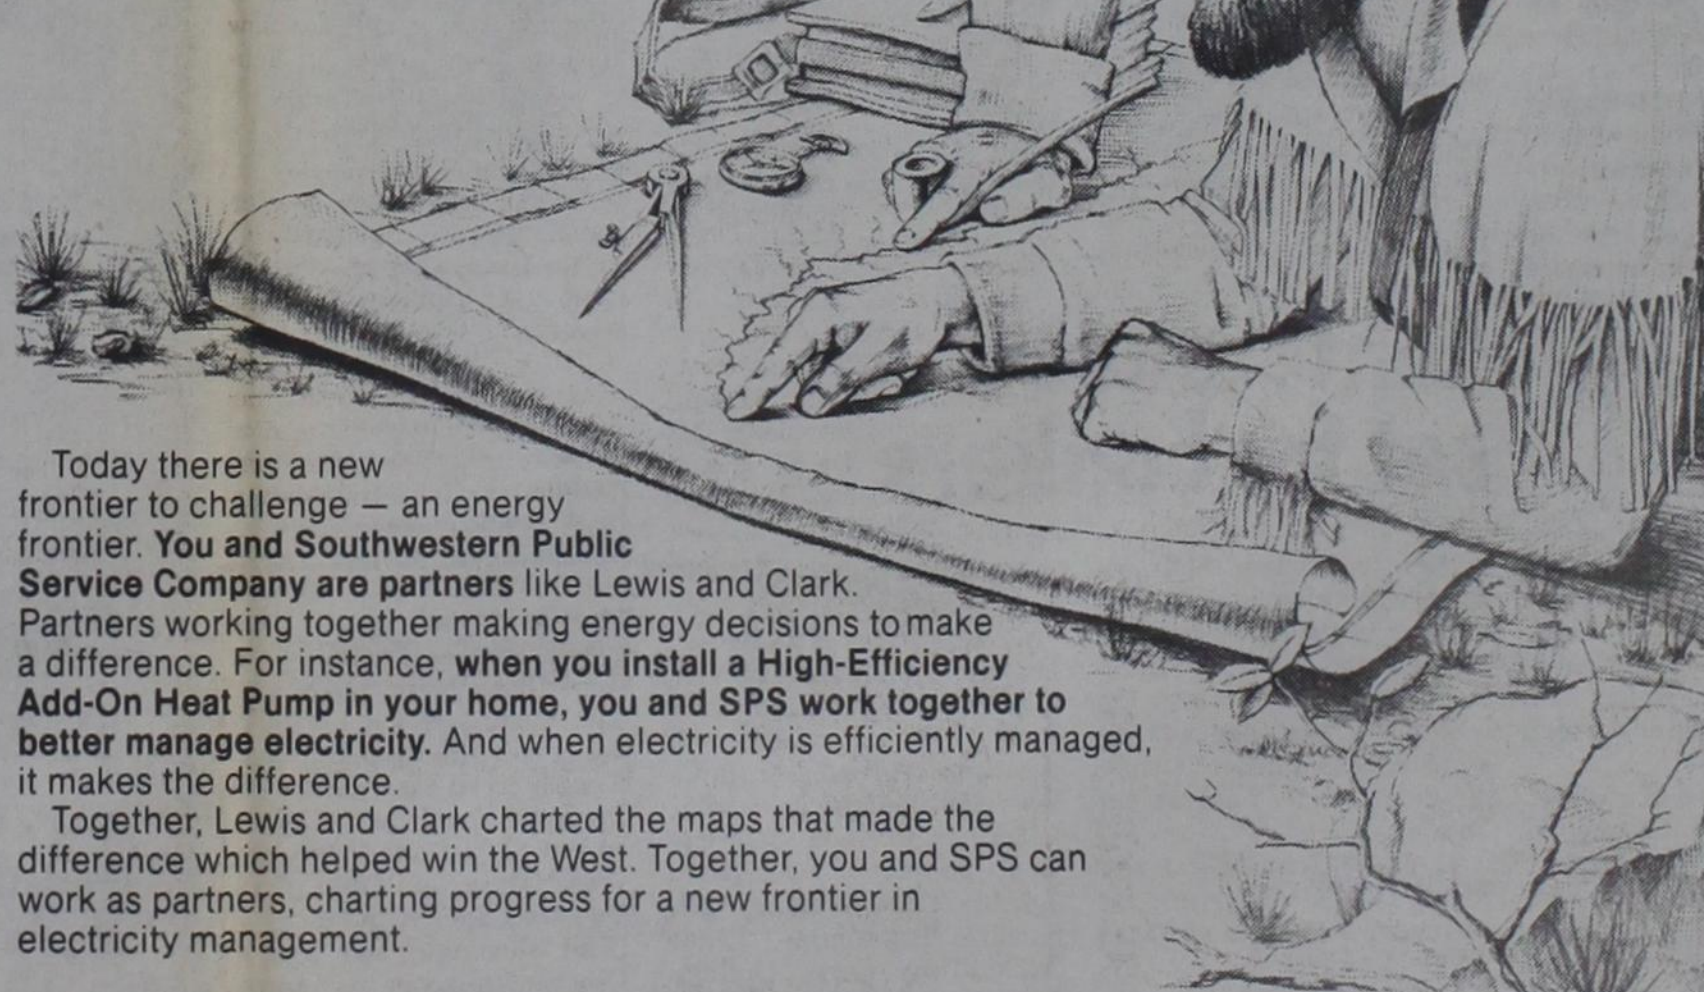

Roger and Trudy Meyer express their thanks for the many baby gifts given to them at the shower last Sunday at the home of Mitzie Brockman, hosted by the Nazareth Band Mothers. Roger Meyer is our band instructor.

Funeral services were held Tuesday morning for Lizzie Birkenfeld, 85, in Holy Family Church with Father Harold Waldow officiating. Burial will be in Holy Family Cemetery, where her husband Ben, was buried in 1941.

## Partners map progress.

Lewis and Clark were men of destiny who challenged over 2,000 miles of trackless wilderness west of the Mississippi. Captain Meriwether Lewis, army officer and frontiersman, chose the artist and mapmaker Lieutenant William Clark for his partner. From 1803 to 1806 the two young men combined their skills and talents to search for a northwest passage to the Pacific Ocean.

As partners, Lewis and Clark provided detailed maps and valuable scientific journals which later encouraged rapid settlement and development of the West.

Today there is a new frontier to challenge — an energy frontier. You and Southwestern Public Service Company are partners like Lewis and Clark. Partners working together making energy decisions to make a difference. For instance, when you install a High-Efficiency Add-On Heat Pump in your home, you and SPS work together to better manage electricity. And when electricity is efficiently managed, it makes the difference.

Together, Lewis and Clark charted the maps that made the difference which helped win the West. Together, you and SPS can work as partners, charting progress for a new frontier in electricity management.

You and SPS, partners managing electricity, make the difference.

Texas Department of Public Safety

**SNOW MEN, WOMEN AND—**A whole colony of snow figures sprang up in Dimmitt over the weekend in the wake of the deepest single snowfall since 1906. The snow sculptures ranged from the traditional Frosty to a cedar-skirted housewife to a couple of E.T.'s, a snow family and a fort.

## DPS says insurance proof enforcement to continue

The Texas Department of Public Safety will continue to enforce the current mandatory liability insurance law as enacted by the last session of the Texas Legislature. A recent Attorney General's opinion stated that failure to carry, produce or provide proof of insurance is not an offense. However, the opinion does not require DPS policy to be changed. The offense contained in the law is "failure to maintain financial responsibility," i.e., failure to maintain liability insurance.

Colonel Jim Adams, DPS director, said "the statute requires motorists to furnish information concerning evidence of insurance to a police officer upon request. Failure to provide satisfactory information creates a rebuttable presumption under the statute that the motorist failed to maintain liability insurance. This presumption may be rebutted by presenting evidence to the judge that the motorist did in fact have insurance and the judge may dismiss the charge."

If the officer is not satisfied with the information provided, he can issue a citation. Adams said troopers will continue to issue citations when drivers are unable to furnish satisfactory information.

The Department of Public Safety issued rules when the law went into effect detailing examples of information which would be accepted as evidence of financial responsibility. The items include the insurance policy, insurance identification card, or other information which confirms to the satisfaction of the officer that the operator is in compliance with the law.

In an opinion dated May 14, 1982, the Attorney General upheld these rules as binding on all law enforcement officers of the state.

"If a person is unable to furnish the information requested by the officer, the officer may issue a citation even though the individual claims to have the required insurance," Adams said.

Colonel Adams said the law has produced positive results, and has resulted in an increase in the number of Texans who presently carry liability insurance. "Before the law was passed, 74% of Texas motorists involved in vehicle accidents did have insurance. However, 1982 accident reports indicate that 91% of the drivers involved in vehicle accidents have obtained and maintain insurance," he said.

### Police calls

Only two arrests were made and two minor traffic mishaps reported in the past week.

Sheriff's deputies arrested a 44-year-old Dimmitt man on misdemeanor DWI charges. He was fined \$250 and is still in jail.

Dimmitt police arrested a 20-year-old Dimmitt man Monday on a charge of simple assault.

On Jan. 18, Eleazar Alegro, driving a Chevy, collided with a car driven by Jerry Keith Cartwright at the parking area near the Amstar gate. Alegro was backing out of an angled parking area onto the street. Cartwright was driving down the street and attempted to stop but could not on the muddy road.

Jose Saucedo was issued a ticket last Thursday for failure to control speed on the ice. Saucedo was attempting to pass a maintainer when the car he was driving skidded out of control and collided with the machine.

Police are investigating a complaint they received last Thursday from James Lamar McIvee of Pampa. McIvee was parked in front of apartment 105 at the Colonial Inn Motel last Wednesday night. Sometime during the night a vehicle ran into his car doing considerable damage.

## More about County ...

[Continued from Page 1]

### Concerts rep is in Dimmitt

Mrs. Mary Loyd, Community Concerts representative for Columbia Artists Management of New York City, is in Dimmitt today (Thursday) and Friday, meeting with members of the Castro County Community Concerts Association board of directors.

She is here to help the local association continue with its organization, and to answer any questions. She is staying at the Colonial Inn, and all board members are urged to stop by and visit with her.

Mary Edna Hendrix, writer of the "Chatter" column for the Castro County News, has been selected as third vice-president of the association's board, and has also been named publicity chairman.

The group's membership drive is scheduled to begin this spring. Family memberships will cost \$35.

"We hope to recruit enough members to be able to fill the Dimmitt High School auditorium," Mrs. Hendrix said.

—Set holidays for 1983.

—Approved an order authorizing officials to send a juvenile to the state detention center.

—Gave approval for Sheriff Lonny Rhynes to attend a jail standards seminar in Austin, Jan. 28.

—Discussed insurance coverage with County Tax-Assessor Collector Billy Hackleman.

—Heard a report from Clara Vick on Castro County Historical Commission activities.

—Reappointed the present members of the commission, with the addition of Myrna Cowser.

—Discussed attending a meeting today (Thursday) in Amarillo at the Panhandle Alcoholic Recovery Center.

—Discussed the possibility of Precinct 4 Commissioner Vincent Guggemos buying a new motor grader.

ON ONE afternoon in 1935, in the space of 45 minutes, Jesse Owens, the famous track star, established records in four separate events.

## Poster, essay winners named

The Running Water Soil and Water Conservation District recently announced the winners of this year's conservation poster and essay contests.

Joyce Schilling of Dimmitt won first place in the County in the essay contest, while Lorelea Acker of Nazareth won the poster contest.

Joel Birkenfeld of Nazareth won second in essay competition, and Jackie Spinhrine of Dimmitt won third.

Bernadette Hochstein of Nazareth placed second in poster competition and Beth Sams of Dimmitt won third place.

First through sixth grades and special education classes from Nazareth and Dimmitt

entered 537 conservation posters in the contest.

The winning entries in both the poster and essay contests are on display in the lobby of the High Plains Savings and Loan building. Fifty nine winners were named in the competition.

They are listed below:  
FIRST GRADE — 1st — Paul Ramirez, Dimmitt; 1st — Faustino Parras, Dimmitt; 2nd — Wendy Traylor, Dimmitt; 2nd — Amy Wooten, Dimmitt; 3rd — Ernie Gusman, Dimmitt; 3rd — Betty Dollar, Dimmitt.

HONORABLE MENTION — Amanda Flores, Suzanna Lopez, Gabe Sheffy, Rocio Gonzales, Richard Jarabo and Justin Roberts, all of Dimmitt.

SECOND GRADE — 1st — Umberto Torres, Dimmitt; 1st — Hayle Wall, Dimmitt; 2nd — Tisha Rice, Dimmitt; 2nd — Daniel Gil, Dimmitt; 3rd — Kyle Kenmore, Dimmitt; 3rd — Johnny Martinez, Dimmitt.

HONORABLE MENTION — Edward Silva, Brandy Nelson and Roy Salazar, all of Dimmitt.

THIRD GRADE — 1st — Bobby Flores, Dimmitt; 1st — Richard Romas, Dimmitt; 2nd — Pablo Vasquez, Dimmitt; 2nd — Shannon Vance, Dimmitt; 3rd — Dee Dee Leingang, Dimmitt; 3rd — Miguel Saucedo, Dimmitt.

HONORABLE MENTION — Joshua Book, Nazareth; Rafael Vasquez, Dimmitt.

FOURTH GRADE — 1st — Bernadette Hochstein, Nazareth; 1st — Darlene Webb, Nazareth; 2nd — Vance Archer, Nazareth; 2nd — Wade Hoelting, Nazareth; 3rd — Janay Johnson, Nazareth; 3rd — Monica Kleman, Nazareth.

HONORABLE MENTION — Leon Verkamp, Nazareth; Steven Lang, Nazareth; Cindy Braddock, Nazareth.

FIFTH GRADE — 1st — Lorelea Acker, Nazareth; 1st — Curt Summers, Dimmitt; 2nd — Martin Hernandez, Dimmitt; 2nd — Ben Scott, Dimmitt; 3rd — Jennifer Carter, Dimmitt; 3rd — Jerry Lopez, Dimmitt.

HONORABLE MENTION — Tito Villanueva, Dimmitt; Sandra Sandoval, Dimmitt; Henry Rocha, Dimmitt; Mark Patterson, Dimmitt.

SIXTH GRADE — 1st — Beth Sams, Dimmitt; 1st — Sabrina Mays, Dimmitt; 2nd — Kevin Petty, Dimmitt; 2nd — Tammy Drerup, Nazareth; 3rd — Panchou Vasquez, Dimmitt; 3rd — Mathew Maxey, Dimmitt.

HONORABLE MENTION — Shona Birkenfeld, Nazareth; Lucyde Lynn, Dimmitt; Coby Nioke, Dimmitt; Angela Davis, Dimmitt.

## Nominations complete for Chamber honors

Twenty-two outstanding citizens have been nominated for honors to be presented at the annual Dimmitt Chamber of Commerce Banquet scheduled Feb. 7 at 7:30 p.m. in the County Expo Building.

Seven were nominated for Citizen of the Year, 10 for Citizen through the Years, and five for Teacher of the Year. The winners of the honors will be revealed at the banquet.

Chamber officers will be installed at the banquet, and the meal will be catered by K-Bob's in Dimmitt, with a menu of sirloin steaks and all the trimmings.

Cost is \$10 per person and tickets are available at the chamber office, Tots and Teens, and the First State Bank.

Zelda Ellison will provide the entertainment for the evening.

Dr. James "Doc" Blakely of Wharton, a noted humorist will be the featured speaker at the banquet. He has written several books and writes a weekly newspaper column which is printed in 160 publications.

A secret committee appointed by the chamber board of directors will make the final selection for the Citizen and Teacher honors. Nominations are held over for three years, according to Chamber Manager Delores Heller, so anyone nominated but not select-

ed in the past three years will be considered again.

### More about

## Snow ...

[Continued from Page 1]

routes and all roads if possible," he said.

Wilson also said "it will all be worth it, though. The moisture will be very beneficial to us."

This snow, coming on the heels of the Christmas and New Year snows, brings the year's total moisture to 1.65 inches.

Business at Amstar and Goodpasture went on "24 hours as usual" during the snow. Employees who live out of town were unable to make it to work at the two industries Friday. Dimmitt residents for the most part were able to make their way to work on their own, although some were carried by snowmobiles and four-wheel vehicles.

For the first time within memory, most local residents went two days without getting their mail. No dispatch trucks were able to get through Friday and Saturday; and the snow was still too deep for city carriers to walk to deliver the mail. Regular mail service was resumed Monday.

Energas and Southwestern Public Service managed without any major problems. Bob Caddell of Energas reported the only problem encountered was trying to find the snow covered meters to read. Calvin Marsh at SPS said only a couple of minor incidents were reported.

No one was hospitalized at Plains Memorial due to weather related accidents.

State Troopers were not called out on any highway accidents during the week, and City police investigated only one minor accident last Thursday when a car skidded into a maintainer.

The 16.9 inches of snowfall that fell in Lubbock paralyzed that city Friday, breaking four records and causing roof collapses.

Lubbock Police ordered all people to stay off city streets unless they were vital to the city's welfare.

Amarillo reported 10 inches of snow during the two days. Weathermen were predicting possibly another inch of snow for the area Tuesday, meanwhile Castro County residents are almost "back to normal," except for driving on slushy streets and avoiding snow mounds scattered throughout the county.

## Corn Growers set the date

"Farm Problems of the 80's" will be the theme for the Tenth Annual Texas Corn Growers Assn. meeting scheduled for Feb. 9 at the County Expo building in Dimmitt.

The meeting begins at 9:30 a.m. with Carl King and Weldon Davis giving the welcome and President's report.

Featured speakers at the meeting include: Everett "Bud" Rank, administrator of ASCS of the USDA, Jim Hightower, Commissioner of

Agriculture for Texas; and John Ford, Deputy Secretary of Agriculture.

Consulting chemical engineer Don Ethington will speak on hydrogen energy, and Harold Bob Bennett will present the financial and secretarial report.

A free barbecue lunch will be served, and entertainment provided.

An afternoon program will feature several other speakers. The public is invited to attend.

## Conference is set for bankers

High production and low prices are plaguing agriculture in the 1980s. Survival of the food and fiber production business and the entire rural community that depends on agriculture is a major concern of commercial bankers of Texas.

The 1983 Texas Farm and Ranch Credit Conference for Commercial Bankers at Texas A&M University, Feb. 27-March 1, is designed to provide persons in the farm credit area with an update on current conditions for the agricultural economy and give insight into dealing with the risks of making credit available during the current times of economic uncertainty, says Dr. Robert B. Schwartz, a dairy marketing economist with the Texas Agricultural Extension Service.

Conference sessions will be in the J. Earl Rudder Conference Center.

Concurrent sessions, Schwartz said, will deal with row crops, cattle and dairy loans. Other sessions will deal with regional loan problems and opportunities.

For registration information, contact Dr. Richard Trimble, Department of Agricultural Economics, Texas A&M University, College Station, Tx. 77843, or call (713) 845-8012.

An Agricultural Credit Analysis Workshop is scheduled to follow the Bankers' Conference, March 2-3.

PEOPLE who hold public office sometimes forget that they are supposed to represent all the people, not just a few.

## All-Region Band named

Dimmitt schools boast 31 students who have been listed among the members of the High School and Junior High All-Region Bands as a result of recent try-outs.

The high school has 26 on the honor band, while the junior high has five. The All-Region Band Concert will be Saturday night in Monterey High School in Lubbock, with the junior high playing at 5:30 and the high school playing at 7.

Those who made the honor band are listed below, by school:

### High School

Flute — Sandi Schinkus; clarinet — Denise Behrends (first chair), Julia Reeve, Denise Smith, Juanita Velasquez, Tama West, Tammy McMillen and Laura Hargrove; oboe — Tricia Touchstone (first chair) and Stephanie Ryan; bassoon — Holly Waggoner (first chair) and Kristal Scott; bass clarinet — Debra Sava and Beth Mohon; cornet — Dana Osborn; French horn — Carla Frye and Brett Sheffy; baritone — Chad Thompson and Lonnie Osborn; trombone — Joyce Schilling and Greg Sava; tuba — Kennen Howell and David Barton; mallets — Shelly Frye (first chair); drums — Keith Gregory (first chair), also trap drummer.

### Junior High

Flute — Vanessa Pigg; clarinet — Mandy Higgs; cornet — Anessa Scott and Jacalyn Thompson; tuba — Jim Nelson.
